Percy R. Bengough, head of the Trades and Labor Congress, told workers at the big fair that the trade union movement does not foster Communism. He said the best defence against Communism is "to see that democracy operates in the best interests of all citizens."

A. R. Mosher, president of the Canadian Congress of Labor, pleaded for unity in labor ranks.

Thousands of Montrealers attended sports events while some 2,000 workers paraded at Valleyfield, Que., and 5,000 in Quebec city.

Winnipeg's beaches and golf courses were crowded. About 5,000 workers attended a Winnipeg Labor Day picnic. Calgarians watched the Webster trophy air show finals, a soap box derby, model auto races and the Alberta golf open.

Mass Picnic

Sixty buses drove 6,000 Halifax stevedores and their families to a mass picnic at Mount Uniake, 18 miles from the city.

At Windsor the international bridge and the tunnel to Detroit were packed with Canadians crossing to hear President Truman speak at Detroit. In Windsor itself the Fire Fighters' Association staked its 19th annual field day. Almost 40,000 people lined the streets to see a parade with 50 floats.

Thousands of Ottawa civil servants took advantage of the last holiday before they resume their six-day weekly schedule, suspended during the summer months.

A mile-long parade of TLC members at Cornwall included three bands and dozens of floats.

Mrs. Plumptre Dies.

TORONTO, Sept. 7.—(CP). — One of Canada's outstanding women, Mrs. Adelaide Mary Plumptre died in hospital here Saturday. She was the wife of Rev. Canon H. P. Plumptre, retired rector of Toronto's St. James Cathedral. She was a former chairman of the Toronto Board of Education, third woman to be city alderman, and a Canadian Red Cross executive. In 1931 she represented Canada as an official delegate to the assembly of the League of Nations in Geneva.

Britain Launches Recruiting Campaign Soon

LONDON, Sept. 7.—(Reuters) —Britain, faced with a post-war recruiting slump in an uncertain peace, is launching a campaign this autumn to strengthen her defences.

Under the slogan, "Spare Time for Britain," the public will, in the next few months, come under a barrage of recruiting speeches, posters, advertisements and films.

The main purpose of the army recruiting campaign will be to raise the volunteer element of the territorial (reserve) army to 150,000 by next spring. This will mean trebling its present strength.

The appeal will be primarily to men demobilized from wartime services.

In the next six months, it is hoped to draw 100,000 men into voluntary service with the territorial army. The more men with some experience recruited the better, service chiefs say, for they will form a hard core for the service, especially when youths now being conscripted for one year's national service with the regular army are, in January, 1950, passed into the territorial army on a six-year reserve.

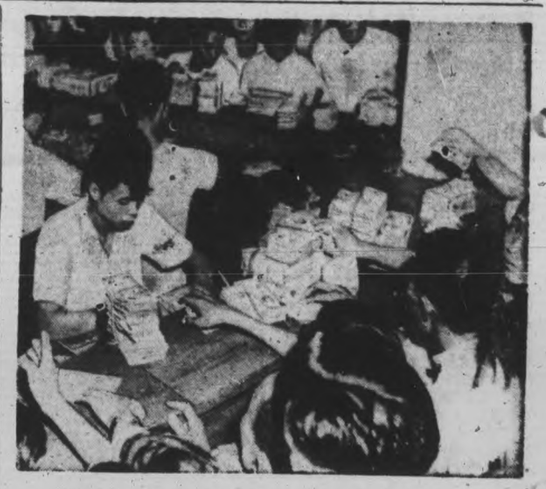
It is upon the territorial army that Britain relies to supplement her regular forces in time of emergency. If this is not kept alive and strong, British leaders realize that their whole defence system is threatened.

To Contest Election.

SUDBURY, Sept. 7.—(CP). — R. H. Carlin, former CCF member of the Ontario Legislature for Sudbury riding, Monday announced he will contest the Federal election in the new constituency of Sudbury. He ran as an Independent CCF in the Ontario election last June 7 when the CCF party withdrew its support in a dispute on policy. Carlin is Canadian director of the International Union of Mine, Mill and Smelter Workers (CIO).

Annual Parade

HAVELOCK, Sept. 7 (ENS).— "Deliverance in Work and in Brotherhood" was the subject of a sermon delivered by Rev. F. R. Vanderburgh in Havelock United Church on Sunday evening on the occasion of the annual church parade of the Havelock Royal Black Preceptory. An anthem was sung by the senior choir under the direction of Mrs. R. Campney. A solo was sung by Miss Joyce Agnew.



FACING A CURRENCY CHANGE DEADLINE of Sept. 30, Chinese clerks in Nanking's Central Bank are shown changing bundles of old Chinese currency, known as "fapi," for "gold yuan," or new notes. Backed by gold reserves, new money is valued from 1 to 100 yuans.

Watchman Injured By 2 Hotel Bandits

TORONTO, ½Sept. 7.—(CP).—Cecil Stovell, night watchman of the midtown Babloor hotel, suffered head wounds which required 17 stitches to close early today after being attacked by two men who ran from the hotel without any loot.

Coming up from the basement, Stovell was confronted with men, one carrying a revolver and the other a blackjack. The thugs attempted to tape the night watchman's mouth and when he struggled, he was slugged with the revolver.

Stassen Prepared To Answer Truman

NEW YORK, Sept. 7.—(AP).—The United States presidential campaign ripped into high gear today with Harold E. Stassen ready to deliver the official Republican reply to President Truman's series of Labor Day addresses.

From early morning until late last night, Truman hammered away at his theme that an "era of fear" and depression may result if Republican "reactionries" are elected in November.

Stassen will speak from Detroit tonight.

Governor Thomas E. Dewey of New York, already has given his blessing to Stassen's address, as the result of a conference the two held at Albany last week.

Hastings News

Mr. and Mrs. Fred Doherty were guests of Mr. and Mrs. Johnson Doherty last week. Mr. F. Doherty has been elected alderman in Montreal.

Paul Stevenson celebrated his 14th birthday on Saturday.

Annette Stevens celebrated her 16th birthday on Saturday.

Miss Iris Eastbrooke, RN, of Toronto General Hospital, is vacationing in Hastings.

Mr. Bob Singer, Toronto, is spending two weeks' vacation at Bill Mills' cottage, Mr. Mills spent the week-end here.

Mr. and Mrs. G. Graham and son Bill, Toronto, spent the week-end at their cottage.

Mr. and Mrs. Jack Cousins, Toronto, spent the week-end at their cottage.

Miss Ruth Ball, Peterborough, spent the week-end at her home here.

Brigadier and Mrs. A. Nelson, Picton, spent the week in Hastings with the latter's parents.

Mr. W. J. Bell, provincial commissioner of St. John Ambulance Corps, visited his nephew, Dr. Bell-Smith and family on Saturday. Accompanying him were his wife and Mr. and Mrs. W. B. Smith of Toronto.

Vester Lynch left last week to help with the western harvest. On his way he stopped over at the RCMP camp at Regina to visit his brother, who is stationed there.

Mrs. Mollie Herr spent the week-end at Port Credit with Mr. and Mrs. Fred Reeve.

Mrs. Prentice has returned to her home in Hamilton after spending two weeks with her sister, Mrs. Harry Scriver.

Revive 12-Mile Swim.

LAKE GEORGE, N.Y., Sept. 7 — (AP). — The 12-mile Lake George marathon swim will be resumed tomorrow after a lapse of 21 years. The $6,000 prize money has attracted more than 125 entries. Heading the list is Steve Wozniak, 33-year-old Buffalo veteran, who won $5,000 first-prize money in the 10-mile Canadian National Exhibition marathon at Toronto. Also entered are Ben Gazel of Toronto, who finished second to Wozniak and took a $2,500 prize; and Jerry Kerschner, 23, of Columbus, Ohio, who annexed the $1,000 third-place award.

Canadian Boat Wins.

DETROIT, Sept. 7—(CP)—The Silver Cup for power-boat racing went to Miss Canada III Monday after the Ingersoll craft zoomed over the second heat at an average speed of 68.471 miles an hour. Driven by Harold Wilson, son of Ernest Wilson, Miss Canada's owner, the speedy Canadian entry emerged winner over four finishers. Miss Canada III had taken the initial heat for the Silver Cup Saturday.

15 WEEKLY PRIZES
RULES - - READ CAREFULLY
The "Radio Ad-O-Gram" Page will appear in The Peterborough Examiner every Monday. In the spaces, in the heading of this page there appear phrases and slogans which have been taken from the advertisements appearing on this page.

TO QUALIFY FOR PRIZES
The reader must find among the advertisements appearing on this page, the ones from which the phrases and slogans have been taken. In making up solution, fist write down the number as it appears in the heading. Then opposite the number, write the name and address of the Advertiser from whose advertisement it has been taken, listing them in order of number. To make your solution eligible for entry, attach to it a receipt or label showing that goods or service have been purchased from any one of the Advertisers on this page.

AWARDING OF PRIZES
From all correct and eligible solutions received during the week, 15 will be drawn and the prizes awarded to each respectively in the order in which they are drawn, 1st, $5.00—2nd, $3.00—3rd, $1.00—4th, $1.00, the next 10 will receive a Capitol Theatre ticket.

MEYERS STUDIOS, are awarding a special weekly Prize. This is an 8 x 10 Black and White Portrait, nicely mounted in a folder. This Award will be made to the person whose reply is judged the neatest.

Mention the "Radio Ad-O-Gram" advertiser on whom you wish your prize order. Address replies to the "Radio Ad-O-Gram" editor and make sure they reach The Peterborough Examiner by Friday.

Awards will be made in the form of merchandise orders, redeemable at any Advertiser on this page. State on your solution, at which of these "Radio Ad-O-Gram" establishments you wish to redeem your prize order.

RADIO Every Monday the Radio Ad-O-Grams will be announced over CHEX and attention directed to the page in that day's Peterborough Examiner.

MacNamara, Miss Clara Galvin, Miss Joan Donnelly, Miss Mary Joan Oulahen, Miss Margaret Cockburn, Miss Norma Calder, and Miss Betty McDivitt, all of Toronto; Mr. Jack Wade, St. Catharines, and Mrs. and Mrs. G. Northcott, Kingston.

✧ ✧ ✧

Will Have Fair Booth.

NORWOOD, Sept. 7—(ENS)—Norwood Women's Institute met in the Public Library on Friday. Mrs. A. Gill presided.

Mrs. Frank Andrews was appointed delegate to the convention in Toronto in November.

It was decided that the Institute have a booth at the Norwood fair this year. Mrs. L. Edmunds and Mrs. F. Andrews will make arrangements and the secretary will contact members for helping the booth fund. Mrs. Oitment will be convener on fair day.

Lunch was served by the hostess, Mrs. W. Bongard.

KELLOGG'S ASTHMA RELIEF FOR ASTHMA & HAY FEVER

JEAN FERGUSON, "Miss Canada" from Halifax, N.S., views the cataracts at Niagara Falls during a recent visit. Jean was feted by civic officials during her stay.

Audrey Isobel McMaster Bride at Norwood Today

Mixed fall bouquets and ferns decked Norwood United Church where Audrey Isobel, daughter of Mrs. McMaster and the late Wesley McMaster, and Robert Arnott, youngest son of Mr. and Mrs. William Garden, were united in marriage today in a double ring ceremony, by Rev. E. E. Pugsley. Mrs. J. H. McCaskey was organist while Mr. Albert Garden of Lindsay, uncle of the groom, was soloist, and sang "The Lord's Prayer" and "Because".

The bride, given in marriage by her uncle, Mr. Andrew McGee, wore a heavy ivory satin gown, fashioned with a deep lace yoke and bertha, and long fitted sleeves came to a lily point over her hands. Her skirt, with a long train, was gathered to a tight fitted bodice, and her full length silk brocaded veil flowed from a halo hat of tulle and orange blossoms. Her only jewellery was a pearl necklace, gift of the groom. She carried a cascade of American Beauty roses.

Miss Frances McGee of Fenelon Falls, gowned in green, was maid of honor, and Miss Geraldine Fenner of Toronto, and Miss Shirley Garden of Niagara Falls, gowned in yellow, were bridesmaids. Their gowns were pastel shades of taffeta silk in long princess lines and net yokes. They wore long matching gloves and shoulder length veils of matching net caught with roses.

Mr. William A. Garden, brother of the groom, was best man, and the ushers were Mr. Robert Pirie and Mr. Charles Lobb.

A reception in the dining room of the church followed the ceremony. Guests were received afterwards at the bride's home. Later the couple left on a motor trip to Niagara Falls and points north as far as Kapuskasing. For travelling, the bride chose a burgundy suit of imported barathea cloth, with three-piece brown fur neck piece, and black accessories.

The bride and groom will reside in Norwood.

Phyllis Lee To Live In Peterborough

St. Luke's Anglican Church was the scene on Monday of the marriage of Phyllis Gertrude, daughter of Mr. and Mrs. Ernest E. Lee, to William David James, son of Mr. Harry James and the late Mrs. James of Pittsburgh, Pa. Rev. A. F. Dowdall officiated.

Given in marriage by her father, the bride wore a gown of ice blue brocaded silk with full skirt and bustle, cap sleeves and matching mittens, burgundy velvet hat with plumes and burgundy shoes. She carried a bouquet of white gladiolus and pink rosebuds. Bridesmaid was Viola Lee, who wore a dusty rose crepe frock made with short sleeves, full skirt and elbow-length mittens. She wore a black hat and carried a bouquet of cream gladiolus and pink rosebuds. Best man was Wilfrid Lee.

After the ceremony a reception was held at the Empress Hotel where the bride's mother received, wearing a gown of dark grey crepe and grey hat with a bouquet of pink gladiolus and rosebuds.

The bride and groom left later on a trip to Muskoka. For travelling the bride wore a navy crepe dress with red accessories, grey topcoat and a corsage of gardenias. They will live in Pittsburgh.

Kirkfield Girl Marries Peterborough Man

Bexley United Church was the scene of a pretty wedding Saturday afternoon when Francis Grace, eldest daughter of Mr. and Mrs. Stanley Davey of Kirkfield, became the bride of Everett Seymour Poast, only son of Mr. and Mrs. Austin Poast of Peterborough.

Baskets of gladiolus, phlox and asters, banked with ferns, formed a lovely setting for the double ring ceremony, performed by Rev. F. W. McNulty of Coboconk, assisted by Mr. W. J. Stewart of Bexley. Wedding music was played by Mrs. William Aggas of Peterborough, and the soloist, Mrs. Ray Pearson, sang "The Sunshine of Your Smile" before the ceremony and "At Dawning" during the signing of the register.

The bride was given in marriage by her father, and wore a gown of white slipper satin fashioned with bertha neckline outlined with lace and seed pearls and long fitted sleeves coming to points over her hands. Her hoop skirt fell into a long train, the front of the skirt being tied with white satin bows and trimmed with lace. A circular veil of silk embroidered net fell in a train from a heart - shaped headdress trimmed with seed pearls. She carried a shower bouquet of pink delight roses and gardenias.

Maid of honor was the bride's sister, Miss Betty Davey, who wore a frock of pink silk jersey with fitted bodice, bertha neckline, full skirt and three-quarter length sleeves, and carried a nosegay of pink delight roses and gladiolus. Miss Dorothy Benson, the bride's cousin, and Mrs. Archie Brown, sister of the groom, were gowned alike in blue silk jersey with fitted bodice, bertha neckline, full skirts and three - quarter length sleeves. They carried nosegays of yellow roses and gladiolus, all wearing small hats matching their dresses. Groomsman was Mr. Wesley Dixon, and ushers were Mr. James Davey and Mr. Ronald Douglas of Peterborough.

Afterwards, a reception was held at the bride's home, where her mother received, wearing a dress of turquoise crepe with black accessories, and a corsage of Bettertime roses. She was assisted by the groom's mother, who wore a frock of copin blue crepe with black accessories and corsage of pink delight roses. The bouffet luncheon was served by friends of the bride, Misses Helen Cadigan, Corinne Coones, Isobell Bayes, Wilma Maxwell, Margaret Davey, Betty Barkwell, Jean McKee.

Later, the bride and groom left by train for Toronto. For the trip the bride wore a navy gabardine suit with navy accessories, a wine shortie coat, and a corsage of white gardenias. They will live in Peterborough.

Police Chief Weds At Campbellford

A profusion of summer flowers and pink and white streamers in the living room of Mr. Nelson Hardy, Campbellford, formed a setting for the quiet wedding of Gladys, daughter of Mr. and Mrs. W. H. Little, Campbellford, and George H. Hardy, son of the late Mr. and Mrs. A. Hardy.

The bride was charming in a trillium white silk jersey frock, fashioned with a basque bodice, round neckline, and full skirt extending from a peplum. She wore a trillium white picture hat, white accessories, and a corsage of red roses. Matron of honor was Mrs. Allan Wood of Cobourg, the bride's sister, who wore a morning glory blue frock, with a basque bodice and full skirt, a black picture hat and black accessories. She wore a corsage of Briarcliff roses. Groomsman was Mr. Allan E. Wood.

Following the ceremony a reception was held for the immediate members of the family. The bride is a graduate of Belleville General Hospital nursing school, and the groom is chief of police for Campbellford.

Shower Tendered Hastings Girl

HASTINGS, Sept. 7—(ENS)—Miss Betty McMillan was a guest of honor at a shower tendered her by her friends of St. Andrew's Presbyterian Church on Thursday. Community singing and games were enjoyed.

The bride-to-be was presented with a toaster, a table lamp and a purse of money. Mrs. M. Brown read the adress and the gifts were presented by the Misses arlene Johnston, Dorothy McMillan and Lorraine Whitred.

Miss McMillan thanked her friends.

Mrs. W. E. Wilson poured tea with the Misses Duffey Thompson and Huphries waiting on the table.

Loretta Hurley To Live In Cobourg

A lovely wedding took place Monday when Loretta Anne, daughter of Mr. and Mrs. Frederick T. Hurley, became the bride of James Joseph Oulahen, son of Mr. and Mrs. J. J. Oulahen, of Cobourg, in Imaculate Conception Church. Nuptial mass was said by Rev. James Greenan, and mass was served by the groom's brothers, Charles and Billie. Music was played by Mrs. C. O'Donnell, and Mr. Anthony De Noble sang "Ave Maria" and "Panis Angelicus".

The bride was given in marriage by her father, and wore a gown of ivory satin modelled on Grecian lines with a bateau neckline, long sleeves with an edging of Chanilly lace over the palms, and a long graceful train falling from a tunic over the hips. Her full length veil was caught from a headdress of braided satin, and she carried a bouquet of Johanna Hill roses.

Maid of honor was Miss Clotilde Hurley, and Miss Mary Jane Oulahen, sister of the groom, was bridesmaid, wearing nile green and gold crepe gowns respectively. They wore matching headdresses and carried baskets of bronze mums and mixed flowers. Best man was John Oulahen, brother of the groom, and the ushers were Kevin Hurley, brother of the bride, and Paul Oulahen, brother of the groom.

Following the ceremony dinner was served in the Empress Hotel, and later a reception was held at the bride's home where her mother received, wearing a gown of claret crepe, black hat and accessories. The groom's mother, also received, wore a gown of navy crepe and matching accessories, and a bouquet of pink roses.

Later the bride and groom left for a trip to Montreal and the Laurentians, for which the bride wore a pale blue suit with navy accessories, a corsage of gardenias, and carrying a navy shortie coat. They will live in Cobourg.

Doris Blodgett Bride On Labor Day

The wedding took place Monday in St. Peter's Cathedral of Doris Marciline, daughter of Mr. and Mrs. Justice Blodgett, to Ivan Russell Hendren, son of Mr. and Mrs. Elmo Hendren. Rev. P. P. Butler officiated at the double ring ceremony in a church decorated with gladiolus and fern. Wedding music was played by Mrs. R. Aman, and Mrs. E. Collis sang "Ave Maria" and "On This Day."

The bride was escorted by her brother, Mr. E. Blodgett, and wore a gown of lustrous white skinner satin with bertha neckline, fitted bodice and tiny covered buttons at the back. Her full flowing skirt extended into a train. Her veil was of silk embroidered net caught with a tiara of seed pearls, and she carried a cascade of American Beauty roses.

Maid of honor was Miss Mary Hendren, the groom's sister, and bridesmaids were Miss June Blodgett and Miss Shirley Blodgett, who were frocked alike in delphinium blue rayon taffeta, with sweetheart neckline, and bustled backs draped in folds to the hemline. The flower girl, Margaret Ann McCormick, niece of the bride, wore baby pink. Bridesmaids carried cascades of pink roses, and the flower girl carried a nosegay of Talisman roses. Best man was Mr. Kenneth Blodgett, brother of the groom, and ushers were Mr. Gratton Dundas and Mr. Gerard Blodgett.

After the ceremony a dinner was held at the Club Aragon, and a reception at the bride's home, where the bride's mother received, wearing a gown of dove grey crepe with navy accessories and a corsage of pink roses. The groom's mother, who also received, wore a gown of sapphire blue crepe, with black accessories, and a corsage of pink roses.

Later the bride and groom left on a motor trip to Ottawa and Montreal, for which the bride wore a suit af mulberry gabardine and black accessories. They will live at 875 Water St.

Betty McMillan Married At Hastings

HASTINGS, Sept. 7 (ENS). — A very pretty wedding took place quietly on Saturday afternoon at the United Church parsonage, when Rev. J. Cole joined in marriage Betty Letlia, eldest daughter of Mr. and Mrs. John F. McMillan, and Harold Stephen Richardson, son of Mr. Fred Richardson and the late Mrs. Richardson of Hastings.

The bride looked lovely in blue sheer long-sleeved gown. The sweetheart necklin was trimmed with silver sequins and small beads. The full skirt was gathered to a wide band fastening at the back. The white shoulder-length veil was caught to a coronet of orange blosoms. She wore white shoes and gloves and carried a bouquet of American Beauty roses, baby's breath and fern. Her only jewellery was a two-strand pearl necklace, the gift of the groom.

Miss Helen Richardson, sister of the groom, was bridesmaid, gowned in baby pink sheer over taffeta with long full sleeves and rows of lace on the full gathered skirt and around the sweetheart neckline. A pink lace halo bandeau, white shoes and gloves and a bouquet of Talisman roses, baby's breath and fern completed the costume.

The groom was attended by Mr. Vernon McMillan, brother of the bride. The reception for 40 guests was held in the bride's home where her mother received wearing street-length blue crepe dress, black accessories, and a corsage of pink roses. Assisting was the groom's stepmother, wearing two-piece blue crepe dress, black accessories, and a corsage of pink roses.

The house was beautifully decorated with summer flowers and pink and white streamers caught to a large white bell. A three-tiered wedding cake adorned the lace-covered table, which was decorated with silver candle holders and pink candles.

The bride's cousin, Miss May McMillan, poured tea, while Miss McMillan poured tea, while Mrs. Elma Richardson, Mrs. Wilby McMillan, and Miss Dorothy Stranaghan, of Peterborough, waited on table.

For the wedding trip to Toronto and points West the bride donned an autumn brown tailored gabardine suit, black accessories and corsage of pink roses. They will live in Peterborough.

Do you suffer distress from 'periodic' FEMALE WEAKNESS

With Its Nervous, Highstrung Feelings?

Are you troubled by distress of female functional monthly disturbances? Does it make you feel so nervous, cranky, restless, weak, a bit moody—at such times? Then DO try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Women by the thousands have reported remarkable benefits.

Pinkham's Compound is what Doctors call a uterine sedative. It has a grand soothing effect on one of woman's most important organs. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It's ALSO a great stomachic tonic! All drugstores.

Monthly Female Pains

Pinkham's Compound is very effective to relieve monthly cramps, headache, backache—when due to female functional monthly disturbances.

Change of Life

If the functional 'middle-age' period peculiar to women makes you suffer from hot flashes, weak, highstrung, irritable feelings—try Pinkham's Compound to relieve such symptoms. It's famous for this purpose.

Lydia E. Pinkham's VEGETABLE COMPOUND

Shirley Jean Jones Wedding At George Street Saturday

The wedding took place Saturday in the parsonage of George St. United Church of Shirley Jean, daughter of Mr. and Mrs. W. Jones, Wallace St., to Melville Clarence Blodgett, son of Mr. and Mrs. C. W. Blodgett, RR 3, Peterborough. Rev. Dr. James Semple officiated.

Given in marriage by her father, the bride wore a suit of sand color with pink accessories and brown shoes. Bridesmaid was her sister, Grace Louise Jones, who wore a grey suit with black and white accessories, and a corsage of deep red roses. Best man was Mr. Don Hull of Millbrook.

Following the ceremony a reception was held : the home of Mr. and Mrs. F. Griffin, Water St., where the bride's mother received, wearing a dress and hat of black. The groom's mother also received, wearing a dress of black and pink.

Later the bride and groom left on a trip to Toronto. They will live on RR 3, Peterborough.

Ironing day's a trying day — but there's Quick Comfort in a cup of TENDER LEAF TEA

At your grocer's in convenient size packages . . . also in improved FILTER tea balls.

GOOD CITIZENSHIP is a lot of little things

LOCK YOUR CAR WHEN YOU LEAVE IT

Thieves are no respecters of persons. Any car—perhaps yours—may be their next target. An unlocked automobile is an invitation to lawbreakers, whether it is parked on a downtown street or in the driveway at home. It's a good habit to be certain that ignition keys are removed and to lock your car before you leave it. This is a simple and effective way of discouraging would-be thieves . . . it removes temptation. Discouragement of crime in any form is "Good Citizenship".

You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.

Of Interest to Women

COUNTESS DE BERNONVILLE shown going into the office of Bernard Bourdon, KC., in Montreal, to obtain a writ of habeas corpus for release of husband, Count Huge de Bernonville, who was taken into custody for deportation from Canada to France, where he is under sentence of death as a wartime "collaborationist."

Common Sense Required In Smoothing Out Troubles

The most valuable asset in marriage is common sense. With it practically any couple can make a go of marriage. Without it the betting is even that they land in Reno. For you always can

Dorothy Dix

reason with others if they have common sense and, at least, have a chance to change them nearer to your heart's desire. But the impractical are hopeless.

To begin with, common sense prevents the fatal disillusions of marriage because it keeps a man and woman from demanding the impossible of it. They do not expect it to be an earthly Paradise. They know that there is nothing perfect in this world and that for all we get we must pay the price, so they do not throw up their hands and quit when the bill comes in.

Common sense keeps them from rebelling at the restrictions of marriage. The husband does not chafe at having given up his bachelor parties and having to stay at home of evenings, nor does he growl over having a family to support. Neither does the wife rebel at the monotony of domesticity and being tied down by a baby, or feel herself a martyr because she has to cook instead of stepping out every night, or because she has to forego following a career.

Mutual Appreciation

Common sense enables a couple to strike a balance in marriage and to see that if it is not all profit, neither is it a total loss. The husband may discover that his wife is not all that his fancy painted her in the days of courtship; that her beauty is mostly synthetic and comes out of the drug store, and that she has little ways that get on his nerves, but when he thinks of what she can do with a steak and a casserole, and how far she can spread a dollar, and how devoted to him she is, he recognizes that he made a pretty good bargain, after all.

After the wife has shed a tear or two over her husband not being the Fairy Prince she thought she was marrying, she dries her eyes and reflects upon what a good provider he is. She reasons, that if he isn't a romantic lover to her, neither is he to any other woman.

Common sense teaches a husband to jolly his wife along the way he wants her to go, instead of trying to drive her. It makes him praise her thrift, instead of knocking her extravagance. It teaches him to boast of her culinary skill if he wishes always to sit down to a good dinner, rather than to throw Mother's pies into her teeth.

And common sense teaches a wife never to ask a tired and hungry man for money, or tell him bad news until after he has been fed and rested and is at peace with the world. It teaches her to parade her success, instead of calling his attention to her mistakes.

It teaches her never to start something at breakfast. Never to argue. Never to nag. For a husband will listen to a wife when she says a thing once, but he shuts his ears to her when she becomes repetitious. It teaches her the fine art of how to make the approach to her husband that inclines him to say "yes" to her request, instead of doing it in a way that irritates him into saying "no."

What a pity that more marriages aer not based on common sense! (Released by The Bell Syndicate, Inc.)

THE STARS SAY . . . . .

By GENEVIEVE KEMBLE

For Wednesday, September 8

While there are stubborn obstacles, delays, difficulties and perhaps static or congested situations to confront and sturdily turn into constructive channels, there is sign of aid for this. Not only individual acumen, shrewd and deep analysis of impediments but the personal element, could be manipulated to advantage. Outside influence, probably of feminine, domestic or social interest, could be depended upon. Friendly collaboration from such source may be prudently resorted to, even in business troubles, but with courtesy and tact.

For the Birthday

Those whose birthday it is, may find themselves able to rise above restrictions, impediments and crystallized conditions, largely by tactful and judicious employment of the personal abilities and sustained and encouraged by social, domestic, feminine influence. Depressions and limitation, low spirtis, could be pleasantly routed by the use of individual talents, skills or ideas, but with the use of purely personal appeal playing an important part in breaking down barriers and winning against odds.

A child born on this day while needing to fall back on its personal courage, determination and talents, may overcome obstacles by judicious use of its social or professional prestige.

HERE'S THE GRAND CHAMPION of the CNE baby show, Keith Pendlebury, 14 months, as he was hugged by his proud parents, Mr. and Mrs. Ted Pendlebury of 112 Knox Ave., Hamilton. He was winner in Class E, boys between 12 and 18 months, and went on from there to top all the rest.

Anna Kouri Marries Port Hope Man

MARMORA, Sept. 7—(ENS)—St. Andrew's United Church, Marmora, was the scene of a pretty wedding on Saturday when Anna Jocelyn Kouri, daughter of Mr. and Mrs. Michael Kouri of Marmora became the bride of Raymond Sylvester Lingard, son of Mrs. A. Lingard of Port Hope.

The church was tastefully decorated for the occasion with gladiolus of varied hues. Rev. George D. Young, BA, BD, pastor of the church was the officiating minister. Wedding music was played by Mrs. Flora Litt. The soloist was Miss Doris Baulch of Port Hope who sang "With This Ring" and "I'll Walk Beside You."

Given in marriage by her father, the bride was becomingly attired in a floor-length gown of white satin and net veil of coronet shape with matching accessories. She carried a bouquet of red roses. Miss Ramona Douglas of Cobourg, as matron of honor, was attired in cerise taffeta while Josie Kouri, sister of the bride and Betty Grant as bridesmaids were dressed in lavender blue taffeta wearing matching hats and old fashioned nosegays. The flower girls was Marie Louise McIsaac who was dressed in white satin.

[illegible] Examiner

of the bride and Gerald True, Port Hope.

After the ceremony a reception attended by 75 guests was held in St. Andrew's hall where the bride's mother received, wearing a gown of powder blue crepe, Victorian wine colored felt hat and matching accessories. Her corsage was of white carnations. The groom's mother who also received wore a gown of flowered crepe, matching accessories and a corsage of pink carnations.

Later the bride and groom left for a trip to Toronto and points west, the bride's travelling suit being of silver grey wool, with grey feathered hat and Victorian wine colored accessories. On their return they will live in Port Hope. Out-of-town guests were present from Toronto, Port Hope, Peterborough and Cobourg.

"I'm getting a little worried about Eric—"

ENQUIRY COLUMN

By MARY MOORE

QUESTION Is there any way to use cucumbers that have turned yellow? I planted four hills of cucumbers adn there are so many I can't keep them used up in spite of giving them away to the neighbours. Thank you in advance.

Thelma. (Mrs. Giffen)

✧ ✧ ✧

ANSWER: There is an old-fashioned pickle called "Roustabout" that calls for ripe cucumbers. Some cooks remove the big seeds, but they soften in the cooking when left in so you can use your own judgment.

Roustabout Pickle
(sliced ripe cucumbers)

Six sliced ripe cucumbers (with skin on), ½ cup salt, 1½ cups finely chopped onion, ½ cup ground hot red peppers, ¼ cup white mustard seeds, 6 tablespoons grated raw horseradish (not bottled horseradish), 1 lb. sugar, 1½ cups spirit vinegar. Slice cucumbers very thinly after they are washed and dried. Add salt in layers, cover with water. Let stand 24 hours. Wash off brine in several cold waters, and drain very well. Add all remaining ingredients and boil 20 minutes, stirring if it seems to be clinging to bottom of kettle. Seal in sterile jars. Ready to use in 2 weeks. This makes about 5 pints.

✧ ✧ ✧

QUESTION: You printed a menu calling for Swiss eggs. I think you must have printed the recipe for this but I missed it. Would you tell me how to make Swiss Eggs? We eat a lot of eggs and I always watch for new ways to do them.

Reta Girl.

✧ ✧ ✧

ANSWER: This is a favourite egg dish for me and I am glad to repeat the recipe.

Swiss Eggs

For 4 eggs put ½ cup cream in small frying pan; when hot slip in 4 eggs, sprinkle with salt and pepper, cover and simmer until whites are set and tops have a film over them. If desired sprinkle with grated cheese and serve.

Variations: (1) Milk may be used in place of cream OR milk and butter. (2) 3 tablespoons of cream and 3 tablespoons butter may be used in place of ½ cup cream. But in any case it is advisable to cover Swiss eggs while they are simmering very slowly. Serve on toast rounds, and spoon up any remaining creamy liquid in pan, and our over the eggs. Serve them very hot of course.

✧ ✧ ✧

QUESTION: A lady from California has recently joined our bridge club. It is a rule that we do not serve dessert for lunches, and that we serve sandwiches preferably. I was at a reception where banana sandwiches were served and they were very good, but I wouldn't know how to go about making them, and I would serve them on my tray of sandwiches when my turn comes to entertain the club if you would tell me what to do.

Litta.

✧ ✧ ✧

ANSWER:

Banana Sandwiches

(1) Slice very ripe bananas lengthwise, and place on thinly buttered thin slices of fine white or graham bread. Sprinkle carefully with orange juice. Put on top slice and cut into dainty triangles.

(2) Slice bananas lengthwise onto white bread that has been spread thinly with lemon-flavoured mayonnaise. Sprinkle with very finely chopped walnuts or almonds. Put on top slice and cut into dainty shapes. Do not mash bananas for banana sandwiches or they are too soft.

Colleagues Honor Wedding Couple

HASTINGS, Sept. 7—(ENS)—Prior to her marriage on Saturday to Harold Richardson, Miss Betty McMillan was presented with a lovely tri-light floor lamp and hand-painted shade on behalf of her fellow employees at the Westclox in Peterborough. Miss Joan McGuire, also of Hastings, made the presentation.

Prior to his wedding on Saturday to Miss Betty McMillan, Harold Richardson received a table lamp and electric tea kettle from his fellow employees at the Quaker Oats. Co. in Peterborough.

Wins $16,500 Flier Surprised

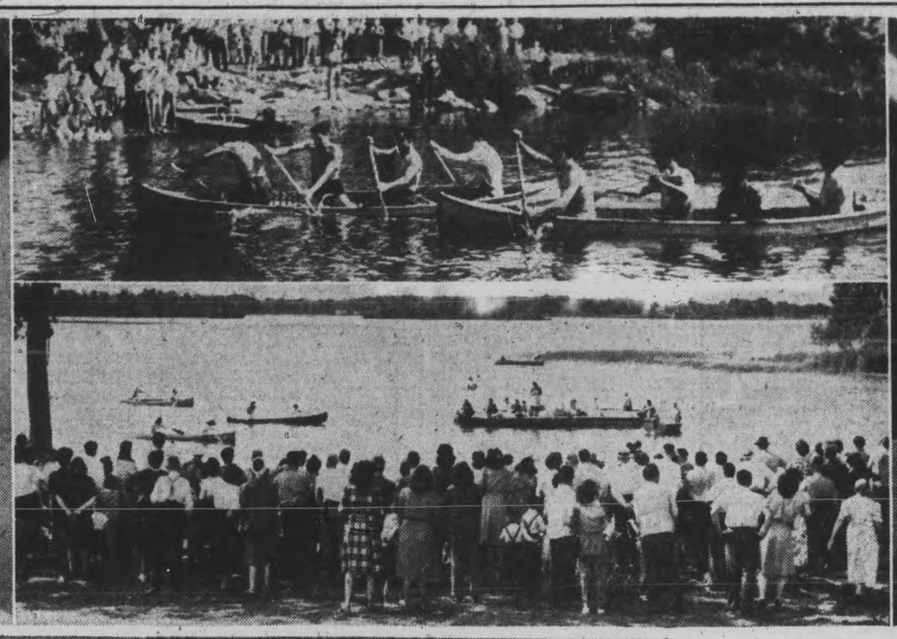
CLEVELAND, Sept. 7.—(AP). —Anson L. Johnson, of Miamo Springs, Fla., pinched himself today and looked for a $16,500 cheque to prove that he had won the Thompson trophy, world classic of closed-course air racing.

Johnson's surprise was shared by 80,000 persons at the final day of the national air races. The pilot did't know until he was on the ground that he had won.

His average speed was 383 miles an hour for the 300-mile run around the 15-mile rectangular course. It was more than 12 miles an hour below the record set a year ago.

The race was one of the safest, though it started out as the fastest in the history of the Thompson. It began as a ten-plane race, with the three leaders doing better than 400 miles an hour. And it ended as a three-plane race. Four prizes totalling $7,500 went begging.

Seven of the 10 starters dropped out because of mechanical trouble.



INDIAN REGATTA, Curve Lake Indian Reserve, Buckhorn Lake, was held Labor Day for the first time in nine years. It was their best event to date and was witnessed by more than 500 people. LEFT photo, shows Clayborne Taylor, winner of the men's professional single canoe race. TOP CENTRE, finish of the war canoe race, showing paddlers Stanley Taylor, Everett Simpson, Elwood Coppaway and Johnny Jacobs. LOWER CENTRE, a long-shot of the large crowd watching the ladies' tandem canoe race. UPPER RIGHT, Mrs. Charlotte Goose, 85, of Scugog Island Reserve, enjoyed meeting old friends. LOWER RIGHT, the Knott family, LEFT to RIGHT, Mary, young Robert and Evelyn, watch a close finish at the water front.

Hot Election Seen For U.N.

By NORMAN ALTSTEDTER

LAKE SUCCESS, N.Y., Sept 7— A hot election of officers is indicated for the opening of the United Nations 1948 General Assembly at Paris Sept. 21.

Before the delegates from 58 countries get down to the tough international problems such as the atom bomb and arms reduction, they will indulge in the hurly-burly of electing a president, vice-presidents and committee chairmen.

These veterans are being talked of for the highly-honored presidency:

Dr. Herbert V. Evatt, Australian external affaairs minister.

Dr. Jose Arce of Argentina, president of the second special assembly on Palestine last spring.

Georges Bidault, former foreign minister of France.

Will Aid Canada.

OTTAWA, Sept. 7.—(CP). — Premier Costello of Eire said Sunday night in an interview his country is prepared to come to the aid of Canada if ever she is threatened by war from a "Communistic country." The 57-year-old Irish government leader made his promise of aid after a 15-minute address over the national network of the CBC.

Writer Dies

MONTREAL.—George Laurence Ingram, 90, who wrote cricket for the Gazette in a part-time capacity for the last 30 years, died at his home.

SUCKLEY, Worcestershire, Eng.—Mrs. Arthur Blake, 28-year-old housewife, gave birth to triplets four days apart. A week ago Saturday she bore a daughter, Rosemary, four pounds. Wednesday she bore another, Veronica, 4½ pounds, and a son, Anthony, three pounds. She also has a two-year-old son.

WASHINGTON. — An appeal for "national labor unity" in the United States to avoid depression, fight domestic reaction and inspire free people abroad came in a Labor Day statement from Walter Reuther, leader of the powerful United Auto Workers (CIO). He said it could be attained in a year.

WINDSOR.—Mrs. Paul Zenevich, 66, was killed as she tried to enter her Sandwich East home through a lower storey window. Mr. Zenevich found his wife's body hanging from the opening, her face and neck jammed by the window with a ladder laying on the ground nearby. Police estimated the woman was suspended more than three hours.

Install Machinery

HAMILTON.—British workmen started to install machinery in the new Austin Motor Car plant. It is expected an assembly line will be complete by January. The company has bought part of the former Canadian Army Trades School to convert into an automobile plant.

LONDON. — Beverley MacDougall, 18-year-old stenographer, was crowned "Miss London of 1948" by Mayor George A. Wenige. The honey-blonde also received a bouquet of roses from Windsor firemen, $1,000 worth of merchandise and a ticket to Windsor, where she'll represent London in the "Miss Western Ontario" contest.

ST. CATHARINES. — Police charged Leonas Lucauskas, 28, of Welland, with failing to remain at the scene of an accident. His automobile is said to have struck down 63-year-old Arthur Porter.

HAMILTON.—About 25 policemen stood shoulder to shoulder around a local dance hall as a minor teen-age riot threatened to develop. Police said a member of the group known as the Inchbury Gang was knocked cold by two members of the rival North End Gang.

Newspaperman Dies

NEW YORK. — Perley Howell Boone, 61, former newspaper and public relations man, died. Boone had been a news editor on the telegraph desk of the New York Times, director of publicity for the Airline Transport Association, city editor of the Chicago Tribune and first press director for the New York World's Fair.

LAKELAND, Fla.—Seven children and an adult were drowned in Little Lake Beeson when their motorboat capsized because of overloading. Two children were saved by a brother who swam out 400 feet. Several others swam to the scene in a futile attempt to rescue others.

AUGUSTA, Ga.—Damage running into millions of dollars was reported from a downpour of 4.85 inches of rain in less than four hours yesterday in neighboring counties in Georgia and South Carolina. Streets and other buildings were flooded.

BERLIN.—Ruhr steel production, now at its highest since the war, will be boosted another 2,000,000 tons in the next two years, the United States military government said. To support this increase, arrangements already have been made to import from Sweden 3,400,000 tons of iron ore and other iron-bearing raw materials.

LUXEMBOURG. — The second annual congress of the World Federal Government Movement elected as its president Jean Larmeroux of France, former French cabinet chief. The seven-day congress, attended by 500 representatives from 30 countries, has been opened.

"Just as a point of interest—here's my party membership card!"

Find Youth's Body Decide He Drowned

WATERTOWN, N.Y., Sept. 7 — (AP). — The body of Jean Guy Le Page, 20, Cornwall, was recovered Sunday from the Black River here. Le Page had been reported missing Sept. 2.

Leon Schwerzmann, assistant district attorney, gave a verdict of drowning after receiving an autopsy report.

He said that Le Page had been reported missing by Raymond Snyder, also of Cornwall, whom he was accompanying on a trip. Snyder told police that Le Page remained in the parked car while he went into a restaurant. He found him missing upon his return.

Watch Rundown? Accurate Adjustments

So small a thing as a speck of dust, is like a monkey wrench in the intricate machinery of a watch. Our trained craftsmen will instantly locate the trouble, and make the necessary adjustments. We repair every type of timepiece.

BARCLAY ON BRIDGE

LUCK IS UNBEATABLE

BRIDGE is indeed a game, not a scientifically accurate machine. In the long run, experience has shown, sound playing of probabilities will pan out. But on any single occasion, plain ordinary luck for one side or the other can prove unbeatable. That is as it should be. It puts the zest of uncertainty into the competition and keeps our eyes open to see what is going to happen next.

(Dealer: East. North-South vulnerable.)

East	South	West	North
Pass	Pass	Pass	1 ♣
Pass	1 ♦	Pass	3 ♦
Pass	3 ♥	Pass	4 ♦
Pass	4 NT	Pass	5 ♥
Pass	6 NT		

You'll have to go far to find wilder bidding. But who can say South was wrong when he justified his bidding as based on "an absolute hunch." He said it with a tone which indicated it was a boast, not an apology. Knowing nothing about either women's intuitions or men's hunches, we seldom argue about them.

West's natural lead of a spade enabled South to survey the scene and note what he had to do. With a positive loser in clubs, he had to hook the spade K and then find the diamond Q and J unguarded in a doubleton.

The spade K problem was disposed of when East put it on the first trick, and all that South had remaining to do was catch the diamond honors. Not in trepidation, but with apparent confidence, he led to the A, catching the J, and then laid down the K, hoping the Q would have to play, which it did.

With a bland smile, he now gave up a trick with the club K to the A, knowing the Q would be available to discard the fourth heart from his hand if it didn't set up.

Don't let anybody advise you to try South's tactics too often. On the other hand, please don't get too upset when somebody else perpetrates them successfully against you. The instant damage is bad enough, without having it bother you on other hands.

6—In Memoriams

BURFIELD — In loving memory of Richard Burfield, who passed away September 4th, 1945.
Farewell father, thou hast left us.
Thou has gone to dwell on high;
Thou has gone to be with Jesus.
Where we'll meet thee by-and-by.
—Ever remembered by Wife and Family.

CROWE—In loving memory of husband and father, George Crowe, who passed away September 8, 1946.
Loving and kind in all his ways.
Upright and just to the end of his days.
Sincere and kind in heart and mind,
What a beautiful memory he left behind.
—Ever remembered by Nellie, Ottie, Keith, Lou, Clint.

ANNOUNCEMENTS

6—In Memoriams

CROWE—In loving memory of husband and father, George Crowe, who passed away September 8, 1946.
Loving and kind in all his ways
Upright and just to the end of his days.
Sincere and kind in heart and mind,
What a beautiful memory he left behind.
—Ever remembered by Nellie, Ottie, Keith, Lou, Clint.

McDONALD—In loving memory of William McDonald, who passed away September 5, 1947.
What would I give his hand to clasp,
His patient face to see;
God give us grace, and hold our hand
That we may join him in that better land.
—Ever remembered by sister, Elizabeth Collinson.

RESCORL, William Richard. — In loving memory of my dear husband, Bill, who passed away September 7, 1947.
I mourn for you in silence,
No eye can see me weep.
But many a silent tear I shed,
While others are asleep.
—Sadly missed by Dorothy, your wife.

TIMM, Mrs. Wilfred—In loving memory of Mrs. Wilfred Timm, who died September 7, 1945.
In our hearts your memory lingers
Sweetly tender, fond and true
There is not a day dear mother
That we do not thing of you.
—Ever remembered by daughter and son-in-law Aileen and Harold Kennedy.

TIMM—In loving memory of Mrs. Wilfred Timm, who passed away September 7, 1945
We who loved you, sadly miss you
As it dawns another year
In our lonely hours of thinking,
Thoughts of you are ever near.
—Remembered by her family.

7—Cards of Thanks

I wish to thank all those who sent flowers, cards, etc., during my stay in Civic Hospital, also the kind attention of my doctors and nurses and those who prepared and served the good food. Rena McKinley, Bethany.

Mrs. Martha McCaskill wishes to thank the doctors and nurses of Civic Hospital, also the Salvation Army, sisters of the O.E.S. and friends who sent cards and flowers after her accident.

Rambling Reporter

WHAT! NO NEW WORM

The poet asks: "What is so rare as a day in June?"

The angler answers: "Dew worms."

One frustrated worm-dunker looked at the question and said that June was lucky, it had 30 days, but he'd be darned if he could buy 30 dew worms in Peterborough. This was on Friday, after a long spell of hot, dry weather, in which dew worms have wisely kept underground where it was cool.

Most of the local bait shops were fresh out of worms by Friday afternoon. Some said they had a few Friday morning, but that they were gone in no time. Prices have gone up in the past few weeks, to as much as $2 a hundred, as the old law of supply and demand put the squeeze on fishermen.

The Examiner

CLASSIFIED ADVERTISING RATE. EFFECTIVE SEPT. 10, 1946

Cash with order 1½c per word per insertion, 45c minimum for first insertion. 35c minimum with box number. Maximum number of insertions for 45c—3 times.

If paid within five days 2½c per word per insertion.

After five days, 2½c per word per insertion. Advertising daily by the month—35c per word (minimum of 25 words).

Refunds must be claimed within thirty days.

Obituaries

THOMAS JAMES DUGGAN

Funeral service was held today at the Tedford Funeral Home, Lakefield, for the late Thomas James Duggan, 56, of 168½ Charlotte St., Peterborough. The Rev. Canon F. J. Fife of St. Aiden's Anglican church, Young's Point, officiated and pallbearers were Fred and Max Coones, Clarence Foster, Lionel Batten, William Millar and John Stone. Burial was at Hillside cemetery, Lakefield.

Mr. Duggan died on Saturday in hospital following a short illness. He was born at Burleigh Falls, son of the late Arthur Duggan and Mary Jane Windsor, and had lived in the city for the past five years. He was employed by the Peterborough Canoe Comuany and was a member of St. Aiden's Anglican church, Young's Point.

He leaves four sisters, Mrs. Cecelia Fleming and Mrs. Sarah Foster, both of Peterborough, Mrs. Annie Shorie of Winnipeg and Mrs. Sophia Stone of Burleigh. One brother, Arthur, lives on RR 3, Lakefield.

REV. W. G. SWAYNE

Funeral was held Monday of the Rev. Canon W. G. Swayne, of Athens, who died at his home on Friday after a short illness. Burial took place at Carleton Lake Cemetery.

Canon Swayne, who was in his 83rd year, is survived by his wife, Mrs. W. G. Swayne, also three sons, the Rev. Hope Swayne of Picton, Allen of Carleton Place, and Robert of Athens, also one daughter, Mrs. Clarence McEwan of Bonarlaw.

MRS. ANDREW D. McCONKEY.

Resident of Peterborough 17 years, Mrs. Andrew D. McConkey, Wellington St., died at her home Monday from a lingering illness. She was born near Tillsonburg in Norfolk County, daughter of the late Alex Hall and his wife, Catherine Davis, 72 years ago, and had lived in London, Ont., prior to Coming to Peterborough.

Mrs. McConkey is survived by her husband, two sons, A. Ross McConkey of Bancroft and Richard R. McConkey of Peterborough, one brother John Hall of Tillsonburg, and two sisters, Mrs. Lavina Palmer of Tillsonburg, and Mrs. Clytie Palmer of Straffordville, Ont. She was a member of Gospel Hall, McDonnel St.

The funeral will be Thursday at 2 p.m. from the Nesbitt funeral home, Charlotte St., to Little Lake Cemetery. The service will be conducted by Brother Samuel Taylor of Gospel Hall.

Land Two Muskies

CAMPBELLFORD, Sept. 5 — Two good-sized muskies were landed here Saturday, one by tourist from Cleveland and the other by a local resident. Dan Fowler of Cleveland, hooked and boated a muskie weighing 26¼ pounds, and Ken Cairns of Campbellford successfully landed a 22-pounder. Fowler caught his fish in the Trent waters while Cairns hooked his muskie in Crow Bay.

FIND WINDOWS BROKEN.

Nothing was taken in attempted break-in of Fair's Service Station on No. 28 Highway, five miles south of the city, Monday night. Two panes of glass were broken, but nothing was reported missing as police investigated this morning.

Crowds Jam Trains, Buses

Train and coach traffic through the Labor Day weekend indicated that hundreds of Peterborough people were on the wing for the last of the summer holidays.

Colonial and Kawartha coach lines reported capacity of their passenger accommodation. Traffic on the Ottawa-Toronto run of Colonial was heavy, and the Kawartha had 12 coaches in service on the holiday. These included their CNE daily special service. The Bancroft line was exceptionally busy over the weekend. Some of the passengers were away for the weekend, others were returning to Peterborough for the opening of school.

Weekend fare on the railways filled extra coaches to and from the city with heavy traffic to the Toronto Exhibition.

"The volume was larger than last year," said Bruce Scott of the CPR station, and the CNR reported the same peak of business. The regular trains, with added coaches, looked like the peak of the war years. The continuing humid heat apparently did not keep at home any persons who had decided to go places.

Two Go To Jail For Drunk Driving

Delbert Fife, Crawford's Grove, was sentenced to seven days in jail by Magsitrate Philp in court today when the accused pleaded guilty to a charge of drunk driving. According to evidence given, the accused had been driving his car when it collided with another car parked on Aylmer St. on Aug. 28.

Louis R. Lockhart of Roseneath, also charged with drunk driving, was found guilty on the evidence and was sentenced to seven days in jail.

Richard Golloher, no address given, was fined $10 and $2.50 costs for careless driving.

Jack L. Sorg, 804 George St., was fined $5 and $2.50 costs for creating a disturbance on Park St.

Norman S. Dowd, 60 Golfview Ave., Toronto, was fined $10 and $2.50 costs for illegally passing another car on a highway.

Normal Rendell, 726 Chamberlain St., was fined $10 and $2.50 costs for being drunk in public.

Report Prices Easier On Toronto Exchange

TORONTO, Sept. 7.—(CP). — Prices were irregularly easier in heavy trading on the Toronto stock exchange today.

Volume for the first three hours was 753,000 shares, about 123,000 shares more than Friday's similar period.

Western oils showed losses ranging from fractions to 17 cents as Atlantic No. 3—the wild well in the Leduc fields that caused trouble in March — burst into flames threatening nearby wells.

Papers and steels weakened. Ford A dipped ¼ at 25 in an easier miscellaneous list and International Petroleum and Imperial Oil eased.

Base metals showed mixed gains and losses. Base Metals Corporation rose 5½ at 49 on trading of more than 167,000 shares and touched a new high for the year at 54. Consolidated Smelters gained ⅛ at 117⅜ and International Nickel, Normetal and Callinan Flin Flon firmed. Steep Rock, Silanco, Noranda and Sherritt were down. Senior golds eased.

Given 15 Days

Frances Booth, RR 8, Peterborough, was sentenced to 15 days in jail by Magistrate W. R. Philp, KC, when he appeared for sentence on a charge of theft of an electric razor. The accused had previously pleaded guilty to taking the razor, which was owned by Thomas Hum.

MOTOR STOLEN

Another outboard motor has been added to the growing list of stolen ones in the district. The latest has been reported by Thomas Park, 84 Orpington Rd. His motor was taken from a boat on the Otonabee near Campbelltown.

THE NEW BUILDING will be almost the first thing Canadian Press has ever owned. It was run at first on the principle that it should own nothing itself. Everything it used was owned by the co-operating newspapers or was rented. Papers pay an annual assessment to meet the expenses.

Nichols Writes Stirring Story Of Canadian Press Development

TORONTO, Sept. 7 (CP)—M. E. Nichols' history of The Canadian Press will be published in November, the Ryerson Press announced today.

The book, written in two years by the 75-year-old Vancouver newspaperman, is a record of co-operative news gathering in Canada with its paralleling story of the development of newspapers across the Dominion.

Much of it is devoted to a narrative of the controversial happenings that led to the founding of The Canadian Press in 1917, a story of the many colorful personalities who fought and won the hard battle for the means of giving the Canadian people a quick and accurate news report.

The 10 years between 1907 when The Western Associated Press, forerunner of CP, was formed, and the establishment of the National Association held constant clashes among newspaper publishers and between them and other interests. Mr. Nichols, who took part in the battle from the start, has recorded them in detail.

The 320-page work, as yet untitled, also contains the record of the steady but less spectacular later development of CP and the way it brought Canadians the story of their fighting men in two wars.

Written In Two Years

Mr. Nichols started work on the book independently after his retirement as published of The Vancouver Province and, writing most of the 110,000 words in longhand, completed it on schedule two years later.

Founders of the CP had talked for years of the need for a history of the stirring early days and Mr. Nichols' retirement presented an opportunity which fellow publishers grasped. They urged on him that no one was more fitted for the task. He was closely identified with the formation of the WAP, went through the years of struggle before 1917 and was active in CP affairs during its years of greatest progress.

When he accepted, Mr. Nichols faced the massive and unwieldy job of going through 4,000,000 words of documents to confirm his memory of events as long as 40 years ago. He travelled across Canada several times and went to Ottawa to study the files of the Railway Commission following whose 1910 judgment the newspapers gained control of The Associated Press service, the basis for formation of a national co-operative. He consulted veteran newspaper men and their families in months of research.

In the actual writing of the book, Mr. Nichols drew on the memories of his 52 years in newspaper work to build on the structure of fact the human interest story of CP's birth and progress.

ROBERT SCHUMAN, CENTRE foreground, sits alone during a dramatic moment in the session room of the French Assembly in Paris as he awaited the result of a vote which again made him France's premier in the latest government crisis. But after two days of trying to form a new cabinet he was forced to hand his resignation to the French President at the Alysee Palace, thus extending the current political crisis.

Chevrier Not Aware Australia Dissatisfied

OTTAWA, Sept. 7 — (CP) — Transport Minister Chevrier said Friday he was not aware of any request by Australia that the Canadian government reverse its decision to permit Canadian Pacific Airways to operate an airline across the Pacific.

In Canberra, a weekly bulletin known as "Inside Canberra" said "negotiations are being conducted in the greatest secrecy" by the two governments as the result of Australian reaction. The bulletin said it was "likely" that the upshot would see the government-owned Trans-Canada Air Lines flying the route or, alternately, a postponement of plans to fly it.

Heads Trenton Depot

OTTAWA, Sept. 7 — (CP) — Group Capt. S. A. Greene of Ottawa has been named to command No. 6 Repair Depot at Trenton, the R.C.A.F. announced Friday. For the past three years, he has been senior aeronautical engineering staff officer at maintenance command headquarters here.

AFTER 32 YEARS of renting, Canada's co-operative news agency, The Canadian Press, is moving into its own home. Canada's largest co-operative, on a non-profit basis, the business spends $1,000,000 a year. "CP" was organized in 1917 by owners of Canada's daily newspapers to "trade news" of their own districts among each other. Head man of the complex news-gathering agency, Gillis Purcell, general manager (above) was appointed in 1945.

Mine Workers End Exhausting Convention

TRURO, N.S., Sept. 7—(CP)—The United Mine Workers District 26 convention ended Friday night after 11 exhausting days of thrashing out policy by compromise and heated argument.

The convention was expected to last until today but delegates gave only quick consideration to the report of research director C. B. Wade before approving it unanimously.

Discussion on the report was expected to be prolonged, particularly on Communism, but the subject did not come up.

Other main business on final day was endorsement of a 25-cent per week levy on membership to pay off the $32,000 debt still owing merchants for relief during the 1947 Maritime coal strike.

Water Tastes Bad It's Natural Gas

FORT NELSON, B.C., Sept. 7—Visitors always leave this friendly R. C. A. F. station with a bad taste in their mouths.

Natural gas has seeped into the station's water supply. It's a fire hazard and makes it almost impossible to wash clothes clean. And it tastes awful.

Last summer they tried digging a new well, but the gas seeped into that one too.

The only thing that makes residents happy is watching the expression on the faces of transient air passengers as the sample the Fort Nelson brand of coffee.

Drowns After Rescue

CRACKINGTON HAVEN, Cornwall, England, Sept. 7—(Reuters)—Evan Durbin, 42, Labor member of parliament and parliamentary secretary to the Minister of Works, was drowned Friday after rescuing a child from a heavy sea.

PC Convention Fourth In Canadian Party's History

By D'ARCY O'DONNELL
Canadian Press Staff Writer

OTTAWA, Sept. 7 — (CP) — The National Progressive Conservative convention here Sept. 30, Oct. 1-2 will be the party's fourth since confederation.

It was not until 1927 that the party adopted the custom of holding a national convention to select a new party leader. Prior to that year the party leaders were chosen at a caucus of Conservative members of the Commons and the Senate.

The caucus selected the man to be prime minister or leader of the official opposition, depending on whether the party was in power or in opposition. The man selected automatically became the national leader of the party.

Hon. Hugh Guthrie, temporary House leader of the party after Rt. Hon. Arthur Meighen resigned as party leader in 1926, called the first convention. It opened Oct. 10, 1927, in Winnipeg and resulted in the selection of the late Viscount Bennett as leader.

Another convention was held in 1938 when the late Hon. R. J. Manion was chosen to succeed Mr. Bennett. The third convention was held in 1942 and John Bracken was chosen as party head. Mr. Bracken, 65, now is retiring because of his age and ill-health.

System Changed

Adoption of the convention system brought about a reversal of the previous system under which a man was made either prime minister or opposition leader and then leader of the party.

The conventions have selected national leaders, and the men so selected have claimed the right to head the party in Parliament.

A similar change occurred in the Liberal party. Sir Wilfred Laurier was selected at a party caucus to be leader of the then Liberal opposition and he thereby became national leaders of the party.

Prime Minister Mackenzie King on the other hand, was elected national leader at the 1919 convention and as a result he became the party leader in Parliament. External Affairs Minister St. Laurent, recently chosen by the national convention as successor to Mr. King, has assumed the party leadership but will take over the duties of prime minister at a later date.

The conventions bring together representatives of the party from all corners of the Dominion. A total of 1,313 delegates will be entitled to vote for a successor to Mr. Bracken. There were 1,299 delegates at the recent National Liberal convention.

SkepticsChangeMinds About Causeway

Several skeptics of the Chemong causeway say they are changing their minds on its permanence as they watch it advancing into the lake.

"I don't think anybody need worry about ice or water ever breaking through that pile of rock that is going to be the base of the road bed," one of the Pigeon Lake cottagers recently remarked. "There was one stretch of about 100 feet where, I am told, the depth was 50 feet. They say that is the worst section and they are past that. The top will be wide enough for a couple of lines of traffic. At least that is what it looks like."

WMS Hears Report

NORWOOD, Sept. 7—(ENS)—The WMS of Norwood United Church met Thursday afternoon. Mrs. Ed. Scott, president, opened the meeting. Mrs. Rork Ferguson gave the secretary's report. The program was in charge of Mrs. Charles Davey, who gave a reading. A Prayer was read by Miss Maisee Buck and the Bible reading was given by Mrs. Frank Jenkins. Mrs. David Starke also gave a reading. Mrs. A. E. Hogg read from the Study Book. Mrs. Chas. Davey closed the meeting.

Nary A Drop Of Water Spills As Old House Rolled To New Location Through Street

CAMPBELLFORD, Sept. 7 — (ENS)—Robert McGregor moved on Friday, and he took his house with him, to a new location one block further along Front St.

The house, which is reputed to be many years old, is a wooden structure, and the joists under the floor are logs with the bark still on them.

McGregor had to move the house, which he bought from A. J. Meyers, as the land on which it stood is to be used for other purposes. So he bought another lot and installed his foundation first.

On Thursday the house was raised and moved onto the next lot, in order to avoid having to lift it over a high sidewalk edge. The water and light wires and pipes remained connected until today when a Trenton moving crew took over. They moved the structure into the street and then towed it on rollers down to the new lot.

During the entire movement, Bob had a glass of water standing on a table inside the house, and not a drop was spilled, although the house was tilted several times during the operation.

The history of the house is lost in the mists of time, but it is said that at one time it was a manse for one of the churches in town, and that this is the second move that it has made in its existence. This may be true, as it has been standing these many years alongside a former church now being used as a garage.

Careful Driving

TORONTO, Sept. 4 — (CP). — Labor Day week-end usually is one of the worst for traffic accidents, Ontario Highways Minister Doucett said today. Urging motorists to drive carefully, he said: "Seventeen persons were killed last Labor Day week-end."

Freed By Police

WARSAW, Sept. 7 — (AP) — Polish security police released Msgr. Zygmunt Kaczynski from prison Friday after detaining him for 72 hours. He is the chief spokesman for the Catholic Hierarchy in Poland.

WHY ARE MANY WOMEN NERVOUS . . . without reason?

When women are disturbed by noises at night . . . become so fidgety they perspire when talking to strangers . . . or cry too easily—these symptoms often herald a time when they need *special* building-up.

But actually there's little to dread or fear! For plenty of sleep, fresh air, wholesome food and Dr. Chase's Nerve Food will help to build up vitality and tone up the system—so you can keep serene through the most trying periods of life. Yes, Dr. Chase's Nerve Food has helped thousands of women to face the future with confidence.

So if you're feeling nervous, fidgety or run-down—if you don't rest well at night, and often feel moody or irritable—take Dr. Chase's Nerve Food for a while. Keep yourself in good condition—try this time-proven tonic which has helped so many. The name "Dr. Chase" is your assurance.

REPORT 15 CATTLE DIE MYSTERIOUSLY

Bride Sobs As Murder Charge Read

Held Without Plea To Sept. 15; Has Lindsay Lawyer

Jane Kelly McAllister, 25-year-old Kirkfield war bride was formally charged with the murder of her 30-year-old war veteran husband, John Burton McAllister, before Magistrate E. A. Gee, in Lindsay police court today.

When the charge was read Mrs. McAllister covered her face with her hands and sobbed, and Magistrate Gee after reading the charge said he was not asking for a plea at this time. H. E. Richardson, Lindsay lawyer, represented Mrs. McAllister, and his services had been obtained through the efforts of Mrs. McAllister's parents-in-law.

Accused was remanded until September 15. No effort was made to obtain bail.

Mrs. McAllister was escorted from the Victoria County jail by Provincial Constable Lyle of Fenelon Falls, and she was not handcuffed. The officer surprised news photographers by entering the court room through the town jail block instead of the front door, and the newsmen were unable to get photos.

The accused is a person of unusual beauty, with blue eyes and red hair to her shoulders. She was neatly attired in a two-piece green gabardine suit and wore no hat.

On Sunday, the war bride's husband was found lying across the bed in a cabin where the couple lived, with a .22 revolver bullet in his head. He died about two hours later, and several hours later his wife was arrested by Provincial police, and taken to Lindsay jail.

She is said to have made a statement to police, concerning the shooting but no details of this statement are available.

Mrs. McAllister, formerly Jane McInery, is of Scottish-Irish ex-

BRIDE SOBS

ACCOMPANIED BY WILLING FRENCHMEN, Britain's Winston Churchill bites hard on his cigar as he makes a triumphant entry into Fontaine, Vaucluse, France, astride a donkey. The former British prime minister left his hotel to paint a local beauty spot, but clouds screened the sun and he used the donkey for transportation back to his hotel.

Says Long-Term Policies Cripps' Agenda

LONDON, Sept. 8—(CP)—Long-term policies on trade and economic co-operation, rather than the question of immediate Canadian credits to the United Kingdom, will be the main subject when Sir Stafford Cripps confers next week with Canadian government representatives, it was learned today.

The chancellor of the exchequer goes to Ottawa eager for a general review of commonwealth and international economic questions with the Canadian government. While the release of the £60,000,000 ($240,000,000) remaining in the Canadian credit for Britain would be welcome, his major present financing anxieties have been relieved by operation of the European Recovery Program.

"Canada as a dollar country and one of Britain's main suppliers of essentials under long-term contracts has a unique position," an informed source said.

Sir Stafford goes from Ottawa to Washington and then back to London in time for the Commonwealth Prime Ministers' conference in October. His sequence of consultations will have an important bearing on the development of his policy and on Britain's economic position in the 1950s if the Labor government is returned at the next general election.

Good crops in North America and elsewhere should ease imported food prices for the United Kingdom but only with countries to which she is not bound by long-term contracts as with Canada. The main benefit to the United Kingdom is likely to be not in lower prices immediately for the bulk of her food but in stabilizing and possibly reducing the cost of raw materials on which her industry is based.

Committed For Trial

TORONTO, Sept. 8.—(CP).—Harry Springhall, 66 year old hotel clerk, today was committed for trial on a charge of murdering Douglas McLaren, socially prominent man-about-town last month. McLaren was shot in the lobby of the swank Alexandra Palace Apartment hotel when he called on his mother.

U. E. Executive Protests Barring Union Delegates

Refusal of the US immigration authorities to allow Mervin Chambers, president, and Thomas Davies, shop steward, both of Local 524 UE-CIO, entry to the United States is the No. 1 topic of conversation in Peterborough labor circles today.

On Tuesday night Mr. Chambers returned to Peterborough from Toronto after unsuccessfully seeking an explanation for this refusal from US immigration authorities.

After an executive meeting held on Tuesday night, Mr. Chambers issued a statement which said that the executive board of Local 524 "strongly protests the actions of the US immigration officials who barred the properly elected delegates chosen to represent the members at the International Convention."

His statement pointed out that trade union officials and delegates have enjoyed free access to their union conventions and offices for many years, and it stressed the fact that the delegation was elected by secret ballot at a membership meeting.

No Satisfaction

"Mr. Davis and I travelled to Toronto to interview Mr. Kirschner, U.S. immigration officer, seeking an explanation. We received no satisfaction, only the statement that 'the department would investigate' and that we would be informed at the finish of the investigation which would take about a week."

Mr. Chambers' statement concluded: "The effect of the investigation is to prevent G.E. and Westinghouse delegates from meeting in convention this week with their fellow members in the United States. None of the delegates from independent Canadian firms were prevented from attending."

Seven other UE delegates from Canada as well as C. S. Jackson, international vice-president, have been prevented from crossing the border to attend the UE convention which is being held in New York this week.

According to one report, John T. Boyd, deputy commissioner for immigration and naturalization service, USA, said they had been "temporarily excluded" under the provisions of a 1918 Act. The deputy-commissioner pointed out that this Act defines "members of excludable classes," and that people affiliated with the Communist Party would be affected.

The United Electrical Workers (CIO) said in a statement issued in Toronto today that C. S. Jackson, Canadian president, was told by immigration officials at the United States Consulate in Toronto that he did not have to check his status for entry to the US in Toronto but could do so at the port of entry.

The statement, issued by UEW Publicity Director J. F. Douglas, said that Jackson and nine other convention delegates refused admission to the US, were given no reason except that that entry to the States is "only a privilege which could be withdrawn at any time."

UE EXECUTIVE

Police Watch Benes Funeral

PRAGUE, Sept. 8 — (AP). — State funeral services will be held under close police surveillance today for former President Eduard Benes.

Strict security precautions have been taken throughout Prague following Interior Ministry reports that attempts would be made to "desecrate" the funeral. Sokol, the conservative cultural and gymnastic organization, was mentioned by the Ministry as likely to hold demonstrations. Incitement from "abroad" was blamed.

Benes' body was removed this morning from the Hall of Resistance, where his mourning countrymen had marched past steadily for two days, to the Hall of Fame in Prague Museum.

Several thousand persons kept vigil outside the hall to see the body taken away.

There were reports police were quietly pulling out of the crowds of mourners all persons wearing red and white carnations. They are symbols of the non-disbanded Czech National Socialist party of which Benes was a member when he became President.

Archbishop Josef Beran visited the catafalque in Resistance Hall, but members of his staff said they had no knowledge of any solemn requiem to be sung for Benes, who was listed as Roman Catholic.

Won't Let Troops Come To Hyderabad

MADRAS, India, Sept. 8 (AP) —The Nizam of Hyberabad has notified Indian's governor-general that the dispatching of Indian troops to his state "is out of the question."

An exchange of notes between the Nizam and the governor-general—Chakravarthi Rajagopalachari—concerning Indian demands that the wealthy Moslem ruler outlaw the Razakars, his police army, and permit Hindu Indian troops to enter, was released Tuesday night to the press.

"My own troops are able satisfactorily to safeguard the life and property of my own subjects," the Nizam wrote, "and are fully capable of dealing with the situation."

Plan Inquiry In Drowning

TORONTO, Sept. 8.—The Attorney-General's Department is investigating the "called-to-God' death of 18-year-old Violet Coglin. The deeply religious girl knelt to her death in two feet of water near Barry's Bay, Aug. 9.

Attorney - General Blackwell said yesterday he is awaiting a full report on circumstances of the death before announcing what action, if any, his department will take. He said early information caused him to remark the case was "mildly amazing."

The girl, according to her rejoicing relatives, walked to her death in the almost stagnant waters of the Madawaska river at the bidding of God. The coroner listed the cause of death as drowning. Police said it was suicide.

Her 23-year-old sister, Viola, said she stood on the shore "singing praises," while Violet "did what God told her to do." Viola said her sister appeared to have moved to the obedience of unseen voices.

Princess Margaret Dances All Night

AMSTERDAM, Sept. 8 (AP)—Princess Margaret danced into the wee hours this morning at an Amsterdam night club.

Her partners included Prince Bernhard, consort of Queen Juliana; Prince Aschwin, his brother; Crown Prince Olaf of Norway; and Crown Prince Jean of Luxembourg.

The royal party, which went dancing after a state concert on the occasion of Queen Juliana's enthronement, included Princess Martha of Norway. Juliana returned to her palace after the concert.

Princess Margaret represented the British royal family at Queen Juliana's investiture Monday.

Dublin Adither Over Talk Eire May Become Republic

DUBLIN, Sept. 8 — (CP) — Prim Minister Costello's promise Eire will stand by Canada if the Dominion is threatened by a communist country, prompts the Irish Times today to urge a defensive alliance with Western European democracies.

In an editorial entitled "Which Way," the newspaper asks if Costello expressed the official government policy in suggesting recently in Ottawa, a military agreement with Canada.

Eire would not at present accept a similar obligation towards Western European countries, the newspaper said.

The paper adds that presumably "Ireland is being committed also to a defensive alliance with the United States to whom Canada is linked by close military ties."

In Belfast, Prime Minister Sir Basil Brooke of Northern Ireland, said in a statement today that if Eire scraps her external relations act and becomes a republic it means her last remaining link with the British Crown will be severed.

"We in Ulster have always foreseen these developments which completely justified our unwavering refusal to join Eire in deserting Britain and the British communities overseas . . .," he said.

(Prime Minister Costello of Eire said Tuesday in Ottawa that Eire is preparing to ditch her external relations act.)

Speculation is rife in Dublin as to whether the government soon will move to make Eire a full Republic.

Swimming Halted On 2 Lakes

Greenish Substance Noted On Water; Veterinaries Baffled

BOBCAYGEON, Sept. 8—(CP)—Medical officers have halted all swimming in nearby Sturgeon and Pigeon Lakes after the mysterious death of 15 cattle which pastured on the shores of the lakes.

Veterinaries in this town, about 20 miles northwest of Peterborough, remain puzzled after a two-week study of the unidentified disease which killed the cattle.

It is not known if the waters are contaminated, but farmers have been ordered to keep their cows from grazing on the lake shore.

For the first time Buckhorn, Pigeon and some parts of Lake Chemong have become impregnated with a yellowish green substance, that discolors the water so thoroughly it is impossible to see more than two feet down. Tourists who have been coming to the Kawarthas for 20 years claim it is the first time this condition has existed.

The discoloring has not affected the fishing, but it interferes with the washing of clothing in the lakes, because the green scum gets on the clothes.

Peculiar Odor

Some cottagers claim the waters in the bays give off a musky odor, and they blame this on the discoloring. It is generally believed that the color comes from the pollen of some marsh plant, but nobody can account for the fact that the condition didn't exist in other years.

The condition is gradually disappearing in Buckhorn lake, but is still bad in some parts of Pigeon.

The Provincial Laboratory at Peterborough where water samples are tested report no samples have been brought in, and if they had been, the technicians could determine if there was bacteria in the water.

So far as can be learned no farmers in the area directly north of Peterborough have complained of cattle being sick, therefore it has not been proven that the peculiar coloring of the water has any ill effects on livestock.

Cobourg Girl Wins 3 Awards

COBOURG, Sept. 8. —Scholarships totalling $1,320 have been won by Julie Richardson, clever Cobourg Collegiate Institute student, as a result of marks attained in the Upper school examinations. Daughter of Mr. and Mrs. J. H. Richardson, Cobourg, she secured eight first class honors and one second class.

Her awards are the Dominion provincial scholarship for $400; Catholic Women's League, Peterborough diocese scholarship for $200, and the Font Donne scholarship for $720, equivalent to four years' free tuition.

New Bond Issue On Sale Oct. 12

OTTAWA, Sept. 8 — (CP). — Finance Minister Abbott announced to-day the third series of Canada savings bonds will go on sale October 12.

The issue will be dated November 1 and will bear interest at the rate of 2¾ per cent a year for 10 years. They may be redeemed at any time at any bank in Canada for full face value plus interest.

Some 12,000 payroll establishments will be provided with information and material to promote the payroll savings plan.

5 NOTES FOR ROMANIA

LONDON, Sept. 8—(AP)—Five countries, including Britain and the United States, have sent notes to Romania regarding her new nationalization laws, a foreign office spokesman said today.

The laws, passed two months ago, provide for nationalization of foreign-owned oil companies.

Manslaughter Case

WINDSOR, Sept. 8—(CP). — Robert O'Neil, 28, today was charged with manslaughter following the death in hospital Tuesday night of Joseph Sweeney, 48-year-old Detroit fireman. Sweeney died without regaining consciousness from injuries received last Saturday in a brawl in front of an alleged "blind pig" on Pitt Street East. O'Neil was arrested following the fight and arraigned on a charge of assault causing actual bodily harm. Bail was set at $500 and was not posted and he has been in custody of the Windsor police since that time.

De Gaullists Asked To Form New Cabinet

PARIS, Sept. 8 — (CP) — Edward Herriot, veteran Radical Socialist president of the national assembly, today refused an invitation from President Vincent Auriol to form a new French Government to replace Robert Schuman's 64-hour-old cabinet which resigned Tuesday night after defeat in the assembly.

The Communists in an official party statement this morning, offered their participation in a cabinet of "democractic union."

Auriol called in De Gaullists for the first time during the day in an effort to solve the cabinet crisis.

A general election seemed probable.

Auriol apparently is trying to get followers of Gen. Charles De Gaulle to join in a new national union government until general parliamentary elections can be held. De Gaullists are rightists.

Schuman's government was the 13th since the war ended and the fourth since the start of last year.

Resigns After 64 Hours.

The Coalition Government of Robert Schuman, put together on Sunday after long and laborious effort, resigned Tuesday night in the face of a six-vote defeat in the National Assembly on a technical, parliamentary issue. The coalition was made up of Schuman's own Mouvement Republicain Populaire, the Socialists and the Radical Socialists.

Fourteen Radical-Socialist deputies bolted party lines and voted against Schuman on the crucial ballot. Edouard Herriot, an old warhorse of French politics and now President of the Assembly, flew into a towering rage and said he was quitting as head of the party, whose members are neither Radical nor Socialist, but Conservative.

Socialists Split

The Radical Socialists have split over Schuman's plan to give the workers of France a 2,500-franc ($8.33) cost-of-living bonus. The National Executive Committee of French Employers went on record Tuesday against the bonus, which would cost about $390,000,000 all told.

The 295 votes against Schuman came mainly from the Communists and Rightists. There were 289 votes for Schuman.

Must Resist Russ Efforts To Disrupt Talks Of Governors—Marshall

Promise Police Safe Conduct Then Seize Convoy Leaving City Hall; Detain Two US Officials For Questioning

WASHINGTON, Sept. 8—(AP).—State Secretary Marshall said today Communist attacks on the Berlin city government were largely intended to upset talks of the Big Four military governors on the crisis in the Soviet-blockaded German capital. Marshall said efforts to disrupt these talks must be firmly resisted. He declined at a press conference to say that any resistance involves military measures.

Earlier, the Secretary of State received from the military high command a detailed account of the situation in Germany and in Berlin.

This meeting followed a session Tuesday of the National Security Council at which Marshall outlined the diplomatic picture in Berlin.

It was understood the meeting with the military chiefs today was called to give the secretary a precise briefing on the strength and capabilities of American armed forces in the area.

Kidnap Policemen

BERLIN, Sept. 8 — (AP). — Russian gunners and their German police kidnapped 19 policemen from western Berlin today after the Soviet commandant had guaranteed them safe passage from the besieged city hall.

The anti-Communist city council met again in western Berlin and roundly denounced the police kidnappings as a "violation of the laws of humanity."

Col. Frank Howley, American commandant of Berlin, called on Russian Maj.-Gen. Alexander Kotikov. It was believed he lodged a general protest against the Communist demonstrations aimed at overthrowing the elected government. (Russian newspapers in Moscow accused "Americans and German thugs" of causing the city hall disorders.)

There was no blockade at the city hall today. Entry and exit was normal.

Members of three non-Communist parties called a demonstration for tomorrow in front of the ruined Reichstag building in the British sector to protest Communist strong-arm tactics.

The wrath of the anti-Communists and western officials alike centred on the kidnapping of the 19 policemen, who had been on duty at city hall to protect the elected government.

MUST RESIST

(Continued on Page 2, Column 5)

Australian Budget Record Expenditure

CANBERRA, Sept. 8 (Reuters) —Prime Minister Chifley today budgeted for a record expenditure of £511,000,000 (Australian) ($1,635,200,000) in presenting his annual budget to parliament.

Expenditure on defence will be £166,000,000 against £180,000,000 last year.

Estimated revenue for 1948-49 at £493,000,000 leaving £18,000,000 to be financed by loans.

7 Provinces Plan To Hold Up New Railway Rate Boost

OTTAWA, Sept. 8— (CP) — Seven provincial governments today notified the board of transport commissioners they will move to hold up the railways' latest application for freight rate increases until the Dominion government has ruled on their request for a royal commission on railways.

In a formal notice received by the board today the governments of all provinces except Ontario and Quebec said they would apply Sept. 21 for a stay in hearings on the railway application.

The railways which received a 21-per-cent freight rate increase in March, have applied for an interim increase of 15 per cent and a permanent increase of 20 per cent.

The seven provinces have asked for a royal commission into Canada's whole railway problem. A few days ago the justice department gave the federal cabinet an opinion that such a royal commission could not constitutionally deal with the matter of freight rates.

The government already has ordered the board of transport commissioners to launch an inquiry into Canada's basic freight rate structure. The justice department, it is understood, has advised that parliament would have to pass new legislation in order to transfer this question from the board of transport commissioners to a royal commission.

Today's notice also disclosed the provinces involved have protested to the federal government against "delay" in getting a cabinet decision on their July 20 petition for a royal commission.

Documents filed with the board include an Aug. 27 letter from Premier Macdonald of Nova Scotia, chairman of the committee of seven premiers, asking early action.

Accuse Soviet Using 500,000 Japs As Slaves

TOKYO, Sept. 8 — (AP). — In a roundabout way, Allied Headquarers to-day accused the Russians of using 500,000 Japanese as slave labor to bolster the Soviet's war potentials.

It came out in this way:

Allied Headquarters released a statement quoting an "unidentified Allied Headquarters spokesman" as saying a "sharply worded letter" had been sent on behalf of General McArthur on September 3 to Lt.-Gen. Kuzma Derevyanko, Russian member of the Allied Council for Japan, charging the USSR with failure to live up to its agreement to repatriate the more than 500,000 Japanese still in Russian hands.

The spokesman said "additional reliable information available to the Supreme Commander indicates conditions approaching slave labor" apply to those Japanese under Russian control.

The statement went on that Headquarters is concerned "over the fact this near slave labor is being utilized in the Soviet and Soviet-controlled areas under appalling conditions of servitude to increase the military potential of Soviet Russia."

Boy 5, Drowns Near Lindsay

LINDSAY, Sept. 8—(Special). —Reported missing early in the afternoon, the body of five-year-old James Ward of Toronto was recovered from the waters of Sturgeon Lake's Kenstone Beach about 10 p.m. Tuesday.

It is believed that he fell from the private wharf of J. C. Dean at Kenstone Beach. Police had been hunting for some hours before the body was found.

The boy had been spending the summer at a cottage in the area with his mother, Mrs. Estelle Ward, a widow.

Provincial Constable William Milton, Lindsay, and Dr. Hugh D. Logan took part in the search and recovery.

[illegible] To Purge Peasants

WARSAW, Sept. 8 —(AP) — The Communists launched a drive today with the avowed aim of destroying "all exploiters and capitalists" among the nation's 15,000,000 peasants.

Reports from usually reliable sources said Communinist groups had smashed tractors owned by so-called "rich peasants" in Central Poland, and that fences dividing individual farms were being torn down in some areas.

Communist action committees have been sent out to hand peasants the news that their production must be put on a common basis. They also were starting to patch up gaps in the party front caused by what the party leadership termed "deviations."

US Plane Crashes

EDMONTON, Sept. 8.—(CP). —RCAF headquarters today announced a United States Army Air Forces Dakota transport from Rome, N.Y., crashed shortly after midnight Tuesday about 40 miles southeast of Edmonton. The plane came down near Cambrose, Alta., after the pilot ordered his crew to bail out. The number of crewmen and their names was not immediately available.

Says Lifting Of Oleo Ban Be Harmful

Fears Dairy Industry Will Be Hurt Bracken Declares

TORONTO, Sept. 8 — (CP). — John Bracken, National leader of the Progressive Conservative party said today the dairy industry is bound to be hurt if the ban on oleomargarine is removed.

"Whatever the merits or demerits of the ban or its removal," he said in a speech prepared for delivery at the Canadian National Exhibition, "The latter, just comes, will inflict a further handicap on the dairy industry."

Mr. Bracken addressed the agricultural and livestock review day luncheon at the C.N.E.

He predicted a government move to ease the margarine legislation, which prohibits importation, manufacture and sale of the butter substitute.

"It now looks as though government policies are leading up to either the admission of oleomargarine or its manufacture, or both, in Canada."

Sign Posts

These were some of the signs:

Canada's adherence to the Geneva trade agreement, margarine motions in the House of Commons and the Senate, and the decision to admit Newfoundland to Confederation and at the same time to permit her to continue to have margarine.

Mr. Bracken said Canada's most urgent agricultural problem is to reconcile "consumer and producer interests.

Referring to the recent removal of the ban on beef-cattle shipments to the United States, he said:

"The simple fact is that the Canadian people cannot continue to buy from the United States if they are denied the right to sell to the United States."

He criticized the principle of the government's wheat subsidy:

"A policy of subsidization can be justified in abnormal times; it is generally regarded as being without economic justification when times are normal."

Ontario Will Get First Health Grant

OTTAWA, Sept. 8.— (CP).— Ontario is going to get the first grant under the government's $30,000,000 national health program, the health department announced yesterday.

The announcement said a cheque for $9,485 is being forwarded to the provincial treasurer of Ontario to assist the province's health survey. The payment constitutes 15 per cent of the $196,570 allocated to Ontario under the overall health pro gram.

Ontario's application for an initial payment on the health survey grant was the first provincial request received in Ottawa. Requests also are coming in from other provinces as they complete preparations to make the surveys for which $625,000 of the $30,000,000 has been provided.

Has No Leadership

DETROIT, Sept. 8 — (AP). — Harold E. Stassen pictured Harry Truman Tuesday as a failure as President who "cannot furnish the essential leadership" for the crucial years ahead. Delivering the official Republican reply to Truman's Labor Day assaults on the Republicans, Stassen declared the President "dishonored labor with an extreme demogogic appeal to set class against class."

ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

Asbestos Hits Headlines Again

It's a big thrill for your J-M reporter to read how asbestos fights fire. Today I read a news clipping about a bad fire which destroyed a garage and ice house. The headline reads, 'Asbestos Siding Saves House.' The owner sent the clipping with this comment: "Our house stood within twenty-five feet of the scorching blaze. It was showered with sparks. But Johns - Manville Cedargrain Asbestos Siding Shingles kept it safe and sound."

You can give your home this same protection with J-M Cedargrains. They're absolutely fireproof. In over 35 years not one has burned . . . not one has worn out!

Cedargrain Siding Shingles are strikingly attractive too — have all the beauty of fine weathered wood. Ask your nearest J-M dealer for free illustrated folder. Peterborough Lumber Co. Ltd. Phone 4655.

Out Of Jail On Tuesday, In Again Today Hazlett St. Man Gets Three Months On Hill

"Yesterday" was the unhappy answer of George Alex of 129 Hazlett St. in court today when Magistrate Philp asked him: "How long have you been out?" The accused was sentenced to three months in jail on his guilty plea to being drunk in public as a third offender. He had just completed a similar term on a similar charge on Monday.

"It might be a good idea for you to leave the wine alone after this," commented His Worship.

John McMurray, 523 Rogers St., was fined $50 and $2.50 costs or one month when he pleaded guilty to being drunk in public as a second offender.

Mildred Ellis, no address given, was fined $10 and $2.50 costs for illegal possession of liquor.

C. M. Newton, 503 Stewart St., was fined $10 and $2.50 costs for permitting an unlicensed person to drive his car. John D. Newton, same address, was also fined $10 and $2.50 costs for driving without a licence.

Speeding brought fines of $5 and $2.50 costs each from: F. W. Spratt, 276 Atlas Ave., Toronto; James Donnelly, 421 Stewart St., and William Lowell, 592 Douglas Ave.

For driving through a red light, Arthur D. Monypenny, 163 Hillhurst Blvd., Toronto, was fined $4 and $2.50 costs.

Emmett F. Sheehy, 362 Simcoe St., and Moirs Ltd., Toronto, were each fined $2 and $1 costs for overtime parking.

Cheese, Produce, Livestock

Calves 250; run included 160 head from Canada; price trend no fully established to 10 a.m.; one lot good Canadian 31.00; bulk of Canadian unsold to 10 a.m.; good and choice nearby 31.00-32.00.

Hogs 225; good and choice 180-240 lbs. quoted 29.00-30.00; good sows 300-500 lbs. 23.00-25.00.

Lambs 100; too few sales for market.

TORONTO HOG PRICES

TORONTO, Sept. 8 — (CP). — Hog prices at Stratford this morning were reported unsettled, but bidding for grade A delivered is $32.25 to farmers and $32.50 to truckers. At Hull, hogs off truck were [illegible]ed, grade A were down $1 and some [illegible] were made at $32.25, delivered. At Brantford the hog market was unsettled and there were no quotations on hogs.

Peterborough Hogs, Grain And Produce

WEDNESDAY, SEPTEMBER 8.

Hog quotations $32.40 plus transportation.

Sow quotations $23.50 plus transportation.

Eggs: A large 46c, A medium 44c, A pullet 27c, B 32c, C 28c.

Quaker Oats Company of Canada quotes Ontario Winter Wheat No. 1 $2.10, No. 2 $2.10, No. 3 $2.05, feed oats 73c; buckwheat $1.25! Feed barley $1.01. All prices delivered at the mill.

Mining Issues Dip As Trade Slackens

TORONTO, Sept. 8 — (CP) — Mining issues dipped downwards as trading slackened here today. Industrials and western oils were narrowly easier but golds, base metals slid steadily after displaying a slight firmness in the first hour.

Senior issues led the downhill march in golds and losses outnumbered gains 4 to 1 in juniors. Bralorne, Lamaque, Teck-Hughes and Wright-Hargreaves were 5 to 25 cents easier and Kerr Addison, Lake Shore, Hollinger and McIntyre weakened fractionally.

A few early gains in base metals were washed out towards noon. Consolidated Smelters, an early gainer, was down ½ and International Nickel, Quemont and Noranda also weakened fractionaly. Pend Oreille dipped 15 cents and Labrador was down 20.

Steels, refining oils and liquors were easier in dull industrial groupings. Brazilian Traction, CPR, Bank of Montreal, Massey-Harris, Consolidated Paper and International Paper were also down. Acadia Atlantic, Canadian Car A, Fanny Farmer and Howard Smith firmed.

Anglo-Canadian, Pacific Petroleum, Atlantic Oil, Okalta and Foothills dipped from 5 to 10 cents in the quiet western oils.

Sun—Rises at 6:49; Sets at 7:42

Cool air which covered western Canada and northern Ontario invaded southern Ontario during Tuesday night. This afternoon it will move into eastern counties bringing relief from the oppressive humidity of the past few days. A disturbance developing over western Missouri this morning is expected to move northeastward and bring rain to southwestern Ontario Thursday. The northern boundary of the rain area is somewhat in doubt. It will depend on the extent to which the new disturbance develops.

Forecasts:

Eastern Lake Ontario, southern Georgian Bay and southern Haliburton regions — Variable cloudiness today with widely scattered showers ending late this afternoon Thursday, cloudy. Showers and widely scattered thunderstorms late Thursday afternoon and evening. Cooler this afternoon and Thursday. Winds light.

Summary for Thursday: Coudy [illegible] showers.

Cost-of-Living Index Shows Smallest Jump Since 1947

OTTAWA, Sept. 8—(CP).—The upward pace of the cost-of-living index is slackening.

The Bureau of Statistics reported Tuesday the index rose only six-tenths of a point during July, the narrowest change since January, 1947. The advance, between July 2 and Aug. 2, was from 156.9 to 157.5.

The July report, said the Bureau, reflected the removal late in that month of the special 25-per-cent. excise taxes imposed on a broad list of durable goods last September.

However, the steady rise of the index may be resumed when the next report, to be issued a month from now, takes into account the increases in meat prices which followed the August lifting of the war-imposed ban on beef shipments to the United States.

The July report showed that foods, fuel and lighting, clothing and miscellaneous items were higher, home-furnishings and services declined. Rentals, still under rigid government control, remained unchanged.

The food sub-index advanced 1.3 points to 202.6 on increases for eggs, butter and meat, which were only partially offset by sharp seasonal declines in vegetable prices.

Higher prices for coal and coke coupled with a narrow increase in electricity costs at certain centres were responsible for a jump of 3.2 points at 127.7 in the fuel and lightfig index.

Scattered increases in clothing sent that index up from 175.4 to 175.9, while the miscellaneous series advanced 0.3 to 123.4 on increases in laundry rates and barbers' fees. The home-furnishings and services index slipped by 1.4 to 161.4.

Bride Sobs

Continued from Page 1

traction and met her husband when he was serving with the Canadian Navy and visited Scotland. She is a native of Greenock.

Won't Take Help

Mrs. W. B. McAllister, mother of the slain man, said in an interview that although her desire to help the accused bride was not wanted, she learned from a Lindsay lawyer that she probably hasn't sufficient funds to provide counsel. It is expected this will be done by the Crown.

The mother, whose home is in Hamilton, refused Tuesday to visit her daughter-in-law in her jail cell. "I just couldn't face her now," she said after the younger woman sent word she wanted to see her in-laws.

Bruce McAllister, who discovered his brother's body, said the tragedy may end the yearly visits of the McAllister family to the nearby Kirkfield district where they own a cottage. The family lives in Hamilton.

Coming for 20 Years

"We've been coming here for 20 years and it's a pretty spot," his mother said. "We drove up here every week-end and Jane and Jack seemed so much happier and at peace with the world here. Now it's all over I can still hardly imagine he is gone and that poor girl is alone in jail.

"It will be a terrible blow to her mother and grandmother in Greenock but the priest in Kirkfield has taken that burden off our shoulders. Think what any mother would feel like with her daughter 4,000 miles away in this situation."

UE Executive

Continued from Page 1

The statement recalled that Canadian members of other unions previously had been refused entry to the US and said this "is obviously designed to fit the pattern being set by the US government in attempts to create a situation of public fear of the activities of the trade union movement."

Try To Free Jackson

The United Electrical Workers Union (CIO) in New York has started habeas corpus proceedings in an effort to free a Canadian labor leader seized by immigration authorities as he arrived at La Guardia Field Tuesday.

A writ issued Tuesday by Judge H. Simon Rifkind directed the authorities to produce the Canadian, C. S. Jackson, in Federal District Court today. Jackson was suspected of being connected with the Communist party.

David Scribner, general counsel of the union, said the union had attempted to arrange bail for Jackson at Ellis Island and through Attorney General Tom Clark's office in Washington, and it had been denied without explanation.

OTONABEE POLIO SUSPECT

An 18-year-old Otonabee girl is in Riverdale Isolation Hospital, Toronto, as a polio suspect. She was seized with a partial paralysis of the legs on Thursday and was taken to Toronto on Saturday according to Dr. H. G. Carleton, MOH for Otonabee. There are still no cases in Peterborough Dr. R. A. Kelly, MOH for the city, said today.

MORE ABOUT—

Must Resist

Continued from Page 1

"Yes," snapped the Frenchman.

Russian soldiers and their controlled police had thrown a double cordon around the city hall Tuesday. They prevented anyone from entering the building or bringing in food.

Try Starvation

It was an apparent effort to starve out the 19 western-sector police who had been brought into the building to help protect the anti-Communist city assembly from Communist-led demonstrators. To escape arrest by their Soviet-controlled rivals, the 19 western police took refuge in the Western Allied liaison offices.

The French commandant, Brig.-Gen. Jean Ganeval, negotiated safe conduct for them with his Russian counterpart, Maj.-Alexander Kotikov.

Soon afterward, the French convoy, including two canvas-covered trucks, started to pull away from the hall. In the party, beside the police, were 11 British, American and French liaison officers and correspondents.

A few hundred yards from the building, they were flagged down by two jeep loads of Russian tommy-gunners. About 20 Soviet-sector police then sprang from behind a building.

Surround Convoy

The convoy was surrounded. The seizure had all the aspects of a carefully-planned trap.

"Those who have identification papers may go on," a Russian officer ordered brusquely. "Those who don't will have to come with us."

The Russians made no excuses. There was a promise made to call Rudolph Wagner, deputy Soviet-zone police chief, but he never arrived.

This was the second serious episode within three days affecting Allied relations, but the first major incident in the civil warfare between the rival east and west fractions of Berlin's divided police force.

Detained Short Time

Before the Soviet siege of the city hall was relaxed early today two United States offjcials were detained briefly by Russian military police.

William Babcock, deputy United States commandant in Berlin, and Maj. John E. Davisson, American liaison officer at city hall, were taken into custody when they attempted to reach the building Tuesday night. Babcock, a civilian, was wearing his uniform as a reserve colonel.

The Russians took the two Americans to the Russian Kommandatura but released them a short time later.

An Associated Press correspondent, Richard K. O'Malley, and AP photographer Henry Burroughs were roughed up by the police inside city hall when they aided a German reporter who was being dragged away.

SUGGESTS AN ECONOMY

For the arbitration of the amounts to be paid by the city for the O'Connell and Scott properties, site of the new housing area in the south end, G. N. Gordon, KC, suggested to the council as an economy last night that Judge S. L. Smoke be sole arbiter. It was understood that a board of three members would deal with this matter. The proposal was left to the special housing committee of which Ald. Gordon Armstrong is chairman.

Boy 4 Struck By Motorcycle, Head Injured

LAKEFIELD, Sept. 8—(Staff).—David Finlay, four-year-old son of Mr. and Mrs. John Finlay, received severe leg cuts and head injuries, Tuesday night, when he was struck by a motorcycle. The boy was taken to St. Joseph's Hospital, Peterborough, where it was found his injuries were not critical.

The accident happened on Clementi St., in front of the home of George Graham. David was playing along the road there with several other boys as the motorcycle of William Wood of Lakefield approached going west.

One of the boys made a motion to throw a stone, and David started to run across the road in the path of Wood's machine.

Wood swerved right off the road onto the shoulder to avoid striking the boy, who continued to run towards the motorcycle, which he had apparently not seen. Just as he came up to the machine, he stumbled and fell, striking his head against the headlight and being thrown about 10 feet.

Dr. Hugh Gastle, Lakefield, who was near the scene, treated the boy and had him taken to hospital.

Mrs. James Redpath, who had witnessed the accident, told Police Chief Garnet Samis that Wood "had done everything possible to avoid the accident."

Food Production

DENVER, Sept. 8—(AP).— Representatives of 19 American republics today started discussing how the Western Hemisphere can get the most food possible out of its available natural resources. Experts were to present papers on the relationship between living standards and renewable resources and other subjects at the second plenary session of the inter-American conference on conservation of renewable natural resources.

SIMPLE ABC TREATMENT HELPS END ATHLETE'S FOOT

IRRITATING, PAINFUL, BURNING FEET—RAW, CRACKED, PEELING SKIN BETWEEN TOES RELIEVED OVERNIGHT

Foot Specialists examining thousands of patients have found that many common foot ailments are due to one cause—Tinea Pedis—a virulent infection known as "Athlete's Foot."

If you have peeling, soggy skin and painful cracks between toes; if you are plagued by persistent itching and excessive, malodorous perspiration, start using AERO-PED Powder at once. It contains P.M.N. (Phenyl-mercuric nitrate)—a powerful germicide and fungicide which kills the germs and fungi that cause "Athlete's Foot."

MIRACULOUS RESULTS says C.D.U. "... I am very pleased to tell you what we sailors call "Toe-Rot" appe[illegible] be completely cured—no itching whatever and the skin quite clean and absolutely healed. This strikes me as miraculous. I've had it since I was Midshipman, 45 years ago and had tried everything else."

BUY AERO-PED FROM YOUR DRUGGIST TODAY
If he is out of stock send 89c to: E. R. BELYEA & CO., (Dept. 110), 2374 Bloor St. W., TORONTO
And your AERO-PED will be sent postpaid.

A B C ROUTINE FOR QUICK RESULTS

Make this test:

(a) Wash feet night and morning with soap and warm water. Dry well between toes.

(b) Dust AERO-PED P.M.N. Powder over feet and between toes, also inside socks and shoes. Change footwear daily.

(c) Notice how quickly pain and irritation are soothed, cracks between toes begin to heal, perspiration is checked. Get a tin of AERO-PED P.M.N. Powder and start your A-B-C Treatment today.

Ask your Druggist about AERO-PED P.M.N. Ointment, the original P.M.N. emulsion for mycotic skin infections.

School Health Program Pays Dividends

COBOURG, Sept. 8.—(ENS).—Plans for the school health service for the 7,500 pupils in the 216 elementary schools of Northumberland and Durham counties have been completed by the health unit staff.

The health supervision of school children, who constitute 15 per cent of the population, takes up more time of the staff than any other part of the health unit program. However, the school health supervision pays dividends, officials pointed out. For example, by the end of the school year, autumn of 1947 to June of this year, it was found that over 40 per cent of the children with visual defects had the appropriate treatment, including provision of glasses.

During the school period, a total of 1,266 defects other than teeth were found among school children. Most of these would not have been discovered in an early correctable stage and brought to the attention of the parents, were it not for the school health supervision program. The immunization of school children against diphtheria has also been effective as is shown by the fact that no school child in the counties has developed diphtheria since the health unit was instituted.

Details requiring consideration in the school health program are so numerous and complicated that plans have to be made months in advance for immunization and medical examinatio of pupils. Written permission by the parents must be secured prior to any immunization or physical examination by the medical officer of health. Clinic dates must be coordinated with the teacher's program in the school. Time must be allowed for the keeping of accurate records for each child. The probable effect of weather on road conditions must also be kept in mind. For example, the schools near the highways are reserved for the winter months when snow is likely to make side roads so difficult on a particular date, when a visit might be planned, that it would be impossible for either the staff or the parents to arrive at an appointed hour at each of several schools.

During the 1948-48 school year, 3,616 school children were given protective inoculation against diphtheria, 941 were vaccinated against smallpox; public health inspection of 5,615 children and gave first aid or other interviews to 2,180 children; health unit medical officers, assisted by staff nurses, made a physical examination of 2,540 pupils; and medical officers and sanitary inspectors made a detailed sanitary survey of every school building in the counties.

REUNION AFTER 30 YEARS—Seated are two sisters, Mrs. S. Gryman of Blackpool, Eng., and Mrs. J. Sherwin of Montreal, who have met for the first time since 1918. The last time they saw each other was in London, and since then they have communicated by mail only. With them are Mrs. Gryman's two 20-year old daughters, who are identical twins. That's Zelda on the left and Norma on the right, if you can tell the difference. The twins were the subject of a painting by D. Milne which was shown here in 1942.

Burns Captures Bickle Trophy

COBOURG, Sept. 8.—(ENS).—R. Burns of Peterborough, won the John Bickle memorial cup at the lawn bowling doubles held at Cobourg, with 32 rinks participating. Mr. Burns had three wins for a score of 48 and a plus of 23. In second place was R. F. Downey of Peterborough, with three wins, 48 plus 22; third was Sam Netley of Brighton, who had three wins, 48 and a 12 and W. Brownlee of Oshawa was fourth with three wins, 45 and 2. High with two wins was George Brown of Brighton, with 47 and a plus of two and high with one win was N. Northrop of Peterborough with 44 points. Following were the game results:

1st game—T. Jones of Cobourg vs. J. Cullen of Peterborough, 9-15; W. Wenn of Cobourg vs. W. Buskward of Deloro, 25-14; E. Hircock of Cobourg vs. C. Renaud of Peterborough, 11-6; H. Brownlee of Oshawa vs. H. Coleman of Peterborough, 16-9; B. Ward of Oshawa vs. G. Gimblett of Peterborough, 17-12; E. Winter of Cobourg vs. L. McLean of Belleville, 16-12; C. Rendall of Oshawa vs. H. Hall of Trenton, 12-12; W. Preston of Oshawa vs. R. Downey of Peterborough, 7-28; W. Hoskin vs. Jeffries, 26-7; Burns vs. Booth, 23-13; Wilkins vs. R. Brown, 15-12; Northrop vs. Boswell, 18-24; Netley vs. Rogers, 15-6; Kemp vs. Richardson, 10-15; Romano vs. Brennan, 8-21; G. Brown vs. Medhurst, 18-15.

Second game — Jones vs. Coleman, 9-17; Cullen vs. Brownless, 9-13; Wenn vs. Downel, 8-19; Buskward vs. McLean, 4-38; Hircock vs. Hall, 15-16; Renaud vs. Preston, 14-9; Ward vs. Winter, 17-8; Gimblett vs. Rendall, 18-13; Hoskin vs. Jeffries, 26-7; Burns vs. Booth, 23-13; Wilkins vs. R. Brown, 15-12; Northrop vs. Boswell, 18-24; Netley vs. Rogers, 15-6; Kemp vs. Richardson, 10-15; Romano vs. Brennan, 8-21; G. Brown vs. Medhurst, 18-15.

Third game—Jones vs. Preston, 20-13; Cullen vs. Renaud, 8-14; Wenn vs. McLean, 6-20; Buskward vs. Rendall, 21-7; Hircock vs. Gimblett, 15-18; Brownlee vs. Hall, 18-8; Coleman vs. Winter, 29-4; Ward vs. Downey, 13-23; Hoskin vs. Brennan, 14-19; Burns vs. Netley, 28-18; Wilkins vs. Richardson, 10-24; R. Brown vs. Kemp, 19-7; Romano vs. Jeffries, 12-16; Rogers vs. Medhurst, 14-11; G. Brown vs. Boswell, 15-10.

Study Water Of Sturgeon And Pigeon Lakes As 8 Cows Die After Drinking From Them

LINDSAY, Sept. 8. — Farmers near Sturgeon Lake and Pigeon Lake are keeping their cattle away from the lakes water. A number of cattle have died and a number are sick, presumably from drinking the water.

Dr. McKinnan of Bobcaygeon has been attending many of the animals, and he with a number of farmers have been along the shores to see whether any poisonous weeds could have been the cause of the animals dying. None was found, and as many animals had died from various parts of the shores, a sample of water has been taken by Toronto Health officials for testing.

Three cattle belonging to Don Stinson, one to Henry Ward, two to H. Kelly, and two to Frank Nicholls were reported dead over Friday and Saturday, Dr. McKinnon said, and these were only the Sturgeon Lake casualties, not including the Pigeon Lake ones. He went on to say that a dog that drank some of the water on Saturday died after 20 minutes, but the cattle took longer, some of them dying after two or three hours.

Some people were swimming while Dr. McKinnon was investigating the shoreline. The swimmers are said to be still in good health.

28 City Scouts At Pittsburgh Perform Before 144,000 People

Early on Tuesday 28 members of the Peterborough Senior Boy Scout group arrived back in the city after a three-day stay in Pittsburgh as guests of Troop III, Beth Shalom Men's Club. They spoke of their hosts' hospitality only in superlatives, and said they had enjoyed the time of their lives.

During their thrill-packed visit which apparently left little time for sleep, the local youths enjoyed a motor tour of the city, visits at the homes of private citizens and scouting officials, campfire sessions, a barbecue, a motorcycle escort to a baseball game, and a performance before 144,000 spectators.

They left by bus on Friday night under the leadership of Scoutmasters Reginald Perks, F. B. (Scotty) McDougall and Stanley McGann. Accompanying them were two members of the sponsoring group committee—president of the local branch of the Canadian Legion, Harold Yelland, and past president, F. J. (Paddy) Burke.

Those on the trip were: Robert Rusk, Elm St.; Robert Hurrle, Bolivar St.; Cecil and Herbert Bowes, Rubidge St.; Donald Fitzsimmons, Albertus St.; Ernest Mills, Townsend St.; Edward Panter, Monaghan Rd.; Gerald Henwood, Howden Ave.; William Porter, Monaghan Rd.; Keith Gordon, Stormont St.; Stan Lambert, Park St.; Robert Webb, Charlotte St.; Art Miller, Sherbrooke St.; Don Allen, Bolivar St.; Jack Berwick, Monaghan Rd.; Ed. Curtis, Parnell St.; William English, Rogers St.; Ken Goselin, Ware St., Jack Hawthorne, Aylmer St.; Emmerson McDougall, Park St.; Robert Orr, Parnell St.; Vernon Pinn, Albertus St.; Jack Haslett, Payne Ave.; Robert Gardner, Sherbrooke St.; Doug Cook, Water St.; Doug Fanning, Monaghan Rd.; Gord Mongraw, Rubidge St.

Don Spargo, Stewart St., and Fred Fuller, King St., were both sick and were unable to make the trip.

The trip was a return visit as 23 of the American scouts had been camping in the Peterborough area earlier this summer.

To pay for the expenses of the trip the local scouts had worked hard collecting waste paper to defray the costs of travelling and eating, but they found that the Pittsburgh scouters seemed unwilling to see them spend their money on anything once they had arrived. Their sponsors, the Canadian Legion, contributed $100 to the "kitty" before they left.

Thoughtful Hosts

When they arrived in Pittsburgh they were prepared to start pitching camp in Frick Park, and duty parties had been drawn up to look after the camp site on a rotation basis, while the majority left camp. Their thoughtful hosts, however, had already erected tents and city policemen were present to look after their property, thus allowing all of them to be free of picket duty.

The Peterborough group were greeted by Matt Trust, scoutmaster, and Louis Hamburg, troop committee chairman of the Beth Shalom Men's Club. Five or six other American scout groups were camped at Frick Park, and in the afternoon the ceremony of the presentation of the colors and the march past was held. Scoutmasters Trust and Perks took the salutes.

On Saturday morning Donald Field, scoutmaster, troop 3, Pittsburgh, escorted the group through the "East Liberty Presbyterian Church," the largest of its denomination in the United States. It has a steeple more than 500 feet high and occupies a whole city block in the heart of the city.

The church, which cost more than $5,000,000 to build, was completed in 1935. It contains a gymnasium, modern kitchens, a swimming pool, lockers and shower rooms, five bowling alleys, separate boys' and girls' scout rooms and separate Sunday school rooms.

One of its most unusual features is a nursery in the church building where those wishing to attend divine service on Sunday can leave any child more than two weeks old.

A giant campfire was held on Saturday night which was attended by girl and boy scouts from all Pittsburgh districts as well as parents and other civic officials. Each Peterborough scout was presented with a crest, and a log commemorating the occasion, was given to the group signed by more than 700 persons in attendance.

After the campfire complete informality reigned and they struck up individual acquaintanceships. But before the evening was over Mr. Yelland, as president of the group committee, was presented with the flag of Troop III of Pittsburgh, which had been the official troop flag in Beth Shalom Synagogue for the past 20 years.

Afterwards many of the boys spent the remainder of the night as guests of private individuals and scouting officials.

Early on Sunday morning they attended Beth Shalom Synagogue for breakfast and were welcomed there by the Beth Shalom Men's Club, Rabbi Rose officially extending greetings. When breakfast was completed they were taken to East Liberty Church where they formed up and paraded in for church service.

Saw Ball Game

An unexpected delight followed. They raced through the streets of Pittsburgh under motorcycle escort to see a doubleheader baseball game between Pittsburgh Pirates and Chicago Cubs played at Forbes Field. As an added feature Ralph Kiner of the Pirates, present home run king, belted his 34th homer of the season.

Those who had never seen a major league baseball game before were able to view it at a vantage point as six box seats were secured on the third base line. Every two innings a new sextet would change places with the previous seat holders who would then take their place farther back in the grandstand.

The boys were later taken to Mr. Hamburg's home where the Beth Scholem scouts and civic officials joined them for a barbecue and refreshments. As their contribution to the evening's entertainment they put on a half hour's band concert with marching drills.

After what was described as a "sumptuous breakfast" they were escorted to the Pittsburgh airport. Six of their number entered the control tower where they were allowed to communicate with pilots in the air.

Perhaps the highlight of the whole trip was when they entered the grounds of the Allegheny County Fair attended by 400,000 people. The Peterborough scouts walked into an amphitheatre with 144,000 spectators in the stands; and while astonished at the size of the crowd, they marched and played faultlessly. Originally they were scheduled for two pieces, but 10 were played before they were allowed to go. They were given a warm reception.

One of the things that struck the local boys as funny was the vast line-up of cars outside the fair grounds. The bumper-to-bumper queue was so long that motorists who had parked their cars required a taxi to take them into the grounds.

By the time the bus headed homeward on Monday the scouts were almost worn out with the solid fare of excitement. One of them voiced the general sentiment when he said: "It's the first time I've ever been in the United States. I didn't know that total strangers could be so hospitable."

BORDERLINE ANEMIA*
can stifle your spirit and ambition!

DO YOU start the day with a weary, letdown feeling? Have your spirit and sparkle gone into a slump? Is your face too pale to be good-looking? These are often the signs of a blood condition. If you have them, you may have a Borderline Anemia, a mild anemia due to a nutritional deficiency of iron.

Your red blood cells may be pale and shrunken—they may be too weak to transmit full energy to every muscle and fibre. Many people—men and children as well as women—go dragging their weary way through life with this Borderline Anemia.

How Ironized Yeast Tablets Build Up Your Blood and Vigor

If your healthy color and vitality are deserting you—due to this Borderline Anemia—take Ironized Yeast Tablets. They are formulated to help build up faded red blood cells to healthy color and size—to help restore your vigor.

Of course, continuing tiredness and pallor may come from other conditions. Always consult your doctor regularly. But in this Borderline Anemia, take Ironized Yeast Tablets to help build up your blood! Then your energy and color can come surging back! Then you can get fun out of life again!

* A mild anemia due to a nutritional deficiency of iron.

BORDERLINE ANEMIA
why it can make you
TIRED • PALE • LISTLESS

Blood that builds energy! This is how energy-building blood looks under a microscope. Here are big, plentiful red blood cells that can release vigor to all your body.

Blood in Borderline Anemia! Many have blood like this; never know it. Cells are puny, faded. Blood like this can't release the energy you need to feel and look your best.

Send your questions to: KATE AITKEN, 225 Jarvis Street, Toronto.

SCHOOL BOYS: "My son will be 16 in January, 1949. He doesn't want to go back to school. He says he would rather be apprenticed to an electrician than go to school. Are we allowed to do this?"

Education regulations will not permit your son to be apprenticed until he is actually 16. However, you might apply for a permit to keep your boy out of school, let him find a job and go to night school two nights a week. Then when he is 16 he may go into his apprentice shop.

BARTER SHOPS: "Are there any barter shops in Toronto?" The one we know is the Trading Post, 2123 Yonge Street.

BUNIONS: "Is it possible to permanently remove bunions without an operation?"

Foot doctors say that bunions are a maladjustment of the large toe socket and muscle. If this distortion is established, only an operation will give you a permanent cure.

BUSINESS GIRL: "I'm taking my first position in business this October. What is the least I can pay for a good tailored suit and topcoat?"

A wool suit will cost from $30 to $50. A topcoat, without fur, can be bought from $37.50 to—well, the sky's the limit. But you can get smart budget outfits for $75 to $100. Why not drop in at the Business Girl's Budget Show September 9 at the Exhibition. Show is at 5 p.m. in Teen Town Theatre.

ELECTRIC STOVE: "I want to give my daughter and new son-in-law an electric stove for a wedding gift. Which is the best model?"

Canadian firms make ace high stoves. You can buy any one of a half dozen good stoves and do well by yourself. I'd figure out what you can pay, the space available in the kitchen, then go window shopping before you buy.

Political Puss-In-The-Corner

Ever since the Liberal Convention which chose Mr. St. Laurent as party leader Progressive Conservative propagandists have been wagging their heads and clucking their tongues about the cut-and-dried nature of proceedings there. The Liberal behaviour, they suggest, was an affront to democracy; when the Progressive Conservatives meet at the end of this month, they reassure us, Canada will see real democracy at work within a political party; there will be no railroading of delegates, and no forcing of candidates upon the party at their Convention. There all will be spontaneous, unpremeditated and impromptu in its nature.

• • •

We confess that we are delighted by this prosect; a really impromptu convention would be a novelty in politics. But in the light of the Conservative boasts, what are we to think of the news which comes from Toronto that Mr. Drew has all his plans made for taking over the leadership? When he is chosen as Conservative national leader (as he expects to be) he and his cabinet will at once resign in Ontario, and Mr. Drew will advise the Lieutenant-Governor to call Mr. Gordon Graydon to form a new ministry. Mr. Graydon will presumably be glad to do so, and he will therefore have to resign his federal seat in Peel County; Mr. Drew will then contest this seat (though it is hoped that the Liberals will be too gallant to oppose him) and will be all set for the next federal session. Mr. Graydon will be looked after by the Hon. T. L. Kennedy, who will retire from his provincial seat in Peel in order to make a place for the new provincial leader.

• • •

This is a fairly complicated game of political puss-in-the-corner, but it does not surprise or grieve us. These things have to be done, and in politics nobody but a fool leaves the preparation of his plans until the last minute.

• • •

We do suggest, however, that this scheme seems a little more cut-and-dried than the Conservative trumpeters have led the public to expect. They claim that when the Conservatives convene it will be on the lines of a Quaker meeting, at which no one speaks or acts until the spirit moves him. But already it appears that plans are on foot to shove several of the boys around pretty briskly as soon as Mr. Drew carries the Convention.

Appeasement In Czechoslovakia

The independent republic of Czechoslovakia has had a short history. The life of Dr. Eduard Benes who died last week spanned it. He, with the greater Thomas Masaryk, young Czech nationalists from the Great War, created it out of the wreck of the Austro-Hungarian Empire thirty years ago. The new nation became prosperous and a model liberal state. Its government successfully combined regional autonomy (four provinces —Bohemia, Moravia and Silesia, Slovakia, Carpathian Ruthenia, each with distinct racial characteristics) with the needs of a common protection of progressive standards of democracy and national deevlopment. For security it built up a system of alliances which it was hoped would maintain its integrity as a nation.

By 1938 Wilsonian concepts of national self-determination had vanished with the League of Nations. Ten years ago the British Prime Minister and other western leaders sought to appease Hitler, in the revised game of power politics. Czechoslovakia lost at Munich one-third of her territory. Five months later Hitler seized it all. President Benes fled to the United States. "We have been sacrificed", he said, "to prevent for the present, a great conflict. We have not achieved a just solution, for what happened was neither just nor merited".

As head of the Czech government-in-exile in London during the war, Benes laboured for allied victory and the restoration of Czechoslovakia's independence. After the war President Benes returned to his homeland. Now he had not the Germans to deal with, but the Russians. He tried to adapt his social and political philosophy to the realities of the situation. Though pre-war Czechoslovakia had a greater export-import trade with its western neighbours and Britain and the United States, the eastern, agricultural half of the country—the folded ranges of the Carpathians—looked eastward naturally and politically. There was this further prime element — Russian soldiers re-took Czechoslovakia and after the war's end the Red Army was poised at its doors. Benes tried to appease Russia. He declared that the old principle of liberal democracy had been overpowered, that "socializing democracy" was the form of the future. He felt that through Czech socialism, Communism and western democracy could be harmonized. The result of this theory in practice was the Communist seizure of power this spring, and the new "constitution" of Communist Premier Gottwald. What has happened this year in Czechoslovakia was 'neither just nor merited', but it has happened.

Benes appeased no more, for he had nothing left to appease by. Gottwald talked to him "like Hitler". Benes refused to sign the new constitution and resigned as President. That was his last gesture for the liberty of his people. His death last Friday ended the tragedy.

The CBC Speaks To Germany

From time to time the CBC's international service is criticised because it is expensive. All expense is relative, however, and we feel that if our overseas broadcasts interest people elsewhere in the world in Canada, and make Canadian life and Canadian achievement familiar abroad, it is cheap at the price. Canada is a country of remarkable happenings, but few Canadians realize how little is known about Canada in the rest of the world. It costs money to talk to other nations about ourselves, but it must be done, and if we do it properly we will profit by our investment in the end.

Six radio directors from Western Germany have just finished two weeks in Canada, studying our radio work; they have been upon this continent for six months altogether. They have said that our overseas broadcasts are very popular in their part of Europe, and that they often record and re-broadcast what has reached them from our CBC international service.

That is good news. Trade isolationism is impossible for Canada. We must get it through our heads that intellectual and artistic isolationism is also impossible for Canada as she is today. This is a large and important country, and must behave like one. The tribute of the German radio directors to the CBC shows that in the field of international radio we are doing a good job.

If The Storm Had Hit Peterborough.

The Ottawa *Journal* looks shudderingly over its shoulder at Smiths Falls where a storm last August 28 uprooted 200 trees, and agitated by remarks that if this storm had struck Ottawa and on a comparable scale, Ottawa's streets would have been littered with the wreckage of 5,000 trees. The *Journal* which is incidentally giving Ottawa's size a puff, sees a moral in this. Ottawa should "constantly be planting young trees to replace veterans which have been removed for any reason, thinking always in this matter of 50 years and a century ahead."

If the storm had struck Peterborough! Anyone who views Peterborough from the top of Armour Hill is impressed by the number of trees below. Why, he can hardly see the factories for the trees! Many of them are venerable, a bit weak in the joints, a spot cracked in the head. The damage would have been stupendous— perhaps not 5,000 trees, but certainly 500 would have been tortured to death by the Smiths Falls cyclone. We could therefore point the same moral that the *Journal* does: the necessity of planting young trees to be replacement for old.

In the last four years the Parks Department has set out approximately 1,000 new trees on streets and in the parks. Some have been replacement for ancient ones, others have been planted to grace new streets or old streets whose earlier residents did not believe in the goodness of trees. One thousand trees in these times of high prices and scarce labour is a fairly good record. It is, however, not enough to keep up with the demand, with the need for replacement and with the extension of the city boundaries. With a word of thanks to the Parks Department for the thousand, may we express a hope for triple the number in the next four years? Peterborough is now planning thirty years ahead. Included in the plan must be trees, which take thirty years to mature.

CANADIAN CAUSERIE

That Nice Untidy Thing, History

By GEOFFREY VIVIEN

RUMMAGING among some old books the other day, I found a battered volume entitled "History of the Ottawa Valley", by a J. M. Gourly. It was published towards the end of the last century and deals with events at its beginning. A glance inside the faded red covers told me that this was history written the way I like it—no tidying up into tendencies, no grooming for posterity, no truck with the scientific school. Just a real good hotch-potch. Here is a paragraph, slightly compressed where the flowers of speech bloom gorgeously over too much space:

....human nature requires eternal vigilance to keep on improving, rejecting the vile virulence of our fallen nature, and purifying it from all filthiness of the flesh and spirit. Further on in Eardley are the Finlays, the Frenches and Merrifields, Col. McLean and his family, Moores, Joseph and Wm. Veleau. Joe Veleau kept a hotel in the wood in Onslow, patronized by the shantymen. One big Irishman he fill tumbler, an he say der ma coo, Joe, one odder he say here's fortune, Joe; he no stan French, but de money, de luck and de fortune soon broke for Joe Veleau.... They say, no matter how sick a French Canadian is pork will cure him....

✧ ✧ ✧

HERE let me break in with an irrelevance of my own. Have you noticed how often an unusual word or subject, which strikes you with sudden interest or amusement as you are reading, turns up almost at once a second time? Soon after enjoying a quiet smile at this curious piece of inside knowledge about French Canadians, I came upon a passage in Alexander Mackenzie's account of his journey to the Pacific in which he refers to his canoe-men as pork-eaters. Is there, I wonder, any connection? Probably Gourly could tell us. But I am interrupting him....

....Justice McKord of Aylmer was very talented and full of humour. Meeting me one day in a violent snowstorm at the post office, calling my attention to the contrast in the colour of our noses he said that his was so saturated with brandy that the flakes fizzled off it like rain-drops off a hot iron, whilst they stuck to mine till thawed off by the natural heat....

....Miss Dow did not teach long, but she possessed the material out of which good wives are manufactured. Mr. Billings seemed to divine this and secured her in her 'teens.

✧ ✧ ✧

THIS Mr. Billings—I am interrupting again —was a fellow of resource and decision, as you may gather from the above, and the family name is preserved in at least one durable memorial—the Billings Bridge over the Rideau at Ottawa. One wonders if it was an earlier member of this vigorous stock who is immortalized in the Billingsgate Market of London, famed for the pithy and picturesque language of the fish-carriers. The family seems to have claims to distinction in the old country, in fact to connections of the most exalted sort, for Gourlay notes further on that Mr. Charles Billings is a "kind of a thirty-third cousin of Queen Victoria."

Then he passes on to another fine upholder of the name in Miss Sabra Billings, who was the first girl born in Gloucester and who evidently made a deep impressinon on our eloquent historian, for he writes:

....Looking at her fine face and majestic form with the corresponding vigour of thought and intellect, it seemed to us an unsolved mystery that a lady of such aspect, parts and endowments should remain to this day without blessing a husband and his home with affection.... We have been told on good authority that a young gentleman asked Mr. Billings to give him permission to besiege the citadel of Sabra's affections, but whether the fortress was impregnable or not, she did not say.

✧ ✧ ✧

THE young gentleman was no doubt much downcast for a time and probably joined the boys down at Joe Veleau's, nodding gloomily while the big Irishman he say her ma coo. But I doubt if he remained a bachelor all his life; for not far away....

....a widower, whose wife left him eight girls, married the widow of a sea captain, who had seven girls; to whom, when we said, it was a pity he had not some sons, remarked, that he would be able to furnish wives for a whole country side.

The Scots' Slant At Edinburgh Festival

The complaint by local Scots, at last year's Edinburgh Festival of Music and Drama that their country was not well represented has resulted in an increase in Scottish events this summer. During the whole three weeks of the Festival, a 400-year-old Scottish drama —"The Three Estates" by Sir David Lindsay —will be given in the Assembly Hall. Tyrone Guthrie is producing the play in Elizabethan fashion. That is to say, an apron stage will be used so that the audience will be on three sides of the players. The cast is drawn from the various Scottish repertory companies. The Festival of Documentary Films (continuing until September 12) will include four short pictures about Scotland, and a new version of Michael Powell's "Edge of the World", an exquisitely photographed feature of life on Foula in the Shetland Islands.—U.K. Information Office.

WELL-INFORMED

The police inspector was aware that the village innkeeper was, in sporting parlance, "making a book."

Being too well known himself to lay the offender by the heels, he sent for two detectives from a neighbouring town and explained matters to them.

The detectives visited the inn and, after calling for drinks, inquired the odds for a certain race, and were told 5 to 1 bar three.

"Now", they thought, gleefully, "we have him."

"What three do you bar?" was the next inquiry.

The innkeeper smiled pleasantly as he answered: "You two and the inspector."

On The New Draft

(NEW YORK HERALD-TRIBUNE)

FOR the second time in the history of the United States a peacetime draft registration is now under way. Of the men between 18 and 25, now required to enroll themselves upon the honourable register of American military man-power, the oldest were born in 1923—when the First World War was already fading from the horizon, when the country had already been through the first post-war economic dislocation and recovery, when the Washington treaties had already made peace (it was hoped) in the Pacific and brought naval rivalries to an end. The youngest were born in 1930, just after the famous stock-market crash of October, 1929, had heralded the onset of the Great Depression; and they were only 11 years old when the Japanese torpedo bombers streaked in over Pearl Habor.

These are the children of the confused and tempestuous years which lie immediately behind us. None ever knew the "pre-war world" which to many older minds still seems to stand as a kind of lost form of peace and reasonableness. None, on the other hand, ever knew a world in which an international organization was not at least struggling to keep alive the idea of a rational and supernationalistic solution for the ancient problem of war; yet none have known a society in which war and the fear of war was not a paramount problem. If the youngest were only 11 at the time of Pearl Harbor, the oldest were only 10 when Hitler took power in Germany and Franklin Roosevelt was first inaugurated President of the United States.

What, one is forced to ask, are we as a people asking of them, what are we offering them, what are we expecting them to bring to the common problem of the times, which today rather drastically and dramatically becomes their problem as well as the problem of all the rest of us? Clearly the nation is asking less than it asked of their predecessors who registered for the first peace-time draft in the autumn of 1940. War was then raging red in Europe. It was possible to hope that by building our own armaments quickly and strongly enough we would escape a "shooting" war on our own part, but no sensible man could be unaware that the hope was a fragile one. The trainees of 1940 and early 1941 were not always told with sufficient frankness that it was real emergency which they were facing, but not many could have believed that they would return to civilian life without first facing the terrible tests of battle.

Today there is more wisdom in many ways than there was in 1940. We are not confronting a war, and all the loose talk about a war will scarcely precipitate one. In a very real sense the new draft is a preventive and not an emergency measure. It represents a genuine effort, inspired by experience which we did not have when these young men were growing up, to use our military strength, the patriotism of our citizens, the time and energies of our youth, in order to avoid the coming of a war situation rather than simply to save the nation after disaster should become inescapable. After all, there are few physically fit men under fifty in the United States today who have not spent at least as much of their lives in uniform (or in essential war work) as the new draftees are being asked to spend. We are asking them to give their best efforts to military service, but in a way which will avert the bloodshed that the rest have more casually been obliged to face. This only we are asking; what we are also expecting of them is that they will find clearer and better answers for the underlying problems of military power, war and peace than the older of us were able to attain.

Nudists' Convention

Any Canadian who is a sincere believer in the therapeutic effects of sun rays is invited to communicate with the secretary of the Canadian Sunbathing Association, 1564 East Tenth Avenue, Vancouver. He's Ray Connett, a letter sorter, who has been an active nudist since 1940, and who was one of twelve Vancouver delegates to the third annual convention of nudists held in Spokane. Other Canadian centres represented were Calgary and Edmonton, and there were nine groups from United States cities.

The convention was held on a mountain top seven miles from the nearest paved highway. There were no unofficial observers, and the delegates spent most of the off-business time playing volleyball, badminton, pitching horseshoes, swimming in a glorified hole, and just plain lolling around.

The nudists take themselves seriously. Any applicant for membership undergoes a severe screening, and all who are suspected of unworthy motives are rejected. A married man must have the consent of his wife before he can join, and vice versa. As a rule they make a joint application, and do some advance stripping in the privacy of their own homes so as to get used to the idea before doffing their clothes in company. Their adjustment is very rapid. Most of them believe nude swimming will be common on public beaches in a generation or so. A few of the others are more pessimistic.

About 500 nudists belong to clubs scattered throughout Canada, and of these 150 live in British Columbia. The Vancouver group numbers 35, and there is a club in the Fraser Valley, one in Victoria, and a very discreet one in Prince Rupert. Vancouver's oldest member is a widowed grandmother of 69, and there are a few teen-agers whose parents belong to the cult. Gatherings are held in a country glade half an hour's auto ride from Vancouver.

The nudists have been disappointed in their search for a roof in the business section where they could absorb sun rays in the raw. Naturally enough, they want a spot where peepers would have to be in an airplane to see anything.—P. W. Luce in Toronto Saturday Night.

TAKE YOUR TIME

At last he had screwed up his courage to kiss her, and they both liked it. So he did it again—and again.

After about an hour of it he whispered fondly:

"Everytime I kiss you I feel a better man, darling."

"Oh, well," she said coyly, "you don't have to reach perfection in one night."

How Time Flies

SEPTEMBER 8

1918 The Rev. J. A. McKenzie, pastor of Knox Church, is elected president of the Peterborough Ministerial Association.

Lt. J. R. Stratton, M.C., has been promoted to the rank of captain.

The Federated Letter Carriers choose Peterborough as the place for their next annual meeting.

1928 The death occurs of Alexander Fitzgerald, one of the oldest residents of Ashburnham.

Miss Margaret Dickson wins the silver medal for lyric sopranos at the C.N.E.

Tom Curvin catches a six-pound black bass measuring 21½ inches at Young's Point.

1938 An attendance record of 1,078 is made at the opening of the Collegiate Institute.

The council asks the City Trust for $25,000 to purchase machinery to resurface city streets.

Ronald S. Dick, graduate of P.C.V.S., wins the Leitch Scholarship in French, amounting to $600.

A Bible Message

Thou hast dealt well with thy servant, O Lord, according unto thy word....Thy hands have made me and fashioned me: give me understanding, that I may learn thy commandments....

The entrance of thy words giveth light; it giveth understanding unto the simple.... Make thy face to shine upon thy servant; and teach me thy statues. (Ps. 119: 65, 73, 130, 135.)

✧ ✧ ✧

As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness. (Ps. 17: 15.)

✧ ✧ ✧

For we know in part, and we prophesy in part. But when that which is perfect is come, then that which is in part shall be done away.

When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things. For now we see through a glass, darkly; but then face to face: now I know in part: but then shall I know even as also I am known. (Cor. 13: 9-12.)

Letter To The Editor

NOT BY BREAD ALONE

Sir: I read with deep interest your editorial re "Man's not living by bread alone"—and I wondered if you have thought of the remainder of the sentence. As is written, "Man shall not live by bread alone—but by every word that proceedeth from the mouth of God."

In further thinking of this matter, I recalled, as the best illustration, your description of an unmarried man as being but one part of a pair of scissors—so I am sure, we can consider both parts of the sentence I speak of. The gloomy places you have spoken of, in editorials, are largely because men have no spiritual life and no hope.

Yours truly,
(Mrs.) N. CHESHER.

A BRITISH OPINION

"Georgina, one of these foreigners has written to the Express objecting to dogs in our cafes!"

Non-Smokers Beam With Joy At Fag Shortage

LONDON, Spt. 8 — (CP). — Every day except Sunday, spare, 71-year-old Francis Phillips runs up four flights to his eyrie of an office just off the Strand. Sometimes he skips up two steps at a time, joyfully.

For Phillips is one man who can afford to crow over the cigarette crisis. An organizing secretary of the National Society for Non-Smokers, he says the current shortage is just about the best thing that could happen to Britain.

Phillips links smoking in a trilogy of vice with gambling and drinking—"they all go together."

"But I can't offer you a cure. It is all a matter of individual psychology. Personally, I tried to smoke a couple of times, but I could not stand the stuff."

Wanted to Be Useful

London-born, Phillips worked as stock exchange clerk and accountant, but yearned for "something really useful." The chance came in 1926 when British railways increased the number of smoking carriages. Out of Phillips' protests grew the present society.

To-day, dressed in a tight-fitting trench coat that he often wears at work, Phillips presides over a 6foot, baize-topped table, piled high with pamphlets. One contains the stark warning: "Six-per cent of all babies born of cigarette-smoking mothers die before reaching the age of two."

On the wall hangs a sign: "You do not have to smoke"—contributed by a Montreal man.

Archbishop Kept On

Phillips used to write the Archbishop of Canterbury deploring his way with the weed, but the Archbishop kept right on smoking. Still another thorn in the society's side is Lord Rowallan, present Chief Scout. The founder of the Scout movement, Lord Baden-Powell, "loathed" tobacco —but Lord Rowallan won't give up his pipe.

Prof. Howitt Retires

GUELPH, Sept. 8 (CP)—Prof. E. Howitt, head of the botany department of the Ontario Agricultural College for 37 years, is retiring at the end of September, it was announced today. Oldest member of the college faculty in point of service, Prof. Howitt has been on the staff since 1906.

NOT PAID ENOUGH

TORONTO — Skilled United Kingdom workers are turning down chances of employment in Canada because wage offers are less than those paid in Britain, F. C. Fitzpatrick, a member of visiting British trade mission, said.

POPGUN "BANDIT"—Johnny Taylor, 7, shows the popgun and chunk of old coat lining he used to scare a motorist in the town of Simcoe. The man, just getting out of his car, ran for the police when confronted by the lad with head wrapped in the coat lining and gun barrel peeking out. Johnny says he won't do it again.

COMMUNIST-LED DEMONSTRATORS smashed their way into Berlin's City Hall recently, during a demonstration to keep the Berlin City Council from meeting. Soviet-controlled police made no attempt to halt the demonstration, the third of its kind in 10 days.

Both Jews And Arabs Hurl Abuse At Britain

JERUSALEM, Sept. 8.—(AP). —Israelis and Arabs, though foes, share the same pet hates:

The press on both sides of the fighting line picks identical targets for abuse. If you believe all that is printed, the three most diabolical enemies of Israel and the Arab world are:

1. The British government.
2. The United States State Department and/or President Truman.
3. Count Folke Bernadotte, United Nations Palestine mediator.

Arab commentators, of course, don't spare the Jews, whom they refer to as Zionist terrorists, and the Israelis continue to describe the Arabs as murderous barbarians. But that is routine. It lacks sting.

The sharpest barbs are hurled at Britain. In Israeli editorial eyes Britain schemed for decades to frustrate the creation of a state embracing a Hebrew homeland—Palestine and Trans-Jordan.

When the scheming failed — so the charge goes—Britain instigated, equipped and led an Arab invasion in a vengeful desire to exterminate Zionism.

British Double-Cross

The Arabs, on the other hand, call Israel an offspring of British policy aimed at permanently splintering the Arab world. The Arab setback in Palestine, it is further alleged, was due to a British double-cross and violation of solemn alliances.

The Washington State Department, according to Israeli commentators, finds Arab oil thicker than Jewish blood. The Department is accused of maliciously blocking the lifting of an arms embargo in Israel's favor, delaying a $100,000,000 loan and provoking British-American imperialism. President Truman is said to have succumbed often to the State Department's sinister pressure.

The Arabs claim the President and the State Department together betrayed 35,000,000 Arab friends of the United States in a bid for Jewish votes in the 1948 elections.

Count Bernadotte may be estimated as a sincere humanitarian by most of the world, but both the Israelis and Arabs disagree.

Israeli newspapers continually brand him as a British stooge seeking to confine Israel to Ghetto frontiers.

The Arab press describes the mediators as a tool of western interests, promoting Zionist domination over the Middle East.

Rough Maiden Trip

QUEBEC, Sept. 8 — (CP). — The Empress of France, formerly the Duchess of Bedford, arrived here Tuesday, climaxing a rough maiden voyage in the North Atlantic service, during which a passenger jumped overboard after an earlier suicide attempt on board had failed.

HAS TINY TEETH

The whale shark, largest living fish, has teeth only an eighth of an inch long, which are useless for biting.

Injured In Landing

ROME, Sept. 8 — (Reuters). — A Canadian crew member was injured severely Tuesday night when a Dakota aircraft coming in from Cairo crashed in landing at Ciampino Airfield here.

400 Police In Search

KINGSTON, Jamaica, Sept. 8 — (CP). — More than 400 police continued a widespread search today for killer Ivan Martin. The swachbuckling desperado has slain at least three persons, wounded seven others and terrorized Jamaicans since he went on the rampage a week ago. He has forced most of the island's 1,250,000 residents to stay at home nights.

TOMORROW try the "inner cleanliness" way to start the day—with a sparkling, bubbling glass of ANDREWS LIVER SALT. Real inner cleanliness can put a spring in your step, a brighter twinkle in your eye. For you just naturally feel better all over when you are clean inside. Here's how ANDREWS does its healthful work:

FIRST... Andrews cleans and refreshes the mouth and tongue.

NEXT... ANDREWS sweetens sour stomach and corrects excess acidity.

THEN... ANDREWS works on the liver to check biliousness.

FINALLY... To complete your Inner Cleanliness, ANDREWS gently cleans the bowels. It sweeps away trouble-making poisons, corrects temporary constipation.

Try ANDREWS LIVER SALT tomorrow morning. Get a package now. And insist on getting *real* ANDREWS ... not a substitute.

THE IDEAL FORM OF LAXATIVE

ANDREWS LIVER SALT

INNER CLEANLINESS HELPS KEEP YOU FIT!

Truman Blasted As Election Looms For U.S.

NEW YORK, Sept. 8 — (AP). — Republicans keyed their newly-launched presidential campaign today to the theme that President Truman is a "complaining" failure.

That was Harold E. Stassen's "answer" to Truman's Labor-Day charges that an "era of fear" and depression might result from a victory by Republican "reactionaries" in November in the United States.

Stassen made the rebuttal for Governor Thomas E. Dewey of New York, Republican candidate, who said he liked everything in the speech about Truman and the Democrat.

Stassen told a Republican rally in Detroit Tuesday night the Democratic candidate "cannot furnish the essential leadership" for the crucial years ahead. He said Truman had come to Detroit the day before "as a complaining candidate for election seeking labor's vote."

Blames Truman

The former Minnesota governor said that by removing "major wartime controls" in 1945, Truman set up the inflationary spiral as well as an "all-time record of strikes and work stoppages."

Turning to the question of Communists, Stassen said the Republicans are "driving the red herring out of the official waters of the Potomac" with the Congressional investigations. The present "should help man the red herring nets instead of complaining against the fishermen."

In Kingsport, Tenn., eggs, fruit and vegetables were hurled at candidates Roy Acuff and B. Carroll Reece, Republican National Committee men, at a political rally Tuesday night.

In Valdosta Ga., a cross about 15 feet high was burned by 20 Klansmen in the negro section of the town Tuesday night, the eve of the State's Democratic primary.

The Klansmen were robed but were not masked. A spokesman said they were members of the original Southern Klans, Inc., which recently broke with the KKK faction headed by Grand Dragon Samuel Green of Atlanta.

Magistrate Only Man Not "A Foreigner"

TORONTO, Sept. 8 — Who or what is a foreigner?

Magistrate O. M. Martin settled the point in county police court Tuesday when three men appeared charged with assault after one had called the others foreigners. Gordon Holmes, Andrew Babgak and Andrew Beva were given suspended sentence and bound over in $100 bonds to keep the peace and the magistrate told them: "This is a country of many nationalities and people should not go around calling one another foreigners.

"As far as that goes," he added with a smile, "you are all foreigners—except me."

Magistrate Martin is himself a full-blooded Six Nations Indian. And he's proud of his heritage.

Visa Application Tipoff To Police

MONTREAL, Sept. 8 —(CP)— Iron-jawed Count Jacques Duge de Bernonville, under sentence of death in France as alleged wartime collaborationist, will know his immediate fate today when the Superior Court hears his writ of habeas corpus against a deportation order by the Federal government.

The Count, his wife and two daughters have been detained in immigration cells here since their arrest last Thursday on a deportation order signed by Resources Minister Mackinnon.

The deportation order brought immediate protests from fiery Mayor Camillien Houde of Montreal and some prominent members of the French colony in Quebec City and Montreal.

Dr. H. L. Keenleyside, deputy resources minister, said de Bernonville entered Canada with a false passport in violation of Canadian law. He had been ordered deported and under this order will leave Canada sometime after the middle of September.

As far as could be learned the Count came to Canada in 1945 and took up residence unnoticed in the west end of Montreal. It was reported that a short time ago he applied for a visa to visit the United States on business and it was then that immigration authorities discovered his true identity.

VEL WASHES LIKE MAGIC with or without suds!

5 REASONS WHY YOU'LL PREFER VEL FOR DISHES AND FINE FABRICS

1. VEL gives you SOFT WATER washing even in hardest water.
2. VEL penetrates, cuts grease, loosens dirt faster.
3. VEL cuts dishwashing time in half.
4. VEL is safer, leaves fine washables fresher—brighter.
5. VEL is milder to hands—by actual test—than any other leading product.

SAVE! USE VEL IN THE NEW GIANT ECONOMY SIZE PACKAGE!

VEL keeps undies colour-bright—keeps woolens fluffier—stockings sheerer, than finest soap flakes.

"VEL, VEL, V-E-L SOAPLESS VEL IS REALLY SWELL!"

48-V-13C

FRENCH CHALLENGER, Marcel Cerdan (LEFT) can afford to be buddies with Gus Lesnevich. Both will fight in the tournament of champions on Sept. 21—but not each other. Gus will fight Joe Walcott, the same Joe who made Louis dust the canvas several times in their last two fights. Marcel will fight middleweight champion Tony Zale. Gus visited the French fighter at the latter's Evans' Loch, Sheldrake, N.Y., training camp.

Dalton Leads COBL Hitters With Mighty .468 Average

Howie Dalton, Pete's third-sacker, led the COBL hitters with a mighty .468 average in 20 schedule games. A consistent clouter, he topped the league batsmen from the start of the season. His teammate, Bob Crowe, was second highest among the league regulars with a .436 mark, though he was in just 11 games. Mulholland of Kingston hit a fine .410 in 21 contests, while Bidgood led Oshawa with .389 and Bridgeman was the best Batawa belter with .369.

The Petes had the best team batting average with an even .300, followed by Oshawa with .284, Kingston with .280, and Batawa last with a .275 mark. No box score was kept of one league game between Oshawa and Kingston on Aug. 16, which affects averages of those two clubs to some extent.

Led Pitchers

Ed (Gunner) Whitehill of the league-leading Petes topped the twirlers as he received credit for seven wins and no losses. His teammate, Doug Loucks, and Gordie Muffitt of Batawa were close behind with six wins and one loss each. Peacock of Batawa had four and two, Bill Edger of the Petes five and four, and Bowman of Batawa three and two. Mulholland of Kingston won a pair and lost one, while Titus of Batawa, had a win in one start, Hill of Oshawa a win in two, and Garrison of Kingston two and two.

Pitching less than .500 were: Sutton (O) two and three, Sheehan (O) one and two, Bedard (B) one and three, Michael (O) two and four, Stone (K) three and six, Romaniski (O) one and five, Sherwood (K) none and one, Jaquith (P) none and one, Normoyle (O) none and one, Juby (K) none and one, Bidgood (O) none and two, and McTaggart (K) none and three.

The teams finished with the Petes in front, Batawa second, Kingston third, and Oshawa last. Kingston eliminated Batawa to meet Peterborough in league finals, currently on. Following are the batting averages:

	G.	AB	H.	Av.
Dalton (O)	1	1	1	1.000
MacDonald (O)	1	3	2	.667
Aitken (K)	1	5	3	.600
Earl (K)	2	8	4	.500
Floyd (P)	1	2	1	.500
Dalton (P)	20	79	37	.468

Harriers' Meet Is Planned Here Saturday

The Peterboro Harriers' Club will hold a dual track and field meet against the Shamrock Athletic Club of Oshawa on Sat. Sept. 11, at the Exhibition ground track, starting at 2. p. m.

The meet promises to be an exciting affair as the two clubs are about evenly matched in athletes, but the Oshawa club has been active in track circles in Ontario for many years, where as the local club was only organized last January. The meet will be an interishing with the most points wins the meet and the trophy which they keep for a year.

The events which the club athletes will compete in are—100, 220, 440 yard dashes; the 880, mile and two-miles runs; the running broad jump, running high jump and the half mile relay (4 boys each go 220) some special events have been lined up as well; they are—Invitation relay and the invitation junior half mile run. The Oshawa field athletes will put on an exhibition of field events, discus, javelin and the shot put.

The Peterborough team will consist of E. Hillier, B. Coone and J. Flowers in the 100 and 220 yards dashes; J. Brown, J. Martin, D. Smith and J. Dougherty in the 440 and 880 yard events.

While in the mile and two mile mile events, W. A. Thistlewaite, R. Barraclough, D. Ried J. Martin and D. McNeil are expected to make a fast race of it and finish in first, second and third places.

In the high jump B. Coone and E. Hillier will jump against the Oshawa athlete who was runner-up in the Dominion high jump early this year. J. Flowers and E. Hillier will go in the broad jump which is expected to be an exciting event.

The Oshawa club has a good collection of sprinters, field men and middle distance runners and, if the Harriers can beat Oshawa in this meet, they will be finishing the season off well after a heavy schedule of track which took them to many parts of Ontario. They provevd that with more training and support financially they will develop into an outstanding club.

The Harriers officials expect that the track will be in better condition than it was last spring when they held their first annual city track and field games.

It is hoped that a large crowd wil be on hand to cheer the Peterboro athletes on to victory; there is no admission charge.

Something new will be added to OLA senior "B" lacrosse games here tonight, when Scarboro has a "home" game against the Petes at nine in Miller Bowl. At halftime, some archery feats will be seen, the performers being John Mitchele—Canadian archery champ—his wife, Madge, who won honors in that line lately at the CNE, and their son, who is junior Canuck champion. It should prove interesting. And also the lacrosse match as the locals' schedule winds up. Likely the group semi-finals will get underway here on Friday. Bantam lacrossers wind up their final series at 6.30 tonight in the Bowl. Meantime, congrats to the juvenile Queen's and the midget Americans on copping city titles.

* * * * * *

The 16-team City Bowling League, the speedy men's circuit, will open the alley season on Thursday, Sept. 16. Officers elected recently were: Jack Wade as president, Fred Martin as vice-prexy, and Frank Wood back as secretary-treasurer. A lot of shifting about of bowlers from this team to that, and some new sponsors in. Roy Lewis, retiring president, was thanked for the fine job he did last successful season as well as in past years. And teams needing bowlers, or bowlers looking for teams, should contact Frank Wood right away. Phone him evenings at 8894. Best bowlers in the city roll in this loop.

Golfers Winding Up

Midland Golf League concludes its season at the Peterborough Golf Club this Saturday. Clubs from Cobourg, Oshawa, Lindsay, Port Hope, Kawartha and Peterborough all will be well represented for the windup day of competition after a good summer. Presentation of prizes both for the day's play and for the season will take place after the seven p.m. dinner. This Central Ontario golfers' circuit sees a lot of keen competition and good fellowship each summer, and we expect they'll have a fine finishing day for '48.

* * * * * *

For folks who read this paper before five p.m., we might again mention the girls' softball playoff this e'en, weather permitting, at 6.30 in the Ashburnham Bowl. First of the best-of-three PWSU junior playdowns betwixt Cobourg colleens and the local Ashby's. The second—and third if necessary—will be played Saturday in Cobourg. Ashby's had eliminated Woollens to proceed along the provincial playdown path, and the next obstacle is the lakeshore entry. If they hop that one, they may step into Ontario semi-finals. These girls play hurry-up ball and have quite a following here.

* * * * * *

Howie Led 'Em All

Final COBL hitting averages are publishing and show Howie Dalton leading the regulars in the league with a swell .468 mark for 20 games. Bob Crowe is also well over the .400 line in 11 games, and the club as a whole did dandy with the stick for a .300 team average. A good hitting club this season. Mulholland, Bidgood and Bridgeman led Kingston, Oshawa and Batawa respectively. Ed (Gunner) Whitehill led the loop pitchers with seven and no. This may surprise some as Eddie started slowly and was absent for a spell. He also got some breaks on days he didn't look good—someone coming to his relief or else taking the rap. But the dependable veteran won game after game around midseason and proved highly valuable over a good stretch. A tribute to his relaxed control twirling.

* * * * * *

Kingston Locos were slated to play the Petes at 5.30 tonight in Riverside, second of their four-in-seven COBL finals. Petes won their first here Saturday but the Monday melee in Kingston was called off. Hence they'll have to hurry to get this serial in ere the OBA gets tough and says: "Cut the series to a best-of-five one!" Stalled twice now by Ole Olsen of the Locos, it is dragging out too long as Toronto wants to meet the winner this Saturday. However, they're due to go tonight—if it's not raining—and should draw a big twilight crowd. Won't be much more diamond activity up this way till next year, so fans should cash in on these senior struggles while they last. We imagine Bill Edger will get the local mound call.

* * * * * *

Oshawa Gains First

A goodly gallery at the Bowl last e'en saw a snappy scrap with Oshawa defeating B-A 8-5 to open their OASA intermediate "A" playdown series. Next one is Friday in the Motor City and B-A will have to sharpen up afield and at bat or they've had it. Our pitching was okay with Guilfoyle allowing but three earned runs in six heats, and Strickland in fine form to throw hitless ball the last three. But the fielding wasn't so good, and they certainly didn't do much at the plate. Apart from Crowe with two for four, one a double, Meulmeester fanned 10 and gave but four hits. You can't win games without those bingles.

* * * * * *

GRAB-BAG: The NHL schedule will open on Oct. 13 .... Soccer standing and schedule are in tonight .... Harriers have a meet with Oshawa here Saturday aft in the Ex .... Our peewee Trojans open their OBA series with New Toronto at five tomorrow eve in Riverside and these smart youngsters deserve some support .... Petes may play both Thursday and Friday in Kingston .... Larry Edwardson is going around with them again—good stuff .... London Majors won the Intercounty Loop title handily .... Port Hope defeated Lindsay 9-3 in their first OBA game .... Ajax ousted Hastings 9-5 in OASA intermediate "C" competition .... Legion goes to Oshawa on Saturday—not tonight—for one or two games if necessary .... They got a postponement owing to the senior baseball game here .... Kawarthas play Oshawa this eve in Port Hope .... Ashby's playoff with Cobourg here tonight has been moved up to 6.30 o'clock .... Quaker had tough luck in losing to Oshawa with Mantle moving to Toronto, Dickson nursing an injured knee and Lomax out with a broken leg .... Grafton's and Bus Drivers go at seven Thursday at the Bowl — two tilts if needed — in Civic League finals, proceeds for "Wimpy" Borland .... Lacrosse playoff setup listed elsewhere .... S'long.

Royals Get Four On All-Stars

NEW YORK, Sept. 8 (AP). — Headed by Manager Clay Hopper, the pennant-winning Montreal Royals gained four places on the International League's 1948 all-star team.

Hopper was selected as manager of the squad. The other Royals making the team are: Pitcher Jack Banta, second baseman Jimmy Bloodworth, and his keystone mate, shortstop Bob Morgan.

Rounding out the infield are rookie first baseman Glen Nelson of Rochester and recruit third sacker "Puddinhead" Jones of Toronto.

The outfield is comprised of Chet Laabs and Johnny Groth of Buffalo and Clyde Vollmer of Syracuse.

Banta won the righthanded pitching berth easily, drawing 21 votes. Bob Porterfield now with New York Yankees, was second with nine.

Syracuse's Frank Fanovich earned the southpaw mound berth. Fanovich drew 1 votes. with Jersey City's Jack Kraus next with six.

Ken Silvestri of Newark Bears earned the catcher's berth. Silvestri nosed out Sal Yvars of Jersey City for the honors, 14 votes to 13.

Oshawa Takes First One Over B-A, 8-5

Oshawa Pedlars pulled out an 8-5 victory over B-A at the Bowl last night before a big crowd in the first of their two-of-three OASA intermediate "A" playdown series. The return game will be in Oshawa on Friday. The B-A bunch kicked the ball around in the early innings for four unearned runs and they couldn't hit with runners aboard. Lefty Meulmeester threw four-hit ball and fanned 10, getting fair support. Ken Guilfoyle went pretty good, too, but his backing let him down. Bob Strickland threw swell ball the last three heats.

Keeler and Magee led the Oshawa attack with three hits each, the former having a homer with two aboard. Yourkevitch got a double. Bob Crowe was the only local to look good at the plate, collecting a double and single in four tries. Running catches were pulled off by Blewett and Turner to rob batters of hits. It was a good snappy game all the way through with B-A weak at bat and a bit sloppy in the field.

Lacrosse Playoffs For Orillia-Petes

Secretary Gene Dopp of the Ontario Lacrosse Association has notified Manager Doug Miller of the Petes concerning the OLA senior "B" semi-finals in regard to Peterborough. The series will be a best-of-five one between Orillia and the Petes. It opens here this Friday, the teams going back to Orillia on Monday, playing here again on Sept. 17, in Orillia on Sept. 18 and here on Sept. 20, if necessary.

Huntsville and Oshawa will also play three-out of five games, and the two semi-final winners tangle in four-of-seven finals. These are not only group but OLA semi-finals and finals. Two OLA referees will handle all games.

LAWN BOWLING

By HERB MARTIN

Tonight, mixed rinks. Draw from the board, 7.30 o'clock.

Thursday night, Groups No 1 and No. 2 play.

On the holiday, down at Cobourg, R. Burns and E. Wall came through with three wins to take the Bickle trophy. One point behind came R. Downey and N. Routley. H. Northrop and A. Allison came in for high win. A nice showing and congratulations to all.

How about your entry for the Selkirk trophy. It starts on Monday evening, Sept. 13th.

The ladies are holding their last open tournament on Thursday, Sept. 16. Play is called for at 10.30 a.m. One game in the morning and two in the afternoon.

THAT'S VIRGIL WAGNER of the Montreal Alouettes (LEFT) shaking hands with Jack Wedley of the Toronto Argonauts. This bit of friendliness took place just before the two teams met in a "Big Four" encounter at Toronto's Varsity Stadium last Saturday. Argos took the game by a score of 20-7, and then moved into a first-place tie with the Ottawa Rough Riders by defeating the Hamilton Wildcats in Hamilton on Labor Day to the tune of 14-7. Both Argos and Ottawa are undefeated to date.

Here and There in Sport

By The Canadian Press

More than 60 aspirants for the berths on the 1948 edition of McGill University Redmen turned out for the first practice session Tuesday at Montreal under Coach Vic Obeck. The players were put through a two-hour calisthenics drill with a light workout scheduled for Wednesday.

Holdover of last year's squad which finished third in the Intercollegiate football loop, include Murray Hayes, Doug Heron, Rocky Robillard and Lorne Daggett. Newcomers include Roney Sharp, formerly with the Ottawa Trojans of the Intario Rugby Football Union.

Two Cape Breton hockey players, Hughie Campbell of Sydney and Elmer MacGilligray of Reserve, have been invited to attend the Lake Placid, NY, training camp of the New York Rangers. They will leave this weekend to take part in the Rangers workouts. Both were star forwards with Halifax St. Mary's Juniors for the last three years.

The 1949 International Snowshoers' Convention will be held in Montreal some time in January, it was announced at Sherbrooke, Que., during the weekend at an executive meeting of the association. Last year's convention was held at Ottawa.

An important four-day race meeting is opening at Lancaster, England, on Wednesday, but it is the finish that everyone is waiting for. The King is scheduled to leave on Saturday from Balmoral Castle, Scotland, for the St. Leger Stakes, last of the season's three-year-old classics. Besides boasting the fattest purse of English racing, the St. Leger also has added interest for the King in a Royal entry—his filly Angelola.

The Indiana State Fair's Grand Circuit program got off to a belated start Tuesday at Indianapolis, with four $1,500 events run in the mud. Winners were: 12 class race—So Long; 20 class trot—Voluptuous; 23 class pace—Major Castle; 20 class pace—Mighty Cox.

Some National League pitchers won't believe it, but Stan Musial is human, too. The great St. Louis Cardinal outfielder is suffering his first big slump of the season. Musial lost 13 points during the last eight days, including Monday's double-header when he went eight for nothing. He collected only four hits in 18 chances and dropped from 3.82 to 3.69. Despite the nosedive, he still is far in front of his league's batting race. Teammate Country Slaughter maintained his .335-mark aid his grip on second place.

The torrid American League pennant race has its counterpart in the battinng championship feud between Boston's Ted Williams and Cleveland's Lou Boudreau, separated by only three points. Wiliams, who at one or two junctures this season, threatened to run away with his fourth hitting title, Tuesday led Tribe boss Boudreau by only .370 to .367. With less than four weeks of the season to go, the swat battle is strictly between Williams and Boudreau.

Pirates Have Eye On Flag Trip Cardinals By 6-2

By RALPH RODEN
Associated Press Sport Writer

Pennant fever is spreading throughout Pittsburgh for the first time since 1938.

Not since the Pirates blew the pennant to the Chicago Clubs 10 years ago in the last week of the season has a Pirate entry been a strong contender for the flag at this stage of the race.

The flag-hungry Pirates are in second place today, four games behind the league-leading Boston Braves.

Manager Billy Meyer's hustling crew wrested the runner-up slot from the Brooklyn Dodgers Tuesday night, beating the floundering St. Louis Cardinals, 6-2. The Dodgers, who were idle, trail the Pirates by .0007 of a percentage point.

Fritz Ostermueller, one time property of both Brooklyn and St. Louis, stopped the Cardinals on seven hits as the Pirates made it three in a row over the Cardinals.

Ostermueller held the Cards scoreless until the ninth when Don Lang followed a single by Stan Musial with his fourth home run of the season.

Cut Margin

The loss cut the Card's fourth-place margin over the New York Giants to a half game. The Giants took both ends of a double-header from the Phils in Philadelphia, 6-1 and 8-6 in 11 innings.

Sid Gordon sparked the Giants to both triumphs. The sluging third sacker cracked two doubles and drove in three runs in the first game and broke up the second when he belted his 30th homer with a mate aboard in the 11th inning. Gordon also sent the game into overtime, singling home Clint Hartung with the tying run in the ninth inning.

The setbacks dumped the Phils from sixth to last place.

No games were scheduled in the American League.

Wahl Starred As Chiefs Sweep Twin Bill

By the Associated Press

Kermit Wahl, 26-year-old infielder for Syracuse Chiefs, continues to demonstrate that he will be in the running for a berth with the parent Cincinnati Reds next spring.

Wahl, who can play either the short or third, was considered a light hitter until this season. His current batting average of .259 is not impressive, but his extra-base output has surpassed his previous best marks in every department except triples.

Among Wahl's 125 hits are 20 homers, 18 doubles and two three-baggers. In addition, he has driven in 91 runs.

Wahl enjoyed a big night at the plate Tuesday night as the Chiefs moved back into the first division by scoring 5-1 and 16-1 triumphs over the last-place Baltimore Orioles.

In the opener Wahl socked two homers and drove in four runs to allow Tommy Hughes to coast to his second victory. Hughes limited the Orioles to four hits.

Wahl belted his 20th four-bagger in the nightcap, the blow coming in the eighth inning with two mates aboard. Austin Knickerbocker also cracked in a three-run homer for the Chiefs.

The triumphs moved the Chiefs back into fourth place, half a game ahead of Toronto Maple Leafs and half a game behind the third-place Rochester Red Wings who, along with the rest of the league, were idle.

Yesterday's Stars

By The Associated Press

Batting — Sid Gordon, Giants, sparked Giants to double victory over Philadelphia. Drove in three runs in first game 6-1 triumph and clouted two-run homer in 11th to win nightcap 8-6.

Pitching——Fritz Ostermueller, Pirates, hurled Pirates into second place in National League race, beating St. Louis 6-2. Allowed only seven hits.

Remember When . . .

By The Canadian Press

Paul Dean came back to St. Louis Cardinals 10 years ago today in an attempt to prove his once-disabled right arm had regained its power. Dean, recalled from Dallas of the Texas League, failed to make good and was shipped back to minor leagues with an outright release from the Cards.

Cubs Sign Lynch

CHICAGO, Sept. 8 — (AP). — Chicago Cubs announced Tuesday night the signing of Danny Lynch, Jr., 21-year-old shortstop who was made a free agent by Baseball Commissioner Happy Chandler last week. Chandler freed Lynch from his Pittsburg contract when investigations revealed the Pirates paid his father, M. Dan Lynch, Sr., $600 as half a year's advance salary on a one-year's contract as a scout. Remember when—Sept 8

NHL Schedule Opens Oct. 13 Earliest Ever

MONTREAL, Sept. 8.—(CP).—The National Hockey League announced today a 180-game schedule for 1948-49 which sends Chicago Black Hawks into Detroit for an Oct. 13 meeting with the Red Wings in the earliest season-opening joust on record.

New York Rangers meet Canadiens in Montreal the following night and by Saturday, Oct. 16, all six teams will have played. Toronto plays host to Boston and Canadiens do likewise for Chicago on Oct. 16.

Opening game of the Boston season is Oct. 20. New York and Chicago make their initial appearance on home ice Oct. 27.

The 1948-49 season closes March 20, with all six teams playing that night.

Toronto Maple Leafs play two games in two nights on 19 occasions. Montreal Canadiens, Detroit Red Wings and Chicago Black Hawks each play 17 such double-headers. Boston Bruins and New York Rangers each play 16 times on successive nights, Rangers playing three games in as many nights at one stage of the race.

Of Toronto's 30 home games, 23 are on Saturdays—the remaining being scheduled for Wednesdays. Montreal Canadiens have 19 Saturday dates, with the remaining 11 Canadien home games on Thursdays.

Chicago plays 17 Sunday night games, one more than New York and two more than Detroit.

Boston's 30 home games are split up into 13 games each on Wednesdays and Sundays and four on Saturdays. Detroit Red Wings play 13 contests at the Detroit Olympia on Sundays.

Movie Time Table

Centre — Dark Passage, 1.00, 3.39, 6.40, 9.43. Getting Gertie's Garter, 2.25, 5.26, 8.29. Last complete show 8.28.

Ryan Prefers His Films To Be Realistic

By HOWARD C. HEYN

HOLLYWOOD, Sept. 8.—(AP). —"I like stories about guys who get knocked around," tall, rawboned Robert Ryan told me, "because most people do get knocked around."

He was referring to his forthcoming picture, "The Set-Up," about a declining boxer. "Just a guy, kinda dumb, who boxes because that's the only job he knows. The world is full of people like that, and they're not all boxers, either."

Little Sympathy

Bob fights weariness much of the time, and he gets little sympathy. He told me:

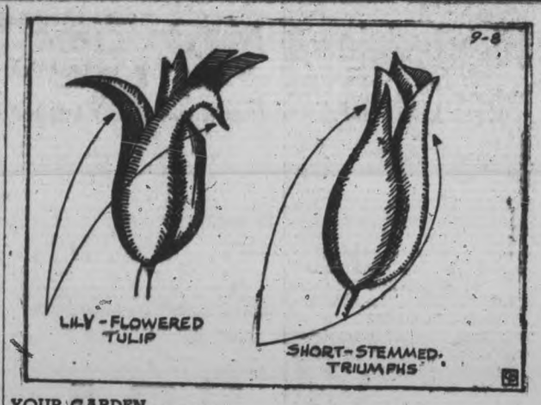
"Everybody says: 'Boy, would I like to get tired on your salary! You stand in front of a camera for a few minutes, and then go to your dressing room.' They persist in thinking that acting is a cinch. Well, we get good dough, sure, but we get tired too. Anyway, I don't stand in front of a camera much. I'm riding a horse, or getting socked."

Bob grew up around boxers and he says he probably would have been a professional fighter if his father hadn't convinced him that fighters were washed up at 30.

The only fight Bob is worrying about now is the one he's training for. Seems R-K-O can't find a professional opponent as tally as Ray. An actor won't do because the fight can't be faked. The story covers a period of 80 minutes, and the film will be just that long too.

Alderman Dies.

KINGSTON, Sept. 8—(CP)—Alderman Nelson David Megaffin, 43-year-old president and owner of the Border League Ponies baseball team, died in hospital Monday. President of the Randolph Hotel Company, he also was a member of city council.



YOUR GARDEN . . .

Modernistic Types Of Tulips

By DEAN HALLIDAY

Among the finer varieties of tulips offered for planting this fall are some that border on the modernistic, including the Lily-flowered and the Parrot types.

The unusual Lily- flowered tulip, shown in the accompanying Garden-Graph, was produced by crossing the Retroflexa and the Darwin. Its flower is long and has a definite resemblance to the flower of a lily.

Lily-flowered tulips bloom at the same time as do Cottage tulips, and are best used where a light, airy and graceful effect is desired. As a flower for cutting, it surpasses the regular tulip because it is so much more graceful.

A Triumph tulip also is illustrated in the Garden-Graph. This new strain came from crossing the single early flowering tulips with Darwins. Their outstanding qualities are the vigorous flowers and strong, although short, stems. The flowering period of the Triumphs is in late April and early May, between that of the early tulips and the Darwins.

The modernistic flare and vivid coloring of Parrot tulips also make them suitable for cutting purposes. They lend themselves to group plantings in the flower or shrub border or among focal plantings of evergreens.

The flower of the Parrot tulip is irregular in form with the petals deeply cut or fringed. The petals are also strangely marked with modernistic shadings of color.

Any variety of tulip can break into a Parrot type. Fantasy, a gorgeous pink Parrot tulip, is a break from the popular Darwin tulip Clara Butt.

Union Unseats 3 Executives

VANCOUVER, Sept. 7 (CP).—The unseating of three top executives of the British Columbia Federation of Labor (CCL) yesterday brought charges from one of them of "planted" delegates at the Federation's two-day convention which closed here Sunday.

Harold Pritchett, unseated from the post of paid secretary-treasurer, said the exclusion of 22 mining union delegates and the inclusion of delegates from "paper" locals were factors in his one-vote defeat. President George Home of the Vancouver Labor Council was elected to the position.

Federation secretary for the last five years, Pritchett was returned to the labor body's executive council.

The heated Sunday sessions of the Federation ousted by single-vote majorities three of its primary leaders and broke what has been labelled here an allegedly Communist-dominated executive.

10 Strokes Of Lash For Frankford Man

BELLEVILLE, Sept. 8 (ENS)—Appearing for sentence after pleading guilty to a charge of gross indecency Hubert Lawrence of Frankford today was sentenced to one year in jail and 10 strokes of the lash by Magistrate T. Y. Wills.

"I hope that the lash will have some deterrent against future acts of this nature," said the magistrate.

SOLOMON'S GOLD

The Solomon Islands were discovered in 1567 by the Spaniard Mendana, who believed they had supplied the gold for Solomon's Temple.

Canadian Lifeguard Services Totally Inadequate Coroner Says

PORT COLBORNE, Sept. 8. —(CP). — Alarmed by what he termed "very inadequate lifeguard service at Canadian beaches," including Elco Beach and Wyldewood Beach near Sherkston, Coroner Dr. G. N. Black, who investigated the Sunday night drowning at Elco Beach of 16-year-old Ann A. Heitzman of Buffalo, N.Y., said he would recommend that immediate steps be taken to improve the situation.

Dr. Black stated that two lifeguards stationed at Elco Beach, operated by A. A. Holman of Niagara Falls, went off duty at 7 p.m., about a half hour before Miss Heitzman lost her life in 12 feet of water after falling from an inflated inner tube.

Miss Heitzman, considered a very poor swimmer, was given a false sense of security by the inner tube which slipped from under her. In addition to recommending that extra lifeguards be employed to cover the long stretch of beaches, his recommendations would urge that use of inflated inner tubes in the water be outlawed. He was also recommending one or more special life-saving boats at each beach, elevated platforms for lifeguards and greater use of roped-in swimming areas.

Need Platforms

Dr. Black was especially critical of the lack of elevated platforms at most beaches and of the "shocking lack of telephones," either private or public, within a half-mile radius of many swimming resorts from where aid could be summoned.

Dr. Black said, "It is extremely unfortunate that so many people are using beaches where there are so few lifeguards. I have officiated at too many drownings and I find the lifeguard service very inadequate." The coroner said no inquest would be held.

It was some 25 minutes, said Dr. Black, before Miss Heitzman had been recovered from the water and brought ashore, and then began the dash to a telephone a half mile away, and the calls to, first, the Ridgeway fire department, who referred the call to Port Colborne's fire department. It was 7.55 p.m. when the firemen received the call and about 8:22 p.m. when they reached the scene. He had arrived, he said, a few minutes later

4 Lindsay Students Awarded Bursaries

LINDSAY, Sept. 8—(ENS)—Three Lindsay Collegiate Institute students have been awarded Dominion-Provincial Student-Aid bursaries totalling $1,000, Principal T H. Eberlee, has announced.

Ronald Harrison and Basil Fee were awarded bursaries of $400 each, to attend university. Margaret Kelly was given a similar DPSA bursary to attend normal school in the amount of $200. All three were grade 13 pupils last term.

Four young athletes have returned to school after spending two weeks in the Deparment of Education's Leadership School near Orillia. The four, Murray Harrington, Arnold Karrys, George Bellamy and James Burn were selected by PT Director Ross Sturgess and the principal for their leadership qualities. All were instructed on how to teach and lead games and sports.

Howe To Take Over Freight Rates Issue

OTTAWA, Sept. 8 — (CP) — Trade Minister Howe, as acting transport minister, will take over direct contact with the freight rates issue from Transport Minister Chevrier when the latter heads for Paris and the United Nations meeting within the next 10 days.

The cabinet met Tuesday in one of the last meetings under Prime Minister Mackenzie King. There was no indication what was discussed, but freight rates, margarine and another boost in the cost-of-living offered likely topics.

External Affairs Minister St. Laurent will take over when Mr. King leaves for Paris next week. There has been speculation that an interim cabinet shuffle will be announced about that time, possibly sooner.

The justice portfolio remains open and may be filled temporarily by a present member of the cabinet.

Mitchum Indicted On Marijuana Count

LOS ANGELES, Sept. 8—(AP) —Movie actor Robert Mitchum and actress Lila Leeds with two other persons were indicted by the Los Angeles county grand jury Tuesday on charges of possessing marijuana and criminal conspiracy.

Also indicted were Vickie Evans, 25-year-old dancer, and Robin Ford, 31, real estate agent. Mitchum, 31, Miss Leeds, 20, and the others were arrested last Wednesday by police and federal narcotics officers in raid on a secluded cottage and were booked on suspicion of violating narcotics laws.

They were released on $1,000 bond each pending a hearing today on petitions for writs of habeas corpus.

DOES INDIGESTION WALLOP YOU BELOW THE BELT?

Help Your Forgotten "28" For The Kind Of Relief That Helps Make You Rarin' To Go

More than half of your digestion is done below the belt—in your 28 feet of bowels. So when indigestion strikes, try something that helps digestion in the stomach AND below the belt.

What you may need is Carter's Little Liver Pills to give needed help to that "forgotten 28 feet" of bowels.

Take one Carter's Little Liver Pill before and one after meals. Take them according to directions. They help wake up a larger flow of the 3 main digestive juices in your stomach AND bowels—help you digest what you have eaten in Nature's own way.

Then most folks get the kind of relief that makes you feel better from your head to your toes. Just be sure you get the genuine Carter's Little Liver Pills from your druggist—25c.

FIRST AND LAST

were the letters Alpha and Omega in the Greek alphabet, and, as such, they became synonyms for "beginning" and "end" — hence God, considered the beginning and end of everything. On the sarcophagus of Theodore, Bishop of Ravenna, in Italy, are to be found many other symbols: Chi Rho, for Xristos or Christ; the vine, symbolic of regeneration and fruition; the doves, which represent soul; and the peacocks, which stand for majesty.

2 Cars Collide Damages Exceed $1,000

More than $1,000 damage to two cars and minor injuries to two passengers resulted from a collision at Stewart and Dalhousie streets, Tuesday night. Drivers were Dr. W. S. Fitzpatrick, 335 Stewart St. and Malcolm Campbell, 1404 Queen St. West, Toronto. Thomas McCormick, 680 Frank St., a passenger with Campbell, received bad bruises to his shoulder and elbow. The two-year-old daughter of Dr. Fitzpatrick received two minor head cuts.

The collision happened about the middle of the intersection. The whole front of the doctor's car was smashed by the impact and Campbell's car had damage to its doors and side. Estimated damage to the Fitzpatrick car is $800; $300 is the figure set for the other.

McCormick was admitted to St. Joseph's Hospital for X-ray but was released when it was found no bones had been broken.

PC Vern O'Donaghue investigated.

Complain Trains Blocking Traffic

C.P.R. engines have outgrown the watering accommodation for them at the local station. And the city council are asking the company to see "if they can do something about it."

The noon passenger train extends over the sidewalk about 10 feet, requiring pedestrians to walk out almost to the centre of George St., Ald. H. Dodds explained to the council last night.

"The fact is that stretch from the water spout to the street line is too short for the present day big engines in that service," he said. "What should be done is to move the water standard to the west to provide enough room for the engine to stand there without encroaching over the sidewalk."

Council Sets Up Industrial Commission

City Council set up an industrial commission last night with the following members: Mayor W. G. Ovens, Ald. P. J. Anglesey, City Clerk E. A. Outram, Wilson Gemmell and James Fraser. It was recommended in the report of the industrial development committee read by Ald. Anglesey, chairman.

Donald Farrell, Oshawa, was given permission to establish a cabinet-making and show case construction business on the property immediately west of the service station at Armour Road and Downer's Corners.

Build Addition To Warehouse

Work has started on a small addition to the Brewers' Retail store on Water Street. The new building, which will cost more than $15,000, is to replace the present retail store which will be used for much needed, additional, storage space. The one-storey store will be modern in design, with terrazzo floor, plate glass windows and new refrigeration.

Walter H. Mortlock, contractor for the new store, is also undertaking the repairs to the Kresge building. The new store front is almost complete; seven steel beams, which had been bent by the heat of the fire, had to be replaced.

Clearing of the basement of the building finished yesterday. It has taken workmen 10 days to remove the destroyed merchandise to the city dump. Among the more unpleasant items to be cleared out were bad ice cream, decaying fish and rotten meat from the refrigerator. All shelving in the basement is to be replaced.

Obituary

MRS. JAMES AUBREY WILSON

Mrs.James Aubrey Wilson, 34, of 77 Parkhill Rd., died in hospital on Tuesday from injuries received in a motorcycle accident on Monday on Highway 7, one mile East of the city. She was born in Montreal, Mary Irene, daughter of the late Frank Cater and Rachael Evans, and had lived in Peterborough for the past four years coming here from Montreal.

Besides her husband she leaves two children, John, 3, and Gwen, age 10 months. There are two sisters Mrs. R. Adams and Miss Stella Cater, both of Montreal. She was a member of the Anglican Church.

The body is resting at the Kaye Funeral Home until early Thursday morning when it will be shipped on the 2:35 a.m. CPR train to Nova Scotia.

Man Denies Pointing Gun Pays Fines On 3 Counts

Leslie Vernon Hewitt, 24, of 233 Prince st., found guilty of shoving a loaded gun in the ribs of a police officer, was fined a total of $90 and $9.50 costs by Magistrate W. R. Philp, KC, in court today. The accused, who pleaded not guilty to that charge, admitted two other charges connected with the incident. He denied the story of the officer that he had threatened with a gun.

PC Louis Rodregue of the city force gave evidence of the incident which took place July 29 about 3.30 a.m. in the parked car of the accused.

He had first seen the accused driving his car along King St., making a fast turn to Water St., where the car swerved from side to side erratically, said the officer. PC Rodregue nearly reached the car, which had stopped on George and Sherbrooke, when it speeded up, raced along George Street. Hailing a police cruiser which was passing, PC Rodregue drove in that direction, finding the accused's car parked at George and King Edward Sts.

He said the accused refused to tell him his name and address, and the policeman placed Hewitt under arrest. PC Rodreque got into the car, tried to start it, was unable to, got out again and into the back seat to search for liquor. He found two empty and one full beer bottles there, he said.

"While I was hunting around, the accused was shuffling around in the front seat. I was questioning him and turned sideways. Then I felt something sticking in my ribs, and looked down and saw it was a pistol Hewitt was holding there. He said 'You've had it, copper.' I knocked the gun aside and we scuffled. I hit him."

The one blow of the officer knocked the accused unconscious and on the return of the other police, he was taken to the station.

There had been two shells in the gun, said the officer—one was in backwards, which made it impossible for the gun to be fired. The accused was not drunk, he testified.

In his own defence, the accused denied many of the statements of the officer. He said he didn't know of being on the streets mentioned by PC Rodreque earlier in the morning, as it was out of his route home, where he was going at the time. He had been on "quite a party" that night and had been drinking over the eight hours previous to this.

Tried To Hide Gun

When the constable began searching the car, Hewitt said he tried to hide the gun, which he admitted having in his pocket at the time. He said that he knew the gun would not fire and absolutely denied having pointed it at PC Rodreque or making the statement attributed to him.

The gun, he testified, belonged to a boarder at his home. He had taken it that afternoon and gone into the country with it as "I was just curious to fire a revolver." It had not fired at that time, he said, and, not knowing the workings of that type of pistol, he had simply put it back in the car.

Hewitt said he didn't know how the bottles had got in his car. He said that some people had been drinking there earlier that night.

Hewitt's war record, it was given, included 41 months in the navy, during which he had been torpedoed and knocked out. He has had two operations because of that injury since, he said.

Defence counsel W. J. A. Fair argued that the gun was not "loaded" as it could not have been fired with the cartridge reversed, which made it impossible for it to enter the breach.

Finding Hewitt guilty on the evidence, Magistrate Philp fined him $50 and $4.50 costs. Hewitt pleaded to illegal possession of liquor and was fined $15 and $2.50 costs on his guilty plea to a charge of reckless driving.

A fourth charge, of being in possession of an unregistered firearm, was withdrawn when no evidence was presented by the Crown.

Main Street Topics

RAIN IN OTONABEE

Other farmers must have envied the Mather's Corners neighborhood for the half hour's rain that was reported from that area about nine o'clock this morning.

SKIING EXECUTIVE MEET

An executive meeting of the Peterborough Ski Club has been called for 7.30 p.m. today at the YMCA. Chief topic under discussion will be the proposed extension of the Bethany ski tow, and the installation of a second tow on the third hill.

RING FALSE ALARM

Firemen had an easy day on Tuesday as no fires were reported. The only call was a false alarm which was rung in from Dublin and George Sts. shortly before 9 p.m. An unidentified person pulled the alarm box.

DOUBLE INQUEST CALLED

Inquests into two recent accidental deaths in the area will be held in the police court Friday night. The one concerning the highway death of Thornton Smout of South Monaghan on Saturday will be at 7 p.m. The train crash near Birdsall Station Monday morning in which 10-year-old Kenneth Bull of Lindsay was killed will be the subject of a coroner's jury at 8.30, same night, same place.

ROOFING JOB

Trent Valley Roofing Company's bid of $493 for repairs to the roof of the store house and workshop at the city's yard on Townsend St. was accepted by the council adopting the report of the board of works.

AUTUMN'S TOUCH

Bushes along country lanes are taking on the patchwork quilt pattern of autumn coloring, with yellows and browns mingling with the last greens. Pastures too have felt the searing touch of late summer heat, and for the most part are yellow and singed.

WORKMEN BUSY

There was considerable activity on the north Simcoe St. sidewalk today, near George St. Workmen were busy repairing a leaking water service at Pilon Marine Sales, and next door at the King George Hotel the sidewalk was also being torn up as a new section is to be laid down.

BILLED BY THE CITY

Two bills from the city, $56 for grading and $72.50 for flushing the grounds, suggested to G. A. Gillespie, manager-secretary of the Peterborough Exhibition, that they had been "sent in error as the council has never charged the Exhibition Board before for these services." His letter last night was referred to the finance committee.

Council Plans To Widen Main Arteries

Eventualy widening of Charlotte and George streets was comtemplated in a long view of the effects through the years of a by-law passed by the council Tuesday night.

New buildings on Charlotte St. are now required to be set back five feet from the street line. This provides for a ten-foot widening of the street. The bylaw also applies to old buildings which are being structurally altered. The scope of this change is from Water St. to Park St.

The set back on each side of George St. is three feet, from King St. south to Lansdowne St. The widening of this street will be six feet. Both the Cherney and Hayward-Reilly buildings south of King St. complied with the spirit of this regulation before it was put into effect.

The widening of these two main streets is one of the first material fruits of town planning. It touches valuable properties, and will have a gradual cumulative development as alterations and new construction are carried out from now on. It is understood that one of the larger stores to come within the scope of the by-law is the new Woolworth building projected for the northwest corner of George and Charlotte streets. Construction has been delayed, but it may be begun next year.

Discussion of the widening idea has been reported from time to time in the last few years as the council approached this proposal. The chief purpose behind it has been the anticipation of the growth of Peterborough in the next quarter century and beyond with traffic concentration which could be relieved somewhat by making room for wider street lanes.

Looking Ahead

The bylaw is not pointed at existing buildings. It is looking a long way forward when as the result of set backs from the present street lines in new buildings and alterations, some day this envisioned widening will be uniformly accomplished.

The bylaw was introduced by Ald. H. Dodds and seconded Ald. Doug Miller.

Pimmett Herd Wins At CNE

M. H. Pimmett & Son of Indian River represented Peterborough in the beef cattle classes at the Canadian National Exhibtion.

Their Strathore Shorthorns took the first prize in the senior bull calf with Millhills Ransom Marshall. Their other winnings were two thirds, three fourths, two sixths and two seventhS.

In the heavy horse section Peterborough district winners were Roy Ferren of Cavan, Roy Staples of Fraserville, Gerald Robinson of Bailieboro who were winners at Peterborough and Millbrook; also Trotter Brothers of Madoc and J. H. Cookson of Bowmanville.

Prominent winners in the poultry show were R. M. Brown of Peterborough and J. R. Hope of Otonabee.

Dr. Harold A. Worton was at the ringside Tuesday for the judging of the beef cattle. He said Archie Clysdale "did a swell job" in judging the Hereford cattle.

MUSEUM FITTINGS

At a short meeting of the Library Board last week, authorization was given for the handing over to the Recreation Commission of six display cases, originally belonging to the Victoria Museum. The cases will be used for displaying handicrafts. The remainder of the museum fittings are being handed over to the Optimist Club, which will use them as materials for boys' work at Trafalgar House. J. C. Rutherford presided at the meeting, the first after the summer recess.

GEORGE SMITH, veteran of World War 1, was confirmed as fire chief for the City of Peterborough at the council meeting Tuesday night. He was named fire chief on probation when George Gimblett retired several months ago. Chief Smith has been with the fire department since 1923.

Confirmed As Fire Chief

Promotion of Deputy Chief George W. Smith to the position of Chief of the fire department was confirmed by the council Tuesday night. His salary is $3,300.

Stuart Foster becomes Deputy Chief at $2,825 a year. Both these appointments some six months ago were formally conditioned on a probationary period.

A grant of $100 to the Ontario Society for the Prevention of Cruelty to Animals whose convention is being held here Sept. 17 and 18 was made by the council.

City Engineer Chalmers was authorized to engage a superintendent of sanitation. This official who takes charge of the collection and disposal of garbage is made directly responsible to the City Engineer, and for that reason the appointment was left to his choice.

The next meeting of the council has been deferred to Sept. 27 at the request of Mayor Ovens. He said that City Clerk Outram and himself were participating in the program of the annual convention of the association of Ontario municipalities, and if it was convenient to the council he wished to attend. On Ald. Raine's motion the meeting of Sept. 20 is cancelled.

DEPUTY-CHIEF of the Peterborough Fire Department is Stuart Foster. His appointment was confirmed by City Council Tuesday night. He has been a member of the department staff since June 1, 1929.

Bus Fare Increase Voted As City Council Extends Franchise 5 Years

Increased fares on Peterborough's bus lines were authorized in a bylaw passed by the Council Tuesday night. The present adult charge of 8 cents cash "may be" advanced to 10c, and four tickets will cost 30c instead of 25c. Extension of the franchise to Border Transit Limited is extended five years to Dec. 31, 1957.

The bylaw amending the previous franchise bylaw was introduced by Ald. Sands as chairman of the legal committee which had carried on negotiations with the company in recent weeks.

Frank Mitchell, head of the company, had informed the Council of a substantial operating deficit for the six months ending June 30 of this year, and asked that the agreement be amended to permit the increases in fares. He said that he was buying six new buses for the local fleet, and as a consideration warranting the additional capital expenditure he proposed that the original ten-year franchise be extended five years.

Committee Report

The following is quoted from the legal committee report: "Mr. Mitchell said that the company's operating loss for the first seven months of 1948 was known to be greater than previously reported. He said that he had been advised that because the people had voted on the terms of the present franchise, which included the revision by which the city was to share on a percentage basis on the gross revenue of the company in each year, it would not be legal for the city to reduce its share of these receipts received from the company. He asked the Council to assist the company to make up its loss by authorizing the following changes in the fares charged: adult fare 10c cash or 4 tickets for 30c; children under 53 inches in height five cents cash or eight tickets for 25c."

(Students' tickets are unchanged at eight for 25c.)

The committee recommended the five-year extension of the franchise period, and the higher fares.

Ald. Douglas Miller enquired in committee of the whole on the second reading of the amending bylaw whether any consideration was to be given at that stage to a letter from Mr. G. N. Gordon. No one volunteered a reply.

The Gordon letter, dated Aug. 18, was: "I am representing certain ratepayers who are interested in presenting a private bill to the Legislature authorizing the Utilities Commission to operate the transport of bus lines in the city.

Some time ago I wrote council to consider representations along this line. In view of the fact that Mr. Mitchell has lost money on this scheme the franchise cannot be worth much when it is terminated. The ratepayers I represent object to any increase of rates or extension of the franchise without a vote of the people."

Continue Present Schedules

The new bylaw provides for the continuation of the present bus routes on schedules set out in an attached program.

Ald. Doug Mill[illegible]ked whether any thought was given to a provision against smoking in the buses. "A lot of people do not like it, and they are not all people who do not smoke. Signs in the buses are only a temptation to those who like to se how far they can go."

Ald. Sands said the council could not pass a bylaw prohibiting smoking in buses that were privately owned.

Ald. Swanston said the company did not wish to prevent smoking on the early buses betwen 6.30 and 8 a.m. Many men liked to have one smoke after breakfast, and their only chance was on their way to work. He said that the company might consider some effort at enforcement during other periods of the day.

The schedules incorporated in the new bylaw were: Jackson Park route, Mon. to Fri.—6.10 a.m. to 11.40 a.m., 20 min. service; 11.40 a.m. to 11.40 p.m. 10 min.; Sat. 6.10 a.m. to 7.10 a.m , 20 min.; 8 a.m. to 11.40 p.m. 10 min; Sun. 9.50 a.m. to 10.50 p.m. 20 min.

Byersville route, Mon. to Fri.—6.10 a.m. to 11.30 a.m., 20 min.; 11.40 a.m. to 11.40 p.m., 10 mins.; Sat. 6.10 a.m. to 7.50 a.m 20 mins; 8 a.m. to 11.40 p.m. 10 mins; Sun., 9.50 a.m. to 10.50 p.m. 20 min

Nicholls Park, Mon. to Sat.—6.10 a.m. to 11.30 p.m. 20 mins., with Ashburnham South alternating 10 min.; Sun., 9.50 a.m. to 10.50 p.m. 20 mins.

Ashburnham South, Mon. to Fri.—11.40 a.m. to 11.40 p.m. 20 mis.; Sat., 8 a.m. to 11.40 p.m. 20 mins.

George St. South, Mon. to Fri. 6.10 to 11.30 a.m. 20 mins; 11.40 a.m. to 11.40 p.m. 10 mins.; Sat. 6.10 to 7.50 a.m. 20 mins; 8 a.m. to 11.40 p.m. 10 mins; Sun. 9.50 a.m. to 10.50 p.m. 20 mins.

George St. North, Mon. to Sat.—6.10 a.m. to 11.30 p.m. 20 mins, with Benson Ave. alternating 10 mins.; Sun., 9.50 a.m. to 10.50 p.m. 20 mins.

OPENING PARADE

Peterborough's 50th Heavy Anti-Aircraft Regiment (PWR) RCA, the city's up-and-coming Reserve Force Army unit will commence its Fall and Winter season of Training Parades on Thursday, September 9, at 1945 hours (7.45 p.m.) at the Peterborough Armoury, Murray Street.

All ranks at present on strength should be on hand for this parade, at which plans will be announced for the coming season. An inspection of all personal equipment issued to all ranks during the past season will be held and all ranks will bring their full equipment for QM check.

The evening's gathering will be climaxed by a Smoker for all ranks. Dress for this parade is summer drill if issued, or battle dress.

If You Are a Recruit Ready to Join This Regiment

Visit us at this opening parade and inspect our full HAA equipment (including guns, fire control instruments, radars, vehicles, wireless, etc.), as well as our unit of enthusiastic Reserve Force troops. You will like their enthusiasm. They will be pleased to see YOU. VISIT US TOMORROW NIGHT.

Lacrossers Get Two Titles In Minor Loop

Queen's swamped Legion 13-1 to take the City Lacrosse League juvenile title in two straight games, while Americans won from T. J. Cavanagh's 6-1 for midget honors in two straight. In bantam finals, Kiwanis won from Clippers's 6-3 to even that series up with the deciding game tonight at 6.30 in the Bowl.

Outstanding for Queen's were the Robinson brothers, Carey and Brian, along with Whitnall, McMaster and Batley. Legion's best were Hickson in goal, with Wakeford and Ab Caravaggie. The teams:

Legion: Hickson, Caravaggie, Mullen, Wakeford, Fitzgerald, Levasseur, Farley and Williams.

Queen's: G. Robinson, B. Robinson, Crowder, Donoghue, Shearer, McMaster, Foster, O'Donnell, Batley, Whitnall and Beavis.

Bob McIlmoyle, Jim Heffernan and McConnachie stood out on the attack for Americans, with O'Dette steady in goal. "Rock" Batley in goal shone for the Cavanagh crew, and Brown was good o: the attack. The teams:

Cavanagh's: Brown, Curtis, Batley, Daniels, Collins, Crough, McKenzie, Kimball, Floyd, Brioux, Howe and Buott.

Americans: O'Dette, Collins, Cooke, White, Jones, Smith, Barker, Kimball, McConnachie, McIlmoyle and Heffernan.

Kiwanis were led in their game by Bob Hobart in goal who made some fine saves to inspire his teammates. Art Batley, Bud McDouglall and Jerry Frizzelle went good. For Clapper', Ken Woodgate, John Cupoli and Dunn were best. The teams:

Clapper's: Legros, Ryan, Cullen, Kelly, Rowley, Roberts, Woodgate, Cupoli, Simmons, Lindsay, Ferren and Merrett.

Kiwanis: Hobart, Crough, Batley, Crowe, Corbett, McDougall, Cournyea, Kearns, O'Brien, Frizzelle, Sutherland and Mullen.

OASA Sub-Committee To Meet At Oshawa

HAMILTON, Sept. 8 —(CP)— O.A.S.A. Secretary Frank Feaver, of Hamilton, announced today, that a sub-committee meeting of the Ontario Amateur Softball Association will be convened on Sunday afternoon at Oshawa. The meeting, under the chairmanship of immediate past president Otto King, Simcoe, will hear the defence of Lorne Shrum, Smithville coach, who was suspended last week for allegedly pushing an umpire, and of player Douglas Lane, also of Smithville, suspended for allegedly signing two certificates.

Call OASA Meeting

Marcel Cerdan boxed only four rounds Tuesday at Loch Shel,-drake, N.Y., but intensified his training program in other directions for his 15-round middleweight title fight with Tony Zale in Roosevelt Stadium Sept. 1. Rocky Caffarello and Jimmy Mangia each went two rounds with the Frenchman.

MANY DEAD SPECIES

There are far more extinct than living species of animals and birds.

Prince Bandolier Captures Bull Championship

TORONTO, Sept. 8.—(CP). — Edwards brothers of Watford, Ont., won four championships and three reserve ribbons in Aberdeen-Angus cattle judging announced Tuesday at the Canadian National Exhibition.

Besides capturing the grand championship bull award with Prince Bandolier 7th, Edwards took the senior bull title with the same animal. Then he won the junior championship with Prince Bandolier of Anoka II and also the reserve. The reserve grand championship went to Prince Bandolier of Anoka 20th.

Prince Bandolier 7th also won a special medal for the best animal offered by the Aberdeen-Angus Cattle Society of Scotland. An Edwards entry, Barbara M. of Anoka 8th, also won the senior championship female ribbon, and another, Reveriers' Blackcap 3rd, took the female grand championship reserve. Eight first prizes also went to Edwards' exhibits.

In Hereford judging, F. W. Reicheld of Jarvis, Ont., won 11 awards, including three championships and a reserve ribbon. His entries captured the grand champion bull award with Jarvis British Mischief 215th, junior champion bull and senior champion bull.

Besides winning the E. H. Horne Challenge Cup offered by E. H. Horne of Enfield, N.S., for the grand champion bull, he also took the reserve ribbon for showing the junior champion female.

The grand championship female award went to Miss Windsor, Domino III, shown by O'Neil Brothers of Denfield, Ont.

VIOLET GOGLIN, 18, ABOVE, who walked into the Madawaska River at nearby Palmer Rapids, and was drowned. There is rejoicing instead of mourning at her farm home where her family says she was called by the Lord and "did what God told her to do." The girl kept chanting "Faith in the victory" as she walked into the river. The family is deeply religious, belonging to no sect or cult.

Hamilton Tigers Have Youngest Team In History

By TOMMY MOORE

HAMILTON, Sept. 8.—(CP).—Hamilton Tigers embark on their first Ontario Rugby Football Union campaign with the youngest team in the history of the club that switched from the Big Four Union to the ORFU this year.

Playing coach Frank Filchock, committee - room storm centre last season when the Tigers placed last in the Big Four, has plucked 11 players from Hamilton junior ranks for the 33-man squad which opens its scheduled season at home next Saturday against Windsor rockets.

Filchock, one of the outstanding forward passers in United States professional football before he was suspended after the 1946 season and came to Canada, and lineman Joe Bloomingdale from Pittsburgh are the team's only certain American imports.

Juniors making their fling at senior football include backfielders Ralph Bartolini, Tommy Ollman and Johnny Harper.

Solid Experience

The club has solid experience too. Filchock as quarterback heads a backfield brigade which includes such well-known players as Doug Smith, Gerry Walsh, Jack Stewart, Joe Capriotti, Tom Hickey who didn't play last season, Rudy Manorek, Charley Harrison, Joe Chichochi and Boris Tipoff, former Toronto player. Then there is young George Festeryga who turned in some solid work at quarterback last season in his first senior venture.

Three top notch players are trying out for snapback — Jake Gaudaur, who was with Montreal Alouettes last season, Louis Defrancisco and Bill O'Breza. Veteran linemen include George Zarek, Eddie Bevan, Pat and Al Santucci, Eddie Remigis, Dante Defrancisco, Stan Wolkowski, all from the Tigers; and Jack Strachan, Ray Jones and Leo Blant, with Hamilton Wildcats for the last two seasons.

Resigns As Consul

SAN FRANCISCO, Sept. 8 — (AP). — Bohus Benes Tuesday said he has resigned as Czechoslovakian consul here because he "is not and cannot be a Communist." Benes said his resignation became effective last Friday, the day his uncle, Dr. Eduard Benes, former Czech president, died.

Volcano Growling

MANILA, Sept. 8 — (AP). — Increased activity by Mount Hibokhibok volcano was reported today. This report from a Philippine weather bureau volcanologist came after the volcano—on tiny Camiguin Island in the southern Philippines—seemed to be subsiding after six days of violent eruption.

Plan Livestock Grand Parade

TORONTO, Sept. 8.—(CP).—A grand parade of championship livestock in the Coliseum at the Canadian National Exhibition today will mark agriculturists' and livestock review day at the big show.

Some of Ontario's finest cattle will move past a stand where officials wait to award trophies won in competition during the livestock portion of the fair.

Among trophies to be given are a special medal offered by the Aberdeen-Angus Cattle Society of Scotland for the grand championship bull. Edwards Brothers of Watford won it with their Prince Bandolier 7th, senior and grand champion. Another is the E. H. Horne Challenge Cup offered by E. H. Horne of Enfield, N.S., for the grand champion Hereford bull. F. W. Reichfeld of Jarvis, Ont., who won 11 awards, took the cup with Jarvis British Mischief 215th.

Farmer Killed As Own Car Pins Him To Post

LINDSAY, Sept. 8—(ENS)—Funeral service for Chester Hall, 66, of RR\2, Little Britain, an accident victim of his own car, was held Sunday afternoon.

Hall was cranking his car when apparently it was in gear. The car shot forward pinning the aged farmer against a post. He was treated by Dr. G. C. R. Hall and taken to Ross Memorial Hospital, Lindsay.

He was found to have suffered a broken back in two places, a broken arm and severe scalp wounds. He died Friday morning.

Interment was in Salem Cemetery.

Settle Squabble 300 Children Go To School

KINGSTON, Sept. 8—(CP)—More than 300 children were refused admittance to school on official opening day Tuesday through a squabble over taxes but the extended holiday ends for the youngsters today.

A meeting Tuesday decided that the children, residents of the suburban Kingston Heights wartime housing division, will go to school Wednesday pending signing of a new financial agreement between the board of education and Central Mortgage and Housing Corporation.

The board agreed to pay about $15 a housing unit each year to meet costs of education of the children. CMHC will pay about $65 a house yearly. The corporation had earlier offered $50. Kingston townsip council and other interested bodies will be asked to pay the remaining $15 to make up the total cost of $95 yearly.

Representative of the corporation, the board of education, and Kingston township attended the meeting under the chairmanship of Col. S. A. Watson of the department of education.

Beanery Gang Leader Henchmen Convicted

TORONTO, Sept. 8 — (CP) — The alleged leader of Toronto's notorious street corner "beanery gang' and two of his henchmen were convicted Tuesday at suburban Islington of taking an automobile without the owner's permission last Aug. 28, and receiving stolen goods. They were remanded until Sept. 14 for sentence.

Convicted were William Porter, 18, described by police as gang leader, Kenneth Ivey, 19, and Ronald Russell, 18.

The original charge of automobile theft was reduced and charges of theft of a fountain pen, leather wallet and cigaret lighter were dropped.

Beauty Parade

ATLANTIC CITY, N.J., Sept. 8 — (AP). — Fifty-five beautiful girls were shown to 100,000 persons Tuesday in a mardi gras parade that marked the opening of the 1948 Miss America pageant. All contestants were pushed along the boardwalk in rolling chairs, specially decorated with American beauty roses.

ANSON LYNN JOHNSON, 28-year-old Air Force veteran from Miami Springs, Fla., flashes to victory in the 300-mile Thompson Trophy race, speed classic of the 1948 National Air Races at Cleveland. Johnson averaged 383.767 miles an hour as he whipped his converted P-51 Mustang fighter around the 20 laps of the 15-mile closed course—13 mph under the record. Picture shows Col. Roscoe Turner (RIGHT), only three-time winner of the race, presenting the winner's trophy to Johnson. The victor also received $16,000.

—(International)

Man Injured By Hit-and-Run

LINDSAY, Sept. 8—(ENS)—Provincial police are investigating the first hit-and-run case of the year in Haliburton county.

Hudson Hales, 62, of Tory Hill, was walking on the side of the road between Tory Hill and Gooderham early Saturday evening when a vehicle proceeding towards Haliburton struck him. He was found in the ditch by a passing motorist and was later treated by Dr. L. H. Carroll, Haliburton.

The injured man was removed to Ross Memorial Hospital, Lindsay, where it was found he was suffering from a broken arm, facial cuts and bruises and shock. Provincial Constable Ed. Milligan of Minden is investigating.

Buried By Wall

QUEBEC, Sept. 8 — (CP). — One workman was killed and another severely injured Tuesday when a 30-foot concrete wall collapsed on Charest Boulevard in the St. Roch business district of Quebec. Napoleon Lirette, 60, of nearby St. Gerard Majella, was dead when found by rescue workers 45 minutes after being buried under tons of debris.

Protest Deportation

QUEBEC, Sept. 8 — (CP). — A Quebec City notary Tuesday joined Mayor Camillien Houde of Montreal and others here in a formal protest against deportation of Count Duge de Bernonville to France to face charges as a wartime collaborator. Gustave Jobidon released for publication text of a cablegram in French addressed to Premier Robert Schuman of France.

Hamilton Minister To Come To Lindsay

LINDSAY, Sept. 8—(ENS)—Rev. J. G. Berry Armstrong, BA, BD, minister of Kensington Ave. Baptist Church, Hamilton, has accepted the call to the pastorate of Cambridge St. Baptist Church, Lindsay. His duties will begin Oct. 3.

A graduate of McMaster University, Hamilton, Mr. Armstrong was ordained at the Baptist Church, Ormond, Ont. Following a second pastorate at First Baptist Church, Smiths Falls he went to the Boston area where he took a course in clinical training in pastoral psychology.

His bachelor of divinity degree was conferred following courses at Boston University School of Theology and Episcopal Theological School, Cambridge, and graduation from the Andover Newton Theological School, Newton Centre, Mass. On returning to Canada, Mr. Armstrong was called to Kensington Ave. Church Hamilton.

Traffic Flow Heavy

OTTAWA, Sept. 8 — (CP). — United States tourists and Canadians returning to Canada poured into Canada over highway crossing points at an unprecedented rate for the month of July, the Bureau of Statistics noted Tuesday. Volume of highway traffic crossing into Canada in July, 1948, exceeded the flow of traffic in July, 1947, by eight per cent and established a new record.

Boy Breaks Neck

GUELPH, Sept. 8 — (CP). — Twelve-year-old Donald Miller, a ward of the Children's Aid Society here, was found dead of a broken neck beside a seed drill he had been moving along a road near Elora Saturday. Police said they believe the harness had come loose from the drill and tongue which dug into the road and threw the lad. His neck was broken in the fall.

Bride Of 4 Days Badly Burned In Apartment

HAMILTON, Sept. 8 — A bride of only four days, 31-year-old Mrs. Robert Davies was Tuesday morning discovered lying in a pool of blood when firemen battered down a door to gain entry to her flaming Main St. W. apartment. She was removed to the General Hospital in critical condition from burns and lacerations. Police are investigating.

The injured woman's husband, Robert Davies, was at work as a painter in the National Steel Car Company when the incident took place.

Smoke pouring from a window of the apartment at 123 Main St. W. was noticed by Cons. Allan Gleave who was on motorcycle duty in the downtown area. He called firemen and entry was made to the apartment.

The injured woman was found on a flaming cot and a hose line had to be used before it could be approached and the rescue effected. The mattress of the cot was completely destroyed and the walls and woodwork of the bedroom were badly charred by the blaze.

Later, at the General Hospital, Mrs. Davies told Det.-Sgt. Orrie Young and Det. Sam Burd that she had had breakfast with her husband before he left for work and then she had returned to bed to read the paper. She had lighted a cigarette and, being tired after a holiday trip, had fallen asleep.

She awakened choked with smoke and in a dazed condition and in her struggle to get off the flaming cot had gashed her left arm, presumably on the side of the cot. It was then that firemen and police had entered and rescued her. Mrs. Davies' condition was reported last night as being fair and improving.

Promise Statement

SOUTHPORT, England, Sept. 8 — (AP). — Councillor W. H. Russell said Tuesday night a British firm has received an order from Russia for £12,000,000 ($48,000,000) worth of machine tools. Russell, chairman of Southport's housing committee, told the borough council of the order in disclosing that the engineering firm of Craven Brothers, Ltd., wishes to build 300 to 400 houses here for its workers. Officials of Craven Brothers declined to confirm the order but promised a statement today.

THIS IS REAL COFFEE!

IT'S FINER... IT'S RICHER CHASE & SANBORN TASTE IT!

HERMAN R. "FISH" SALMON, 35-year-old Van Nuys, Cal., test pilot, is greeted by his wife, Evelyn, and son, Randall, a few moments after "Fish" set a new record of 169.608 miles an hour in the 1948 National Air Races at Cleveland. The winner's prize was $7,000. —(International)

✧ ✧ ✧

Massey—Gummer

Francis Grace, daughter of Mr. and Mrs. Walter Gummer of Georgetown, on Saturday became the bride of Don Massey, son of Mr. and Mrs. David Massey, Warkworth, in a quiet wedding at the home of Rev. D. P. Morris, Bridgenorth. Mr. and Mrs. Walter Thorn were the only attendants, and following a reception, the couple left for Ottawa. Mr. and Mrs. Massey will live in Peterborough.

✧ ✧ ✧

Warrender—Dorris

The marriage was solemnized on Monday in St. Peter's rectory of Mary Marcella Dorris, only daughter of Ambrose Dorris and the late Mrs. Dorris, and Alexander Campbell Warrender, son of Mr. and Mrs. A. S. Warrender of Victoria, B.C. The attendants were Miss Mary F. Sullivan of Peterborough and Mr. Kenneth B. Broe of New Liskeard.

A small reception was held at the home of Mr. and Mrs. H. Donovan, aunt and uncle of the bride.

Later Mr. and Mrs. Warrender left for their honeymoon in the Muskoka Lake district. The young couple will take up residence in Toronto.

✧ ✧ ✧

MacDonald—Taylor

A quiet wedding took place Saturday in St. Peter's Cathedral when Joyce Elizabeth, daughter of Mr. and Mrs. Ephraim Taylor of New Glasgow, N.S., became the bride of Sterling MacDonald, son of Mr. and Mrs. Duncan MacDonald, also of New Glasgow. Rev. P. P. Butler officiated, and music was played by Mrs. R. Aman.

The bride wore a dressmaker suit of wool in American beauty colour with black accessories, a white shoulder length veil, and she carried a nosegay of white roses and gardenias. Her attendant was Miss Geraldine Corkery, who wore a blue tweed suit, with black accessories. Best man was Mr. Gordon Doherty.

The bride and groom left after the wedding for New Glasgow, and for travelling the bride wore a grey gabardine suit with black accessories and a corsage of white roses. They will live in Peterborough.

✧ ✧ ✧

Parker—McAdam

NORWOOD, Sept. 8—(ENS)—A pretty wedding was solemnized in Frankford United Church, Aug. 28 when the Rev. H. B. Lackey united in marriage Cora Ann, only daughter of Mr. and Mrs. Harry McAdam, Frankford, and John Clifford Parker, eldest son of Mr. John E. Parker and the late Mrs. Parker of Norwood.

Wedding music was played by Mrs. A. Williams and during the signing of the register Mrs. Dorothy Buck sang "I Love You Truly."

The bride was charming in white satin gown, with net, and flor-length veil with lily of the valley bridal wreath headdress, white satin slippers, long white gloves and carrying a bouquet of red roses. Her only jewellery was a gold locket, a gift of the groom. Mrs. Cecil McAdam, sister-in-law of the bride, was matron of honor, wearing a baby pink satin dress with net trim white hat and shoes and carrying a bouquet of white roses. Miss Dorothy Parker of Norwood was bridesmaid wearing a long blue satin gown, matching headdress, white gloves and shoes and carrying a bouquet of pink roses. The groom was attended by his brother-in-law, Mr. Cecil McAdam. Ushers were Mr. Tom Parker and Jerry McAdam.

Following the ceremony a reception was held for about 50 guests. The bride's mother received, wearing a black and gold crepe dress and white accessories and corsage of yellow roses.

After a honeymoon spent in Toronto, Hamilton and Niagara Falls, the young couple will live in Frankford.

A PINK BIRD OF PARADISE, held captive by a glittering diamond-scrolled clip, cascades from a black velvet Parisian evening cloche by Rose Valois (RIGHT). The fashion centre is splurging on fabulcus trimming this fall, and the white plush toque (RIGHT) by Suzanne Talbot has a platinum and diamond clip (matched with choker necklace), aigrette feathers, black velvet ribbon and a nose veil.

Gladys Catharine Perdue Wed at St. Peter's Today

St. Peter's Cathedral was the scene of a lovely wedding this morning when Gladys Catharine, daughter of Mrs. William Edward Perdue and the late W. E. Perdue, became the bride of Michael Alphonsus Leahy, son of the late Mr. and Mrs. Michael Edward Leahy. Rev. P. P. Butler said the mass and solemnized the marriage.

The bride, who was given in marriage by her brother, Mr. Oscar Perdue, wore an original gown of white taffeta faille. The bodice was simply designed with a tailored neckline, long sleeves and small buttons to the waist. It had a full bouffant skirt and long train, and her full length veil fell from a crown of orange blossoms, and she carried a cascade of Starlite roses and bouvardia.

The bride was attended by her sister, Miss Phyllis Perdue, who wore a gown of heavenly blue taffeta faille, made with sweetheart neckline cap sleeves, and a bustle back with matching mittens and headdress in poke bonnet style. She carried a cascade of Butterfly roses. Mr. Frank Leahy was gromsman for his brother and ushers were Mr. William Doyle and Mr. Frank O'Toole.

Throughout the nuptial mass, Mrs. Robert Aman played wedding music, and during the signing of the register Mrs. E. Collis sang "Ave Maria."

At the reception in the Empress Hotel held following the ceremony, the bride's mother received, wearing a blue crepe gown with black accessories, and a corsage of gardenias. The groom's sister, Mrs. J. J. Reid, also received, gowned in smoke grey with wine accessories, and a corsage of gardenias.

Later the bride and groom left on a motor trip. For travelling the bride chose a grey sharkskin suit with grey and wine accessories, with a corsage of white gardenias. They will live in Peterborough.

Gladys Perdue Widely Honored

Before leaving the staff of City Hall, Mrs. Michael Leahy, formerly Gladys Perdue, was presented with a coffee table by Mayor W. G. Ovens on behalf of the staff, while City Clerk E. A. Outram expressed the good wishes of the staff. Mrs. Leahy was also honored at a tea and shower by the girls of city offices, and was presented with a cheque by city council.

Miss Rita Young entertained at her home where presentations were made to Mrs. Leahy by members of the Catholic Junior League and Study Club. A miscellaneous shower was also held for the bride by Miss Rita Leahy and a personal shower given by Miss Thelma Lucas. A dinner and theatre party were given Mrs. Leahy by a group of friends, arrangements for which were in charge of Miss Helen Cadigan.

Kinettes Name Show Officials

Committees for the coming fall fashion show to be held in October were chosen at a regular meeting of the Kinettes Tuesday night. Mrs. James Elliott, convener of the fashion show, announced that the commentator would be Mrs. Maurice Holt. The committees are as follows: posters: Mrs. Tom Lister, Mrs. Dave Wilson; tickets: Mrs. Cecil Wasson, Mrs. Stanley Hayman, Mrs. Stanley Gilmore; favors: Mrs. Jim Parry, Mrs. Jim Innis; decorating: Mrs. Charles Graham, Mrs. William Vanstone, Mrs. Vern Selkirk, Mrs. Fred Ash.

The nominating committee for the seleection of officers for the coming year is composed of Mrs. Norm Elliott, Mrs. W. Langan, Mrs. E. Henwood. Mrs. Jim King reported on the national convention which was held in Edmonton. Twenty-four members were present and president Mrs. Roy Phillips presided.

Lindsay Girl Marries Peterboro Man

The marriage took place in St. Mary's Roman Catholic Church in Lindsay on Monday of Frances Theresa, daughter of Mr. and Mrs. John J. Connolly, to James Edward Moher, son of Mr. and Mrs. W. J. Moher, Peterborough. Rev. W. P. Meagher officiated and music was played by Miss Ruth Shannon. During the signing of the register, Mrs. D. Campanaro sang "Mother, At Thy Feet We Kneel."

The bride was given in marriage by her father, and wore a gown of white slipper satin, with hoop skirt caught up, showing a petticoat with four rows of lace ending in a long train. The yoke was of chiffon edged with lace caught by pearls. Her rectangular veil was of white with embossed flowers, caught with a headed halo. She carried a bouquet of red roses.

Maid of honor was Miss Moira Connolly, who wore a gown of blue nylon marquisette with white embossed flowers and matching veil with halo of lily of the valley and pearls. Bridesmaid was Miss Jean O'Neill, who was gowned in yellow nylon marquisette with matching veil halo, and flower girl was Catherine Moher, frocked in pink taffeta with matching halo. Best man was Mr. Jack Moher, and the ushers were Frank Clemens of Deloro, and Hugh Vallich of Aldershot.

A reception was held at the home of the bride's parents where the bride's mother received, wearing a gown of romance blue with a hat of black satin and a bouquet of pink roses. The groom's mother, who also received, wore a gown of grey with a hat of grey felt and a bouquet of red roses.

Later the bride and groom left for a trip to New York State. For travelling the bride wore a grey suit, black accessories, and deep salmon pink shortie coat. They will live in Peterborough.

Kawartha Golfers Entertain Visiting Ladies

Ladies of the Kawartha Golf Club entertained the lady members of the Peterborough Club at a friendly game on Tuesday afternoon. Following the game, tea was served in the club house by Mrs. Gordon Hill, assisted by Mrs. C. B. Neale, and Mrs. John MacMillan.

Visiting from the Peterborough Club were: Miss Lahring Parsons, Mrs. G. Maniece, Mrs. G. Wood, Mrs. F. Hollowell, Mrs. O. Stark, Mrs. F. Roy, Mrs. A. Rutter, Mrs. Williamson, Mrs. S. Northrop, Mrs. S. McBride, Mrs. C. Upper, Mrs. C. Elliott, Mrs. C. Westbrook, Mrs. H. Wales.

Kawartha players were: Mrs. Al Clarke, Mrs. Ed. Riley, Mrs. Doug Anderson, Mrs. L. Browne, Mrs. J. Raine, Mrs. H. Woodcox, Mrs. F. Reed, Mrs. C. Shaw, Miss Barbara Siddall, Mrs. D. Oulmet, Mrs. D. Meredith, Mrs. J. Condon, Mrs. Warde, and Mrs. J. MacMillan.

Presbyterial Report Given Auxiliary

Christian citizenship was the theme of the speech given by Mrs. G. Paul of Toronto, at the recent Presbyterial conference held in Havelock, Mrs. W. G. MLaren reported to members of the George St. United Church Women's Auxiliary on Tuesday. Two speakers from Peterborough were also present, Mrs. H. Parnell, who gave a paper on "Alcohol and Its Effect on the Home," and Miss Rachel Young, who spoke on the work of the Children's Aid Society.

The meeting was held Tuesday afternoon in the church parlor with the president, Mrs. E. Wand, in the chair. Scripture was read by Mrs. Kerneghan, and several hymns sung. Two piano solos were given by Eleanor McGee.

Of Interest to Women

HERE IS THE REPUBLICAN VERSION of the stiff upper lip, a strip of black chenille tacked to the upper lip by local adherents of U.S. presidential candidate Thomas E. Dewey, whose trim moustache has already become a hallmark of his personality. It is not generally believed that good looking girls and women favoring Dewey intend to spend the time between now and election day wearing so conspicuous an emblem of political support, but it should prove a boon for political parades and for little boys who like to take sides and let the world know about it. But in any event these two smiling lassies demonstrate what the duster looks like. They are Margaret Cole, LEFT, and Valoise Johnson.

THE STARS SAY....

By GENEVIEVE KEMBLE

For Thursday, September 9

A particularly lively and eventful day is indicated by the current auguries, with all affairs moving under clever manipulation of ideas and new openings, mainly supported by clever strategies, where problems may seem obscure or intricate. New business, change, travel, fresh contracts or contacts, could be greatly advanced by secret understandings, subtle manipulation of new propositions, particularly those involving writings, communications, publicity or dealings with agents, should flourish. The situation could be decidedly enhanced by secret deals, tacit understandings, or other subtle or covert strategies, in which hunches, intuitions or curious "imagination" could be of vital influence. The unique and peculiar may greatly accelerate most prosaic doings or objectives.

A child born on this day has much talent, versatility and sagacity, all aided by peculiar, subtle or idealistic gifts.

Knitted Gowns New Touch In Fall Styles

NEW YORK, Sept. 8—(CP)—It's back to the days of Scarlett O'Hara in women's evening styles according to the fashion designers at Jay Thorpe.

However, that is only one aspect of the new fall collection shown to the press Tuesday.

Departing from front bustles, bell-shaped skirts, panniers and hooped petticoats, the review switched to slim knitted gowns with tailored lines.

One, a biege-and-gold dinner dress, has imported French gold buttons and a hemline, faced in bronze taffeta, slashed several times to the knees.

There are knitted suits and afternoon dresses as well, with a multitude of detail knitted into them.

Bearing a striking resemblance to tweed was a black-and-red wool suit with high neckline and cutty-corner pockets. A cafe-au-lait afternoon dress, simply styled, had pleats knitted into the skirt all the way around.

Some fur coats were shown in the collection, most of these departing drastically from the conventional fur coat styles.

A coachman's greatcoat was the source of inspiration for a black broadtail, with a high collar, full back and silver buttons.

Capes were represented by a half-blood mink, with the mink design running circularly around the shoulder and vertically from the shoulder down.

Newlyweds Given Set of Dishes

FRASERVILLE, Sept. 8 (ENS)—Mr. and Mrs. Haig Bothwell, nee Bernice White, a recent bride and groom, were guests of honor at a gathering held in Fraserville Orange Hall Friday night where a large number of their Fraserville friends gathered to honor them.

The evening was spent in dancing with violin music supplied by Mr. Stewart Dawson of Otonabee and Mr. Ted Scott of Fraserville with Mrs. O. Johnston of Peterborough at the piano.

At midnight Mr. and Mrs. Bothwell were called to seats of honor by Willis Cunnigham. Leigh Hewitt read an address and on behalf of their Fraserville friends the popular young couple were presented with a 66-piece dinner set.

On behalf of the bride Mr. Bothwell thanked everyone and invited all to visit them at their home in Bethany after which all joined in singing "For they are jolly good fellows".

Supper was then served and dancing continued.

DOROTHY DIX

Grooming Friendly Manner Needed For Personality

DEAR MISS DIX: How can a woman cultivate an attractive personality?

✧ ✧ ✧

ANSWER: To acquire a pleasing personality that will make her persona grata wherever she goes, a woman must begin by making herself as easy on the eyes as possible. She need not be a beauty, but she must always be good - looking, which is to say, well - dressed and well-groomed.

Dorothy Dix

Clothes are the homely woman's salvation, for like the mantle of charity, they cover a multitude of sins in the way of physical blemishes and defects. If a woman has pretty frock and a becoming hat, nobody notices the color of her hair or her complexion.

Next, the woman who wishes to develop a pleasing, personality must acquire a friendly manner. She must wear the smile that won't come off. She must show interest in other people and she must learn to listen in other people and she must learn to listen sympathetically while they tell her about their babies, their baby-sitters, their servants, and their aches and pains and surgical operations.

She mustn't be afraid to show people that she likes them and enjoys them. We all are instinctively drawn to those who show that they admire us.

Pleasant Remarks

The woman who wishes to be popular must be amiable and good-natured and given to saying only pleasant things to people. Nobody likes a woman who is sour-faced and malicious and prone to make sarcastic speeches. The woman who is sweet and friendly and cordial is always popular, and any woman can be that.

✧ ✧ ✧

DEAR MISS DIX: I am engaged to marry a doctor, and I love him dearly, but I cannot stand the thought of women going to his office. I always have heard that women are attracted particularly to doctors and this thought is on my mind constantly.

Do you think I would be happy married to this man?

MATILDA H.

✧ ✧ ✧

ANSWER: I certainly don't. I don't think you would be happy married to any man if you are going to be filled with jealousy and suspicion of every woman he meets and with whom he has business. More than that, you will ruin the life and wreck the career of the doctor if you marry him.

Instead of trying to keep women out of his office, you should shoo them in, for on them depends your prosperity. Have gumption enough to realize that a doctor is no more danger of having affairs than any other man. It is all in the man himself. If he wants to philander, he can find plenty of women, no matter what profession he follows.

But, unless you can change your attitude toward your fiance's work, you had better break off the engagement, otherwise both of you will be perfectly miserable.

(Released by The Bell Syndicate, Inc.)

NEW VERSION OF BERET—No matter how the beret is draped or manipulated it is always popular. A new twist is given to this old favorite and it comes up with a crowned affair on bonnet lines that still looks like a beret, but a mighty pretty one. It is of cloud white beaver felt and speckled bird wings soar from the side for dramatic accent.

First Mass At Hastings Said a Century Ago Parish Marks centennial

Our Lady of Mount Carmel Roman Catholic Church in the village of Hastings, today marks the 100 anniversary of the founding of the parish.

Back in 1847, when the sprawling hamlet straddling the Trent River was known as "Crook's Rapids", Rev. Father Higgins came to the settlement as a missionary. His work was to meet the needs of Catholics in the district, and included also the villages of Norwood, Campbellford and Warkworth. Heavy woods clothed most of the country, and the settler's homes were few and far apart. He occupied the house now, known as the "look house" where he also said mass, and in December of 1847, he was permanently appointed to the parish.

Many priests have headed the parish since that distant day a century ago, most of them warm-hearted, scholarly Irishmen, and each not only did a wonderful job in their spiritual work, but contributed materially to the physical improvement of the church property.

This morning at ten o'clock. Most Rev. Gerald Berry, D.D. Bishop of Peterborough celebrated Solemn Pontifical Mass with Very Rev. V. J. McCauley, Campbellford as Assistant Priest. Deacons of Honor were Very Rev. Dean J. B. Ferguson, Warkworth and Very Rev. Dean M. J. O'Leary, Bracebridge. Deacons of the Mass was Rev. L. J. Cleary, Kirkfield, and sub-Deacon, Rev. C. J. Carroll, Norwood. Masters of Ceremony were Rev. John Coughlan, Peterborough and Rev. Kenneth Malane, Cobourg. Rev. J. J. McCarthy, parish priest at Douro delivered the sermon. Following the mass, Rev. John J. Garvey, parish priest was host at a dinner in the rectory.

New Rectory Built

This centennial marked a hundred years in the service of God, while late, is being held within the centennial year. It was impossible to hold the celebration sooner, and as a new rectory has just been completed, the date was very appropriate. At the same time, the old rectory is being converted into a convent for the Sisters of St. Joseph, who will assume the teaching in the Separate School, and will also teach music in the convent. The Superior is Rev. Sister St. Gabriel.

The church was built in 1865 during the ministry of Father Quirk. It is an imposing stone building with a tall spire, located on a hill overlooking the village. It was completed in October 1865 and dedicated on Oct. 15, 1865.

The first priest Father Higgins labored from 1847 until 1852 when he was succeeded by Rev. Father Farrelly, who built on the site of the present church, a chapel in a room where the faithful attended mass.

Reverend Father Farrelly was succeeded in 1857 by Father Harty, who remained for a few months only, and was followed by Father Byrnes, who had charge until December, 1858, when Father Brophy came, remaining until February, 1862.

In this month, Reverend Father Quirk, of pious memory, was appointed to the parish. By him was built the present church, which was completed in October, 1865, and on the 15th of that month was dedicated to Our Lady of Mount Carmel, by the late Bishop Horan of Kingston. Father Quirk also inaugurated the Separate School. After many years of labor in his wide and scattered parish, he died in June, 1895, and was buried beside the church he had built, which now stands a fitting monument to his memory and zeal for the glory of God. His grave is an object of love and veneration to the people in whose hearts his memory is still green.

Father Michael Connelly succeeded Father Quirk. He built the present residence of the parish priest. He died in October, 1897, and was buried at Perth, of which place he was a native.

Reverend Father Peter McGuire who died in Peterborough in 1931, became pastor of this mission in April, 1898. With his well known zeal and energy he labored not only for the spiritual but also for the betterment of the parish, and during the seven years of his pastorate many improvements were made, among which he mentioned the institution of the parish cemetery in its present desirable location, a short distance from the church.

The late Reverend Father Bretherton took charge in May, 1905. The present highly commendable condition of the church and its surroundings are due to his care and foresight.

It was during Father Bretherton's pastorate that the vault was built at the cemetery. The beloved pastor died in 1930.

Reverend Father P. J. Kelly, LLD, took charge in 1931, coming to Hastings from Victoria Road. Through the untiring efforts of Father Kelly, the parish was out of debt within a year, and was second to none in the diocese of Peterborough.

Rev. Dr. Kelly, noted athlete, raconteur, and brilliant speaker, was one of the most aggressive priests to ever head the parish. He had the magic touch of getting money whenever it was needed for parish expenses or repairs, and shortly after being posted to Hastings he decided the church needed a complete overhauling.

In September, 1933, about two years after Dr. Kelly had arrived the late Bishop O'Connor visited the church to bless new stations of the Cross and three new altars. At that time, too, new pews, a baptismal font, and confessional had all been added, Bishop O'Connor paid warm tribute to the zeal of the pastor and the generous co-operation of the parishioners for this magnificent work. In 1935 Dr. Kelly was transferred to the Cathedral parish in Peterborough.

He was succeeded by the late Rev. Paul Costello who held the pastorate until his death in 1942. He was widely known and admired as a priest, and for his keen interest in the welfare of war veterans. He served in many responsible posts of the Canadian Legion, and had ben associated with veterans' welfare work since the early days of the Great War Veterans' Association. He was padre of the Canadian Legion, Branch 52, at Peterborough, Father Costello was prominent too in Red Cross work, and the parish prospered and expanded under his capable administration.

Rev. J. J. Garvey, the present parish priest, was appointed shortly afted the death of Father Costello in 1942, and in a short time he endeared himself to the parishioners and the community. His work has been directed not only to the spiritual needs of his people, but he is keenly interested in the young people, and under his direction the new rectory has been completed. A comparatively young man, Father Garvey joins to-day with the clergy of the diocese in giving thanks to Almighty God for the manifold blessings that have been bestowed on the people of this Northumberland congregation.

Car Hit By Train 7 People Injured

ORANGEVILLE, Sept. 8—(CP)—Six persons in an automobile hit by a freight train one mile west of here today received only minor cuts and scratches, but the train engineer required two stitches to close a gash over the eye.

The car was knocked 85 feet into a thicket, but the bush was so thick the passengers couldn't release themselves. The engineer, A. D. Hadaway, of Orangeville, came to their rescue, and as he opened the car door he was struck by a piece of flying metal.

World News In Brief

Taken from Wires of Canadian Press.

HOLYOKE, MASS. — Wheat straw has been turned into newsprint, which manufacturers say may result in great savings to publishers if capable of running through high-speed presses. It is believed that paper made from wheat straw can be marketed for $65 to $72 a ton. Woodpulp newsprint costs in the neighborhood of $100 a ton.

NEW DELHI — Prime Minister Pandit Jawaharlal Nehru said India has asked the Nizam of Hyderbad for the last time to disband the Razarkars and allow the Indian army to be stationed in his capital. The Razakars (volunteers) are an armed band operating under the state's United Moslem Party.

VANCOUVER — The British Coumbia federation of labor will support the C.C.F. in the next provincial election, it was decided at the annual convention here.

Support for the C.C.F. came after the federation adopted resolutions criticizing the B. C. government's labor code.

GRAFE WOEHR, GERMANY —Some 20,000 United States soldiers rolled out of their tents and deployed through rough mountain terrain in the biggest mock battle since the real thing ended. Thousands of jeeps, weapon-carriers and tanks rolled from this reservation soon after sunrise on the first manoeuve on a grand scale ever planned by United States armed forces in Germany. British forces also took part.

Divorce Final

NEW YORK — Film actress Rita Hayworth said her California divorce from actor-writer-producer Orson Wells becomes final in November and "there is no possible reconciliation. She returned aboard the Queen Elizabeth from a three-month European holiday.

GUYSBORO, N. S. — Berton E. Robinson, former editor-in-chief of the Halifax Chronicle and Halifax Daily Star, has been appointed principal of Guysboro academy.

BRISTOL, ENGLAND — A proposal to receive women into the Methodist ministry was rejected 256 votes to 185 at the recent annual Methodist conference. The proposal was that women ministers should have the same status and receive allowances on the same scale as men, but must resign on marriage. It brought to a head a years-long discussion of the topic.

TORONTO—Horsemen at the Canadian National Exhibition horse show complained owners of some entries were indulging in the practice known as "rapping" —striking horses legs and chests with poles in the practice ring so that they will clear obstacles out of fear of being hurt.

HAMILTON — The $45,000 will of the late Mrs. Margaret E. Galbraith, filed for probate provides for a $5,000 bequest for the construction of a building to house Hamilton art gallery. If the building is not completed within five years, the money will be transferred to McMaster university here for the same purpose.

WINDSOR — Joseph Sweney, 28, of Detroit, died of injuries suffered last Saturday in a street brawl. He never regained consciousness after being admitted to hospital. Robert O'Neill, 28, is charged with assault. He was remanded to Sept. 10.

TORONTO — Marcus H. Lipman, 19, of Toronto was arested at the Canadian National Exhibition on a charge of ticket scalping. Lipman was employed as a ticket-seller at the grandstand He was identified by two persons who claimed he had sold them $1 admission tickets for $5.

NIAGARA FALLS — City council refused to take action on a Niagara Falls Hydro Commission request to reduce street lighting to conserve power The city's power allocation because of the impending shortage is about 152,000 kilowatt hours—about 2,000 less than what is used now.

TORONTO — William Brooks, 76, Grand Secretary of the Independent Order of Odfellows for Ontario for the last 37 years, died. Born at Shanty Bay in Simcoe County, Mr. Brooks, organized business colleges at Galt, Kitchener and Guelph.

MARGATE, KENT, ENGLAND —The Trades Union Congress, backbone of the Labor government, decisively defeated a resolution calling for immediate nationalization of Britain's iron and steel industry. Instead, delegates to the T.U.C.'s annual conference approved an amendment recognizing "the need for the care exercised by the government in determining the future of this important and complex industry"

BRUSSELS — Humphrey Mitchell, Canadian minister of labor, had a long talk with Leon Elie Troclet, Belgian labor minister, exchanging views on social conditions of workers in their two countries. After a few days in Brussels Mitchell is going on to Central Europe to confer with Canadian authorities working in displaced persons camps there.

STRATFORD — George Yundt, of Monkton, is in hospital suffering chest injuries as result of accident between his automobile and stationary C.N.R. freight extra. The accident happened at 4:50 A.M., near the Brunner highway crossing. The car smashed into side of train, which had just come to a stop. Foggy weather is blamed for accident.

LONDON, ENG. — Scotland Yard said today "there is no official foundation" to a Daily Herald report that the R.C.M.P. is being asked to assist in an inquiry into the fatal stabbing Sunday of Mrs. Helen Freedman, 59. The Herald said Mrs. Freedman also was known as "Russian Dora" and had been arranging to migrate to Canada to marry a Canadian she met during the war.

DIGBY, N. S. — The traffic problem in urban centres demands drastic measures of amelioration, Bertram D. Tallamy, chief engineer of public works for New York State, told the 29th annual convention of the Canadian Good Roads Association.

MONTREAL — Two suburban Verdun residents were believed drowned in the city aqueduct when the truck in which they were riding sideswiped another truck and plunged down the 25-foot embankment into 15 feet of water. The truck was recovered a 12:30 a.m.—more than three hours after the mishap, but the bodies were no in the vehicle.

No More Drinks

TOKYO — It isn't democratic to drink liquor, a youth organization in the town of Wajima decided. The organization adopted an abstinence program, providing a fine of 50,000 Yen against any member who touches a drink. The same fine applies against anyone criticizing mistakes by fellow-members.

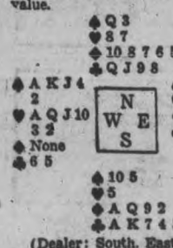
BARCLAY ON BRIDGE

TWO POINTS NOT KNOWN

TWO important phases of bidding are misunderstood by some of the finest players. One of those is the importance of overcalling with a suit, instead of making a takeout double, when holding a two-suiter. The other is the importance of bidding immediately over a takeout double, by raising your partner's suit or calling another one, if you have sufficient playing tricks, when your hand is extremely weak defensively. Both of these measures, used with judgment, have great competitive value.



(Dealer: South. East-West vulnerable.)

South	West	North	East
1. 1 ♣	Dbl.	1 ♦	Pass
5 ♦	Dbl.		
2. 1 ♣	Dbl.	2 ♣	Pass
5 ♣	Dbl.		

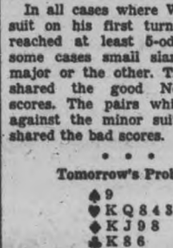
Proper understanding of the two points stated in our lead paragraph determined who got a good and who a bad score on this duplicate deal. The sequences given show what happened at two tables where West doubled when he should have bid one of his suits. North knew the defensive efficacy of bidding with his weak hand, containing enough supporting tricks in clubs, to impede with a bid, which shut out East's anemic holding. South hopped so high then that West did not dare show one of his suits, since the other had not been bid.

Where West bid one of his two suits at once over the club opener—either with a minimum or with one more than minimum—he was able to complete his story with another single bid when South tried to shut him out.

In all cases where West bid a suit on his first turn, his side reached at least 5-odd and in some cases small slam, in one major or the other. Those pairs shared the good North-South scores. The pairs which played against the minor suit sacrifice shared the bad scores.

• • •

Tomorrow's Problem



(Dealer: West. North-South vulnerable.)

What factor makes the diamond suit preferable to hearts for trumps on this deal?

Rock Garden Report Given City Council

Correspondence to the council last night from G. N. Gordon included a progress report on the rock garden he has had under way at Park and Hunter streets. This enterprise in public beautification is now about completed, Mr. Gordon wrote, and contains more than 400 plants, cuttings and perennials.

"I'd take over the care of the land if I receive permission to remove a few trees in front of my house. There is too much shade for the varied class of shrubbery and flowers."

Mr. Gordon suggested that the arrangement with the city could be terminated on two months' notice.

NO BUS PATRONS

Not one of the members of the council is included in the patrons of the Peterborough buses. If any one of them ride the buses it must be on rare occasions when the family automobile is hung up for repairs.

Obituary

BARBARA DOUGLAS

The death of Barbara Douglas, three years old, daughter of Mr. and Mrs. Don Douglas, 572 Charlotte St., occurred Monday at the Sick Children's Hospital, Toronto. The body is resting at the funeral home of A. Comstock and Sons, 303 Water St. The funeral will be Thursday at 2 p.m. to Little Lake Cemetery. Rev. Dr. James Semple will conduct the service.

ROBERT WALKER

After an illness of two weeks Robert Walker died in Warkworth. Funeral services were held at the home on August 30 and were conducted by Rev. C. A. Mullin B. A. of St. Andrew's Presbyterian Church assisted by Rev. H. G. Lester B. A. Very Rev J. B. Ferguson V. F. and the St. Andrew's Choir.

Mr. Mullin paid great tribute to the noble Christian strength of character and the courtesy and kindness of Mr. Walker which made him oustanding among men. He attended regularly St. Andrew's Presbyterian Church since coming to Canada from Scotland 65 years ago. For many years he was Superintendent of the Sunday School and loved working with the young people and was a member and for many years chairman of the board of managers.

At the time of his death he was senior elder and clerk of session. He was always concerned with the well being of his fellow men. His good deeds and kindnesses will long be remembered in this community, and his many friends both young and old will miss his friendly personality. Mr. Walker was a member of Warkworth Masonic Lodge for over 50 years.

Upon coming to this country he worked as clerk in his uncle's general store. This business he later bought and carried on very successfully until his retirement four years ago. Surviving are his widow the former Alice V. Grieve. Three sisters Mrs. M. Gilbert, Mrs. H. Cawood both of England. Mrs. V. Rowley of New Westminster, B.C. Honorary bearers—The members of Session of St. Andrew's church. Pall Bearers, Mr. B. Isaac, Mr. G. Walker, Mr. A. Weatherson, Mr. G. Maycock, Mr. J. Greenly, Mr. C. Greenly.

Last Rites Are Held For Frederick Hunt

The funeral of Frederick A. (Bert) Hunt, 214 Westcott St., who died suddenly at Golden, B. C., Monday, August 30, took place today from his late home to Little Lake Cemetery. The service was conducted by Rev. Ivan C Morgan of Murray St. Baptist Church. Pallbearers were: W. H. Andrews, Leo Ackford, T. Forsythe, James Goldie, Charles Kingan and E. Melville Turner.

Mr. Hunt was born in Toronto son of Frederick E. Hunt and his wife, Elizabeth Sheppard, both deceased. He came to Peterborough 52 years ago, and was employed for 34 years at stationary engineer with Canada Packers Ltd., retiring on superannuation in 1937. His death occurred on an automobile trip to the Pacific Coast.

Mr. Hunt is survived by his wife, the former Clara Ethel Whitham, one son, Frederick G. Hunt of Toronto and daughter, Mrs. Clifford H. (Mary) Chapman of this city, and his sister, Mrs. Addy Russell, Toronto.

Leafs Will Release Pitcher Luke Hamlin

TORONTO, Sept. 8 — (CP)— President Peter G. Campbell of the Toronto Maple Leafs International League baseball team said today that Luke (Hot Potato) Hamlin will be given his outright release at the end of the current season.

"Luke doesn't figure in our plans for next season," President Campbell said. "He's all baseball and we don't stand in his way. Anything he wishes to do is okay with us."

Hamlin, a veteran major and minor league pitcher, has won six and lost 10 games for the Leafs this year.

Campbell also revealed that Leaf Pitcher Jock Thompson has been taken by Philadelphia Phillies for $10,000 under the 1948 working agreement with the National League club.

WANT STREET LIGHTS

A petition for street lights on Western and Ford Avenues and St. Mary's St. was referred by the council last night with the request "that they be looked after." The area has been in the city three years.

Bay Of Quinte Conference Laymen Meet

The Laymen's Conference of the Bay of Quinte Conference was held in Albert College during the Labor Day weekend with 25 different localities in the seven Presbyteries of the conference being represented, Dr. E. Lamont Geissinger, M.A., D.D., S.T.B., of Chicago, Associate Secretary of the Board of Lay Activities of the Methodist Episcopal Church in the U. S., was the principal speaker at the meetings. The conference was one of three, the other two being held at Alma College in St. Thomas and at McMaster in Hamilton. It was decided that next year the conference will be held about the middle of September in order to avoid delegates being away from their homes over Labor Day holiday.

H. B. Neal Chairman

The conference opened on Saturday afternoon under the chairmanship of Rev. Harold B. Neal, chairman of the Bay of Quinte Conference Missionary and Maintenance committee. Rev. James Lyttle, superintendent of Home Missions for Northern Ontario followed the progress of the opening of missions in Northern Ontario, which includes six-sevenths of the population of the Province.

He traced the development of the natural resources as well as the progress of the church since 1900 because prior to that time little was known of the vast expanse.

Mr. Ray Marshall discussed the subject "what can be done for the depressed, rural church" stating that life of the rural population was quite different from the life in urban places but that the same problems arise among the people, who the speaker stated were quite as intelligent.

Former "Y" Worker

W. J. Holliday, secretary of the committee of Lay Activities in the United Church, was a former worker in the YMCA in Montreal and overseas and claimed that the problem of the church was not the problem of youth. "The problem as I see it" said Mr. Holliday "is to keep the middle-aged sufficiently inspired that they in turn inspire the young to full-time service in the church." There must be Christian fellowship and personal evangelism for without action thought cannot ripen into fruit.

$3,000,000 Needed

Rev. A. G. Williams, Associate Secretary of the Missionary and Maintenance Fund of the United Church in Canada claimed $3,000,000 was needed by 1950 and if the church members gave according to the standard of their bank balance and by giving ten per cent the church could raise $5,000,000. Dr. Anson C. Moorhouse described the advancement of visual aids and called special attention to the July edition of the Observer to the development of sound films. He emphasized the importance of visual aid and said "it must be increasingly given in the Department of Education." "The man who knows will care, the man who cares will do something about it" said the speaker in conclusion.

Conference Greetings Given

A. A. Martin of Brighton, representing the conference Lay Activities Committee, addressed the meeting and Rev. J. V. McNeely of Oshawa, president of the Bay of Quinte Conference brought greetings from that body. Rev. Denzil Ridout stated that the blessings of God comes through consecrated human personalities and he asked how can all creatures join with us in praise and thanks to God if the church does not have the money to send the word and men. He claimed that the church had met its obligation but that she has 118,000 more families than in 1930 and if our families of the present time will give as much per capita as did the families in 1930 we could not only raise the three million of dollars asked in 1950 but could raise it this year.

CATCHES GREEN BASS

When it comes to bait the lowly worm still seems to retain its lure. On Friday afternoon C. W. Rueppel, 1365 Clarence Ave., Lakewood, Ohio, was still fishing with a worm in upper Stony Lake when he caught a 4 lb. 11 oz. green bass. Mr. Rueppel who is enjoying his first trip to the Kawarthas, is a guest at Irwin Inn on Stony.

North Atlantic Security System Urged By Canadian Government

TORONTO, Sept. 8 (CP).—External Affairs Minister St. Laurent said today that the Canadian Government "has been urging at home and abroad" the "immediate establishment for a North Atlantic security system."

He was speaking at the Canadian National Exhibition directors' luncheon in his first major address since his selection as national Liberal Leader.

He said that "If the United Nations in present conditions cannot — and we know it cannot — guarantee the security of its members, that does not mean we need sit back and wait for tyranny and aggression to attack and destroy the democracies one by one."

The North Atlantic System would comprise "the United Kingdom, the United States, Canada and the free countries of Western Europe," said Mr. St. Laurent.

"We think such a system could create and maintain the necessary preponderance of defensive force over any possible adversary or combination of aggressive adversaries."

Democracies Unite

He said if co-operation to preserve the peace within the United Nations "is impossible on a universal basis, it is possible for the free and peaceful democracies to organize their forces on a regional basis, to ensure collective resistance to and collective defeat of aggression, direct or indirect, from whatever quarter it comes.

"Such collective action, even if at the beginning only on a regional basis, is urgent and necessary. The threat of aggressive and expansionist Communism, harnessed to the ambitions of a great power, is too great, too direct, and too immediate for us to do nothing until all the freedom loving nations reach agreement to act together."

He said a collective arrangement such as he proposed "has positive as well as negative values. It could make for prosperity as well as security but had in it the ultimate hope of establishing freedom, order and welfare over a wide area.

"Under present conditions, that seems to be our best formula for peace; the concentration of an overwhelming superiority of moral, economic and physical force on the side of those who do not wish to use force, but are resolved to do so together, if the necessity is forced on them.

"If we can bring this about, it may then come to pass that the forces of aggression, respecting our power for war and convinced of our will for peace, will abandon their mad designs, dismiss their unjustified suspicions, and begin to co-operate with others without requiring that they become mere satellites."

Takes Two Fine Bass From Belmont Lake

HAVELOCK, Sept. 8—(ENS)—Belmont Lake has once more lived up to its reputation as the place where the large fish are caught.

William Abberger of Buffalo, N.Y., proved this on Sunday when he caught two small mouth black bass weighing 6¼ pounds and 4½ pounds. He was casting with a flat fish as bait. About three weeks ago he caught one weighing five pounds in the same manner.

Mr. Abberger has been a visitor to Belmont Lake for several years and this year he built a cottage on King's Landing.

ONE FIREMAN WAS INJURED and several spectators received minor burns during this $60,000 fire, which destroyed the William Schewe planing mill on outskirts of North Bay. A drum of gasoline exploded, showering flames and debris 300 feet into the air.

Arabs Dazed By Grim Reverses As All Israel Has Victory Dance

JERUSALEM, Sept. 8—(AP)—Israel is dancing to the victory march while the Arab states sit glumly on the mourner's bench.

The Arabs seemed dazed by their strategic reverses, appalled that 500,000 or more of their brethren have become penniless refugees and baffled as to how to cut their losses.

The best guess among key politicians is that officiall war, despite current grumbling, will not go into a third round.

The chances for an early Palestine peace are described as hinging on the answers to two questions:

Will Egypt, which wants Gaza, and Trans-Jordan, which covets much of Arab Palestine, harmonize their ambitions? Together they could swing the seven-state Aram League innto a settlement.

Growing Claims

Will Israel modify its ever-growing claim? Just now they include all territory conquered by Israeli groups besides all territory allocated under the United Nations partition decision of last November. The Israels want to bar permanently hundreds of thousands of Arab D.P.s, from returning to their ancestral homes, some of which now are being demolished.

Israel's story is a story of total war effort. Top Arab leaders have confessed, bitterly but privately, that they could learn a lesson from the Jews.

The total invasion force from five Arab states in May was less than 30,000. Israel mobilized approximately 70,000 fighting men and women, of whom more than 20,000 had training in the British army.

Gives Sermon On Blind People

MILLBROOK, Sept. 8—(ENS)—Rev. A. J. G. Carscadden, Toronto, was guest preacher at the morning service of St. Andrew's United church Sunday, representing the Canadian Institute for the Blind, and the story of the work being done to held those handicapped by loss of eyesight.

The speaker was introduced by the minister, Rv. C. C. R. McQuade, who said that for the past 20 years, Mr. Carscadden has himself been fighting a gradual loss of vision. Most of his ministry had been in the Toronto Conference and for the past five years he has been visiting the blind folk in a section of Toronto.

Special music at the service included a quintette of G. Might, W. H. Coombe, D. McKnight, H. Ouelette and M. McDowell. George Ingham was at the organ.

Mr. Carscadden based his remarks on part of the message of Christ in the synagogue at Nazareth: 'He hath sent Me to preach recovery of sight to the blind," emphasizing that the Lord was the interpreter of the mind of God, spiritually, and in healing physically.

There are in Canada 15,000 blind people, of all ages, and of all ranks. The first organized effort on their behalf was in 1918, but after the First World War, the blind had to go to St. Dunstan's, London, England, for help. The Canadian Institute for the Blind was established after World War I.

"The sightless people have problems of their own, and one is a sense of complete frustration: 'What good am I anyway?' being the first impression after sight is lost. In the Institute, we aim to meet these conditions, and it is not an easy matter to shake a mind out of such inferior complex. There are three classes of blind folk: Those wso resent the affliction; those who become morbid and brood over it, and those who determine they will overcome the handicap, and make the best of their lives."

"We have teachers, who are themselves blind, who carry on teaching Braille; handicrafts are also taught, and many are especially clever along this line; some operate news stands and cafetrias, and among the many blind women, a large number learn to go on with their homemaking, and the care of their families.

The Institute tries to find out what each blind person is best fitted for, and then help them to their life work. Over 50 per cent of the cases have been found to be preventible, and an earnest appeal was made to all teachers present to have immediate action taken should any pupil appear to be suffering from impaired eyesight; delay might mean total blindness. In 1946 there were 30,000 on the preventible list, and many go off each year if they follow guidance. We would like to open more centres across Canada to help these unfortunate citizens, young and old, and voluntary subscriptions toward the work are received gratefully."

Mr. Carscadden gave his Scripture lesson, from memory, his eyesight not permitting steady following of the printed word.

U.S. Won't Be Pushed Out Of Berlin—Truman; Will Stand Up For Rights

Russians Tell America Mind Own Business Ignore Protest On Police; Continue Campaign Against Anti-Red Council

WASHINGTON, Sept. 9—(AP).—David Dubinsky, an AFL official, today quoted President Truman as saying the United States "will not be pushed out of Berlin." Dubinsky is president of the International Ladies' Garment Workers' Union and vice-president of the American Federation of Labor. Dubinsky said he asked the president for the "fullest protection from Communist reprisal for militant trade unionists in Germany in "the event we are pushed out of Berlin."

He told reporters that the president replied: "We will not be pushed out of Berlin."

Earlier, Truman had told a press conference the United States will stand up for its rights in the German city while continuing efforts to settle differences with Russia.

In so doing, the President confirmed State Secretary Marshall's announced policy of firm resistance to Communist disorders in Berlin.

At his press conference, President Truman would not go farther under questioning of reporters. One correspondent had reminded him that the Berlin situation was "heavy on the hearts and minds" of Americans.

Talks Continuing

Truman said Marshall covered the situation as thoroughly as he could Wednesday. He said settlement talks are continuing.

Although negotiations still are going on, the President said the United States will not negotiate under duress.

Asked if the Russian blockade isn't duress, he described it rather as attempted duress.

Diplomatic authorities here have indicated growing concern over possible early collapse of the east-west talks for a Berlin agreement.

Mind Own Business

BERLIN, Sept. 9 (AP)—Defiant masses of Berliners roared out against Communism today in the largest demonstration in the blockaded city since the war.

The Soviet commandant earlier in the tense day rejected American and French protests against the arrest and kidnappings of 38 western zone police from city hall. The Russian, Maj. Gen. Alexander Kotikov, told the Americans to mind their own business.

The German throng, estimated by city council president Otto Suhr at from 150,000 to 250,000 jammed Republic Square before ruins of the Reichstag building and protested Communist attempts to seize power. The gathering dwarfed all Communist manifestations in Berlin.

200,000 In Riot

Only a total of about 20,000 persons took part in the four Communist demonstrations in the Russian zone.

Republic Square is in the British zone only 50 yards from the Russian boundary. Strong forces of Western sector police ringed the square.

The Russians rejected an American protest against the invasion of American offices in the city hall Monday by Russian-controlled police who dragged off 19 Western-sector police.

Answering the written protest

U.S. WON'T

Volcano Erupts Ask Aid To Move 15,000 People

MANILA, Sept. 9 — (AP). — An urgent radio appeal was broadcast to-night to all ships within call to remove the remaining 15,000 population from volcano-ravaged Camiguin Island as a shower of deadly acidic ash spewed from Mt. Hibokhibok.

The volcano has been erupting since September 1, and 36,000 of the litle island's population already had been removed.

Subsequently the eruption quieted, but a new acute emergency developed to-day.

The radio appeal was broadcast by Arturo Alcaraz, Philippines Weaher Bureau volcanologist, from aboard a Philippines navy patrol boat off the island.

It was heard here by Globe Wireless.

Ont. Hydro Bans Water Heaters

TORONTO, Sept. 9 (CP) —The Ontario Hydro Commission has sent instructions to all Municipal Hydro Commissions in Ontario banning the use of automatic electric water-heaters as from today, it was learned.

Robert H. Saunders, chairman of the Commission, was out of town and could not be reached for comment. Just two days ago however Mr. Saunders warned the additional use of such heaters on a cloudy day, or electric heaters, might possibly be "the straw that breaks the camel's back" in referring to the possibility of power shortage.

"We are running so close to the line that we are a little nervous," Mr. Saunders said at that time.

In line with the instructions, officials at Peterborough, London and other municipalities today cut electricity from all automatic water heaters. At London an immediate saving of 4,000 horsepower was reported.

Get 4 Planes Through Hoax

LONDON, Sept. 9 (Reuters)—Four Royal Air Force Beaufighters are missing from the country because an elaborate hoax coasted slickly through officialdom.

Scotland Yard has appealed to Continental police to help discover where the planes have been taken. There have been suggestions it may be Palestine.

The twin-engine Beaufighters were bought from the Ministry of Supply as surplus by a charter company which resold them to persons claiming to be representatives of a movie company.

For a price said to be well under £5,000 ($20,000) each the planes were delivered at a private airfield six weeks ago.

On the Aug. 2 Bank Holiday some men appeared at the airfield, produced "certificates" from the Ministry of Civil Aviation and flew away the four planes on the understanding that the film was to be completed at Exeter.

But they did not arrive in Exeter and Scotland Yard officers found the ministry had issued no certificates under which they could be flown away.

Questioned In Holdup

FORT ERIE, Sept. 9 (CP)—Inspectors from Toronto, working with the Ridgeway Provincial Police, are reliably reported today to be holding several men for questioning in connection with the robbery of the Imperial Bank at Ridgeway of approximately $5,000 last Thursday during the noon hour. Provincial officials declined comment today, merely stating "they are working on the case."

De Gaullists Ask Revision Of Constitution

PARIS, Sept. 9.— (AP) — De Gaullists demanded today a revision of the French constitution as their price for support of a cabinet Conservative Henri Queuille hopes to form.

The followers of Gen. Charles De Gaulle, wartime Free French leader and first provisional president after the Germans were chased out, are Rightists. Paul Giacobbi, head of the De Gaullists in the National Assembly, said he insisted on elections next month to the Council of the Republic, the second French chamber.

Queuille is trying to form the 14th French cabinet since the war. Robert Schuman's government resigned Tuesday after 64 hours in office.

He immediately ran into Socialist opposition when he informed them of De Gaullist demands. He has said he cannot form a cabinet without Socialist support. He scheduled another meeting with Socialists later in the day and probably will tell President Vincent Auriol afterwards whether he thinks he can form a stable government, excluding Communists.

Senator Before War

Queuille, a 64-year-old doctor from Brittany, was a Senator before the war. A Radical Socialist (Conservative), he has held several Cabinet posts since the war and was Minister of Public Works and Transport in the government which fell Tuesday night.

At an early morning press conference after consultations with party leaders, Queuille indicated he did not wish to form a government that might be unstable.

He declared that the ever-mounting inflation and other financial problems were the gravest facing France. Queuille added he hoped to set this morning, with the man he hoped to have as Finance Minister, the broad outlines for financial bills to be submitted to the Assembly. He did not identify the prospective Finance Minister.

"The financial situation," he said, "is such that it makes necessary a quick vote on financial laws capable of maintaining the value of money. They must be voted withou delay."

Whitby Youth Killed In Motorcycle Crash

BOWMANVILLE, Sept. 9 — (Special). — Alex Simpson, 21, of 219 Athal St., Whitby was almost instantly killed Wednesday at mid-night when his motorcycle crashed into a tree on Concession St. Simpson was riding alone on the machine when it went out of control and left the road.

Provincial Constable R. Kowal investigated.

44 Missing As Circus Vessel Lost

Norwegian Ship Finds 12 Survivors After Bad Hurricane

HAVANA, Sept. 9.—(AP).—A tiny circus ship was swallowed by the hurricane-swept Caribbean in the dark morning of Sept. 1 and 44 of the persons aboard and 59 trained animals are missing and feared lost.

The Norwegian motor vessel Caribe radioed Wednesday she had picked up 12 survivors in a lifeboat 770 miles south of Miami. The naval commander of the Caribbean sea frontier in Panama ordered an immediate search for others of the 56 believed aboard. The Caribe report said: "Fate of remainder of passengers and crew unknown but fear the worst."

The reports placed the scene of the sinking 130 miles off the Colombian coast, 200 miles from Panama about 30 hours from port. The Euzkera was carrying the Razzore circus from Cuba to Cartagena, Colombia.

According to the best reports here, there were 56 persons aboard, 46 of them passengers—circus officials, performers and laborers, with wives and families. There also were 59 animals — trained lions, tigers, monkeys, horses and dogs.

Those rescued, the Caribe reported, included three crew members and nine passengers.

Ship Overloaded

One naval expert here, after a study of the messages from the Caribe, pieced together this story:

"The circumstances indicate very strongly the ship was overloaded. The reports say a great wave crashed over the bow, and the ship capsized and sank. That strengthens the theory of overloading, which is supported also by data here on the cargo.

"It all happened so quickly there was no time to launch the three lifeboats and the raft aboard. People and everything aboard were pitched into the ocean. Survivors tell of people clinging to lumber and other bits of wreckage, indicating many had been awakened by the storm and were on deck."

Find First Resistance To Dismantling Plants

HAMBURG, Sept. 9 (AP)—The first active resistance of Germans to dismantling of factories for reparations was reported from the Ruhr today.

A spokesman for the iron and metal combine of Gelsenkirchen said 4,000 workers employed under military government contract would be "withdrawn from the job."

The men have been employed on dismantling and packing for removal plants listed for reparations. The spokesman said in the future the workers would dismantle only factories engaged in war production. (The Allied program is roughly divided into two parts: war plants and factories declared surplus to the German economy.)

The workers' resistance forced management to withdraw them from the work, the spokesman said.

MRS. JOHN McALLISTER, who came from Greenock, Scotland, to Canada, the bride of a Canadian naval petty officer, today sits in Victoria County jail, Lindsay, charged with the murder of her husband at their cabin near Kirkfield. The couple, shown here in their wedding photo, were described as model neighbors and seemed to be happy.

Pupil's Gun Wounds Lad In Foot

Pupils In Auditorium When Revolver Goes Off In Pocket

TORONTO Sept. 9 — (CP). — Well-known boy musician, 12-year-old Michael Spivak, today was accidentally shot in the foot at the auditorium in Forest Hill Junior High School.

Police said that another boy had a revolver in his coat pocket and the gun discharged, the bullet narrowly missing the gun-carrying student whose name was withheld. He was suspended.

Young Spivak, son of Elie Spivak who was concert-master of the Toronto Symphony Orchestra last season, himself conducted the orchestra at the age of nine in a performance of the "Toy Symphony."

Not Serious

The bullet wound was not serious but Mrs. Elie Spivak said her son was in great pain.

Sgt. J. Thurston of the Forest Hill police said the gun discharged while three grades of pupils were crowded in the auditorium listening to an address by Principal L. G. Chellew.

The boy who carried the gun will remain suspended until police have completed their investigation. "There may be police action and it is out of the hands of the school," said D. M. Graham, inspector of education in the suburban municipality.

Set October 1 Deadline For Nominations

OTTAWA, Sept. 9.—(CP).— A tentative program has been drawn up for the Progressive Conservative party's national convention here Sept. 30, Oct. 1-2.

The highlight will be the selection Oct. 2 of a successor to John Bracken, who at 65 is retiring as party leader because of age and ill health.

But before the leadership voting takes place a good deal of work will be done. A 193-man resolutions committee will meet in camera on the two days immediately preceding the convention. The committee, which will be broken down into sub-committees on external affairs, agriculture, labor, natural resources, social security, veterans affairs, and trade and taxation, will deal with resolutions from party organizations across the country.

The committee's report in printed form is expected to be placed in the hands of delegates on the convention's second day.

Formal opening of the convention is set for 11 a.m. E.S.T. Sept 30. After recitation of the Lord's Prayer and the playing of the National Anthem, J. M. Macdonnell, president of the Progressive Conservative Association of Canada, will call the convention to order. Addresses of welcome will follow and then Mr. Bracken will deliver his farewell speech as leader.

Committee Reports

Reports of committees, including the Resolutions Committee, will be discussed the second day. At the evening session, the delegates will hear addresses of candidates for leadership post. Each candidate will be allowed to speak 20 minutes, his mover 10 minutes, and his seconder 5 minutes. Deadline for leadership nominations, which must be filed in writing, has been set for 6 p.m. EST October 1.

On the third day, October 2, delegates will devote the morning to consideration of the Resolutions Committee's report. After the luncheon adjournment they will start voting for a leader.

The convention will end with the speech of acceptance by the new leader.

Jackson Back In Toronto 'Victim Of Red Hysteria'

TORONTO, Sept. 9—(CP).—Clarence S. Jackson, international vice-president of the United Electrical Workers (CIO), who was refused entry to the United States, arrived at suburban Malton airport early this morning. He said he had been the victim of "a Red hysteria which is being used to attack the whole trade union movement."

Jackson was seized by US immigration officials when he landed at LaGuardia Field, New York, Tuesday to attend a UEW convention.

"They asked me three questions," Jackson said. "They were: where I lived, what I was doing and whether I was a member of the Communist party. I answered 'No' to the last question. Then they asked me if I was associated with the Communist party in any way, and I said this question was open to several meanings. They dropped the question."

Jackson, head of the UEW in Canada, said he was permitted to see no one but his lawyer and was not allowed to make telephone calls. He signed a waiver on a writ of habeas corpus obtained by his lawyer because by the time the writ went through the courts the convention would have been over.

First Time Stopped

He said he had crossed into the United States six or eight times since 1937 and this was the first time he had been stopped.

In New York Wednesday habeas corpus proceedings for Jackson's release were dismissed and decision reserved on a motion to release him on bail. Judge Simon F. Rifkind said Jackson's chief complaint was his detention prevented him from attending the union's convention.

"His inability to attend, however, is a product of his own delay in selecting the date of his arrival in the United States."

"He is not free to arrive in the United States on the eve of a union convention and complain because the ordinary routine for the inspection and examination of aliens interferes with his attendance."

Milk Distributors Will Fight Increase

TORONTO, Sept. 9 — (CP).— Ontario milk distributors will fight any proposed increase in the price of milk "to the last ditch," a spokesman said today.

"No one can predict what the outcome of negotiations soon will be," he said. "But we will fight any two-cent-a-quart increase which had been indicated."

Although the spokesman said milk profits are disappearing and diminishing, "there has been no concentrated effort on the part of distributors to get an increase."

Russian Planes ViolateDenmark

COPENHAGEN, Sept. 9 (CP)—Danish naval authorities said some 50 Russian planes violated Danish territory in flights about Bornholm Island and Russian naval units were seen today north of the Island near Denmark's territorial waters.

The authorities said Soviet destroyers and a few heavy cruisers were easily recognizable as they neared Danish waters. They said they believed these movements were part of naval manoeuvres.

The population of the island was reported jittery over the incidents.

There are no soldiers on Bornholm at present. The Danish garrison of about 1,500 men was sent back to Copenhagen Monday for demobilization, and the new garrison will not arrive for some time.

Oil Well Fire Out Battle Appears Won

EDMONTON, Sept. 9.— (CP).— Fire at Atlantic No. 3 oil well went out today and Alberta Conservation Board officials commented injection of water into the producing zone had choked off the crude oil and natural gas.

At 9 a.m. EDT today the well was brought under control, the 60-hour raging holocaust of oil fizzled out and the six-month-old battle to control the unchecked production appeared won.

I. N. McKinnon of Edmonton, Conservation Board chairman, said that injection of water down a relief well "definitely affected" the rogue well and added it is planned to keep pumping water into the formation.

Will Hold Inquest

TORONTO, Sept. 9—(CP). — The Crown Attorney at Pembroke has been instructed by Deputy Attorney-General C. R. Magone to hold an inquest on Violet Goglin, the 18-year-old Barry's Bay girl who was drowned in the Madawaska River when she was apparently trying to "walk on the waters" in an act of faith.

The girl walked steadily into the river and was drowned on Aug. 29. Her sister Viola, who was with the dead girl, said that Violet just walked into the water until she disappeared. Members of the girl's family were reported to have said that the girl was "called by the Lord."

The date for the inquest has not yet been set.

Russians Ask Conference In 24 Hours

Want To Discuss Future Of Italy's Pre-War Colonies, Deadline Near

MOSCOW, Sept. 9 —(AP)— Russia has suggested Foreign Ministers' of the Big Four meet in Paris tomorrow to discuss the future of Italy's pre-war colonies.

(A Foreign-Office spokesman in London said he could not "venture to guess" whether it would be physically possible to get together on such short notice. There was no immediate reaction at the State Department in Washington. The problem is complicated by the fact France at present has no government.)

If Britain, France and the United States agree, the Big Four would have but five days to settle a question which has remained unsettled since the war, despite long and frequent conferences.

Must Act Soon

The Italian peace treaty provides the four major powers must reach a descision on what to do about Lybia, Eritrea and Somaliland by Sept. 15 or turn the problem over to the United Nations. The U. N. assembly convenes in Paris Sept. 21.

Russian proposed last week the Big Four get together before the treaty deadline and Britain and the United States replied Wednesday they were ready to do so. They asked Russia to set the date.

Colonial Studies

(The Foreign Ministers held many conferences on the colonial question and then referred it to their deputies for study. The deputies worked on it for a year and finally sent the whole thing back to their chiefs, without agreement. There has been no public announcement of the position of the four powers, but responsible sources have said even the Western powers are in disagreement.)

If the Big Four does get together in Paris tomorrow, it probably will mean there will be no more Four-power talks in Moscow concerning the Berlin crisis for the time being.

BULLETIN

BERLIN—Russians and Communist-controlled German police fired on Berlin anti-Communists tonight after the crowd stoned a jeepload of Russian soldiers just inside the Soviet sector.

Order Hyderabad Evacuated As Bloodbath Predicted

NEW DELHI, Sept. 9.—(CP).— Moslem Pakistan's foreign minister charged today India's policy in the Hyderabad dispute will lead to a 'communal bloodbath" which could engulf the sub-continent.

The foreign minister, Sir Mohammed Zafraxullath, made this statement to reporters in Karachi. In New Delhi, it was announced that aerial evacuations of Canadians, Britons and Americans from Hyderabad will begin in a few days "in view of the latest developments."

Open warfare threatens over the big princely state, which is ruled by the Moslem Nizam. Hindu India has demanded that Hyderabad become part of the Indian dominion because its population is largely Hindu.

The British High Commissioners' office here announced plans for the evacuation, which would also affect some Australians.

The announcement came two days after Indian Premier Pandit Jawaharlal Nehru's declaration India had asked the Nizam of Hyderabad "for the last time" to disband the Razakars (militant Moslems) immediately and to readmit Hindunindian troops to the town of Secunderabad, near Hyderabad city.

Pingle Venkaraman Reddi, Hyderabad deputy premier, said India was not entitled to send troops to the city, and added: "responsibility for the inevitable consequences of any aggression will rest entirely with India."

The British High Commissioner was intercepting commercial York aircraft—probably two—of the British Overseas Airways Corporation to evacuate the people to Madras.

The plan covered about 300 British and other nationals in and around Hyderabad city and about 200 more in the interior and near the borders of the state.

Dry Spell Costs Ont. 10 Million

Can't Get Fall Wheat Into Ground Unless Rain Comes

TORONTO, Sept. 9 (CP) — Agriculture Minister Kennedy indicated Wednesday night Ontario farmers would lose between $10,000,000 and $20,000,000 this year as a result of dry weather.

The minister estimated farmers' losses would amount to between one and two per cent of the total crop value. Previously officials of Mr. Kennedy's office had set the value of the crop at $1,000,000,000. He described the situation as the worst in his 47 years farm experience.

"Farmers can't get their fall wheat in the ground without rain and this won't help next year's crop prospects," he said.

There was a total of .16 rain fell this morning in the Peterborough area.

The department's weekly crop report indicates milk production has fallen off 50 per cent in some areas and farmers are already feeding cattle winter grain. Fruit and root crops were withering from lack of moisture.

Meteorological officials said the province had had only 1-10 of inch of rain to date. They said they believed the monthly fall would be far below the normal 2.79 inches. Scattered showers were forcast for Southern Ontario but elsewhere there was no rain in prospect for 48 hours.

Milk Cut 50 P.C.

Haldimand County reports that in some instances milk production has fallen off 50 per cent and at least two-thirds of the farmers are feeding their cows with hay and grain.

The field corn is maturing much too rapidly and many farmers, to save it for feed purposes, are now putting it in their silo. In many places the extreme heat has caused trees to loose their leaves.

Brant County says that preparation of land for fall wheat is at a standstill. The ground is so hard it is impossible for many farmers to plow. Perth reports acreage sown to this crop will be greatly reduced unless there is rain this week.

The moisture situation is said to be serious in many sections of Halton. Tomatoes and a small percentage of apples have been sunscalded and lack size. Bean growers in Huron feel that their crop has been cut by at least 25 per cent by the dry spell.

Papers And Utilities Lead Downward Trend

TORONTO, Sept. 9 —(CP)— Prices continued slowly downward as trading lagged on the stock exchange here today. Industrials eased on narrow fractional losses but showed signs of firming. Base metals were also weak and golds and western oils were steady.

Papers and utilities led the downward trend in industrials.

Algoma Steel rose 1¾. Imperial Oil and International Petroleum were easier and Brazilian Traction, C.P.R. and Consolidated Paper showed fractional losses.

Golds behaved much the same as industrials. Bralorne gained 25 cents in seniors and Wright-Hargreaves and Dome weakened. Chesterville, Eldona, Donalda, Sylvanite and Sullivan were penny losers in juniors.

Base Metals edged down as International Nickel and Noranda eased fractionally and Sherritt, Labrador, Gulf Lead, Eureka and Steep Rock dipped 4 to 20 cents.

Home Oil added 10 cents and Calgary and Edmonton was down 20 cents in the dull western oils.

The Weather

Peterborough Temperatures:

Today:
Night low..64 Noon ...63

Yesterday:
Highest....75 Lowest..64

One Year Ago:
Highest....83 Lowest..55
.16 rain

Sun—Rises at 6:50; Sets at 7:40

Cooler air which covers all of Ontario this morning is edging slowly southward along the lower lakes. Warm humid air to the south is being lifted on the advancing wedge of cool air and this will cause showers and cloudiness over the southern half of the province this morning. Daytime heating will bring afternoon cloudiness over northern Ontario today and over the entire province on Friday.

Forecasts:

Lake Ontario and Niagara regions—Overcast today, variable cloudiness Friday. Occasional showers ending about noon today. A few widely scattered showers Friday afternoon and evening. Cooler today and Friday Winds light.

Summary for Friday: Variable cloudiness.

Sudbury, Georgian Bay, Haliburton, Kirkland Lake, White River and James Bay regions — Cloudy with occasional showers today and most of Friday clearing Friday evening. Not much change in temperature. Winds light.

Summary for Friday: Scattered showers then clearing.

MORE ABOUT—

U.S. Won't

Continued from Page 1

by Col. Frank Howley, United States commandant in Berlin, the Soviet commander, Maj.-Gen. Alexander Kotikov, told the Americans bluntly "not to interfere in matters which don't concern them."

Kotikov's letter followed rejection of French protests which demanded the release of another 18 anti-Communist western-sector police who were kidnapped by Soviet-sector police at dawn on Wednesday while travelling in a French convoy under a Russian guarantee of safe conduct.

The letter to Howley was published prominently on the front page of Taegliche Rundschau, official newspaper of the Russian military administration.

Ignore Break-in

The letter, one of the sharpest in a long series of exchanges between Kotikov and Howley, ignored the fact that the Russian-controlled police broke into the American offices, brushed aside a United States liaison officer, rifled the files and carted off the 19 police who had sought refuge there.

Kotikov accused the Americans of protecting "provocateurs and blackguards." Howley, in a personal visit to Kotikov, had said the blame "rests upon the Russians because the German police in the Soviet sector obey only Russian orders."

The Communist press indicated there would be no let-up in the campaign to oust the elected anti-Communist city government.

An appeal to revolt against the legally-elected government was coupled with a resumption of the Communist "fright campaign" as the Soviet blockade of Berlin went into its 78th day.

Peterborough Hogs, Grain And Produce

THURSDAY, SEPTEMBER 9.

Hog quotations $32.40 plus transportation.

Sow quotations $23.50 plus transportation.

Eggs: A large 47, A medium 45c, A pullet 27c, B 32c, C 26c.

Quaker Oats Company of Canada quotes Ontario Winter Wheat No. 1 $2.10, No. 2 $2.10, No. 3 $2.05, feed oats 73c; buckwheat $1.25! Feed barley $1.01. All prices delivered at the mill.

Obituaries

THOMAS NEWTON

Funeral service for the late Thomas Newton, 84, of 63 Rosehampton Ave., Toronto, was held today at a Toronto funeral home and burial was at Westminster Memorial Park. He died on Monday and leaves his wife, the former Frances Jane Sanderson and two daughters, Mrs. Ernest Madigan (Ruth) and Mrs. Frank Jackson (Jessie), and three brothers, Nelson, Charlie and Claude.

MISS CATHERINE McDOUGALL

KEENE, Sept. 9—(ENS).—The death of Miss Catherine McDougall occurred on Wednesday, September 8, at the home of her niece, Mrs. Robert Plunkett, of Otonabee township. Miss McDougall was born 96 years ago in Scotland, being the daughter of William McDougall and Mary Drummond, and at the age of three came to Canada with her parents and settled at Mather's Corners.

For many years Miss McDougall taught school at Keene, walking the three miles morning and night from her home to the village. Miss McDougall was one of the oldest residents of Otonabee.

She is survived by several nieces and nephews.

The funeral will be held on Friday at 1.30 p.m. from the home of her nephew, Ralph Drummond, Lot 15, Concession 10, Otonabee, with burial in Keene Cemetery. Rev. George Murray of the Keene United Church will be in charge of the service.

WM. LLEWELLYN MITCHELL

William Llewellyn Mitchell, 80, of 58 Drew St., Oshawa, died on Tuesday at his residence following a lengthy illness. He was born in Cobourg and was married in Peterborough to the late Florence Chrow. He joined the 57th Regiment in the city during World War I, winning his long service medal and for several years was champion shot of the Regiment. For the past 35 years he was employed by General Motors, Oshawa, and for many years was in charge of the sheet metal department.

He leaves one daughter, Mrs. W. Ebert (Irene) and five brothers, Harry, George and Thomas, all of Cobourg, James of Toronto and Sidney of Benton Harbor, Michigan. He was a member of the Simcoe Street United Church and a former member of Corinthian Lodge, A.F. and A.M., Peterborough, and of the Royal Arch Masons.

Funeral service will be held from an Oshawa funeral home on Saturday at 1 p.m. The Rev. J. K. Moffatt will officiate and burial will be at Little Lake Cemetery.

FRENCH INVENTION

The bayonet is said to have been invented in Bayonne, France, in the 17th century.

Parachute Jump Takes Lives Of 3 U.S. Airmen

EDMONTON, Sept. 9 —(CP)— The mystery of why three men plunged into the night to their deaths from a crippled aircraft Tuesday was probed by United States army air force officials today.

Ordered to bail out together with two other passengers when their twin-engined Dakota transport developed an oil leak while flying from Edmonton to Minneapolis, the three U.S. airmen died when their parachutes failed to open.

The pilot, Lieut. Brock Dubell of Philadelphia, who ordered the fatal jump, stuck with his ship together with the co-pilot and flight engineer, Lieut. Williamson, and Staff Sgt. Chritophurson of New York.

Dubell managed a crash-landing six miles east of Leduc, Alta. and he and his companions dragged themselves from the plane before it burst into flames.

Lieut. Dubell suffered rib and pelvis fractures, and possible spinal injuries. His two companions were unhurt. Of the two surviving passengers, one escaped with a sprained ankle, while the other, identified as A. R. Lawlor, of Maine, went to hospital at Camrose, 45 miles south of Edmonton, with a fractured spine.

From his hospital cot, Lieut. Dubell was able to give few details of what happened. He was unable to say from what altitude his passengers had jumped—only that all had falen clear of the doomed plane.

A ground search party found the three bodies lying close together at Hay Lake, 10 miles from where the plane landed.

Cheese, Produce And Livestock

TORONTO HOG PRICES

TORONTO, Sept. 9 — (CP). — Hog prices at Stratford today were reported still unsettled, although buyers were quoting $32.35-$32.50 for grade A. At Hull hogs off truck were unquoted. Grade A dressed were unchanged at $32.25 delivered.

TORONTO FRUIT

TORONTO, Sept. 9 — (CP). — Wholesale fruit and vegetable prices here today were unchanged with the following exceptions:

Tomatoes, 6 qts., 20-30; 11 qts., 35-50; celery, white, $1.50-$2; celery, green, $2-$2.50; Bartlett pears, 6 qts., Leno baskets $1-$1.25; domestic 75-90.

TORONTO PRODUCE

TORONTO, Sept. 9 — (CP). — Produce prices on the spot market here today were quoted as follows:

Churning cream unchanged. No. 1 74 cents fob; 78 delivered. Butter prints unchanged. First grade 70½; second grade 69½.

Supplies on the egg market continue sufficient. Large and medium grade eggs are up slightly but prices on other grades remain unchanged. Country shippers quoted graded eggs, cases free: grade A large 55-56; grade A medium 53-54; grade A pullet 35; grade B 41; grade C 36. Wholesale to retail: grade A large 58-59; grade A medium 56-57; grade A pullet 39-40; grade B 45-46; grade C 40-41.

Butter solids are unchanged. First grade 68; second grade 67.

BUFFALO LIVESTOCK

BUFFALO, N.Y., Sept. 9 — (AP). — Cattle 300; offerings mainly Canadian steers and dairy type cows; two loads good Canadian steers 1,250 lbs. 32.50; one load 1,200 lbs. 30.00; beef cows 18.50-20.00; fat dairy type 18.50-20.00; most good heavyweight sausage bulls 23.00.

Calves 200; 87 head good and choice Canadian 31.00; remainder of string of 114 down to 25.00; good and choice nearby 31.00-32.00.

Hogs 300; no sales to 10 a.m.

Lambs 400; no good and choice lambs offered; good N.Y. state lambs quotable 25.00 up; ewes quotable 12.00 down.

TORONTO LIVESTOCK

TORONTO, Sept. 9 — (CP). — Although Thursday is normally a slow day at the livestock markets some buyers are picking their way around the yards today and up to mid-session had bought some 600 head of cattle. Prices remained steady. Receipts reported by the Dominion Marketing Service were: Cattle 50; calves 30; hogs 30; sheep and lambs 40. Left from Wednesday's trading were some 1,600 head including 1,100 stockers.

A few plain to medium quality butcher steers sold at $15-$18.50 and butcher heifers brought $16-$21. Butcher cows sold at $13.50-$17.50 and bulls were $1 lower at $15-$20. A few plain stockers sold at $15-$17.

Good to choice quality calves sold steady at $26-$28 and heavy calves sold at $13-$18.

Hogs remained steady at $33-$33.25 for grade A and $32.60-$32.85 for grade B. Sows were $24, dressed.

Lambs continued steady at $22 for good ewes and wethers with $1 discount on bucks. There were no early sales of sheep.

WINNIPEG GRAIN

WINNIPEG, Sept. 9 — (CP). — Minor demand by shippers featured early trade in oats and barley on the Winnipeg Grain Exchange today. Hedging sales were not large in volume compared to recent sessions.

Rye trade was featureless and only small processor demand was reported in flax futures.

Prices had firmed up from the opening.

Prices:

Oats—Oct. ⅜ lower at 72⅛b; Dec. ⅜ higher at 70½b; May ¼ lower at 72½b.

Barley—Oct. ½ higher at $1.00b; Dec. ¼ higher at 98¾; May ⅜ higher at 99⅞a.

Rye—Oct. 1 higher at $1.41½b; Dec. not open; May 1 higher at $1.42.

Flax—Nov. 1¾ higher at $4.07a; Dec. ½ higher at $4.05.

Inspections: Wheat this year 430; last year 846; cars of contract 385; oats 83-138; barley 125-290; flax 5-5; rye 39-56; other grains 3-6; total 681-1364.

'Pictures' In Glued Hairs Wigmaker's Unusual Hobby

WINNIPEG, Sept. 9 —(CP)— A first glance at John Woerlee's pictures shows them to be the work of a talented man whose hobby is painting.

A closer examination is necessary to learn that the pictures are not executed with a brush. They are not paintings; they are mosaics made of human hair.

Mr. Woerlee uses hair of varying shades, pasting in on glass for a background. Its detailed work, but the artist has plenty of patience. He's a retired wigmaker. The average length of a piece of hair used for a picture is one-quarter of an inch.

The hair is imported from Switzerland where the Swiss obtain it from penal and other institutions. It is processed before being placed on the market. In gluing the hair on the background, Mr. Woerlee uses a mixture of fish glue and egg white which he makes himself. He uses a small pair of tweezers to "paint" his pictures.

It's unnecessary to use any artificial coloring or paints, he says. It's possible to obtain hair of almost any shade.

"Picked Up"

The work has always been Mr. Woerlee's hobby. No one taught it to him; he just "picked it up" while in his native Holland.

On the wall of his living room is a picture of Manitoba's Legislative Build.ngs. The reproduction — a good one — measures about two by three feet, and is complete in detail, from the large columns at the buildings' entrance to the small rails on the balconies.

Another example is a Dutch landscape, with a windmill in the foreground, canals in the distance. This offers more color and depth.

Another of Mr. Woerlee's hobbies is woodwork. He has made nearly all the small furniture in his home. Mrs. Woerlee says her husband is "always busy," living up to his philosophy that no one should be idle.

He came to Canada in 1923 with his wife and their two children and began work at a hair goods establishment which he later bought.

Falcons Clear Air Over RAF Ports

LONDON, Sept. 9 — (CP) — Royal Air Force experiments with falcons to discourage birds from flocking on air fields were so satisfactory that they will be continued on a larger scale next fall when the mating season is over.

In 1947 there were 17 accidents to RAF aircraft in Europe caused by impact with birds.

Historic Millstone Unearthed By Farmer

TORONTO, Sept. 9— (CP) — A weatherbeaten millstone found near here is thought to be one of a pair of millstones presented by Governor Simcoe to Isaiah Skinner on July 14, 1796.

The millstone—a massive stone wheel four feet in diameter, weighing almost 7,000 pounds—was unearthed by Ran Freeland, an East York farmer.

Receipt of the gift encouraged Skinner to erect what was the first mill on the Don River near York, now Toronto.

Scientists To Meet

BRIGHTON, England —(CP)— Sir Henry Tizard, aeronautical researcher, will preside over the 110th meeting of the British Association for the Advancement of Science in September. The relation between science and life will be the main topic.

SLAVES IN BRAZIL

African slaves were first introduced into Brazil in the middle of the 16th century.

NAME ESSAY WINNERS

Winners in the 57th Chapter IODE essay contest for Grade 8 public and separate school children have been named. Subject was "A British Explorer." Margaret Ingram, Queen Alexandra School won first prize, and Harry Carleton, Prince of Wales school won second prize. Other essayists who received honorable mention were Shirley Forbes, Central; Eddie Selby, Prince of Wales; Mary Raddon, King George; Doris Stanbury, King Edward; Teresa Gordon, Sacred Heart; Marion Crawford, Queen Alexandra, and Gwyneth Blackwell, Queen Alexandra. Judges were R. F. Downey, former Peterborough County inspector, Thomas Allen, Assistant Editor of The Examiner, and William Graff, Librarian of Peterborough Public Library.

Kitchener Kills Early Closing Gasoline Bylaw

KITCHENER, Sept. 9 — "You can't tell a man how he should make a living if he is in a legitimate business," said Ald. S. F. Leavine last night in supporting 19 garage operators seeking to rescind the bylaw restricting hours of sale for gasoline.

Council voted unanimously to rescind the bylaw.

Feel Their Position

A spokesman for the group said a good many more would probably have signed for return to the long hours if they had not felt it would be a "reflection on their character" to change horses so quickly. Forty-eight had backed the petition for early closing.

"When 75 per cent put their signatures on the petition for early closing we were more or less under an obligation to grant the request," said Ald. Leavine. "However, I have wondered if we really had any legality to enact this bylaw if anyone wished to push it."

Dog-in-Manger Attitude

He saw something of the dog in manger attitude when those who wished to close were very insistent that all others must do likewise.

Ald. Fred Dreger saw the operators now holding two diametrically opposed ideas and coming to an agreement over it should be a matter for themselves.

So far as council is concerned its interest is more in seeing that the customer is well served, said Ald. Dreger, adding that this would be best accomplished if the stations are open all the time.

Decision Individual One

Ald. Ainlay said operators who are paying taxes in the city don't like to see their business go to gasoline stands outside the municipality. If any of them choose to stay open to overcome the loss, Ald. Ainlay didn't believe it was in the province of council to stop them.

Show Indian Treasures

NEW DELHI— (CP)—An art exhibition including jades, bronzes and jewelry dating from 2500 B. C. is to be held at Government House here. Oustanding among the 1,200 exhibits will be the famous Bull of Asoka from Rampurwa.

RICH IN PRODUCTS

From black coal tar are obtained over 8,000 kinds of dyes, many of bright colors.

Rambling Reporter

THE PLOT THICKENS

Complaints are heard daily that Hollywood's film have no "meat" to them, no twists of plot to make the story interesting. The chain of events is too obvious and can be forseen, say the detractors. However patrons of a city theatre Tuesday night couldn't complain about lack of complications in the story (which was something about pirates, they finally concluded). It seems the projectionist, for reasons unknown, ran reel 3 before running reel 2. Maybe they should do it more often—the whole plot was improved.

RB

PCVS Registration Exceeds Last Year

With 1,150 pupils registering at the Collegiate and Vocational School, the attendance is 63 more than on the opening days last year, K. S. Wightman, superintendent of schools, announced today. However, Mr. Wightman said that this figure could not be taken as final as usually registrations continue for the first week of school.

In the public schools, 3,775 registered, which is 150 more than in June. Mr. Wightman reported no overcrowding, although several junior classes had upwards of 50 pupils. With 10 rooms open at Confederation School, there are 389 registered, while for Queen Alexandra School in the north and which also has 10 rooms, there are 354 registered.

Big Pay A Phony Recruits Head Home

It takes an army lad to find out the right score quickly.

Two members of the 50th HAA Regiment (PWR) RCA, a few short weeks ago, were attracted by the western Canadian offers of $5 and $6 a day for harvesting and promptly got leave from their regiment to try their hand.

Today they were back ready for tonight's first parade and reclaimed their uniforms.

They stayed a week, found the rates were $2 and $5, and quit when, with this type of pay, they found they were expected to stook 35 acres a day at $2 a day, when their hardest effort covered only 15 acres, in temperatures ranging up to 100 in the shade.

FRANKLIN INVENTION

One of Benjamin Franklin's most important inventions was bifocal spectacles.

CampInglestane May Be Closed Needs Finances

"Unless help is forthcoming from somewhere, it is difficult to see how Camp Inglestane can keep going," said Miss L. Brownscombe, general secretary of the YWCA, today. Miss Brownscombe visited the girls' camp at Stony Lake on Tuesday afternoon, together with Charles Kingan, chairman of the community service committee of the Rotary Club, Mrs. W. J. Hardill, convener of the YWCA camp committee, and W. A. Davieson, also of the Rotary Club.

She explained that the camp has been found expensive to operate due to general increased costs. Camp fees were raised from $9 to $12 a week this year, but they are only sufficient to cover the cost of food and supervision, and cannot help to pay for repair work.

"Little has been done to the camp for several years, and it is badly in need of repair and financial help," said Mr. Kingan. "The inspection tour showed us that several thousand dollars is needed for repainting, general repair work, adequate sanitation, complete overhaul of boats and many other items. The YWCA camp is a most deserving project and is not receiving any financial aid, while the YMCA Camp Kawartha for boys has the wholehearted support of both the Rotary and Y's Men's Clubs."

W. J. Hamilton, president the Rotary Club, endorsed the opinion of Mr. Kingan and said that question of financial support will be brought before the Rotary executive for approval. "I feel," he said, "that the girls' camp is a project which is most deserving of assistance."

Last year, the camp, a department of the YWCA, showed a deficit of $500 in the general balance sheet of the association. Although the YWCA receives a grant from the Community Chest, no part of that grant has ever been budgeted to cover the cost of camp expenses. The camp, which is about 20 years old, has been run as a self-supporting project, but with today's high costs, it cannot continue to be run without outside financial help.

4-Day Conference

WASHINGTON, Sept. 9 — (CP). — Lt.-Gen. Guy G. Simonds, former general officer commanding the 2nd Canadian Corps in the Second World War, arrived here today from Ottawa. He proceeded to the National War College for a four-day conference.

You've Got to Spend Money to Make Money

A man saves up some money. He starts a business.

He can't keep the business a secret or he wouldn't get any customers.

He puts up a sign or prepares some handbills or puts a little ad in the newspaper to let people know he is in business.

HE SPENT A LITTLE MONEY TO MAKE A LITTLE MONEY.

He starts doing a little more business.

He goes to the bank; gets a loan to increase his stock, to improve his location — whatever it is the loan was granted to improve his business.

HE SPENT A LITTLE MONEY TO MAKE A LITTLE MONEY.

This cycle continues on to infinity. Success is there — all things being equal — for the business man who understands and practices the elementary principle that you've got to spend money to make money.

You couldn't get even 2% interest if you didn't invest at least one cent, would you?

And spending money for newspaper advertising is about the smartest thing a business man can do.

Most retail businesses were built through the vision of a man who realized a truth important to you and me that YOU'VE GOT TO SPEND MONEY TO MAKE MONEY — SPEND MONEY FOR GOOD NEWSPAPER ADVERTISING.

And remember, the fact that you've got to spend money to make money applies to all business . . . even ours . . . even yours . . . isn't that right?

Call 4641

An advertising solicitor will gladly assist you, if desired, so that your ad is prepared in such a manner as to bring the greatest results.

Charge Cottager $20 Fire Bill

HASTINGS, Sept. 9.—(ENS). —Village council held its monthly meeting in town hall council chamber room with Reeve Orr in the chair and Councilman W. E. Edwards absent.

Moved by Mullholland, seconded by Warrington, that accounts as read be paid: Streets, A. Waters $24, G. Bonds $22.80, Beamish Construction Co. $856.63, Sullivan $5.50, Shanagh $2, surveying $20; fire dept., J. Wilson 2, Sherwin $2, Herrington $1, G. Bonds $2, R. Smith $2, Radford $1, Calberry $1, Bonds $1; park, Sherwin $17.50, Stevenson $3.91; L. Cleary for painting town hall $115; dept. of health $1.80; A. Orr $5, Hays Hardware 95c, constable $133.34, Bell Telephone $2.05, public schools $100, Dr. D. Bell-Smith $12.

Moved by J. Calberry, seconded by Warrington, that council bill L. Cleary for $20 ofr attending fire at his cottages.

Moved by Mulholland, seconded by Warrington, that the council accept from the assessor, L. E. Kelby, the assessment roll for the 1949 taxes. The roll to be left in the clerk's office to receive complaints up to the 14th day of Sept., 1948, and that Court of Revision be held on Monday, Sept. 27 at ten o'clock in the morning.

Moved by Molholland, seconded by Warrington, that bylaw 861 re parking, be given its third reading. It carried.

Port Hope Boy, 15 Missing Since Tuesday

COBOURG, Sept. 9.—(ENS).—Cobourg police have been advised by Port Hope Police Dept. that 15 year old John Taylor of Port Hope has been missing since five p.m. Tuesday. He resides with Mr. and Mrs. Percy Ridges, his parents being dead. The lad was given money to buy his school books on Tuesday and purchased about seven dollars worth out of the ten dollars given him. He also collected $3.00 from his paper route customers. Police of that town believe that he decided to take in the Canadian National Exhibition and that when his money runs out he will be home.

$6,000 For Sewer

COBOURG, Sept. 9.—(ENS).—Expenditure of $6,000 for sewer installations to the new housing project in the north end of the town, was approved by the town council at its meeting on Tuesday night. The extension calls for 900 feet of eight-inch sewer and it will be installed so that it will be ready for use by the time the houses have been completed.

Council gave approval to the proposal that the streets dept. employees be given an increase in pay, but the amount involved will be covered in a municipal bylaw covering the complete town payroll.

Six New Cases

COBOURG, Sept. 9.—(ENS).—Communicable disease report for the week ending September 4, as issued yesterday by the Northumberland and Durham Counties Health Unit, reveals that only six new cases were recorded, the lowest since the Unit was organized. Three cases of mumps were reported, one of adulant fever and two of whooping cough.

Bishop Dies

LEEDS, England, Sept. 9. — (AP.)—Dr. Henry McGowan, 57, Bishop of Wakefield, died Wednesday night. He had been in ill health for several years. Dr. McGowan was consecrated Bishop of Wakefield in 1946. He had been Archdeacon of Aston and Honorable Canon of Birmingham from 1938 to 1946.

Bus Takes Fire

MADRID, Sept. 9 — (AP). — Nineteen persons were killed and five injured Wednesday when a bus carrying 31 passengers overturned and caught fire.

EIGHTY-YEAR-OLD AMEDEE MEUNIER, of Ville St. Laurent, near Montreal, was instantly killed and two others, two of them Montrealers, were severely hurt in a three-way collision on the Quebec highway, three miles west of Maskinonge, near Three Rivers, Que. Meunier's badly-smashed car is shown ABOVE. The injured are Alfred Dupuis of Maskinonge and Ulderic Drouin of Montreal and Claude Plamondon, also of Montreal. The first two are at St. Joseph's Hospital in Three Rivers, where officials described their condition as "out of danger." Meunier, a director of the Societe Co-operative de Frais Funeraires in Montreal, is survived by his wife, the former Dorilla Dubois.

World News In Brief

Taken from Wires of Canadian Press.

SINGAPORE. — Officials of Royal Dutch Airlines said a case of gold valued at $40,000, missing when a Netherlands plane landed Sunday at Bangkok, has been found in Cairo. It was one of 32 such cases en route from Amsterdam to Saigon.

HALIFAX.—The United States ship General M. B. Stewart arrived carrying 816 displaced persons from Europe, including the first group of 12 registered nurses to arrive in Canada. The nurses will go to St. Paul L'Hermite, near Montreal, from where they will be assigned to hospitals throughout Canada.

HELSINKI. — Four or five Agrarian Finnish newspapers are awaiting prosecution for having thrown suspicion on the death of Col.-Gen. Andrei A. Zhdanov last week. One paper already has been prosecuted for the same reason. Punishment for editors who publish news which may endanger Finland's relations with foreign powers is four months' imprisonment.

ROME. — A naval spokesman said Russia and Italy are engaged in a quiet tug-of-war over 45 of Mussolini's warships. He said Russia appears to be emerging as winner. The warships include a 25-year-old battleship and several newer submarines and other craft. They were tagged for Russia by the Italian peace treaty, which disposed of nearly all of Italy's fleet.

SYDNEY, N.S. — A majority of Cape Bretoners said in a plebiscite that they favored sale of beer and wine by glass or open bottle. This will permit licensing of hotels to sell beer and wine and opening of taverns.

QUEBEC — About 50 seven and eight grade pupils demonstrated against a Roman Catholic School Commission decision they attend classes at St. Esprit School instead of St. Fidele to relieve congestion in the latter. The students paraded through Limoilou quarter carrying placards announcing: "We are on strike," "our school has been stolen," and "we want our own school."

WASHINGTON — The Federal Reserve Board raised the reserve requirement of its member banks in a new step aimed at "restraining inflationary expansion" of bank loans. Banks were ordered to put aside an additional two per cent of their time deposits. The requirements will be effective Sept. 16 in some cases and Sept. 24 in others.

TORONTO — Funeral services were held here for Col. Oliver Mowatt Biggar, distinguished lawyer and first chairman of the joint Canadian-United States permanent defence board. Col. Biggar, 71, died at his home in Ottawa.

OTTAWA — The Federal cabinet met for 2½ hours. A spokesman said later there would be no announcements.

OTTAWA — Cost-of-living bonuses for civil servants are being considered by the cabinet. The report said basic rates of pay would not be altered, but that bonuses, advocated by various civil service associations as a flexible method of meeting the higher cost of living, might be introduced.

4 Men Killed

HELENA—Four men were killed in the collision of a Great Northern Railway engine and a rail work car 20 miles north of here. Railway officials said four other men are in serious condition in hospital. Twenty-one others received minor hurts.

TAMPA, Fla. — Capt. Mike Morse, National Airlines pilot, brought a DC-4 to a safe landing with one of its engines afire, and aided 13 passengers in filing from the craft. Morse said he saw fire blazing from the engine as he came in for a landing, but knew the plane was in no immediate danger.

DECORAH, Ia.—Robert Sattre, 14, Iowa's youngest flying instructor, and three students crashed to their deaths when a kit of landing flares apparently ignited, turning their plane into a flaming torch. The four-place plane burst into flames several hundred feet in the air as it was about to land after a night training flight.

BUFFALO—Kenneth J. Kreitler, 36, an electric welder, was killed when he became entangled in his welding cable and was twisted around a revolving shaft at the National Aniline division of the Allied Chemical and Dye Corporation here.

COOKSVILLE— Three youths returning from the Canadian National Exhibition were injured when their automobile collided with another near this village, 12 miles west of Toronto. Ivan Halbert, 18, of Shelburne, may lose his left arm. His companions, Stewart Looby, 19, of Shelburne and Ronald Fraser, 17, of Hornings Mills, escaped with minor head and leg injuries. The driver of the other automobile, James M. Thompson of Toronto was arrested on charges of dangerous and careless driving.

SEOUL—An assassination rumor kept President Syngham Rhee from a farewell gathering at Kempo airport. The head of the Korean Republic in South Korea was persuaded not to appear at the airport, after Seoul's police chief reported the rumor. He had heard that "Communist youngsters" had attempted to learn when Rhee would be there.

GLASGOW — The Clydeside district committee of the Amalgamated Engineering union decided unanimously to reject a government court of inquiry's award of a weekly pay increase of five shillings (1). They had demanded 13 shillings. The national committee will be asked to consider proposals for a strike ballot.

Duchess Dies

BILBAO, Spain—Maria del Rosario Guturbay Y Castejohn, the Duchess of Hijar, died. She was the mother-in-law of the Duke of Alba, Spain's premier nobleman.

VANCOUVER — About 140 members of the Canadian Pulp and Paper Association attended a three-day convention commemorating the "coming of age" of the pulp and paper industry in British Columbia. This is the association's first meeting west of Port Arthur.

VANCOUVER—That old-school day trick of carving her initials "from force of habit" in a Burrard St. cafe table, was ordered by a magistrate in police court to pay the repair bill.

TORONTO — Three-year-old Donald Nowiski was crushed to death under the wheels of an ice truck, a few feet from the doorstep of his east-end home. Eyewitnesses said Donald was sitting on the running board of the truck when the vehicle started up, throwing him under the back wheel.

CHICAGO—Ladilav G. Krno, Czechoslovakian consul-general in Chicago, submitted his resignation and said "I have decided not to return to Czechoslovakia." Krno, in the Czech diplomatic service since 1937, declined to say why he had resigned. "I still have relations in Czechoslovakia" he told a reporter.

PROBLEMS *which no man can foresee*

YOU may feel that your family will be well provided for, no matter what happens to you. But, inevitably, the future will work changes... alter family circumstances... hold unexpected problems which no man can foresee.

That is why it is the part of wisdom to select a permanent, experienced, sympathetic Executor and Trustee... one on whose integrity and discretion you can rely as you would upon your own.

In this all-important role, The Royal Trust Company offers you the permanence of a corporation... the understanding of a friend... the collective judgment of many trained minds.

Let us analyse your Estate and help you plan your Will... now.

A Festival For Peterborough?

In our Third Column today we publish the first of two articles on the Berkshire Music Festival which have been written for this paper by Miss Fern Rahmel, who attended the Festival this year. By coincidence we publish also in our letter department some comments made by summer visitors to Peterborough, collected by the Hon. G. N. Gordon. As we read these two articles — a description of what is done every year near a New England city about the size of our own, and the complimentary things which visitors say about Peterborough as a holiday resort—we wonder, and we think that many of our readers will wonder also, if a music festival or a drama festival might not be built up in Peterborough which would be an annual attraction for tourists of the most desirable sort.

• • •

We have a fine natural setting for a holiday resort, and we have the sporting advantages which attract and hold many visitors. But not all people are sportsmen, although most people take an annual holiday. At present we have nothing to offer the summer visitor who wants a holiday in pleasant surroundings, but who is not interested in sport.

• • •

Canada has no music festival at present, though Canada has plenty of excellent musicians. Toronto, which is only ninety miles from here, is the musical capital of Canada; it contains the Royal Conservatory, the country's finest symphony orchestra, the country's finest choir, a group of talented young Canadians who present three operas yearly, and an excellent ballet troupe. Is it entirely out of the question that summer performances by at least some of these groups be arranged in Peterborough? Is it possible that such a festival, soundly financed and carefully guided, should become known everywhere in this country, bringing renown and financial gain to this city? We do not think so.

• • •

Any project of the kind would have to be approached on a strictly business-like level, and in such projects there is only one infallible rule, and it is this: nothing but the best is good enough. There are many fine musicians in Canada—quite enough to provide a first-rate festival. And the city which first organizes such an enterprise will reap the rewards of its boldness in fame and money.

• • •

Miss Rahmel points out in her second article that there are people in the Tanglewood district who do not like their festival, who resent the thousands who flock to it, and who seek to discommode and insult the visitors. There are such people everywhere. But we think that Peterborough has fewer such people than are to be found in most cities, and more citizens who are capable of grasping the possibilities of such a plan.

Was Dickens Anti-Semitic?

With astonishment and regret we read that a group of U.S. rabbis are protesting against the exhibition in the U.S.A. of the British film *Oliver Twist*. Because the character of Fagin, the old receiver of stolen goods and trainer of thieves, is a Jew, the rabbis say that the film would "play into the hands of un-American elements"; they condemn the film as "a vehicle of blatant anti-Semitism".

At the risk of being described as anti-Semitic, we suggest that these reverend gentlemen have not read the works of Charles Dickens far enough, closely enough, or intelligently enough, or they would know that he was far from anti-Semitic. If they will turn up their copies of *Our Mutual Friend* they will find a most feeling and sympathetic portrayal of the Jew named Riah, who is viciously exploited by the money-lender Fledgeby—and Fledgeby is a Gentile. And if they had troubled to look into the history of the matter they would know that a deputation of Jews visited Dickens when *Oliver Twist* was a new book (1838) to complain about Fagin, and they would know how astonished Dickens was to discover that one unpleasant character was taken as an attack upon a whole race.

Anti-Semitism will not be crushed by attempts to suppress any book or film which has an unpleasant Jew in it. Nor will any sensible Jew assert that there have not been Jews like Fagin, just as he will not pretend that all his co-religionists are like good old Riah. The Jews, like the rest of us, are a mixed lot—some good, some bad, and many indifferent. It is iniquitous that a man should be discriminated against for no reason except that he is a Jew; we have said so many times, and will continue to say so. But for the Jews to hope that no bad men who are also Jews will ever appears in books, or on the stage and screen, is to hope for the impossible.

Put Peterborough Into A Skyscraper?

Our cities are sprawling into the countryside, despoiling it of rustic simplicity, quiet and beauty. Even places like Peterborough are debouching their populations into suburban villas and extending their talons along arterial roads. It is a trend to view with disquiet. Some remedies have been offered. We put forward a suggestion, which would, if acted on, be a complete cure-all. Tear down Peterborough completely (except for a few factories) and put the whole population and its activities into one enormous skyscraper twice the size of Rockerfeller Centre.

The basements would be parking areas. The main shopping centre would be on the ground floor. Between the first and 25th floors would be located the offices, clubs, restaurants, collegiate institute, vocational school, beauty parlours, movies, doctors' and dentists' offices and all the "down town" activities. Hospitals and hotels would be fairly central, but away from the hustle and bustle of the busy skyscraper city—say between the 50th and 60th floors. Between floors 25 and 100 would be the thousands of apartments, the corner groceries and drug stores, the elementary schools, the day nurseries, the bowling alleys, the newstands, the Chinese laundries.

How economical and convenient life would be! No furnaces to tend, no bundling children up for school. No miles to travel except up and down in elevators and laterally on moving ramps. No great lawns to mow, only pleasant little square yards on various abutments, or in the great community park on the main roof. From the windows one could drink in the great gobs of pure ozone and rural peace. Two things should be preserved in the new City of Peterborough: the town clock as a museum piece, and the name. See it in huge gilt letters over the main entrance: CITY OF PETERBOROUGH. See it flashing from the top of the giant building to lowly Kingston and Toronto: PETERBOROUGH!

Fantasy? A realty development group in Chicago is planning to build a skyscraper apartment block in the country on a large suburban tract "surrounded by country clubs and forest preserves". It is but one step further to enclose a whole city in four cloud-piercing walls not in a suburban tract, but in a completely rural area. There would be no buildings outside the modern city walls, except those vestiges of older society, the factories. They would disappear as soon as society becomes really new and brave and no one works any more.

NOTE AND COMMENT

There was a record number of Canadians employed during August. A record amount of production too?

The Kingston *Whig-Standard* remarks that "It's usually the wrong road that has no turning". Like the straight highway to Hell?

In Thedford, Ont., a fisherman caught his hook in a floating black walnut log, brought it to shore and sold it to a furniture factory for $500. We understand that he is having the cancelled cheque mounted by a taxidermist to hang in his dining room.

A Montreal department store carried a full page advertisement of a "girdle of sculptured elegance". The accompanying large sketch showed the Venus de Milo clothed in the contraption. Montreal's version of the New Look for Famous Forms? What would Samuel Butler have said?

We read in the Toronto morning paper that the Amsterdam choir which sang patriotic songs during Queen Wilhelmina's fiftieth anniversary celebrations last Tuesday was "under the direction of 801-year-old Fred Roeske who led the same ceremony 50 years ago when Queen Wilhelmina ascended the throne". Queens may come and Queens may go but Roeske's baton waves forever.

"Tanglewood" The Berkshire Music Festival

By FERN A. RAHMEL

THERE is, in the tales of Nathaniel Hawthorne, the story of Orpheus, who, with his lute,

" made trees,
And the mountain tops that freeze,
Bow themselves, when he did sing."

The modern Tanglewood has another Orpheus in the person of Dr. Serge Koussevitzky who has for his lute the magnificent instrument which is the Boston Symphony Orchestra.

What is Tanglewood and how did it come into being? A difficult question,—and one which in the answering conjures up a whole host of recollections, in which the tales of Hawthorne, the green of the Berkshire Hills, the melodies of Bach, Brahms, Beethoven, and Mozart, the dissonances of the moderns, the youth and enthusiasm of the students, the hospitality of the county, is blended to make a musical pot pourri of enduring fragrance.

❖ ❖ ❖

THE physical Tanglewood is easily enough explained, although it is equally easy to miss the signs which point it out. This was rather forcibly brought to our attention when we stopped the car at the gate to offer a lift to Lenox to two young girls who stood hesitantly by the side of the road. "We've just come from Lenox," they said. "We're looking for Tanglewood."

"This is Tanglewood," we said, and pointed to the sign at the gateway on which, in inconspicuous letters, was the word which is the "Open Sesame" to a rich musical experience. They smiled their thanks and walked inside the hedge of the two hundred and ten acre estate which is the home of the greatest musical festival on this continent, perhaps in the world; for this year, in five weeks, over one hundred and seventy thousand people came through these gates to listen to music superbly performed.

❖ ❖ ❖

AND how did all this happen? Why should the quiet little village of Lenox in the Berkshire Mountains suddenly find itself for five weeks every summer the Mecca for travellers from all over the hemisphere?

Well, perhaps the answer is to be found in the Berkshire Hills themselves, that wonderful pile of rolling hills and peaceful valleys which for generations has been offering sanctuary not only to bird and beast but to man himself. For there is something in the cool green of these mountains with their changing shadow patterns and shifting mists which offers solace to the soul and refreshment to the body. So it is that the Berkshires attracted to themselves people who built fine homes in the hills, homes which speak not only of the wealth of their owners but of the gracious and cultured life enjoyed within their walls. Then, too, the hills attracted men like Hawthorne, Melville, Emerson, Longfellow, Oliver Wendell Holmes. It was Hawthorne who inadverently gave the Festival its name; for it was here, in the little red cottage on the Highwood estate of the Tappans that Nathaniel Hawthorne lived while he wrote his "Tanglewood Tales."

❖ ❖ ❖

THE Tappans who in Hawthorne's time owned the two hundred and ten acres of Highwood were a musical family. For some ninety years now their home has been the centre of musical activities both professional and amateur. But Highwood was not the only musical centre in the Berkshires. Over on South Mountain was another musical coterie. This season, at the Berkshire Museum in Pittsfield, which, by the way, is a little jewel set down in the heart of a city slightly larger than Peterborough and with the same basic industry, Mrs. Elizabeth Sprague Coolidge and her son entertained all and sundry,—and by that I mean all who could get in—to eight concerts to mark the thirtieth anniversary of the founding of the Berkshire Festivals of Chamber Music. Mrs. Coolidge has always been a patron of music. A fine performer herself, she and the other members of her family have given generously of their time and money to share their pleasure with others. It was she who organized and paid for the first Chamber Music Concerts in the Berkshires. These concerts were of necessity small and limited in their audience, but from them has grown the Festival as it is today, and which on the last Sunday afternoon attracted a crowd of fourteen thousand, seven hundred people, only six thousand of whom had seats. The other eighty-seven hundred paid two dollars per person to sit on the grass under a broiling sun and listen to musicians whom they could not see.

❖ ❖ ❖

THE Berkshire Festival then has been no mushroom growth. It began years ago in the homes of these people who loved music both as performers and listeners. But it required some patience and perseverance to develop a spotty and largely privately sponsored affair into the proportions which the Festival has now assumed. No one would perhaps be more surprised at the success of their plans than the initial organizers themselves. They had, as is always the case, to fight local inertia and apathy. Proof of the fact that the community never expected it to grow so big is to be found in the miserable stretch of road which joins Lenox to Tanglewood and over which thousands of cars crawl in double line, bumper to bumper, for several hours after every concert. This is traffic bottleneck without peer.

❖ ❖ ❖

BUT music in the Berkshires had good leadership. In 1934, Henry Hadley, the composer and conductor, while visiting in the Berkshires had expressed the desire to conduct a symphony orchestra out-of-doors. A meeting of representatives from all the towns and villages of Berkshire County was called, and from that meeting the Berkshire Symphonic Festival Committee was formed under the chairmanship of Gertrude Robinson Smith. Henry Hadley and players from the New York Philharmonic Orchestra were invited to give three concerts that summer. Seats were set up in a horse-show ring and the Festival was on. Some five thousand attended those three concerts. The bylaws of the Committee are interesting. The Festival is "to encourage education in the arts, to organize, conduct, and support, an annual musical festival, to provide opportunities for developing musical and artistic talents, to engage in any other activities that will legitimately aid and foster art. There is no capital stock, and the corporation is not conducted for the purpose of profit but to contribute to the development of art and music."

❖ ❖ ❖

IN 1936 Mr. Hadley's ill health made it impossible for him to conduct, and Dr. Serge Koussevitzky and the Boston Symphony Orchestra were invited to give the three concerts. In 1937, Mrs. Andrew Hepburn, granddaughter of the Tappans of Highwood gave her estate to the Boston Symphony Orchestra for summer festivals. Tanglewood had begun.

(Another article published tomorrow will conclude Miss Rahmel's account of the Berkshire Musical Festival.)

NO JOKE, THESE DAYS

Letter To The Editor

AMERICAN TOURISTS AND OUR CITY

Sir: Two hundred and fifty million dollars has been spent by tourists in Canada this summer and 25 million tourists visiting us is the estimate of the Tourist Bureau of Ottawa. However, this does not tell the whole story, because the American tourists to Peterborough consider Peterborough practically an American city when they see the plants of the General Electric, Quaker Oats, Nashua Paper, Outboard Marine, the Westclox and other American concerns. One American judge, and the head of several mining companies, told me the other day that he considered Peterborough a first-class city to invest some money in along the line of building a large residential apartment house hotel, and that he intended to have a survey made of the situation to see the prospects in connection with building one.

I found some other Americans and their wives, who called at my office on small matters of business, that they considered the buying of fur coats, woollens, linens and antique bric a brac through the country as one of the pleasant parts of their holiday diversion. The buying of cottages and homes on the lakes and rivers where there are shady beaches, of course, is just everyday business in this part of the country.

The American visitors have been loud in their praises of our schools, the well-kept school grounds, our churches and up-to-date stores. The Jewish merchants and business men of Italian origin as well as those of our Anglo-Saxon-Celtic race have contributed to make this city and this part of the province one of the most popular in the Dominion.

I doubt if more than one per cent. of the American visitors came up here with the idea of fishing very much. I think they prefer travelling around the country and seeing the sights, particularly travelling along our shady county roads visiting the different lakes, rivers and creeks, where they can find rest from the heat of the large cities.

A widow from the Deep South and her daughter, who is the wife of a lawyer in Washington, were very much impressed with the writings of the Diary of Marchbanks, Harry Theobald and Pete McGillen. In fact, they had cut out from the Examiner almost daily the writings of these journalists, and had kept them for the purpose of putting them in a scrap book.

I did not know that the town clock tower at the corner of George and Charlotte Streets was a relic of pre-revolutionary days, but a couple of American tourists have told me that this is about the same as you find in the towns of New England. It was probably built about the same time or a little later, and that seems to be an attraction for the American visitors who drive in the city along Charlotte Street from the west.

Little Lake was said by one party of Americans to be the most beautiful body of water that they had seen around Peterborough, but they were surprised that the children and young persons were not swimming in it. I was not frank, I am ashamed to say, for I did not tell them that it was a cess pool.

One family asked me where the City Hall was and told me that they had driven around the city and had not been able to see it. I was not frank there either, because I told them that the question of a City Hall was under question by the City Council, for I was ashamed to tell them what kind of a City Hall we had at the present time.

The Canadian Sunday and the high standard of our family life seemed to be appreciated by these Americans, and the Junior Chamber of Commerce with its information booth has come in for much praise by the tourists who visited it. One of them suggested to me that it might be a good plan to put up a tent in Victoria Park and let some bright young men and active young girls have a refrigerator there and a few cool drinks, give tourists information and let them sit down and have a drink of ice water as well as the information.

I think most of these Americans are very much like ourselves. They have about the same views of life and about the same manner of living. They are friendly, open handed and have a high respect for Canadians, and this makes them very attractive visitors to us; not only that, but I am sure these visitors who form such good impressions will become interested in either living here or investing in Canada, and we need American dollars.

I am taking the liberty of giving my observations to the Examiner, as I have made inquiries practically all summer from Americans as to what they think of Peterborough and Peterborough district. I feel that this may be of interest to the readers of the Examiner.

I remain, Yours faithfully,
G. N. GORDON.

"I think I'll celebrate the anniversary of our entry into the victorious war against the aggressors by clearing out the air raid shelter." London Express Service

How Time Flies

SEPTEMBER 9

1918 Company Sgt. Maj. Harry Wilford, M.M., is officially reported wounded.

Agnes Costello suffers injuries when knocked down by a car on Aylmer St.

American residents here, eligible for army service, are to report to the American consular agent, W. Leonard.

1928 Traffic Officer Hugh Wilson stops 250 cars and finds 20 per cent. of the drivers without permits.

The Hon. J. S. Martin, Ontario Minister of Agriculture, will visit the Peterborough Exhibition.

The local Royals are eliminated in O.B.A.A. junior playdowns by Toronto Lizzies at Oshawa.

1938 A truck load of giant white pine logs, 400 years old, is brought to a sawmill here by a Bailieboro farmer.

Ab White of Bridgenorth catches a 25-pound lunge in Chemong Lake.

The sprinkler system saves the Peterborough Canoe Co. from loss as a fire is quickly extinguished.

A Bible Message

(From the Authorized Version)

My son, if sinners entice thee, consent thou not. If they say, Come with us, let us lay wait for blood, let us lurk privily for the innocent without cause....

We shall find all precious substance, we shall fill our houses with spoil: cast in thy lot among us; let us all have one purse; my son, walk not thou in the way with them: refrain thy foot from their path. (Prov. 1: 10, 11, 13-15.)

❖ ❖ ❖

He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity.

When goods increase, they are increased that eat them: and what good is there to the owners thereof, saving the beholding of them with their eyes?....

There is a sore evil which I have seen under the sun, namely, riches kept for the owners thereof to their hurt. (Eccl. 5: 10, 11, 13.)

❖ ❖ ❖

Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: but lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through nor steal. (Matt. 6: 19, 20.)

Dengel Proves Outstanding In Rocket Lineup

By GEORGE TATHAM

WINDSOR, Sept. 9.—(CP). — Veteran players, with a smattering of rookie talent, provide the backbone of the 1948 Windsor Rockets who open their fourth Ontario Rugby Football Union campaign against Hamilton Tigers at Hamilton next Saturday.

Johnny Dengel, a Windsor youth who got his football training at the Detroit Institute of Technology, has proven the outstanding newcomer. He shone in the Rocket backfield in two pre-schedule games where his pass-ing arm accounted for most yards gained in each contest. He is tabbed for regular backfield duty in his first season of senior football.

Veteran campaigners Johnny Renna, Bill Addis and Stan Garbula will team up with Dengel in the backfield of the squad which has been thoroughly overhauled since last year.

Sam Sasso, former Rocket player and mentor, and Mike Hedgewick of Sarnia Imperial and Hamilton Tiger football fame, have taken over the coaching reins this year from Art Massucci who handled the team in 1947.

Won't Be Back

Two of last year's standouts, Gerry Dawson and Steve Chamko, won't be back. Lineman Chamko went to the Big Four Montreal Alouettes, while Ottawa Rough Riders of the same league signed quarterback Dawson.

Rookies Ray Gongales, Mike George and Pete Mundry have all been trying for the quarter spot with either Gonzales or Mundry expected to start against the Hamilton squad.

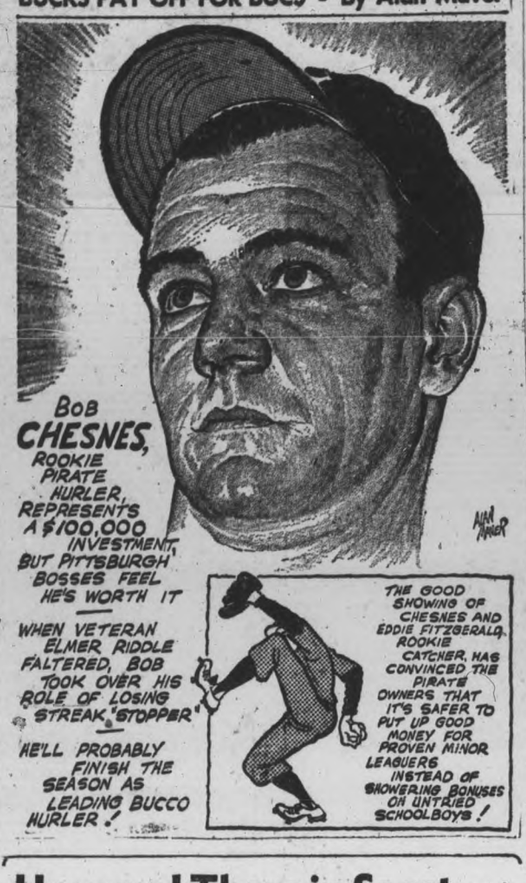
Also slated for backfield duties are Len Camlis, Del Willick and Charles (Skeets) Harrison, a former outside wing; Val Dow, a former centre; and rookie Bob Hollup and Bill Autterson.

Fiey Fiero Ghetti, an ORFU all-star the last two years, will team up with Jack Morneau at middle spots. Paul Piazzi and Leo Herbert are slated to go at inside. Vic Schmidt, converted from inside to centre, will share his duties with Stan Skoreski.

Bill Comer and Julius Gall will see outside action along with Harrison, who will play there as well as in the backfield.

Other veterans plugging for po-[illegible] Syd Lyvinsov, Joe Scislowski, Joe [illegible] son and Hank Chaplinski.

BUCKS PAY OFF FOR BUCS - By Alan Mayer



Here and There in Sport

By The Canadian Press

Skipper Adam Ebys of Buffalo, NY, took advantage of a tricky wind with his yacht Ginger on Wednesday to win the first heat of the Lightning class championship regatta at Point Abino, Ont.. Close on his stern was Gallant, handled by W. White of Hamilton. Second heat went to another Buffalo man, Bob Graf, in Rampage. Herbert H. Cox of Fair Haven, NJ, won the third heat with Coxswain, just nosing out N. M. Robertson of the Hamilton Yacht Club in Rhoda.

Percy Buddell of Waterloo on Wednesday scored 1,200 points, a perfect score, to win the Class D racing runabout event in the Canadian National Exhibition motor boat races. Second place went to Charles Abbott of Belleville, with 750 points, and third to George Reynolds of Prescott with 694.

William (Bucky) Walters, who took over the reins of the Cincinnati Reds in mid-season, Wednesday signed a contract to manage the club in 1949. Terms were not announced. Walters, a right-handed pitcher with the Reds 10 years and with 198 major league victories to his credit, replaced Johnny Neun August 6. Neun had been with the Reds 1½ years and led the club to fifth place in 1947.

Miss Tilly, Charles Thellie's outstanding bay filly, on Wednesday won the Grand Circuit's $34,-246 Horseman Stake for two-year-old trotters at the Indiana State Fair. Fred Egan piloted the top-flight filly to victory in straight heats.

Brampton Excelsiors Wednesday defeated Weston West Yorks 15-7 in the first game of their Ontario Lacrosse Associationsenior semi-final series. Nick Ferri led the winners with four goals and three assists.

Champion jockey Gordon Richards rode unbeaten Abernant, rated the season's best two-year-old, to a six-length victory Wednesday at Doncaster, England, in the six-furlong Champagne Stakes to open the four-day Doncaster meeting. Numbus was second and Dato third in a three-colt race. Winning time was 1:12.

The Boston Bruins Wednesday disclosed plans for 65 outstanding hockey amateurs to report to Hershey, Pa., for the pre-season drills. The main squad of 22 players will assemble at Hershey on September 28. Three weeks before the National Hockey League club opens its home season at Boston Garden against Chicago Blackhawks.

Get Big Return

WELLINGTON, N. Z. (CP)—With wool prices 40 per cent above the previous season, wool growers in New Zealand expect to get a record total income for the season just ended of about $112,000,000. In pre-war years the average annual return was about $38,000,000.

Wings Capture Doubleheader

By The Associtaed Press

Rocheser, Syracuse and Toronto Maple Leafs are waging a spirited battle for the two remaining playoff berths in the International League.

Two spots already are clinched, with league-leading Montreal Royals and runner-up Newark certain to be half the entries in the Shaughnessy Cup playoffs which follow the regular schedule.

Rochester's Red Wings strengthened their hold on third place, Wednesday night, winning a double-header from the Royals, 2-1 and 5-3. Dick Burgett drove in what proved to be the winning runs in each game. His single brought in one of the two runs Rochester scored in the final frame of the seven-inning opener. He batted in two runs with a double and two singles in the nightcap.

Stan Lopata's home run over the left field wall in the eighth inning gave Toronto a 5-4 victory over Buffalo and put the Leafs into a fourth place tie with the idle Syracuse Chiefs.

John Mackinson pitched three-hit scoreless relief ball for seven innings as his Newark mates came from behind to defeat Jersey City 7-5.

Cobourg Wins

COBOURG, Sept. 9.—Cobourg defeated Welland 6-4, in the first game of the Provincial Women's Softball Union Intermediate B semi-final here yesterday. It was a pitchers' battle all the way, with Eleanor Brown of Cobourg, and A. Tillsworth for Welland each allowing only five hits.

Beatrice Jamieson was heavy hitter for the winners, while catcher Marcov was best for Welland.

The second and third games, if necessary, will be played in Welland Saturday.

Welland ... 000 200 020—4 5 4
Cobourg .. 300 201 00x—6 5 4
Tillsworth and Marcov; Brown and Mackin.

Newmarket Dixons Whip Barrie Team

NEWMARKET, Sept. 9— Staging a two-run rally in the fifth inning, Newmarket Dixons gained the Barrie and district ladies' softball finals with a 2-1 triumph over Barrie Copacos here Wednesday night in the third and deciding game of the semi-finals. They now meet the winners of the Midland-Barrie series for the crown.

Edith Hare, on the Copacos mound, limited the locals to three hits.

Copacos' lone tally came in the second, an infield on an infield error followed by catcher Anne Miller's single.

Hazel Lang led the visiting hitters with a pair of singles. Betty Vanzant, on the Newmarket mound, was nicked for eight hits but kept them well scattered.

By The Associated Press

Batting — Birdie Tebbetts and Billy Hitchcock, Red Sox, drove in five runs between them to lead Boston to a 10-6 victory over the Yankees.

Pitching — Johnny Schmitz, Cubs, limited the Cardinals to two hits in winning his 17th game of the season, 4-2.

Kerschner Wins $1,500 In Swim

LAKE GEORGE, N.Y., Sept. 9. —(AP).— Twenty-three-year-old Jerry Kerschner pocketed $1,500 today for his victory in the 12-mile Lake George swim.

The husky athlete from Columbus, O., achieved his first major professional swimming triumph Wednesday by capturing the gruelling event in 4 hours and 59 minutes.

It was the second time in less than a week that his long-distance swimming prowess netted a bonanza. He won $1,000 last Friday by finishing third in the 10-mile Canadian National Exhibition swim at Toronto.

But Wednesday he defeated the $5,000 first-prize winner of the Toronto marathon, Steve Wozniak of Buffalo.

Wozniak, 33, negotiated the Lake George course in 5 hours and 18 minutes, crossing the line 19 minutes behind Kerschner. Wozniak won $500 of the prize money awarded the 11 contestants who swam the full 12 miles.

Fiery, Itching Toes and Feet

Here is a clean, stainless antiseptic oil that will do more to help you get rid of your trouble than anything you've ever used.

Its action is so powerfully penetrating that the itching is quickly stopped; and in a short time you are rid of that bothersome, fiery torture. The same is true of Barber's Itch, Salt Rheum, Eczema — other irritating unsightly skin troubles.

You can obtain Moone's Emerald Oil in the original bottle at McDermid & Jury and at any Tamblyn Drug Store, or any modern drug store. It is safe to use — and failure in any of these ailments is rare indeed.

Free-For-All

SUDBURY, Sept. 9.—(CP). — A free-for-all in which outfielder Art Rudski of Coniston Buzzers struck umpire Joe MacDonald in the eye broke out after Copper Cliff Redmen edged out a 8-7 victory in 13 innings over the Buzzers in the third game of their best-of-five Nickel Belt senior baseball playoff series here Wednesday night. The free-for-all started to develop after MacDonald called Frank Ovis of Copper Cliff safe on a close play at third on a fielder's choice. A heated argument followed with the umpire being shoved around by the Coniston players.

TORONTO ARGONAUTS looked like true champions in their "Big Four" opener when they walloped Montreal Alouettes 20-7. With Joe Krol directing traffic on the field, the Dominion champs were never headed. ABOVE, Joe Pal of the Montreal team hits the end of the Argo line for one of Alouettes larger gains.

Petes Make It Two In Row With 7-6 Win Over Kingston

Fred Garvey's single in the eighth scored two runs to give the Petes a 7-6 verdict over Kingston Locos here last night. It was their second win in as many starts of the COBL finals, but the homesters had to keep coming from behind all the way after spotting Locos five runs in the first frame. The Petes played poor ball defensively and gave Bill Edger, who pitched well after the first heat, shaky support. He allowed but two earned runs as he gave up nine hits and fanned 10. Jack Stone of Locos was hit harder, but had good backing.

Howie Dalton paced the Petes at bat with three for four, one a triple. Jack Mackness got a double and single in three, and Garvey two in four tries. Sam Mulholland was the big sticker for Kingston with four for four, one a double, and Tony Conner got two in four, including a two-bagger. Locos had one double-play and the winners two in an interesting tilt. The next game will be in Kingston on Thursday night.

Scored Five

Locos broke early and hard with a five-run splash in the initial inning on five hits and two errors. Two of the bingles were doubles. After that, Edger was hard to beat and gave up but one more run. The Petes whittled away at that lead to get two runs each in the third and fourth, one in the fifth, and then the tying and winning markers in the eighth on a walk and singles by Dalton and Garvey.

The locals' two twin killings and running catches by Foley and Menzies were defensive features for them, but they didn't play heads-up ball as a whole either in the field or on the paths. Their hitting in the pinches saved the day for them, along with steady twirling. Kingston went good in the field and a running catch by Kereluk in right was a gem. Estlick replaced Menzies in left late in the game in order to help him qualify for OBA playdowns.

Ashby's Swamp Cobourg In Girls' Game

Ashby's hammered out a 28-5 victory over Cobourg before a fair-sized crowd at the Bowl last night to open their two-in-three PWSU junior playdown series. The second game—third if necessary, too—will be in Cobourg on Saturday. The winners far outclassed their opponents and should take it handily in two straight to advance further in provincial playdowns. They got 28 hits off S. Slater and H. Masie—who took over in the fifth—and had but two miscues, while Barb Reid threw three-hit ball and fanned nine, but was wild to walk a dozen. Cobourg had eight miscues.

E. McFadden and J. Dunk went best defensively for Ashby's, while H. Clements and D. Taylor were best for the visitors. E. McFadden led the locals at bat with six hits in seven tries, two of them homers. B. Reid also belted out a four-bagger and the whole team hit the ball hard and often. D. Taylor got two of the losers' three hits, walks giving them most of their runs with the odd error.

The teams:

Cobourg: D. Taylor, ss; B. McEntee, 1b; I. Reedy, 3b; H. Masie, rf, p; H. Clements, 2b; C. Medhurst, c; J. Masie, lf; M. Medhurst, cf; S. Slater, p, rf.

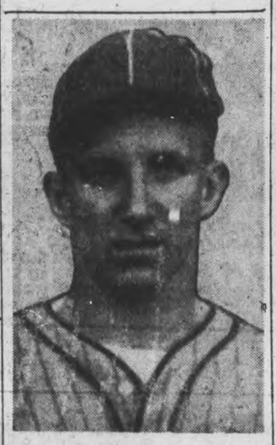
Ashby's: E. McFadden, 2b; J. Reynolds, c; E. Simmonds, 3b; M. Freeman, cf; D. Manley, ss; G. Dracup, lf; D. Callan, rf; J. Dunk, 1b; B. Reid, p.

Score by innings— R H E

Cobourg ... 100 000 220— 5 3 8

Ashby's ... 341 652 43x—28 28 8

Umpires—Turpin and Quemby.



NEAT WIN—Bill Edger started off in shaky fashion for the Petes here last night, but finished strong to give the locals a 7-6 win, their second straight in COBL finals over Kingston.

SPORTS SHOW WINDOW

CEC. PERDUE, Sports Editor

Orillia and the Petes are due to open their OLA senior "B" semi-final series (best of five) at nine tomorrow night in Miller Bowl. Second one in Orillia on Monday and then back here next Friday. While Huntsville and Oshawa mix in the other semi-final setto. Scarboro are out. These are not only group but provincial playoffs as there are no other senior "B" clubs in the OLA this year. So, they're playing for keeps now, with plenty at stake. Some of the recent games, while interesting, didn't mean much. But they all mean plenty from here on in. A huge crowd is certain if the weather behaves tomorrow.

* * * * * *

Civic Softball League goes tonight at the Ashburnham Bowl in the finals, one game at seven and another right after, if necessary. Grafton's against the Bus Drivers, with the former being one up in this best-of-three sawoff. They dish up an interesting brand of ball and should get a good following, especially as they are turning over all proceeds from this game—or double-header if it turns out that way—to Wimp Borland, recovering from a broken leg. These fractures run into dough and it's nice to see some of the clubs willing to help injured players out financially.

* * * * * *

Big Babe Retiring

Word comes from Toronto that Babe Sheppard is retiring as an umpire after 27 years at the guessing game. We recall big Babe and his trick of taking a pail—not a dipper—of water and pretty nearly draining it in one long pull. Weigned something like 300 fat pounds and had plenty of color. And ability. Babe remarked the other day that baseball and softball don't mix too well, that trying 'em both throws a guy off-balance. Explaining that there were certain definite differences in the games, he added: "A lad trying to play both games just can't give his best." A lot of truth in that, too.

* * * * * *

Garvey's timely single in the eighth for two runs saved the day for the Petes and gave them a 7-6 nod o'er Locos for their second straight COBL final victory. A fair-sized crowd last night saw a good game with the clouting Petes coming uphill all the way after giving Locos five runs in the first. Edger went fine after that but the Petes played rather poorly in the field and missed a lot of chances by not hustling on the base-paths. Their punch at the plate finally won for them. Stone threw fairly nice ball and had neat backing. Mulholland slammed out four for four, as Dalton led the locals with three in four.

* * * * * *

Too Much Stalling

Haven't heard at this writing what the score is but it looks like the COBL finals will have to be cut to a three-in-five affair. Too much stalling by Locos and the OBA is insisting on a winner by the end of the week. Petes play in Kingston tonight. What the rest of the setup is we don't know at the moment but may get a call ere column's end from Manager Ed Murphy with the latest. We hear the Locos are appealing for a crack at senior "B" playdowns if they lose to the Petes, and they certainly don't seem worried over the senior "A" deadline the way they are stalling around. What happened that "four straight for Kingston" prediction by Ole Olsen, by the way?

* * * * * *

Let's see what's what in girls' softball. Ashby's romped to a 28-5 win over Cobourg here last eve and should make it two straight in the lakeshore town Saturday. Barb Reid pitched well but for wildness while E. McFadden led their hitters. Westclox and St. Kitts settle their PWSU intermediate semi-final series Friday p.m. at 5.30 in Goodyear Park, New Toronto. Winner of this goes against Kirkland Lake for the Ontario title, and it might be that the first fray would be here about seven Saturday night. Who knows? Bea McDowell—we forget her married monicker—is with Kirkland Lake, and fans will recall when she pitched effectively for Keene and CGE before trekking north.

* * * * * *

Booths To Be Open

Some interesting archery seen at Miller Bowl by the Mitchele family last evening as the Petes romped to a 19-8 lacrosse win over Scarboro. A so-so game. We're advised that the ticket booths there will be open from seven to nine tonight for fans holding tickets with three or four punches in them. These fans may buy playoff ducats for Friday's fray and get into the grounds Friday anytime after 7.30 p.m. to pick out their seats. Other fans can purchase tickets Friday night after eight o'clock. The management thinks this is the fair way to handle things as big playoff crowds are likely. Same procedure will be followed at all home playoff tilts.

UP AND DOWN SPORTS' RIALTO: New Toronto and our peewee Trojans are due to start OBA playdowns at five tonight in Riverside if the rain lets up....Juvenile Kawarthas couldn't get the Port Hope park for their OASA number last e'en....Frank Shine pitched well and hit a four-run homer but Quakers lost their game to Oshawa 14-5....Track and field meet Saturday aft in Morrow Park....Kiwanis won the city bantam lacrosse title from Clapper's in an overtime game last night.... Currie and his Minden cohorts are almost set to see work started on their $21,000 arena....Johnny Mowers is puck coach of the Detroit Auto Club in the International Amateur League....Cobourg's Ghosts, resuming practice, hope to line up in a grid group with Belleville, Trenton and Trenton RCAF, we hear.... H.T.: We'll deal with your kick tomorrow....Bantam and midget baseballers still await OBA word on their next playdowns....And that's the wash for today.

LAWN BOWLING

By HERB MARTIN

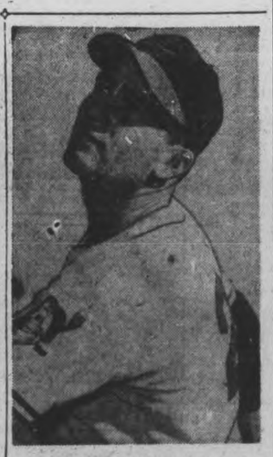
We missed out on the bowling last evening, therefore cannot give any account on what happened, but we know that if the weather is fine, for this evening, Groups No. 1 and 2 will continue with the schedule.

Although we have not heard as yet, no doubt there will be something doing up on the local greens, for those bowlers who are not going to Port Hope tomorrow night. And by the way, any of you who would like to go to Port Hope on Friday night for a friendly game, have you left your name with Mrs. Kingsbury?

Don't forget the week-end 'family hour' tournament Saturday night.

Has your skip made his entry for the Selkirk trophy yet. If not, just remind him about it.

Additional Sport On Pages 5, 7.



TOP MAN on the pitching totem pole of the major leagues is Bob Lemon of the Cleveland Indians, whom you see here. Doughty Bob has won 18 games and lost 11 thus far this season. He has won more games than any other pitcher in either league. Lemon is a reformed third baseman. Among his string of victories are 9 shutouts.

Lacrosse Win For Petes Over Scarboro

By FRED MAYBEE

Peterborough's Senior "B" lacrossers finished up their regular schedule prior to the playoffs, last evening, as they defeated Scarboro decisively 19-8 at Miller Bowl.

Unable to cope effectively with the locals' speed and superior combination play, Scarboro trailed throughout and but for the third period, when each team scored two goals, were no match. Dootch Vitarelli, Emmett Creighton, Dugan, Smith, Horton, Bob and Jack Breakspear and Jack Foote stood out for the locals, although they were not extended. For Scarboro, the work of McWhinnie, Hurd, Digby, Bond and Fewster was worthy of note.

Peterborough—Goal, Hill; defence, Chute, Magee; centre, E. Creighton; rover, Foote; wings, B. Breakspear, Dugan; alternates, Horton, Smith, D. Viearelli, J. Breakspear, L. Vitarelli, T. Gordon, F. Connolly.

Scarboro—Goal, Hayword; defence, Hurd, Digby; centre, Fairley; rover, McWhinnie; wings, Jeans, Harrison; alternates, Points, Ballagh, Fewster, Graham, Bond, Holden.

Referee—Tiger Hewitt.

Summary:

First Period

Peterboro—Dugan (Foote).. 3.5
Peterboro—Horton 5.25
Peterboro—Magee (Dugan).. 9.28
Peterboro—Foote (Dugan) 10.58
Peterboro—T. Gordon (D. Vitarellia) 11.09
Penalty—Dugan.

Second Period

Scarboro—Digby 1.45
Peterboro—B. Breakspear (Foote) 2.33
Peterboro—T. Horton (J. Breakspear) 3.05
Peterboro—D. Vitarelli 3.20
Peterboro—D. Vitarelli (T. Gordon) 3.29
Scarboro—Hurd (Digby) .. 5.05
Scarboro—McWhinnie (Fewster) 6.11
Peterboro—Foote (B. Breakspear) 7.10
Peterboro—D. Vitarelli (Dundas) 8.57
Scarboro—Hurd (Fairley) .11.09
Peterboro—B. Breakspear (Dugan) 12.04
Peterboro—Chute (E. Creighton) 12.25
Peterboro—E. Creighton (Magee) 12.38
Scarboro—Graham 14.59
Penalties—McWhinnie, Smith.

Third Period

Peterboro—Horton (Connolly) ..... .59
Scarboro—McWhinnie (Jeans) 1.58
Peterboro—J. Breakspear (T. Gordon) 4.37
Scarboro—Bond (Fewster) 14.50
No penalty.

Fourth Period

Peterboro—Foote 3.20
Peterboro—J. Breakspear (Horton) 6.15
Peterboro—B. Breakspear . 14.07
Scarboro—McWhinnie 14.40
No penalty.

Soccer Notes

Team standings:

	P.	F.	A.	Pt
CGE	13	46	30	16
Legion	11	24	20	13
Petes	12	27	25	13
O'Halloran's	14	35	43	10
Lindsay	10	11	26	9

Legion have four more games to play as have the Petes, while Lindsay has six. CGE has three and O'Halloran's two games.

Games this Saturday: Legion v. O'Halloran's at 2 p.m., referee W. Harris; Toronto Irish v. CGE at 4, referee T. Garland; Lindsay v. Petes in Lindsay at 3:15 p.m. The following Saturday has CGE v. Legion at 4, following O'Halloran's v. Lindsay at 2. Legion has received permission to play in the Ontario Command Legion competition.

Remember When ...

By The Canadian Press

Chicago lived up to its "Windy City" nickname nine years ago today when gusty blasts from the prairies stymied all attempts at sub-par scoring in final practice rounds for the United States Golf Association 43rd championship, finally won by Marvin (Bud) Ward. In the practice round, Phil Farley of Toronto and Bruce McCormick of Pasedena, Cal., each had par 72s.

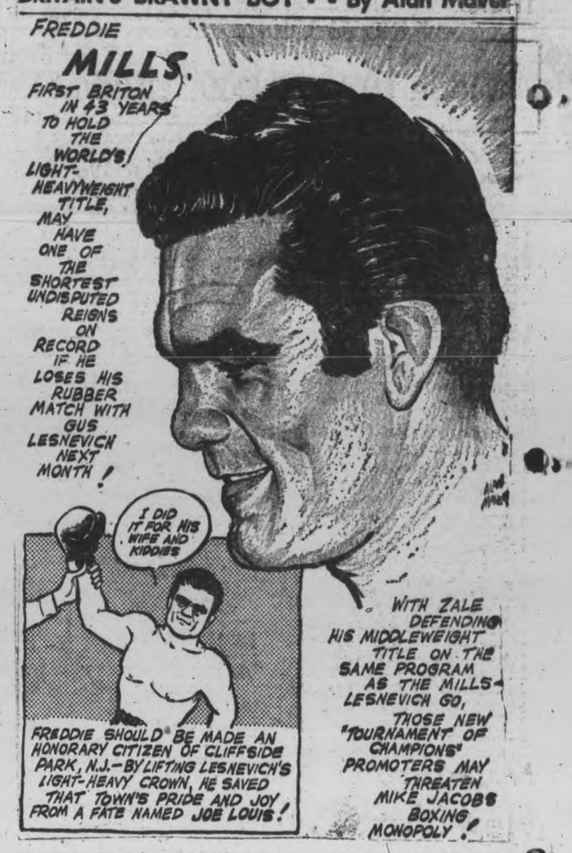
BRITAIN'S BRAWNY BOY - - By Alan Mayer



Kiwanis Bantams Lacrosse Champs

Scoring three goals in overtime last night, Kiwanis defeated Clapper's 6-3 to win the city bantam lacrosse championship. It was a fine game all the way but the winners finished strong in the extra heat. McDougall, Batley and Hobart looked best for the victors, while Simmons, Drury and Woodgate were best for the losers. McDougall scored two as did Drury, while one each was counted by Batley, Kearns, Frizzelle, O'Brien and Galvin. Allen had two assists, with Woodgate, Crowe McDougall and Batley having one each. The teams:

Kiwanis: Hobart, Batley, McDougall, Crough, Allen, Corbett, Crowe, Bulmer, Collins, Cournyea, Mullen, Kearns, Frizzelle, Tarkington, O'Brien and J. Hobart.

Clapper's: Simmons, Vondette, Legros, Cupoli, Galvin, Merrett, Woodgate, Roberts, Drury, Ryan, Ferren, Lindsay, Cullen and Rawley.

Murderous Sox Overcome New York Yankees 10-6

By JOE REICHLER
Associated Press Eports Writer

The outlook appeared gloomy today for the rest of the American League as Joe McCarthy's battering Boston Red Sox boasted their largest lead of the season.

Coming from behind in typical fashion, the murderous Sox overcame their arch-rivals, New York Yankees 10-0 Wednesday night to increase their margin over the runner-up New Yorkers to 2½ games. Their previous best advantage was a game and a half.

In drawing first blood in their all-important three-game series with the Yankees, the Red Sox kept two winning streaks alive. They extended their latest to eight straight, and now own six consecutive triumphs against the Yankees. They have copped 22 of their last 26.

The Sox gained their latest triumph the hard way Hardly had the game got under way when they found themselves trailing 4-0. Five singles off starter Joe Dobson gave the Yankees four runs in the first inning. Undaunted, the Red Sox bounced back with six hits off Frank Shea in their half of the same inning to take a 5-4 lead.

Birdie Tebbetts' two-out triple drove in Wally Moses and Billy Goodman with the tying runs. Billy Hitchcock followed with a single to score Tebbetts.

Yankees Tie It

After the Red Sox moved in front, 6-4, the Yankees tied it up with single runs in the sixth and seventh innings. Yogi Berra's 14th home run furnished the fifth run and Hitchcock's fumble, Tommy Henrich's single and Hank Bauer's long fly produced the other.

The Sox quickly untied the score in their half of the seventh. With Lefty Joe Page, third Yankee hurler, on the mound, they put together three hits and three walks to pour four runs across and put the game out of the Yankees' reach. Lefty Earl Johnson, who had replaced Dobson in the seventh, was credited with his eighth victory against two defeats.

The third-place Cleveland Indians scored an unearned run in the last half of the 11th inning to nip Detroit Tigers 8-7 and remain 4½ games behind Boston. Larry Doby, who rapped out four singles to extend his consecutive hitting streak through 19 games, scored the winning run.

Bob Lemon, trying for his 20th victory, was shelled in the seventh. Zoldak, fourth Cleveland pitcher, was credited with the victory.

Sweep Doubleheader

Philadelphia's fourth-place Athletics swept a twilight-night doubleheader from Washington Senators, 10-7 and 5-2, to reduce Boston's margin over them to nine games.

The A's had to survive a ninth-inning rally to win the opener. A leaping stab of Mickey Vernon's liner which first-baseman Ferris Fain converted into a game-ending double play halted the Nats after they had tallied four times and loaded the bases. Carl Scheib gained his 12th victory with a seven-hitter in the nightcap.

Exploding for four runs in the eighth inning, Pittsburgh Pirates defeated the Reds 5-1 in Cincinnati and strengthened their second-place position in the National League pennant race. They now own a half-game advantage over Brooklyn Dodgers and trail the leading Boston Braves by 3½ games. The Braves and Dodgers were idle.

Johnny Schmitz limited the Cardinals to two hits in St. Louis, pitching Chicago Cubs to a 4-2 triumph. It was the fourth-place Cards' fourth consecutive loss and dropped them to 5½ games off the pace.

Andy Seminick walloped a two-run homer in the top of the ninth to enable Philadelphia Phillies to nip New York Giants 5-4. The win enabled the Phils to climb out of the cellar by half a game.

Highgraders Raid Two Uranium Mines
Latest Haul Made Near Lake St. Peter

By PETE McGILLEN

For the second time within a month, highgraders have raided the uranium deposits in Wilberforce and North Hastings and carried off quantities of rich uraninite ore weighing more than 500 pounds.

Last report came this week, when Arthur Shore, Bancroft prospector who made the strike of uksenite, a uranium ore, on the banks of the Mackenzie lake, near Lake St. Peter, returned to Wilberforce, to say that more than 200 pounds of the richest surface crystals had been lifted. Shore had been busy removing the overburden along the vein he discovered while prospecting for Gerry Pitt, Wilberforce mine owner. He became ill last week, and spent three days at his home in Bancroft. When he re-visited the mine at the latter part of the week, he noticed the large crystals were missing.

Reported to Police

Provincial Constable Bert Howden of Apsley was notified and he visited the scene of the robbery. On Wednesday he reported his findings to Inspector E. V. McNeill of the Provincial Police at Peterborough, and it is understood Constable Howden is continuing his investigation.

At Monmouth township in Wilberforce, Haliburton county, armed guards are patrolling the 20,000 acres of radio-active rock where the Geiger counters snarl a beat of 48 on the 1250 microampere band. It was here the first theft was made. This took place about two weeks after the discovery of uranium at Lake St. Peter. The prospectors and geologists were hustled into trucks and jeeps and rushed 45 miles northwest to the new strike. For more than four days there was no one on the Haliburton property.

A week ago Monday they returned, and saw car tracks on the dirt road leading from the mine. Delbert Miller and Frank Scott, who parks his car at the entrance to the property, paid little attention to the marks. Nor did Bob Elliott, foreman, and veteran prospector. Then Dr. Harold Way, geologist from Niagara Falls, New York, and Reg. Doubt, prospector from Lakefield discovered a fresh cut channel across the face of the uncovered ore body. The channel went from west to east across the richest part of the vein. Dr. Way estimated about 200 pounds of samples had been taken. A pile of samples weighing more than 300 pounds which had been stacked at the base of a spruce nearby was also missing.

Knew Their Job

"The men who stole the ore knew what they were doing" said D. Way. "They must have had a Geiger counter for they went over the richest part of the vein."

Horace George Pitt, 250-pound mine and lumber operator who has spent nearly three years and more than $350,000 developing the uranium lode, feared the highgraders may have been foreign agents, possibly those of the Soviet. He has reported the case to Ontario Provincial Police.

The high-graders couldn't have been legitimate mining men, for representaives of the many of the leading mine operations have gone into those hills, on invitation, and stood amazed while the geiger counters ticked the story of the "hot" uraninite rocks.

Head office men of both the Dominion and the Ontario Provincial Mines Departments have been in and taken away samples.

Seven geologists and engineers of the Atomic Energy Control Board spent 38 days in the area, but what samples they took assayed, H. G. "Gerry" Pitt so far hasn't been told.

The United States Atomic Energy Commission has expressed intense interest, requesting the shipment south of samples.

Permission for export of the uranium ores, reported Mr. Pitt, so far has been refused by the Canadian Control Board.

Why this should be so, he can't even guess, since the radioactivity of the "hot" rocks has been no secret since 1929.

Known for 19 Years

For 19 years the Mines and Resources Department at Ottawa has known about this uranium lode.

For, in 1929 Dr. Hugh S. Spence, now senior geologist of the department, wrote a technical paper on it, "The Wilberforce Radium Occurrence", published by the Canadian Mining and Metallurgical Bulletin, and since republished by the King's Printer.

Dr. Spence reported the formation to be 1,299,000,000 years of age, and samples to have assayed 58.35 percent. of uranium oxide.

Radioactivity is so strong that above the formation, frost in the dead of Winter has a depth penetration of less than 12 inches. Away from the "hot" rock formation—and it cuts off as sharply as if sliced by a giant knife—the frost goes down five and six feet.

In 1919, according to Dr. Spence's published report, some 80,000 pounds of ore from the adjacent diggings of the old Ontario Radium Corporation, were shipped to the then Mines Branch in Ottawa. From one ton the average uranium recovery was 2.169 pounds.

In the Leadura and Thora properties, about seven miles west of the old Radium Corporation mine, assays have established recovery at 10 to 60 pounds of radioactive uranium and thorium concentrates per ton.

Those were commercial assays. What the Atomic Energy Control Board of the National Research Council determined from their samples remains a secret. This keeping of everything under wraps has Mr. Pitt baffled, for under the regulations he should be entitled to three assays, his company three, and each of the seven licensed miners he employs should each receive three.

Seeking Radium

In that 1929 report, Dr. Spence wrote: "The deposit enjoys the advantage of being situated close to rail, and on the surface that could hardly be bettered, for cheap and easy development:

"The ore, as shown by the large-scale test made by the Mines Branch, is easily crushed and concentrated, and only limited mill equipment is required to make the uraninite concentrate."

In those days of 19 years ago they were looking particularly for radium. The atomic bomb hadn't been born then, and the uranium which came with the radium was worthless.

The old Ontario Radium Corporation was an operation of the late Sir Harry Oakes, and from it he took a reputed $750,000 profit before friction in his partnership in the venture rubbed it out.

The old diggings are being reopened, but from the bins hundreds of pounds of highly radioactive concentrates are being taken by highgraders. Perhaps they are the same highgraders who plundered the 500 pounds from the Leadura workings, ventured Mr. Pitt.

He has found it frightening that the Mines and Resources Department in the face even only of the old report by Dr. Spence, has done nothing about the hot rocks of the Haliburton hills.

Guards Posted

The security aspects of the situation so worried him, he has posted his armed guards.

Working in the radio-active hills are two geologists, Dr. Harold Way, of Niagara Falls, NY, and Douglas Weaver, of Lakefield, two engineers and 20 to 30 miners, laborers and carpenters.

A townsite is building, complete with shopping centre and motion picture theatre.

The uranium diggings — as holes in the ground — are not new.

The development crews are following up what Reuben Crahdell did 60-odd years ago. He was a farmer, and the ruins of his old log home remain. But he blasted not for uranium, but for precious stones. He never found them, and in the frustration of his life-long search his wife left him.

Weathered logs of his old house stand by the side of the Monk road, along which, before the Rideau Canal was cut, General Monk marched his men from the Lake of Hays to garrison Bytown.

The old Monk road for the most part has gone back to nature, overgrown with raspberry canes, young spruce and grass. But once it was the only artery between Georgian Bay and the Lower Ottawa.

When General Monk marched his men along that overland trail the world hadn't started dreaming of the uranium across which the little army trudged. The nightmare of the atomic bomb was still to come, but the raw material for it, uranium and plutonium, remained "hot" in the wilderness hills of Haliburton.

HIGHGRADERS made the second raid on uranium mines in Wilberforce and Lake St. Peter areas last week. First raid took 500 lbs. of rich samples from the Leadura Mine in Monmouth township, Haliburton county. Reg. Doubt, Lakefield prospector at Left, and Dr. Harold Way, geologist of Niagara Falls, NY, point to spots where samples were channelled off the ore body.

Dentists Using Fluorine Paint

WINNIPEG, Sept. 9.—(CP). — Youngsters here are having their teeth painted to prevent decay. The "paint" is fluorine.

Dr. W. G. Campbell, director of Manitoba dental services, said dentists here and in surrounding areas were using the chemical.

"Winnipeg, unfortunately, has little fluorine in its water and it has to be applied by dentists. It is effective only on the youth teeth of children."

The dental service provides fluorine free. The treatment consists of four applications, painted on the teeth after they have been thoroughly cleaned and dried.

"Effective period of the painting is about three years. Preliminary reports show it is effective," said Dr. Campbell.

He said his department took up the use of fluorine as a tooth preservative in 1947, when dentists were canvassed and told free supplies would be available to them.

LEAST POPULATED

Greenland is the world's most sparsely populated inhabited area, with about .04 persons per square mile.

Urge Enforcing Railway Signals

DIGBY, N.S., Sept. 9 (CP) — Provision for enforcing obedience to warning signals at level railway crossings was urged here today by D. G. Kilburn, director of engineering for Canada's Board of Transport Commissioners, at the closing session of the Canadian Good Roads Association's 29th annual convention.

The 400 delegates finished their business ahead of schedule with completion of part of today's original business Wednesday. A motor tour, cancelled Wednesday by rain, was scheduled for this afternoon. The annual dinner this evening, with Premier Angus L. Macdonald of Nova Scotia as guest speaker, will conclude the three-day meeting.

Mr. Kilburn traced the history of the railway crossing fund from its creation in 109 to the present. He noted there were penalties for infringement of highway intersection signals and strongly urged provision of penalties for disobedience to level-crossing warning signals.

W. G. Robertson, secretary-treasurer of the Canadian Automobile Association and general manager of the Ontario Motor League, in a paper on directors of motor travel stressed the credit due Canadian Automobile Clubs as pioneers of good roads and interprovincial and international touring.

Roseneath News

Miss Merla Braithwaite, Peterborough Normal School graduate, has been engaged to teach Springville school, North Monaghan. Miss Braithwaite is the eldest daughter of Mr. and Mrs. Earl Braithwaite, Roseneath.

Labor Day guests of Misses Mae Thompson and Nina Bush included Mr. and Mrs. James Thompson, Mr. and Mrs. Gilbert Reid and Mr. and Mrs. Ben Butler, all of Picton.

Rev. R. C. White was in Whitby on Tuesday and Wednesday attending a conference of evangelism of the United Church of Canada held at the Ontario Ladies' College. Mr. White was one of the three delegates elected from the Cobourg Presbyterial to attend the conference. One hundred delegates were registered. Dr. James Semple of Peterborough was chairman.

Bethany News

Mrs. John Porteous, one of Bethany's oldest residents, now in her 93rd year, has been in failing health for some time and was taken to a nursing home in Lindsay on Monday.

Mrs. R. W. Price is making good progress following an operation at Civic Hospital, Peterborough, on Tuesday.

"A DOLLAR DOWN..."
AND YOU CAN BUY IT

Yes, whether it's that smart, new camera you've had your eye on, a better vacation next year, a new dining-room suite or a home of your own . . . you've made a good start toward getting it when you put your first dollar down . . . in a Savings Account at the Bank of Montreal.

Thousands of our good customers started their bank accounts with just a dollar or so . . . and they have never regretted it.

Why not join this B of M family? First set your objective. Then, start saving . . . *regularly*. You'll be surprised how quickly your money mounts up. Remember, though . . . it's that "dollar down" that counts most—the dollar that opens your B of M Savings Account. Today's the day to start it.

Gifts To Korea Brings Thanks

BETHANY, Sept. 9 —(ENS)— The Women's Association of the United Church met at the home of Mrs. Otto Spencer on Tuesday with 21 members attending. Mrs. G. Waddell conducted the meeting. Mrs. Mansell Finnie read the scripture lesson. Mrs. Harold Sanderson gave 'Lesson Thoughts' and Mrs. Waddell led in prayer.

Mrs. Llyod Kennedy was appointed assistant treasurer until the end of the year.

A letter was read from Mrs. J. Henderson, the former pastor's wife, thanking the society for their parting gift.

Mrs. Longfield was appointed to assist Miss L. Thompson on the flower committee.

Mrs. T. Jackson read a letter received from Korea, thanking the W.A. and the Women's Missionary Society for boxes sent there during the summer.

A report of the parsonage decorating committee was received, giving a list of furniture bought and a vote of thanks was tendered to Mrs. T. Jackson for her work in renovating some of the furniture already there. The secretary was requested to convey the thanks of the circuit to Wesley Reynolds, Peterborough, former member of the Bethany Church for the gift of a walnut table which he gave to the parsonage.

The cleaning and redecorating of the church basement and Sunday School room was discussed and on motion it was decided that the society bear the expense of the material needed. Mrs. A. H. Monk gave a talk on the "Life of Paul, the Apostle".

Millbrook News

Mr. and Mrs. R. A. Ford, Peterborough, and formerly of Millbrook, were visitors in town on Labor Day.

Mr. and Mrs. B. Fleming, Toronto, are visiting Mr. and Mrs. J. T. Crowley. Mr. Crowley's mother has come from Ajax to live with her son and his wife here and over the weekend Mrs. Crowley's nephew and his bride, Mr. and Mrs. J. Small, of New York, were guests.

Mrs. Dorothy Mae and children John and Margaret, Toronto, have returned home after visiting her grandmother and aunt, Mrs. M. Sutton and Miss Josie Sutton. The children remained here for a further holiday.

Dr. Margaret McQuade, Kingston, was home with her parents, Rev. George McQuade and Mrs. McQuade, for the holiday weekend.

Herbert Patterson and Miss Margaret Patterson, Toronto, spent the holiday weekend with their parents, Rev. Walter Patterson and Mrs. Patterson.

Mr. and Mrs. A. J. Mulligan and J. Keister motored to Cleveland last week and are visiting friends in their former home city. They will return for the winter months.

Mr. and Mrs. J. H. Barringer were in Toronto for the Labor Day weekend with their son-in-law and daughter, Mr. and Mrs. Basil Stephens. Mr. Barringer returned home Monday, but his wife is remaining for a further visit in Toronto and Aurora.

Mr. and Mrs. Lavergne Gibson and son, Gordon, are on vacation this week in Toronto and other points.

Mr. and Mrs. J. W. Thorndyke, Toronto, spent the Labor Day weekend with his mother, Mrs. Charles Thorndyke, and her parents, Mr. and Mrs. G. E. Burnham. Mr. and Mrs. E. L. Burnham and daughter, Brenda, Peterborough, were also here until Sunday evening, spending the holiday with Mr. and Mrs. A. Poolman at their cottage, Chemong Park.

Mrs. Wesley Williamson, who spent August in Toronto with Mr. and Mrs. Maurice Williamson and with Mr. and Mrs. Jack Smith, Peterborough, returned home last Saturday.

Mr. and Mrs. William Ridge of Toronto visited over the holiday with his mother, Mrs. J. Ridge.

The former Hatherly home, east of the village, has been purchased by J. Agnew, Peterborough. Ralph Adair, the previous owner, has gone to Tennessee, where he has an engineering position. Mr. Agnew and family are in possession and he is continuing with his trucking business.

Miss Mary Eagleson returned home Sunday, after visiting in Bethany with Miss W. Nesbitt and Mr. and Mrs. H. Morton.

Hastings News

Miss Dorothy Stranaghan, Peterborough, spent the weekend with Mr. and Mrs. J. McMillan.

Mr. and Mrs. Leo English, Peterborough, called on friends and relatives in Hastings over the weekend.

Melvin Smullin spent two weeks vacationing at Havelock with his aunt, Mrs. C. Pollock.

Mrs. Freda Drymand and daughter Helen were weekend guests of Mr. and Mrs. L. Rivard and Joe.

Mr. and Mrs. Robert Wield and son Ralph of Vestel, N.Y., spent the weekend with her parents, Mr. and Mrs. G. Smullin.

Mr. V. Lloyd, Toronto, spent the holiday weekend at his home in Victoria St.

Mr. Wm. Martindale is vacationing at his cottage.

The many friends of Tommy Lloyd will be sorry to hear that he is confined to his home with chicken pox.

Mr. T. W. Larke of Windsor is spending two weeks vacation at summer home of his daughter, Mrs. C. Baker and family.

Mr. C. Howse, Toronto, spent the weekend with his family in Hastings.

Mr. and Mrs. Wm. Ashby and son Bob of Toronto are vacationing at Hastings.

Mr. Bruno, Mr. and Mrs. Percy Hunt and Capt. Nash, all of Toronto, are guests of Chief Constable Wm. Martindale at his cottage here.

Mrs. A. Fleming left on Monday to spend a week's vacation at Young's Point with her brother, Mr. and Mrs. W. Hopkins of Toronto, who with their son Eric spent last weekend in Hastings with her.

Mrs. G. Parker, Norwood, spent Tuesday with relatives here.

Mr. and Mrs. J. Markle, Toronto, spent the long weekend at Hastings.

Lawyers Submit Arguments In Gas Bylaw

Magistrate Philp To Give Judgment On Sept. 15

Written arguments of counsel on the gasoline bylaw case were submitted to Magistrate W. R. Philp, KC, on Tuesday. His judgment on the important test case is scheduled to be given Sept. 15. Alex Elliott, KC, is counsel for the prosecution and W. J. Arthur Fair is acting for the accused, John Russelle, and the three other garage operators charged under the city's new bylaw 4701 which regulates the hours of operation of gasoline outlets within the city. The Russelle case has been contested as a test of the bylaw, with the charges against the other three held pending its outcome.

In his argument for the accused, Mr. Fair challenges the validity of the bylaw and "should it be held that the bylaw is valid," he denied that the accused is guilty of an offence.

Saying that "the basis of such legislation seems to me to be against the principles of democratic government," Mr. Fair based his argument on the general nature of the bylaw itself and on technical objections on the way it had been "allegedly passed."

His objections to the nature of the bylaw are submitted in part:

"....The granting to the majority of a group of persons within a municipality the absolute right to control the retail output of such an essential product as gasoline to the machinery of trade, commerce, transportation and necessity for the travelling public...."

"....the Municipal Council.... has no voice in the matter and is obliged to follow the dictates of that group of retailers and pass the bylaw...."

"....the council....is compelled to accept the application (of the required three-quarters of operators of gas outlets) and pass the bylaw to conform in every detail....and should the council amend or alter the bylaw in the slightest degree to derogate from the terms of such application, the council has committed an offence against the provisions of the statute....one bright feature is that there is no punishment provided for those revolting councilmen...."

Public Has No Voice

"....that the public....is dictated to by absolute legislation and has no voice in saying what is advisable in their interests nor has the minority of the retailers ....(who may...prefer to operate at other times than those preferred by the majority...."

"....(provincial statute) provides that the bylaw may provide that it shall apply only in certain portions of the municipality ....Since the absolute right to say what the bylaw is to contain is in the hands of the majority of retailers, the voice of the public and minority (of operators) cannot be heard when they ask that they in the outlying areas be granted special consideration ....The majority of the outlets ....are in the centre of the city where the cream of the business is extracted during the usual business hours....the proprietor of the little station on the outskirts ignored during the day, could in the evening get the business of the transient traveller and the working man who could not conveniently get to the station during the daytime...."

"The argument ist given that there are provisions that certain may stay open in the evening.... but....(there is)....no compulsion or penalty if the station does not stay open....stations are given permits to remain open evenings and Sundays but some do not use them and the public has to run around to find one that is accomodating the public.."

"Still these same stations gang up and exert their absolute power and strive to force the little fellow out of business... the public suffers.."

"My client is a supporter of labor legislation but....there is no art or special skill in handling a gasoline pump and making change....it can conveniently be done without offending the labor laws at any hour...."

Had 24 Hour Service

The accused was operating a 24-hour service till the bylaw was allegedly passed and says that the public requires such service....he knows of no harm he has done to anyone....in the evenings and throughout the night and on Sundays....which service he believes is vital to the public and community in general...."

In outlining his objections to the way in which the Peterborough City Council passed the bylaw on July 12, Mr. Fair based the importance of the objections on a 1942 court decision in which a former court had held that "where a bylaw interfered with and curtailed the rights of business carried on by others, all the preliminaries leading to the passing thereof, and the bylaw itself, should be closely scrutinized and that the Act authorizing the bylaw should be strictly complied with...."

Charge Defects

Defence argued that defects of the council's procedure included: evidence that the council had not been satisfactorily assured that the list submitted to them was a complete and true list of all the retail gas outlets in the city; the bylaw was "passed" more than a month after the first petition from retailers had been received, contrary to provincial statute which states it shall be passed within a month; that all the applications were "seriously outdated" by the July 12 passing and that changes in numbers and owners of outlets had not been checked to that date; that "there is no evidence of a second reading"; as the bylaw was once rejected in committee if presented again on July 12, it required to go into committee again for three readings.

The objections are summed up: "The procedure at the passing of the bylaw is so confusing and so lacking in compliance with the statute that the bylaw is invalid."

In his reply to defence arguments, Mr. Elliott pointed out that there is "nothing novel in bylaw 4701 before the court.... the powers and rights of municipalities to pass such a bylaw have been before the courts on many occasions...."

Commenting on the argument that certain bylaws had been set aside, it was argued that almost invariably such bylaws were set aside because municipal councils did not realize that they must conform to the petitions. One or two had been set aside because municipalities had imposed imprisonment as a penalty, contrary to any authority to do so.

Says Procedure Correct

Mr. Elliott denied that precedure had been incorrect in Council's passing of the bylaw: "The evidence established that the procedure outlined in bylaw 3114 (which outlines procedure for city council to follow in passing bylaws)....was followed.. The petition was advertised and remained in the office of the city clerk for a week....It was inspected by John Russelle....the city clerk states that no complaints were made to him....by anyone...."

"In this case, there is not one bit of evidence showing that there was one name improperly on the petition....there is no evidence ....to show that the petition did not represent at least three-fourths of the class or shop in question..."

The list of retail gasoline outlets in the city prepared for council "was never the subject of one complaint showing any inaccuracy," argued the prosecution, in answer to defence objections that the list had not been satisfactorily proved to the council.

Answering Mr. Fair's objection that "the bylaw is unreasonable and therefore must be invalid," Mr. Elliott's brief noted that "such bylaws have been considered many times by the courts . . . the provisions of subsection 2 of section 267 of the Municipal Act . . . is a complete answer to . . . counsel for the defence."

(Subsection 2, section 267 of The Municipal Act is: "A bylaw passed by a council . . . shall not be open to question, or be quashed, set aside or declared invalid . . . on account of the unreasonableness or supposed unreasonableness of its provisions. . .")

Onus on Defence

On the question of the proof of the validity of the bylaw, Mr. Elliott submitted to the court: "the onus (is upon the defence) . . . in attacking the validity of a bylaw so far as it relates to the prescribed number appearing on the petition . . . it is quite obvious that the defence has not discharged that onus. . ."

On the point that the petitions requesting council to pass the bylaw had been submitted to council separately, he pointed out that the procedure bylaw of council permitted a petition to be submitted "in one or more parts. . ."

Mr. Fair's contention that the bylaw had to be passed within a month of receipt of the petitions was answered, said Mr. Elliott, by legal precedents on that point which held that "time was only directory."

Summing up the facts of the case, as presented in evidence at the hearing before Magistrate Philp previously, the prosecution said:

"The evidence establishes that the premises of the defendent were open for the purpose of serving customers."

On final argument, that the passage of the bylaw had not been properly carried out, Mr. Elliott concluded: "The courts have never interfered with the internal business of a municipal council. . ." He cites a court judgment which held: ". . . Questions raised . . . in regard to failure to observe the council's procedure bylaw . . . come under the one broad principle that the council should be left to transact the business of the city as they think best."

They'll Do It Every Time — By Jimmy Hatlo

Co-Ops Drop Price Cuts Say Union Demands Reason

LONDON, Sept. 9.—(CP)—The funeral dirge for the British Co-Operatives' "noble experiment" grew louder today.

There is every indication the Co-Operatives are tired of being alone in reducing prices to consumers. After Sir Stafford Cripps' appeal to the country to go easy on spending, Co-Operatives, with a burst of publicity, cut their store prices on bread, margarine, sugar and associated products.

The Co-Operatives said they expected the Government would back up policies and see a check was imposed on general wage increases. They expected other stores also to reduce prices.

They expected trade unionists —many of them patrons of Co-Operative stores—would not embarrass the Co-Operatives' program by demanding wage increases for their employees.

Now the whole gloomy story is being told in the Co-Operatives' charges of non-co-operation and the unions reply that Co-Operatives appear to have been playing a dubious game designed to keep down wages.

The Leeds Industrial Co-Operative Society has told its 139,000 members that the cuts in prices introduced in April are to end.

This decision was made, although the Central Co-Operative Union has asked societies to retain the price cuts until it can have discussions with the Government.

The Co-Operatives are forthright. In a statement last week the Co-Operative Union representative of 1,200 societies said:

Unions Ignored Appeal

"Trade unions catering for Co-Operative employees have deliberately ignored an appeal of the Government and have disregarded the price-cut policy of the movement, so that the societies now are bearing a double burden of price cuts and wage increases."

In reply, A. W. Burrows, general secretary of the Union of Shop, Distributive and Allied Workers, said the Co-Operative worker has begun to suspect that the Co-Operatives' dramatic act of reducing prices was made in the hope of preventing any increase in wages.

Rebert Southern, Co-Operative Union general secretary, said the pressure from employees for increased wages and better conditions might make it impossible for Co-Operatives generally to continue to lower food prices.

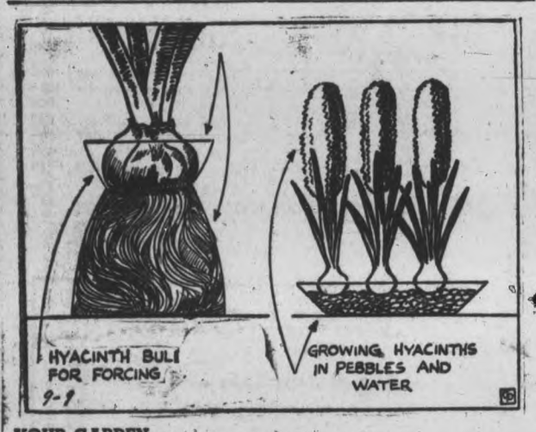
GOLD IN IDAHO

Gold was first found in Idaho in 1860.

Thousands have been overjoyed at the results a little pepping up with Dr. Williams Pink Pills accomplish. Contains general tonics often needed by men and women who feel old and whose bodies are lacking in certain essentials vital to energy and vigor. Start on your way to feeling peppier and fresher with Dr. Williams Pink Pills this very day. At your druggist.

New Rental Racket

MONTREAL, Sept. 9—(CP).—Police today claimed to have cracked a new form of rental racketeering with the arrest of two men, members of a five-man gang which allegedly fleeced Montrealers of several thousand dollars. Police said the men posed as landlords, asked the prospective tenants for rent in advance, and then rented them "their" homes.



YOUR GARDEN . . .

Winter Blooms Indoors

By DEAN HALLIDAY

There is no reason why any home should be without blooms all winter long, if bulbs are used for indoor gardening.

Hyacinths, for example, produce perfect blooms indoors. It is a simple matter to grow them indoors during the winter months. They require water and some sort of supporting medium such as fiber or stones, as illustrated in the accompanying Garden-Graph. Large bulbs for forcing can be grown in special hyacinth glasses, as illustrated.

When bulbs are to be grown in water and pebbles, set them sufficiently deep so that the lower third of each is submerged in the water and add more stones to hold the bulbs in place. Place the bulbs close together without letting them touch one another.

Top growth will begin simultaneously with root development. Placing the bowls in a cool, frostproof, dark place has a tendency to stimulate root development but keep the top growth back. This results in more and larger blooms.

A clothes closet or cupboard can be used for forcing the bulbs in darkness. A root system will have formed within two or three weeks.

Then bring the bulbs into a room with a temperature of 50 to 60 degrees. Keep away from direct sunlight for a day or two until the top growth has turned to a rich green color, then place in a sunny window.

When hyacinth bulbs are brought out into the light, place a paper cone about them to force the buds to grow up before blooming.

Paper-White Narcissi are the easiest to force of all bulbs. They may be had in bloom seven weeks from the time of planting. One may have Paper-Whites in bloom from the last week in December until Easter, planting every two weeks, beginning the first week in October.

FACE COVERED WITH PIMPLES

Miss B. Green, Box 361, Davis, Okla., writes: "For three years my face was covered with large pimples...I decided to try Cuticura Soap and Ointment. After using them for three weeks I was greatly relieved; and now my skin is as smooth as a baby's." Scientifically medicated Cuticura may help you too! Buy Cuticura at your druggist today!

Cavan News

Mr. and Mrs. Lloyd Sutton and Mr. and Mrs. Leonard McNeil were in Toronto on Saturday.

Miss Mary Richards was a visitor to Toronto for the weekend.

Mr. and Mrs. Merle Carr, Peterborough, were guests of Mr. and Mrs. Melville Carr over the weekend.

Mrs. Ollie Miller has been engaged to teach Whitfields school for this year succeeding Miss Wilda Harker who resigned.

Electric lights have been installed in the school during the holidays.

Mr. and Mrs. Oren Robertson and daughter Nancy of Montreal were guests of Mrs. Robt. Robertson over the holiday weekend.

Bonarlaw News

Mr. and Mrs. W. J. Barlow are attending the postmasters convention in North Bay this week.

Allan B. McComb, W. G. McComb and J. F. Baker from this vicinity attended the directors' meeting of the Marmora Agricultural Society on Tuesday evening. A bee has been called for Friday of this week to complete arrangements on the grounds. It was considered the new arena will be ideal for showing livestock.

Stewart G. McKeown of Ottawa spent the holiday at his home here.

Kenneth McKeown and Mrs. Mary Claringbold were married on Aug. 9 at Consecon.

Mr. and Mrs. W. J. Barlow are in Toronto this week. Mr. Barlow is attending the past masters convention.

Mr. and Mrs. Reg. McGee of Harold and Mr. and Mrs. W. J. Barlow and Miss Beverly McKeown motored to Athens on Sunday.

Clarence McKeown attended the funeral of Canon W. G. Swayne on Monday at Arthur.

C. W. Nixon of Trent Bridge spent Sunday with Mrs. Jennie Wellman and family.

The 12th Line School opened on Tuesday with Mrs. Smith as teacher.

Mr. and Mrs. Cyril McKeown and family of Consecon visited John McKeown's on Sunday. They also visited Mr. and Mrs. Robert Lyle at Stanwood.

Miss Isobella Matthews returned to her home on Sunday, having spent the past week at Malone.

Procter & Gamble guarantees that Tide will do everything claimed for it in this advertisement. If you are not completely satisfied, return the unused portion of your package to dealer, and the purchase price will be refunded.

IT'S TIDE

Procter & Gamble's amazing discovery

NEVER have you used anything like Tide! There just wasn't anything like it until new knowledge gained in wartime research made the discovery of Tide possible. Here's a completely NEW washing product made to do your whole family wash. Tide just laughs at dirt and grease . . . laughs at hard-water problems. Tide does *what's never been done before*—washes clothes cleaner than any soap made, yet actually leaves colors brighter! Try Tide in *your* washing machine.

ONLY Tide DOES ALL FOUR!

1. Washes clothes CLEANER!

Yes, cleaner than any soap made! Compare Tide with any soap you may be using. You'll see! Tide gets the whole wash *cleaner* . . . even greasy overalls! Tide not only leaves clothes free from ordinary dirt, but actually removes dingy soap film as well.

2. Gets clothes dazzling white—they're CLEANER!

Tired of hanging up a yellow-looking white wash? Tide gets your white things *dazzling* white . . . *keeps* them dazzling white, week after week! Tide will *never* turn them yellow!

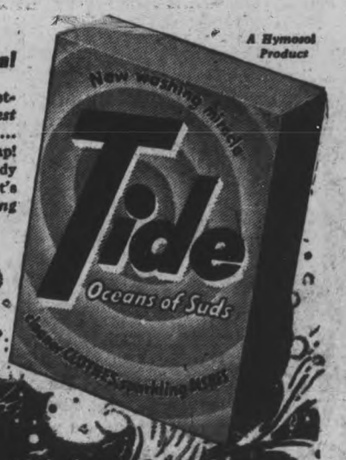
3. Actually brightens colors—they're CLEANER!

With all its cleaning power for heavy work clothes, Tide is really *safe* for your bright print dresses. And you'll be thrilled to see the way all your washable colors actually come out brighter after a Tide wash!

4. Gives more suds—prove it in your dishpan!

Kind-to-hands suds! Longer-lasting suds than any soap in *hardest* water! Tide cuts grease like magic... washes dishes cleaner than any soap! No scum in the water! No cloudy film on dishes and glasses! That's why they rinse and dry so *sparkling clear*—even without wiping!

A Hymosol Product



TIDE'S IN—DIRT'S OUT!

Made in Canada

TIDE WORKS EXTRA MIRACLES IN HARD WATER! OCEANS OF SUDS! NO WATER SOFTENERS NEEDED!

BABY MAY, 21-year-old youngster at the San Francisco Zoo, became too greedy while reaching for peanuts on Labor Day, and tumbled into the moat surrounding the elephant pen. May is evidently getting lots of sympathy and a modicum of help from her elders.

Number One Pest, Aussie Rabbit Earned $30,000,000 Last Year

By LESLIE BRODIE
Canadian Press Correspondent

SYDNEY, Australia, Sept. 9. — (CP).—Australia's No. 1 pest, the rabbit, is also her second-best dollar earner. In the last financial year this country earned more than $30,000,000 by exporting more than 90,000,000 rabbit skins.

For years the rabbit has been the landowner's worst enemy, but it has been a great friend to the trapper. Many landowners have been forced off their properties bankrupt because of the destruction caused by the rabbit, while many trappers of the past have been able to buy land with money won from the rabbit skins.

More men have earned a living trapping, handling and processing the rabbit and its by-products than in any other industry in Australia. All through this winter trappers have been earning up to $300 a week trapping on the outback properties.

But farmers and ranch owners still see the rabbit only as a pest. They claim that more money could be made by sheep and cattle off land destroyed by the rabbit than by the exporting of skins. Millions of dollars a year are spent in trying to exterminate rabbits, but so far no method has proved successful.

At a meeting of sheep breeders in the southern districts of New South Wales early this year it was suggested that £1,000,000 ($3,200,000) be offered as a reward to anyone discovering a means of wiping out the rabbit. The reward, they said, would be small compared with the benefits that would result.

Fences Not Repaired

Post-war shortage of wire mesh for repairing the fences that help to keep rabbits in check has caused a considerable increase in their numbers all over Australia.

Records show that the first rabbits were brought to Australia in the early days of the colony of New South Wales, as it was known then. Thirteen brought out as "pets" had, within a few years, increased until they overran the area in which they were released. They quickly migrated westward to the fertile land west of the Blue Mountains and swept down into Victoria like a flood.

Settlers of the period erected wire-mesh fences in their path, but they got through and continued their journey westward across the continent. West Australians felt safe with the Nullarbor Plain between them and the invader, but they reckoned without his resourcefulness. He merely waited 14 years for an extra wet season and then streaked across the desert.

When it was reported in West Australia the premier sent an expedition to check if the report was true. The expedition returned within three months with the news that rabbits had not only crossed the Plain but had done so in alarming numbers.

The premier, Sir John Forrest, immediately ordered a wire-mesh fence to be erected across the continent. The fence was pushed north in feverish haste and just as everyone began to feel safe the rabbit was found on the other side. He had rounded the fence before it had gone 700 miles.

A second fence further west was put up parallel to the original with a similar result.

Tennessee Leads Beauty Parade

ATLANTIC CITY, Sept. 9 — (AP). — Tennessee talent and Kansas curves led the Miss America pageant to-day.

Dorothy Free, 19-year-old Miss Tennessee, held the lead on the talent side while Vera Ralston, 18-year-old Miss Kansas, dominated the beauty parade.

They were the first winners in the preliminary competition to name the 1948 Miss America. A crowd of 10,000 watched the competition Wednesday night.

Betty Jean Ferguson, 20-year-old Halifax blonde entered as Miss Canada, drew applause from the crowd as she walked gracefully down the runway, clad in a black-and-white striped bathing suit. Her standing in the contest was not announced as the runners-up in the various events will not be revealed until the conclusion of the contest.

Miss Canada's big bid for the title will come to-morrow night when she sings "Body and Soul."

Plans Canadian Visit

LONDON, Sept. 9 — (CP). — Air Commodore Sir Frank Whittle, jet pioneer and technical adviser to British Overseas Airways Corporation, plans to visit Canada shortly, a B.O.A.C. spokesman said Wednesday night. The itinerary and departure time are not yet definite but it is expected he will visit the Canadian plant and the B.O.A.C. base at Montreal.

Divorces Drop Off

WASHINGTON, Sept. 8 — (AP). — Marriages and divorces both were well above the pre-war level in the United States last year, but divorces dropped off sharply from the record 1946 totals security administrator Oscar Ewing reported Wednesday that 1947 marriages numbered 1,992,354, compared with 2,291,045 in record-setting 1946. Divorces totalled 471,000 in [illegible] compared with 610,000 in 1946.

Fairmount News

George Hooton, Joseph Hall and Elwood spent Thursday in Toronto.

Mr. and Mrs. Dick Moore (nee Betty Turner) of Windsor spent the holiday weekend with the latter's parents, Mr. and Mrs. Wm. Turner.

Mr. and Mrs. Lloyd Hootan motored to Toronto on Saturday. Their daughters Marie, Margaret and Dorothy returned home with them on Sunday after spending a week in Toronto.

Church service will be at 3:00 p.m. next Sunday, with Sunday School at 2 p.m.

On Sunday, Sept. 19, the church anniversary will be held with services at 11 a.m. and 7:30 p.m. Rev. Mr. Crandall of Bethany will be guest speaker at both services.

Mr. and Mrs. W. J. Seymour, Wilma and Myrtle motored to Burlington on Saturday and attended the wedding of Mrs. Seymour's niece.

Miss Myrna Seymour held a corn roast at her home on Tuesday night with about 30 young people attending.

Mr. and Mrs. S. G. Gillespie, Peterborough, spent Monday with Mrs. Hanbidge.

Mr. and Mrs. Elmer Windrim, Peterborough, visited Mr. and Mrs. Earl McCarrell on Monday.

WOMEN AUCTIONED OFF

Eleanor Powell Plans To Quit Dancing Career

BY GENE HANDSAKER

HOLLYWOOD, Sept. 9 (CP)—Eleanor Powell, whose talented tapping toes earn her $5,000 a week, says she's quitting her dancing career for good.

"I'd love to have another child," the shapely brunette wife of actor Glenn Ford explained. "I'd be ashamed to tell you how many more I want. I love children. No, I'm not expecting one now."

An imminent 10-week night tour—her third across country in the last three years—will be her last, Eleanor said. She may do one more movie dance, a part just offered her, "to see how I look in color," and possibly a show at London's Palladium next spring. Then retirement.

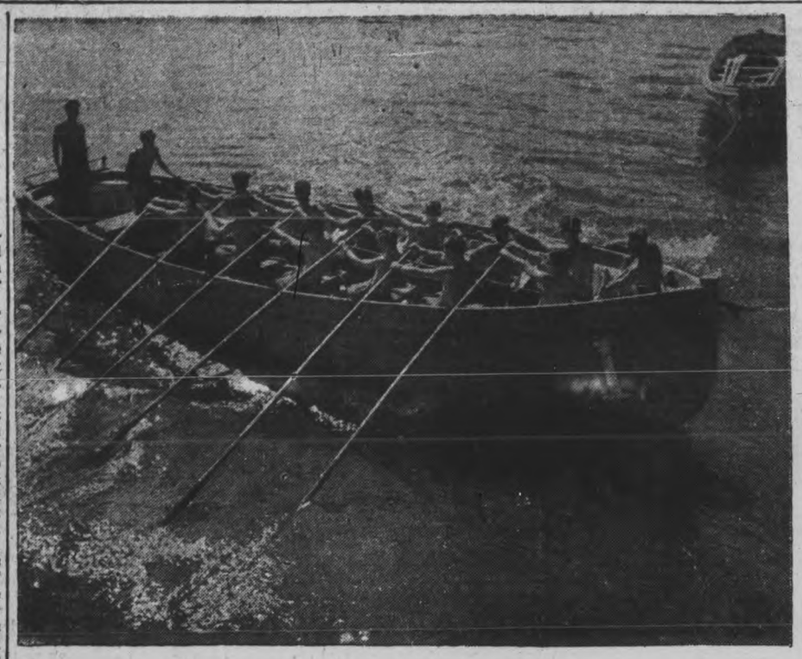
After 22 years, Eleanor thinks "it's about time I quite dancing." She started at 13, at $75 for three nights a week in an Atlantic city hotel. "I was on Broadway. I was in Ziegfeld's last show. I've had my own radio program. If I play London I'll realize my dreams and there won't be many things left to conquer."

Not Glenn's Idea

Was her total retirement Glenn's idea? He filled a pipe, shoved his hat back and said, "I haven't said anything one way or the other. I don't believe in that."

Glenn first saw Eleanor from the balcony of a New York theatre where she was dancing in "At Home Abroad" 10 years ago. A few years later they were introduced by Pat O'Brien at a dinner party in his home here.

Eleanor, at 17, had been declared "the world's fastest femline tap dancer" by the dancing masters of America, a professional group. Their scouts listening from under theatre stages, made their choice on the sound of candidates' taps.



WHETHER LOCATED INLAND or fronting the Atlantic or Pacific, each of Canada's naval divisions boasts a nearby lake, river or an ocean, to permit use of whalers and cutters for sailing and boat-pulling. In the photo ABOVE, a crew of reserve personnel strains at the oars of a 32-foot cutter, while a whaler can be seen at its mooring at TOP RIGHT. Both types of boats are easily rigged for sailing.

Attlee Has Ulcer

LONDON, Sept. 9—(AP).—Ten Downing Street disclosed Wednesday night Prime Minister Attlee is under treatment for an ulcer. He entered a hospital two weeks ago. At that time it was announced he was suffering from eczema of the foot.

Court Dislikes Novel Method Of Force Landlady Turned Hose On Trespassers

"I admit that it may be a great temptation, if one is watering the lawn—but I have grave doubts as to whether this was the type of force the law contemplated to be used for the defence of property."

This was the comment of Magistrate Philp to-day in court in finding the elderly Mrs. Jennie Pammett of 618 Brown Street guilty of assaulting Mrs. Lawrence Wilson, a tenant in her home.

Evidence of Mr. and Mrs. Wilson was that they had been on the lawn of Mrs. Pammett's home with their two children. When they did not move off, they said that Mrs. Pammett sprinkled them with water from the garden hose she was using to water the lawn. She continued to shoot the water on them as they made their way back to their three-room apartment in her home.

Mrs. Pammett readily admitted having sprinkled them, but countered with the charge that they had provoked her by refusing to move off her lawn. She had tried not to wet the children, she said.

"Oh, yes, and then I gave them a little touch as they were going back to their rooms," she volunteered quite cheerfully to her counsel, W. J. A. Fair.

She also charged that, after she had turned the hose on, Mr. and Mrs. Wilson had "come at her" and tried to wrestle the hose away. Her arm had been hurt during this she said. Wilson said he could "not recollect this happening."

Terming the case, "not very serious," the Magistrate placed Mrs. Pammett on suspended sentence without bond.

"Douro Doings" Attracts Large Crowd

DOURO, Sept. (ENS)—The annual lawn social at Douro was a success with ideal weather and a good sports program, and chicken dinner. A large crowd atttended.

The oldest man on the grounds was Leo Walsh of Calgary and his sister Mrs. R. O'Connor of Peterborough was the oldest woman. The largest family was that of Mr. and Mrs. Clarence Crough of Otonabee. The latest married couple was Mr. and Mrs. Thomas Cavanagh (nee Mary Moher) married Aug. 24.

Six teams completed in the soft ball tournament East City, St. Peters', Hastings, Mt. Pleasant, Keene and Douro. Finalists were East City and Douro, the former winning by one run.

East City: Hawley, Fitzgerald, Casey, Fitzgerald, Wyatt, Guerin, Spencer, Curry and Guerin, Douro: Payne, Moher, Leahy, Payne, Condon, Cox, Hayes, Sheehan and Carveth.

Among the visitors were: most Rev. Bishop Berry, Father P. Butler, McCarney Houlihan, R. Garvey, Coughlin, Peterborough, Rev. J. J. Garvey Hastings, Rev. J. Maloney, Campbell Ford and others. Senator J. J. Duffus was also a visitor.

No Settlement In Sight For 3 Strikes

CHICAGO, Sept. 9 (AP)—The labor outlook in the United States appeared darker today with continuation of three major strikes and the threatened tie-up of the country's telephone service.

Some 64,000 workers remained idle in work stoppages in the oil, trucking and shipping industries while a C.I.O. union set Sept. 17 as a strike date for 25,000 telephone workers.

The Association of Communications Equipment Workers (CIO) installers of telephone equipment, said the walkout would affect 2,300 Bell Telephone Company locations in 43 states. The strike was called against the Western Electric Manufacturing Company over wages and working conditions. Negotiations are continuing toward a settlement. The union has demanded a pay boost of 15 cents an hour. The company has offered eight cents. The workers now receive from 88 cents to $1.54 an hour.

No Sign of Settlement

The eight-day old trucking strike in New York city and northern New Jersey by some 15,000 AFL Teamsters showed little signs of early settlement. But federal, state and city mediators planned further meetings with officials of the International Brotherhood of Teamsters in an attempt to settle the wage dispute.

There was no break indicated in the week-old contract strike of 28,000 CIO Longshoremen on the west coast. Strike leaders planned a meeting with United States army officers today in San Francisco to discuss the handling of army cargo. Shipowners have refused to negotiate with unions whose leaders failed to file non-Communist affidavits under the Taft-Hartley Act. Wages and the disputed hiring-hall issue had been the chief items under negotiations.

Petroleum stocks continued to dwindle in California and four other far-west states as the wage strike of refinery workers entered its fourth day. Five of the six major oil companies involved in the dispute have agreed to negotiate with the Oil Workers Union (CIO).

Fraserville News

Among those from Fraserville attending the Toronto Exhibition were Mr. and Mrs. K. Larmer, Mr. and Mrs. Norman Willan, Mr. and Mrs. George Dean and Mr. and Mrs. Jack Darling and George Hall.

Mr. and Mrs. W. Cunningham were among those attending the Davies-Post wedding Saturday at Coboconk.

Mr. and Mrs. W. Kellar and family spent the holiday weekend with relatives at Thomasburgh.

Mr. and Mrs. S. Ross and baby of Peterborough spent the holiday with Mr. and Mrs. R. B. Lobb.

Mr. and Mrs. William Cook and family spent the holiday weekend at Niagara.

Mrs. E. Smith and Cyrial Briars of Rochester, N.Y., are holidaying with the former's sister, Mrs. M. Solomon.

Cairo school re-opened on Tuesday with R. Sutton returning to teach for another term. New beginners included Marilyn Thomas, Madelon Carl, Wayne Moore and David Stephens.

Mr. and Mrs. Eric Clarke and Donna were weekend guests of Mr. and Mrs. Alex Clarke of Millbrook.

Gang Head Freed

BARRIE, Sept. 9—(CP).—Frank Strothers, 18-year-old former leader of the so-called "Beanery Gang," Wednesday, was freed on a charge of taking part in a riot at Wasaga Beach, Georgian Bay summer resort, last Aug. 21. The charge was dropped when evidence showed Stothers had not been fighting but had only been trying to break away from a gang.

AT A SPECIAL CEREMONY in Paris, United Nations Secretary General Trygve Lie (LEFT) accepts from former French Premier Robt. Schuman a golden key as a symbol of France's temporary surrender of sovereignty over the Palais De Chaillot. The UN General Assembly will meet there starting September 21. Schuman said that France "is proud and grateful" to have been chosen to play host to the UN.

Falls Under Train

MONTREAL, Sept. 9—(CP). — In a running attempt to board a Montreal southern counties railway train at the entrance to Victoria Bridge, Eloi Rozon, 23, slipped and fell under the train today and had both his legs amputated below the knee. Rozon was dragged several hundred feet by the train.

EARTH'S AREA

The earth has 57,510,000 square miles of land surface.

Price Of Shirts Said Doubled In Nine Years

OTTAWA, Sept. 9.—(CP). — The Prices Commission was told today that the retail price of men's shirts has more than doubled since 1939.

F. W. Leacy, acting chief of the prices branch of the Bureau of Statistics, gave this testimony as the commission launched a study of shirt manufacturing costs and prices.

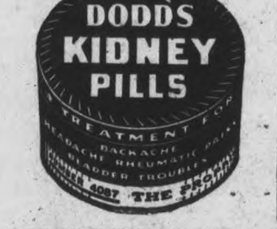
"Most of the price increase occurred during the last year. There was a particularly large jump of 34 points in the (shirt) index on March 1 of this year," he said.

Ceiling prices and subsidies on men's shirts had been removed Sept. 15, 1947, but not until March 1, 1948—5½ months later — had there been any effect on the cost of living.

At July 2 this year, the overall cost-of-living index was 155.7, but despite the shirt index of 227.6, the index for all men's clothin gwas 109.5. The shirt-index increase had contributed 0.54 points to the general increase.

"An ordinary low-price shirt, when available, sells for about $4," said Mr. Leacy. "The cost to the retailer is approximately $32 a dozen, including sales tax of eight per cent. and freight.

"The mark-up in this example is therefore $1.58 on $2.50, or approximately 60 per cent. of cost and approximately 37 per cent. of the retail price.



CORNELIUS VANDERBILT JR., 50, writer and scion of one of America's distinguished families, is shown in New York with his bride, the former Mrs. Patricia Murphy Wallace, 28, of Los Angeles. It was the fifth marriage for Vanderbilt and the second for Mrs. Wallace.

SCOTT'S SCRAP BOOK —By J. R. Scott

Hobo Jungle On The Scugog Must Go, Council Demands

LINDSAY, Sept. 9—(ENS)—The "jungle" at the head of Peel St. on the banks of the Scugog River, is to be cleaned up, council decided at their Tuesday meeting. The decision came following lengthly discussion and reports on the area after a Peel St. resident requested action be taken. "It is a real mess down there and should be cleaned up", said chairman of Town Property J. C. Kingsborough. He asked why it is that certain characters can come down there and drink wine and not be moved by the police. "People having fun—but only to a point", Alderman Vince Cote referred to the thickly wooded bush area as a "den of iniquity" and recommended that the police force be criticized for lack of vigilance.

A plan to build a $19,000 sewer to alleviate the flooding of the south ward was perused by council Tuesday night. The proposed sewer and ditch will start on Durham St. run south to the county property along Mary St. and cut through the Canadian arsenal property on a south east angle to the river. Reeve H. H. McFadden pointed out that it is hoped that the county and CNR will help finance the project as the sewer will drain their lands. Earlier in the meeting members decided to call a special meeting for Friday evening to deal with 15 flood claims which had been investigated by Insurance Adjuster Whetmore and approved, except for one. Three residents of the areas had written stating legal action would be taken if claims were not paid by September 1.

Council Tuesday night gave two reading to a by-law providing for carrying on a community program of recreation in the town, covering the changing of the recreation committee to a recreation commission and the formation of a sports council. Prior to the third reading it was approved that the by-law which includes the constitution of the proposed new commission and council be approved by the town solicitor. It was later decided to grant the recreation committee's request for a further grant of $1,200—$300 per month—to carry out their program until the end of the year.

Safety Committee Makes Two Awards

MARMORA, Sept. 9—(ENS)—Deloro Safety Committee met in the Electric Shop, Tuesday with C. H. Buskard presiding.

G. Brooks, for the Suggestions Committee, read five suggestions received in the past month. Two were allotted awards and the star was awarded the General Division according to the report given by W. M. Regan of the Competitive Committee.

W. Dickson dealt with the monthly findings of the Inspection Committee. R. E. Neal was appointed floating member for September. R. E. Neal received the report of the Publicity Committee and T. Cousins submitted the report of the Health and Investigation Committee.

The chairman presented the monthly statement of the Benevolent Relief funds. The last report, that of the Plant Bulletin was given by R. E. Neal.

Two Staff Changes In Marmora Schools

MARMORA, Sept. 9—(ENS)—Marmora schools reopened on Tuesday. At the high school the same staff is functioning, W. R. Hamilton, principal; Leonard Begley, Mrs. A. Deans and Miss J. Workman.

There are two changes on the staff of Marmora public school, Mrs. Manchester of Queensboro and Miss Rhea McCullough of Foxboro succeeding Mrs. R. E. Bonter and Mrs. W. M. Regan.

Completing the staff are E. C. Prentice, Miss Hilda Taft and Miss Eleanor Serson.

Marmora Separate school retains its staff [redacted] Miss Florence Auger, principal, and Miss Rita Deacon.

Marmora News

Mr. and Mrs. John Hart left on Tuesday for Montreal to embark there the following day on a two-months' trip to the British Isles.

Miss Jane O'Neill has returned to St. Andrew's West School, Montreal, following a vacation at her home here.

Miss Robin Horwood of Newfoundland is the guest of Miss Eleanor Regan.

Mr. and Mrs. L. R. Rundle motored to Bancroft on Monday.

Gerald Timmoney, New York, has been visiting his uncle and aunt, Mr. and Mrs. Wm. Regan.

Miss Mary O'Neil, Montreal, has been spending a few days with her parents, Mr. and Mrs. Joseph O'Neill.

Mrs. James Jones visited relatives in Peterborough last week.

Dr. H. Crawford, Brighton, renewed acquaintances here on Tuesday.

Mrs. W. Pearson who has been spending some time in Toronto was home for the weekend.

Mrs. Stewart Airhart has moved into rooms at the residence of Mrs. Lewis Phillips.

Miss Agnes Terrion of Peterborough spent the weekend with her parents, Mr. and Mrs. John Terrion.

Mr. and Mrs. J. R. Rombough have returned from their motor trip to Vancouver and Red Lake, Ont.

More Canal Shipping

OTTAWA, Sept. 9 — (CP) — Increased shipping through the Welland and St. Lawrence river canals during July was noted Wednesday by the Bureau of Statistics. But the bureau said traffic through the Canadian and United States locks of the Sault Ste. Marie canals in July showed a decrease from the same period a year ago.

HALL'S RE-OPEN FRIDAY MORNING

A STORE FULL OF NEW MERCHANDISE—MANY ITEMS SO TEMPTINGLY PRICED THAT YOU CAN'T AFFORD TO MISS THEM

We have been piling goods into the store — not as easy a job as we thought, but with assistance from our many business friends, and with day and night work on the part of the staff, Hall's will be ready for business again on Friday morning. Examine these low priced attractions listed below. There are many others throughout the store.

Ibex Flannelette Blankets
Size 70 x90 Inches

First quality Ibex Flannelette Blankets, in full double bed size, white with colored stripe borders.

The Pair **4.48**

20 x 32" Tea Towels
Part Linen

A wonderful buy. Made in Ireland, of cotton and linen mixture. Colored checks of red and green on white grounds.

Each **34c**

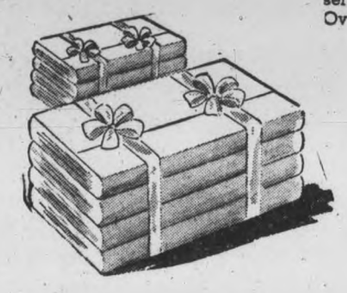
Brown Turkish Towels
Size 18 x 36 inches

For everyday use these can't be surpassed. Woven of heavy cotton in natural color with red, blue, or green stripes.

Pair **78c**

81" x 99" Cannon Olympic SHEETS - *Pair* 8.95

Made of 100% American cotton. Wonderfully long wearing, ribbon tape selvege to give extra strength at edges. Over 130 threads per square inch.



Pillow Cases 1.78 *Pair*

Made of fine quality type 128 cotton and neatly finished, with plain hems. Full size 21" by 42".

36" White Flannelette - 39c

Another special opening item. Closely woven of strong cotton yarns, fleecy finish, ideal for infants' wear of all kinds.

All Linen Tea Towels

Made in Ireland. A good drying Towel, with white centre and border stripes of varied colorings. Outstanding value at this price. EACH **49c**

Jacquard Terry Towels

The demand is always great for these perfectly finished Towels. Woven in attractive floral designs of solid grounds of strawberry, blue or green. Size 20" by 40". EACH **78c**

MEN'S SHIRTS

Of Fine Printed Cambric

2.48

Smart Shirts in new colored striped designs with regulation semi-laundered collar. A good color range.

—Main Floor.

Sizes 14½ to 16½

LADIES' SNUGGIES
Blush or White

A fine quality knitted rayon and cotton garment, made by Harvey Woods. In three sizes, small, medium and large.

58c *Each*

WOOL BED JACKETS
Made in Scotland

Beautifully knitted in open lacy patterns in three attractive style Shades of pink, blue, or peach.

555 Tons Refuse From Cafes Fed To Pigs

No matter how you slice your bacon these days, the source of your meat comes from either grain or swill-fed porkers and in latter class in Peterborough County there are about 300 feeding at all times on restaurant refuse. Two men in the city and one in Lakefield collect about 3300 gallons of refuse every day in the year, over 555 tons a year of uneaten soup, pieces of dry bread, bits of meat and so forth. And there is nothing dubious about the quality of the scraps either, for, collectors are licensed and their processing methods are subject to constant inspection.

Refuse is mixed with chop and water and boiled for four hours and to this mixture, some operators add beef offal. There is nothing frightening about this latter ingredient, as hog raisers who feed balanced ration programs, use this product in concentrated form from packing houses. Yorkshire Whites are said to be the best swill-fed feeders according to Harry Wheeler of this city and Tamworth or Berkshires crossed with Whites are his second choice.

A statement made by a farmer in Kitchener recently who claims that his swill-fed porkers grade 90 per cent Grade A against farmers' 60 per cent grading of grain feeders is looked upon with a greasy stare by local men. A survey shows that 50 per cent Grade A swill feeders is a much closer average. An official at Canada Packers said that as far as telling one type of feeder carcass from another in the plant was an impossibility. He thought ration-fed hogs would produce more Grade A's than swill-fed due to the fact that a 50 per cent breeding factor enters into the final result whereas operators are not hog raisers but buy feeders and this might lower their average.

2000 Ft. Runway Ready At Airport

Grading has been completed on the east-west runway at Skyboro Airport. At present the runway is 2,000 ft. long and 200 ft. wide, but it is intended to eventually extend it in length to 2,500 ft. The completed runway provides a safe landing area for light aircraft for which there has been a considerable demand from American visitors and tourists.

Skyboro cannot operate as a licensed airport until two runways are completed. Eldon Purvis, general manager, says that the airport will be built on a "pay as we go" basis, but that he hopes to have the second runway ready and to be operating as a licensed airport by next summer.

A licensed airport must have refuelling and light repair services in addition to the minimum of two runways. When licensed, Skyboro will be listed by the Department of Travel and Publicity in their American advertising folders and all pilots and airport operators will be notified of the existence of the Peterborough airfield.

UNUSUAL ROOT

A strange root with a large piece of rock embedded in it was brought into The Examiner office today. The elm root, which had a fantastic and grotesque appearance, was found by Harry Brook, of 346 Aylmer Street, when fishing at Lock 22. The root was growing out of a bank which had been partially washed away.

CLEARINGS STILL HIGH

Money transactions continue to push the bank clearings to near the two million mark. The total for the week ending today is $1,955,653.

MORE BOWL SEATS

The building of additional seats at Ashburnham Bowl, to the west of the present stand, was authorized by the council last night, approving the proposal of the parks committee.

TO PLAY AT WESTON

Bruce Meredith, assistant professional at the Kawartha Golf Club, will be one of the starters in the assistant pro's championship tournament to be held Friday at the Weston Golf and Country Club.

MRS. J. J. NICOLL

Mrs. J. J. Nicoll of Kelfield, Sask., died at Guelph on Wednesday. Besides her husband she leaves one sister, Miss Jennie Calder of Norwood from whose residence funeral service will be held on Friday at 2:30 p.m. Burial will be at Norwood Cemetery.

MARMORA FAIR DATE

Marmora Fair will be held on Thursday, September 16, one week from today, and exhibitors and visitors will get a look at the new arena building. Work has progressed to the point where the building can be used for exhibition purposes.

CYCLIST KILLED

Alexander Horace Simpson, 22, only son of Mr. and Mrs. Horace Simpson of Whitby, was killed today when the motorcycle on which he was riding went out of control at Bowmanville and threw him against a tree.

TEST RE-UNION ON SATURDAY

The annual CGE test re-union will be held at the Kawartha Golf Club on Saturday, starting at 9 a.m. About 140 graduates of the at the Peterborough works of the company attended the re-union last year, and it is expected that this year's picnic will be larger.

CARTOON WORK MISSING

The group of 10 drawings by Ronald McEwan, 13, of 591 Sherbrooke St. entered at the Peterborough Exhibiton were missing when it came time to bring them home. His first cartoon work, the boy was justly proud of them and if an exhibitor picked them up by mistake they are asked to phone 3071.

IRA W. REA DIES

Mrs. Frank Kelcey, 71 McDonnel St., received a telegram Wednesday evening informing her of the death in British Columbia of her eldest brother, Ira W. Rea, a grandson of the pioneer at Reaboro, between Peterborough and Lindsay, after whom that early settlement in Victoria county was named.

LEVI ALLEN DARLING

Levi Allen Darling, 88, of Cramahe township, Northumberland county, died on Tuesday at his residence. His wife, the former Ida J. Walker, predeceased him. He leaves three sons, Roy and Lorne of Morganston and John of Trenton. Funeral service will be held at Morganston United Church on Friday at 2:30 p.m. and burial will be at Warkworth Cemetery.

TAKE IT EASY, HUNTERS

Duck hunters are reminded that the season north of No. 7 highway opens on Sept. 25. In former years the season opened about Sept. 15, and it appears there are a great many hunters who are not aware of the change. You can't get in any duck hunting with your son before he goes to college, better make it a fishing trip.

MARINE WORKERS MEET

Ouptboard Marine workers will meet at the Canadian Legion Hall tonight at 8 o'clock to accept or reject the report of their negotiating committee on company offers. The independent union cancelled the present contract which expires in September and has been negotiating with management chiefly on the wage issue.

Outboard Firm To Build Huge Addition

A 100-per-cent addition to the present Outboard Marine and Manufacturing Co. plant will begin this spring, Clarence B. Neal, assistant president and secretary-treasurer, said today.

The project is still in the planning stage and complete details have not yet been decided upon. Purpose of the additional building which will be erected at the rear (east end) of the present plant is to consolidate production, Mr. Neal said. At present production is handicapped as units of the firm are located in scattered parts of the city.

An aprpoximate figure of 50,000 square feet additional floor space is expected. It is believed that this will allow the desired consolidation of production and give the extra room required for storage.

The main plant is situated on a large lot at Monaghan Rd. and Romaine St. Much of the assembling, however, is done at the old Crayton Factory, a three-storey building at George and Romaine Sts.

Storage remains the biggest problem. An old army garage on the Park St. side of the Exhibition Grounds is one unit; the Manufacturers' Building had to be evacuated to make way for the recent fair. Other storage centres are in part of the Imperial Oil warehouse and two barns which contain the overflow of obsolete machinery and other equipment, —one of them situated on Park St. and the other on Monaghan Rd. opposite the main plant.

During the war Outboard Marine were even more pressed for space and rented room in the basements of J. K. Hughes and J. J. Duffus.

At first it was planned to build the new section on the Romaine St. side of the factory but it was decided that there was not enough room and the east side was chosen. To make way for it several warehouses and box-making plants will have to be moved.

Mr. Neal stressed the fact that the work must be carried on with the minimum interruption in production. He also said that the purpose of the addition, cost of which has not yet been tentatively estimated, is not to undertake the manufacture of new lines, but to simplify the problem of production and give the needed extra room.

It is not expected that any work will begin before winter; the complete construction job will be left to spring, and it is hoped to have the project finished by the end of the year.

4 Cars Tangle On Highway 28

Four cars were damaged in two accidents at the same spot on No. 28 Highfway, about two miles south of Fraserville about nine o'clock this morning. There were no injuries.

The first collision was between cars driven by H. C. Renaud, 648 George St. and Bruce M. White of Madoc. Police were told that the Renaud car had slowed down to pick up a little girl standing on the opposite side of the road. White, in the car following, was unable to stop because of the slippery condition of the road. As the child was crossing the road, he could not turn out to avoid the first car, so swerved his vehicle into the west ditch. As it went into the ditch, where it did not overturn, it struck the rear of the Renaud car, causing about $155 damage. About $100 damage resulted to the ditched vehicle, which had to be towed out.

For a time after the collision, a line-up of traffic developed and a second accident happened. The car of Arthur McKeene, RR 4, Cobourg, was struck on the rear end by the car of Donald Varty of Bancroft, smashing in the trunk and damaging the front of the Varty car.

Provincial corporal Lloyd McClure and Constable Keith O'Shaughnessy investigated.

Max Peters Hurt

Slight bruises were recieved Wednesday night by Max Peters, Queen St., when he was struck by a truck at the corner of Simcoe and Water Sts. about 11 o'clock. Police said the truck was driven by Ivan Sopha of Havelock who was arrested after the accident. He was remanded today on $200. bail to Sept. 14, when he will be charged with illegal possession of liquor and careless driving.

Peters was thrown in the air as the truck struck him. He fell to the pavement, struck his head against it and was knocked unconscious. He was taken to St. Joseph's Hospital, where he was released today.

PC V. J. O'Donaghue investi-

Peterborough Examiner

VOL. XXVII, No. 59 THURSDAY, SEPTEMBER 9, 1948

LT.-COL. MAX CLARKE, ED, was named to command the 50th Heavy Anti-Aircraft Regiment (PWR), RCA, in military orders this week. He is shown Right. At Left is Lt.-Col. Vincent Eastwood, MC, ED, veteran of 36 years' service in the various branches of the Canadian Army, who is retiring from the post of commanding officer.

Former Airman Is Riled Raps Income Tax System

Thomas Peter Cassidy, 389 Queen St., was fined $25 and $1.75 costs in court today by Magistrate W. R. Philp, KC, when he was found guilty of failing to file an income tax return for 1941. The conviction was registered despite a vigorous defence from the defence counsel, Emmett Sheehy and the accused's copies of letters he had written the Department concerning the matter.

The facts, as given in evidence, were that the accused had enlisted in the RCAF in August, 1941. Up to that time, he had not earned over the minimum for payment of income tax, which was admitted by the Department.

In February of this year, he received notification from the Department requesting him to file a return. Mr. Sheehy argued that the request had been a blank one, not naming the year concerned.

Apparently, the request touched off a considerable correspondence between the accused and the Belleville office of the Income Tax Department.

In one of his letters to them, Cassidy said: "The government must be hard up if it has to go back seven years to collect income tax from a 23-year-old airman whose salary was $1.50 a day ...I have already filed other income tax returns and they have already taken over $300 from me this year...which is apparently used for keeping a staff to write registered letters threatening people with imprisonment and $25 a day fines...I often wonder how the Indians ran this whole American continent without even one typewriter and no Income Tax Department at all..."

Mr. Sheehy based his defence on the fact that the accused had advised the Department several times that he had been in the airforce and that his civilian pay that year had not been taxable. This, he contended, should be considered a return.

Magistrate Philp said that there are standard forms provided for returns and that "it is the duty of the taxpayer to make a return, whether he is taxable or not."

He said that the charge that no return had been made for the year had been established.

Teachers Ask Salary Boost

LINDSAY, Sept. 9.—(ENS).—Forty-four of Lindsay's Collegiate and public school teachers and four caretakers attended the regular meeting of the Board of Education with requests for salary raises ranging from $100 to $200 per year.

W. S. W. Breece addressed the Board on behalf of 19 Collegiate teachers, stating the increase of $200 was needed to cover the fast rising cost of living and also to bring their salaries closer to other professions. He said that the avreage Lindsay salaries were $300 below Orillia, Barrie and Peterborough.

A letter from the Lindsay Teachers' Association requested a raise of $100 each for 25 public school teachers, while the four caretakers asked for increases of $200 each, retroactive to January first, 1948.

"This is a tremendous problem," said Jasper Forman. "When will this dizzy merry-go-round end?" he asked, pointing out that such requests were almost annually. Most members thought the request was justified, but the majority stated a cost of living bonus would meet the situation better. A standing committee of three was appointed to meet with the teachers and caretakers.

Camels a Nuisance

ADELAIDE, South Australia—(CP)—A plague of camels in northern South Australia is causing losses of fodder needed for stock. Originally brought for transport, the camels were ordered destroyed. A fruit-growing syndicate plans to convert the carrcasses into fertilizer.

Wm. Crowley, 11, Gets Medal For Swimming Proficiency

William Crowley, 11, Rubidge St., has been awarded a medal donated by the Peterborough Ornamental Swimming Club as the original non-swimmer who showed the most progress during the summer.

A pupil at St. Peter's School, he could not swim a stroke when he applied for lessons at Lions-Riverside Park early in the summer. By the time he received his award he was proficient in all strokes, and a diver and underwater swimmer as well.

This summer Mrs. Pansy Forbes has devoted nearly every morning at Inverlea Park and every afternoon at Riverside to instructing playground children in swimming. Her services have been voluntary.

At Lions-Riverside Park on Saturday spectators were treated to a full program of aquatic sports. Beverley Martin's Swan Group, composed of schoolgirls from the playgrounds put on an exhibition of ornamental swimming.

Captain Don Stewart of the Kangaroo Team, Inverlea Park, won the cup as skipper of the most all-round proficient playground swimming team. The award was for swimming ability, attendance, courtesy and general behaviour. His teammates who received medals, were: Grace Sarginson, Beverley Rowley, Shirley Pritchard, Carol McKenzie, Ray Turnbull, Stewart Brooks, Don Cook and Tom Farthing.

The marathon race from Hunter St. Bridge to Chip Island and back to the wharf was won by Arthur Harrison, Aylmer St. of Inverlea. Following in order were Elaine Rutledge, Argyle St., Inverlea, and Colleen Gladstone, Parkhill Rd., also of Inverlea.

Swimming and diving results were:

Girls 9 years and under, 40 yards free style—1, Beverley Fuller, Robinson St., Riverside; 2, Lyne Hunter, New Romaine St., Riverside.

Girls, 12 and under, balloon race—1, Phyllis Fuller, Robinson St., Riverside; Florence Miller, Mark St., Riverside.

Diving, junior, boys and girls—1, Lorne Hale, Robinson St., Riverside; Geraldine Vinette, Stanley Ave., Riverside.

Diving, senior boys and girls—1, Jimmy Starr, Rogers St., Inverlea; 2, Betty Merritt, Canal Rd., Riverside.

15 years and under, 100 yards free style—Elaine Rutledge, Argyle St., Inverlea; 2, Joan Bourne, Driscoll St., Riverside.

Relay race, boys and girls—Inverlea versus Riverside—won by Inverlea.

Boys, 9 years and under, 40 yards free style—1, Ross Dobbin, Elias Ave., Inverlea; Lorne Hale, Robinson St., Riverside.

Boys 12 years and under, balloon race—1, James Starr, Rogers St., Inverlea; 2, Dan Sutherland, Wolfe St., Riverside.

Boys, 15 years and under, 100 yards free style—Jack Boorman, Downie St., Inverlea; 2, Don Wood, Inverlea St., Inverlea.

Col. Eastwood Retires After 36 Years

An announcement of great interest in military circles in Peterborough was made officially today with the appointment of Maxwell E. Clarke to command the 50th Heavy Anti-Aircraft Regiment (PWR) RCA, in place of Lt.-Col. Vincent M. Eastwood, MC, ED, who retires from the command after 36 years' service in His Majesty's Forces.

Lt.-Col. Clarke, who was second-in-command of the regiment for the past year, will take his first parade, as C.O, tonight when the regiment will commence its fall and winter season of training.

Lt.-Col. Clarke, a native of Peterboruohg, is 36 and as early as 196 was interested in army affairs, being commander of the Queen Mary School Cadets. He enlisted in the PWR's on March 28, 1928, and transferred to the 4 CMGC in 1929. Commissioned in 1935, Lt.-Col. Clarke joined for active service in 1940 as intelligence officer of the SD & G Highlanders, going to England with them in 1941.

He served as liaison officer with the 9th Canadian Highland Brigade and 3rd Canadian Infantry Division until June, 1942, when he returned to Canada on staff course which he successfully completed in 1943, returning to England as Staff Captain 11 Canadian Infantry Brigade, going to Italy in this capacity. In 1944, after a period in hospital he returned to field duty with the H and PE Regiment and was second in command of B Company through the Hitler Line and approaches to Rome. He was appointed GSO3 of the 1st Canadian Infantry Brigade in July, 1944. On the return of the Canadian division to the Western front, he was appointed to Army HQ. He was discharged from active service in 1945, rejoining the Prince of Wales Rangers and the 50th HAA Regiment, RCA on reorganization. He was lately awarded the Efficiency Decoration, coveted officer service medal of the Armed Forces.

Lt.-Col. Eastwood, who was awarded the MC in action in France during the First Great War, enlisted in Peterborough's 57th Regiment, Peterborough Rangers at the age of 14 and was appointed to a commission on June 1, 1915, on qualification. He was attached to the instructional force at Kingston. In 1916, he was appointed to and proceeded overseas with the 93rd Battalion, C.E.F. On reaching France in that year he was posted to 18th Bn, Western Ontario Regiment, CEF, and promoted to Captain. He was wounded on Nov. 10, 1917 at Paschendaele and returned to Canada in 1918, retiring from the Active Force the next year. On re-organization of the 57th Regiment in 1920-21, he was appointed as second-in-command of D Company and transferred to the 2nd Battalion in 1925. In 1939 he returned to the unit as an active officer and in 1942 commanded C Company with the rank of major. He was then appointed area recruiting officer and A & T officer of 2 Bn., PWR, retiring to reserve status as second-in-command of the Prince of Wales Rangers in 1945. He assumed command of the PWR's on Dec. 1, 1946 and was commander when the unit changed over to heavy anti-aircraft artillery.

Water Heaters Cut For 12 Hours

Orders were received from the Hydro Electric Power Commission of Ontario by the Peterborough Utilities Commission at 11:15 a.m. today to cut off all water heaters in the Peterborough area for the next 12 hours.

No reason was given for the order but it is believed that a power emergency developed in Ontario today with the dull weather accounting for more lights being used in factories, business and homes.

Registration Up At St. Peter's

Overcrowding in a larger school at St. Peter's this year has been prevented by the addition of the new wing. The increase is in the elementary school, which has 58 pupils in the primary class this year in comparison with 43 last year.

Total enrolment consists of 250 in the high school and 297 in the elementary school. The new wing accommodates grades 4 and 5 in the elementary school. In the high school there are three forms in grade 9, two in grade 10 and two in grade 11.

City Council Foregoes $100 On Each Of 100 Houses In Effort To Aid Veterans

Peterborough is making indirectly a gift of $100 to ex-servicemen buying the 100 houses of Central Mortgage and Housing Corporation's project No. 8 as affirmed conditionally in a recommendation of the committee of the whole council Tuesday. The condition is the council's requirement of evidence that purchasing veterans are getting the benefit of the money the council is willing to forego in settlement for the land and services supplied to the company in the progress of that project.

Obviously the amount would be $10,000 when all the houses of that group are sold.

Project No. 8 in Peterborough was a postwar undertaking, by agreement of May 1945, exclusively to provide dwellings for men from the service ranks getting back to civilian life. The city on its part provided land and the usual services — roads, sidewalks, sewers, light and so on. In the agreement the city was to receive $400 from the Corporation whenever one of these lots was sold.

That was the background of the committee discussion the other night. However, the Corporation had suggested some time ago that the council accept $100 instead of $400 a lot as a means of encouraging veteran tenants to buy the houses they were occupying.

Council objected to the extent of that contribution to prospective property-owners and taxpayers, and intimated that it might settle for $300 a lot.

Houses Scattered

The 100 houses of project No. 8 were scattered in many parts of the city. Some of them are in Ashburnham. A row of them was built on Brioux Ave., south of Ovaltine plant. Probably the most of them were located on streets already completely equipped with municipal services.

Instead of buying a field and opening new streets through it, the council of the time was trying to convince itself that the end of emergency housing projects was in sight. The municipality owned quite a number of suitable odd lots here and there, on established streets, with sewers; sidewalks and the other facilities in use. There was some sewer cost. Brioux Ave. was one of the street lengths on which the city's engineering department had to go to work.

Some lots had to be bought by the city from private owners. In the estimates of some members of the council the municipal investment may not have averaged $400 for these 100 houses. It was that general opinion that induced the council to consider the Corporation proposal in the first instance, but not to the extent of passing up $300 a house or a total of $30,000 prospective revenue when the houses passed in to the hands of the purchasing tenants.

Want Houses Sold

Some members of the council argued stoutly that no consideration should be shown for the Central Mortgage and Housing Corporation proposal, not even for the $100 a house reduction. Private builders received no relaxing of costs and prices. Veterans of the first war built their houses on their own terms and initiative if they wished to put roofs over their heads and become taxpayers.

On the other hand other members of the council said they wished to encourage the housing tenants to become owners. And as owners they would pay full taxes.

Correspondence from the Corporation included the reason: "In order to reduce the cost to veteran purchasers we would ask you to accept payment for land at $100 instead of $400".

Central Mortgage proposed that they would make a payment of $300 instead of $400. At the time of purchase $100 would be paid to the city, and the balance to the city in three annual instalments.

The council's committee recommendation was that "we are prepared to accept the Corporation's proposal provided the council is informed officially of the selling prices of the houses concerned, and is assured that the reduction of $100 in the amount to be received in respect to each house by the municipal corporation is directly reflected in a corresponding reduction in the selling price of the house."

Aldermanic opinion was to the effect that the council was indicating its wish to co-operate with the Corporation and also with the ex-service tenants in encouraging them to become Peterborough house owners.

Beagle Trials Sept. 18 and 19 First Ever Here

First field trials for dogs ever held in the Peterborough district will be staged at Cavan Swamp on Saturday and Sunday, Sept. 18 and 19.

These are trials for beagles on rabbits, and there will be four classes beagles and females 13" high. Judges will be Lloyd Courtice, Lloyd Salter and Jack Osborne, Oshawa and Robert Stroud of Dunbarton.

The trials are being held under auspices of the Kawartha Kennel club with the recognition and sanction of the Canadian Kennel club, and points earned at these trials will count toward Canadian Field Trial Championships.

Only registered dogs will be admitted and there will be four winners in each class.

Pre-trial entries may be mailed to George Hill, field trial secretary, RR 3, Peterborough, and post entries will also be accepted Several dogs are expected from Oshawa, Toronto, London and possibly from Buffalo.

The 50 members of the local kennel club have completed all arrangements for the trials, even to canvassing the farmers in the area and secured their permission to use the land. George English, who is field-marshal said at least 40 hounds should be in the field judging from letters already received.

Spectators are invited to attend but must abide by the rules as laid down by the field-marshal, and the assistance of the Provincial Police is also being sought. It is hoped to make the trials an annual event in this area.

List Changes In Queen's Staff Members

KINGSTON, Sept. 9.—(CP). — Queen's University announced today the appointment of several new faculty members, replacing those who have retired or are moving to other universities.

Dr. P. G. C. Campbell, longtime head of the French department, is retiring and will be replaced by Dr. W. H. Evans, a graduate of the University of Wales Dr. Evans lectured from 1927 to 1933 at the University of Paris and the University of Liverpool.

Prof. Rupert C. Lodge, president of the American Philosophical Society and noted for writings on Plato, has been appointed to the philosophy staff for next session. He replaces Dr. Gregory Vlastos, now on the staff of Cornell University. Prof. Lodge recently retired from the University of Manitoba's philosophy staff.

Dr. George Humphrey, formerly of Queen's psychology department and now at Oxford University, has been replaced by Dr. E. J. Signori, a graduate of the University of Toronto and Alberta University.

Other new lecturers at Queen's University this fall will be J. P. De C. Day, philosophy; Miss Margaret E. Garnham, Spanish; Vernon W. Malach, economics; and R. A. Stall, mathematics.

Frances Tindall, coach of the football team this fall, has been appointed assistant professor in physical health education.

Prof. I. Halperin will return to the mathematics department after a leave of absence.

Prof. S. N. Graham, retiring head of the mining and engineering department, will be replaced by A. V. Corlett, a graduate of Queen's in 1923.

BELONG TO SAME RACE

Leading anthropologists believe Eskimos are related to the North American Indian both in blood and language.

IN WINTER MONTHS when weather does not permit outdoor activity, the reservist concentrates on classroom instruction and demonstration to round out his knowledge of boats and boat-work. ABOVE, a petty officer instructor uses a scale model to explain the method of raising and lowering a sea-boat to his class of trainees. —RCN Photo

Honor Members Of Havelock LOBA

HAVELOCK, Sept. 8—(ENS) At the meeting of Lady McGill Lodge, LOBA, No. 471, on Friday night, honorary certificates were presented by Mrs. George Hartin, IPM, to the following members for long and faithful service in the order. Mrs. C. Graham, Mr. and Mrs. Joseph Seabrook, Mrs. F. Wrightly. The presentation of a certificate to Mrs. B. Simpson will be made at a later date as she was unable to be present.

Another feature of the meeting was the presentation of a salad bowl and servers by Mrs. Anson Seabrook, WM, to Mrs. Joseph Watson of Warsaw (nee Betty Andrews), a recent bride who is a member of the Havelock Lodge.

95 PC Increase In Paper Costs

TORONTO, Sept. 9.—(CP). — Wages and newsprint, which account for more than half of newspaper publishing costs, have increased in Canada by 95 and 109 per cent respectively since 1941, according to figures in possession of the Canadian Daily Newspapers Association.

These figures were referred to in a survey of Canadian newspaper price increases, which showed that 60 per cent of Canadian dailies now charge five cents a copy.

No figures are available to show the total overall innerease in the cost of producing Canadian newspapers, the C.D.N.A. said.

(The Canadian Press in a dispatch Aug. 27, through an erroneous interpretation of available figures, said publication costs had risen more than 200 per cent since 1941).

Apsley News

Weekend visits included: Mrs. D. Carpenter, Mr. and Mrs. B. Lean, Miss Iris Smith, Grace Marshall, Doreen Hales, Norma Hales, Mae Everett, Mr. and Mrs. W. Millar, Stan Windsor, John McColl, Gladys Langton, Mrs. Robb all of Peterborough.

Mr. and Mrs. Harold Johnson and sons Harry and Vaughn visited here on Thursday.

Mrs. Morris Doxee has returned from a visit with friends at Trenton and Brighton.

Mr. and Mrs. Sid McCauley, Doreen Hales, Fred Tanner and Weldon McIlmoyl and James Scott at Warsaw on Saturady.

Mr. and Mrs. Robert Johnson of Detroit are visiting relatives here.

On Monday evening the young people and some not so young enjoyed a real old fashioned charivari for James Scott and his bride who have taken up residence. The sound of the noisemakers could be heard for a great distance and was all taken in good part by bride and groom. This was Mrs. Scott's welcome to Apsley.

U.S. Films Cut Off Demand Too Great

A series of international films is planned for the fall by the Peterborought Film Council, if sufficient films are available to organize such a program in addition to one planned for next spring. Films are obtained through the National Film Society, which, however, is having considerable difficulty in supplying them. Until a short time ago, the society was able to obtain international films from the Museum of Modern Art, New York, which has now decided not to loan such films outside the United States owing to a continually increasing demand for them.

The National Film Society is a non-profit film distributing agency sponsored by the Dominion Government and was established about 12 years ago to encourage audio-visual education. The Governor-General is honorary president. It possesses the largest film library in Canada, and the Peterborough Film Council, which is a member, has a block of 10 films on deposit from the society. These films are changed twice a year.

The local film council also holds 20 films from the National Film Board, a strictly government organization. These films are changed every two months. In addition to these films the Council has been presented with two films, 'Call of the Kawarthas" by the City Council, and "The Milky Way" by the Milk Producers' Association. W. L. Graff, secretary-treasurer, says that he hopes that other local organizations will eventually give films to form a local, permanent, film library.

Dionne Quints Begin High School Studies

NORTH BAY, Sept. 9 — (CP) —Oliva Dionne, father of the Dionne quintuplets, said yesterday his famed 14-year-old daughters will start High School studies to-day although they did not try High School entrance examinations of the Ontario Department of Education.

Mr. Dionne issued a statement on the question after education authorities here disclosed the quints did not write the exams.

Education officials said an application had been made to establish an examination centre at the Villa Notre Dame School, the quints' private school at their home at nearby Corbeil. They added that there was no provision under education regulations "whereby a private centre can be established for entrance examinations or where pupils from a private school can be granted certificates on the recommendation of a principal."

An offer was made to provide a special room at Callander, Bonfield or North Bay for the quints, but this "offer was not accepted."

Mr. Dionne said in his statement: "I declined this offer, knowing that the writing of such examinations would take four days; that much publicity had been given to it, and that had the quintuplets gone to such centres the public would have been attracted to the centre. It was always our policy to avoid such occasions.

He added that an experienced High School teacher has been engaged to teach the quints at their private school. Ten girls from other places, including some from the US, will study with them. The same policy was followed with their primary school studies last year.

9-Year-Old Boy Hooks 23-Lb. Muskie

TRENT RIVER Sept. 9 (ENS)— Nine year old Billie Kirkendale of Douglaston Long Island N. Y. was quite thrilled to think he was encluded in the party along with his father William A. Kirkendale, grandfather George A. Kirkendale and guide James Cook, to go on a fishing trip down river on Tuseday morning. A great thrill was in store for him when he hooked a 23¾ lb. musky off Steam Mill Is. Point. The big fish put up a terrific battle, so Billie gave his father full control of landing activities.

When the party reached home young Bill was almost breathless and shaking like a leaf. He was asked what was the matter and he replied "I was so afraid the fish might get away."

The musky which was 46 inches long was caught on a plug. The Kirkendales are guests at Maple Inn Cook Cottage arriving here Labor Day. The elder George A. Kirkendale has been bringing his family to this resort for 45 years.

The big fish is being mounted.

Doubts Shortages

OTTAWA, Sept. 9—(CP).—J. G. Taggart, chairman of the Agricultural Prices Support Board, said Wednesday forecasts of a critical butter shortage early this winter have been "greatly exaggerated" and said he "doubted" whether any scarcity would become apparent before early spring next year.

GREAT JUMPER

The red deer can jump a seven-foot fence and a 20-foot chasm.

Holiday Crowds Late Returning

COBOURG, Sept. 9—(ENS)— Labor Day traffic was heavy through Cobourg Monday night but only spotty during the late afternoon and evening. Unlike other holidays this summer, when return traffic from the east was heavy from the afternoon on, conditions Monday indicated that the motorist was hanging on to enjoy the last minutes of the last summer holiday of the year, before starting for home. The result was that the bulk of the cars heading west didn't start to go through town until the night was well advanced. Friday night traffic was very heavy. No weekend accidents were reported.

The beach was crowded and the warm water drew a large number. The park was also well patronized. The attendance on the car ferry excursion to Rochester was poor, less than 200.

It's true! NEW Rinso WITH SOLIUM DOES IT!

1 WASHES WHITE CLOTHES WHITEST EVEN WHITER THAN BRAND NEW!*

2 GETS WASHABLE COLORS BRIGHTEST EVEN BRIGHTER THAN BRAND NEW!*

That's not all. You'll see these astonishing results even with the hardest water. For the whitest wash every time, get new Rinso containing Solium today! A LEVER PRODUCT

Rinso with Solium!

★ No other soap in the world can give these results . . . No other soap contains Solium!

SO SAFE FOR CLOTHES . . . SO KIND TO HANDS

BUYS AND WHYS BY Barbara Brent

A weekly shopping and information service for today's woman

MONTREAL, Sept. 9th—Wishful thinking is a waste of time when your figure begins to lose its good looks. Trim it down with reducing exercises and control it with wonderful foundation garments of C-I-L nylon! Yes, nylon is the newsmaking fabric for foundation garments that mold your figure firmly — foundation garments *without bulk* — that are easy to wash and quick to dry — that are wonderfully wear and tear resistant. Nylon yarn makes strong, light-weight foundation garments to help bring back those lovely curves of yours or make your good figure still better! . . . and you can be sure of finest quality when you see that famous tag . . . *"Fabric Made of C-I-L Nylon Yarn".*

Free Schoolbook Covers! They're yours for the asking at the BANK OF MONTREAL — the best-looking schoolbook covers you've ever seen. These handsome covers will intrigue your youngsters, for they picture school-children as they are and as they will be . . . doctors, business girls, farmers, singers, pilots! Textbooks will keep clean and tidy inside these sturdy B of M covers! Ask for some today at your nearest branch of the B of M . . . or write to me, Barbara Brent, 1411 Crescent St., Montreal.

Fido Is A Wonderful Dog . . . but after an autumn rainstorm he just can't help smelling "doggy". And worst of all, he often leaves a "doggy" smell around the house or in your very pet chair! So here's what to do! Keep Fido! — but banish his "doggy" smell around the home by using VAPAIR! Simply uncap the bottle of this new room deodorant . . . pull up the wick . . . and see how quickly your home becomes pleasant and livable again! Vapair works equally well on stale cooking or tobacco-smoke odours . . . and costs less than a cent a time to use! Ask for Vapair — at drug stores or counters. That big-value ten-ounce bottle is a mighty good buy — so Vapair "fans" say!

Before You Can Say "Charlie McCarthy", freshly-ground CHASE & SANBORN COFFEE is quickly vacuum-packed in tins by Chase & Sanborn packers. So when you buy vacuum-packed Chase & Sanborn Coffee at your grocer's, you can be sure its vivid flavour will be yours to enjoy to the full. You see, vacuum-packing seals in and protects the full roaster freshness of Chase & Sanborn Coffee 'til you open the tin — then you get REAL coffee at its flavourful best! Remember, because of its freshness and full flavour, vacuum-packed coffee is the most economical way to buy coffee — and Chase & Sanborn is the best coffee money can buy — it's REAL coffee.

Fill Those Back-to-School Lunch Boxes with something extra good to eat and for a special surprise this scrumptious cake, made with CROWN BRAND CORN SYRUP . . .

GINGER SPICE CAKE

Temp. 350° F. Time 30-35 minutes

½ cup lard, shortening or home-rendered fat
½ cup brown sugar
½ cup Crown Brand Corn Syrup
½ cup boiling water
2¼ cups sifted pastry flour
½ tspn. ground cinnamon
1 tspn. ground ginger
½ tspn. salt
1 tspn. baking powder
1 tspn. baking soda
2 eggs, well beaten

Cream lard, shortening or home-rendered fat and gradually beat in sugar and Crown Brand Syrup. Add boiling water and let stand until lukewarm. Then add sifted dry ingredients in 3 lots, beating well after each addition. Add well-beaten eggs and blend mixture with a rotary eggbeater. (This is a very thin batter). Pour into a well-greased pan 8" or 12" and bake in a moderate oven (350° F.) for 30 to 35 minutes. While still warm, dust top with powdered sugar.

How The Cereal People think up premiums I don't know! Now KELLOGG'S have a fascinating one to please youngsters and grown-ups, too! You see, Kellogg's are currently putting good-looking decal transfers in each package of PEP. I've seen them and they're certainly worth collecting . . . the butterflies and those cute dog heads to decorate your drinking glasses! So when Kellogg's Pep suddenly becomes extra-popular in your house, the transfers will be one of two reasons. The second reason is Pep's flavour . . . it's the crisp whole wheat, you know, that's good to eat!

Looking For A "Bargain" In Flavour? Then I'd advise you to hurry right 'round to your grocer's and stock up on HEINZ TOMATO KETCHUP! Now's the time — for every autumn a new crop of Heinz specially-grown "Aristocrat" tomatoes makes a trip to the famous Heinz Kitchens. They're spiced and cooked to taste-wise perfection . . . fresh-packed and shipped to your grocer in those big red bottles labelled Heinz Tomato Ketchup! Your husband will agree that Heinz Ketchup peps up every dish it touches . . . adds zestful goodness to stews, hashes, egg dishes and gravies. Yes, a bottle on your table means flavour-wise mealtime magic!

There's Still Time To Fill Empty Jars with sparkling jellies . . . fresh-flavoured jams . . . and interesting conserves . . . that will help put excitement in next Winter's meals! Grapes, apples, late plums — they *do* make such delicious jams and jellies! *Especially* when you use the quick, easy, economical method made possible by CERTO, bottled fruit pectin. Certo saves time, saves work . . . gives *60% more* jam or jelly from your fruit . . . uses fruits at the peak of their full-ripe colour and flavour. And there are *no failures* if you follow the Certo recipes *exactly*. Only ½ to 1 minute boiling for jellies, 1 to 3 minutes for jams. See recipe booklet tucked under each Certo bottle label.

CLAY POWELL, 12, Oriole, had his dream dumped in his lap when he won the blue ribbon in the children's class for Shetland ponies in harness at the Canadian National Exhibition, Toronto. He is shown here with his pony, "Golden Peacock," which he owns, grooms and cares for himself. It was the first time the boy had driven in the show ring.

Communists Invading Trade Unions

MARGATE, England, Sept. 4.—(CP).—One of the top leaders of organized labor in Britain Wednesday warned the Trades Union Congress that forces of Communism are at work in world trade unions and have penetrated even the British trade union movement.

Arthur Deakin, member of the T.U.C. General Council and leader of the Transport and General Workers' Union, said the World Federation of Trade Unions is "rapidly becoming nothing more than a platform for furthering Soviet policy."

He also charged Communist inspiration of a resolution calling on the T.U.C. to remove barriers to solidarity within the W.F.T.U. The resolution was sponsored by the Bakers and Tobacco Workers Union.

T.U.C. efforts within the World Federation had repeatedly been obstructed, he said. The T.U.C. tried to get the resolution withdrawn, but the "people we have been discussing this resolution with are in the main members of the Communist party and are not free to depart from the party line."

Loudly Cheered

His statement was loudly cheered and the resolution was defeated by an overwhelming show of hands. A. E. G. Bowden, of the Bakers Union, denied, however, that it was Communist-inspired or that Communist forces were at work in his organization.

The T.U.C. earlier had told the government in effect to watch its step in nationalization of the iron and steel industry. It rejected a resolution introduced by J. Gardiner of the Amalgated Union of Foundry Workers who admitted: "I am a member of the Communist party."

The resolution called for immediate government steps to add iron and steel to the nationalized industries.

Instead the Congress accepted by an overwhelming vote on amendment sponsored by the Iron and Steel Trades Federation recognizing the need for "care exercised by the government" in determining the future of iron and steel and rejecting any request for emergency action.

DESERT WEALTH

Most of Chile's mineral wealth is located in the desert and mountain regions of the north.

HER ROYAL MAJESTY, Queen Juliana of Holland, in her first drive through Amsterdam as sovereign of the Dutch people, is offered flowers by Elsje Jansen, a pupil of the Paarel-school in the Kattenburg quarter of the city. The royal consort, Prince Bernhard, acknowledges the offering with a salute, while Princess Beatrix, opposite the queen, gazes attentively at the little girl who proffered the gift. Between the queen and prince is Princess Margriet, while Princess Irene is hidden behind Beatrix.

1,313 Official Delegates To Attend PC Convention

By D'ARCY O'DONNELL
Canadian Press Staff Writer

OTTAWA, Sept. 9 (CP)—Progressive Conservative officials are hopeful that labor, business, agriculture, the professions, youth associations and women's organizations will be well represented among the 1,313 official delegates to the party's national convention here Sept. 30, Oct. 1-2.

Provincial associations of the party have been asked to see that a cross-section of the communities is represented on delegations sent to the convention. The three-day meeting was called to redraft the party's platform and to choose a successor to John Bracken, 65, who is retiring as leader because of his age and ill health.

Because representation is based mainly on the number of seats each province has in the House of Commons, Ontario and Quebec will send the largest number of delegates to the convention. The representation will be based upon the 255 electoral districts authorized by the Redistribution Act passed by Parliament last year.

At the recent National Liberal Convention representation was based on the 245 seats in the present Commons.

Ontario will be entitled to 465 delegates and Quebec to 322. Prince Edward Island will be entitled to 31, Nova Scotia 63; New Brunswick, 59; Manitoba, 94; Saskatchewan, 94; Alberta, 76; British Columbia, 103, and Yukon, 6.

By Categories:

Following is a breakdown of the totals by catgories:

Prov.	Ex-O.	At-Lge.	R.
Prince Ed. Island.	12	7	12
Nova Scotia	7	17	39
New Brunswick...	14	15	30
Quebec	18	85	219
Ontario	119	97	249
Manitoba	26	20	48
Saskatchewan	9	25	60
Alberta	4	21	51
British Columbia .	26	23	54
Yukon	2	1	3
Totals	237	311	765

The total of 1,313 delegates will not represent a record attendance at a party convention. At the 1937 convention which chose the late Viscount Bennett as leader, there were 1,564 delegates. At the 1938 convention which chose the late Hon. R. J. Manion as leader, a total 1,565 delegates voted. At the 1942 convention when Mr. Bracken was chosen there were 870 delegates.

In 1927 and 1938, each riding was allowed to send five delegates. Because of the wartime travel restrictions, riding representation was cut to three in 1942. It was left at that figure for the coming convention.

To Represent Youth

Riding associations have been asked to include one young person and one woman among their delegates. Beside the official delegates, the ridings will sent three alternates to vote in the place of sick or absent delegates. The delegates are chosen at meetings of party supporters in the various ridings.

Besides these delegates, each riding will send one "delegate-at-large."

Young Progerssive Conservative associations and progressive Conservative student federations will also send delegates-at-large.

The Ontario and Quebec associations will send nine each, of whom four must be young men. Other provinces will send three each, of whom one must be a young woman.

Officers of the student federation and one delegate from each university club will be rated as delegates-at-large

The ex-officio delegates are those who are given the vote automatically. They include the 18 privy councillors supporting the Progressive Conservative party, 21 party Senators, 67 party members of the Commons, the 100 party members of provincial legislatures and all party executive officers and chairmen of convention sub-committees.

Tweed Doctor Wins Fellowship

OTTAWA, Sept. 9—(CP).—The National Research Council today announced the names of 31 graduates in medicine who have been awarded Fellowships for post-graduate research during 1948-49

Holders of the Fellowships, which vary from $1,500 to $2,500, represent 10 different universities They will carry on research investigations at eight universities, six of which are in Canada, one in England, and one in Zurich, Switzerland.

The winners included:

From Toronto—Dr. D. Fraser, University of Toronto, Medicine; Dr. J. P. Fitzgerald, Queen's University Kingston.

From other Ontario cities—Dr O. Z., Younghusband, Belleville, to Queen's University, Pathology; Dr. W. M. Cook, Brownsville, University of Western Ontario, Anatomy; Dr. H. B. Stewart, Chatham, University of Toronto, Biochemistry; Dr. J. A. Little, Parry Sound, University of Toronto, Biochemistry; Dr. T. J. Bresnaham, Pembroke, Queen's University, Medicine; Dr. N. B. G. Taylor, St. Catharines, University of Western Ontario, Medicine; Dr. S. M. Elliott, Tweed, Queen's University, Medicine.

Find Zany Message In Drifting Bottle

VANCOUVER, Sept. 9.—(CP).—The young lad thought he had found word from a missing mariner, alone and starving somewhere across the blue Pacific.

There was a message in the floating bottle 12-year-old Jimmy Anderson picked up in the waters of Sandy Cove near here, but it was hardly what he had expected to find.

Scrawled on a torn cigaret package were these words:

"Urgent. We are lost 20 degrees north and 160 degrees west of Equator; five women and I stranded on desert island. Don't send any help. More rum needed."

Milk tastes better made into RENNET DESSERTS!

● If your child occasionally tires o plain milk, serve deliciously differen rennet desserts. Made in a jiffy just by using Rennet Powder or Rennet Tablets with milk. THEN the milk can be eaten with a spoon and the rennet makes it more readily digestible. Most doctors approve them. Get "Junket" Brand Rennet Powder or Rennet Tablets at your grocer's today.

● When you taste this finer, richer Chase & Sanborn, you'll call it "real coffee!" You'll agree with those who say, "It's the finest coffee money can buy!" Get a pound today from your grocer. Vacuum packed—or in the economical paper bag!

Britain May Amend Civil Aviation Act

LONDON, Sept. 9. — (CP). — Amendment of the Civil Aviation Act may follow a new system of "free flights" into Britain, employed by air-lines which actually are competing with the Government-controlled companies.

Some companies which have been refused permits to fly a commercial service to South Africa, for example, make Paris their European terminus, then issue a "free" ticket for the last leg of the flight to London.

Some observers anticipate a spread of the practice, with charter companies under-cutting the corporations.

Woollen Mill Burned

ROCKLAND, Ont., Sept. 9 — (CP).—A woollen mill owned by G. A. Martin was destroyed by fire with estimated loss of $75,000 in this village on the Montreal-Ottawa highway. Flames broke out in an over-heated shaft of a wool-picking machine and wiped out the mill, its machinery and stock.

10 Months In a Tent

BLOEMFONTEIN, South Africa (CP)—Unable to find accommodation, Mr and Mrs. P. B. Engelbrecht and their family of 11 have been living for the past 10 months in a tent at Bainsvlei, about five miles from here.

Farmers Begin Loading Cattle At Fair

TORONTO, Sept. 9 — (CP) — Farmers began loading livestock for home at the Canadian National Exhibition today as the great fair moved toward its close.

New attractions arose during the last three days of the show to hold the attention of the crowds which attained record proportions during the last week.

Wednesday 141,000 witnessed the varied events of the fair, including a huge parade of prize-winning livestock which concluded the cattle-judging portion of the show.

With horse-judging finished, the National Horse Show began to extend its sessions to the afternoon. Other features scheduled today include young farmers' judging of fruits, grains and vegetables, the dog show, motorboat races, the Canadian and International table tennis championships and the usual high diving and other attractions along the waterfront.

Have Innings

Young farmers had their innings also, winning prizes for their ability to judge cattle, sheep, swine and other agricultural products.

At the National Horse Show Wednesday night a crowd of some 2,500 saw a crowded program of equestrian events, including some excellent high jumping. The Thomas A. Crow challenge trophy was won by Dufferin Stock Farms of Toronto with Sparton King, an entry in the single horse harness, Canadian-bred class.

First prize for a pair of matched trotters, went to Valette Worthy and Rosalie, owned by Mr. and Mrs. J. L. Wright of Listowel, Ont., and driven by Mr. Wright. Second place was won by E. E. Foster and Son of Galt.

The Thomas A. Crow sterling silver challenge trophy for a single harness horse, Canadian-bred, went to Spartan King, nine-year-old chestnut gelding owned by Dufferin Stock Farms, Toronto. J. Lance Rumble, Durham, Ont., won second and third.

EXOTIC "DRESS-UP" MODELS by famous Paris designers were among fashions shown at a fall style preview in Montreal. A new dance dress of black taffeta by Christian Dior (LEFT) has puffed shirring. Pierre Balmain's evening gown (CENTRE) is an original model in luminous grey satin with draped bodice and an irregular length train. Dior's new "winged line" (RIGHT) shows a coat of black velours de laine with scarf and collar of powder blue wool and lined with silk moire in the same shade of light blue.

3 CSU Members Convicted, Jailed 2 Years

WELLAND, Sept. 9—(CP). — Magistrate T. George Street yesterday convicted three members of the Canadian Seamen's Union (TLC) on a charge of illegally boarding the Canada Steamship Lines freighter Battleford, at Thorold, last June 6. He sentenced them to two years in penitentiary each.

The three are: Nick Sawchuk, 23, Thorold, already serving a six-month term on a previous conviction for illegal boarding; Louis Schmaltz, 26, Thorold; Joseph Miller, 18, Palmerston, Ont. Sawchuk and Schmaltz are CSU organizers and Miller is a union member.

The charge arose from an incident in the lake shipping strike, called by the CSU June 5 against the CSL and three other steamships lines over the question of union recognition.

Some 30 to 40 men boarded the Battleford as she lay at Thorold on the Welland Canal. Armed with baseball bats and clubs, they removed the crew.

Miller was the only one of the three accused identified in court as having been on the ship with a bat in his hand. However, Magistrate Street ruled there was evidence of common intention and on that basis registered convictions against Sawchuk and Schmaltz.

Defence Counsel W. S. Martin of Niagara Falls, Ont., gave notice of appeal against the conviction and made application for bail which was fixed at $2,500 cash or two sureties for that amount.

Gets 30-Day Term For Stealing Bicycle

KITCHENER, Sept. 9.—(CP).—Arrested by Police Chief Joseph Balzer of Harriston, James W. Rawn, Duke St., pleaded guilty in police court Wednesday to a charge of bicycle theft and was sentenced to 30 days.

Det. Sgt. Harold Winfield testified Rawn stole the bicycle from in front of a local theatre Monday night and rode the machine to Harriston where he sold it to a merchant for $25.

The accused was drunk when he was arreested in Harriston, the police officer said. Several ornaments on the bicycle were said missing, and Det.-Sgt. Winfield told the court the accused admitted throwing them down a well, "but he does not remember now where the well was."

In passing sentence, Magistrate Polson commented, "thirty days should be sufficient for the accused to get over this drunk."

Power Project Judgment Is Reserved

GRAND RAPIDS, Mich., Sept. 9 (AP)—Senator Arthur Vandenberg (Rep.-Mich.) today reserved his "final judgment" on the merits of immediate development of the S. Lawrence River's power.

The Senate made public his correspondence with Lt.-Gen. R. A. Wheeler, chief of United States Rivers and Harbors Engineers, with respect to the issue.

The State of New York and the Province of Ontario both have proposed immediate development of St. Lawrence power, and Vandenberg inquired how this would affect navigation features of the St. Lawrence Seaway project.

He asked if it would "hamper or enhance" the navigation features.

"Apparently," he said, "it is General Wheeler's view that immediate development of the power project will not harm but may actually help the navigation project. I reserve my final judgment."

Wheeler estimated the United States' share in completing the Seaway features at $177,000,000.

The figure would include $100,000,000 for completion of the 27-foot seaway features of the International section. Another $77,000,000 would go into dredging in Great Lakes connecting channels and the Thousand-Island section.

Vandenberg put a series of questions to Wheeler relating to cost and other factors and he said the replies "deserve serious consideration." The questions dealt with proposed separation of power and navigation in the Seaway project.

Prior development of power, Wheeler said, would not encumber the subsequent navigation project with additional cost.

SMALL HOLDINGS

More than 60 per cent of Egypt's landowners derive their entire living from an acre or less of land.

Canned Milk Producers Ask Increase

TORONTO, Sept. 9 — First formal step leading to an already-indicated increase in milk price was taken yesterday by the Ontario Concentrated Milk Producers' Association. The general membership, at its semi-annual meeting, instruced the executive to seek higher payment from processing plants that purchase their product.

Since there is no government control on milk prices, any upward revision in prices paid to dairy farmers selling to manufacturing plants is almost certain to be followed by an increase to producers who sell to the dairies, officials stated. Whatever increase is allowed farmers will be passed along to consumers, it is forecast.

The resolution, adopted unanimously by the rank and file of the concentrated milk producers yesterday, says that cost of production has been increased in the past season by higher wages for labor, higher freight costs and a general increase in operating expenses.

Since the farmers feel they are selling at less than production costs, the resolution orders the executive to "seek colective bargaining with the processors with the object of securing the cost of production for concentrated milk producers of the Province of Ontario."

Different Basis

Another resolution, aimed indirectly at increasing the price of milk, asks the Dominion and the Provincial Departments of Agriculture to devise a different basis on which to form milk value. The association wants milk tested and graded on the strength of its quantity of total solids, rather than only on its butterfat content.

Basing payment on butterfat content alone "is very unfair to producers from a dollar and cents angle," the resolution states.

Members stated that stressing butterfat conen alone and neglecting the size of cattle herds and the quantity of production might eventually lead to a shortage of milk. Other food values than the fat content should be considered, they said.

Crashes Into Freight Car Driver Killed

STRATFORD, Sept. 9—(CP).—Seriously injured when the car which he was driving crashed into side of stationary CNR freight train at Brunne Wednesday morning, George Yundt, 47, of Monkton, died today in hospital here. Since admission to hospital he had regained consciousness for only short intervals during the night. He suffered multiple fractures of the skull and chest injuries. Surviving are his wife, five sons and one daughter. Yundt is said to have told the train crew his vision was obscured by light fog.

UK Exports Soar

LONDON (CP)—The volume of Britain's July exports, valued at $562,400,000 were about 49 per cent above the 1938 level—only one per cent below the target set for next December. This is estimated to be the largest quantity of goods sent abroad in any one month for nearly 20 years.

Quake, Tidal Wave Recorded At Sydney

SYDNEY, Australia, Sept. 9—(AP)—A big earthquake between Fiji and Tonga was recorded on the seismograph at Riverview College observatory here today. The observatory at Wellington, N.Z., said it recorded an abnormally-large earthquake in the vicinity of the Tonga group.

A message from Auckland said there was a tidal wave at Rarotonga, in the Cook Islands 800 miles of Tonga, but that no damage was reported.

An Australian Associated Press correspondent at Suva, Fiji, suggested the earthquake might have occurred at Niuafoo Island, about midway between Fiji and Samoa. The residents of Niuafoo Island have moved to other islands in the past year because of damage caused by a volcano.

Take No Chances At Benes Rites

PRAGUE, Sept. 9 (AP)—Private burial rites for former President Eduard Benes will be held at his country home tomorrow, official sources said today.

The body was taken back to Sezimovo Usti, where Benes died last Friday, after a closely-guarded state funeral here which displayed Communist apprehension over possible anti-government demonstrations.

The Czechoslovak statesman will be interred Friday in a tomb on a hillside of his little country estate overlooking the winding Luznice river, which rolls through the countryside of southern Bohemia.

Premier Anton Zapotocky mustered hundreds of troops, police and factory militia for Wednesday's state funeral. Hundreds of thousands of mourners who packed the line of march were cut off by a wall of human flesh and steel from any chance at what the Ministry of the Interior said might be an attempt to "desecrate" the funeral.

Among the precautions was a change in funeral plans which saw the body carried to Pankrac Prison for official rites.

The change in route protected President Klement Gottwald from more than a brief exposure to the crowds that jammed Prague streets for the funeral.

WELL NAMED

The booby bird is so-called because it allows hunters to approach it and club it to death.

Norwood News

W. B. Wilde and C. Phillips had a trip through Algonquin Park over the weekend.

Mr. and Mrs. M. J. McGarvey spent Sunday at Sharbot Lake.

Miss Ruth Koski, who has been employed in the St. Catharines district this summer with the Ontario Farm Service, returned to her home in Deloro on Saturday.

William Koski spent the week-end in Toronto.

Miss Doris Hegadoren, Peterborough, is visiting her parents, Mr. and Mrs. James Hegadoren.

Mr. and Mrs. Jules Ethier visited relatives at Grimsby over the weekend.

Miss Beulah Barnett returned to Ottawa on Monday after spending two weeks with her parents, Mr. and Mrs. Sidney Barnett.

Miss Paula Nicholson is attending Notre Dame Convent at Kingston.

Holiday guests included Miss Jean Mumby of Toronto at her home here; Mr. and Mrs. W. Houdry of Hamilton and Mrs. M. Yosepenko, Marjorie and Billie of Point Anne with Mr. and Mrs. Steve Pocilujko and Mr. and Mrs. Paul Pocilujko at Deloro.

Mr. and Mrs. Lewis Andrews left for Apsley Sunday, where Mrs. Andrews will resume her duties as teacher at her former school.

Tom Barton, Kingston, is spending a few days at his home here.

Mr. and Mrs. Cliff Davey and Ruth spent the week-end at their cottage at Trent River.

Stewart Graham, Westwood, visited Willis Gilchrist on Sunday.

Albert Thistlethwaite has returned home after spending several days in Toronto, visiting his parents, Mr. and Mrs. Wilfred Thistlethwaite.

Miss Dorothy Pakenham took over her new duties as teacher at the North School. There are seven beginners and 28 pupils in all.

Mrs. Ross Boate, Toronto, was the guest of Mr. and Mrs. Herb Rusaw during the week-end.

Miss Elizabeth Curtis, Toronto, spent the long week-end with her mother, Mrs. T. W. Curtis.

Victor Ferguson, Toronto, spent the long week-end with his parents, Mr. and Mrs. O. Ferguson.

Mr. and Mrs. Frank Timlin and daughters, Audrey and Norma, Peterborough, spent Sunday with Mr. and Mrs. Harvey Lobb and Rhetta, and with Mr. and Mrs. H. A. Thistlethwaite, Elgin.

George Peoples spent the week-end at home with his family.

Mrs. G. H. Edmondson, Toronto, spent the long week-end with her parents, Mr. and Mrs. W. H. McMillan, and was a guest at the Garden-McMaster wedding Saturday.

Mr. and Mrs. A. L. Stackhouse, Cumberland, near Ottawa, were guests of their son and daughter-in-law, Mr. and Mrs. G. L. Stackhouse, last week.

Mr. and Mrs. Ted Morris and Sharon, Burwash, and Mrs. James Golloher, Warsaw, were guests of Mr. and Mrs. Clifford Davey on Sunday evening.

Miss Isabel MacMillan, Peterborough, spent the week-end with her parents, Mr. and Mrs. G. D. MacMillan.

Out-of-town guests at the Garden-McMaster wedding on Saturday were: Miss Shirley Garden, John Chalmers, Niagara Falls; Mrs. A. Garden, Mr. and Mrs. H. Garden, Mr. and Mrs. A. Smith, Mrs. I. Johnston, Toronto; Mr. and Mrs. A. Garden, Lindsay; Mr. and Mrs. J. Pirie, Mr. and Mrs. R. Pirie, Mr. C. Pirie, Miss Jean Pirie and J. Abraham, Peterborough.

Raymond Lobb, Peterborough, spent the week-end at home here.

Guests of Mr. and Mrs. Wm. Heffernan for the week-end were: Mr. and Mrs. A. Des Roches, Alec De Roches and daughter Lynn, Toronto; Mr. and Mrs. Gary Belfry and Gloria, Frank Heffernan, Peterborough. Sunday guests included Mr. and Mrs. Wm. Torpey, Lorraine and Teresa, Indian River; Mr. and Mrs. Michael Heffernan, and Mr. and Mrs. Xavier Dupuis.

Bruce Parker returned home Thursday after a month's vacation in Toronto.

Mr. and Mrs. Rod Barrie, Donnie and Ian, Peterborough, spent Sunday with Mr. and Mrs. Alec Innes.

E. McLaughlin and Mrs. G. Gawley spent the week-end in Toronto. Mr. McLaughlan stayed over for a few days.

Mr. and Mrs. Jack Cross are on a motor trip through Northern Ontario.

Elton Burgess returned to Belleville, where he will resume his duties as teacher at the Collegiate there.

Mrs. Claude McNutt and Miss Eileen Cross spent Saturday in Toronto.

Mr. and Mrs. Ivan Begg, Mrs. Harold Eason attended the funeral of Mrs. Robert Wood in Keene.

Justice And Peace Important Pope Says

CASTEI GANDOLFO, Italy, Sept. 9.—(AP).—Pope Pius today told an international gathering of legislators that "truth, justice and peace" should be their great concern, members of the audience said.

The Pontiff spoke to delegates to the 37th conference of the International Parliamentary Union, meeting in Rome.

Talking to a group of the 16-man United States delegation after the general audience, the Pope expressed "sincere appreciation for what the United States has done for humanity and the world," hearers said.

DR. MICHAEL H. YASHIRO, presiding Anglican Bishop of Japan and Bishop of Kobe, is shown as he arrived at Montreal airport, returning to Japan from the Lambeth Conference at London and the meeting of the World Council of Churches at Amsterdam.

FALSE TEETH
That Loosen
Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wabbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH the alkaline (no-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

This Bank is a Good Neighbour

The Bank of Toronto in your community, is directly concerned with everday community life. It touches that life at many points—intimately—deeply—helpfully—like a good neighbour.

This Bank IS a good neighbour—in good times and bad—giving practical aid and friendly counsel in the solution of the financial problems that beset men and women in every community.

Bank Credit breaks many chains. It sets men and women free for larger enterprise . . . new opportunity . . . the successful carrying out of many a far-visioned plan, large or small. Whatever may be the nature and size of your plans and proposals we cordially invite you to make full use of our neighbourly services.

Talmadge Wins Georgia Primary Nov. Installation

ATLANTA, Sept. 9 —(AP)— Georgia today made ready to usher in a second generation of "white supremacy" rule under its potent Talmadge political dynasty.

Young Herman Talmadge, jubilant over an apparent landslide in Wednesday's Democratic primary for governor, set the stage for a special legislative session to instel him early in November.

He couldn't wait for the regular meeting in January to assume, with no questions this time, the mantle he wore illegally for 67 turbulent days early in 1947.

For the tobacco-chewing, 35-year-old lawyer-farmer politician, triumphant in his first campaign, the special session would bring long-sought revenge over Acting Governor M. E. Thompson.

The first act opened with a death scene in December, 1946. Eugene Talmadge, Herman's acid-tongued father whose magic with rural voters had elected him governor four times, died before his inauguration.

In a dramatic pre-dawn session, the legislature in January, 1947, elected "Hummon" to sit in his father's chair. Then arose scholarly M. E. Thompson, who abandoned an educator's career to enter politics, to claim the office also by succession from lieutenant-governor.

Changed Locks

Herman's forces changed locks in the capitol by night to capture the governor's office. After two months of tumult and confusion because the state had two governors, Talmadge walked out quietly when the Georgia Supreme Court said Thompson should serve as acting governor pending an election to fill the remaining two years of the elder Talmadge's term.

Staking his campaign on a fight against President Truman's Civil Rights program, he led today with an indicated county unit vote of 314 to 92 for Thompson. Only 206 units are needed to win under Georgia's unusual county-unit system. Similar to the national electoral college. The system keeps political power in rural areas.

But unlike his father, who trailed in popular votes in 1946, young Talmadge also held the upper hand in the total count—268,025 to 237,632.

Propaganda Bombing

LOS ANGELES, Sept. 9 — (AP). — The United States should "bomb" Russia with a huge batch of propaganda leaflets, even if some airmen are shot down on the mission, James Roosevelt said Wednesday in a talk before the Exchange Club, the eldest son of the late President said reaching the Russian people direct is the greatest task facing the president to be elected in November.

AS HUNDREDS GATHERED TO WATCH, a city salvage truck in Verdun, Que., recently hauled this panel truck out of the aqueduct, more than two hours after it careened off Aqueduct Road and plunged into the water. Two persons lost their lives in the accident. Scores of policemen were hurried to the scene as throngs of men, women and children filled the street and the aqueduct bank to watch the salvage operations.

All Commonwealth Parliaments Represented At Conference

By JAMES McCOOK

LONDON, Sept. 9.—(CP).—All Parliaments of the British Commonwealth—37 in all—will be represented at the first post-war plenary parliamentary conference of the Empire Parliamentary Association, scheduled to open here Oct. 19, association officials told The Canadian Press.

Invitations were sent to 87 members of the 37 overseas branches and leading statesmen from all dominions and colonies will be present.

Ten Canadians will participate and officials said the premiers of British Columbia, Saskatchewan and Alberta were among those who have already accepted invitations.

Largest Ever

When Prime Minister Attlee announced the gathering in April he said it probably would be the "highlight of the year" and other authorities added it now is expected to be the largest gathering of Commonwealth parliamentarians ever held. It will include representatives of the new dominions of India, Pakistan and Ceylon.

Delegates will begin their actual discussions in London after visits to Germany and other parts of Europe and the United Kingdom.

Founded 37 Years Ago

The non-party association was formed in 1911 and provides machinery for ready interchange of information and exchange visits between members of Commonwealth parliaments. In the United Kingdom and other branches, all-party study committees hold frequent meetings and consider subjects such as Commonwealth foreign relations and defence.

The October conference will be the seventh plenary session since formation.

Prizes Awarded At Field Day

BAILIEBORO, Sept. 9 (ENS)—Bailieboro Athletic Association held a successful field day on Labor Day on the Bailieboro school grounds. Prizes were won by:

W. C. Jewison, Bailieboro, table lamp; Elva Jewison, Bailieboro, fishing reel; Karl Graham, Peterborough, bag of flour; Gary Feeley, Bailieboro, tea kettle; Tom Feely, Bailieboro, cushion; Miss M. L. Howson, Bailieboro, motor rug; Mrs. George Beebe, $5.00; coffee maker, Sherry Lewis; bread box, Jim Johnston, Bailieboro; towel rack, Roy Fallis, Bailieboro; roaster, Mrs. Goodfellow; change of oil, Laura Eagleson, Bailieboro; fishing tackle, Mrs. William Bateman, Bailieboro; quart of paint, Gary Harnden; water glasses, K. Roby of Bewdley; flour, Mrs. Blakely, Gore's Landing; toaster, Mr. Goodfellow; 5 gallons oil, William Robb, Bailieboro.

A baseball tournament was held during the afternoon, Bailieboro girls winning from Junior Farmer Girls and Bailieboro Married Ladies' team. Bewdley Boys won over Outboard Marines of Peterborough and Bailieboro Boys.

The winning teams were presented with baseball and bat from the association.

Races were enjoyed by the children. the booth was in charge of the Girls' Club.

Animal Kicks Trucker Fractures His Leg

BETHANY, Sept. 9—(ENS)—Gervin Mulligan suffered a painful injury on Tuesday as he was loading livestock in a truck bound for Toronto. One of the animals struck him on the knee. An X-ray taken in Ross Memorial Hospital, Lindsay, showed the leg broken in two places. Mr. Mulligan has recently purchased a trucking business.

Seven More Victims In Factory Blast

CHICAGO, Sept. 9 (AP) — Deaths of seven more victims has raised to 11 the toll in the explosion and fire at the E. J. Brach and Sons candy factory early on Tuesday.

Four employees were killed in the fire which swept the huge west side plant. Seven others died in hospitals Wednesday and early today. About 20 persons suffered burns and injuries in the blaze.

An inquest into the deaths is to open tomorrow. The fire department investigated to determine the cause of the explosion.

Chiang Scares Business To Standstill In China

SHANGHAI, Sept. 9 — (AP). — During the last three weeks President Chiang Kai-shek has given business—Chinese and foreign, legitimate and illegitimate — its biggest scare in 21 years. In fact, he has scared business to a standstill.

The last time Shanghai felt this way was back in 1927 when Chiang was marching on the city and the Communists threw open its doors to him. At that time Chiang and Shanghai business came to a working agreement, an agreement that lasted until VJ-Day.

During the last two years Chiang's popularity has been slipping with business men and with the people generally. Taking what he described as "China's last chance," Chiang Monday accused business of "selfishness and self-seeking interest and a lack of patriotism."

His words merely confirmed officially the actions of his trouble-shooter son, Maj.-Gen. Chiang Ching-kuo, in Shanghai.

During the last week young Chiang has earned the name of "Tiger Hunter," for hounding such tigers as the sons of prominent bankers, stock brokers, cotton and oil company officials.

The hunt has taken in the whole range of business but the men nearest the top face the biggest penalties. Three death sentences have been imposed.

Crimes against the government include corruption, black market dealings and illegal stock exchange operations. In China all three formerly had been regarded as legitimate business practices. That is what has scared business to a standstill.

Now that the Chinese Government has decreed an end to inflation, a dealer may not keep his savings in United States or any other hard money. He cannot convert it into merchandise because a three-months' supply of goods is the decreed limit. Anything above that is hoarding. If the business man has stocks, he cannot sell them on the market except at a loss because prices have been frozen at the Aug. 19 level.

7 Miners Killed

JOHANNESBURG, South Africa, Sept. 9 — (AP). — Seven miners were killed Wednesday when an earth tremor caused a rock fall at the City Deep Gold Mines. Thirty miners were buried under the debris but some were brought out in rescue operations. Late Wednesday night more than 10 remained trapped.

NEW WASHING DISCOVERY WITH SUPER-WETTING ACTION

washes everything FASTER, CLEANER, EASIER than any soap on earth!

FAB's *Super-Wetting Action* means that when you wash with FAB, the FAB-and-water solution *instantly* penetrates materials . . . soaks them more thoroughly. FAB—*with Super-Wetting Action*—gets *inside* materials; *pushes* dirt *out!*

FAB means faster, cleaner, easier washing of dirtiest overalls, towels, work and play clothes . . . FAB brings extra-dirt-removing power for extra-dirty wash! FAB—*with Super-Wetting Action*—does away with clinging soap scum! Brings you *whiter* shirts, towels, and sheets!

Don't miss *FAB*ulous FAB . . . the *only* thing you'll need for *everything* you wash!

New scientific washing preparation by Colgate-Palmolive-Peet is a FABulous work saver for the dirtiest overalls, work shirts, children's clothes, towels, shirts...everything that's extra dirty!

FAB WASHES DIRTIEST CLOTHES CLEANER THAN ANY SOAP

FAB—*with Super-Wetting Action*—instantly penetrates materials; *pushes* out dirt. Washes grimiest overalls *faster* than soap! Makes tough dirt like the "line" on shirt collars disappear like magic! FAB leaves *no* soap scum to "gray" or "yellow" white wash . . . Wash is *whiter, cleaner* when washed with FAB!

FAB BRIGHTENS SOAP-DULLED COLORS!

Soap-dulled washables look *FAB*ulously brighter, fresher, and newer after being washed with FAB. That's because anything you've washed with soap is made duller and grayer looking by soap scum . . . FAB—*with Super-Wetting Action*—removes that soap scum . . . leaves no film or scum of its own even in hardest water.

FAB WASHES CHEAPER... IN HARDEST WATER

Laboratory tests prove that cup for cup, in hard water, FAB washes up to twice as much family wash as soap. This economy is another *FAB*ulous miracle. Yes . . . FAB—*with Super-Wetting Action*—is up to twice as economical as soap in hard water. You'll notice that all of FAB washes . . . Nothing is wasted in soap scum!

WHAT IS SUPER-WETTING ACTION?

See for yourself! Take a length of cotton sewing thread. Roll it into a ball. Drop it into a glass of water. It floats; does not become completely wet for a long time.

Now drop another little ball of thread into a glass of water and FAB. It sinks, becomes completely soaked *at once*. This simple test shows you how FAB makes water wetter . . . *instantly* penetrates *all* washable materials faster . . . *pushes* dirt *out!*

That's FAB's *FAB*ulous *Super-Wetting Action* . . . something no soap on earth can give you!

Faster And Better for all family wash and Dishes

Rob is the trademark of Colgate-Palmolive-Peet Company Limited, for a household detergent.

GIGANTIC PILLAR OF BLACK SMOKE, visible for miles, towers over the Leduc field as thousands of gallons of oil are devoured by flames shooting skyward for 500 feet. The flames which are now lighting up the prairie are so tremendous that they may be seen in Edmonton, 17 miles away. It has been estimated that the fire is now devouring $50,000 worth of crude oil a day. Comparatively tiny outlines of oil storage tanks and derricks at bottom of this picture give an idea of the vastness of the fire, covering an area of 40 acres.

Even Experts Confounded By Freig ht Rate Tangle

By JOHN LEBLANC

OTTAWA, Sept. 9 — (CP). — If the man in the street goes dizzy trying to follow the gyrations of Canada's freight-rate involvements, he's in good company.

Even the experts get confused now and again so fantastically complex is the network of entanglements that form the background of this month's round in the battle over railway tolls.

The next round, it appears now, is to be a Sept. 27 skirmish on whether or not a railway application for new rate increases is to be heard now.

The Federal government has ordered a general inquiry into the basic freight-rate structure by the board of transport commissioners, with a view to levelling off regional rate inequalities.

Seven provinces — all but Ontario and Quebec — don't want this and have asked the cabinet for a Royal Commission to investigate all Canadian transportation.

Cabinet Reconsiders

The cabinet, which at first rejected this request, now has it under reconsideration. Cabinet referred it to the justice department, and the department is reported to have advised a Royal Commission can undertake only part of what the provinces want.

Meanwhile the railways, which got a 21-per-cent increase from the board in March, have applied for a new 20-per-cent hoist.

The provinces gave notice this week that on Sept. 21 they will move the board defer consideration of the new case until cabinet rules on the Royal Commission and on their appeal from the old verdict.

Coming in on a solo attack from another angle is British Columbia, which has a separate case before the commissioners for removal of the "mountain differential", an increased rate on some hauls over the Rockies.

On the political front, the Federal government is confronted with a platform plank of its own national convention calling for a Royal Commission on all transportation rates.

7 in Liberal Party

Also in the political sector is the fact that five of the seven premiers aligned against the Federal government's freight-rate policy are of the same Liberal party.

All these complications have put both the board of transport commissioners and the government under pressure.

At the moment, the board is trying to keep three balls in the air at once — the general inquiry, the railways' new application and the B.C. case.

Swill-Fed Hogs Get High Rating

KITCHENER, Sept. 9—(CP)—City council members learned Tuesday night that local restaurants discard enough food daily to feed 700 pigs. The matter was discussed when a farmer applied for the privilege of collecting swill in the city a privilege which another swine-raiser has been enjoying for some time.

It was learned that restaurant-discarded tibits produce better hogs than if the animals are fed with grain.

"Ninety per cent of my swill-fed hogs are graded as A," the farmer said.

If fed by grain a farmer is fortunate to get 60 per cent in this category. The farmer said it pays him to collect the swill.

In fact, he added that it would be profitable even if he had to haul it from Hamilton.

TIMBER GIANT

From a single Douglas fir, lumber can be obtained for four small bungalows.

Two Canadians Can't Accept Decorations

ROBERT SERVICE, the poet laureate of the Klondyke Gold Rush of '98, is pictured as he sailed aboard the Canadian Pacific liner Empress of Canada for Liverpool, Eng. Returning to his home in Monte Carlo, Mr. Service is accompanied by his wife and daughter. He atended a reunion in Vancouver of the old-time sourdoughs of the gold rush while in Canada, his first visit in four years.

OTTAWA, Sept. 9.—(CP). — There was a new Argentine embarrassment painfully close to the doorstep of Canada's External Affairs Department today, but for once Juan Rodriguez wasn't smack in the middle of it. Well, only indirectly.

The embarrassment was rooted in two factors—a 1946 regulation under which Canada banned foreign decorations for Canadians except for war service or exceptional civilian service such as saving lives, and President Peron's decision to decorate Quebec Premier Duplessis and Msgr. Olivier Maurault, rector of the University of Montreal.

The two came into collision apparently without the slightest provocation or push from Dr. Rodriguez, the $75,000-a-year Argentine ambassador who has made more headlines and probably more diplomatic headaches for the External Affairs Department than any other three envoys in Ottawa.

There are indications that the Canadian Department hopes that if it retains a passive quiet, the incident will die in an Argentine withdrawal.

Didn't Know

Support was given this attitude by an embassy official who said the Argentine government has been informed of the Canadian regulation — but not until some day after Mr. Duplessis and Msgr Maurault were informed by the embassy President Peron wished to honor them, the former with the Grand Cross of Liberator San Martin, the latter as a Commander of the Order of St. Martin.

The official said Buenos Aires was probably unaware of the regulation when the decision was made.

There was no comment from Mr. Duplessis Wednesday night, but there is an intriguing angle in the fact that External Affairs Minister St. Laurent is his top political rival. In Montreal, Msgr. Maurault said he had not heard "of any difficulties" about the award.

Parents Of 4 Drown

MONTREAL, Sept. 9—(CP). — Four young children were parentless following an accident which claimed the lives of Mr. and Mrs. Charles Morris of suburban Verdun. The couple drowned in the Montreal Aqueduct when their light delivery truck plunged down a steep bank into 15 feet of water.

Fumes Kill Youth

HAMILTON, Sept. 9—(CP). — William O'Brien, 19, died Wednesday from fumes from a paint he and his father were applying to a well on their property at Stoney Creek, six miles east of here. The father, who lost consciousness when he went to the aid of his son after seeing him keel over inside the well, is recovering.

Tuna Tourney Exciting Fight

WEDGEPORT NS, Sept. 9 — (CP).—Three international angling squads crowded the heels of the United States team today as the international tuna tournament moved into its second day.

The American edition of Modern Izaak Waltons took the lead Wednesday in the opening day of the four-day classic by landing five tunas.

It was a day of thrills and controversy after Lou Marron, an American from Brielle, NJ, jumped to another boat to land his fish.

The first boat had broken down under the stress of fighting a tuna hooked only a matter of minutes after the contest began. Marron's second catch, a tiny tuna weighing only slightly more than 100 pounds, was landed with little difficulty in about 15 minutes.

The Cubans were second in this fifth international bluefin match with three fish caught, while the other two teams in the contest, the British Empire and Argentina, had boated one and two fish, respectively.

WORST IN DISTRICT

Heavy summer traffic has taken marked toll of dirt roads in the district, but the one rated worst by travellers is the four-mile stretch from highway 28, just south of Bewdley, east to the Cobourg-Plainville Rd. This road carries the bulk of the traffic along the south shore of Rice lake, and the area has a big summer population. This road for the most part is in Hamilton township.

6 Times MORE Popular than any other Saline in Canada!

Here's why Canadians—men and women, young and old—prefer Eno:

ENO is a mild antacid that really helps relieve indigestion, acidity and upset stomach.

ENO is a gentle but effective laxative which helps to cleanse the digestive tract—helps relieve headaches and loginess.

ENO is harmless and pure, contains no sugar nor harsh mineral salts, has no upsetting effect.

ENO has been a household word the world over for more than 75 years.

START THE DAY RIGHT
ENO'S "FRUIT SALT"

She'll thaw! He's irresistible with Kellogg's Corn Flakes!

Again in 1948, 4 out of 5 vote Kellogg's FIRST FOR FLAVOUR!

• Independent researchers asked Canadian housewives which brand of corn flakes was the most delicious. Again, 4 out of 5 said "Kellogg's."

Your family likes Kellogg's too, often eats them faster than you expect. If your last package has been opened, it's time to order more. Made by Kellogg's in London, Canada.

Kellogg's CORN FLAKES

DECLARING that she will stand by her husband in his fight against a charge of smoking "reefers," Mrs. Robert Mitchum is pictured with her actor-husband in this reconciliation scene in Hollywood, Cal. The actor, who is free on $1,000 bail, was arrested with three others following a police raid at the home of film actress Lila Leeds.

Your Assurance of Quality

Due to import restrictions, there is a shortage of oranges in Canada. Because you'll get fewer oranges you'll want to be sure of getting the best available. And that means highest quality California oranges . . . richer in flavour . . . brighter in colour . . . easier to peel and section.

The pick of these are Sunkist. Look for the name Sunkist on every orange . . . it is there for your protection . . . your assurance of the finest.*

Of Interest to Women

DOROTHY DIX

Traits Of Good Mother Develop In Children

Considering that the most important thing in the world, of every man who has children, is the way they turn out, it is amazing how little thought and consideration men give to the kind of a mother a girl will make.

Dorothy Dix

Men know that as the mother is, the children are, ninety-nine times out of a hundred, for in her hands lies the molding of their characters. The Behaviorists tell us that by the time a child is three years old its life pattern is set, and that not a great deal can be done after principles she instilled in us in our cradles.

All through our lives we stand or fall, according to whether she bred strength or weakness in us. We choose the right or the wrong as she taught us honor and honesty or lax principles. We are masters of our passions, or we yield to them, as she formed in us the habit of self-control or self-indulgence. We are industrious or loafers, we shut our teeth and carry on, or throw up our hands and quit when the sledding gets hard, according to whether she gave us the grit to enable us to stand punishment, or the yellow streak that makes us slackers.

Influence Good Or Bad

Doubtless children inherit no more from their mothers than they do from the fathers, but it is far more important what kind of mother they have than what kind of father they have. For their mother are with them much more in their plastic years than their fathers are , and it is the mother who lights the fires of ambition in their souls, who inspires them to do and dare. It is the mother who keeps them cheered up when their hope fails, who braces up their weak spines with her own backbone, and that to change it. Certainly our experience bears this out, for everyone of us knows that in the crises of our lives we are not guided by our reason or our philosophy, or by the logic of the situation. We are motivated by the things that we learned at our mothers' knees and by the whose ambitions for them and belief in them actually forces them to make good.

Or else it is mother who makes cowards and whiners and complainers of her children. It is the mother who spoils and pampers her children until they are nothing but selfish egotists. It is the mother who never teaches her children to deny themselves anything, or to control themselves, whose sons turn out to be gangsters and thieves and murderers and whose daughters are forever in the divorce court and who swell the number of the women in the street.

It is a common thing to see a man wring his hands in helpless agony over his children whom their mother is ruining. Her foolish love thwarts his every effort to control them. He can see that she is unfitting them for life and preparing a future that will be full of misery for them, but he is powerless to undo the mistake she is making. Nor can he escape his share of the responsibility, because he wished on his children the kind of mother they have.

All men know these things, but, strangely enough, when a man picks out a wife he doesn't consider whether he is bringing a blessing or a curse down on his children's heads. He selects a wife because she appeals to him, or because she is pretty, or because she is a good cook, but he doesn't consider what sort of inheritance she is going to give his children, what sort of brains she is going to bestow upon them, or what sort of principles she is going to teach them. He doesn't consider what qualifications she has for motherhood, but this is what he should keep in mind above all else

GROWING A GARDEN is quite a trick, if you have to spend a year or two gathering enough soil to do it. That's what Mrs. S. Philbin, post-mistress at Churchill, Man., had to do to create the garden shown above. It measures 10 by 33 feet, and consists of scores of buckets of soil, laboriously gathered in rock crevices along the rugged shores of the Hudson Bay. Mrs. Philbin mixes a little peat (known as "muskeg") with the earth, and produces a fine garden where the common vegetables grow quickly. Hours of sunshine are long at the far north of Churchill, and growth is often spectacular. Seedlings often show through the ground five days after planting.

THE STARS SAY . . . .

By GENEVIEVE KEMBLE

For Friday, September 10

The auguries for this day seem to point to the hopeful and ultimately successful launching of fresh starts, new projects of importance, but with little encouragement or approbation from those in positions of importance. It may be necessary to demonstrate individual abilities, diligence and sustained work on practical and lasting propositions and plans. These plans should be worked out by shrewd techniques and a concentrated marshalling of all available resources, forces and faculties. Such industry and tactics may win belated aid.

For the Birthday

Those whose birthday it is are encouraged to concentrate all skills, talents, resources and abilities of a constructive nature on a program for permanent and far-reaching stability and enduring success. This by their own efforts and industry, since there is but dubious promise of cooperation or approbation from those whose aid might be desired. New ways and means, basic old ideas developed with fresh tactics or efforts may, in the long run, culminate in most satisfactory and lasting success. Work for long-term security with ultimate rewards and recognition.

A child born on this day has many talents and characteristics, enabling it to carve a stable future and prestige by its own efforts, with little or negligible aid from higher-ups.

Menus For Special Purposes

By MARY MOORE

Low-Calorie Dinner
Sliced Hot Corned Beef with French Mustard (4 oz. 300 cal.) and Boiled Cabbage (1 cup 20 cal.) (see notes)
Sliced Tomatoes (1 medium 3: cal.)
Rye Bread (thin slice 75 cal.)

Buttered chopped Green Beans
Apple Betty or Crumb with Hard Sauce OR Apple Tapioca with Hard Sauce Coffee

One-Burner Dinner
Boiled Pork Hock with Boiled White (dried) Beans (see notes)
Tomato and Cabbage Slaw
Compote or Chilled Lombard Peaches Crackers and Cheese
Coffee

Directions:

It is probably obvious to you that while I try to suggest meats that are economical in the present high-price near-crisis market, I also strive to keep them varied and interesting. This week I bought an 8-lb. piece corned shoulder of beef. It was comparatively lean, and served the traditional Jiggs' dinner with boiled cabbage. It was a treat, And, the corned beef was even better when chilled and sliced cold.

Story on Pink Salmon: You may know the story of the canning company who had thousands of cases of pale pink salmon on hand, and the public was demanding nothing but "red" salmon. An enterprising publicity man had an idea: he added one line to the label on the cans of pink salmon: "Guaranteed not to turn red in the can". Until the canners of red salmon put a stop this subtle but damaging practice, they sold thousands of cases of their pink salmon.

According to hundreds of expert tasters and to me the flavour of red and pink salmon is identical.

But — for appearance' sake when pink salmon is used in a cream sauce, give it added colour by shaking paprika into it and addng chopped pimientoes or sweet red pepper.

To use a pork hock effectively with soaked dried white beans they must be cooked very slowly for at least 3 hours together; add onion, salt and pepper during the cooking period to enhance the flavour, and, of course, water as needed. Skin the rind from the hock before serving and cut the meat into small pieces.

Roseneath News

Mr. and Mrs. F. A. Ash, Toronto, spent the week-end with their son, Mr. and Mrs. S. A. Ash, at their cottage at Rice Lake. Mr. and Mrs. Ash Sr. celebrated their sixty-eighth wedding anniversary on Friday, Sept. 3. Both are in their ninetieth year and enjoying good health. Mrs. Ash was born on White's Island, Rice Lake, where her father had a mill. Mr. Ash was born at Cold Springs.

Following past traditions, a white leather-bound Bible was presented to Mrs. Reginald Timlin (nee Beatrice Davidson) immediately after her marriage in Centenary United Church on Saturday. Rev. R. C. White, on behalf of the church, made the presentation. This was the first marriage ceremony performed in Centenary Church.

Schools in Alnwick Township reopened on Tuesday with the staff as follows: Roseneath senior room, Mrs. Fred Lewis, Roseneath; junior room, Miss Helen Arnold, Campbellford; West School, Mrs. R. Crego, Roseneath, re-engaged, as was the North School teacher, Mrs. Louis King (nee Helen Potter), Roseneath; John Loukes continues as teacher at Alderville.

Two local girls, Misses Jean Braithwaite and Aureen Brown, are teaching at Marmora and Atkinson's School respectively.

Centenary United Church WA is holding the annual bazaar on September 11 in the town hall, Roseneath.

Among those from this community attending the funeral service at Cobourg on Friday for Miss Annie Bray were: Mr. and Mrs. George Broadworth, Mr. and Mrs. T. Carew and Wilfred Carew.

Miss Gladys Craig of Ottawa was a week-end guest of Misses Mae Thompson and Nina Bush.

Nelda Brown arrived home on Saturday from a visit with Mr. and Mrs. G. L. Tucker, Burnley.

Rev. and Mrs. R. C. White and Calvin White, Mr. and Mrs. L. E Down and family, and Mr. and Mrs. Fred Norris attended the CNE the latter part of the week.

Mr. and Mrs. Douglas Coyle visited her mother, Mrs. J. N. Blodgett, Toronto, on Friday.

Miss Frieda Green spent the long week-end with her sister, Mrs. W. Stanworth.

Miss Clela Linton, Cobourg, was home for the long week-end.

William Yule of Rochester was a week-end visitor with Mr. and Mrs. Max Herrington at their cottage, Rice Lake.

Mrs. Valda Wills of Toronto visited her mother, Mrs. J. A. Brown, during the week-end. Mrs. Brown accompanied her daughter home on Monday.

Mr. and Mrs. Hilton Pringle and family, Kitchener; Mr. and Mrs. Harold Bull and family, Toronto, spent the week-end with their parents, Mr. and Mrs. A. Pringle.

Mrs. C. Wolfraim, Campbellford; Mrs. Jesse Mitchell, Warkworth; Mrs. John Clark, Havelock; Mrs. Howard Harnden, Warsaw, and Lloyd Brisbin of Weston visited Mrs. Leonard Brisbin during the week-end.

Miss Mildred Lapp spent the week-end with her mother, Mrs. Annie Lapp.

W. R. Coyle, Cobourg, spent Monday with his son, Mr. and Mrs. John Coyle.

Alfred Pringle, Thomas Robins, Hilton Pringle and Harold left on Sunday for North Bay to attend the funeral of Mr. A. Pringle's mother.

GEMMED MEDALLION ACCENTS—Pearl beads are always with us, the favorite ornament of every woman from the teenagers to the dowagers, and designers never run out of new ways to style and beautify them for us. Here we see two of the pearl bead collars worn high about the throat in current fashion, set in new effect with medallions of mock gems which may be worn, front, back or to the side as one feels the whim, and with bracelets and earrings to match. The girl at the LEFT has three-strand pearls set with colored gems; at RIGHT, rhinestone clusters are accents.

Plan Mission Service

NORWOOD, Sept. 9—(ENS)—The WMS of St. Andrew's Presbyterian Church held its September meeting in the Sunday School room on Tuesday afternoon, with the president, Mrs. S. A. Sexsmith, in the chair.

Mrs. H. J. Ford read the scripture, and Mrs. Wm. Golloher gave the topic from the study book. Plans are being made for the thankoffering meeting in October. It is hoped that a missionary will be available as the guest speaker.

✧ ✧ ✧

Baby Band Meets

A paper on Christian stewardship was read by Mrs. R. Starr at the monthly meeting of the Mark St. Church Baby Band held Wednesday evening at the home of Mrs. K. Ferguson, Cricket Place. Mrs. S. Craig gave a reading entitled "The Hidden Face", and Mrs. A. Downer was in charge of the devotional period.

It was announced that the October meeting would be a shower meeting. Mrs. H. Pomeroy gave the sewing report, and lunch was served by Mrs. S. Craig, Mrs. A. Downer, Mrs. C. Logan and Mrs. Ferguson.

✧ ✧ ✧

Bray—Laidley

A quiet wedding was solemnized Tuesday when Ruth Eleanor, daughter of Mr. and Mrs. Max Laidley, Peterborough, became the bride of Harold J. Bray, son of Mr. J. Bray and the late Mrs. Bray of Birdsall. The ceremony was performed by Rev. S. Taylor at his home.

The couple were attended by Miss Betty Laidley and Mr. Donald Alton. A reception was held at the home of the bride's parents for the immediate families. Later, the young couple left for a trip to points north. They will live in Peterborough.

CHANGE of LIFE?

Are you going through the functional 'middle age' period peculiar to women (38 to 52 yrs.)? Does this make you suffer from hot flashes, feel *so nervous*, high-strung, tired? Then DO try Lydia E. Pinkham's vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Four to Attend Sault Convention

Four members of the Ladies' Auxiliary of the Peterborough branch of the Canadian Legion will attend the annual Canadian Legion Ladies' Auxiliary convention to be held in Sault Ste. Marie on October 4, it was decided at the regular meeting of the group Tuesday night. The four are: Mrs. A. Tarrington, president; Mrs. R. Richards, treasurer; Mrs. E. Houghton, former zone representative, and Mrs. W. Downer, immediate past president.

This Friday, 26 members will attend a rally in Bowmanville for the zone. Also planned is a Hallowe'en tea and sale of aprons in the Legion Hall on October 27. The auxiliary has also decided to send cigarettes and tobacco to all patients in Sunnybrook Military Hospital, Toronto.

INVENTED MODERN WEAPON

The Owen sub-machine-gun was invented by a 27-year-old Australian.

THE PAPER DOLL FROCK—Paper doll is the name given to this princess frock silhouette with the short ankle length and the discreetly full skirt. An apt name, and an apt design for such dressmaker detailing as the appliqued velvet scallops which parade horizontally around the skirt and the bertha collar edging of this black taffeta model. This is a best-dress of the precious variety which is ever ready for dinner; no tiresome, special slips or shoes and so forth a necessity, no insistence laid on a special season, or a special kind of weather.

Tour of Europe Reveals Misery in D.P. Camps

OTTAWA, Sept. 9.—(CP). — Dr. Lotta Hitschmanova, head of the Unitarian Service Committee in Canada, has just completed a two-month tour of Europe which has left the little director with mixed feelings.

Czechoslovakia she found "disheartening" and Germany "enervating and upsetting."

In Austria, "the need is greater than we imagine," she said in a newsletter to USC headquarters. "Of 300 classrooms, destroyed by the bombing of Vienna and rebuilt last year, only one-tenth could be put to use, for equipment such as benches and blackboards were not available."

Vagrant children who spend all afternoon and evening in the streets are one of the biggest problems of Vienna. The rate of offences among the youth has tripled in the last year.

Dr. Hitschmanova found an unemployment problem in Austria where lack of raw materials and mounting prices forces the shutting down of shops and factories.

"One of the most urgent problems in Austria today is to provide work and recreation for the young," she said.

During her visit to Poland the director found the Poles courageously reconstructing their country. They "fight against such terrible odds with so much goodwill and enthusiasm, that you have to admire them, whether you agree with their political views or not," she said.

Unhappy Silesia

Describing her visit to the Children's Aid Society for Silesia, she said she would never have believed "that so much misery and unhappiness could be assembled in one small building."

The centre was a screening station for children from three to 18 years, who had run away from their families, or from homes or institutions which had been taking care of them.

"Two thousand such children were brought (here) during the last 12 months," said Dr. Hitschmanova. "If you consider that such stations all over Poland exist today, you will realize that this problem is of tragic importance."

"Most of the children were so underdeveloped and undernourished that you would take a child of 12 for an eight-year-old," she continued.

While in Germany Dr. Hitschmanova visited two displaced persons camps. The first was the former concentration camp of Bergen-Belsen, which has been transformed into the only completely-Jewish D.P. camp in Germany. Another camp serves for Latvian and Lithuanian refugees.

"In Bergen-Belsen . . . live 7,000 refugees, awaiting emigration, mostly to Palestine," the director said. She described the Baltic camp as "terribly primitive." Families lived in small cubicles separated from the next one only by blankets and rags.

When it came to war talk, Dr. Hitschmanova said that some persons looked on war as the only solution to their own problems—these were the German refugees from the east, without homes, without jobs, and without families. But the great majority of the people are very much afraid of war, she reported.

IODE Convention To Be Held In City Oct. 6

The program of the provincial semi-annual IODE convention Oct. 6, was reviewed Tuesday evening at the regular meeting of the Major Bennett Chapter by the regent, Mrs. George Barns. She asked that all members give their support and any having rooms available for Convention members should report them to the secretary.

The Major Bennett Chapter presentation of the Leslie Bell singers will be held in St. Paul's Presbyterian Church on November 5, Mrs. Jack Skitch reported. All proceeds from this concert will go towards the Chapter's Civic Hospital project.

Reports on post-war work for the summer months were given by Mrs. Hugh Fallis, Mrs. W. Nash and Mrs. D. Anderson, who said that the shipment of clothing and food had continued throughout the summer months, and that letters had been received thanking the group for its work in this line.

It was announced that Dental Health Week is to be held from September 27 to October 1. Resolutions regarding the stamping-out of Communism, passed at the National IODE Convention in Halifax, were read by Miss Jean Dorris. Miss Margaret Preston gave a reading on the IODE endowment fund, and Mrs. R. Garner read a paper on bursaries for educational work. Refreshments were served by Mrs. J. MacMillan and Mrs. R. Huggins.

Rev. Ivan Morgan Talks to Auxiliary

Speaker at the first fall meeting of the Trinity United Church Baby Band mothers' auxiliary was the Rev. Ivan Morgan of Murray St. Baptist Church, who was introduced by the Rev. D. B. Gordon of Trinity Church. A reading was given by Mrs. J. M. Davern and Mrs. Hazel Ritchie sang a solo.

New members welcomed by the president, Mrs. W. R. Philp, were: Mrs. W. B. Gordon, Mrs. M. R. Knox, Mrs. G. Harrison, Mrs. A. E. Thompson, Mrs. D. F. Lawless, and Mrs. J. E. Pierce. Plans were made for a rummage sale to be held later this month, and following the program, lunch was served by Mrs. R. Bogle and her committee.

THE WARDROBE WINNER—Despite all the mink and magnificence, fashion really centres around simple, everyday clothes, the type that is bought and worn by the great majority of women throughout the country. Ready-to-wear performs miracles in turning out well-bred, really smart dresses for prices that are sensible even in these times. Delightful for general wear is this dress. Faille crepe in a deep rich green or plum is used for this neat little number with buttoned bodice and full skirt.

Paulyn Ann Redmond Weds Goes to Union, New Jersey

Immaculate Conception Church was the scene on Monday of a lovely wedding when Paulyne Ann, daughter of Mr. and Mrs. Harry R. Redmond of Peterborough, became the bride of Peter J. Hydock, son of Peter C. Hydock and the late Mrs. Hydock, of Union, New Jersey. Right Rev. Monsignor F. J. O'Sullivan, D.P.V.G., officiated, and music was played by Mrs. C. O'Donnell. During the signing of the register, Mr. Anthony De Noble sang "Ave Maria".

Given in marriage by her father, the bride wore a gown with bodice of French lace with seed pearls around a yoke of invisible net, and a very full skirt of mousseline de soie. Her fingertip veil was of tulle illusion, caught with organe blossoms, and she carried a cascade of white gardenias and white roses.

Maid of honor was Marion Redmond, sister of the bride, and Elva Laing was bridesmaid. They were frocked in bengaline faille, the maid of honor in heavenly blue, and the bridesmaid in rose petal pink. The gowns were off the shoulder with tight bodice, and matching mittens. Both carried cascades of gladiolus. Mr. Ted Lynch was groomsman, and the usher was George Sullivan.

Following the ceremony a reception was held at Club Aragon, where the bride's mother received, wearing a gown of coach grey with accessories of victoria wine and a corsage of white gardenias.

Later the bride and groom left for a trip to Montreal and St. Annes. For travelling, the bride wore a powder blue gabardine suit with black accessories, a topper of coral wool and a corsage of Talisman roses. They will live in Union, New Jersey.

BEAUTY ON A BUDGET—Sometime or other, we have heard young women declare that they have to go hatless because nice hats are so expensive. But not this season! There's no excuse for going hatless when there are hats of the type shown here, well-made, handsome hats of good workmanship and materials. Fashioned of frost white felt on forward lines, with a softly smocked beret crown, this hat is accented by curving coq plumes. And it sells under eight dollars!

LEGION MEETING

First general meeting of the Canadian Legion after the July-August recess will be held on September 20. In addition to the reports of the various committees, a detailed report will be given of the considerable decorating and general repainting of the Legion Hall and special treatment of the dance floor which is being carried out before the new season's activities begin.

Chiffon Cake Is Cross Between Butter and Sponge

By MARY MOORE

I tried it—the chiffon cake—that every other food columnist on the North American continent seems to be raving about—and, gals, it is good; it is easy and it is comparatively cheap.

But, that may be for me, because we use so much mayonnaise on our salads and sandwiches every day that I find it is an economy to buy corn oil—salad oil — in a gallon tin, and make my own mayonnaise by way of the electric beater; so, I always have corn oil on hand.

Even so, if you have to pay about 50 cents per pound (per pint) for corn oil it is still much cheaper than butter (and you use only ¼ cup), and it is easier to handle than butter.

But again, this cake may be particularly suitable for our household because on account of using so many egg yolks for mayonnaise I always seem to have leftover egg whites, and the cake calls for 2 yolks and 4 whites.

However, we, who write and read this column cannot be behind the times so I'm giving over the space to telling exactly how to make it today, so for goodness' sake clip this, and then do not become so confident of your cake-making prowess that you think you can change the recipe — because you must not, for the cake will flop.

When my sister returned from California this Spring she started the Chiffon Cake parade for me. She says the bakeries in Los Angeles were charging anywhere from One to One and one-half Dollars for angel-food-pan-size Chiffon Cakes, with delicate lemon or orange frostings—and selling them like hot cakes (which they almost were!). So here goes—we are in the parade too.

Golden Chiffon Cake

Dry Ingredients:

One and one-eighth cups sifted flour, 1½ teaspoons baking powder, ¾ cup sugar, ¾ teaspoon salt; Wet Ingredients: ¼ cup corn oil, 2 unbeaten egg yolks, 1-3 cup cold water, ½ teaspoon vanilla (or 1 teaspoon lemon juice), ½ cup egg whites and (to sprinkle over egg whites) ½ teaspoon cream of tartar.

First sift the flour and measure—1⅛ cups is 1 cup plus two level tablespoons—and put into sifter over mixing bowl. Add the baking powder, sugar and salt, and sift into bowl. Do not stir but do make a depression in centre of these dry ingredients. Now drop in the unbeaten yolks, the oil, the water and vanilla. Without disturbing the dry ingredients much give the wet things a good stir and gradually enlarge your stirring motion to bring in the dry things. Stir just until mixed. Now beat the whites with the cream of tartar in them as stiffly as possible in a fairly large bowl. Then pour the batter into the whites, folding it in with a rubber scraper, just until mixed.

Have oven temperature at 325 deg. Fahr. Pour batter into ungreased sheet, square, loaf or angel food pan, or into ungreased muffin tins. Bake muffins or sheet cake about 25 minutes. Square pan requires about 35 minutes. Loaf and angel food cake tins require nearer 55 minutes or one hour.

Let cake drop from pan onto cake cooler, by supporting the edges of the pan on higher pans. Mine always have to be helped from the pan with a spatula.

Frost with rather thin lemon or orange butter frosting.

For Chocolate OR Coffee Chiffon cake add: 2 squares melted chocolate to the liquid part of cake, (for Chocolate) and for Coffee use strong cold coffee in place of water and frost with thin chocolate or maple butter frosting. Let me know if you discover any new variations for this cake.

It takes more than kisses to keep a man happy! If you want your man *always* to be proud of you . . . if you want *always* to look your youngest, slimmest, and loveliest . . . *you must watch your diet!* And, in any diet to gain a lovely figure, you should eat certain special foods because of their vital *"protective"* qualities.

That is why Kellogg's *All-Bran* is included in scientific weight-control menus. *All-Bran* is made only from the outer layers of the wheat grain. This is the *vital* part so rich in iron and certain other *"protective"* food elements your body must have.

Not only is All-Bran a *"protective"* food but it is *guaranteed*, on a double-your-money-back basis, to keep you regular *naturally*. Such *natural* regularity is always advisable, diet or no diet.

Make up your mind to take better care of yourself. Start eating *All-Bran* today.

FOR REDUCING DIETS — Kellogg's ALL-BRAN — TWO SIZES

IN 1898, WHEN QUEEN WILHELMINA was enthroned as ruler of Holland, she passed between the ranks of an honor guard of young cadets, picturesquely uniformed in the apparel of the period. She is shown passing through that same honor guard as she celebrated her 68th birthday and the 50th year of her reign as she enters the stadium to view a Jubilee play. Princess Juliana, who succeeded her mother as queen when Wilhelmina abdicated early this week, is with her consort and children in the rear of the photo above.

Norwood News

Try To Learn If Shirt Prices Arranged

OTTAWA, Sept. 9 — (CP). — One phase of the Prices Commission's study of the shirt industry is an attempt to learn whether manufacturers and retailers' "arrange" the retail price of men's shirts.

The Commission heard two version Wednesday of how prices are determined.

F. Marshall Richardson of Toronto, vice-president and managing director of Fluett Peabody & Company of Canada, Ltd., said: "We do not set them (prices) in any way, shape or form."

His company, a subsidiary of a United States firm and with the headquarters in Kitchener, had "definitely kept away from it," partly on the advice of legal counsel.

Otto F. Dannecker of Waterloo, vice-president and managing director of John Forsyth Ltd., Kitchener, said his company puts retail price tags on its shirts. That was to indicate the top price at which a certain shirt should be sold to the public.

F. H. Leacy, acting chief of the Prices Branch of the Bureau of Statistics, said the retail price of men's shirts— other than work shirts — has increased by more than 100 per cent since 1939. During the same period, production dropped.

Ceiling Lifted

By July 2, with the general cost-of-living index at 155.7, the men's shirt index was 227.6. Most of the increase had taken place since price ceilings and subsidies on shirts were removed by the government a year ago.

Mr. Leacy said a "low-price" shirt, when available, sells for about $4. The cost to the retailer was $2.50. Therefore, the margin of profit was $1.50 on $2.50, or about 60 per cent of costs and 37 per cent of the retail price.

He said that, as a general rule, shirt manufacturers "advise" the retail price. It was in connection with this statement that Mr. Richardson and Mr. Dannecker later outlined their companies' practices.

Honesty Pays Off Ottawa Man Discovers

MONTREAL, Sept. 9—(CP)— An Ottawa man's honesty in returning a wallet containing $500 lost by John Fleischineur of Rochester, N. Y., in a rooming house here has prompted the finder to demonstrate to Americans the "inherent honesty of Canadians."

Frank Flesher, an Ottawa fur merchant, found the wallet Sunday immediately after moving into a room vacated by the American. He promptly notified customs authorities at various border points in an attempt to trace the owner.

Now that the wallet has been returned, Flesher wants to promote understanding between Canadians and Americans and is trying to arrange a visit to Mayor O'Dwyer of New York to illustrate the honesty of Canadians.

His aim is to strengthen bonds between the U. S. and Canada. "I would like to use this incident to demonstrate the warm feelings that Canadians have for the American people," he said.

Have Taken Tenders For Salvage Work

TORONTO, Sept. 9 (CP)—Deputy Minister Frank MacDougall of the Lands and Forest Department said today tenders have been accepted for salvage operations in the Mississagi forest fire area.

He expects the successful tenders to be known in a few days.

No estimate has been made of the number of cords of pulp and timber, and the percentage of the original stand that can be salvaged, he said. The reason for this is that the fire damage was spotty, with a lot of timber recoverable in some areas and less in others.

Tells Grim Tale Of German Life

VANCOUVER, Sept. 9.—(CP). — Gertrude Schewring, a pretty German girl now living at Varel in the British zone, would like to come to Canada and start life anew.

She finds life in Germany too grim, and in a letter to friends here said:

"Germany is like a poultry yard. One person plucks the other. I am sorry for saying so, but it is true.

"The new Deutsche-Mark money is not enough to live on. Most of the people here have no work because the factories have no money to pay them and the storehouses are full, but we have no money to buy anything."

Gertrude, 25 years old, is a good cook, and a willing worker.

"I know only one dream," she wrote, "to go to another part of the world where I can buy the bread to live on."

Arab Withdrawal From Mount Zion

AMMAN, Sept. 9 —(Reuters)— Tario Bey Afriki, comander of Arab Irregulars in the Jerusalem area, today met United Nations truce observers here and was understood to have discussed Arab withdrawal from the Mount Zion and Abue Tor sectors of Jerusalem.

Afriki said in an interview, however, that he would not order such a withdrawal unless Jews evacuated the whole of Zion Hill.

Col. Abdullah Tel, Arab Legion commander in Jerusalem, yesterday demanded a U. N. guarantee bill after the Arabs had withdrawn.

Kitchener Will Is Probated

TORONTO, Sept. 9 —(CP)— Probate has been applied for in the 51,504,390 will of the late John Derby Claude Forsyth who died at Kitchener June 23. Dominion and Ontario succession duties total $303,390.

The will provides that his widow, Mrs. Georgina Forsyth, is to receive income from the residuary estate, personal and household effects. On her death the residuary estate will be divided among the three daughters, Mrs. George H. Lockhead, Mrs. P. R. Ellis, both of Kitchener, and Mrs. Leslie Lovell, residing in California.

During the lifetime of the widdow, shares of John Forsyth Limited, are to be held for the two sons, John and James, and on her death they will be transferred directly to the sons or their survivors.

Bonds and stocks total $1,270,888; insurance, $201, 767; real estate $16,855; cash, $10,478; miscellaneous $4,401.

Had $3,414 Cash Drunk In Public

Among the minor cases in court today was a charge against Bruce Parker, 341 Reid St., who was fined $50 and $2.50 costs on his guilty plea as a second offender to a charge of being drunk in public. The report of PC's Douglas Farthing and Louis Rodregue, who arrested Parker Wednesday night, said that the accused had on his person cash totalling $3,414.99. Also in his possession were two cheques and an expensive watch.

Marble Workers Get 5-Cent Increase

Workers at Ontario Marble, Local 527 UE-CIO, have been granted an increase of five-cents-an-hour retroactive to July 1, John Rowley, district organizer for Local 527 announced today.

In the new contract which was signed in January there was a provision that if the cost of living index went beyond 155 by July 1, the employees would receive an extra five cents.

This was in addition to a 15-cents-an-hour increase, across the board. Since January the Ontario Marble Workers have received a total bpost of 20-cents-an-hour, plus a pay check for the cost of living increase retroactive to July 1.

Professionals Blamed For Four Finch Jobs

CORNWALL, Sept. 9—(CP)— Police today blamed gang of professional cracksmen for break-ins at four establishments at Finch, 25 miles north of here, during the night. Preliminary investigation showed the loot was small.

Dynamite charges were used in at least two of the break-ins but villagers aroused by the blasting in the early hours did not investigate.

At the plant of Canada Packers a large safe was blown open but the strong-box containing $1,000 was jammed tight by the explosion and remained intact. At the Finch creamery a filing cabinet was smashed open and windows were broken. The egg grading station and C.P.R. tool shed were also entered, a quantity of tools being stolen from the latter.

10-Year Job

LONDON (CP)— It will take 10 years for the R.A.F.'s 82nd Photographic Reconnaissance Squadron, now working in Africa, to complete the aerial survey of the Colonial Empire for the Government, Rees-Williams, Colonial under-secretary announced recently.

Two Intoxicated

John King, no fixed address, was sentenced to three months in jail when he pleaded guilty in court today to being drunk in public as a third offender.

John O'Brien, R.R. 1, Havelock, was fined $10 and $2.50 costs for being drunk in public.

C. S. JACKSON, (CENTRE), international vice-president of the United Electrical Workers and Canadian director of the CIO-UEW, leaves a plane at LaGuardia Field, New York, with American immigration officials, when he was taken into custody recently. Immigration service said he was one of nine Canadians "temporarily excluded" from the United States on the grounds they were suspected of being in affiliation with the Communist party. Jackson returned to Toronto today.

Brunette Raises Rumpus At British Loyalty Test

LONDON, Sept. 9. —(CP). — Britain's purge of Communists from government posts is proceeding quietly but a brunette has enlivened the proceedings.

She is 30-year-old Ann George, private secretary to Education Minister George Tomlinson. Small, keep, an ardent trade unionist, she was the first civil servant to be suspended after a declaration by Prime Minister Attlee that only persons of utmost reliability may be employed in any work involving security of the state.

The prime minister, in a statement to the Commons, said membership in the Communist Party and a reputation for being a fellow traveller are grounds to raise a presumption that a civil servant is unfit for certain posts.

In a careful approach to a ticklish issue, Attlee outlined a plan to investigate suspicions quietly, dismiss persons inconspicuouly, or transfer them to other jobs with the least possible stir.

First the prime minister set up an Advisory Commission and named to it three former civil servants, all men of high repute and broad understanding.

Ministers who hear about Communists or Fascists or persons closely associated with Communist or Facist enterprise erving in key poitions must place such persons on leave, with pay, and certify the cases to the Commission.

Non-Judicial Hearing

If they wish, the individuals singled out may appear before the Commission for a non-judicial hearing. The Commission, after hearing all evidence in private, then reports to the minister who takes appropriate action — dismissal or transfer to some other post in which the individual can do no harm.

The Treasury, which has charge of the purge machinery, said "about 25" persons now are on leave with pay awaiting action by the minister or the Commission. Miss George was the very first to go and she reacted with such vigor that well-planned intentions to carry on the purge quietly may be upset.

An impressive speaker with wide support in trade unions, Miss George was quick to defend herself in public. Asked directly whether she is a Communist, she replied: "No employer has a right to ask such a question."

She chose not to appear before the Advisory Commission, thus placing the entire responsibility on her employer, Education Minister Tomlinson. The minister has called her "the perfect private secretary." She was re-elected to a trade union post with a thumping majority and she challenged anyone to find a weak spot in her record for loyalty to Britain.

Miss George, and some others on leave, object to some features of the Commission hearings. One is that they may not be represented by counsel. Another is that persons under investigation are no told the source of the evidence on the grounds that to disclose it might hamper other inquiries under way.

Another suspended person is E. J. Hicks of the Air Ministry staff. The ministry permits him to occupy his old office to carry out his duties as an official the Civil Service Clerical Association, but he is not allowed to handle Air Ministry business.

Suggests Legislature For Newfoundland

LONDON, Sept. 9 (CP) — Sir Alan Herbert, Independent member of parliament for Oxford University, said today in a letter to the Times a Newfoundland Legislature should be established to let Newfoundlanders decide their own future.

He said he felt Whitehall "was set on Confederation" of Newfoundland and Canada and had worked for it "stealthily."

"A self-governing Newfoundland could negotiate in the true sense with her mighty neighbor," said Sir Alan, who was a member of the 1943 parliamentary mission to Newfoundland. He added:

"Though elected maybe to pursue Confederation in principle; a government could still draw back if the terms were not acceptable and resign.

"How can Island spokesmen negotiate with any force if their brief is: Whatever you say the thing is settled —by Whitehall?"

Break Away From Union

ST. CATHARINES, Sept. 9 — (CP).—Local 529, United Electrical Workers (CIO) Wednesday broke away from the union and voted affiliation with the United Steelworkers of America (CIO). The rift was the climax of a six-month fight between left and right wings of the union over alleged Communist leadership.

11 New Players Seek Places At Stratford

STRATFORD, Sept. 9.—(CP).— First announcement today by Manager D. M. Pinkney of the Stratford Kroehler Junior "A" O.H.A. club, lists eleven new players now located here, who will battle for positions on the 1948-49 squad, including an experienced and successful coach from out of town.

The newcomers are Jim Pernfuss, Kitchener; Doug French, Toronto; Roy Leckie, North Bay; Myrle Barber, Powassan; Bob Markle and Ray McCallum, Owen Sound; John and Charlie MacDonald, Chatsworth; Harold Warren, Goderich, Albert O'Hearn and Archie Katzman, St. Catharines.

Remaining from last year's team are Harold Hurley, Don Campbell, Joe Beda, Billy Mitchell, Dennis Flanagan, George Armstrong, Pierre Cadieux, Ken Candler, Clare McMinn and "Whitey" Malchq.

Matt Mesich, Dunnc Daniels, Frank McArdle, Elwood Small and Jim Loader of last year's team, have exceeded the junior age limit.

FAR HAWAII

The Hawaiian Islands are more than 2,000 miles from the United States mainland.

Trucks And Airplanes Will Never Replace Railroads In Canada

TORONTO, Sept. 9.—(Special.) —Strength and health are at the foundation of Canada's economic system and it is important to the common welfare that it be so maintained. This was the keynote of the address delivered here today by R. C. Vaughan, CMG chairman and president of the Canadian National Railways, at a luncheeon marking transportation and commercial travellers' day at the Canadian National Exhibition.

"Trucks and planes have a job to do and they are doing in effectively," said Mr. Vaughan, "but it is idle to pretend that they can ever replace the railways. The job is too big, the demands too variable and the cost to the public too great. You have proof of that fact today in the Russian blockade of Berlin, where, with railway services cut off, the city can only be partially maintained by air transport, and only on the lowest living level and at a financial cost that is worrying the nations involved. In this country, if the wheat crop of the west had to be moved from the prairies to the Atlantic seaboard by truck the monetary value of the gasoline consumed would be greater than the value of the wheat moved."

The importance of the railway industry to the well being and development of our nation is indisputable, declared Mr. Vaughan, and for every dollar invested in the railways there has been created fourteen dollars of national wealth.

The railways, however, are suffering from shortages and the rising costs of material and labor, and they sell under a very low price ceiling. The railways were granted a 21 percent increase in freight rates, applicable from April 8th last. Actually, because of the exception on which the new rates could not be applied, the over-all increase was only 13½ percent. This financial benefit was meant to compensate for increased operating costs, but it did not take into account the further rises in material, labor and other costs of which there have been many.

Assume New Cost

"The Canadian Railways," said Mr. Vaughan, "will have to assume new costs amounting to over one hundred and twenty million dollars a year, and these costs are constantly increasing. To offset them the railways have been provided with additional revenue of seventy million dollars a year. The present wage and material bill of the Canadian National Railways alone will be at the rate of one hundred and eighty million dollars per annum more than at 1939 levels.

"The only way the railways can cut expenses is by reducing the number of employees and cutting down purchases, and to do that it would be necessary to curtail services. To do so would adversely affect nearly every community and industry in Canada."

New equipment is going into railway service as fast as manufacturers can make deliveries but the railways continue to be vexed with shortages of materials. "They are doing the best they can with what they can get and what they have," Mr. Vaughan said, "and they are making every piece of equipment do full duty in handling a record peacetime volume of business with few delays and dislocations. Lack of equipment is not primarily the fault of the railways. Since the war orders have been placed for many millions of dollars worth of new equipment, but deliveries are running at the rate of one and a half to two years after orders are placed."

Canada's Backbone

"The railways support industry and agriculture not only by providing transportation at the lowest freight rates in the world," continued Mr. Vaughan, "but in the great volume of purchases which amounts to three hundred and fifty million dollars a year (covering almost every product manufactured, grown or mined in Canada. There is also to be considered the immense purchasing power through railway payrolls amounting to five hundred and twenty-five million dollars a year, and, in addition the railroads spend large sums to pay for interest charges, insurance, pensions and taxes. It is safe to say that the Canadian railroads spend close to one billion dollars per annum in Canada. The darkness of doubt obscures the position of the railway industry in Canada today and makes the future hard to determine," continued Mr. Vaughan. "But of this there can be no doubt the Canadian railway industry is aware of its need to the human and industrial requirements of the nation and limited in the scope of its endeavors only by its frailties—human and economic—it will continue to do its duty to our country."

News .... In Brief ..

By The Canadian Press

TORONTO—Frank Bartello, 34 was scalded about the arms and legs today when he was sprayed with steam shooting from the furnace he was adjusting at a cleaning establishment.

COOKSVILLE — About 200 Toronto township residents who have failed to pay their water bills are facing a cut-off today.

LONDON—J. S. P. Armstrong, agent-general for the Province of Ontario in London, was married today to Mrs. Eileen Lascelles Carr, only daughter of Sir Bracewell Smith, former Lord Mayor of London. Mrs. Lascelles Carr is the widow of Harry Lascelles Carr of London.

WINDSOR—Gwendolyn Gall, 11, died in hospital today without regaining consciousness following her admittance last Tuesday with a possible fractured skull, a broken left arm and two broken ribs suffered when she was struck from her bicycle by a truck.

CAT'S EYES

In bright light, the pupil of the eye of a cat is a vertical slit, but in dim light it becomes circular.

Cochrane Uranium Report Shows Little On Surface

TORONTO, Sept. 9.—The survey of radio-active mineral in Pitt Township, District of Cochrane, is the subject of a special geological report by Nelson Hogg, resident geologist, Ontario Department of Mines at Timmins which was recently released by the Minister of Mines.

This development in Ontario received quite a send-off a few weeks ago, but to the accompaniment of a mis-statement which may as well now be corrected.

The original report stated that the discovering prospector had applied at the office of the Mining Recorder in Haileybury and had been refused information or map concerning the township. This made it appear as if in making his discovery and staking his claims he had been compelled to jump over some imagined obstruction in the Haileybury office, which was entirely and completely untrue. The truth is that the prospector applied at the office for information regarding some other field, entirely and made no mention whatever about Pitt Township.

This is unimportant as far as the discovery of uranium in that quarter was concerned, but no one took the trouble heretofore to correct the unjust slur thrown upon the Haileybury office staff, so here it is now. As a matter of fact, Pitt Township was supposed to be closed to prospecting, so that the discovery actually did cause a great deal of unnecessary trouble.

The geologist, Mr. Hogg, was sent to the scene of the discovery of a vein containing radio-active material by Alex Mosher. In the entire area the most important source of radio-activity exposed at the present time is the carbonate vein discovered by Mr. Mosher. The granite pegmatites, however, also contain radio-active minerals in small amounts; in most of the coarser-textured dikes and also in some narrow dikes, areas a few feet square will give high readings on the Geiger counter.

Single Vein

Radio-activity seems to be confined to a single vein of carbonate material. Mr. Hogg states in part in his report, "The carbonate is a pale grey-green color and crystalline, with a granular texture, weathering to a smooth brown surface. It is probably impure dolomite and reacts only slightly to cold dilute hydrochloric acid." Microscopic examination of the vein material shows it to consist of more than 75 per cent carbonate, with the remainder made up of feldspar, mica and hematite.

As to its commercial possibilities, Mr. Hogg had this to say: "The commercial development of radio-active deposits is now a matter for private enterprise and it is not within the scope of this report to attempt an appraisal of the Mosher vein. Three character samples from this vein were submitted for testing to the Provincial Assayer and returned U3 O8 equivalents of 0.03, 0.12 and 0.055 per cent."

"The fact that radio-activity is present in the pegmatites and in at least one vein in this area suggests that further prospecting might uncover valuable deposits. Prospecting, however, is made extremely difficult by the scarcity of outcrop and the fact that a small amount of overburden will effectively blanket radio-activity."

Mr. Hogg's report, as well as a geological plan of the central area around the vein of radio-active carbonates, is now available free of charge at the Ontario Department of Mines, Parliament Buildings.

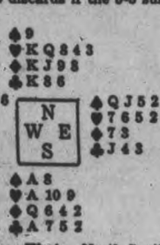
BARCLAY ON BRIDGE

IT GETS YOU DISCARDS

MANY players would answer incorrectly if asked how they would rather have eight trumps divided between the declarer's hand and the dummy. If they had their choice between one suit with four cards in each holding and another which had five cards opposite three, they would unhesitatingly prefer the 5-3 suit. In so doing, they show complete misunderstanding of the way that the 5-3 suit can furnished discards of losers if the 4-4 suit is trump, whereas the 4-4 suit can furnish no discards if the 5-3 suit is trump.



(Dealer: West. North-South vulnerable.)

West	North	East	South
Pass	1 ♥	Pass	2 ♠
Pass	2 ♥	Pass	3 ♣
Pass	4 ♦	Pass	5 ♥
Pass	6 ♦		

This deal's expert handling was one factor which helped two brilliant New York lawyers, S. Garton Churchill and Cecil Head, win the Masters Pair Championship in the greatest national tournament of the American Contract Bridge League held in Chicago recently.

Following early bidding in which the bids and rebids of the partners indicated their measure of general strength, Mr. Head in the North emphatically proclaimed his diamond fit with that jump from 3-Clubs to 4-Diamonds. Mr. Churchill then announced his three-card support of the rebid hearts, whereupon Mr. Head made the deciding call by selecting diamonds as the spot for small slam.

It will readily be seen that, with diamonds as trumps, two clubs could be thrown on the hearts. Where hearts were trumps, no losers could be discarded on diamonds. This fine pair lost no tricks therefore except one to the ace of trumps. Consequently they beat everybody who tried the deal in hearts, whether in slam or less, as in that contract the declarer had to lose two tricks, one in each minor.

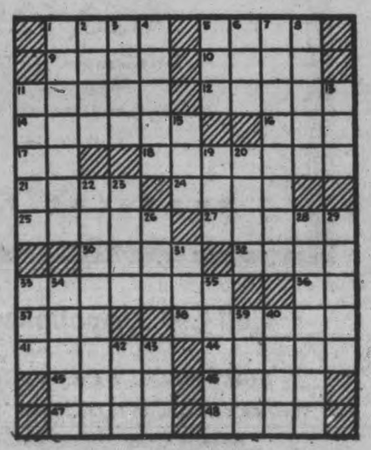
Yesterday's Answer



100 Children March In Parade

MILLBROOK, Sept. 9—(ENS)—Most popular feature of the street carnival on Labor Day and sponsored by the Lions Club, was the parade, headed by the band, which started off the evening's program. One hundred children took part, under the direction of H. V. Kent, and prizes were given for the best costume, best decorated bicycle and wagons. Parents' interest was evident in the amount of work expended on costumes and decorations. The judges were J. H. Barringer and R. Ridge.

Winning all hearts with her dainty costume of green and gold, and her doll carriage to match, frist prize in this class went to Gloria Smith, daughter of Mr. and Mrs. Russel Smith, and the second to Carol Hawkins. Glen Fallis, son of Mr. and Mrs. Arnold Fallis, in red and gold with his tricycle to match, had first place in this section. Eleanor Crowley, in white and blue, came second. Glenna Sloan, with her wagon bearing the words, "our daily bread," a loaf beind laid on the miniature table round which the family of dolls was seated, was placed first in this class. Wayne Raper, drawing a fine 'covered wagon,' took second standing.

Peter Crowley came first with boys' best decorated bicycle, and in the girls' section, Lena Marie Lowery in color scheme of red, white and blue, and Helen Wright, were the prize winners, the latter a dainty sea nymph in green, with wheel in green and white. Winners for best fancy costumes were June Blair and June Rowe, and Johnny Bredin, with tiny covered wagon, was given special mention.

Lady Lions served an abundant supper in the waiting room, and also had charge of the booths on the grounds in the afternoon, and in front of the Armories at night. Bingo was played in the Armories.

Many donated articles, including clothing, fresh vegetables, pictures, books and china, were auctioned off by James Roddy, and completing the night program was the street dance.

The draw for the table lamp and electric iron, on which tickets had been sold by the Daughters of Cavan, LOBA, for their building fund, resulting in the former going to Allie Sloan, and the iron to Mrs. Fred Coulter. Marguerite Hancock made the draw, and Jean Fisher expressed the thanks of the lodge.

In the afternoon three exhibition games of hardball were played at the fair grounds, the first between Janetville and Millbrook, with a score of 11-2. Blackstock then played Yelverton, score 5-2. Final play-off was between the winners, Blackstock and Janetville, with the score of 6-1.

Umpires were McGill, Janetville; Dr. J. W. Wright, Millbrook; W. F. Skitch, Millbrook, and Brenton Dawson, Peterborough. It is expected that at least $400 will be the net profit. All money will be used for community betterment.

HARVEST ON THE WIDE PRAIRIE grain fields is in full swing again, and there is a wide variety of methods used to gather in the crop. The binder in the above photo is fast disappearing, although there are many still at work this fall, owing to a shortage of more modern machinery. The binder calls for more labor than the modern combine harvester, since sheaves must be stooked and threshed after they are tied up by the binder.

Paudash Lake News

Mr. and Mrs. Earl Stark and daughter Suzanne accompanied by Mrs. Stark Sr., all of Toronto, were weekend visitors at their cottage.

Mr. and Mrs. Fred Silk of Orangeville renewed old acquaintances around the lake during the past week. They were accompanied by Mr. and Mrs. Roy Jenkins.

Mr. and Mrs. David Lennox, Mrs. Roy Wemp and Mr. George Lennox, all of London, are spending three weeks at the Wemp cottage.

Mr. and Mrs. Harry Abrams and daughter, Mrs. James Dunn and little son Jimmy have returned to New York.

Mr. and Mrs. James Dalley and Mr. and Mrs. Albert Dalley have returned to Toronto after spending the summer at their cottage

Mr. and Mrs. David Clement and son Jim spent the weekend at their cottage.

Mr. and Mrs. Thos. Hassall of Toronto spent the weekend at "Sunset Lodge".

Mr. and Mrs. Archie Robinson and children accompanied by the latter's father, Mr. Robt. Jackson have reurned to Toronto after spending the summer at their cottage.

Miss Claire George of Youngstown, Ohio, has returned to take up classroom duties after another happy summer at Paudash Lake.

Mr. and Mrs. Garfield Hogan and son Murray were recent visitors at the home of the latter's parents, Mr. and Mrs. Bruce Gould.

Mr. and Mrs. Clifford Wood of Toronto, the former Helen Anderson, and son, spent a recent holiday at the Wilson cottage.

UNIVERSAL WORD

"Taboo," meaning forbidden, is a Polynesian term for which equivalents can be quoted from most savage vocabularies.

Guns Knocked Out Of Order Not Gremlins, Kids At Ex

TORONTO, Sept. 9 — (CP) — Somewhat ruefully, the Canadian Army today took stock of its first big attempt to let its hair down with its public.

"Kids" said Bombardier Percy Firth of Brantford, gazing reflectively at his 15-ton gun. "They've put this gun out of order. They're just like gremlins—get into places you'd never think possible."

He had discovered that the public — especially children — loves to handle army equipment. They're getting the opportunity at the Canadian National Exhibition, where more than $1,000,000 worth of service material from a mobile dental clinic to a Bailey bridge is on display.

It's part of the new army policy at these public demonstrations of letting anyone swing a Bofors ack-ack gun or handle the grips of a machine gun, explained Maj. Terry Goulding of Toronto, public relations officer of central command.

But this meet-your-army spirit sometimes is hard on the equipment.

"Children's Day was the worst," said Bdn. Firth. "Just look at that gun. You'd wonder how they could do it. These danged kids somehow got at the tap which allowed the hydraulic fluid to escape. The result is, the gun had to be locked—she'd jam up on the recoil without oil."

"Why some of those kids are smarter than the grown-ups," said Ben Klassen. "One 10-year-old came up and asked about the missing dial sight on the 5.5. Said he guessed I'd taken it off because of the souvenir hunters. There usually is one on a gun of this type, but I hadn't noticed it wasn't there. How on earth did he know that?"

Douro News

Honoring her cousin Miss Margaret Ryan, a bride-elect of this month, Mrs. Dan Dwyer entertained at a miscellaneous shower on Monday. An address was read by Mrs. Victor Kennedy and Lucille and Veronica Dwyer carried in the gifts. Lunch was served by Mrs. Dwyer and helpers.

Mr. and Mrs. Don McGregor and children of Bethany visited at the Carveth and Forsythe homes on Sunday.

Mr. and Mrs. Elmer Cunnings and children and Mr. and Mrs. F. Girard of Peterborough were Sunday guests of Mr. and Mrs. Lloyd Peterson.

Miss Kathleen Cavanagh of Toronto, Mrs. Stanley Farley, son Roy, and daughter Alma visited Mr. and Mrs. Thomas Forsythe on Wednesday.

Joseph and Dennis O'Leary and George Morrissey, Downeyville, and Kevin Leahy and John Devlin of Douro motored to New York where they spent a few days.

Mrs. F. D. Leahy and sons Leo and Philip spent the week-end with Mr. and Mrs. Shannon and family of Plainfield.

Miss Mary Moher daughter of Mr. and Mrs. James Moher started three year's training course at St. Joseph's Hospital, Peterborough, last Monday.

Mr. and Mrs. Bernard Brady (nee Irene Condon) and son of Detroit who have been visiting Mr and Mrs. Ted Arbor at their cottage at Lakefield visited Mr. and Mrs. Dan Dwyer on Sunday.

Miss Helen Sheehan is visiting Miss Betty Strano of Peterboro for a few days.

Mrs. Joseph Sheehan spent a few days with her parents and other relatives in Toronto.

Miss Margaret O'Grady of Peterborough visited Mr. and Mrs. John B. Condon for a few days recently.

Mr. and Mrs. Patrick Cavanagh and Anna have moved to their new home on the farm recently owned by Mr. and Mrs. William O'Brien.

Mr. and Mrs. Thomas Cavanagh have returned from their honeymoon and are residing on the farm where his parents had lived.

Honoring Miss Marjorie Ayotte, a September bride-elect, Mrs. James Moher (jr.) entertained the ladies of S. S. No. 7 on Thursday evening at a miscellaneous shower. Progressive euchre was played. High score winners were Mrs. Mastai Moher and Mrs. F. D. Leahy. Low score winners Mrs. Frank Sullivan and Miss. Marjorie Ayotte. An address was read by Mrs. Frank Towns and the gifts were presented by Mrs. James Moher, Mrs. Dan Dwyer, Mrs. Frank Heffernan and Mrs. Charles Towns.

The Sodality of St. Joseph's met at the home of the Miss Cecelia Towns on Friday to present a set of enamel kitchen ware to one of their members who is to be married this month. An address was read by Miss Cecelia Towns and the presentation was made by Misses Marie Leahy and Teresa Moher.

Two Burwash Prisoners Shot By Guard During Escape Attempt

Report Neither Man Seriously Wounded By Shotgun Pellets; Guards Formed Ring Around Men On Road

TORONTO, Sept. 10—(CP).—Two unidentified prisoners at Burwash Industrial Farm near Sudbury were shot and wounded by a prison guard during an escape attempt Tuesday, it was learned today. A prisoners who was released yesterday from the provincial institution said he understood the men were hit with shotgun pellets while trying to escape from a road-working gang. He said the prisoner-workers were surrounded by a "picket line" of guards.

C. F. Neelands, Deputy Minister of Reform Institutions, said today that neither prisoner was seriously wounded. One was reportedly shot in the head and the other in the leg.

Mr. Neelands declined to release the names of the prisoners, who now are in the jail hospital.

The prisoner who was released Thursday said here the guards had formed a ring around the prisoners working on the road, and the men made a bolt to get out and one guard fired a shotgun.

Mr. Neelands said the guard fired to prevent the men escaping into the bush.

Last October prisoners rioted at Burwash and a special commission after several hearings recommended changes in the prison staff. Last month Ralph Ayers, who rose from a guard at the jail to become superintendent, was replaced following escape of five prisoners, some of whom are still at large.

Call Emergency Session Over TLC Split

OTTAWA, Sept. 10 (CP) — A split in the ranks of the Trades and Labor Congress of Canada over the issue of Communism brought the executive of that 370,000-member organization together today in an emergency session.

The seven-man executive of the Congress went into session at national headquarters here to consider "action of some kind" over a major deviation from T.L.C. policy by a group of 32 high-ranking officers of unions within the Congress.

The officers' diversion from Congress policy consisted in forming themselves into a bloc to battle Communism in the T.L.C. and in endorsing last week's merger of the Seafarers' Inernational Union (AFL) and the Canadian Lake Seamen's Union.

Frank Hall, vice-president of the Brotherhood of Railway and Steamship Clerks, engineered the SIU-CLSU amalgamation, thereby colliding head-on with the Congress' policy of giving support to the CSU in its battle for recognition by several Great Lakes shipping companies.

When his action was endorsed by officers of 23 Congress unions at a meeting here last week, President Percy Bengough of the TLC called today's executive session to consider action of the matter.

Officials who endorsed the anti-CSU merger were made up largely of vice-presidents and other top officials of Congress unions that included 15 Railway unions and other trades including building unions, paper workers, teamsters, hotel and restaurant employees, metal workers and shipyard employees.

Thugs Take Safe From Post Office

OSHAWA, Sept. 10.—(CP) — A safe containing $1,239 in stamps, $341 cash and 1,000 negotiable blank money orders was stolen from the post office at nearby Port Perry during the night, police reported today.

Officers said the thieves broke into the building through a rear window and apparently carried the safe away in an automobile.

"Spooky," a cocker spaniel dog, woke the whole neighborhood with his barking about 2.30 a.m. While he was questioned, the thieves made their get-away, police said.

Queuille Will Head French Government

PARIS, Sept. 10.— (AP).— De Gaullists in the National Assembly promised their votes to Henri Queuille today, virtually assuring him confirmation as premier.

The development came as Queueille, a Radical Socialist (Conservative) prepared to ask the Assembly to approve him as head of thet fifth French government since January, 1947, and the 14th since the liberation.

Queuille announced his acceptance of the premiership Thursday night, only a few hours before a spokesman for Gen. Charles de Gaulle issued a statement demanding new general elections.

The election call was the first made by the Rightist de Gaullists during a cabinet crisis.

Gun-Toting Bandits Kidnap, Rob Cabbie

TORONTO, Sept. 10.—(CP).—Three gun-toting bandits early today robbed taximan Nathan Borenstein of $50, forced him to get out in a North Toronto park and sped away in his car.

Borenstein said he picked up "three fares" at the downtown Queen-Yonge intersection and was asked to drive them to a central address. Near the destination one of the trio, sitting beside Borenstein, shoved a revolver in the taxi driver's ribs. A second gun was shoved into the back of his neck and he was ordered into the back seat.

The cab was driven to the park where Borenstein's pockets were emptied as he offered no resistance.

The automobile was later found abandoned on a West Toronto street.

Two Men Involved

WINDSOR, Sept. 10 (CP) — Crown Attorney E. C. Avery agreed today with defence counsel James Clark's suggestion that more than one man took part in the murder of Reinder (Dutch) Kuindersma, 21. The statement was made shortly before the case of John Tarcea, 22, charged with the murder of the former boarder at his home, was scheduled to go before a supreme court jury.

Actress' Condition Critical Believe Hit By Hair Drier

HOLLYWOOD, Sept. 10—(AP)—Blonde Rita Johnson, once considered as a successor to the late movie star, Jean Harlow, is in critical condition today with a brain injury suffered mysteriously four days ago.

The 35-year-old film actress Thursday night underwent delicate surgery in which three specialists removed a blood clot pressing on her brain. She was under anesthetic 3½ hours at St. Vincent's hospital in Los Angeles. Thereafter her condition was reported slightly improved.

The known circumstances were given reporters by Miss Johnson's friend, actress Mary Ainslee. She related that:

Monday afternoon Miss Johnson telephoned to say she would be a little late for a cocktail party because she was washing her hair. Miss Ainslee called at Miss Johnson's apartment about 6 p.m. to take her to the party.

Miss Johnson greeted Miss Ainslee by saying, "I bumped my head. It hurts terribly."

Miss Johnson then partially collapsed. Miss Ainslee helped her to bed and called a doctor. Miss Johnson lapsed into unconsciousness before saying how she was injured.

Miss Ainslee said she was unable to get an ambulance and called in her own physician, Dr. Phillip Erenberg, that evening.

Then Miss Johnson's physician, Dr. Lee Siegel, was called and a nurse placed in attendance. Dr. Siegel said Miss Johnson had a large lump on her head, a bruised lip and was suffering from brain concussion.

A maid offered a possible clue to the mystery, saying a hair-drier in Miss Johnson's apartment had slipped before and might have again, striking the actress on the head. Dr. Siegel reported finding the drier resting on a chair behind which it stood.

Quits Commission

OTTAWA, Sept. 10—(CP).—J. W. Buckley, secretary-treasurer of the Trades and Labor Congress, today announced his resignation from the advisory committee of the Canadian Maritime Commission charging labor is not being truly represented. In a letter to E. S. Brand, executive director of the commission, Mr. Buckley said: "As a representative of organized labor I cannot conscientiously or with decency be associated with or party to a so-called advisory committee, apparently instituted and operated in the interests of employees and to fool the working people."

Water Heaters Cut Off For Seven Hours

Ross L. Dobbin, manager of Peterborough Utilities Commission, said today that the local flat rate automatic hot water heaters were cut out of use seven hours Thursday, from noon to 7 p.m.

"We have to follow telephone orders from the Hydro-Electric Commission," Mr. Dobbin explained. "We have had no word from them today. Any suspension of this electric service will depend on the weather and the general use of electricity. With the sun shining today, there was less consumption of electric power.

Hamilton's hot water heaters are on a different system from ours. Ours is separately wired. Theirs is not. We can cut off the hot water heaters whenever the conditions require that saving of power. That fact is known to Hydro, and we have to follow their directions. We do not know what the order from Toronto may be on any day. Our contract with consumers permits a 10% cut amounting to 72 hours in a month. Generally, it has been no more than an hour a day except Saturdays and Sundays."

Mr. Dobbin emphasized the fact that Peterborough is one of the many muncipalities which have the separate cut-off arrangement for hot water heaters. Utilities Commission will have to comply with the Hydro directions any time when heaters are ordered to be cut off.

No Reduction Today

TORONTO, Sept. 10 — (CP). — With skies generally sunny in Ontario today, the Ontario Hydro Commission said it did not believe that any municipalities had cut off service to automatic water heaters, as was done yesterday in some places where dull skies added to the power load for lighting.

The individual cuts yesterday were permitted because the commission was using every means possible to conserve power pending province-wide restrictions that go into effect at midnight Monday night.

The Hydro Commission today corrected what it said was an erroneous interpretation of the regulations effective next week. Not all electric heaters are to be

WATER HEATERS

Mayor's Son Bailed In Fatality

John Hontoon, 61 Of Lindsay Killed In Smashup

LINDSAY, Sept. 10 (Special)—John Hontoon, 61, a laborer employed by the Lindsay Board of Works, was instantly killed on Thursday afternoon when a car in which he was riding smashed against a fence and rolled over twice.

Another occupant of the car, Douglas Lamb, 26, of Lindsay, son of Lindsay Mayor Charles Lamb, appeared in court this morning, and was remanded for one week on charges of drunk and dangerous driving and manslaughter. He was released on $4,000 bail. No plea was entered.

Murray Speers, Lindsay, who was also a passenger in the car at the time of the fatality, pleaded guilty to being drunk in public and was find $15.

The accident happened about 3:30 p.m. Thursday at the outskirts of Lindsay on the Bobcaygeon Highway, north of the town.

Blame Fourth Man

According to police, both accused have denied being at the wheel when the accident happened. Lamb and Speers, both of whom spent the night in Lindsay jail, allege that a fourth man was to blame. Neither of them was hurt.

The car, which was badly smashed, is owned by Joe Lewis, who was not in the car. It shot off the highway, crossed it again and landed against a fence after rolling over towards it.

Israel Rejects Demilitarization

TEL AVIV, Sept. 10 — (CP). — Reliable informants reported Thursday that Israel has rejected proposals for gradual broadening of demilitarization of Jerusalem.

The proposals were made by Count Folke Bernadotte, U.N. mediator, who conferred with the Israeli Foreign Minister, Moshe Shertok, Thursday After the meeting Count Bernadotte flew to Rhodes to work on his report to the U.N. Security Council on his mediation and the truce. The report may be finished next week.

Count Bernadotte said there has been some progress toward peace but did not amplify his statement and gave no indication of the content of his report.

In Amman, Trans-Jordan, the Arab Legion claimed that Jews opened fire with mortars, small arms and grenades on the Mount Zion and Abu Tor sectors of Jerusalem during the night.

TUC Defeats Purge Criticism

LONDON, Sept. 10 (CP)—The Trades Union Congress today defeated by a narrow margin a resolution criticizing government procedure in purging Communists from the United Kingdom Civil Service.

Sponsored by the Association of Civil Service Designers and Draughtsmen, the resolution threw the convention into a bitter, noisy two-hour debate which president Florence Hancock sometimes had difficulty controlling.

Charges of "political prejudice" and "betrayal" of trade union rights were made by some delegates. The resolution was defeated by a vote of 3,841,000 against 3,467,000, smallest majority of the entire five-day convention. (The vote is tabulated by union membership, not by the number of delegates voting.)

Some trade unions wanted the right to direct defence of the accused before government tribunals. But opponents said many union leaders were Communists and such an arrangement would put them in a position to learn how the government collected information about Communists in the United Kingdom. This would be prejudicial to the state.

Will March To War India Warns Nizam

Demand Indian Troops Be Re-Admitted To Hyderabad To Keep Order

NEW DELHI, — (Reuters).—Prime Minister Nehru of India declared today "we march" when asked what the Hindu dominion would do if the Moslem Nizam of Hyderabad turned down India's demand to readmit Indian troops to the former British military cantonment at Secunderabad, near Hyderabad city.

"With great regret, we shall still occupy Secunderabad," the prime minister told reporters. He said there were no Indian troops in Hyderabad state at present.

Pandit Nehru said the Nizam had not yet replied to the government's note which asked "for the last time" to disband the militant Moslem Razakars, but an acknowledgement had been received and there was a hint of a future reply.

"We do not expect an easy march to Secunderabad," he told a press conference.

The Nizam of the big, South Central state is a Moslem and has refused to accede his land to India. The people are mainly Hindu. All Hyderabad is surrounded by Indian Dominion territory.

India has asked the Nizam to facilitate posting of Indian troops at Secunderabad, asserting conditions have deteriorated in the state.

Nehru said the Nizam has acknowledged his letter and promised to reply.

(The Pakistan foreign minister Sir Mohammed Zahrullah Khan, said in Karachi Thursday night India is threatening Hyderabad with open aggression. He said India's "might is right" policy in Hyderabad would plunge the sub-continent into another communal bloodbath.)

Nehru said no time limit has been placed on the entry of Indian troops into Secunderabad.

"We are not going in to help the Nizam against his people, but to restore order."

The first batch of 17 British evacuees from Hyderabad reached Madras airport today in a special York plane of the British Overseas Airways corporation.

Russ Troops Fire On Crowd

BERLIN, Sept. 10—(AP).—Bloody street fighting in blockaded, divided Berlin sharpened fears today settlement of the German crisis may become impossible. Allied sources voiced open concern mounting incidents between Communist and anti-Communist Germans might pile up a point where four-power negotiations now being held on the Berlin stalemate might break down completely.

Thursday night's street fighting between Berlin civilians and Russian troops, supported by Soviet-zone German police, cost the life of one German youth and injuries to at least 22 other Germans, police reports said.

The clashes occurred near the historic Brandenburger gate, which marks the division of Berlin into east and west, after 200,000 Germans had demonstrated in a nearby square against the Communist drive for power over the city.

Hurl Rocks at Reds

Crowds hurled rocks at three Russian soldiers in a jeep and at Russian-controlled police.

Russian military police and their German colleagues fired into the throngs of anti-Communist demonstrators.

British-sector police headquarters said Fritz Schuermann, 16, died from gunfire wounds while en route to hospital. They said six other injured civilians, including three with bullet wounds, are in British-sector hospitals.

The deputy police chief of the Soviet sector said five of his men were injured, one severely.

Blame Fascists

The Communist press claimed the demonstration was directed against the Soviet military administration. It carried a veiled hint of Russian reaction, and renewed demands for ousting the elected anti-Communist city government.

Dusting off their best invective, the Communist papers blamed "Fascist rowdies" for the riot.

The Communist-dominated Socialist United Party (S.E.D.) called on Berliners to turn a Communist-organized mass meeting Sunday into a counter-demonstration.

Allied observers said they felt the outbreak by anti-Communists resulted from a sudden outburst of pent-up emotions.

Thursday night's affray was the second shooting incident in Berlin's current crisis. The other occurred Aug. 20 when Russian-sector police fired upon German civilians who stoned them during a black-market raid in downtown Potsdamer Platz, which also is on the boundary line splitting east and west.

Military observers said they

RUSS TROOPS

13,000 Filipinos Fleeing By Ship From Volcano

MANILA, Sept. 10—(AP).—Deadly gases poured again tonight from erupting Hibokhibok volcano on Camiguin Island as about 13,000 Filipinos huddled in two southeastern ports awaiting rescue by ship. The Philippine coast guard cutter Anemone messaged briefly that all towns on the Tine Southern Island were deserted except two on the southern end. Both, the cutter said, were jammed with refugees threatened by chlorine gas emitted by the volcano in its 10th consecutive day of eruptions.

The Anemone said there were increasing volcanic explosions from the mile-high mountain during the night.

Brief messages from Camiguin tonight failed to say how many of the islanders were removed today but conservative estimates here placed them at about 1,000.

Word that all of the Filipinos still on the island were safe as late as 7 p.m. came from volcanologist Arturo Alcaraz, who, 18 hours earlier, broadcast an urgent appeal for ships to take off the inhabitants as the poisonous gases started spewing from the volcano.

Alcaraz' message said:

"The volcano emitted heavy smoke about 7 p.m. yesterday with traces of halogen gas, possibly chlorine, detected. I considered the situation serious enough to warrant extreme precautionary measures. Ash particles were acidic and the air had a yellowish tinge during the activity. There were no casualties from last night's activity."

Alcaraz's appeal for a mass evacuation of the island came unexpectedly. The volcano had subsided Thursday. Some refugees

Police Shoot Boy 14 Crouched In Trunk

DETROIT, Sept. 10 — (CP). — The police shooting of a 14-year-old boy crouched in the closed trunk of a speeding coupe shortly after midnight was under investigation today. The boy, who was dead on arrival at receiving hospital, was James R. Olsen, an eighth grade student at St. David's School.

Police were holding for investigation three older youths, all of whom, they said, had been drinking. Prosecutor James N. McNally said he would further question patrolman Charles Dunavan, of Schaefer Station who fired the fatal shot. Dunavan's shots ended the chase, at speeds of 50 to 75 miles an hour, which started on Grand River Avenue, main cross-town thoroughfare.

Fake Passport Ring Working In Montreal

MONTREAL, Sept. 10—(CP).—Federal authorities in Montreal said today they are convinced a large ring dealing in fake passports is operating in Quebec province, working with a ring believed to be in France.

At the same time it was learned immigration officials are holding Antoni Rendak, a Polish bacteriologist, who arrived here on Tuesday on the cargo liner Ida Bakke, for alleged passport irregularities.

Name Pearson To Handle St. Laurent Job

OTTAWA, Sept. 10.—(CP). — Appointment of L. B. Pearson, Under-Secretary of State for External Affairs, to cabinet status as Minister of External Affairs is expected to be announced this afternoon by Prime Minister Mackenzie King.

Authoritative sources confirmed thta "one cabinet change" is to be announced shortly.

A meeting of the full cabinet has been called for 3 p.m. EDT and Mr. King there is expected to acquaint his colleagues with Mr. Pearson's acceptance of the post.

The meeting likely will be short and Mr. King then will drive with Mr. Pearson to Government House, where he will be sworn into the Cabinet by the Governor-General.

Later, Mr. King will call a press conference and make the formal announcement.

Robertson Slated

There was a suggestion that Mr. King also would announce the appointment of Norman Robertson, now Canadian High Commissioner to the United Kingdom, as Mr. Pearson's successor in the External Affair Department.

Mr. Robertson, who formerly was the Departmental Under-secretary, came to Ottawa last week-end from London on what he termed a brief holiday. However, informed quarters suggested his visit had more significance than that.

If Mr. Robertson receives the suggested appointment, Mr. King also will have to designate a new High Commissioner to Britain.

Believe Former RCAF Pilots Flew Off In Mystery Planes

LONDON, Sept. 10 —(CP)— Canadian-built planes manned by former R.C.A.F. fliers today were reported linked indirectly with Britain's "mystery of the missing aircraft."

The Daily Telegraph in a Paris dispatch says Norsemen planes of Canadian manufacture are understood to have taken off for the Middle East recently from an airfield near Paris.

"Their pilots," the paper added, "were said to be former members of the R.C.A.F."

Other Paris reports said four former R.A.F. Beaufighters which "vanished" from Britain six weeks ago flew to France about that time, en route to the Middle East.

London newspapers generally speculated the Beaufighters are already in Palestine.

The case of the missing Beaufighters first broke into the news Thursday when the ministry ruefully admitted four had been missing since Aug. 2. The ministry said it had been "fairly bamboozled" by a smooth-talking South African who said he wanted the planes for a documentary film on Britain's air effort.

The South African, identified as Eric Farnfield, produced £15,000 ($60,000) in 5 pound notes to pay for the planes. Forty screen extras were hired and scenes were shot for a week at an airfield in Buckinghamshire.

Then the shooting stopped and the planes vanished. So did Farnfield.

Today it was revealed that another plane is missing. Group Capt. G. L. Cheshire, V. C., the owner, disclosed that he sold a Mosquito to a man identified as Harold White. Neither the Mosquito nor White can be located now.

Workers Met To Vote On Wage Offer

Shop Union Steward Of Outboard Marine Says 600 Men Involved

Charges that "organized hoodlums" broke up a union meeting at the Legion Hall on Murray St. here Thursday night were made today by Lionel Edmunds, Outmarine shop union official. Widely contrasting stories of a meeting of the Outboard Marine independent union were tossed around the city. Mr. Edmunds, chairman of the shop union negotiating committee at the plant stated that the meeting broke up in wild disorder following a free-for-all involving an estimated 600 men.

Edmunds charge that "organized hoodlums from the United Electrical Workers tried to upset a union vote we were taking and when I told them we wanted no Communists in our factory, the fight started."

The actual occurrence or non-occurrence of "the fight" described by Edmunds is the subject of completely opposite versions. Police Constable Louis Rodregue was puzzled to hear of the tales of the 600-man hour-long battle alleged by Edmunds.

No Disorders Say Police

"We broke up a fight between two men at the back of the Legion Hall last night. They were the only ones involved. I think they came from a union meeting being held in the hall. There certainly wasn't any crowd around—maybe two other men watching them. We checked after we took one of the men to the doctor, and there was nothing disorderly going on."

(The story containing Edmunds' story of the free-for-all were carried by The Canadian Press from Toronto sources.)

The meeting was called to ratify the company's latest wage offer. Charges of Communism and marked ballots were included in the story given by Edmunds.

No vote was taken.

The report of a "free-for-all" breaking up the meeting was denied by Police Chief John Thompson, who also said only two men were involved in a fist fight.

Edmunds, who told of the fight, said he did not see any wild outbreak of fighting personally. Nor did any pro-UEW unionists see it.

WORKERS MET

Jackson Appeals Halt To Raids

TORONTO, Sept. 10—(CP).—C. S. Jackson, Canadian director of the United Electrical Workers (CIO) today telegraphed Pat Conroy, secretary-treasurer of the Canadian Congress of Labor at Ottawa, asking that he step in to halt "the raiding practices" of the United Steelworkers of America against the Electrical Workers. Both unions are affiliates of the CCL-CIO.

His appeal was in connection with action of the St. Catharines local of the UEW, which on Wednesday night voted to switch affiliation to the Steelworkers' Union.

Jackson charged "little more than 10 per cent" of the English Electric Company membership attended the St. Catharines meeting which voted to switch to the USWA.

Believe Killer's Body Found Floating In Bay

KINGSTON, Jamaica, Sept. 10 — (CP). — Killer Ivan Martin's time had apparently run out today.

What was believed to be the body of the gunman who shot three persons to death and wounded seven others in a reign of terror a week ago was found floating in Hunt's Bay near here Thursday night.

Police continued their efforts at identification today. They said they believed Martin had been wounded in the hip and shoulder Aug. 31 while shooting his way out of a police trap.

U.S. Prepared For Attack In Northern Areas, Protective Measures Taken

Says Canada Overlooks Important Defence Ignoring Survey Of Labrador Coast; States Spends 15 Million On Military Bases

SYDNEY, NS, Sept. 10—(CP).—The United States "is getting ready in the north" for any possible foreign attack, Cmdr. Donald B. MacMillan said here Thursday as he landed back in his ship, the Bowdoin, from his 27th voyage to the Arctic. He said "protective measures" were being taken in Greenland, where the United States has spent $15,000,000 on bases, and information on polar regions valuable to the defence of North America was constantly being gathered.

The 73-year-old explorer, scheduled to sail for his home port of Boothbay Harbor, Me., today, said he made 1,000 soundings of northern waters for the US hydrographic office.

MacMillan said the U.S. had spent more than $1,000,000 surveying the Arctic but Canada had allowed 300 miles of Labrador coast to go unexplored. He added:

Canada Overlooks

"Not a single sounding has ever been taken by Canada, nor any survey made in a region which might well figure in the next war which is bound to come."

The Bowdoin got within 660 miles of the North Pole when a solid mass of ice brought it up short. MacMillan said he believed the Bowdoin could have punched its way another 300 miles if there had been time.

The Bowdoin was based at Refugee Harbor on Kane Basin where in 1947 it was trapped in the ice for a year and where previously MacMillan and a radio operator had been stranded for four years.

The Bowdoin's crew of 16 included Mariam MacMillan, wife of skipper Mac. Veteran of five trips to the Arctic, she handles the port watch and takes her turn at the wheel. His first book will appear next week.

Falls Off Barn Roof Cambray Farmer Dies

LINDSAY, Sept. 10 — (CP). — Jack Parsons, 24, of Cambray, died Wednesday night in Ross Memorial Hospital here, 12 hours after falling from the roof of his barn.

The young farmer was just finishing off the last few shingles on the roof of a new barn when he slipped and fell to the ground. He suffered a fractured skull and arm.

ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

Stop Bandit Stealing Fuel

Do you keep a bandit in your basement? A furnace that takes all your fuel and never seems to give enough heat? Chances are there's nothing wrong with your furnace—home insulation is the answer to your problem! Thousands of Canadians have discovered the benefits of Johns Manville Rock Wool Home Insulation. They find it not only keeps their homes snug and warm — free from wintry draughts—but actually saves them up to 30 percent on fuel during the heating season. You see, J-M Rock Wool forms a barrier to stop heat leaks—ensures you full benefit from the fuel you burn. And, in this way actually pays for itself in a very few years.

Get the facts and free folder on J-M Rock Wool from your nearest J-M dealer, or contact, Canadian Johns-Manville, 199 Bay St., Toronto.

Yugoslavs Lose 20 During Raid

ATHENS, Sept. 10 — (AP). — The government announced today 20 Yugoslav soldiers were killed by Greek troops when a Yugoslav force entered Greece with Communist rebels two days ago.

War Minister George Stratos, who Thursday night appealed for international intervention to prevent a general conflagration in the Balkans, previously had put the number of dead Yugoslav soldiers at nine.

Today's war bulletin said three of the 20 were officers. Three others were taken prisoner and interrogated by members of the United Nations Commission on the Balkans.

The communique reported little new action on the battlefront, listing only harassing activity in the Vitsi Triangle, where Communist leader Markos Vafiades is holding a tiny slice of his "free Greece."

Peterborough Hogs, Grain And Produce

FRIDAY, SEPTEMBER 10.

Hog quotations $32.40 plus transportation.

Sow quotations $23.00 plus transportation.

Water Heaters

Continued from Page 1

cut off.

The regulation sets forth that unless water heaters are equipped with thermostatic control, installed on tanks which are thermally insulated, no power will be supplied for water heaters that are installed or replaced after No. 1.

In other words, water heaters installed after Nov. 1 must conform to the thermostatic requirements.

The Weather

Peterborough Temperatures:

Today:
Night low..49 Noon ...67

Yesterday:
Highest....67 Lowest..60

One Year Ago:
Highest....82 Lowest..61

Sun—Rises at 6:51; Sets at 7:38

With night-time cooling under clear skies temperatures dropped to near fifty degrees over most of Ontario this morning. Daytime heating readings will rise to near the seasonable seventies during the afternoon, today and Saturday. Although showers are anticipated this afternoon, more sunshine than cloud is expected for Saturday as drier air from the west over the southern half of the province. Northern Ontario will be cloudy both days.

Forecasts:

Sudbury, Lake Erie, Lake Huron, Lake Ontario, Niagara, Georgian Bay, Haliburton, southern Kirkland Lake and southern White River regions — Cloudy today. Scattered showers and isolated thunderstorms this afternoon and this evening. Saturday mostly clear with variable cloudiness during the afternoon. Not much change in temperature. Winds light.

Summary for Sunday: Mostly clear.

WEEDS

NOTICE is hereby given to all occupants and owners of property within the City of Peterborough that the provisions of the Weed Control Act will be rigidly enforced.

Section 4 of the Weed Control Act states: "Every occupant of land or if the land is unoccupied the owner shall destroy all weeds designated noxious by the Regulations as often in every year as is sufficient to prevent the ripening of their seed."

Occupants and owners of land are advised to exercise great care in destroying all noxious weeds before they mature seed. If these precautions are not taken, the Weed Inspector may exercise his authority and may enter on property for the purpose of destroying noxious weeds.

The co-operation of everyone is solicited in a general cleanup of noxious weeds.

A. E. CHALMERS,
Weed Inspector.

Sept. 9, 1948

Farmer Income From Produce Shows Big Gain

OTTAWA, Sept. 10.—(CP). — Farmers' cash income from the sale of their produce advanced steadily to a total of $974,212,000 in the first half of 1948 from $732,704,000 in the corresponding period last year and $620,193,000 in 1946, the Bureau of Statistics reported today.

Adding in the supplementary cash payments under the Prairie Farm Assistance Act, the Wheat Acreage Production Act and the Prairie Farm Income Act, the total cash receipts for the first half of this year were $985,572,000 against $742,626,000 in 1947 and $636,244,000 in 1946.

A large share of the increase was attributed to substantial sums paid out in Western Canada by the Canadian Wheat Board in connection with adjusting, participation and final equalization payments on wheat, flaxseed and oats.

During the first six months wheat adjusting and participation payments totalled $125,025,000, while adjusting payments on flaxseed and final equalization payments on oats amounted to $4,684,000 and $3,762,000, respectively.

With the exception of flaxseed, smaller marketings in 1948 have resulted in reduced receipts from sale of grains. Livestock and livestock products were important items contributing to the increase in farmers' cash receipts this year.

While increases in marketings for some classes of livestock were evident, the overall increase in prices was the more important factor. Cash income from this source at $626,751,000 in 1948 compares with $450,279,000 a year ago. It is estimated that hogs were the top contributors to the 1948 total with dairy products a close second.

believed Thursday's display of Russian planes over Berlin was a carefully-planned show designed to impress Europe with Soviet armed might in view of the east-west crisis in Berlin.

Second Infringement

COPENHAGEN, Sept. 10 — (AP). — Russian bombers roared over the Danish island of Bornholm this morning for the second straight day.

A foreign office spokesman said his office "may decide whether Denmark shall lodge a official protest with the Soviet government" when Foreign Minister Gustav Rasmussen returns tomorrow. He is attending a Scandinavian foreign minister's meeting in Stockholm.

Talks To Cabinet

LONDON, Sept. 10 — (CP) — Foreign Secretary Bevin is understood to have given the cabinet today a full statement on the deadlock in the military governors' conference in Berlin and on he steadily deteriorating position in the German capital.

A foreign-office spokesman, meanwhile, said Britain deprecates "the incident in which shots were fired" into the British sector of Berlin.

He told a press conference the British belief was that the bullets which entered the British sector were fired by eastern-sector (Russian-controlled) police.

Obituaries

THOMAS JOSEPH WALLACE

KEENE, Sept. 10. — The death occurred on Thursday after a lengthy illness of Thomas Joseph Wallace, retired principal of the Public School staff, Toronto. Mr. Wallace, a resident of Toronto, has been spending his summers at his summer home on Shanty Shore.

Born in Cobourg 78 years ago, son of Daniel Lawrence Wallace and Mary Tracey, he commenced his teaching career in Keene, then in Peterborough, and for 17 years he was principal of Withrow Public School, Toronto.

There survives his wife, formerly Margaret Miller, one son William Lawrence Wallace, Toronto, three daughters, Mrs. Chas. Elwood (Marjorie), Toronto, Mrs. Albert Horsburgh (Willene), of Montreal, and Mrs. Hugh Wilson (Eleanor) of Cannington, and eight grandchildren.

The body is resting at Mather's Funeral Home until Saturday, at 2 o'clock, when it will be taken to Keene United Church for service at 2:30. Burial will be in Keene Cemetery, with Rev. F. Craik of Peterborough, officiating.

FIRST WOOD GRINDER

In 1886 Alexander Bntin installed at Valleyfield, Que., what is claimed to have been the first wood grinder in America.

MORE ABOUT—

Workers Met

Continued from Page 1

One man, Harold Kendry of Hamilton St. was said to have been injured later in a fist fight outside the Legion Hall where the meeting took place.

According to UE district representative C. R. Sullivan the meeting was called off by officials of the independent union themselves when it was charged that ballots which were handed to the voters were marked.

Charge "it's a Stall"

"The whole thing is part of a stall as they know that our agreement must be ratified by Sept. 30 in order for our retroactive pay clause to become effective."

He charged that the pro-UE members were "organized hoodlums" and said that the meeting was brought to "a point of disorder by UE members and their supporters."

Mr. Sullivan, new district organizer, who was not at the meeting, flatly denied that UE officials were involved in a fight or disorderliness.

'Any disturbance arose out of the undemocratic meeting held by the company union. For many weeks Mr. Edmunds has been encouraging the workers of Outboard Marine to commence organization into the UE-CIO, advising them that their independent union had outlived its usefulness."

"Following the first organization meeting held by the CIO he has worked consistently against the wishes of the workers.... to get them to accept for another year an agreement between the independent union and the company."

Sullivan claimed that as the voters were called forward in alphabetical order to receive their ballots somebody (presumably a scrutineer) had marked the ballots on the back with the man's initials. This was denied by Edmunds who said the only mark on the ballot was the pencilled initials of the particular scrutineer who handed it out.

"This is the regular procedure when we take a vote," he said.

When the meeting opened, the company offer of an increase of 9 cents for piece workers and 11 cents for day workers was read. One union member put forward the motion that office workers should be excluded from the vote on piece and day workers. He was ruled out of order by the chairman, President Earl Davies.

Edmunds explained to The Examiner that according to the constitution of the independent union this is illegal. Both office workers and factory workers vote together.

Another member made the motion that the company offer be rejected. This too was ruled out of order and union officials announced that balloting would begin to accept or reject the management's offer.

The voting had just begun when the trouble over the ballots began.

Independent union officials claim that to their knowledge the only invalid ballot was one that was initialed on the front instead of the back. And they charge that the scrutineer was told to do this by a pro-UE member of the election committee entrusted with the task of supervising ballots and the ballot box.

Commenting on this Mr. Edmunds said: "We have witnesses, whose names we are not prepared to reveal unless absolutely necessary, who heard this man instruct the scrutineer to mark the ballot on the front instead of the back."

"Their purpose was to raise a minor technicality over which they could declare the vote invalid," he said.

Mr. Edmunds had previously denounced the UE, which is attempting to become the bargaining agent. Explaining his stand today he said "After a gist of the new agreement was read to members I told them that it was undesirable for us to be assimilated with a union such as the —— which is Communist dominated.

Asks For "Free Vote"

Sullivan said that a majority of the workers of the plant have joined the UE "and regardless of any trick votes held by the company union the UE will demand recognition of the wishes of the majority."

He asked for a free vote "conducted by the mayor of Peterborough or any other responsible citizen, or by an official of the Ontario Department of Labor."

Edmunds said "Every member will be given this or her democratic right to vote on the subject of ratification here at the plant, at the earliest possible moment where there will not be interruptions by organized hoodlums."

The vote is scheduled to take place this afternoon.

Fine Apsley Man $200 On Liquor Count

Earl Trotter of Apsley was fined $200 and $28.50 costs in court today when he pleaded guilty before Magistrate Philp, to a charge of being in possession of liquor not legally purchased on his permit.

A charge of selling liquor and one of supplying liquor to a minor was withdrawn at the request of the crown. Crown Attorney V. J. McElderry, suggesting a heavy fine on the one charge, said that he had been advised "there is a lot going on around there which is contrary to the Liquor Control Act."

Drew Praises Bishop's Work

TORONTO, Sept. 10 —(CP)— Premier Drew of Ontario today said that "Ontario has lost a truly great citizen" by the death of Most Rev. C. A. Seager, Anglican Bishop of Huron and Metropolitan of Ontario, who died last night at London.

The Premier's tribute:

Ontario has lost a truly great citizen. The death of bishop Seager will bring widespread regret throughout Ontario, not only to the members of his own congregation but to those of every denomination who recognized the great personal qualities which raised him to the position in the Anglican church of Metropolitan of Ontario.

It is particularly unfortunate that he was not given the opportunity to interpret the Lambeth conference from which he had just returned before his death, and to which he devoted so much of his energy and great ability. From every part of Ontario sympathy will be extended to his wife and family.

U.S. Team Leads Tuna Match

WEDGEPORT, N.S., Sept. 10—(CP)—The United States team held the lead at the beginning of the third day of the world's championship tuna match got underway here today.

But right on the tail of the U.S. anglers was the British team, who hold a slight edge in points over the Cubans, defending champions.

The fourth member in his fifth International Tuna Cup match, Argentina, trailed in last place but its members were considered the luckiest of the anglers.

In fish caught, the British and Cubans were tied with four apiece, the Americans had six and the Argentines three. A complicated system of scoring gave the British a shade over Cuba at the end of Thursday's matches.

Tom Wheeler of Toronto, skipper of the British team, started the agile angling that pulled his Anglo-Bermudian-Canuck squad from last place to within nudging distance of the leading team.

Cheese, Produce And Livestock

CHEESE BOARD

KEMPTVILLE, Sept. 10 — (CP). — Boarded: 1,819 boxes white, sold at 30 cents.

CAMPBELLFORD, Sept. 10 — (CP). — Boarded 1,411 boxes white. All sold at 30 1-16 cents.

TORONTO FRUIT

TORONTO, Sept. 10 — (CP). — Wholesale fruit and vegetable prices here today were unchanged with the following exceptions:

Tomatoes, 6 qts., 25-35; 11 qts., 30-50; carrots, hampers, washed, $1.15-$1.25.

BUFFALO LIVESTOCK

BUFFALO, N.Y., Sept. 10 — (AP). — Cattle 350; run mainly dairy type cows and Canadian steers and heifers; one load medium Canadian steers 26.50; beef cows 18.50-20.00; fat dairy 18.50-20.00; bulk good heavyweight sausage bulls 22.00-23.00.

Calves 150; good and choice nearby 33.00-34.00; common and medium 29.00-32.00.

Hogs 325; good and choice 180-240 lbs. 29.00-30.00; sows 300-500 lbs. 23.00-25.00.

Lambs 350.

TORONTO PRODUCE

TORONTO, Sept. 10 — (CP). — Produce prices on the spot market here today follow:

Churning cream unchanged. No. 1 74 cents fob; 78 delivered. Butter prints unchanged. First grade 70½; second grade 69½.

The egg market here today continues firm. Receipts of all grades are ample with the exception of grade A large which have firmed slightly.

Country shippers quoted graded eggs, cases free: grade A large 56; grade A medium 53-54; grade A pullet 35; grade B 41; grade C 36. Wholesale to retail: grade A large 58-59; grade A medium 56-57; grade A pullet 39-40; grade B 45-46; grade C 40-41.

Butter solids are unchanged. First grade 68; second grade 67.

WINNIPEG GRAIN

WINNIPEG, Sept 10 — (CP). — Hedging pressure was on a light scale in dull trade today on the Winnipeg Grain Exchange.

Oats and barley futures found small shipper demand and moderate buying by processors. A few trades in December flax were recorded, but the rye market was not open.

Prices:

Oats: Oct. ⅝ higher at 73⅛; Dec. ⅜ higher at 71⅛; May ¼ higher at 73a.

Barley: Oct. ⅜ lower at 1.01⅛a; Dec. ½ higher at 99⅝; May ½ higher at 1.00⅝a.

Rye: Oct. Dec. May not open.

Flax: Nov. not open; Dec. ½ higher at 4.05½.

Inspections: Wheat this year 756; last year 611; cars of contract 614; oats 153-12; barley 185-217; flax 11-10; rye 58-30; other grains 9-9; total 1,172-1,009.

13,000 Filipinos

Continued from Page 1

actually had started back home.

Alcaraz had warned earlier this week the volcano might spew poisonous gases at any time. Deadly gases killed 1,300 Filipinos during an eruption of Taal volcano near Manila in 1911.

In addition to the menace from the gas, authorities had been worried by the opening of a third crater on the west slope of the mile-high volcano, Mt. Hibokhibok. It was the second formed since the current eruption began.

Blind Swimmer Saves Girl From Drowning

TORONTO, Sept. 10 — (CP). —Guided by the sound of the girl's cries for help, blind Frank Simpkin, 45, Thursday saved Shirley Loveless, 13, from drowning after she had gone under twice while swimming off Ward's Island in the Toronto Bay.

Frank Simpkin, of 265 Pacific Ave., who has been blind since he was 24, was on a picnic with his family and that of Shirley. Shirley was floating on her back and didn't realize how far out she had gone. She went down twice before Simpkin reached her.

"I heard her screaming for help and started swimming toward the sound," he said. "For a moment I seemed to lose the direction, but then I could hear her cry 'Hurry, hurry.' That put me on the track. I told her to lie quiet and towed her in without difficulty to shallower water."

Shirley was taken to a doctor and is in bed at home now, recovering from throat inflammation and shock.

Simpkin saved a life once before when he was 18. At that time he rescued a youth off the coal docks at Port Colborne. Blinded in an electrical explosion, he now runs a news-stand at Dundas and Keele Sts. Shirley expects to help him in the evenings when she recovers, replacing an older girl who has quit.

Son of the late Ald. J. Simpkin of Winnipeg, Frank is father of three children. He swims regularly at the West End "Y" and used to swim with the late Mike Hamburg, blind entrant in the CNE marathons.

Prices Edge Downhill As Trading Slackens

TORONTO, Sept. 10 — (CP) — Prices edged slowly downhill for the third successive day as trading slackened on the stock exchange today. Industrials were easier and golds dipped at noon. Base metals also weakened in mid-session and western oils showed an easier tone in quiet action.

Papers and refining oils dipped on fractional losses in the industrial groupings. Utilities opened on a stronger note but small losses cropped up at mid-session. Steels were also easier while Massey-Harris and Purity Flour Pfd. firmed in the agricultural list.

Golds were holding their own until a slight burst of selling pulled prices down. McIntyre was affected by the selling, dipping 1⅛. Teck-Hughes, another senior, was down 5 cents. Chesterville continued active in the junior list, but weakened two cents. Donalda, Madsen, Negus and Aunor were also easier.

Consolidated Smelters was down a point and International Nickel ¼ in the dull base metals. Falconbridge, Labrador, Steep Rock and East Sullivan eased from 2 to 25 cents.

Cut your meat costs with tender tasty WHOLE-GRAIN OGILVIE OATS

How to serve meat and still balance the budget! That's the problem many mothers face! And it's a problem Ogilvie Oats can help solve. Used in meat loaves, tender, whole-grain Ogilvie Oats add delicious, satisfying flavour . . . and meat goes further, stretches into more portions per pound. Serve Ogilvie Oats alone too . . . as a hot and appetizing morning cereal. They're the finest breakfast oats in the world!

Here's a thrifty main dish!

Delicious Meat Loaf

1¼ pounds chuck steak ground
½ cup Ogilvie Oats
½ teaspoon salt
Dash of pepper
1 onion finely chopped
½ cup potato water

Mix all ingredients in the order given; shape into a firm loaf; bake uncovered on a rack in a baking pan. (Oven temperature 350°F — time 1 hour).

Start their busy day off RIGHT with extra-nourishing Vita-B

More nourishment to the spoonful! That's what your children enjoy when you serve them Vita-B — the special breakfast cereal with the vitamin B content. And how children love it! It's rich, creamy, with a natural whole-grain flavour. Cooks in 3 minutes! Costs very little!

LISTEN TO YOUR OGILVIE REPORTER, Kate ... EVERY MONDAY, WEDNESDAY, FRIDAY, AT 10:30 A.M. E.S.T. STATION CHEX

Wants To See Development Council Begun

TORONTO, Sept. 10 — (CP).—John G. Diefenbaker said to-day he would like to see established a "National Development Council," consisting of Dominion and Provincial representatives of labor, agriculture and industry, to formulate plans for the development of Canada's natural resources.

Mr. Diefenbaker, Progressive-Conservative member of Parliament for Lake Centre, in a speech prepared for delivery to the Rotary Club of Toronto, said we must "process vastly more of our raw products in Canada by Canadians, thereby preserving our country from becoming an economic satellite of other nations."

Eighty-five per cent of Canada remained to be developed.

"It will not be developed if left to the state," said Mr. Diefenbaker, currently mentioned as a candidate for the national leadership of his party.

Speaking of Communism, he said the time had come to bring Communism "under the law." All who believed in freedom should "demand that real teeth should put in the law, in place of the false teeth which permit Communists to operate almost with impunity."

"Another major challenge to free enterprise" was Socialism.

"I believe in a minimum of interference by the state," he said. A compromise economy of half private enterprise and half state enterprise in industry cannot long exist."

Deanery Meeting At St. Luke's Sept. 21

ROSENEATH, Sept. 10.—J (ENS).—Quilting a custom quilt, planning to attend the Deanery meeting in St. Luke's Anglican church, Peterborough September 1, made a full agenda at the W.A. meeting of St. James' Anglican church on Thursday afternoon. The meeting was held in Mrs. R. B. Nichols' home and the president, Mrs. C. R. Spencer, presided.

Mrs. James S. Brown, treasurer, reported $191.79 in the treasury, and receipts for the day were $6.90.

New book markers for the church pulpit, lectern and reading desk were on display. They are of green grosgrain ribbon with gold fringe, and gold crosses embroidered on each end. The embroidery work was done by Mrs. James Webb.

Mrs. Nichol turned in a quilt she had quilted for the autumn bale. The quilt was made by the members.

An invitation was received to attend the open thankoffering meeting of the United church WMS in the United church on September 14.

Rev. Canon Spencer closed the meeting and a social hour followed over refreshments served by the hostess.

Mid-West Has Edge For Beauty Crown

ATLANTIC CITY, N.J., Sept. 10.—(AP).—The Mid-West United States today held an edge in the talent-and-curves race for the 1948 Miss America crown.

Dark-haired, blue-eyed Marilyn Robinson of Ogden, Utah, and Beatrice (Bebe) Shopp of Hopkins, Minn, with brown hair and blue-green eyes, won Thursday night's competition before an estimated 8,000 persons in Convention Hall.

The Utah beauty won the talent competition with a dramatic monologue as a mother talking to her dying son in a hospital. Eighteen-year-old Miss Shopp showed up best among the contestants in bathing suits.

Still contending for the title is Miss Canada, 23-year-old Betty Jean Ferguson of Halifax, who Thursday night paraded in an evening gown bought at the last moment.

DESTROYED—
but not lost

HILL WEDDELL & HILLS

124 Hunter St. Phone 4523

A GROUP OF 16 STUDENTS from 13 countries who have been working this summer at the United Nations arrived in Montreal on the first stop in a 14-day tour of Central Canada. The trip was organized by Miss Suzanne Barriere, of Montreal, who is a student at Columbia University and who spent this summer working in the legal department of the United Nations. The picture shows 12 of the students as they returned recently by bus from Quebec. Left to Right, Front Row, are: Nibi Baloch Khan, Pakistan; Despina Kryitsi, Greece; Elizabeth Kridi, Poland; Miss Barriere; Pacita Panganiban, Philippines; Robert Krieps, Luxembourg; Saria Bhargava, India. Rear, Left to Right: Milton Meyer, United States; Ludovic De Vleesch-Auwer, Belgium; Fred Velasco, Bolivia; Cornelis A. Pompe, Netherlands; Ahmed Osman, Egypt, and Rasil Manchar, India.

World News In Brief

Taken from Wires of Canadian Press.

Liquor Plebiscite

SYDNEY, NS. — This Cape Breton city became the island's lone industrial district to vote against the sale of beer and wine by the glass or open bottle when corrected figures of the plebiscite were released. Final figures showed the wets with a majority of one vote: 3,007 for and 3,006 against. But Thursday's figures gave the drys a majority of 96 with 3,029 for and 3,215 against.

MONTREAL. — Rt. Rev. John Dixon, Anglican Bishop of Montreal, said while Marxian Communism must be repudiated, secularism and materialism degrade and debase mankind whenever they are rife in a report on the Lambeth Conference of Anglican prelates at London recently, Bishop Dixon told members of the Kiwanis Club that the conference was "unequivocal" in its insistence that all men, whatever their race or color, must have opportunity to develop their personality.

ASHFORD, Kent, England.—A court of 10 magistrates ruled that a father who horsewhipped the lover of his movie-actress daughter must stand trial on a charge of causing "grievous bodily harm." The father, wealthy 50-year-old Horace Caro, glared at the man he whipped and said he welcomed a chance to justify his action.

PARIS. — Winston Churchill will be the week-end guest of the Duke and Duchess of Windsor on the French Riviera.

LOS ANGELES.—Rev. Robert Anderson Jardine, 70, the vicar who married the Duke of Windsor and Mrs. Wallis Simpson, disclosed he will take office next year as presiding bishop of the South African Episcopal Church.

VANCOUVER. — George Selby Perry, 82, one of the best known newspaper men in British Columbia in the early days, died.

LONDON, Eng.—United States air force planes will join with those of the R.A.F. Sept. 15 in the annual fly-past to mark the anniversary of the 1940 Battle of Britain.

HOME AT LAST—Ranking Canadian who spent the longest time overseas is Maj. Stuart Nesbitt of Toronto and Montreal who arrived recently. Nesbitt joined the British Army as a private in 1939 and was discharged as a major shortly before sailing. He spent most of his time in the Middle East.

WASHINGTON. — The United States Justice Department announced the filing of civil anti-trust suits against three big makers of farm machinery. The defendants were named as International Harvester Company, J. I. Case Company and Deere & Company.

MONTREAL. — The appointment of George V. Fraser as managing editor of the new Canadian news weekly, the Ensign, was announced by publisher Robert W. Keyserlingk. A native of Montague, PEI, Mr. Fraser went into newspaper work with the Charlottetown Guardian and Patriot and later was Maritime manager of the British United Press in Halifax. He has been central division manager in Toronto.

Released from Hospital

LOS ANGELES — Curtis (Buzzy) Boettiger, 18-year-old grandson of the late President Roosevelt, was released from hospital. He had been recovering from a mild attack of infantile paralysis.

CALCUTTA — A crowd surrounded a police truck, overpowered the Indian police officer sitting inside, snatched his revolver and fired three bullets into him, wounding him severely. The incident followed a rumor that police had arrested a leader of students demonstrating in Calcutta.

BRUSSELS — Two building societies, owners of a plot of land containing a United States military cemetery at La Neuville, have served a writ on the United States Army calling upon it to vacate the property "within eight days."

HIROSHIMA, Japan — Gembei Kagawa, who had the second highest income in Japan last year, was arrested on charges of hoarding, swindling and the theft of former military stocks. Kagawa, who operated a rubber plant during the war, is reputed to be worth 10,000,000,000 yen ($37,000,000 at the official rate.)

NEW YORK — Matthew Lindfors, editor of the Swedish Press, Vancouver, sails aboard the Gripsholm for Sweden. The Vancouver editor has been invited to spend three months in Sweden by the Swedish Foreign Office.

HOLLYWOOD—Greta Garbo, who came from Sweden to the United States and movie stardom in 1926, filed her first papers for American citizenship. She has been in retirement for several years but is scheduled to return soon to do a picture based on the life of George Sand.

LONDON.— A British Dehavilland research plane is believed to have exceeded the speed of sound —about 720 miles an hour—in recent high-speed development trail.

OTTAWA.—Government sources said they knew that Switzerland was about to give up its representation of Hungarian interests in Canada but not that the work would be taken over by Poland. They were commenting on a Budapest dispatch which announced the transfer of the stewardship to Poland.

HAMILTON.—Detective William Homer, charged with manslaughter in connection with the shooting of Frank Wasnie, an escaping criminal, on Aug. 19, was committed for trials this morning by Magistrate Beamer W. Hopkines. "I find I have no alternative but to commit the accused for trial," the Magistrate said.

OTTAWA.—The question of a diplomatic title of "high commissioner" may be one of the things discussed at the approaching conference of Prime Ministers in London.

GALT,—James W. Wakely was sentenced by Magistrate H. R. Polson to one year definite and three months indefinite on a charge of arson. The charge followed a fire at the Bendix Automatic Washers two weeks ago. Wakely, proprietor of the laundry, pleaded guilty.

TORONTO—Mrs. Emma McEwan, of Hamilton, who lost a bag containing $5,800 in bonds at the Canadian National Exhibition, on Labor Day, Thursday visited the woman who found the money, Mrs. Florence Sanders, of Toronto.

TORONTO—Parking in Toronto parks after midnight is no longer illegal. The parks' committee voted to drop the prosopal, made last spring by W. J. Love, parks commissioner.

BRONTE—Run over by the rear wheel of a large dump truck, Fred Chickley, of Hamilton, was taken to hospital in Hamilton with a possible fracture of the left hip and leg and internal injuries.

OWEN SOUND—Drug addicts were blamed by police today for theft of two doctor's satchels this week. The bags were taken from the offices of Dr. C. G. Campbell and Dr. Maitland Brewster and later were found by children with the contents strewn on the ground.

Rule Police Justified In Entering Apartment

TORONTO, Sept. 10.—(CP).—The Toronto Police Commission Thursday found that five police officers who broke into the apartment of Col. Mackenzie Waters while searching for a suspected bookmaker were justified in executing the search warrant.

But the bookmaker had left the apartment before Col. Waters and his wife rented it.

"Unfortunately," said the Commission's finding, "a mistake was made due to the fact the telephone was still registered in the name of the previous subscriber. Apologies have been tendered and the material damage has been repaired."

Col. Waters told the Commission police broke into his apartment with sledge hammers.

War Declared On Starlings

COBOURG, Sept. 10.— (ENS). —The fish and game club has been given the green light by the town council to go after the starlings on Chapel St. Thousands of the birds assemble each evening before dusk in the trees on Chapel St. and just around the corner on Walton and Henry Sts. for their night's slumber. They wing in from the north in clouds and cihcle around Chapel St. and then alight. To those on that street the number seems more like a million than thousands. Nobody can leave his car out at night without finding it the color of the provincial police cars next morning. The smell from the trees is like an odor from a neglected chicken house. A mighty blast from a good number of shotguns just as the birds are circling to land might persuade them to change their minds. Of course they would likely choose some other street, but that would not worry the Chapel St. residents so long as the starlings stayed away from their own street.

Te fish and game club would not mind the shoot but it raises the question of who would have ot buy the ammunition.

COFFEE PRODUCER

El Salvador ranks fourth in the world production of coffee.

Fires Driving Deer South To Haliburton

LINDSAY, Sept. 10—(ENS)—Game Warden Dave McEachern, of Haliburton, reports that there are more deer, partridge and rabbit in the country at the present than ever before.

He believes that the bush fires in the north country have driven the animals and birds south to Haliburton County.

Game Warden McEachern also stated that the fishing equipment of John Grdnai of Cleveland was seized when the American tourist was found with three undersized bass. He paid a fine of $10 and costs.

Cobourg Revises Parking Laws

COBOURG, Sept. 10—(ENS)—A bylaw has been given first and second readings which will set up restrictive parking zones and get those who have been parking outside the metered area. The restrictive zones as laid down in the bylaw will be on the south side of King St. between Ontario and the east boundary of the Orange Hall. No parking will be allowed on the west sides of Spring and Hibernia streets between King and James on Spring and between King and Albert streets on Hibernia. Third reading will be given at the next meeting of the town council.

REPTILIAN EGGS

Most reptiles lay eggs, although some eggs are hatched within the mother.

Relax with Pepsi

...it's so delicious!
...it's so satisfying!

"Pepsi-Cola" and "Pepsi" are the registered trade marks in Canada of Pepsi-Cola Company of Canada, Limited.

KEEP ONTARIO STRONG—BUT—MAKE CANADA STRONGER WITH DIEFENBAKER

We, a growing group of independent average citizens, believe John Diefenbaker would make the best leader for the Progressive Conservative Party of Canada. We are spending our own money to say this in this advertisement and in other ways.

If you who read this advertisement share our enthusiasm for Diefenbaker and wish to join in furthering our campaign on his behalf, please do the following:

1. Send us $2.00 for every 1,000 people you wish to read this message.
2. Form your own local "Diefenbaker for Leader Committee." (Information furnished if desired).
3. Write to your delegates and tell them you want Diefenbaker for Leader. (Names of your delegates will be published in this paper later).

All funds will be audited by Messrs. Sime, Ayers & Co., Chartered Accountants
Cheques should be made payable to "Diefenbaker for Leader Committee"

DIEFENBAKER FOR LEADER COMMITTEE
Chair: Kenneth Bertram Andras.. ViceChairman: Gordon K. Masters
Box 247, Adelaide St. P.O. Toronto, Ont.

FRIDAY, SEPTEMBER 10, 1948

The Buckhorn Road. Wow!

During the provincial election campaign earlier in the year a Government promise was made that the road to Buckhorn would be improved to highway standards. The promise is being carried out with a vengeance.

* * *

Immediate proof that action would be taken was forthcoming. Workmen, scrapers, bulldozers and all the other paraphernalia started digging, blasting and uprooting this avenue for tourists in the middle of the tourist season. For two months automobiles have been 'proceeding at their own risk'. Those who so proceed—Americans included, who know no other way of getting to Buckhorn—have risked dented pans, wrenched wheels and broken springs, and lost.

* * *

There are other ways of getting to Buckhorn. The shortest is via the Floating Bridge, Ennismore, Gannon's Narrows and Lakehurst. The Floating Bridge is up. The road from Gannon's Narrows to Lakehurst is under repair, and has been for two months—plumb in the middle of the tourist season.

* * *

There is a third way of getting to Buckhorn, which the wise are using and the speed maniacs can always use. That is by highway through Lakefield, Young's Point and Burleigh Falls, thence by the Oregon Trail highway in the direction of Bobcaygeon. A good road, and the highway passes within a few hundred yards of Buckhorn.

* * *

One's eyes can scarcely believe the transformation this road-building project is creating along the six-miles stretch out of Buckhorn. Transformation? Havoc, rather. Though the road is ultimately to be 66 feet wide from fence to fence, at points now the road-builders have scarred the earth to a width of a hundred and fifty feet. The borders of the old road used to be rather pretty and clothed with vegetation. Now the swath of the new road looks like the Alaska Highway after the Russians had been down it on a scorched-earth raid. Trees are uprooted, telephone poles hang crazily, boulders the size of jeeps litter the verges, and the whole is a ruin of rock and a blasphemy against nature. The top soil along the banks has been scraped off, presumably to allow new trees and wild flowers to take root on the barren rock.

* * *

The destructive forces of nature seem namby-pamby stuff to the destruction along the Buckhorn road. But eventually we shall have a highway from Peterborough to Buckhorn and Gooderham. People are getting what they wanted.

Brutal Medical Practices?

Doctors used to be barbers who practised surgery as a side-line. Then as the barbers developed professional standards and techniques, they became barbarous. They were feared by patients who would resort to them as a dying hope. In their blood purges and surgery they were anything but gentle. Practices common to the profession three hundred years ago—blood-letting (doctors at one time were known as leeches) and knifing without anaesthetics—seem horrible and cruel in the light of modern knowledge.

Today barbarity is not an essential of medical practice. The doctor is even a family counsellor and friend. His little black bag is respected. The old days have gone, have gone. Our statement dies to a whisper as we hear Dr. Robert B. Maimo of McGill University warning the American Psychological Association against brain surgery for mental troubles.

Brain surgery? Surely that is not brutal. Is it not among the popular modern methods of treating mental disorders, and relieving the terrible pains of cancer? Dr. Maimo says that brain surgery is damaging to the intelligence. After the frontal brain is operated on a consistent drop in intelligence occurs, patients so treated cannot remember their ordinary vocabularies, and their ability to face opposition declines. Further, no doctors know fully the function of the frontal brain. Do surgeons who sever the nerves connecting the frontal brain to the main brain cut and hope for the best? That is what medieval doctors used to do. Brain surgery brutal? The modern shock treatments of nervous disorders brutal? No, we may say. Our great-grandchildren may think otherwise.

Modern medical and surgical practice is wonderful. More wonderful is man, with a brain and a personality, both still unfathomed. Dare we in scientific pride reduce the brain to a jig-saw puzzle, remove some of the parts and bend human personality into grooves carved by surgeons' knives?

Spank And Keep Them Out Of Prison

After two decades of admonishing that children should be treated with sweet reasonableness and ne'er a smack of the rod, child psychologists are beginning to believe that there is some truth in the Biblical phrase about sparing the rod and spoiling the child. Old truths buried by science do come to light in modern dress. The American psychologist Dr. Henry C. Link says: "Physical punishment, orthodox child psychologists now agree, is not only permissible but at times the most effective way of dealing with a child, and much less injurious than prolonged reasoning and discussion".

Toronto and its environs have been troubled lately by gangs of adolescents whose purpose in life seems to be to buck authority and break others' bones and property. They were children when the old modern theories of punishment were in the ascendant in Toronto. Unfortunately, the first courts to which these young fellows are referred, the Juvenile Courts, have no power to award corporal punishment and thus make up for the omissions in childhood. Only when the lads go from minor to major crimes and end up in higher courts and reformatories can they be given the spankings which they need.

The law as it stands seems ridiculous. The sweet reasonableness of a Juvenile Court holds no terror for some of these young hoodlums, since the one kind of punishment they can best understand, a good whacking, cannot be meted out to them. No, the law waits until the boys become hardened to crime. They may be paddled at the reformatories for offences committed there but not for the offences which sent them there. The law does not allow the cuff in time. It thereby seems to be creating young criminals.

That is the opinion of Mr. Alfred Jones, a retired Toronto magistrate who has organized in Victoria (B.C.), where he now lives, "The Juvenile Law Reform League". He asks, "Why should a (delinquent) boy not receive the blessing—I say it seriously and earnestly — the blessing of corporal punishment rather than condemnation to a detention school, and the life of crime which would most probably result? It seems to be time for the law to catch up with the most modern (and more old-fashioned) theories of child psychology. If it did, Toronto's "Beanery Gang" could be spanked out of existence.

Hydro Is Up To Its Old Tricks

Yesterday morning at 11.15 orders came from Toronto to the local Hydro office that hot-water heaters were to be cut off for twelve hours. Ontario Hydro is up to its old tricks of issuing arbitrary orders without warning, and taking a high official line about shortages, power crises and other troubles which are attributed to the carelessness of the Almighty in not sending us enough rain this summer.

The real blame, as before, rests squarely on the shoulders of Hydro which, under Liberal and Conservative administrations, seems to have been managed in a short-sighted, improvident manner. Hydro has had three or four years in which to prepare for Ontario's industrial expansion, but the necessary work is still uncompleted.

Our advice to Hydro is this: stop trying to kid the public that the power crisis is mysterious, because it isn't; you are responsible for it and it is up to you to deal with it. Stop telling the owners of the Ontario Hydro that they are naughty boys every time they turn on a light. Cut out all the pompous talk, and get busy and give us the power we need. That is what you are paid for.

NOTE AND COMMENT

Ottawa, too, is searching for a site for a new City Hall. And although Peterborough has several years start in the search we won't be surprised if Ottawa makes up its mind first.

Lindsay's Old Home Week piled up a deficit of $21,000. Still, we don't suppose that Lindsay expected to entertain all its wandering sons and daughters for nothing.

Notes And Queries

By ALPHA

Questions are solicited for this column, particularly those relating to local lore and tradition.

IS it true that a mayor of Peterborough was a full-blooded negro?

ANSWER: Not ruddy likely. In its time Peterborough has had full-blooded mayors, but the blood has, as far as I know, been neither negroid nor Indian; just Canadian. I can say this with certainty: none of the last twelve mayors has had sufficient characteristics to qualify him as a negro, a mulatto, a quadroon or even an octoroon. Judge for yourself of these last twelve: W. H. Bradburn 1912-13; W. Buller 1914-15; J. J. Duffus 1916-17; George H. Duncan 1918-19; A. A. McIntyre 1920-21; W. H. Taylor 1922-23; J. J. Turner 1924-25; W. T. Holloway 1926-27; Roland Denne 1928-35; G. A. Macdonald 1936-37; James Hamilton 1938-45; W. G. Ovens 1946-. There is a persistent legend that in the last century a negro barber was duly elected Mayor of Peterborough and held office for a few days. I shall investigate this, and report on it later.

✧ ✧ ✧

ALPHA Old Boy: My wife wants to know what exactly is calico. She says it seems to be regaining popularity and she wants to be in the know.

DEAR CURIOUS HUSBAND: My grey hairs deprecate the flippancy with which you approach the Examiner's font of knowledge, but 'tis ever true that it is not by his blush but his cheek that youth is betrayed. Calico has also been called "calicut" or "calicut-cloth", named from the city of Calicut, on the Malabar coast of India. The cloth was originally an Indian product, and first brought to England in the late sixteenth century. It is now, of course, manufactured in Britain, the United States and other countries. It is curious that the cotton cloth known as calico in Britain is plain, white and unprinted, and on this continent, calico is printed and coarser than muslin. Pray do not let your wife ask me what muslin is!

✧ ✧ ✧

QUESTION: I have heard that when Princess Elizabeth's baby is born, the Home Secretary must be present. Is that true? Why must he be there?

ANSWER: Old regulations require the presence of the Home Secretary when a royal baby is born. It is a precaution against the substitution of a "changeling". The last occasion when a prince was born in the absence of the Home Secretary, or an official of equivalent status, was in 1688, when Mary of Modena gave birth to the child who later became known as the 'Old Pretender'. Rumours soon rose that a supposititious baby had been foisted on the country as heir to the Crown, the crown the Protestants and London business men were getting ready to hand to William of Orange and Protestant Mary. Ever since, a Minister of State has been present at each royal birth.

This requires some planning, for a Home Secretary in London could not, before the days of flying, attend a royal birth in Scotland for instance, unless he knew ahead of time the intended place of birth. The eldest son of Edward VII (Prince Albert) was almost born without benefit of State certification. The baby Prince arrived much earlier than had been expected, and only a few hours earlier Queen Alexandra had been skating on the lake near Frogmore House (which is near Windsor Castle). The staff were quite unprepared, provisional arrangements having been made for the birth to take place at Marlborough House, London, and not at Frogmore. A local doctor had to be hurriedly summoned, and a lady-in-waiting acted as nurse. The Home Secretary arrived post-haste, we are glad to say, and thus tradition was preserved.

✧ ✧ ✧

WHO owns the chimes in St. John's Church, Peterborough? I understand they are the "People's Chimes" and owned by the city, not by the church.

ANSWER: The chimes in St. John's Church tower are called "The People's Chimes". The tablet in the front porch reads:

The People's Chimes
(13 bells)
Were generously placed in St. John's Church
Marking the 75th anniversary of its opening
by present and former citizens of
Peterborough of all creeds
Dedicated June 22nd, 1911 (Coronation Day)
W. G. Morrow, Mayor; W. F. Johnston and A. H. Stratton, Wardens; A. Elliott and G. C. Wainwright, Treasurers; F. R. Yokome, for the press; J. C. Davidson, M.A., Rector, Chairman.

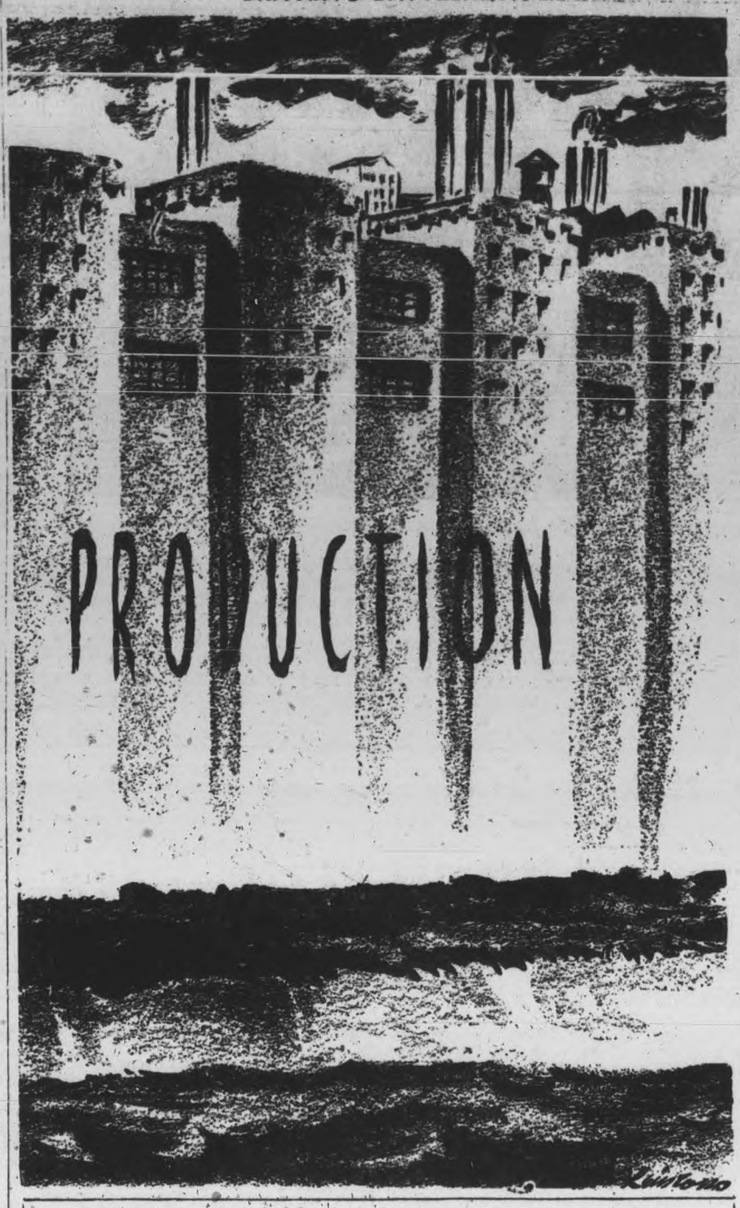
The tablet is one of the few anywhere on which the presence of the Press has been commemorated!

The late Canon Davidson sponsored the suggestion that chimes be placed in St. John's to commemorate the anniversary. The plan met with wide approval of people of all creeds, both residents and ex-residents of Peterborough, and the money poured in. Therefore, they are "the people's" chimes. They are, however, now the property of St. John's, by deed of gift. Under the deed of gift the church voluntarily undertook to ring the bells on public days and to give all the citizens of Peterborough the privilege of applying for their use at weddings and the like, wherever held. At the discretion of the Rector and Wardens, the bells may be rung for such occasions, without charge except a small fee for their operation. There are 13 bells, weighing 14,000 pounds. Their cost was $6,500.

✧ ✧ ✧

FOR THE RECORD: If figures do not lie, Peterborough has a higher percentage of officially religious people than almost any other city in the western world. According to the 1941 census, 98.6 per cent. of the total population of the city were affiliated with some religious denomination (25,350 out of 25,703). There were 8,401 adherents of the United Church, 5,917 Roman Catholics, 5,830 Anglicans, 2,231 Presbyterians, 1,385 Baptists, 522 Salvation Army people, 175 of the Jewish faith, 26 Lutherans, and 863 "others".

BRITAIN'S BATTLEMENT



Tanglewood – The Berkshire Music Festival

(By FERN A. RAHMEL)

THE Berkshire Festival began in a tent, a huge circus one set up on the Tanglewood grounds. Dr. Koussevitzky was naturally dissatisfied with this accommodation and the elements were on his side. During an all-Wagnerian programme one night a thunderstorm raged. The audience was drenched, the players discomfited by wet instruments and breaking strings. Dr. Koussevitzky announced that the Festival would be discontinued unless a waterproof structure could be built. That night twenty thousand dollars was raised and in 1938 the eight thousand dollar shed designed by Eli Saarineen was ready for use. This Shed is one of the glories of the Festival. A great, pie-shaped wedge, open on three sides, it seats six thousand people comfortably; and the acoustics are so perfect that not only are there no "dead" spots inside, but those outside can hear perfectly as far away as the Main House. Thus those who did not apply early enough for tickets inside the Shed, bring blankets and camp stools and hear from outside.

✧ ✧ ✧

THE former residence of the Tappans and Aspinwalls, the ancestors of the donor of the estate, has become the Main House, an administration building with practice studios. Tanglewood, under Dr. Koussevitzky, has become not only a centre for the finest symphonic music, but a school for young and brilliant musicians. In 1940 a special grant of sixty thousand dollars from the Rockefeller Foundation made the formation of the Music Centre possible. This summer there were four hundred and six.y-two students there from sixteen countries. And no-one should be misled by the word "student". These young people are the composers and conductors and opera stars of the future. Many of them are already started on professional careers. They live, breathe, and think, music. By making a donation to the Friends of the Berkshire Music Centre one can attend the student performances. We heard the fifth and sixth performances by the Senior Student Symphony Orchestra this summer. At one, three young conductors from Dr. Koussevitzky's conducting class directed their fellow students in a very finished performance of music by Weber, Haydn, and Debussy; while, on the same programme, the pianist, Lukas Foss, conducted his own Song of Songs, an exceptionally beautiful Biblical Cantata for soprano and orchestra, with the soprano role sung gloriously by Phyllis Curtin, a seventeen-year-old student.

✧ ✧ ✧

THE sixth and final student orchestra concert was a tribute to Mrs. Andrew Hepburn, the donor of Tanglewood, who died this year. An elegy, commissioned by Dr. Koussevitzky, had been written for the occasion by a young student studying at the Centre under Darius Milhaud, the composer. Another young student, a girl from Argentina, had three of her compositions performed the same evening by the orchestra conducted by Eleazar de Carvalho, the sensational young Brazilian conductor. Aaron Copland, the composer, conducted his own suite, Billy the Kid.

✧ ✧ ✧

THE value of such a Festival and Music Centre in the life of the community and the nation is incalculable. From the monetary standpoint alone the Festival is big business to the community. The little town of Lenox one mile from Tanglewood bursts at its seams to accommodate students and visitors. Pittsfield, the only large city in the county and seven miles from Tanglewood, is similarly strained. Stockbridge, Dalton, Lee, and all the other towns within a radius of twenty miles are affected. Tourist homes and diners have opened up. Music stores supply the collector with records and scores. The Festival brings plenty of cash to the Berkshires and the Berkshire Hills Conference—a sort of glorified Chamber of Commerce—goes out of its way to see that visitors are pleased and will come again.

✧ ✧ ✧

BUT the other and intangible values of this Festival are where its real worth lies. The young people who have come here to study carry back to their communities standards of performance difficult to match anywhere. The music lovers who have come to listen have come from all over the continent, the vast majority from places where the radio and the recording is the only source of good music. They come starved; they go away satisfied. People in the neighbouring communities who like to sing practice hard and long in choral groups all winter so that if they are asked they can augment the Festival Choir. This year the large choir of about two hundred was trained and directed by Robert Shaw and performed under his leadership and with the Boston Symphony the Brahms' Requiem and Debussy's The Blessed Damozel. Sunday morning in the churches of the Berkshire Hills there were choirs from Tanglewood singing Bach chorales and Mozart masses and singing so beautifully that one could not listen unmoved. Such performances have a tonic effect on the tastes and standards of the community.

✧ ✧ ✧

FURTHER proof of the material success of the Festival is to be seen in the grounds of Tanglewood itself. They are still as beautiful as they were in the days when the Tappans and Aspinwalls laid out their formal gardens and planted their hedges and arbours, but new buildings have sprung up all over the grounds. Hawthorne's cottage has been restored and has become practice studios. Three other barn-like structures, where, as in the Shed, the emphasis has been on acoustics, are spread out over the grounds; one for Chamber Music, one for small orchestra and choral work, and the largest and most imposing, if a barn can ever be imposing, the Theatre Concert Hall, headquarters for the opera students under the leadership of Boris Goldofsky. This year the opera was Rossini's The Turk in Italy, and the youth and verve of the singers as well as the excellence of the staging of the whole production made this an evening of sheer delight. Three hours before every concert the grounds are opened and people arrive to picnic under the magnificent elms or the Hawthorne pines and to enjoy the beauty of Lake Mukheenac spread out below them.

✧ ✧ ✧

THERE is always something going on. You come out to attend a programme advertised as a Faculty Concert and find that it is to be a recital by Gregor Piatigorsky and Ralph Berkowitz of sonatas for piano and cello. You go to the Chamber Music Hall and the small choir of perhaps eighty voices is singing magnificently Beethoven's Mass in C Major with Thompson's O Fons Bandusiae for good measure. The quiet lad sitting in front of you turns out to be the composer of an eight-part song which the choir is singing with obvious pleasure. The tow-headed sixteen year old lugging his cello is a scholarship pupil from Denmark. It was he who brought Piatigorsky running from the boxes at the last Friday night concert when a string snapped just as he got nicely launched into the Haydn Concerto.

✧ ✧ ✧

AND not only is there always something going on at Tanglewood. The whole community seems charged with the same fever of activity. If you like ballet, you can see fine performances at Jacob's Pillow. If you like plays, several stock companies in the neighbourhood will perform for you. If your interest is in the out-of-doors, the Bird Sanctuary is the place for you. If you like gardens, you can go on a garden tour. If you like fine food, a score of establishments will cater to your needs. The hub for many of these side-lines to the Festival is the Pittsfield Museum.

✧ ✧ ✧

THE Berkshire Festival, then, is a community enterprise. Organized at first privately and then sponsored by the whole community it has ceased to be parochial in its nature and now embraces the nation and beyond. Dr. Koussevitzky, in speaking on the occasion of the tribute to Mrs. Hepburn, quoted the words of one of the trustees who, when he was approached about the formation of the Music Centre, said, "We cannot afford to refuse." The Berkshire Hills are today reaping, materially, yes, but spiritually and artistically immeasureably more, the wisdom of such an attitude.

ED. NOTE: In an editorial yesterday certain criticisms of the Berkshire Festival were attributed to Miss Rahmel were in fact the opinions of Edmur , writing in The New Yorker. Th nadvertency Mr. Wilson's name was omitted.

How Time Flies

SEPTEMBER 10

1918 Milk producers of the county organize an association with Joseph O'Reilly temporary president.

Gnr. M. Perdue of this city is officially reported to have died of wounds.

The Hydro notifies the council that $1,250,000 will be spent in developing more power at Campbellford.

1928 The Omemee fire chief and apparatus are called to a fire in the home of Vincent Pogue of Emily township.

Ross L. Dobbin will attend the world convention of Illuminating Engineers in Toronto.

The Tunney-Heeney prize fight pictures are being shown now in a local theatre.

1938 Marian Belch of Millbrook wins the Forbes Hardy scholarship in Latin at Queen's University.

Walter Ferris, 25, of Toronto, is named successor to James McClenaghan on the Y.M.C.A. staff here.

The Department of Transport accepts the responsibility for the settlement of guides and their families just west of Burleigh Falls.

A Bible Message

O Lord, how great are thy works! and thy thoughts are very deep. (Ps. 92: 5.)

✧ ✧ ✧

Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.

Woe unto them that seek deep to hide their counsel from the Lord, and their works are in the dark, and they say, Who seeth us? and who knoweth us? Surely your turning of things upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?

Is it not yet a very little while, and Lebanon shall be turned into a fruitful field, and the fruitful field shall be esteemed as a forest?.... The meek also shall increase their joy in the Lord, and the poor among men shall rejoice in the Holy One of Israel....

They also that erred in spirit shall come to understanding, and they that murmured shall learn doctrine. (Isa. 29: 13-17, 19, 24.)

✧ ✧ ✧

For this is the covenant that I will make with the house of Israel after those days, saith the Lord: I will put my laws into their mind, and write them in their hearts: and I will be to them a God, and they shall be to me a people. (Heb. 8: 10.)

Can U.S. Be Switching to Tea?

Coffee and the United States have long been as closely associated in the public mind as ham and eggs. It comes as something of a shock, therefore, to learn that the consumption of tea has taken a sharp spurt south of the border.

According to the New York Times, the sale of tea in many restaurants this summer has been double that of previous years—apparently due to improvements in preparing the brew.

This may be just a tempest in a tea-pot, but, on the other hand, it could be the beginning of a trend. Perhaps the long dominance of coffee is ending, and American taste-buds are becoming attuned to tea again, as they were before the revolution.

Who knows — the time may come when American travellers will return complaining bitterly that they couldn't get a decent cup of tea in England, and when the appearance of a shipload of that alien beverage, coffee, will precipitate a Boston Coffee Party!

—Edmonton Journal.

JOLTIN' JOE DIMAGGIO slides across the plate in Yankee Stadium, in New York, on his three-run fluke homer as the Yanks won the second game of a recent doubleheader with Washington. Stewart, Nats' outfielder, fell on the ball, and before he could get up Brown and Henrich were in and Di-Mag was rounding third. Catcher Evans waits for the ball (Upper Right), relayed by Kozak.

Grafton's Win Championship In Civic League

Last night at the Bowl, Grafton's edged out the Bus Drivers 10-8 to take the Ostrander Trophy, emblematic of the championship of the Civic Softball League, taking the series two straight.

This final game was played as a benefit game before a large crowd, with the entire proceeds going to "Wimpy" Borland, an umpire of the league who broke his leg in a recent juvenile ball game.

Gus Mastrianni and Tom Drumm were in charge of the tickets for the game and deserve credit for their all-out efforts.

Clark started on the mound for the Busmen, but was relieved by Graham Strickland in the fourth inning, who, apart from the sixth inning when Grafton's counted three runs, held things pretty well in check. Arn Riches went the route for Grafton's, and pitched good ball, striking out 10 and having but three walks.

Bob Stirckland, Rowe and Simmons played well for the Busmen, both in the field and at bat, while Godfrey, Jamison and Taylor were best for Grafton's.

At the end of the game Mort Knox, representing Ostranders, presented the trophy to P. Scully, manager of the Grafton team. This trophy will be played for annually.

The Civic Softball League was formed this year, consisting of 10 teams—Postmen, Bell Telephone, Police, Shell Oil, Firemen, Nicholls Cartage, Babe's Place, Bankers, Bus Drivers and Grafton's, and realized a successful and enjoyable season.

Teams:

Grafton's—Livingston, c; Lake, rf; Legrow, cf; Sheehy, b; Jamison, ss; Hall, rf; Riches, p; Godfrey, 1b; Byers, b; McGillis, lf; Conroy, 3b; Taylor, rf.

Bus Drivers—Rowe, 1b; Brown, lf; R. Strickland, c; G. Strickland, p and 3b; Hansford, rf; Simmons, cf; Fife, ss; Parnell, b; Dunsford, rf; Clark, p and 3b.

Grafton's	030 103 111—10
Bus Drivers	002 030 030— 8

Umpires — Gord Trennum and Cliff Castles.

Tidewater, driven by Clay Hasch, won the $7,577 Hoosier Futurity two-year-old trot on the Grand Circuit program at the Indiana State Fair at Indianapolis, Thursday. The victor is owned by movie actor Charles Coburn and producer Paul McPherson.

Mimico Takes First One Over Trojans

By FRED MAYBEE

Mimico defeated Peterborough Trojans 19-18 last evening at Riverside in the first of a best-of-three series in the OBA peewee playdowns. The game was as close as the score indicates.

Gary Day for Mimico opposed Frizzelle and Haggerty, and won out as Trojans just failed to tie the score in the ninth. He struck out 18 men, hit a home run and scored five runs. Gary Kearns led the local boys with three for five, while Corbett and Hunt each drove in four runs. The latter made two fine catches in centre field.

It will be men's rinks tonight. Draw from the board at 7.30 o'clock.

The "no bowling" signs was hung upon the score board last evening.

It is many a year since we have had no representatives in the Globe and Mail Scotch doubles.

We have been asked to again remind bowlers of the Selkirk trophy tournament. Give your entry to S. Shields tonight.

We understand that the final in the club singles was played on Wednesday night. A Black won from W. Noftall 21-18. Some of the boys who saw this game say that it was real good. It is quite a job to play down through all the stages of this competition and reach the finals. The boys did well and they deserve the honor.

The winning skips on Wednesday night were: E. Wall, H. Northrop, J. Harrison and G. Coleman, Sr.

Announce Schedules For Lacrosse Finals

TORONTO, Sept. 10.—(CP). — The Canadian Lacrosse Association Thursday announced schedules for Eastern and Western Canada junior playoffs and the Minto Cup final.

Quebec juniors and Cornwall meet in a two-game, goals-to-count series next Friday at Cornwall and Sunday at Quebec. The winner will play Monday, Sept. 13, at St. Catharines in a sudden-death fixture with Ontario All-Stars. The winner of this game will leave Sept. 14 to open a best-of-three series at Winnipeg with the Winnipeg champions Sept. 16 and 17.

The victor of this series will arrive at Vancouver Sept. 22 to start a best-of-five series with the Western junior champions for the Minto Cup and the Canadian title.

SPORTS SHOW WINDOW

CEC. PERDUE, Sports Editor

OLA senior "B" semi-finals (also provincial semi-finals) open here tonight at nine in Miller Bowl, Orillia lacrossers playing the Petes. It's a best-of-five series, return joust being in Orillia on Monday. Two OLA neutral arbiters will handle all games. A huge crowd expected if the weather's right, and the gates are open to the general public at eight p.m. Or at 7.30 if you obtained your ducat last night. Fans will get ballots to vote on the most valuable local player during all playoffs, the winning athlete getting a nifty watch. The chips are down now and they're playing for keeps.

* * * * * *

Westclox and St. Kitts settle their PWSU intermediate "A" semi-final series at Goodyear Park, New Toronto, at 5.30 tonight. St. Kitts won here, Westclox won one back in St. Catharines and the two clubs couldn't break a tie there in the third tilt. So, they're tangling on a neutral diamond to wind it up. The winner goes in against Kirkland Lake for the Ontario championship. Ashby's are in Cobourg tomorrow for an afternoon game and, if necessary, one in the evening. Local lasses romped to an easy PWSU junior win here in their first meeting and should take the series in two straight. A few more local playoffs before the girls call it a season.

* * * * * *

Threat In The Mail

A fellow named Harold Twigg, apparently a fairly recent arrival in our city, takes us to task in a long letter for not giving minor sports as much space and as many pictures as the senior sports get. Thinks such publicity would encourage the kids more. We enjoyed his final para: "If there is not a change within a week or two, I will be writing an open letter to you through The Examiner." This dire threat fails to shake us in our shoes, and we must reply to our correspondent: Hop right to it, mister!

* * * * * *

It might be pointed out that few, if any, provincial dailies—we get the copies and Mr. Twigg may see them—give minor sports the space this paper does. And since when did minor sports (or minor news, for that matter) rate the time, effort and space of games or news of interest to far larger numbers of people? Sure, publicity helps encourage kids, but does the army bestow rank and prestige upon a buck private just to encourage him? No, he must earn promotion. We could give a coming peewee game reams of publicity but do you think it would outdraw a senior "B" lacrosse game? No, fans aren't easily fooled—they know seniors play better than kids. We give the latter all we can but just haven't the space to treat 'em better. As it is, lots of folks think we give them too much and thus have to cut down on space in senior writeups.

* * * * * *

Smacking That Apple

Over at Riverside last twilight, the Mimico boys pulled out a 19-18 OBA peewee win against the local Trojans. Visiting pitcher fanned 18, but the Trojans kept scrapping away in the heavy-scoring game and came close. Return go is in Mimico on the morrow, at two in the afternoon. Meantime, nothing has been heard for two weeks by the local bantams of East City or the midget Aces, patiently awaiting second-round OBA playdowns. These three teams, plus the senior Petes, are the only remaining ball clubs here at present and the minors shouldn't be forced to wait so long for action.

* * * * * *

Kingston Locos finally got back in the COBL finals race at home last night and took a 6-4 triumph over the Petes. So now the series stands at two wins to one for the men o' Murphy, and this series has been cut to a best-of-five. Both clubs agreed with the OBA order that a winner should be declared by early next week at the latest as Toronto will be ready about then. Staffords have a 2-1 game edge on Mayfairs. Next COBL playoff will be in Kingston on Saturday at five p.m., as the Petes already have had two home games in this series. Loucks pitched fair ball as his sore arm slowly mends, and Whitehill took over the last few frames. A couple of breaks and the Petes could have wrapped it up, but may do so tomorrow. Hope to get the box score before our 10.30 deadline.

* * * * * *

"Tommy" Twirls Well

Isobel (Tommy) Bullock, former star twirler for Westclox girls, is doing okay in the senior Sunnyside setup for her Toronto team. Pitched another nifty the other night. Toronto Star item says: "Paced by the one-hit, 11-strikeout, seven-inning relief chore of Isobel Bullock, Toronto Fuels advanced to second place in the Sunnyside Girls' Softball League last night as they edged DuVals 6-5 in 11 innings. Isobel entered the game to start the fifth and promptly put out the fire." Hm, personally we thought she was making those trips to Toronto to pitch for DuVals, but mayhap she received a transfer. Anyway, her fast ball and control apparently still pay off.

* * * * * *

GRAB-BAG: Soccer tomorrow: Two games are scheduled as Toronto Irish vs. CGE at four here, and Petes go in Lindsay at 3.15....Toronto Parkdale plays the local cricketers at 2.30 in the Oval tomorrow....Big harriers' meet Sat'day aft in the Ex.; no admission charge....Midland Golf League finale tomorrow at the Peterborough Golf Club....Port Hope won their intermediate lacrosse group from the local squad 5-4....Peewee all-star lacrossers drill at six in Miller Bowl tonight....Also tonight there at 6.30, bantam all-stars workout....Buses may run to Orillia for Monday's game....Some 65 amateurs expected at the Bruins' puck camp in Hershey on Sept. 22....Juvenile Kawarthas are in Port Hope tonight, B-A plays in Oshawa this eve, and Legion go there tomorrow in OASA playdowns....Grafton's won civic softball honors and the Ostrander Cup....In OBA, Toronto ousted Oshawa juniors, Port Hope rubbed out Lindsay in intermediate "B", and Stouffville cleaned up Cambray in "C"....Alley bowlers wanting teams can phone Frank Wood evenings at 8894....Stanley Cup victory dinner is Sept. 18 at the Royal York....All.

Beauty Contestants To Share $150 Each

COBOURG, Sept. 10—(ENS)—There is the tang of fall in the air and it only takes that to get Fred Slade, president of the Roseneath Fair Board for the past 22 years, started on his annual plug for Roseneath. The biggest little fair in Ontario, as it is often called, it will be held on Friday, October 8. The fair will actually open on Oct. 7 but the big day will be the 8th.

There will be three classes of harness racing with purses totalling $600, with a 2:22, 2:26 and a free-for-all. The beauty contest winners will have a total of $150 in cash awards.

HARD ON TRAVELLERS

At the beginning of the 20th century there were no railroads in all of Arabia.

MARCEL CERDAN, who will try to knock the middleweight crown from the battle-scarred head of Tony Zale on September 21, is shown getting into prime shape at his training camp at Loch Sheldrake, N.Y. He is battering the heavy bag, which is decorated with the picture of a boxer with the foul line marked.

Canadian Pacers Rated Strong Race Contenders

By CRAIG ARMSTRONG

WESTBURY, N. Y., Sept. 10. — (CP).—Two Canadian horses, one a veteran and the other a newcomer to United States tracks, are considered strong contenders in tonight's $40,000 Nassau two-mile pace at Roosevelt Raceway.

The veteran Dr. Stanton, owned and driven by W. L. (Lindy) Fraser of Forest, Ont., probably will go to his No. 5 position a strong favorite.

The newcomer, Tip Abbe, has drawn the pole position, and is rated as a strong choice to score an upset and win first place money of $18,000.

The field of 11 includes many of the top-notch pacers of the harness-racing circuit. They are Indian Land; Goose Bay, who won the $25,000 National Invitation Pacing Derby in July with Ralph Baldwin of Lloydminster, Sask., in the sulky; Forbes Chief; Junior Counsel; Poplar Byrd and April Star.

When Dr. Stanton strides onto the track many of the railbirds expect he will break the world's record for two miles on a half-mile track. Although the "Golden Gelding" has been beaten by both Indian Land and Goose Bay in a one-mile race, his form on longer hauls is becoming legendary.

Fraser will be shooting for the world's record of 4:20 set last year in the Nassau two-mile pace by April Star.

Wins Scoring Title

TORONTO, Sept. 10.—(CP). — Blaine McDonald, star of Hamilton Tigers, won the point-scoring title during the regular season of the Ontario Lacrosse Association, OLA officials announced today. He netted 97 points in 30 games—64 goals and 33 assists. Three players were tied for second place with 94 points. They are Ken Dixon of Mimico Mountaineers, Doug Gillespie and Don Campbell, both of Owen Sound Crescents.

Rex Barney's No-Hit Game Blanks N.Y. Giants By 2-0

By JOE REICHLER
Associated Press Sports Writer

The greatest pennant races in major league baseball history were forced to play second fiddle last night to 23-year-old Rex Barney, who only a few short months ago was struggling to stay in the big time.

Barney rapped loudly on the door to pitching greatness Thursday night when he hurled a no-run, no-hit game against New York Giants, it was the first such game of the 1948 National league season and the second in the majors this year.

Barney's superlative pitching enabled Brooklyn Dodgers to defeat the Giants 2-0 at the Polo Grounds and advance to within 3½ games of the league-leading Boston Braves.

Only six balls were hit to the outfield and all were routine outs.

Knew He Was On

Barney, who was at all times aware that he was in the process of pitching a no-hitter, said he "knew right from the first pitch that I had it tonight."

"My fast ball was really hopping out there," he said.

Only four Giants reached base as Barney faced 29 batters. He fanned four. Five others were out on pop fouls. Two New Yorkers got on via walks and two on Brooklyn errors. Rex retired the last 20 batters to face him.

The only other no-run, no-hit game this season was spun by Bob Lemon of Cleveland Indians who blanked Detroit Tigers 2-0 June 30.

The triumph was Barney's 13th of the season In three previous seasons with the Dodgers he had won only nine games, and had pitched only one complete game in the first three months of this campaign

Despite their victory, the Dodgers remained in third place as the runner-up Pittsburgh Pirates, behind the five-hit pitching of Elmer Riddle, defeated Cincinnati Reds 6-1 Manager Bucky Walters, needing only two more triumphs to reach 200 in his major league career, started for the Reds, but was knocked out in the sixth to be charged with the defeat.

Boosts Bucs

The victory boosted the Bucs within three games of the Braves, who were rained out of their game with the Phils in Philadelphia.

Stan Musial broke out of his brief batting slump, collecting four hits in four times at bat to lead St. Louis Cardinals to a 4-0 victory over Chicago Cubs. Harry Brecheen pitched the shutout for his 17th triumph.

The pennant-hungry Boston Red Sox increased their first-place margin in the American League to 3½ games over the Yankees, defeating the New Yorkers for the second straight time, 9-4.

It was Boston's ninth straight victory, seventh in a row over the Yankees, and 24 out of the last 27 games. Ted Williams, with two hits and three runs batted in, paced the Red Sox nine-hit attack.

Nose Out Tigers

The third-place Cleveland Indians inched within a game of the Yankees by nosing out Detroit Tigers in 13 innings in a night game at Cleveland. Eddie Robinson singled home Ken Keltner with the deciding run.

Bob Feller and Hal Newhouser matched brilliant pitching for seven innings, but Feller gave way for a pinch-hitter in the seventh and Newhouser yielded in the ninth.

St Louis' Browns took both ends of a doubleheader from Chicago White Sox, 5-2 and 4-2, in the only other action in the American League.

Short Season Makes Every Game Playoff

By The Canadian Press

Even though it starts in 100-degree heat and extends into zero weather, Canada's football season still is so short that virtually every game amounts to a sudden-death proposition.

That's apparent today from a glance at the standings. Here one of the Dominion's three senior leagues eligible for Grey Cup play hasn't even started yet, while four teams in the other two circuits are just about battling for playoff positions.

The four teams in the venerable Ontario Rugby Football Union join the playoff jostling this week-end, during which all 11 of the Canada's cup-hunting teams will see action.

The O.R.F.U., reduced to four teams by the loss of Ottawa Trojans and the amalgamation of Toronto Balmy Beach and Indians, gets under way Saturday at Sarnia and Hamilton. The Beaches Indians play at Sarnia against the Imperials while Windsor Rockets meet the Tigers, making their first start in the circuit, at Hamilton.

In the east's Interprovincial Union, which started Aug. 31, the bottom two clubs face win-or-else games Saturday against the two league-leaders. Hamilton Wildcats, beaten 14-7 by Toronto Argonauts at Hamilton Labor Day, play a return engagement with the champions, while Montreal Alouettes tackle the Rough Riders, who hold a 36-18 decision over them, at Ottawa.

Both the Wildcats and Alouettes have yet to win in two starts so both need victories to stand much of a chance of heading off either the unbeaten pacesetters for the two play-off spots.

The issue is so pressing for Wildcats, playing their first season in the league, that coach Frankie Gnup is reported to have handed a virtual ultimatum to his five United States imports to produce or else.

U.S. Air Force Has 89,000 More Than One Year Ago

WASHINGTON, Sept. 10 (AP) —The United States Air Force has a fledgling flock of new-type warplanes and 89,000 more men than it had a year ago.

It took stock of its position today as Sept. 18, the first anniversary of its status as a separate, independent arm of the fighting services approached.

In the last year, said an air force summary, 13 new models have been introduced, among them three fighters, two bombers, three transports, a trainer, a pilotless jet target aircraft and a cargo glider.

Jet engines are used exclusively in all the new fighter types and in the two bombers.

The fighters include:

The Curtiss-Wright F-87 "all-weather" craft designed to battle under virtually any climatic of local weather condition. The original model had four jets, but the production-line version will have only two.

The North American F-86, the dart-winged jet which set an unofficial speed record of 669.75 miles an hour at the Cleveland air races last week.

The McDonnell XF-88, the parasite fighter designed to be carried in a bomb bay of the giant B-36 long-range bomber for release at or near the target when interception is encountered.

With the fighter models was the first two-place Lockheed F-80, intended for use in teaching pilots of conventional planes to change over to the swift jet types.

In the bomber class, the air force unveiled the knife-winged Boeing XB-47, rated in the 500-mile-an-hour class and powered with six jets. The XB-47 is comparable with the familiar B-29 in size.

Here And There In Sports . . .

BY CANADIAN PRESS

In hockey's first mass flight abroad 30 young Canadians headed by air for Prestwick, Scotland, Thursday, to play with teams in Scotland. Twenty-four players left Malton airport and the balance will be added at Montreal.

Originally, 32 were scheduled to make the flight but Claude Kewley, the league's Canadian representative, couldn't locate the Casey brothers of Prince Albert, Sask., Philip and Pat. Claude feared some other league may have "grabbed off" the Caseys.

Manager Red Hatch of Welland refused to let his Niagara District Baseball League Stokes play Niagara Falls Houcks at Niagara Falls Thursday because all three umpires were from the Falls. But League bylaws don't specify where umpires should or shouldn't live. So when Manager Billy Sootheran put his Houcks on the field they won the game by forfeit.

Gus Lesnevich and Jersey Joe Walcott, who meet in a 15-round heavyweight bout at Jersey City Sept. 21, resumed work Thursday after two days of rest. Walcott, in training at Grenloch Park, N.J., went two rounds each with Curtis Sheppard, Cliff Dyes and Johnny Wilson. At South Fallsburg, N.Y., Lesnevich boxed six fast rounds.

Mimico Mountaineers Thursday night won the second straight game of their best-of-seven Ontario Lacrosse Association Senior "A" semi-final series, defeating Owen Sound Crescents 13-10 in overtime, at Toronto.

Owen Sound was leading 6-4 in the third quarter. In the fourth Williams and Rankin scored two goals in six minutes for Mimico to tie the score. In overtime the Mounties scored four goals to Crescents' single tally.

When Kitchener "Waterloo Flying Dutchmen" start hockey training at Waterloo Sept. 20 they will have at least 10 new men trying for players' berths.

President Walter Weber said Thursday five rookies will train for forwards, three for defence positions and three for goal.

For what he termed "security reasons," he refused to release any names.

Nine skippers were ruled out of competition Thursday in the international lightning class yachting race at Fort Erie, Ont., for various sailing faults. Among qualifiers for races in the Lake Erie course were W. R. White, with the Gallant, and M. M. Robertson with the Rhoda, both of Hamilton.

Bisons Trounce Toronto 9-2

By The Associated Press

Toronto Maple Leafs' chances of qualifying for an International League playoff berth appear dim today.

Dick Porter's hustling young crew is in fifth place, half a game out of fourth—the last playoff berth—but the club has only 3 games left to play. Syracuse Chiefs, in fourth splot, have six games to go.

The Chiefs can clinch a post-season berth by winning four of their remaining games. If the Leafs lose one game, the Chiefs have only to win three of their six contests.

Buffalo Bisons, already eliminated from the post-season series, dealt the Leafs a virtual knock-out blow Thursday night by trouncing them 9-2.

Right-hander Saul Rogovin scattered nine hits in stopping the Leafs for his 13th victory. The Bisons pounded five Toronto pitchers for 11 hits, including rookie Johnny Groth's 30th homer of the season with two aboard in the third inning.

Rain washed out the three remaining contests.

Flooding Halts Oil Well Fire

EDMONTON, Sept. 10 (CP). — A charred, pock-marked crater of scorched earth to-day housed the strangled Atlantic No. 3 oil well as workmen mopped up after extinguishing the roaring blaze that had consumed $150,000 worth of its oil in three days.

Blue flames still licked sullenly at isolated pockets of escaping gas near the crater, but a flood of water pumped to the heart of the Rogue Well had choked off its uncontrolled flow of oil and gas, literally throttling the orange conflagration that had lit Leduc's night sky since Labor Day.

The well's six-month rampage ended early Thursday. Starting with a tremendous gusher that showered the 40-acre site with oil March 8, continuing with a stady March 8, continuing with a steady seepage through ground fissures and reaching a gaudy climax in Monday's blaze, the well's tremendous flow was finally stopped.

Two relief holes fed water into the oil-bearing area till they neutralized the well's oil and gas pressure. Cement plugs will soon put a permanent check on its activities.

The rest ofLeduc's $500,000,000 field, swelled by the rich new Home Leduc 23 find, is free for development.

HIS HIGHNESS the Maharajah of Jaipur with Her Highness the Maharani (above) were among 2,258 passengers aboard the Queen Elizabeth who arrived in New York. They came for a visit and tour of the United States.

TWO NEWSMEN and an American liaison officer get some sleep in the latter's office in Berlin's besieged City Hall this week. They were in the building along with 19 Western Sector police who had been brought into the City Hall to help protect the anti-Communist City Assembly from Communist-led demonstrators. A German photographer (Centre sleeping in chair), was later arrested with the 19 Western Sector police by Russian tommy-gunners and Soviet Sector police after the Soviet commandant had guaranteed them safe passage from the City Hall.

U.S. Air Force Pilot Killed In Crash

ALBUQUERQUE, N.M., Sept 10.—(AP).—A United States Air Force pilot, Lieut. William Bowler, was killed and three companions parachuted to safety Thursday night when a B-29 medium bomber crashed near Otto, N.M.

The ship was returning to its base here from a routine administrative flight to Patterson Field at Fairfield, O. The plane apparently ran out of fuel while trying to reach an emergency landing strip at Otto, 40 miles east of Albuquerque.

Black Market Patronized By Great Many Britons

By HON. W. RUPERT DAVIES

After a week in Britain, I have come to the conclusion that everyone deals in the black market, to some extent or other, and the government winks at it so long as it does not become too flagrant. It may not be a serious offence, but it is not openly countenanced. It may be a dozen eggs a week or a pound or two of butter, but it helps out the weekly ration, and anything that will do that seems to salve the consciences of the most godly. The situation does not seem to have changed much since my visit last year. Everyone looks well fed, and tolerably well clothed. Everyone has either been on holidays, is going on holidays, or is away on holidays at the moment.

The seaside is still immensely popular, but the young people and those who like a lively holiday are loud in their praises of Billy Butlin's camps. Everything is very expensive, but I will come to that later. I was thinking at the moment of a day I spent at the seaside, and particularly the tea—a few tomato sandwiches, a ghastly-looking little chocolate cake in a paper cup, and a cup of tea, two shillings. But the sea air was grand and made up for the poor tea and lunch.

Some Rations Lifted

I have been looking into the food situation, and the present ration. I thought that would be interesting to The Examiner readers. The weekly ration has not changed much, so far as groceries are concerned, but there has been some relief in other directions. Bread is no longer rationed, but it is still made of a dark flour, which is very rough on those with any stomach affliction. I understand that those with ulcers can get a doctor's certificate, that allows them a different brand. Potatoes are no longer rationed. Many jams are also off the ration, but are not in very plentiful supply. Fruit has been fairly plentiful this year, however, and I find that many housewives have used their jam coupons, to buy sugar and have their own jam. Strawberries in jam season 2s 6d 1 lb.; raspberries 2s; black currants 3s.

The weekly ration per person is about as follows: Tea, half pound per person per month; cheese, 2 oz. per person per week; butter and margarine together 6 ozs. per person per week; sometimes more butter than margarine, sometimes vice-versa, depending on supply; coffee, not rationed, is always available; meat one shilling and twopence worth per person per week; bacon 2 ozs. per person per week; bacon not available every week; sausage not rationed, usually available, not often pure pork; soap, 6 ozs. per person per month, usually very scare. There are a number of soap powder substitutes on the market, which I hear highly spoken of, but no one seems satisfied with the soap allowance. Lard or shortening, 1 oz. per person, per week. Biscuits are not rationed but are on points, and are very hard to get. Each person gets 24 points a month; ordinary biscuits from 4 to 8 points per lb., chocolate coated 10 points per pound. Eggs, 4s to 5s a dozen; dressed chickens, 16s to 20s each.

Cigarettes Scarce

To turn from necessities to luxuries. Cigarets are in very short supply. They vary from 3s 6d to 3s 8d for 20 according to quality. Some of the better quality run as high as 5s 8d for 20. On the other hand Star and Woodbine are, I am told, cheaper than the better qualities. Liquor and wines are very expensive. Canadian Rye, when one can get it, is £1 13s 4d a bottle; White Label Scotch is the same price; Cointreau is £2 5s 2d a bottle; and Creme de Menthe £1 13s 8d; Sauterne is 16s a bottle, and Burgundy 15s 6d. Squashes for mixing with drinks are 3s a bottle, and a good ginger ale is 7s 6d a dozen.

One of the great problems here is fuel. People still talk about the terrible winter of two years ago, when the weather was most severe; there was snow to the knees and some homes had no fuel at all for three and four weeks at a time. The British are a Spartan people. A grave fuel shortage is facing them again this winter. Some Yorkshire miners are striking for £14 per week. Coal is severely rationed. Each family in an ordinary house is allowed 1 cwt. per week, which costs 3s 5½d per cwt. and is of very poor quality. Each family has to register with one coal dealer and stick to him. Under no conditions is a family allowed more than five hundredweight a month. There are, however, some coal substitutes, which are reported to be useful, although not desirable. Electric fires are also used a lot to warm up bedrooms, and small sitting-rooms. Things are easing up in some directions aside from food and fuel. Some furniture and furnishings now off points. Furthermore the repair restriction of £10 has, I am told, been increased to £100 without a permit.

Business is not as good as it was a year ago, so far as I can learn. I speak now of the ordinary retail business. Newspapers are still severely rationed as to newsprint, but still for some unexplicable reason to a Canadian newspaperman, a big London daily will devote four and five columns of its four page paper to a lot of silly features, which to my mind is a wicked waste of space.

8th SUCCESSFUL YEAR!

ALMATEX Plastic Finish IS A PROVEN PRODUCT

Almatex is not a "plastic experiment". For eight years it has given full satisfaction as an enduring finish for floors, walls, furniture and practically all other surfaces indoors and out.

CATARRH and SINUS trouble ... Splendid Results from treatment

Sufferers from the distressing symptoms and wretched discomforts of Catarrh, Sinus and Antrum troubles may now win real relief as thousands of others have done—thanks to Lantigen "B". Letter after letter received in the offices of Lantigen Laboratories Limited tell of the splendid results obtained from the Lantigen "B" treatment. Lantigen "B" is the modern oral way of obtaining relief from Catarrh and Sinus (including Antrum) infections, also common types of Bronchial Asthma and Bronchitis. As many sufferers know, catarrh and sinusitis are due to a bacterial infection of the air passages of the head. This may extend down the trachea ("windpipe") to the bronchial tubes and may cause Bronchial Asthma and Bronchitis. To raise the defenses of the body against this bacterial infection a special dissolved vaccine for oral administration — Lantigen "B" — was prepared. Lantigen "B" is taken by mouth. Full directions, including reduced dosages for children, are given with every bottle and when taken as directed Lantigen "B" will help to bring welcome relief from the discomforts of Catarrh, Sinusitis and common types of Bronchial Asthma and Bronchitis. Sufferers from these complaints should also take care to secure adequate rest; maintain proper eating habits, avoid constipation, wet feet and chills. Start on the road to relief immediately—with the widely acclaimed Lantigen "B" treatment. Get a bottle of Lantigen "B" from your druggist today. For further information write to Lantigen Laboratories Limited, 12 Richmond Street East, Toronto.

FARMERS OF ALL AGES had their field day at the Canadian National Exhibition in Toronto, when livestock champions were chosen. Thousands of agriculturists congregated to watch the show. Grand champion Shetland pony mare, King's Grey Dawn, is seen with her foal, Prince Donna, at the CNE. Tom Cresswell, Toronto, is with his mare after the parade of champions when prizes were awarded.

His Arithmetic Trifle Wobbly

OTTAWA, Sept. 10.—(CP).—F. H. Leacy, a government statistician, admitted today that his arithmetic had been a trifle wobbly on the touchy question of the wholesale and retail costs of men's shirts.

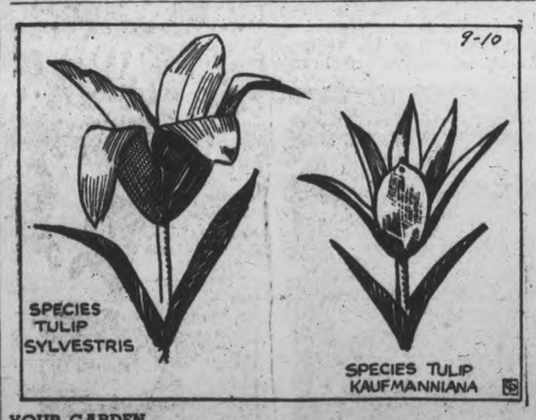
Wednesday, speaking of $4 shirts before the Prices Commission, Mr. Leacy said: "The cost to the retailer is approximately $32 a dozen or $2.50 each, including sales tax of eight per cent and freight. The mark-up in this example is therefore $1.50 on $2.50 or approximately 60 per cent of cost and apparently 37 per cent of the retail price."

Thursday he found himself faced with a check-up from the shirting trade. Retailers pointed out that $32 a dozen is not a $2.50 shirt, but $2.66, and that the mark-up, on that basis, would be 50 per cent, not 60.

Mr. Leacy admitted Thursday that he had been "off a couple of bucks," but contended that he should have said $30 a dozen, not $32." This would leave his original mark-up calculations correct. "But now," he added ruefully, "I guess they'll say I'm estimating too low and that it should be closer to $31."

INDIAN IRRIGATION

India has the world's largest irrigation system.



YOUR GARDEN . . .

Tulips For Permanent Planting

By DEAN HALLIDAY

Species Tulips have a number of points to recommend them of folk who want tulips without too much trouble.

They are especially valuable because they are permanent. Once planted they need no further care.

Species tulips also come in a great number of beautiful and interesting varieties, which show a bewildering variation of size and shape of flowers and foliage.

Shown in the accompanying Garden-Graph are two popular varieties of Species or Botanical tulips, sylvestris and kaufmanniana.

Sylvestris blooms in late April with bronze-yellow flowers which change to a butter yellow in color and are very fragrant.

Kaufmanniana grows but eight inches high and opens out flat like a water lily at noon each day, exposing a white interior shading to yellow at the base of the petals. Every evening it folds up tight into slim pink buds that stand erect.

Species tulips are especially suitable for planting in the rock garden between creeping plants. They also lend themselves to planting in groups or colonies in small warm nooks among shrub plantings, a situation where the standard large flowered tulips would be out of place.

Species tulips grow best in locations with sunny exposure where there is good drainage. Since they do not require the annual or biennial lifting they may be left undisturbed for years.

The bulbs of species tulips should be planted in November. Although they are small bulbs they should be planted from 4 to 6 inches deep.

CNE Horse Show Performance Hit With Crowd

By JACK GRAY.

TORONTO, Sept. 10 — (CP).—The Canadian National Exhibition, its many attractions still humming began to point to-day toward its final big session tomorrow.

Saturday is the day everyone who has missed seeing the big 14-day fair makes sure of attending. This last-minute urge is expected to build up another big crowd figure, to make up for Thursday when continual threat of rain reduced attendance to 145,500.

Sparkling performances at the National Horse Show Thursday night highlighted a day devoted to transportation. A showing of Western horses ridden by cowboys, some in chaps and other accoutrements of the old West, took old-timers back to one of Canada's first modes of travel.

To-day is Interprovincial and Service Clubs' Day. The clubs, which have been giving active support to the Fair and enjoyment to countless youngsters they sponsored in trips to the show, finally have their innings themselves.

One horse show feature that pleased the crowd of 3,000 at the Coliseum Thursday night was a polished ride by three riders from the stables of Maj.-Gen. A. C. Spencer of London, Ont.

Two of his daughters, Carolyn 22 and Marjorie 19, rode in the event, with Frank Bristow of London on the other horse.

Judging of judges, in this case young farmers who were given awards on their ability to adjudicate farm products, was another feature. George Wilson of Georgetown made the highest score, 838 out of a possible 900.

INVENTED IN 1867

Barbed wire was invented by Joseph Glidden in 1867.

THE FORMER RUSSIAN CONSUL GENERAL in New York, Jacob M. Lomakin (Right), is shown as he cleared through customs on his arrival in Stockholm, Sweden. He went straight to the Soviet Embassy and said flatly that he hoped this ended all speculation that he might not return to Moscow. The main topic on the ship during Lomakin's trip from New York to the Swedish capital was whether he feared the case of Mrs. Oksana Stepanova Kasenkina, Russian teacher, would make Russia uncomfortable for him. Mrs. Kasenkina leaped to her freedom from the Soviet consulate in New York.

Flee Soviet Rule

MUNICH, Sept. 10.—(AP). — Eight heavily-armed Ukrainians entered the United States zone of Germany today. They described themselves as partisans against the Soviet Union. They said they were from the Polish Ukraine.

Notice to Electrical Consumers

Under the instructions of the Hydro Electric Power Commission of Ontario as advertised last Saturday it will be necessary to curtail the use of electricity in this city.

In general, no electric signs are to be used. Store lighting and display window lighting will be curtailed, as well as Service Station lighting and theatre canopies.

All space heating is prohibited as well as decorative lighting of any kind.
All industries are required to cut their use of power by 15%.
These restrictions are effective TUESDAY, SEPTEMBER 14TH, 1948

Quebec Last To Enter Federal Health Program

OTTAWA, Sept. 10.—(CP). — All nine provinces were within the scope of the Federal Government's $30,000,000-a-year health program today, three days after its first cheque was mailed.

Health Minister Martin disclosed Thursday night Premier Duplessis has agreed Quebec will co-operate. He made the announcement at the concluding session of the 19th congress of the Association of French-Language Doctors in Canada.

It had been made known earlier Quebec would receive $8,985,000 a year under a program that represents the first stage in development of federal proposals for a comprehensive health insurance scheme.

Announced in Parliament May 14, it encompasses grants for health surveys in every province, for campaigns against diseases such as cancer and tuberculosis, for research, for training personnel and for hospital construction. It will raise annual health expenditures by all three levels of government to $120,000,000 a year and, Mr. Martin has said, it will be permanent.

Accept Offer

The minister told the doctors Mr. Duplessis "informed me yesterday by telephone that his government would take advantage of the plan."

In the next breath he soothed the most delicate point in Quebec-Ottawa relations with these words: "I cannot over-emphasize the importance the Government attaches to a policy of decentralization in health administration."

Administration of the money would come under the jurisdiction of the provinces. Co-operative arrangements were being made to "determine mutually acceptable conditions in connection with the grants."

In his wage, Dr. Marc Trudel, minister without portfolio in the Duplessis Government, said Quebec would accept any health aid providing it did not take the shape of "a Trojan horse." The province was opposed to state health programs as enforced in some countries.

Fine Three Members Of Textile Union

CARLETON PLACE, Ont., Sept. 10 (CP)—A July 27 clash of members of rival textile unions had its aftermath in court Thursday. Magistrate Donald Smith fined three members of the United Textile Workers Union of America (AFL) a total of $35 and assessed them $43.50 costs on charges of assaulting two members of the Textile Union of America (CIO).

The incident took place when the CIO men, M. P. Kusluski and A. E. Johnston, were distributing leaflets at a time when the AFL Union was conducting negotiations for a wage increase for workers at the Renfrew Woollen Mills here.

The magistrate fined Charles Lipton, AFL Textile Union organizer, $5 and fined Charles Anderson and Thomas Leach, mill employees, $15 each.

Costs against each were assessed at $14.50.

Steer, Heifer Prices Jump 50 Cents

TORONTO, Sept. 10 — (CP)— Cattle prices took a 50-cent jump on better steers and heifers on the Livestock Market this week. Good to choice quality beef was scarce. Bulls, hogs and lambs went off on their own tack, however, and ended lower for the week. Bulls were steady to $1 lower. Hogs dropped 75 cents to $1, and lambs eased $1 a hundredweight. Cows and calves remained steady.

The cattle run of 8,130 head was considerably higher than last week's 4,903 and included some 2,00 stockers. The run consisted generally of plain to medium cattle. Exporting was rather light as the quality of offerings were unable to attract United States buyers. The best price paid for weighty steers was $25-$27.

Butcher steers sold at $16-$22.50 with one small lot at $24. Butcher heifers were from $16-$21 and boners sold downward to $12. Butcher cows brought $13.50-$17.50 with canners and cutters selling downward, $7.50-$13. Bulls sold at $14-$18 for light bolognas and good butcher bulls closed at $20-$28. A plain quality run of stockers sold slowly at $15-$19. Fed yearlings were scarce at $20-$28. Ordinary quality milkers and springers sold at $110-$175 each.

Calves were 2,554 head. Good to choice vealers from 200 to 240 pounds weight moved readily at steady prices from $26-$28. Other grades were slow and slightly lower. Heavy calves sold at $16-$22 and grassers were mostly $13 to $13.50.

Only 1,939 hogs were offered. Following other markets Toronto hogs dropped 75 cents-$1 a hundredweight, closing at $33-$33.25 for Grade A and $32.60-$32.85 for Grade B1. Sows sold 50 cents lower at $24.

Sheep and lambs totalled $3,990 head. Lambs were down $1 at $22 for good ewes and wethers, with $1 discount on bucks. Cull lambs sold from $13-$17 a hundredweight. Sheep were mostly $5-$9 with some better ewes at $9.50.

Conditions Unsanitary Villagers Claim

BETHANY, Sept. 10—(ENS)—Complaints of unsanitary conditions in the village of Pontypool were heard on Tuesday night at a meeting of the Manvers Township Council. All members of council were present with Reeve Walter Reeds in the chair.

Communications were received and read from the Department of Highways on tax on fuel oil; from the Unemployment Insurance Commission on permanent employees; from E. A. Summers, Durham County Agricultural Representative on grant to Potato Club, and from the Canadian Industries Ltd. on a change of representative.

Accounts were received from Hydro-Electric Power Commission relating to Bethany street lights, from Emily Telephone System with telephone charges to be added to collectors roll, also two claims for sheep killed.

Walter Reeds, reeve of Ops Township, and Mr. and Mrs. Northey, Omemee, waited on the council in connection with an accident on North Boundary road, the clerk was instructed to forward claim for damages to the insurance company.

A number of Pontypool ratepayers also waited on the council with a complaint of unsanitary conditions in the village. On motion by Councillors McGill and Beer, the clerk was instructed to forward complaint to the Northumberland and Durham health unit.

Bylaw No. 1260 to levy a county rate of 13.4 mills, a township rate of 1.4 mills and a general school rate of 7.2 mills. Bylaw No. 1261 to levy trustee rates within the several school sections within the municipality, were both passed.

On motion the reeve and treasurer were instructed to sign cheques for the following accounts:

Hydro-Electric, street lights, Bethany, $47.25; township treasurer, Road Voucher No. 9, $1,153.72; J. C. Cummiskey, on account, salary, $85; J. C. Cummiskey, postage, excise and etc., 13.89, relief, $15; James Marshall, live stock valuer, $3.20; Manvers Municipal Telephone System, advance on service charge, $1,000.

Made Poor Jumps

—A parachute jump at a low altitude by three men unaccustomed to air force jumping procedure probably was responsible for their death, a United States Army Air Forces officer said Thursday. The three—Charles Schilke Jr. of Red Bank, N.J., and two United States servicemen — died when they tried to leap to safety from their crippled Dakota transport near Leduc, Alta., Tuesday night.

KINDON SAUCY SUE, American and Canadian champion Cairn terrier, finalist for the best in show, is held by owner Mrs. G. W. Hyslop of Brockville.

Bishop Seager Dies In London

LONDON, Ont., Sept. 10 (CP)— Most Rev. Charles Allen Seager, 77, Anglican Bishop of Huron and Metropolitan of Ontario, died Thursday night.

The bells of St. Paul's Cathedral where he was installed in 1932, tolled the news to the residents of the city whom the Archbishop had served for many years.

Archbishop Seager retired to his home here after his recent return from the Lambeth Conference in London, England. He complained of fatigue and shortly afterwards contracted pneumonia. He was removed to hospital a week ago. He rallied several times but in mid-afternoon Thursday lapsed into a coma.

The body will lie in state in St. Paul's from 11 a.m. until 3 p.m. Monday when funeral services will be held.

Attending will be six bishops of Ontario, clergy from all parts of Ontario and members of the Masonic order. A private service will be held at his home.

To Name Successor

Church officials said his successor as head of the Huron Synod will probably be chosen some time this fall. The Ontario College of Anglican Bishops will choose his successor as Metropolitan of Ontario.

The Archbishop was often outspoken in his comments on current affairs. When the United Nations was first organized he said that granting of veto powers was a distinct threat to its success. Before the Second World War he was a sharp critic of Fascism and more recently had levelled his criticism against Communism. He was a proponent of wider church union.

He was author of several books of which one of the more recent was "The Man and the Hour," a biography of the late Canon Sydney Gould.

He was born in Goderich, the son of the late Charles Seager, former Mayor of Goderich, and the former Margaret Padfield.

He graduated from Trinity College, Toronto, in 1895 and served from 1912 to 1917 as principal of St. Mark's Hall in the Anglican Theological College of British Columbia. He took charge of his first diocese in 1926 as Bishop of Ontario at Kingston. He was elected Metropolitan in November, 1943.

MOST REV. CHARLES A. SEAGER, Anglican Bishop of Huron and Metropolitan of Ontario who died yesterday after a short illness. He had just returned from the Lambeth Conference in England.

Receives 19 Canadians

BRUSSELS, Sept. 10.—(CP).—Lt.-Col. Raoul De Fraiteur, Belgian defence minister, Thursday received 19 Canadian officers and men here to attend Sunday's fourth anniversary celebration of the liberation of Bruges in Western Flanders. The Canadian party, headed by Gen. H. W. Foster, wartime commander of the 4th Canadian Armored Division, visited Belgian Army headquarters and later attended a reception at the Canadian Embassy.

Scandinavian Talks

STOCKHOLM, Sweden, Sept. 10.—(AP). — An important step toward military co-operation for the joint defence of Norway, Sweden and Denmark was agreed upon by their foreign ministers today. After a two-day conference, the three agreed that instructions should be given to their military chiefs to investigate how military co-operation could be brought about. The agreement is not a military pact, informed sources said.

Eight Industries Come To Canada

TORONTO, Sept. 10.—(CP). — Ontario Planning Minister Porter said Thursday that eight large British industries have been given the go-head signal from the British treasury to obtain dollars for establishment of branch plants in Ontario.

The new industries are expected to spend about $2,000,000 for plant construction and will employ more than 2,000 skilled and semi-skilled workers when operations get underway.

Since a conference between Premier Drew and officials of the British treasury last July, negotiations have bounded ahead, Mr. Porter said. Arrangements were made at the conferences to have restrictions loosened.

Within the last month the following industries have started or announced plants in Ontario. They are: Austin Motors, Leyland Motors, Lime-Sand Mortar Ltd., Pye Company, Photographic Survey Co. Ltd., Spratt's Patent Ltd., British Glues and Chemicals Ltd. and Peek Frean and Co. Ltd.

Would Be Helpless

GRAFENWOEHR, Germany, Sept. 10.—(AP). — It was made clear Thursday night on the basis of manoeuvres that the United States armed forces in Germany would be helpless if any kind of superior force slammed into them from the East. This was established in manoeuvres of the United States 1st Infantry Division and a British battalion on the Grafenwoehr reservation which now are in the final phase of their first week.

Board of Education Names Mrs. Harris Chairman; A. E. Borland Fills Vacancy

Mrs. F. W. K. Harris was elected chairman of the Board of Education at a regular meeting of the Board on Thursday night. She succeeds the late D. Vernon Canning who died on August 16 after 17 months as chairman. Mrs. Harris was first elected to the Board in 1944 and is now serving her fifth year with that body.

To fill the vacancy the Board appointed A. E. Borland, a post office clerk, to complete the unexpired portion of Mr. Canning's term of office. Mr. Borland was an unsuccessful candidate at the last election held, placing sixth but polling more than 50 per cent. of the vote.

At the opening of the meeting a minute's silence was observed in memory of Mr. Canning. Tribute was paid to the late chairman by G. W. Craw in a memorial motion.

"He was one of the Board's most valued members and served faithfully this community for more than eight years first as a member and then for 17 months as chairman," said Mr. Craw. "His wise leadership and good judgment aided in keeping Peterborough's educational system amongst the best in the province. His interest in our schools brought marked results in improving the buildings and the welfare of staff and students."

School Enrolments

Keith S. Wightman in his first report as Superintendent of Peterborough schools gave a brief resume of initial enrolments. He pointed out that additional pupils would probably register in the next two weeks but at the moment there were 164 more pupils in the public schools than there were at the close of June.

Kindergarten children number 487 and these together with some older children who were started at Grade I total approximately 500 which was the increase expected. The total number of classrooms is now 106 — eight more than at the close of last term—to look after 3791 pupils.

"May's School is now the only one that is overcrowded," said Mr. Wightman. At May's 200 pupils are divided among five rooms. And he stated that kindergarten may have to be staggered into morning and afternoon classes.

Expect 1,200 at PCVS

First reports at PCVS show a registration of 1150 students—730 academic and 420 vocational—which is 63 greater than last year. It is expected that the list will reach 1200.

Mr. Wightman said that 301 pupils passed their entrance examinations this year; the average age being 14 years and three months. "The age is little bit higher than I'd like to see it," was his only comment.

C. S. Browne, principal of PC VS, said that 94 per cent of his upper school students had graduated. After praising both students and teachers for making this possible he said he believed "this is a record surpassed by no other collegiate in Ontario."

Dr. H. G. Carleton asked, "Are we emphasizing scholarships enough in our collegiate? There doesn't seem to be as many from Peterborough as some other centres."

Mr. Browne replied that over a period of years Peterborough had been well represented in provincial scholarships. He singled out John Parker who won a Dominion - provincial scholarship this year.

Mrs. Harris had the last word when she observed that "It is better to have 94 per cent pass than a few with a very high standing and others with a very low one."

Present were Mrs. Harris, Mr. Craw, Dr. Carleton, Dr. R. C. Honey, W. E. Bannon, W. B. Gordon, F. H. Jobbitt, A. Pitchford, Dr. E. M. Crough and Frederick Stenson.

MRS. F. W. K. HARRIS was unanimously named chairman of the Board of Education Thursday night, succeeding the late D. V. Canning. At Right is A. E. Borland, who was appointed to serve the unexpired term of Mr. Canning. Mr. Borland was a candidate for the Board at the last election and placed sixth, five members being elected.

7 Rover Scouts Visit Cleveland

Seven members of the All Saints' Rover Crew visited Euclid, Ohio, over the Labor Day week-end as guests of an Explorer Post, a U.S. scouting group. Earlier this summer the American Scouts had camped near Buckhorn and they became acquainted with the All Saints' Crew.

The Peterborough youths left early on Saturday in two cars and were accompanied on their trip by three men interested in Scouting—Gordon Webb, Charlotte St., Stan Roscoe, Lake St., and Jack Foskett, Wolfe St.

They arrived shortly after noon on Saturday at Painsville where they dined and then they motored out to camp, about 30 miles from Cleveland. That night they joined their American hosts in a camp fire program where they renewed old acquaintances and formed new ones.

A motor tour of Cleveland followed on Sunday, including an inspection of the 40-storey Terminal building and the baseball stadium.

All of the Rovers paid tribute to the hospitality of their hosts and one of them remarked that a trip similar to theirs did more to create international goodwill than any number of ambassadors.

Included in the group were Art Rose, Sherbrooke St. W.; Jack White, Sherbrooke St. W.; Gord White, Dufferin St.; Doug Harris, Perry St.; Stan Alexander, King St.; Jim Webb, Charlotte St., and Len Wall, Stewart St.

Veterans Flock To Secure Land Under Special Act

An unexpectedly large number of veterans are making applications this year for land settlement through the Veterans' Land Act, said A. R. Macnab, regional supervisor, in an interview today. Since Mr. Macnab took over the Peterborough district last May, he has interviewed more than 65 veterans and their wives.

He tries to visit Peterborough every two weeks to interview prospective applicants and hold a regional advisory committee, which decides on the suitability of applicants, and issues qualification certificates. The regional advisory committee consists of Mr. Macnab, who acts as chairman, and two members, who are local business men or farmers and appointed by the Dominion Government. During the past three days, a dozen prospective applicants have been interviewed and a dozen couples interviewed by the advisory committee.

A veteran applying for settlement under the Veterans' Land Act makes application to the Kingston regional area office, enclosing his discharge certificate and war service gratuity agreement with his application form. He is then notified to appear before the regional advisory committee, after all necessary documents have been received and references obtained from three people. The committee assesses the experience of the applicant in farm operation, the running of a small holding or commercial fishing, and if it approves, issues the necessary qualification certificate.

Can Select Own Land

Some applicants, said Mr. Macnab, have a definite property in mind at the time of their application, but that it is not necessary and some veterans, who have had qualificattion certificates for two years, have not yet applied for assistance to purchase a particular property.

If and when the veteran finds a suitable property, he submits an application for purchase, and at the same time remits 10 per cent of the cost price as evidence of good faith. The property is then appraised by a Veterans' Land Act appraiser and his report is dealt with by the regional loan board, which passes it to the district office with recommendation as to suitability. If the property is found suitable, the application is passed to the legal department, which is responsible for obtaining the title and registering it in the name of the veteran.

When the title has been obtained the veteran's account becomes active, and expenditures approved for his establishment may then be made under the close supervision of department officials. The veteran is called upon to enter into an agreement to repay two-thirds of the total cost to the Director of the Veterans' Land Act with interest at three and a half per cent per year over a period not exceeding 25 years.

The minimum requirement of a small holding is at least two acres of land where the price of such land, including water services, exceeds $500 per acre, and three acres if such price is $500 or less.

In the Peterborough district, however, there are three special projects where half acre lots are available. There are two similar projects at Campbellford with houses already built on the lots, and one at Belleville.

MAIN ST. TOPICS

WINS AT COE HILL

Directo Henley, owned and driven by D. Dinsdale of Peterborough, won three heats in the 2:28 pacer class at Coe Hill Fair on Wednesday.

BATTLE OF THE CLOCKS

For the first time this week, the Market Hall clock and the Post Office clock are in agreement as to the correct time. During the earlier part of the week, both had different versions of the correct hour and both disagreed with E.D.S.T.

5 MINOR TRAFFIC CASES

Only five minor traffic cases were before court today. Fined $2 and $2 costs each for illegal parking were: William S. Ardiel, 3253 Riverside Drive, Toronto; O. E. Manning, Owen Sound; Samuel B. Weingarten, 73 McCaul St., Toronto; D. A. McLeod, R.R. 2, Indian River; L. E. Wilfong, 540 Downie St.

AKRON VISITOR CLICKS

Tom Clyburn, visitor from Akron, Ohio, caught his first maskinonge at Rice Lake early this week. A guest at Wilson's Highland View camp near Keene, Clyburn was trolling with a plug when the lunge grabbed the bait and zoomed out of the water. It weighed 18½ pounds. This is the third large muskie caught near Wilson's lodge within the past three weeks.

AN UNUSUAL CATCH

Donald A. Innes, 15 Fairview Ave., Toronto, connected with a battling black bass Thursday and after a lively 15-minute battle boated the fish without a net. The small-mouth bit on a crawfish and weighed exactly 5½ pounds. It was 21 inches long with a girth of 15½ inches. G. Fulfit, Toronto, was with Innes at the time and both are holidaying in a cottage at Harwood on Rice lake.

HASTY PEES' REUNION

Veterans of the Hastings, Prince Edward Regiment will hold a reunion at Belleville on October 2 and 3. A meeting of the local branch of the veterans of this famous unit is called for next Tuesday, Sept. 14 at the Legion Hall. All former members of the unit are invited whether they are members of the Association or not. George Foster is secretary of the local branch.

May Bonus Horse Owners Who Refuse To Dock Tails

A bonus to horse owners who display winning animals at fairs without docking or setting of their tails has been proposed by the Peterborough Humane Society.

Mrs. W. A. Young, chairman of the publicity committee, said that when the Ontario SPAC holds its annual convention here September 17-18 the local society will ask the co-operation of other groups on this matter.

The Peterborough society will ask what progress has been made toward outlawing the docking of horses' tails and will go on record as strongly condemning "the entry into Canadian exhibitions and fairs of saddle horses with set tails."

"To help discourage these cruelties," said Mrs. Young, "the society has under consideration the awarding of a bonus to owners of winning horses in carriage, hackney, pony and saddle classes if the horses' tails are neither docked or set."

During the two-day convention at the Empress Hotel the public is invited to attend, said Mrs. Young. Robert F. Sellar, president of the United States' SPCA will attend all sessions.

Dental Health Week Planned Sept. 27 to Oct. 1

Final plans for a Dental Health Week from September 27 to October 1 were discussed on Thursday evening at a meeting of the Peterborough and District Dental Public Health Committee. Dr. J. J. Craig, chairman, asked for the cooperation of the entire committee to make the week an outstanding success.

An opening dinner is to be held at the Empress Hotel on Monday, September 27. Guest speakers will be Dr H. J. Ebbs, of Toronto and formerly of Peterborough, and Dr. George Clarke, of Ottawa. Dr. Ebbs is pediatrician at the Sick Children's Hospital, Toronto, and Dr. Clarke is Ottawa Dental Public Health Officer.

An exhibition illustrating the importance of dental health and care will be held at the Public Library, where special films will also be shown. Speakers are to address the Rotary and Kiwanis Clubs, the Home and School Association, the Normal School and St. Peter's High School. All schools are being approached to take part in the dental health campaign. R. S. Hull, secretary-treasurer, reported the committee had nearly $500 at its disposal and that it would be sufficient to cover the expenses of the week.

Nine Recruits Join Regiment

Peterborough's 50th Heavy Anti-Aircraft Regiment (PWR) RCA opened their training season last night at the Armory with a large attendance to greet their new commander, Lt.-Col. Maxwell E. Clarke, who recently took over the conduct of the regiment.

Nine recruits appeared at the first parade, with indications that many more will join the ranks of this fast-growing regiment before the season is long underway.

Feature of the evening included an address by Lt.-Col. Clarke outlining the program for the year, and an enjoyable smoker for all ranks after parade was completed.

Next parade, on Tuesday night, will see the regiment preparing for its part in the Army Week demonstrations and for its strenuous training schedule for the winter.

Fell From Roof Fractured Leg

Injury to Clifford Alexander, 688 Park St., while working for the city should be reported to the Workmen's Compensation Board, Mr. A. L. Elliott suggested to the council in a letter Tuesday that was referred to the legal committee.

Mr. Alexander was employed on the roof of a barn of the municipal property at the north end of the city, known as the Town Orchard property on July 22. His right leg was fractured in a fall that caused other injuries, and it was likely that he would be unable to work for a prolonged period, Mr. Elliott wrote.

Kinsmen Club Instals Officers

Installation of officers of the Peterborough Kinsmen Club was held Thursday night at the club's first meeting of the new season. Kel Sheehy, past president, officiated at the ceremony in which retiring president Jim King handed over the gavel to incoming president Stan Gilmore.

Other officers installed were: 1st vice-pres., Harley Weir; 2nd vice-pres., Harry Tewsley; secretary, Clarence Smith; treasurer, Pat Iley; registrar, Roy Phillips; directors, Bill Vanstone, Ed Henwood, Harry Huff and Wilfred Langhorne; immediate past-pres., Jim King; bulletin editor, Jack Vingoe.

AN EXPENSIVE RIDE

Police of Orillia and Cobourg, plus one taxi driver, Stuart Stevens of Orillia, are looking for a fast-talking man identified only as a "Mr. White."

Stevens told police Thursday the stranger hired his taxi for a trip from Orillia to Cobourg. When they arrived the man borrowed $45 from him, departed, and hasn't been seen since.

BRITISH BARGAIN

Netherlands Guiana was transferred by the English to the Dutch in 1667 as an exchange for New York.

Rambling Reporter

A GENTLE ANSWER

With the daily run of minor traffic cases going through court on guilty pleas, there is usually a wave of nasty letters and notes from irate motorists condemning the laws, the police and the city for their own errors. One today was a big change, coming from a Torontonian who apparently knows when he's wrong and is man enough to admit it. At the bottom of the guilty plea, he wrote: "Wish to apologize for this oversight while visiting your city."—RB.

350 Test Men Expected At Reunion Here

George Wilson, Toronto, of the first year's graduates of the electrical test course at the Canadian General Electric Company is expected to be in Peterborough Saturday for the annual reunion of that department's alumni.

Mr. Wilson graduated in 1892, is now retired from the Canadian General Electric Company, but remains the senior member of the test associates.

Eric Whitely of the C.G.E. engineering department said today probably 350 former test employees would be here for the week-end reunion. Their headquarters will be the Kawartha Golf and Country Club.

"We have replies from 310 saying they are coming, and there are usually 40 or 50 others who arrive unannounced," he said.

C.G.E. test department was organized by the Company for the training of its own engineers and also of the graduates of universities with other companies. The company also set up an apprentice course for young men who were not going on to a university for an engineering degree.

It has become the main vestibule in Canada of executives of electrical engineering who, equipped with the practical experience they acquire in that course, have scattered all over the world.

Mr. Whitely said the present membership roll of this company of engineers who once worked in Peterborough is 785.

"One of the members wrote the other day from Buenos Aires, South America," Mr. Whitely said. "We have other members in England, China, Alaska, Trinidad, and so on. They have gone into the electrical industry of the world, although most of them are in Canada and the United States."

John E. Pierce Heads Department

John E. Pierce, 588 Holloway Drive, has been appointed head of the city's department of sanitation, which consists mostly of the collection and disposal of garbage.

Mr. Pierce served overseas in the last war and was five and a half years with the Hastings-Prince Edward Regiment. He was a foreman in the city's department for some time, and latterly was employed at the Canadian General Electric Company.

The appointment was made on the authority of the council by City Engineer Chalmers. Mr. Pierce began work immediately, Wednesday morning. His salary is $2,400.

LOCAL RAPS CCL ACTION

As the result of a motion passed at a membership meeting on Wednesday night, Local 527, UE-CIO has sent a telegram to A. R. Mosher, president of the Canadian Congress of Labor protesting against the suspension by that body of the Mine, Mill and Smelter Workers Union. The telegram was signed by Duncan Drummond, president of Local 527. It asked for the "re-instatement of this powerful section of labor to its proper place in the CCL before the annual convention."

Plan Civic Arena Week As Final Push To Raise Funds For Rink

Plans for the complete reorganization of the general committee were made at a meeting on Thursday evening of the Civic Arena Committee at their George St. headquarters. Percy Harrison is joining the general committee and others are being invited to join. Alderman Hurrell Dodds, chairman of the building committee, reported that the contractor, Hugh Wilson, had assured him that the secondary rink would be completed by November 1st. Work has now started on the side walls and structural timbers.

The committee plans to hold a Civic Arena Week in the near future. All organziations in the city will be asked to co-operate in the final drive in aid of the arena campaign. A. Cameron, treasurer, said he expects the fact that donations are free of income tax will materially assist the drive.

Dick Ouimet presided at the meeting, at which Percy Killingbeck, Stan McBride, A. Weir, A. Cameron and Alderman Hurrell Dodds were also present.

Mayor To Speak At Convention

KINGSTON, Sept. 10 (CP) — Speakers at the 50th annual convention of the Ontario Municipal Association which meets in Kingston, Sept. 20, 21 and 22 will include Dr. R. C. Wallace, Principal Queen's University; Hon. H. G. Dunbar, Ontario Minister of Municipal Affairs; Prof. E. M. Pleva, University of Western Ontario; W. S. McKay, city solicitor, St. Thomas; W. J. Coyle, chairman, Kingston Town Planning Board; B. W. Heise, Deputy Minister of Public Welfare; and D. B. Mansur, president of Central Mortgage and Housing Corporation, planning committee officials announced today.

Mayor W. G. Ovens of Peterborough is on the program for a paper on municipal annexations. City Clerk E. A. Outram is chairmon of the resolutions committee. Nearly 100 resolutions are on the committee's file.

Plumbing Inspector A. G. Metheral and Ald. Dick Raine are also going from Peterborough, and Ald. P. J. Anglesey said yesterday he might motor down for one day's sessions.

Bert Graham, assessment commissioner, usually attends these conventions, but pressure of office work has forced him to cancel this year's convention.

Band Secretary Approves Council Action

Approval of the city council's action in ignoring a demand for performance fees from a so-called association of music composers and publishers was expressed Tuesday in a letter from S. J. Rowe, band secretary.

According to the secretary of this association in Toronto the city would have to pay a copyright toll for all the music played by the Citizen's Band. The council's impression from the reading of the letter was that it was a demand for payment on all music in a loose assumption that copyright applied to the whole library.

Mr. Rowe wrote that W. H. Peryer, band director, had enquired into this matter at the bandmasters' convention in London, Ont., and the concensus of the leaders was that no attention should be paid to the Toronto toll claimant. Several composers at the convention said they had never received a cent from any source of that kind.

Navigation Ends On Canal Oct. 15

Navigation on the Trent Canal officially closes Oct. 15. Major locks, however, will continue to operate unofficially until about the middle of November or until weather conditions force closing. Some of the locks, it was pointed out by Superintendent T. J. Ryan, have to be closed as soon as heavy frost strikes. During September, Mr. Ryan said the following locks would remain open on Sundays from 9 to 11 a.m. and from 5 to 9 p.m.: Trenton Bridge, Lock 7 at Glenross, Hastings, Peterborough, Young's Point, Balsam lake, Severn river and Lake Simcoe.

Complete Re-decorating Job Done On St. Paul's Church

St. Paul's Presbyterian Church, one of this city's oldest places of worship, will be re-opened on Sunday after being closed for redecoration since early in March. The church and Sunday School have been completely redecorated inside, new lights installed and the outside of the building has undergone much rebuilding.

The work really commenced last August when a new roof was put on the building, repairs made to the stone foundation, cement surfacing laid down at the rear of the building to carry off surface water, the steeple repaired and painted and buttresses and walls tie.ied and repaired.

Improved Lighting

In the church proper a re-plastering and painting job has brightened the interior. The lines of the English Gothic architecture have been followed throughout in the painting job. The whole interior is now in keeping with the form of architecture which the building represents. The old lights are being retained for their decorative effect, while in the ceiling 24 lights have been installed and new lights placed in each archway. In addition there are two small spotlights, concealed from the congregation, and which are focused on the pulpit.

One of the chief complaints with the lighting in the past has been the almost complete lack of illumination under the gallery at the rear of the church. This has been remedied by the installation of 10 lighting units.

The whole painting job has been done in a beautiful way shade. The symbols have been retouched and the ceiling trim is in blue. The scroll work under been done in a beautiful ivory the arches has been replaced with imitation stone arches while the pillars previously painted to resemble Italian marble have been done over to look like grey stone. Windows and doors have been finished in a stone trim. The seats have all been cleaned and varnished, the floor done over and the large organ work cleaned and polished.

A modern signalling system has been installed between the vestibule and organist..

New ceiling lighting and a bright paint job have brightened up the Sunday School to almost daylight brilliance. The scroll work has been retouched and the old dustcatching chandeliers removed. The ceiling has been painted a light grey and the walls a pale green. Each of the nine classrooms leading off the main auditorium has also been repainted.

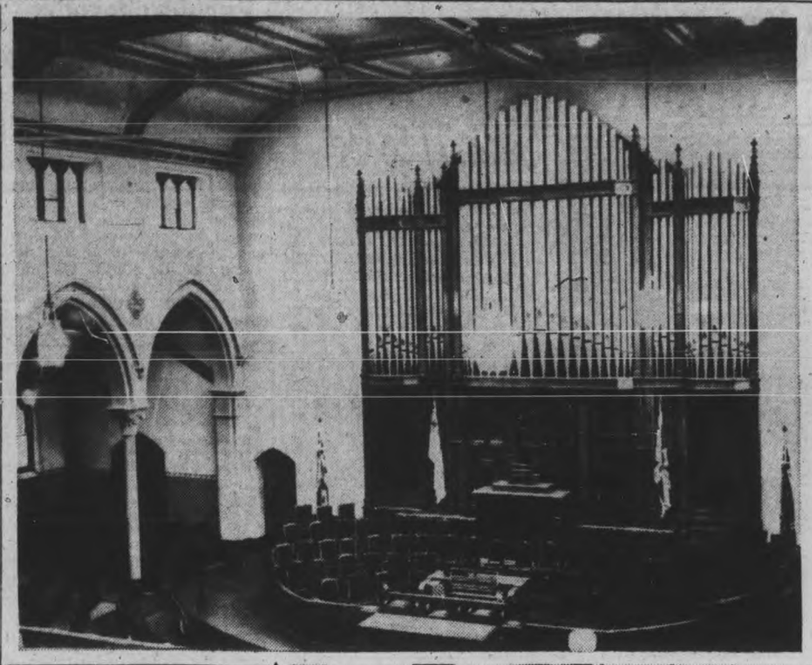
All the hardwood floors have been sanded and given a penetrum finish, and they appear almost as good as new. The truss work has been given a coat of dark varnish.

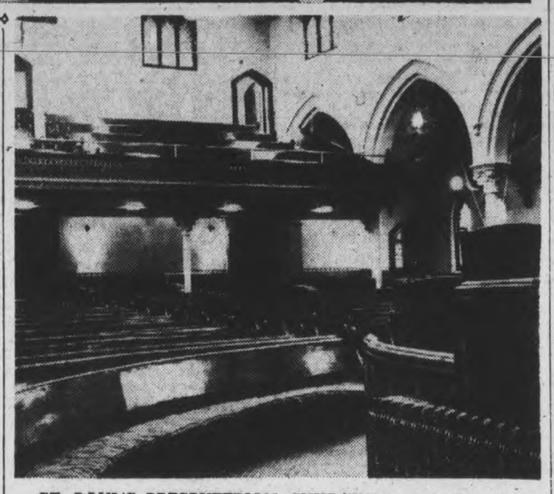
A new maple and birch floor has been laid in the guild room. The metal columns adjoining the plaster walls have been covered by plaster of paris tubing so that the likelihood of a crack appearing at the joint is largely eliminated. The whole has then been plastered and re-painted.

In the kindergarten room the ceiling has been plastered and then painted white with light pink walls. The primary room has been done in blue.

All the halls have also been painted and decorated with a dedo trim. New cocoanut matting has been laid. The stairs leading up to the Sunday School and those in the vestibule leading up to the gallery have been re-treaded in battleship linoleum, and protected from shuffling feet by chrome nosings.

The complete renovation of St. Paul's is now practically completed. A day or two's painting on the exterior remains to be done and it is expected that a new boiler wil solve the heating problem when it is installed about Oct. 1. The whole work has been under the superintendence of Harold Fry chairman of Property Committee of the Board of Managers.





ST. PAUL'S PRESBYTERIAN CHURCH has since early in March undergone a complete re-decorating job, a new lighting system installed and much re-building in both the inside and outside of the building. Re-opening services will commence on Sunday. At the (TOP) is shown an interior view of the front of the church with the newly installed lights showing in the ceiling, while at the (BOTTOM) is a view of the interior looking toward the rear of the church.

Four Delegates Barred At U.S. Border

NIAGARA FALLS, Ont., Sept. 10.—(CP).—Four more Canadian delegates heading for labor union conventions in the United States were barred at the border Thursday.

Two United Automobile Workers' (CIO) delegates and two representing the International Union of Mine, Mill and Smelter Workers (CIO) were refused entry. Previously, delegates of conventions of the United Electrical Workers (CIO) and International Chemical Workers (AFL) were turned back by U.S. immigration officials.

The labor delegates said no reason was given in refusing them entry. In Toronto, a U.S. immigration spokesman said individual immigration officials were empowered to decide whether any person should be permitted entry. They were not required to give a reason for refusal.

Other Conferences

The UAW men were going to an hours and wages conference of agriculture implement workers in Racine, Wis., and the mine-mill delegates to an international union convention in San Francisco. Refused entry were William Nie, an officer of the Massey-Harris UAW local in Toronto, and Henry Colgate, a member of the shop committee. A third delegate was allowed to enter.

The mine-mill workers represented a local in New Toronto, a Toronto suburb.

C. S. Jackson, an international vice-president of the UEW and the union's Canadian head, was deported from New York early today by air after being detained by immigration officials.

Mr. Nie said Thursday night he was not a Communist and had never taken part in Communist activities.

Stop Oil Importation

WASHINGTON, Sept. 10. —(CP).—The United States Department of Commerce announced Thursday night it has requested the Canadian Government to suspend temporarily the importation of petroleum products from United States West Coast ports because of the oil refinery strike.

Charge Count Uses Major Benoit's Name

MONTREAL, Sept. 10.—(CP). —Maj. Henri Benoit, M.B.E., of Montreal, a 42-year-old former resistance organizer in France during the German occupation, said Thursday night that he was "likely to Benoit" under whose identity Count Jacques Dudge De Bernonville is said to have entered Canada.

A member of the British intelligence during the last war, Maj. Benoit told how he parachuted into France in 1943 and spent two weeks in Lyons, where Count De Bernonville was in charge of the military district there.

Benoit came forward after he had newspaper reports that a Canadian officer had made a "jump" in an area in which the Count had command for the Vichy regime, and that this officer had been reported missing and it was thought possible he had been turned over to the Germans by De Bernonville.

"To my knowledge, I had never been reported missing," Major Benoit said Thursday night.

The Count, described by the Canadian government as a "notorious Nazi collaborator" who probably betrayed Canadian airmen during the war, last week was ordered deported to his native France where he is under sentence of death for his alleged collaborationist activities.

Immigration officials said De Bernonville had entered Canada under a false passport.

Companies Tag Shirts To Hint Retail Prices

OTTAWA, Sept. 10 — (CP) — Two of Canada's five big shirt-manufacturing companies put tags on shirts to "suggest" retail prices, the Prices Commission has learned. Spokesmen for the other three said their firms make no suggestion, direct or indirect, as to what the public should be asked to pay.

These facts are among the highlights of the commission's first two days of a study of costs and prices in the shirt industry. The commission adjourned Thursday until Tuesday, when the investigation will be continued. Wholesalers and retailers are scheduled to testify next week.

The companies which tag their shirts are John Forsyth Ltd., Kitchener, and Tooke Bros., Ltd., The three which don't are Cluett Peabody and Company of Canada, Ltd.; The BVD Company Ltd., Montreal, and Yamaska Garments Ltd., St. Hyacinthe, Que.

Interested In Success

Spokesman for all companies emphasized their interest in the success of the retailers' businesses. Small retailers were particularly hard hit when business was bad and it was generally accepted they needed a profit margin of about 35 to 38 per cent.

H. A. Dyde, commission counsel, asked at one point Thursday "do you feel the retailer has to have that mark-up to stay in business?"

"I certainly do," said George H. Imrie, merchandising manager of Tooke Bros.

Mr. Dyde said he wonders why manufacturers are so interested in retailers' prices.

"If he doesn't stay in business," Mr. Imrie said, "we don't sell either."

Thursday's testimony also included the remark by D. H Stewart, president of the BVD company, that he considers some shirt prices too high.

Hint Fall Assizes

VICTORIA, Sept. 10.—(CP).—Trial of Gustave Wiegner, charged with the Alaska Highway slaying of John McComas of Dayton, Ohio, may be held at the Fall Assizes opening in Prince George, B.C., Oct. 4. Wiegner, who claims the northland shooting was accidental, now is being held at Oakalla prison, near Vancouver, pending trial in the higher court.

25 Sail For Russia

JERSEY CITY, N.J., Sept. 10—(AP).—Twenty-five employees of the closed Russian consulates in New York and San Francisco sailed for home Thursday aboard the Russian ship Nikolaev.

JOINING THE RANKS of distinguished visitors to the CNE is R. C. Vaughan, chairman and president of Canadian National Railways, LEFT. Here "Ex" President Col. K. R. Marshall looks on while Past President J. A. Scythes pins honored guest badge on Mr. Vaughan.

Clement Attlee's Illness Unexpected Blow To Govt.

LONDON Sept. (CP)—Medical advice to Prime Minister Attlee to restrict his outside engagments to assist treatment on an early duodenal ulcer is an unexpected blow to the Labor Government's big three.

Attlee's chief lieutenants, Herbert Morrison, 60, and Ernest Bevin, 67, have required medical care for varying periods since they assumed the heavy harness of senior cabinet posts in 1945. But wiry Attlee simply took over their work as well as his own when they were indisposed, and seemed no more than tired despite his endless labors.

But 10 Downing Street announced Wednesday night the Prime Minister has an early duodenal ulcer "which will require dietetic treatment for some weeks."

The necessity for the three senior cabinet members to guard their health is taken in political circles to mean increased responsibility for Sir Stafford Cripps, 59. Sir Stafford, a vigorous vegetarian, now is often spoken of as labor's next Prime Minister.

Sickness and death have shaken the old guard of the Labor party elected in 1945 from which Attlee chose his most important Ministers. Miss Ellen Wilkinson, fiery veteran of Labor's early campaign and Minister of Education, is dead. So is Jos Westwood, former secretary of State for Scotland.

Arthur Greenwood is gone from the office of Lord Privy Seal and other senior cabinet duties. Jack Lawson, former warsecretary, has retired to private member status and Viscount Stansgate has laid down the portfolio of Air Secretary.

Hugh Dalton, 61, blooming with health, was counted in 1945 with Attlee, Morrison and Bevin to make up the big four of the party. But he resigned last year as Chancellor of the Exchequer after telling the House he had given reporter before reading it to Parliament.

Cecil Morrison.

Ontario People Go Dirty As Water Heaters Shut Off

TORONTO, Sept. 10.—(CP). — A lot of Ontario people who couldn't get hot baths Thursday found that the Ontario Hydro Commission was getting off to a fast start in its power-saving program.

Various power restrictions, previously announced, are to go into effect at midnight next Monday night. But many Ontario municipalities Thursday cut off automatic electric water heaters.

The Ontario commission explained that municipal commissions had been advised that effective immediately, on cloudy days when demand for lighting power is increased, they might shut off power to the water heaters.

A number of municipalities scanning gloomy skies did just that, among them Windsor, London, Peterborough and Toronto, stopping the flat-rate water heaters for 12 hours. The service was restored Thursday night, but may be cut off again the next cloudy day.

The appliances affected are the electric water heaters which do not go through the house meter, and which may be cut off from a central station without affecting power supply to the remainder of the building.

The water heater shut-off Thursday was independent of the general restrictions effective next week. As from Sept. 14, water heaters will be cut off all the time unless they are equipped with thermostatic controls and installed on tanks which are insulated.

Other restrictions in effect next week ban power for space heaters—airheaters, grates, radiators, boilers or any other device for space heating in hotels, tourist cabins, shops, offices and commercial premises.

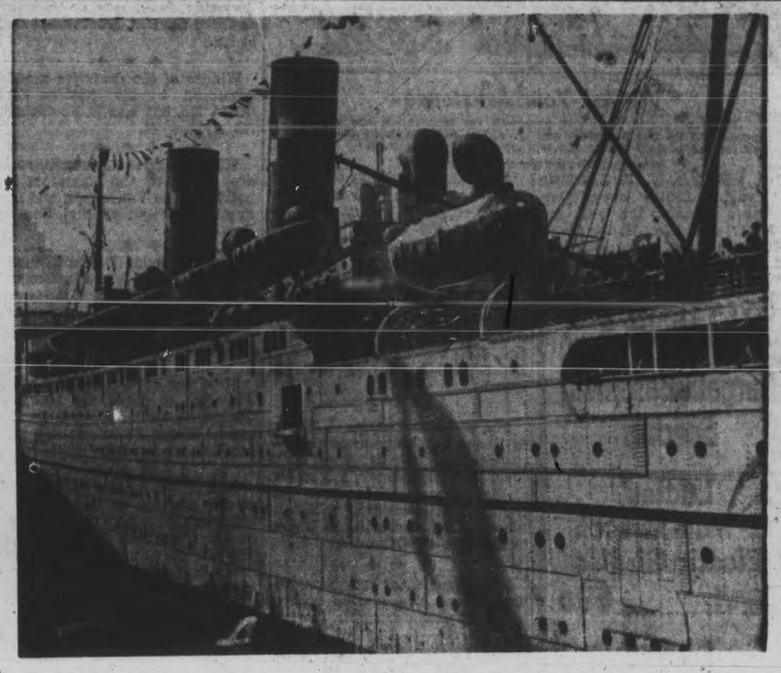
Also on Sept. 14 night lighting of stores is restricted, exterior sign lighting is banned, service stations are held to 100 watts per gasoline pump and lighting of marquees or sidewalk canopies is cut to two watts per square foot of floor space.

50 Years In Priesthood

TORONTO, Sept. 10 — (CP). — Dignitaries of the Roman Catholic Church Thursday attended mass at St. Patrick's church to honor Rev. George Daly, who was celebrating 50 years in the priesthood. Among those present were Joseph Cardinal McGuigan, Archbishop Murray of Kingston, Archbishop O'Sullivan of Winnipeg, Bishop Cody of London, Ont., Bishop Berry of Peterborough and Bishop Webster of Tornto.

GEM WEIGHT

There are about 142 carats to the ounce.



CANADIAN PACIFIC'S newest passenger liner Empress of France, draws alongside her berth in Montreal, completing her maiden voyage, under command of Capt. H. H. Davies.

Bogart Blasts False Modesty In Hollywood

BY JACK QUIGG

HOLLYWOOD, Sept. —(CP)— It's fashionable in Hollywood these days to admit you're a ham, but Bogart thinks even honesty can be carried too far.

"For my dough, false modesty is just as distasteful as pride," he observed during a reflective moment in his dressing room. "Truth is, it's a type of bragging, and I'm getting sick of it."

He said nearly every actor he knows is running around confessing how theatrical he is, and added:

"Sure they're hams. Why shouldn't a actor be a ham? It's part and parcel of his business. But hammiest of all is the ham who admits it."

Phone Solution

A ship-to-shore phone call from the Cornel Wilde to Rita Hayworth, homeward bound on the Queen Elizabeth, solved a knotty transportation problem for the couple. With time off for a tour of Europe, they were unable to book passage. Rita obligingly persuaded the captain to give the Wildes her suite on the return voyage.

For good luck, Walter Huston likes to play bit roles in his son John's films. He'll next portray a bank official who interviews Jennifer Jones for a job in "Rough Sketch." John's latest.

Wild West Dept.

Indian trouble slowed down shooting at the "Canadian Pacific" company Alberta location. The redskins weren't hostile. They photographed too pale and had forgotten their tribal markings. Suntan make-up and some fast research enabled the show to go on.

Filmites who sweated out the summer months in Hollywood are on or planning delayed vacations. Hedy Lamarr and her youngsters are loafing at Lake Tahoe. . .Canadian-born Raymond Massey leaves shortly for relaxation at Sun Valley. . .The Robert Prestons are being rugged with a pack trip in the high Sierras.

MARSHAL VASSILY D. SOKOLOVSKY, Soviet boss in Berlin, is shown (Left) as he arrived in Berlin for a resumption of meetings of the Allied military governors which were abandoned when Sokolovsky walked out some time ago. The meetings are seen as an indication of the early lifting of the blockade that Russia has kept clamped on Berlin. Four-power talks in Moscow are believed to have been responsible for resumption of meetings by the Berlin military governors.

INDIAN NAME

Puerto Rico was known as Borinquen by its Indian inhabitants before Columbus' time.

Prior to her recent marriage, Mrs. Ken Anderson, formerly Eleanor Searles, was honored at a miscellaneous shower given by Mrs. G. Anderson. Those attending were Misses Lilian Constable, Frances Allen, Elsie Bromley, Shirley Anderson, Marion Anderson, and Mrs. E. Allen, Mrs. S. Smith, Mrs. I. Shaughanessy, Mrs. G. Beauchamp, Mrs. A. Bromley, Mrs. G. Reader, Mrs. W. Fields, Mrs. F. Fields, Mrs. H. Fallis, Mrs. F. Lockhart, Mrs. A. Field, Mrs. N. Field, Mrs. E. Searles. Those unable to attend but who sent gifts were Mrs. V. Hill, Mrs. S. Killingbeck, Mrs. A. Ellis, and Mrs. J. Field. Lunch was served by Mrs. G. Anderson.

✧ ✧ ✧

Entertains WMS

Mrs. Ruth Reynolds generously opened her home on James St. to the September meeting of Ashburnham Group of George St. United Women's Missionary Society. After the scripture reading by Mrs. Reynolds and prayer by Mrs. Wand. Mrs. Gordon Brown sang two solos "My Faith" and "The Hem Of His Garment." Mrs. Roy Powell, assisted by several members, gave an introduction to the new study book on China describing progress of the Christian church there as told by Dr. Moorhouse, Mrs. Ruth Taylor and Dr. Beaton. Mrs. Ludbrook assisted the hostess in serving refreshments.

✧ ✧ ✧

Norwood YWA Meets

NORWOOD, Sept. 10 (ENS).—The YWA of St. Andrew's Presbyterian Church, Norwood, met at the home of Mr. and Mrs. G. D. McMillan on Wednesday evening. Mrs. William Golloher was in charge of the program. Mrs. Hary Godin read the Scripture, followed by prayer by Mrs. A. Bongard. Mrs. Golloher gave a reading, and Mrs. W. Small gave the topic. Hostess Mrs. S. Cassidy served lunch.

✧ ✧ ✧

Ferguson—Hubel

NORWOOD, Sept. 10 (ENS).—A quiet wedding was solemnized on Monday, September 6, in St. Paul's Anglican Church, Toronto, when Edna Rosmond, daughter of Mrs. Hubel and the late Mr. Hubel, became bride of Harry Osborne Ferguson, son of Mr. and Mrs. D. O. Ferguson, Norwood.

Given in marriage by her brother Gordon, the bride looked charming in a beautiful gown of turquoise crepe, with navy accessories. Their attendants were Mr. and Mrs. Harry Hubel.

The reception was held at the Old Mill, Toronto. After a short wedding trip they will live in Bobcaygeon.

✧ ✧ ✧

Plan Sunday Classes

Sunday classes of the Women's Friendly Bible Class of St. John's Anglican Church will begin again on Sunday at 2.30 p.m., and sewing classes begin on the following Wednesday, when there will also be a meeting for those interested in bowling. Various reports were also read at the first fall meeting held Thursday night, with Mrs. F. N. Biddle presiding.

A social evening will be held at the home of Mrs. Al Parton on September 21 at 8 o'clock. Mehbers reported that a quilt is now being made which will be drawn for some time in November. Refreshments were served by the hostess, Mrs. A. Parton.

BATHROOM TO LET

MARGATE, England— (CP)—Forty per cent of this coastal resort's houses lack bathrooms, an estate agent recently reported. Some people, he said, have got rid of baths so they can let bathrooms.

COLORFUL FUR COAT—Maybe a colored fur coat does sound freakish and overdone, and maybe it is when it isn't handled by a master designer. Cut on generous lines, it is of broadtail dyed a beautiful deep mediterranean blue. It is an ideal coat for afternoon and evening clothes that are straight and slim of silhouette.

Marmora Twp. Couple Married

MARMORA, Sept. 10—(ENS)—A pretty wedding took place at St. Andrew's United Church parsonage, Marmora, on Wednesday when Edna Marie Bronson, only daughter of Mrs. Frank Billings of Marmora Township was united in marriage with Leonard Milton Carman, son of Mr. and Mrs. Ross Carman, also of Marmora Township. Rev. George D. Young, BA, BD, officiated.

The bride wore a street length dress of blue crepe with gold sequin trimming and black accessories. Her corsage was a spray of ice box flowers and she wore the groom's gift of gold earrings. Alice Clemenger as her bridesmaid wore a black crepe dress with white trimming and a corsage of ice box flowers. Ezra Carman, uncle of the groom, was best man.

A reception was held at the bride's home where her mother received in a black crepe dress and corsage. Young friends of the bride assisting the hostess were Beulah Carman, Gladys McQuigge, Marjorie Clemenger and Mrs. A. Carman.

Following the reception the happy young couple left on a trip to Niagara Falls, the bride wearing a light blue wool suit with black accessories.

They will reside in Marmora Township.

Havelock News

Postmaster H. T. Mathison and Mrs. Mathison are in North Bay attending the postmasters' convention.

Mr. and Mrs. William Rice left this week for Western Canada and will visit friends and relatives for the next two weeks from Winnipeg to Edmonton.

Mr. and Mrs. Edward Henderson (nee Lois King) spent the holiday with the latter's mother, Mrs. E. King at Belmont Lake.

Olive Morley Married At St. John's

A lovely wedding took place Tuesday in St. John's Anglican Church when Olive Lillian, daughter of Mr. and Mrs. E. Morley, became the bride of Robert James Wyllie, son of Mr. and Mrs. J. Wyllie. Rev. Archdeacon W. P. Robertson officiated and music was played by Mr. F. G. Mann. During the signing of the register Mrs. James Morley sang "O Perfect Love."

Given in marriage by her father, the bride wore a long sleeved white chantilly lace gown with cowl neckline and polonaise skirt. Her veil of white net was edged with chantilly lace and caught with a halo of white feathers. She carried a bouquet of red roses.

Matron of honour was Mrs. Donald Dinsdale, and the bridesmaid was Miss Eileen Morley, sister of the bride. Both wore gowns of brocaded taffeta, wine for the matron of honour and shaded green for the bridesmaid. They wore hats of the same material and carried bouquets of Talisman roses. Best man was Mr. Don Dinsdale, and the ushers were Mr. S. Loyst and Mr. Art Morley.

After the ceremony a reception was held at the Empress Hotel, where the bride's mother received wearing a gown of midnight blue crepe with black felt hat, and a corsage of pink roses. The groom's mother, who also received, wore a gown of black crepe with satin peplum, a hat of black felt and a corsage of pink roses.

Later the bride and groom left for a motor trip. The bride wore a cream gabardine suit with brown accessories. They will live in Peterborough.

Mr. and Mrs. Albert Bartlett returned home Tuesday after spending some days with relatives in Toronto.

Mrs. Joseph Scott spent last week in Peterborough visiting their daughter, Mrs. John Wyllie, Jr., and other relatives and friends in the city.

G. B. MacKenzie, stellite sales manager for the Deloro Smelting Company, is sailing for England on a business trip.

DON'T BE AFRAID OF THE DARK—Don't look now, but not far behind you are the early dusks which lead to chilly, dark nights . . . dark before dinner, dark before 9-to-5 hours are finished. If you are about to ride in the afternoon, like the girls photographed above; if you are stopping to play on the way home from school; if you are a bicycle, walk, or dog strolling fan by night, through necessity or predillection, you'll go for the new reflector tape which, used as trimming on your clothes, warns the pouncing motor driver that you are dead ahead. Or rather, still alive, ahead, and flashing a beware signal. In good colors, both bright and tweedy, the tape (as seen stitched on the pants, lapels, cuffs in picture) makes a neat fashion detail and withstands dry cleaning, pressing and wet weather.

Of Interest to Women

US FIRST LADY, Mrs. Harry S. Truman, holds her new niece, Charlotte Margaret Wallace, after the infant's baptism in St. John the Evangelist Church, Denver, Colo. Mrs. Truman was honorary godmother at the ceremony. Charlotte is the daughter of David F. Wallace, Mrs. Truman's brother, and Mrs. Christine Wallace.

DOROTHY DIX

Good Stepfather A Blessing Bad One Curse To Family

DEAR DOROTHY DIX: I am a widow of 42, with a good, established business which brings me in a fine income. A poor but ambitious man wishes to marry me, and if I took him into my business we would be able to get along nicely. But he does not like my children and does not get along with them, and if I married him I probably would have to send them away to school.

Dorothy Dix

Please advise me as to what I should do?

WORRIED

✧ ✧ ✧

ANSWER: I would advise you strongly against making this marriage, because it surely would concerned.
bring great unhappiness to all concerned. Almost surely it would smashup of the home that you have built up with so much hard work and care. For if you put an unwanted father over your children they would rebel and fight him to a finish. He would be cruel in trying to assert his authority over them, and you heart would be torn in twain between the children you love and the husband you love.

The mean stepmother is very common, but we hear very little of mean stepfathers, yet they exist even more numerously than mean stepmothers. We take it for granted that a man who marries a widow with children will know how to get along with them and that he will be kind and good to them. Sometimes this is the case, but there are plenty of men who are filled with a deadly jealousy and resentment of their stepchildren and who make their lives miserable to them.

Bad Stepfather

A good stepfather is a blessing to children. A bad one is a curse. So a widow should be careful about whom she marries and certainly not choose a man who is even antagonistic before marriage to her children.

✧ ✧ ✧

DEAR DOROTHY DIX: I have a cousin in whose family there are four children. Their father is a man of high attainments, very orderly and prompt about everything he does, but the children are like their mother, whose house is always in confusion, whose work is never finshed and who is always behind time in everything.

Can you explain the psychology of this? Why do the children not folow their fine father, instead of their slipshod slovenly mother?

A RELATIVE

✧ ✧ ✧

ANSWER: The explanation of that is easy. It is the mother who is with the children all day long, who forms their habits. The children are disorderly and unpunctual because their mother has brought them up to be that way. They never have been taught the value of time, nor the beauty of an orderly life.

It is because the mother's influence over the children is so great in little things as well as big ones that every man should take a good, long, lingering look at his prospective mother-in-law before he marries his sweetheart. For, nine times out of ten, the girl will be just the same sort of housekeeper her mother was. She will be thrifty or extravagant as her mother was. And she will treat her husband the way her mother treated her father.

(Released by The Bell Syndicate, Inc.)

The Milk Foundation of Peterborough

THE STARS SAY . . . .

By GENEVIEVE KEMBLE

For Saturday, September 11

While there is definite promise of a most strenuous and hectic day, with much endeavor to put over major plans or objectives, yet a badly confused slant, a bewildered mind and a runaway tongue or temper, may combine to bring down a crash of drastic, devastating and revolutionary climax.

For The Birthday

Those whose birthday it is may find themselves in a year of sudden and drastic crashes, with plans and projects of major importance, "coming a cropper," and with devastating and disastrous denouement. Largely this may be attributable to an uncertain, beclouded and chaotic state of mind, quite unable to cope with matters of large scope and ambition. Subdue an innate tendency to act under highly stimulated and turbulent emotions.

A child born on this day may need early training and discipline, on its energetic, erratic drives.

Maple Products Give Canada National Dishes

By GLADYS LENNON

MONTREAL, Sept. 10—(CP)—Canada has its distinctive dishes to tickle a gourmet's palate, but look for them in the homes, not in hotels or restaurants.

Such is the dictum of Miss Estel Leblanc, director of L'Ecole Menagere Provinciale (Provincial School of Home Economics), a private school which annually enrolls some 1,900 French-speaking adults in courses in cooking, sewing and other household arts.

Miss Leblanc, in an interview commented on a statement made by a delegate to the Canadian Home Economics Association convention in Calgary, quoted in a Canadian Press item Aug. 27, that "outside of Quebec's pea soup," Canada has no national dish.

Said Miss Leblanc: "We have Canadian dishes — dozens of them."

What are they? Well, to start with the distinctively Canadian maple products, there are eggs poached in maple syrup; there are "Les Grandperes," dumplings cooked in maple syrup; there is "Tarte a la Feriouche", a pie made with maple syrup or molasses thickened with flour, sometimes with raisins added.

Another Dish

Then, to come to more substantial fare, there is the dish known variously as "Six Paille"—pronounced like sea pie—"six pates." Made of a combination of partridge, duck, wild rabbit and salt pork, it is cooked slowly for six to eight hours in a covered dish sealed around the rim with pastry to keep in all the flavor.

"If you can find that anywhere else but in Canada, I wish you would tell me," said Miss Leblanc.

Another particularly delicious dish is "La Tourtiere," a meat pie made with chopped pork or half pork and half chicken, seasoned and cooked long and slowly.

And, finally, let us not forget "Crepes"—pancakes to you, but pancakes with a difference. These are big—"as big as the frying pan"—and paper-thin. Stacked inches-high and cut pie-fashion, they are served with butter and maple syrup. "Delicious."

THE PICK OF BEAUTIES in territories outside the United States posed with Barbara Jo Walker of Memphis, Tenn., who was Miss America last year, when they arrived in Atlantic City, NJ, several days ago to compete for the title of Miss America of 1948. Representing their respective countries, the girls are, Left to Right: Yun Tan Zane, Honolulu, TH; Irma Vosquez, San Juan, Porto Rico; Miss Walker and Betty Jean Ferguson, Halifax, NS.

With The Girl Guides

1st St. Andrew's Prownie Pack

St. Andrew's Brownies will hold their first meeting on Wednesday at 6:15 p.m. The Wednesday evening meetings for this Pack will continue until the end of October, at which time they will revert to the Saturday afternoon meetings.

1st St. Andrew's Guide Company

The first meeting of St. Andrew's Guide Company will be held on Wednesday evening at 7 p.m.

3rd All Saints' Brownie Pack

This Pack will hold its first meeting of the season on Friday evening at 6:15.

3rd All Saints' Guide Company

All Saints' Guide Company will hold its first meeting of the season on Friday evening at 7.

We extend our best wishes to Tawny Owl Nola Smith of the Salvation Army Brownie Pack, who is leaving the city to become Salvation Army officer, and wish her every success in her new venture.

With the start of a new season we hope every Company and Pack will go all out in an effort to make this a bigger and better column. In our case, "no news" definitely isn't "good news."

The Scribe.

Brantford Girl Married In Blue Velvet

St. James' United Church was the scene of a pretty double ring wedding on Saturday, Sept. 4, when Shirley Lila, younger daughter of Mr. and Mrs. Daniel Hopkins, Brantford, became the bride of Ellwin Halliday Clysdale, youngest son of Mr. and Mrs. Merd L. Clysdale of Cottesloe. Pink and white gladiolus formed a lovely background for the ceremony performed by the Rev. F. W. Craik.

Traditional wedding music was played preceding the ceremony and during the signing of the register by Mrs. Goldie Newell, aunt of the bride.

Given in marriage by her father the bride wore a gown of blue velvet, fashioned with a low shirred yoke, with tiny Peter Pan collar, full sleeves with a snug band below the elbow and gathered skirt. Her head-dress was of matching blue velvet braided in the form of a halo and caught with tiny florets. She wore long white silk mittens and carried a shower bouquet of sweetheart roses and yellow and white gladiolus.

Mrs. Bernard Smith, matron of honor, was her only attendant and wore a two piece wool crepe frock in fuchsia with matching headdress caught with a touch of white lace. She carried a bouquet of yellow roses and mixed gladiolus. Groomsman was Auryl Clysdale, elder brother of the groom.

Following the ceremony a reception was held at the home of the groom's parents where the bride's mother received, wearing a gown of navy crepe with blue accessories, and a corsage of pink carnations and yellow gladiolus. The groom's mother also received, wearing a gown of midnight blue crepe with black accessories and a corsage of pink roses.

Tables at the reception were attractively set with pink and white tapers in silver holders and flanked with vases of snapdragons with a beautiful three-tiered wedding cake adorning the bride's table. Serving were Mrs. Goldie Newell, Mrs. Auryl Clysdale and Mrs. George McIlmoyle. During the lunch a toast was tendered to the groom's mother and father, on the occasion of their 36th wedding anniversary.

Later the couple left for a short trip for which the bride chose a brown suit with matching accessories, and a corsage of roses and gladiolus. They will live in Brantford.

IS BACKACHE CAUSED BY BOTH Kidneys and Liver?

When your back aches so you hate to straighten up—and short sharp twinges stab you at every sudden move—your backache may have several causes that *heighten* pain! That's why Dr. Chase's Kidney & Liver Pills brings such quick, effective relief to many who suffer with backache! For this time-proven remedy treats two conditions at once—contains special remedial ingredients for both kidneys and liver.

So if you feel tired, headachy—with painful joints and aching back—look to both kidneys and liver! Then look to Dr. Chase's Kidney-Liver Pills—for a reliable product used by Canadians for over half a century. The name "Dr. Chase" is your assurance. 7

SMALL—Mr. and Mrs. Jack Small (nee Irene Killingbeck), wish to announce the birth of a daughter at General Hospital, Guelph, September 9, a sister for Robbie.

2—Engagements

Mr. and Mrs. James Henry Barth, Riverside, Ontario, announce the engagement of their daughter, Rose Mary, to William Michael Roche, son of Mr. and Mrs. Martin Joseph Roche, Peterborough. The wedding will take place in Assumption Church, Windsor, on Saturday, September 25.

3—Marriages

COOKE—ROYEA — Mr. and Mrs. George Royea, announce the marriage on Thursday, September 9, of their daughter, Marguerite Isabel, to Thomas Percival, son of William Cooke and the late Mrs. Cooke.

4—Receptions

Mr. and Mrs. Leonard J. Clancey will be at home to their friends, at their home in Otonabee, after 4 p.m. Monday, September 13, on the occasion of their fiftieth wedding anniversary.

5—Deaths

WALLACE, Thomas Joseph—Of 10 Bowden Ave., Toronto, died at Keene on Thursday, Sept. 9, after a lengthy illness aged 78. Remains resting at Mather's Funeral Home until 2.00 p.m. Saturday, September 11, when they will be taken to Keene United Church for the funeral service.

6—In Memoriams

DRIVER — In loving memory of a dear son, Ivan, who passed away September 10, 1942.
Six years have passed since that sad day
When one we loved was called away;
God took him home, it was His will;
Within our hearts he liveth still
—Lovingly remembered by Mother and Dad.

DRIVER — In loving memory of my dear brother, Ivan, who passed away September 10, 1942.
Our happy hours we once enjoyed,
How sweet the memory still;
But death has left a loneliness
The world can never fill
—Sadly missed and dearly remembered by sister Grace.

REID—In loving memory of Daniel Reid, who passed away September 10, 1946, in his 77th year.
Gone but not forgotten,
By those who loved him dear.
—Ever remembered by Mr. and Mrs. H. Kerr and family.

ROBERTSON — In loving memory of my dear brother, Ernest Robertson, killed in mine accident, September 6, 1946.
I have only your memory, dear brother.
To remember my whole life through;
But the sweetness will linger forever
As I treasure the image of you.
—Lovingly remembered by his sister Roxie Downer.

Bethany Hills Groomed By City Skiers

BETHANY, Sept. 10—(ENS)—Bethany ski hills are to take on a "new look" this year. Work begins on Saturday, Sept. 11. Local help is being employed for much of the work and ski enthusiasts are giving their time voluntarily for digging post holes, cutting underbrush and moving rocks for the site of the new tow, shorter than the existing one, which will be located on the third hill running from the level of the chalet to the top of the hill. Plans are being made to extend the existing tow down to within 200 feet of the road, move the power unit to the bottom of the hill from it's present position at the top and remove the break in the tow to get to the top in one lift. These changes are expected to permit lower operating costs, give a full run out at the bottom, providing plenty of time to slow down and turn into the tow line. It will also make a non-stop ride to the top of the hill.

The Peterborough Ski Club have operated this property one mile north of the village, purchased from Harry O'Brian since 1936. Here the highest hill presents a drop of about 300 vertical feet in a length of about 2,000 ft. and the surrounding hills offer themselves admirably as a skier's paradise and present every type of slope one may desire: gentle open slopes for the beginner, wooded trails for those who like cross country touring and steep slalom or dangerous down hill runs for the more expert.

Andy Rutter was the first to discover the possibilities in these hills and so far as is known was the first man to travel down them on skis. Since their early development a long and efficient tow carries hundreds of skiers per hour to the summit from which point they may descend in any of a dozen different directions. A spacious, well built club house is situated in the centre of the property and a well equipped kitchen satisfies hungry appetites.

Bethany Hills are big enough to have been accepted by the Ontario Ski Association as the proving ground over which the 1939 Ontario Down Hill and Slalom championships were held.

WI Will Sponsor Town Hall Decorating

MARMORA, Sept. 10—(ENS)—The September meeting of Marmora Women's Institute was held Wednesday at the home of Mrs. M. Kouri.

The president, Mrs. E. C. Prentice was in the chair. Duties of secretary - treasurer were discharged by Mrs. W. G. Chrysler.

Attention was drawn to the district rally at Ivanhoe on Sept. 14 when the guest speaker is Mrs. Ida Brain of Hertfordshire, Eng.

A letter was read from Miss Elsie Irvine, county home economist on the project for girls' clubs this year.

It was agreed to give the annual donation to the Marmora Fair board.

Discussion was held on the proposed campaign for the interior decoration of Marmora town hall, which will be sponsored by the Women's Institute. Projects for starting the fund for that purpose were considered.

Also receiving consideration was the operation of the booth at Marmora Fair and plans were made.

It was decided to reorganize the girls' club and Mrs. W. G. Chrysler, Mrs. J. Nobes and Mrs. G. Sabine were appointed leaders. As it was agriculture night, Mrs. L. R. Green, agriculture convener gave a paper on the care of flower beds and planting of flowers.

A piano solo was played by Marina Kouri and a reading given by Mrs. H. W. Sabine. A song was sung by Mrs. E. C. Prentice.

The October meeting will be at the home of Mrs. Frank Grant.

Norwood News

Mr. and Mrs. M. Kinsey, Mr. and Mrs. Lorne Brown and Sharon spent a few days this week in the Georgian Bay district.

Mr. and Mrs. T. M. Lumsden have returned home from a vacation in London, Hamilton and Toronto.

Mrs. E. Murphy, Toronto, is the guest of Mr. and Mrs. D. O. Ferguson for one month. Week-end guests were Mr. and Mrs. L. Sampson, Mr. and Mrs. Clifford Maye of Hornby, Mr. and Mrs. Ferguson and their guests motored to Watertown, N.Y.

Mrs. J. Rorabeck is spending a few days with Mr. and Mrs. Ern Baptie.

Glenn Hubble has returned home from a vacation in Mount Denis. He was accompanied by his uncle Walter Hubble, Morgan and Jeannette.

SEATED BEHIND the shattered windshield of his car in Los Angeles, Cali., is merchant Searman L. V. Faries. Attempting to visit a friend aboard a freighter docked in the harbor, Faries suddenly found himself in the centre of a brawl between 300 CIO longshoremen and the AFL sailors. One of the longshoremen, seeing the letters S-U-P (Sailors Union of the Pacific) tatooed on Fairies' arm, promptly heaved a plank through the windshield, badly injuring him.

Kiwanis Club Radio Auction Saturday Night

First radio auction in Peterborough will be held on Saturday evening at 7 p.m. The auction is organized by the Kiwanis Club in aid of club work. More than 150 items are to be auctioned and they include anything from a return bus ticket to Ottawa to a radio set. The articles have been donated by merchants and manufacturers of the city.

The "nerve centre" of the auction will be in the basement of the Empress Hotel, where ten telephones will be in readiness to take bids from all parts of the city and district. The bids will be announced over the air, and all articles are expected to go below retail price. As the bids come in they will be posted on a large blackboard. The telephone number is the same for all ten phones and the number is 5781.

All articles are listed by number in Friday and Saturday's Examiner, and the starting bid is also given after each article. Bidding starts at 6.30 p.m. Saturday evening, and contestants can keep posted by listening to radio station CHEX.

This money-making venture is in lieu of a carnival and is the Kiwanis club's way of raising funds for the service work the club does in the district.

Ankle Broken During Ball Game

BETHANY, Sept. 10—(ENS)—During Wednesday evening's baseball game between Outboard Marines and Bethany, Bert Ginn of the Bethany team was injured. Second to bat for Bethany he had made third base when he tripped and fell at the baseline, resulting in a broken ankle.

Dr. G. M. Longfield and Lawrence Millson, school principal, took him to Peterborough for X-ray and he was able to return home late in the evening with the injured ankle in a walking cast.

Sixteen years of age, he has been a popular member of the Bethany team and on Tuesday had entered Peterborough Collegiate as a student, taking the Industrial Arts Course. He motored home on Wednesday evening to take part in the game.

The game, called on account of darkness in the fifth inning, resulted in a tied score 7-7.

Increase Sentence

TORONTO, Sept. 10.—(CP).—On appeal by the Crown, the Ontario Appeal Court yesterday increased from 10 months to a year the sentence imposed by Magistrate Woodliffe at Sudbury on Lewis J. Jones last June for escaping from Burwash. This is in addition to the term he is already serving for forgery.

SHAKESPEARE'S KIN

William Shakespeare, it is believed, had four sisters and three brothers.

Martin Praises Immunization

OTTAWA, Sept. 10 (CP) —Immunization is the only known means of protecting communities from epidemics of certain communicable diseases, Health Minister Martin said today in a statement issued on the eve of "National Immunization Week" which begins Sunday.

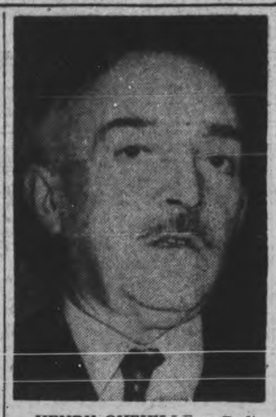
"Every year, young Canadian lives are lost because of diphtheria, whooping cough and other communicable diseases of childhood," Mr. Martin said.

"Safe and simple, immunization is the only known means of protecting entire communities from the ravages of these epidemics. That it can do so has been conclusively proved in some of our own Canadian cities.

"On the occasion of National Immunization Week, sponsored by the Health League of Canada, and supported by the Department of National Health and Welfare, I appeal to all Canadian communities—and to all Canadian parents—to see to it that every child in this country is given adequate protection by means of immunization."

ORIENTAL INVENTION

The invention of felt is sometimes ascribed to Oriental shepherds.



HENRY QUEUILLE, a Radical Socialist, who is attempting to form a cabinet at the request of President Vincent Auriol of France.

Roseneath News

Mrs. Willis Stewart of Tyrone is visiting her son, Mr. and Mrs. James L. Timlin.

Mr. and Mrs. Henry Haynes and Billie of Port Hope visited her brother, Mr. and Mrs. Willis Timlin this week.

Misses Leila Taylor and Olga Krawee, graduate nurses of Oshawa General Hospital who have been visiting the former's parents, Mr. and Mrs. Harold Taylor, return to Oshawa on Saturday.

Claxton Appeals For Volunteers To Boost Faces

OTTAWA, Sept. 10.—(CP). — Defence Minister Claxton in an interview today called upon the youth of Canada to step forward and "help us guard our country."

As he spoke, the Defence Department — sparked by a special committee—was wading into the greatest drive for recruits in Canadian peacetime history.

They are after an unlimited number of men to fill out the tri-service organization that will spend an estimated $80,000,000 this fiscal year.

Mr. Claxton said in the interview that "the international situation has produced changes in policy and conduct in every part of the world."

It had "produced an attitude in Canada towards defence different from anything we have ever had in peacetime.

"We are now engaged in building up forces we regard as the minimum necessary to meet defence needs of Canada. Our forces are not going to be large but we want them first-class—second to none anywhere."

The 1948-49 budget compares with the $13,000,000 voted in 1931, eight years before the Second World War.

EMPEROR BAO DAI of French Indo-China, dressed in Occidental fashion, relaxes on terrace of hotel while vacationing in St. Germain-en-Laye, France.

CANINE TEETH

A dog has 42 permanent teeth. Humans have 32.

Marmora Reeve's Son Wins $400 Bursary

MARMORA, Sept. 10 (ENS) — W. R. Hamilton, principal of Marmora High School, has received word from the Department of Education that Carl Lynch, son of Reeve Vincent Lynch and Mrs. Lynch of Marmora village has been awarded one of the Type "A" University Dominion - Provincial Bursaries, valued at $400.

Three of such Bursaries are granted annually to Hastings County.

Carl has applied for admission to the Faculty of Applied Science at Queen's University, has been accepted and will leave during September to commence studies there.

SALLY'S SALLIES

"But I told my husband to meet me here."

BARCLAY ON BRIDGE

THREE WAYS TO NIP HIM

YOU MAY NOT have enough trumps in the dummy to lead through the defender who has some honor or honors in tenace position. In that situation, you may not necessarily face an extremity. Perhaps toward the close of the hand you may lead some other suit from the dummy, at a time when he will have to ruff before you. Or you may be able to make his partner lead through him at that stage. A still further and third possibility is that you may manage to make him lead from his trumps into yours. Either might nip him.

	♠ K 9 ♥ J ♦ A Q 9 8 5 4 3 ♣ 8 7 3	
♠ None ♥ A K Q 9 7 6 3 ♦ J 7 6 2 ♣ J 10	N W E S	♠ Q 10 6 5 3 ♥ 10 8 ♦ K 10 ♣ Q 5 4 2
	♠ A J 8 7 4 2 ♥ 5 4 2 ♦ None ♣ A K 9 6	

(Dealer: East. Neither side vulnerable.)

East	South	West	North
Pass	1 ♠	2 ♥	3 ♦
Pass	3 ♠	Pass	4 ♠
Dbl.			

One of the most adroit declarers in national championship company, Sidney Silidor of Philadelphia, brought that contract home by astute planning and action.

At the outset he decided to play East for every one of the five outstanding trumps. So, after ruffing the second heart in dummy, he discarded his last heart on the diamond A and then began to shorten his own trumps by ruffing the diamond 3 with the spade 4. He went to dummy with the spade 2 to the K and led the diamond 4. East ruffed with the spade 5 and was overruffed by the 7. The club A and K were scored and the 6 led to East's Q.

To get out of his hand this time, East led the club 5 to the 9. With East holding the spade Q-10-6 and South the A-J-8, Mr. Silidor now led the 8. East had to use his 10 to win this. Now he had no option but to give up the last two tricks with a lead from the Q-6 into the A-J.

By this means Mr. Silidor managed to make his doubled game contract, losing only one trick each in hearts, clubs and spades.

* * *

Tomorrow's Problem

	♠ K 9 ♥ K 10 9 6 3 ♦ Q 4 3 2 ♣ Q 10	
♠ 10 8 7 3 ♥ 7 5 4 ♦ 10 7 ♣ A 4 3 2	N W E S	♠ Q ♥ Q J 8 ♦ A J 9 8 5 ♣ J 9 8 6
	♠ A J 6 5 4 2 ♥ A 2 ♦ K 6 ♣ K 7 5	

(Dealer West. Neither side vulnerable.)

How should South seek an extra trick on this tournament deal after West leads the club A and spade 3 against his 4-Spades?

Distributed by King Features Syndicate, Inc.

Plant Union Accepts Wage Offer

UE Suffers Set Back Independent Union Wins Outboard Vote

Outboard Marine employees on Friday night at the plant voted overwhelmingly in favor of accepting the latest company offer. The vote was 362 to 186. The balloting followed a widely-publicized day of charge and counter-charge in which the independent union officials claimed that "organized hoodlums" belonging to the UEW (CIO) had broken up the meeting on Thursday night and UE officials said that ballots had been marked.

The company offer, was a 9-cent increase for piece workers and an 11-cent increase for day workers. It was recognized that the matter of wages was the main issue. This year the independent union cancelled the contract which expires at the end of September and immediately began negotiating with the management for a new contract with the boosted wage schedule. Plant union officials pointed out that the new agreement had to be ratified by September 30 or retroactive pay would be lost.

Paved Way For UEW

While a vote last night rejecting the company's wage offer would not have meant that the UE would have replaced the independent union as bargaining agent for the employees it might have paved the way for such a thing happening in the very near future. Before the UE could have become bargaining agent a properly supervised vote under the Ontario Labor Board would have had to be taken.

Charles Meridew, secretary of the independent union, announced the majority of 174 late on Friday night after the vote of both day and night shift workers had been tallied. He said that for the shop alone, that is excluding the office workers, the result was: for, 289; against, 187—a majority of 102.

He said that Reginald Reid, the personnel manager, had agreed to sign the contract next week.

Originally the meeting had been called for Thursday night but it was adjourned by the president of the independent union when disorders followed the initial balloting.

Stories Conflict

Conflicting versions of what took place came from independent union officials and pro-UE members. After Lionel Edmunds, chairman of the negotiating committee, had told the meeting that it was "undesirable for us to be assimilated into a union such as

PLANT UNION

(Continued on Page 2, Column 2)

IN LINES SO LONG and so jammed that augmented police details were required to maintain order, men and women of Czechoslovakia paid homage to the late Dr. Eduard Benes, former president of the Czech republic who died recently. They came from all parts of the country, these mourners, some with babes in their arms, in a spontaneous tribute to Dr. Benes' unremitting but mostly unsuccessful efforts to keep Czechoslovakia free and democratic. This line in picture above is typical of the queues which formed to take a last look at Dr. Benes' body as it lay in state in the Resistance Memorial Building at Prague.

Delegates Agree On Division Of ERP Funds

PARIS, Sept. 11.—(AP).— The countries of western Europe today reached the first milestone in working together for mutual recovery when their delegates agreed on division of $4,875,000,000 in United States aid funds.

The council of the European economic co-operation organization prepared these agreements in a six-hour session Friday night. Work on the scheme for currency payments will continue today.

As soon as the council agrees on the currency proposals it will go to work on the details of the 1948-49 recovery program for submission to the American Economic Co-operation Administration.

The proposed division of United States aid for the first year as revealed by the council, gave Britain the greatest amount — $1,223,000,000. This was a cut of $10,000,000 from the British portion in the schedule originally drawn by the council's sub-committee of experts.

France drew the highest amount after Britain—$939,000,000 Other allotments included: Italy, $606,000,000; the Netherlands, $496,000,000, of which $84,000,000 is earmarked for the East Indies; Belgium, $250,000,000; Austria, $217,000,000; Denmark, $110,000,000; Norway, $84,000,000; Eire, $79,000,000; Turkey, $50,000,000; Sweden, $42,000,000; Trieste, $18,000,000, and Iceland, $11,000,000.

Under the proposed intro-European assistance program, six "creditor" countries which are expected to export more than they import are to open credits in their own currencies to other countries in need of imports.

Count's Wartime Record Is Being Sent to Canada

MONTREAL, Sept. 11—(CP).—The complete wartime record of Count Jacques Duge de Bernonville, charging him as being responsible for the deaths of "hundreds" of allied troops and members of the French resistance, will arrive in Canada "within the next 48 hours," it was reported today.

The count, who is under a death sentence in France and who is now fighting a deportation order from Canada back to his homeland, will also be charged with menacing the safety of the state, land-grabbing, arson, violence and theft.

The count, now in immigration quarters pending hearing of a writ of habeas corpus procedings which are scheduled for Tuesday, was convicted of these offences Oct. 8, 1947, in absentia.

The disclosure came simultaneously with word that Canadian authorities had investigated French claims that De Bernonville's alias of Jacques Benoit had been assumed following the "disappearance" of a Canadian officer who parachuted into the Lyons area.

The investigation, it was said, proved beyond a doubt that the original Benoit was dead.

Meanwhile, reports that a fake passport ring was operating in Quebec was minimized by both immigration authorities and other informed sources.

But it was learned that immigration officials were equally concerned with attempts to bring Fascists into Canada as well as Communist efforts.

Baby Drinks Gas

PRINCE GEORGE, B.C., Sept. 11 (CP) — Sarnia Proctor, 22-months-old daughter of Mr. and Mrs. Bud Proctor of Penny, east of Prince George, died today shortly after drinking gasoline. The infant sipped the fluid from a container while her mother was filling a gasoline iron.

Most Of Surplus Gotten In 5 Mos.

OTTAWA, Sept. 11 —(CP)— Ninety-two per cent of the $489,000,000 surplus Finance Minister Abbott anticipated for the fiscal year 1948-49 was accumulated within its first five months, the federal treasury reported today.

It rolled up a $454,515,000 surplus between April 1 and Aug. 31, compared with the $443,972,000 for the same period of the previous fiscal year. The total 1947-48 surplus was $670,000,000.

The treasury said grand total receipts in the latest April-August period reached $1,115,197,000 compared with $1,170,756,000 for the same period last year. Comparative exepnditures were $660,682,000 and $726,784,000.

Largest contributions to the 1948 total came from excise taxes with $237,444,000 and income taxes with $610,000,000, compared with $229,000,000 and $629,000,000, the latter figure including some excess profits taxes.

Family allowances payments were up from $109,000,000 to $112,000,000. Prices Board costs were down from $20,000,000 to $8,500,000.

Canadians Sail On Royal Tour

WEYMOUTH BAY, England, Sept. 11 (Reuters). — Preparations are under way here to convert the giant 45,000-ton battleship Vanguard into a floating palace to take the King and Queen and Princess Margaret on their Australian tour next January.

The Vanguard, world's largest battleship, and the ninth to bear the name since 1586, is manned by a crew of 1,651 officers and men. A request by 100 Royal Naval conscripts to postpone their demobilization until after the tour has been granted by the Admiralty and they will be allowed to sail with the Vanguard.

Three midshipmen of the Royal Canadian Navy will make the trip. They are Bob Young of Kelowna, BC, Bob Whyte of Shawinigan Falls, Que., and Hugh Plant of Montreal. They served aboard the Canadian warships Uganda, Ontario and Crescent.

The Vanguard's commander, Capt. Frederick Parham, served aboard the battleship Malaya with the King in the First World War. He was a midshipman, the King a lieutenant.

Nizam Rejects Indian Order

HYDERABAD, Sept. 11—(Reuters)—The Hyderabad government has rejected India's demand to station Indian troops in Secunderabad, official sources stated here today.

They said this final reply to the government of India was sent to New Delhi Friday night.

Pandit Jawaharlal Nehru, Indian Prime Minister, declared "we march" if the Moslem Nizam of Hyderabad rejects India's demand for the re-admission to the garrison town of Secunderabad, near the Nizam's capital.

"With great regret we shall still occupy Secunderabad," he said.

Rule Excessive Speed Caused Aseltine Death

PICTON, Sept. 11.— Excessive speed and loss of control of his car resulted in the death of George Aseltine of Belleville, a coroner's jury decided. An inquest was held last night at Roblin's Mills with Coroner Dr. R A Thompson of Wellington presiding. Aseltine lost his life on the morning of Aug. 31 at Rossmore on Highway 14, when his car left the road and folded itself around a tree.

Will Ease Butter Shortage By Imports From Abroad

OTTAWA, Sept. 11—(CP)—The government is expected to announce next week it has arranged for supplies from other countries to counteract a Canadian winter butter shortage that Agriculture Minister Gardiner has estimated my hit 15,000,000 pounds.

It was learned from an authoritative source Friday night the cabinet has agreed to import sufficient quantities to head off the shortage.

The announcement is expected to give the details of a move believed to involve not one but several countries. Negotiations have been going on over a period of months, particularly with Australia, New Zealand and Denmark.

Disclosure of the decision coincided with latest Bureau of Statistics figures which showed creamery butter stocks amounted to 50,592,000 pounds at Sept. 1—almost 17,000,000 pounds less than the 67,112,000 on hand at the same time in 1947.

These figures underlined the August warning of the National Dairy Council which predicted a butter famine worse than that of last winter and called upon the government for action, either in the form of imports, support for production, or supply of a substitute.

Supplies from Australia and New Zealand hinge largely on contracts they have with the United Kingdom which call for most of the surpluses to be shipped there. However, their agreements have a clause which allow some shipments to dollar countries such as Canada if they find themselves short of hard curency.

The Bureau of Statistics figures showed that the Sept. 1 total was a considerable jump over the 44,844,000 for Aug 1 but the Aug. 1 total was only 14,000,000 behind its 1947 counterpart.

Invade Apt. Of Manager Above Office

Dairy Truck Horn Scares Gunmen Leave Without Loot

ELMVALE, Ont., Sept. 11 (CP) —Three hooded gunmen escaped empty-handed after a dairy truck horn scared them away from the deposit boxes they rifled in the Bank of Toronto early today.

Bank manager John Schaeffer said the gunmen slugged him over the head with a gun barrel and tied him, his wife and his two sons with ripped bedclothes.

Mr. Schaeffer said he came home to his apartment over the bank about 11 p.m. and bumped into a man wearing a black satin hood. He was slugged with the gun butt and forced downstairs where the bandits demanded that he open the deposit boxes.

"I told them it was a time lock and that I was unable to open it. They didn't believe me and threatened to shoot me. I finally convinced them and using the bank's screw driver they started to pry open deposit boxes."

Police said the men didn't get any cash and if they escaped with bonds, most of them were registered.

While they were opening 13 deposit boxes a dairy truck horn sounded in the street, scaring them away.

Before they left they tied Mr. Schaeffer and his two sons as well as his wife who returned home in the middle of the attempted robbery.

The gunmen warned the family that if they talked too much they would return and "fix them."

8-Year-Old Girl Smothered

BANCROFT, Sept. 11.—(ENS). —Gale Joan, 8 year old daughter of Mr. and Mrs. Cecil Ray, Bird's Creek, smothered to death Friday night, when she fell head first into a post hole on her father's farm.

She and her two year-old sister, Jo Ann, went for the cows about 6.30 p.m. and also intended to catch frogs for bait. When they didn't return in a reasonable time Mrs. Ray set out in search and found Gale head first in a post hole 150 yards from the house and the other daughter was standing in another post hole some 75 yards distant.

The father had dug the holes about a week ago intending to erect a new fence but the carpenters arrived in the meantime to build his new home and he turned his efforts toward helping them, intending to finish the fence later.

There are four other girls in the family. Just this summer Gale planted her own garden, reaped her first harvest, canning the fruit herself.

Dr. O. W. Anderson, coroner, and Corporal S. W. Palamteer, provincial police of Bancroft, investigated.

Scotland Yard Joins Search For Rembrandt

LONDON, Sept. 11 — (CP). — Scotland Yard has joined an international search for a war-lost painting, believed to be a Rembrandt worth 2,000,000 Belgian francs ($45,320).

The painting, that of an old man with a long white beard, wrinkled face and bald head, wearing a necklace pendant, was last heard of in 1938

Its owner, Mme. Marie Loire, a rich French woman, gave it to a Belgian named Jean Depasse who took it to his home in Brussels. Police inquiries after the war showed that Depasse and his family were dead but there was no trace of the valuable painting.

Scotland Yard has been asked to help by Brussels police and the Paris Surete who have begun the international hunt through the International Police Commission. It is thought possible that the painting may have been looted by the Germans during the war or may have found its way to the United States where there is a good market for such art.

Accept Proposal

MOSCOW, Sept. 11—(AP). — Tass, the Soviet news agency, said today Russia has given provisional acceptance to a United States proposal for a four-power meeting in Paris Monday on the fate of Italy's pre-war colonies. Tass quoted a Soviet note addressed to the United States Friday. It said Russian acceptance hinged upon acceptance of the US proposal by Britain and France. The Soviet note said the American reply to a Russian proposal last week for a Foreign Ministers' Council on the Colonies did not correspond "to conditions of the peace treaty with Italy."

Pearson Sworn In New Cabinet Post

OTTAWA, Sept. 11 (CP)—With one major addition to his cabinet, Louis Stephen St. Laurent, for all practical purposes, Monday starts his career as Canada's Prime Minister.

The addition is Lester Bowles (Mike) Pearson, the popular, unpretentious Oxford graduate who at 51 ends 20 years as a career diplomat to become Secretary of State for External Affairs. He left the post of Ambassador in Washington two years ago to become Undersecretary for External Affairs.

His appointment Friday by William Lyon Mackenzie King at his last Canadian Press Conference as Prime Minister, Mr. King said he would leave Mr. St. Laurent in charge as acting prime minister when he leaves Monday for the Paris meeting of the United Nations and the London meeting of Commonwealth Prime Minisers.

Takes Over In November

He said Mr. St. Laurent will be in complete charge and that he will become prime minister officially when Mr. King return in early November.

Mr. Pearson will bid for a Commons seat in an Oct. 25 by-election in the Ontario riding of Algoma East. The present Liberal member, Thomas Farquhar, 73, is going to the Senate.

The conference was highlighted by the Pearson development, a political coup of the first order for the Liberal party, but there were these other announcements:

1. The cabinet will hear an appeal by the seven provinces against the award last March of a 21-per-cent increase in railway freight rates.

Likely Ask UN Investigate Berlin Crisis If New Bid To Soviet Fails

Russian Newspapers Accuse Western Allies Of Inciting Germans Against Reds; Also Blame West For Supporting Spy Ring

LONDON, Sept. 11 — (AP). — Western power diplomatic sources reported today Britain, the United States and France will ask the United Nations to investigate the Berlin crisis if a new direct bid to Russia for a settlement fails. The source said Western-power envoys in Moscow had been instructed to request an immediate new meeting with Prime Minister Stalin to reach a settlement.

Whether the request actually had been submitted was as yet not known here.

If the new appeal to Stalin fails and the western powers resort to the United Nations machinery, the step could be taken either through the Security Council or the General Assembly.

The Security Council is scheduled to meet in Paris Sept. 15 and the General Assembly session opens there six days later.

The western powers presumably would pick the Assembly since Russia could block a Security Council inquiry by exercising her veto—if she wished. There is no veto in the Assembly.

"Incite Berliners"

BERLIN, Sept. 11 (AP)—The Soviet military administration's official newspaper today accused the Western allies of "inciting Berliners against Russia and Communism.

The entire Communist press railed against anti-Communists in the most abusive terms it has yet used. It warned that Thursday's bloody street fighting, which followed a huge anti-Communist demonstration, might have "serious consequences."

The obvious aim was to guild up tomorrow's Communist counter-rally in the Soviet sector and intensify Communist demands that Berliners must eject the elected anti-Communist city government.

Meantime the Russian-licensed news agency, ADN, reported Friday night that a German-led spy ring "supported" by British and United States authorities had been smashed in Eastern Germany with the arrest of 15 agents.

The report said all the arrested agents were under orders from Kurt Schumacher, Social Democrat leader in western Germany and had "the fullest support of American and British occupation authorities.' It hinted that Schumacher's Socialists operated an underground throughout the Russian zone.

LIKELY ASK

(Continued on Page 2, Column 6)

LESTER B. (MIKE) PEARSON, who was named Friday to succeed Louis St. Laurent as external affairs minister. Former ambassador to Washington, he has been undersecretary for external affairs. He will seek election in Algoma East.

US Troop Ships Evacuating 20,000 Filipinos

MANILA, Sept. 11.—(AP). — Most of the 20,000 Filipinos still on the volcanic Isle of Camiguin were being loaded on a United States army troop ship today in the ominius shadow of erupting Mount Hibokhibok.

The mile-high volcano still blew out dangerous, but not deadly, gases, and geologists saw a possibility of a new and violent eruption. But for the moment at least the situation appeared in hand.

A second big United States army transport, the 15,000-ton General Morton, was rushing to the island to help evacuate refugees It is due to arrive tomorrow.

The 17,812-ton army transport Gen. William Weigel had picked up some 8,000 refugees at the east coast port of Binoni and the south coast port of Sagay and removed them to Mindanao.

Arturo Alcaraz, government volcano expert who ordered the general evacuation when acidic ash began raining down late Thursday, radioed that the volcano still was blowing dangerous gases.

He said these were not deadly. However the radio station at Mahinog, the island's last link with the outside world, appealed for gas masks so its operators could stay on to the last.

Judge Currey Heads Milk Bd.

TORONTO, Sept. 11.—(CP).— Judge A. B. Currey of Gore Bay, Manitoulin Island, has been appointed chairman of the new Milk Control Board of Ontario, Agriculture Minister Kennedy of Ontario said Friday.

Two former board members, W. G. Ovens, of Peterborough representing distributors, and W H. Wilmot, representing producers, have been asked to carry on until a new board is constituted, the minister added.

"Judge Currey's duties will be mainly judicial," said Mr. Kennedy. "He will pass on new applications and mete out punishment for infractions of the Act" Judge Currey, a former resident of North Bay, has acted as arbitrator in connection with the work of several farm produce boards which negotiate on price scales with canners and other purchasers.

Evacuation Plans For 500 Outlined

OTTAWA, Sept. 11.—(CP).— The External Affairs Department outlined Friday evacuation plans worked out "in advance" for some 500 United Kingdom, Canadian, American and foreign nationals residing in the princely state of Hyderabad which refuses to accede to Indian government rule.

The evacuation, expected to be complete in the next few days, began Friday as two planes bearing 59 evacuees arrived at Madras airport in India.

Five Canadians, vanguard of some 40 in the state, were included in the evacuees. Names of all 40, mostly missionaries, are being withheud until their whereabouts have been established.

Deep-Sea Sailors Likely To Take A Strike Vote

MONTREAL, Sept. 11 — (CP). — A strike vote by deep-sea sailors was held probable today, following rejection of new contract proposals of shipowners by Canadian Seamen's Union members in all Canadian deep-sea ports.

The C.S.U. announced Friday the membership in all ports had met and turned down shipowners' proposals to cut wages and overtime, and had recommended that "the national executive conduct an immediate strike vote to win its demands."

Such a strike, the union statement said, "would tie up all ships operated by the companies involved, regardless of what articles they operate under or the nationality of their crews."

This step was taken because a "number of companies" had placed the ships "under foreign articles, employing foreign seamen and thereby displacing Canadian seamen," the union said.

A strike would affect about 6,000 deep-sea sailors on both coasts.

James Thompson, Pacific coast vice-president of the union, said a walkout would involve 1,000 crew members on 34 freighters operating out of Vancouver.

It was reported the seamen had been asked to take a $20-a-month pay cut and a 10-cent-an-hour reduction in overtime pay, as well as changes in hiring-hall procedure. The union countered with a demand for a 15 per cent wage increase.

Thompson charged that changes proposed by shipowners in hiring-hall routine would wreck our set-up."

Obituaries

THOMAS NEWTON

Thomas Newton, 83, descendant of one of Cavan Township's pioneer families, died on Monday at his home on Roehampton Ave., Toronto.

Mr. Newton was born and educated in Cavan. Together with his brother John R. Newton who died in December he at one time carried on a tailoring business.

In 1889 he married the former Francis Sanderson of Fairmount and moved to Toronto with his family in 1911. There he carried on a successful painting and decorating business.

In addition to his wife, he leaves two daughters, Mrs. Maddigan (Ruth) and Mrs. Jackson (Jessie); three sons, Nelson, Charles and Claude, all of Tornto. He is also leaves several grandchildren.

Funeral was held on Thursday from the Trull Funeral Home, Toronto with the Rev. J. E. Whitham formerly pastor of Cavan United Church officiating. Pallbearers were James Jackson, Robert Newton, Lloyd Newton, Bert Allan Jones and John Wright.

Burial was in Westminister Memorial Park.

The Weather

Peterborough Temperatures:

Today:
Night low..43 Noon...63

Yesterday:
Highest....70 Lowest..49

One Year Ago:
Highest....83 Lowest..67

Sun—Rises at 6:52; Sets at 7:36

During the night a covering of high cloud moved in from the west across the province and occasional light rain fell in northern regions. This cloudiness will remain during today and some light rain will fall again tonight, but clearing skies are anticipated over Sunday as drier air from the prairies moves over Ontario.

Forecasts:

Sudbury, Lake Erie, Lake Huron, Western Lake Ontario, Niagara, Georgian Bay and Kirkland Lake regions — Cloudy clearing about noon Sunday. Intermittent light rain Saturday night. Not much change in temperature.

Summary for Sunday: Cloudy, then clearing.

Eastern Lake Ontario and Haliburton regions — Cloudy today and most of Sunday clearing Sunday afternoon. Intermittent light rain Saturday night. Not much change in temperature.

Summary for Sunday: Cloudy. Afternoon clearing.

Britons Relive In Memory Great Page In Air History

LONDON, Sept. 11 — (CP).— Britons will relive in memory the most glorious page in their air-war history September 13-19 — the eighth anniversary of the Battle of Britain.

More than 200 RAF planes take the air next Wednesday to commemorate the days of 1940—many call them the turning point of the war—when British and German aircraft blasted one another from the skies.

A "flypast" highlighting annual celebration of the sky batle, will be led by a lone Hurricane fighter. It will be piloted by "one of the few," an anonymous symbol of the Empire victory over the black bombers of the Luftwaffe.

As waves of British bombers and fighters fly over London's Trafalgar Square at four-minute intervals, Britons will recall moments when Hurricanes, Spitfires, Messerschmitts and Heinkels jockeyed for supremacy in the air.

From shop doorways the curious yet fearful would watch the battle. Some would keep scores of "wins or losses"; others would cheer and groan; all would dive for cover when the whine of the bombs was heard.

A Great Day.

September 15, 1940, was a "great day." It was Sunday. The Luftwaffe made its greatest effort to master the RAF's Fighter Command. They were routed—and from then to late October the German offensive waned.

The Battle of Britain lasted 85 days. The RAF initially claimed Germany lost 2,375 aircraft in daylight, but official German figures which became available after the war put losses at 1,733 and 643 damaged.

The RAF lost 815 aircraft and 428 were damaged. Pilots killed an missing numbered 481 and 422 were wounded.

There will be several Canadians in the fly-past, but none of them are in the RCAF. They are all attached to the RAF.

Canada's only RCAF representative is Sqdn. Ldr. D. G. Malloy, Ottawa, who will be piloting a Vampire jet-fighter in one of the initial displays to be given to the public.

MORE ABOUT—

Plant Union

Continued from Page 1

the UE which is Communist-dominated," the balloting began.

A controversy arose when some of the members claimed that the ballots were marked. Pro-UE unionist claimed that each man's initials were pencilled on the back of the ballot so that the company could later determine how they had voted. This was denied by Mr. Edmunds who said that it was the "regular procedure" for scrutineers to put their own initials on the back of ballots that they issued.

He charged further that the only irregularity was one ballot initialed on the front instead of the back by a scrutineer and that this scrutineer had been told to do so by a pro-UE member of the election committee.

He said that the purpose of this was "to raise a minor technicality over which they (i.e. the UE members) could declare the vote invalid. Later he described the UE faction as "organized hoodlums".

Shouting and general noise rose to such a point that the meeting was called off after lasting for only half an hour and it was announced that a fresh vote would be taken at the plant. It was after the meeting was dismissed that trouble occurred.

Stories of a free-for-all were discounted by police who say that they broke up a fist fight by two men behind the Legion Hall where the meeting was held, but that there was no wild outbreak of fighting.

This year the UE has made a strong bid to replace the independent union as bargaining agent. But the decisive vote registered on Friday night indicates the likelihood of the employees remaining members of the plant union for another year.

The balloting on Friday was from 1.30 to 6 p.m. for day workers and from 6 p.m. to 10 p.m. for the night shift workers. However all the voting was completed before 9 p.m. when it was announced that the report of the negotiating committee accepting the company offer had been ratified by a vote of 362 to 188.

Plant union officials said that in contrast to the previous night's meeting there had been "no trouble or rowdyism."

DAPPER NEW MANAGER

At Little Rock, Ark., President Earl Mann of Atlanta Crackers of the Southern Association announced here Friday that he had picked Catcher Cliff Dapper, 29, of Montreal Royals to be the next manager of the Crackers. Mann said it all depended upon whether Montreal of the International League could obtain waivers on the receiver, who was chosen the most valuable player in the Southern Association last year, when he was with Mobile.

Cheese, Produce And Livestock

TORONTO PRODUCE

TORONTO, Sept. 11 — (CP). — Produce prices on the spot market here today were quoted as follows:

Churning cream unchanged. No. 1 74 cents fob; 78 delivered. Butter prints unchanged. First grade 70½; second grade 69½.

TORONTO FRUIT

TORONTO, Sept. 11 — (CP). — Wholesale fruit and vegetable prices today were unchanged with the following exceptions:

Tomatoes, 6 qts., 30-40; 11 qts., 50-75; No. 2 peaches, 50-60; plums flats 40-50; lettuce, doz., 75; cauliflower $1-$2.50; corn, doz., 30-35; Bartlett pears, domestic 75.

WINNIPEG GRAIN

WINNIPEG, Sept. 11 — (CP). — Winnipeg coarse grain prices continued to show strength Friday on the Winnipeg Grain Exchange, with hedging sales on a reduced scale well absorbed in oats and barley by shipping and processing interests as well as American demand.

Crushing firms were on the buying side of flax as well as some United States interests. Commission houses were buyers of rye. Offerings were on a lighter scale than of late and trade was just moderately active.

In yesterday's export business, 270,000 bushels of Canadian wheat was allocated to the United Kingdom. Class 2 wheat prices advanced 1 cent.

EARLY TIN MINES

Cornwall, England, was one of the world's earliest sources of tin.

Haven't Studied River Statement

OTTAWA, Sept. 11 — (CP). — Prime Minister Mackenzie King said Friday the government has not considered President Truman's recent statement on the development of the St. Lawrence deep seaways and power projects.

Mr. Truman recently said he would be against development of the power projects separately from the seaways projects.

Mr. King said any government comment would be withheld until the statement has been studied.

In 1941 Canada and the United States agreed to develop the power and seaways projects. The seaway would provide a 2,000-mile ocean-going channel from the Great Lakes to the sea. The agreement called for the development of the International Rapids section of the river near Cornwall. The power output would be divided between Ontario and New York State.

Governor Dewey of New York and Premier Drew of Ontario recently announced that they planned to seek permission to go ahead with the power projects before the work on these seaways began.

Following their announcement, Mr. Truman made his statement, indicating that permission to go ahead with the power developments would not be granted.

MORE ABOUT—

L. B. Pearson

Continued from Page 1

2. Dr. William Kaye Lambe of Vancouver, Librarian of he University of British Columbia, has been appointed Dominion Archivist to succeed the retiring Dr. Gustave Lanctot.

3. Mr. King doubts that he will be able to make a farewell cross-country tour this year.

Sworn In

Mr. Pearson appeared at the press conference shortly after he was sworn into the cabinet. As he steps up to succeed to the foreign portfolio, his predecessor, Mr. St. Laurent, will return to his old job as Justice Minister as a temporary measure.

Mr. Pearson has had a brilliant and varied career. Born in Toronto in 1897, the son and grandson of Methodist ministers, he has been a soldier, war pilot, stockyard worker, University of Toronto history lecturer, and started out to be a diplomat in 1928. His career diplomatic years were climaxed with a distinguished record in the United Nations.

Mr. King gave no indication who would succeed him and said the matter would be decided by Mr. St. Laurent and the cabinet.

Higher Taxes Facing France

PARIS, Sept. 11—(AP).—Premier Henri Queuille today offered France a program of budget reductions and increased taxes in an attempt to get the country back on its financial feet. Backed by a National Assembly vote of 351 to 196, confirming him as Premier, Queuille sought to form a new centrist government. He offered a financial policy along the same general lines as his two predecessors, Andre Marie and Robert Schuman. The same policies caused the downfall of the two governments.

To adherents of Gen. Charles de Gaulle, the Premier tendered a vague promise to consider the general elections which they are demanding. He said the question of elections will be taken up with the Assembly after the country's financial difficulties are solved.

This apparently was not enough to win the support of the De Gaullists, but they refrained from voting against Queuille, most of them registering absentions.

Election Demands

Demands for elections were voiced again Friday by De Gaulle as he started a political tour of Southeastern France and Corsica.

At Avignon, he said:

'I am ready to assure the destiny of the country. I am sure of the country's choice when it is given a chance to express itself."

Queuille, a Radical Socialist (Conservative), said he would start forming his government today. He is expected to take the important finance ministry himself, in addition to the premiership.

Schuman is expected to retain the foreign ministry he held in the Marie government and in his own short-lived cabinet.

Black Tarquin Wins St. Leger Stakes

DONCASTER, England, Sept. 11.—(CP).—Black Tarquin, ridden by E. Britt, today won the St. Leger stakes, last classic of the flat racing season, run over one mile, six furlongs.

Alycidon was second and Solar Slipper third out of a field of 14 runners.

Asks US Intervention

WASHINGTON, Sept. 11 (AP) —The White House Friday acknowledged that a request has been received from the Nizam of Hyderabad for President Truman to help settle the dispute between Hyderabad and India. But presidential secretary Charles G. Ross told reporters a request must come from both parties before a president can use his good offices to settle such a dispute.

Overcrowded Class Rooms Problem at School Opening

By The Canadian Press.

Canadian schools faced the dual problems of overcrowded class rooms and a shortage of teachers to-day as students started their first week of study in the new school year. In many cases the crowded conditions could be atributed to the first influx of "war babies" who this year reached school age.

The shortage of teachers was said to be due to a number of reasons such as the smaller proportion of new teachers to the number of new pupils, insufficient salary offers, or refusal of teachers to teach in rural areas.

In Ontario, the situation was much the same as in the rest of the Dominion although some of the larger cities such as Toronto and Ottawa reported no crowding and no shortage of staff. Some towns and cities arranged to transfer pupils from one school to another and many centres such as Peterborough, Brantford Townhip, Galt, Woodstock, St. Thomas, Aylmer, Port Stanley, and Su[illegible] have built or are planning to build new schools or additions to schools.

Some Ontario centres report they have had to hire teachers not fully qualified and, in some cases, married women have been called back into service.

Manitoba reports that all its student body can be accommodated with the situation not quite so crowded as last year, but some schools are without teachers.

A high percentage of Alberta schools were still closed because of a ban on children 14 and under because of fear of a poliomyelitis epidemic. They were expected to re-open this week, however with a decline in the prevalence of the disease.

Mail Gets Through

Earlier it was announced in Frankfurt a United States court had sentenced Count Heinrich Von Einsiedel, 26, great grandson of Bismarck, Germany's "iron chancellor," to six months in jail for carrying false papers.

Railway officials in Hannover said Friday night the Russians allowed eight railway cars of mail to travel from blockaded Berlin to the British zone of Germany during the day. A British transport official in Berlin said it had no "significance as far as the blockade of Berlin is concerned."

Lord's Day Act To Be Enforced

TORONTO, Sept. 11 (CP) — Unless and until changes are made in the Lord's Day Act it remains the duty of Ontario authorities responsible for law enforcement to "reasonably enforce" the law, Attorney-General Blackwell said Friday in a statement which said reports of breaches of the Act at Ontario resorts are being studied.

The Ontario Attorney-General "intends to proceed with prosecutions where sufficient evidence is available either through police reports or the report of interested citizens," said the statement.

"This department wishes to make both those in authority and the general public aware of the fact that it has been obtaining reports on breaches of the Act both in areas policed by the Provincial Police and in areas where policing is locally directed and intends to proceed with prosecutions where sufficient evidence is available either through police report or the report of interested citizens."

Frank R. Hendren Buried In Lakefield

The funeral of Frank (Roy) Hendren, who died in Toronto General Hospital on Monday, September 6, 1948, after a lingering illness was held from Humphrey Funeral Chapel, Yonge and Eglington Streets, Toronto, on Wednesday, September 8, at 1 p.m., with burial at Hillside Cemetery, Lakefield.

He was the son of the late Abel Hendren and Annie Coates, and was born in Lakefield 76 years ago. He attended Regent Street United Church, which his father built years before. Floral offerings were many, showing the high esteem in which he was held.

He leaves his wife, formerly Euphrasia (Girlie) Lawrence, his daughter, Mrs. Lionel Foord (Frances), and son Lawrence (Bud), all of Toronto; two brothers, Howard of Vancouver, and Gordon of Toronto. Also his stepmother, Mrs. Delia Haight of Toronto, and three half-sisters, Mrs. W. Forster and Mrs. Johnston of Toronto, and Mrs. Gerald Kennedy of Sudbury. He was a member of A.F. and A.M., Toronto Lodge.

Rev George Kelly of Lakefield conducted service at the grave.

Pleads Guilty

ST. JEROME, Que., Sept. 11—(CP)—J. E. Cote, 24, ex-bartender from Sherbrooke, pleaded guilty Friday in connection with a young girl employee of the bank was allegedly involved. Cote was charged with conspiracy. He will be sentenced later. The girl pleaded innocent to a theft charge and will stand trial in October.

PRAIRIE CROPS

Western harvest is continuing at a rapid pace, the CPR reported today. There has been some frost but no damage. Wheat percentages cut are: Manitoba 86 Saskatchewan 80, Alberta 50.

Barnabas, A Good Man

Scripture—Act. 4:32-37; 9:26-31; 11:22-30; 12:25—13:7, 43-52; 14: 1-20; 15: 1-39; I Corinthians 9:6; Galatians 2:1-13; Colossians 4:10.

BY NEWMAN CAMPBELL

"And Joseph, who by the apostles was surnamed Barnabas (which is, being interpreted, son of exhortation), a Levite, a man of Cyprus, by race."

Thus are we introduced to Barnabas, whose name heads this lesson. He was a steadfast man, a friendly man; and just, one who not only was a zealous preacher and teacher of the gospel, but traveled extensively to spread it to all who would hear him.

We first hear of him when he sold his land and laid the proceeds at the feet of the apostles at Jerusalem. This was shortly after the first persecution had taken place in Jerusalem, and this fourth chapter of Acts tells of the beautiful spirit which possessed the members of this small congregation, who were banded together in love—of one heart and one soul. They owned all things in common, and funds were distributed to each man as he had need.

MEMORY VERSE

"Let us not love in word, . . but in deed and truth."—I John 3:18.

We next hear of Barnabas when Saul (later Paul) came to Jerusalem. Paul tried to join the Christians in their church group, but they were afraid of him because of his former persecution.

Barnabas, however, was not afraid. He "took him, and brought him to the apostles, and declared unto them how he had seen the Lord in the way, and that he, Paul, had spoken to Tim, and how at Damascus he had preached boldly in the name of Jesus."

Reports came to the church at Jerusalem about the group at Antioch among the Gentiles where Peter had preached, so tbey sent Barnabas to Antioch. He was rejoiced at the spirit of the Christians at Antioch, and he exhorted the people there, "for he was a good man, and full of the Holy Spirit and of faith; and much people was added unto the Lord."

Barnabas then went to Tarsus to seek Saul, and when he had found him they returned to Antioch together and stayed a whole year. It was at Antioch, you may remember, that the followers of this new religion were first called Christians.

The group at Antioch was a remarkable one, with prophets and teachers—Barnabas, and Symeon that was called Niger, and Lucius of Cyrene, and Manaen, the foster-brother of Herod the tetrarch, and Saul."

As they "ministered to the Lord and fasted, the Holy Spirit said, Separate me Barnabas and Saul for the work whereunto I have called them." After the group had fasted and prayed, they laid their hands on these two men and sent them away.

This was Paul's first great missionary journey, and at this time Barnabas was mentioned first. The start was not made from Jerusalem, but from Antioch, where the congregation was composed of both Jews and Gentiles.

The mission began in the city of Lystra, Asia Minor, where they found a man crippled from birth, and Paul, seeing he had faith, healed him. So impressed were the people of the town with this miracle that the two had a hard time convincing them that they were not gods, and that they would permit no sacrifices to be made to them.

They are said to have made their report of this journey to Jerusalem, and then to return to Antioch to take back to that congregation letters to settle a controversy which had arisen concerning Jews and Gentiles.

At this point, Paul seems to have won the leadership in the church over Barnabas. He was, if you recall our previous lesson, a strong personality, extremely active, intensely zealous, and a born leader, while possibly Barnabas was less fiery and aggressive.

Paul suggested to Barnabas that they started their second missionary journey, and Barnabas was willing but wanted to take John Mark with them. This young man had been with them at the start of the other journey, but had soon left.

Barnabas seemed convinced of his sincerity, but Paul was not, and as the two could not agree and had some sharp words over the matter, they separated. Barnabas, with Mark, sailed out of Selucia to Cyprus, his native country, and where he was eventually martyred, and Paul chose Silas for his fellow-worker.

We do not know who was right in this difference of opinion between these two fine men, but some authorities say subsequent events proved that Barnabas was.

In the present confusion in world and national affairs, we could use a man such as Barnabas— friendly, understanding, loyal and clear-headed.

Noisy Horsemen Annoy South-enders

G. A. Gillespie as manager of the Exhibition was bound for Morrow Park this morning with an ultimatum from the directors that one more complaint from the neighbors south of Lansdowne St. about carousals around the horse barn and the place will be padlocked against the horsemen.

Directors have been [illegible] telephone calls from people living in the vicinity of Park and McGill streets protesting against shouting and swearing and other disturbances late into the night, indicating the booze brawls.

Hugh Stewart, president, said he had gone to the horsemen early in Exhibition week and warned them that the police were being asked to keep an eye on the barn premises, at the southwest corner of the park, and that any sign of liquor would not be tolerated.

"I don't want to blame the horsemen so much as the people who drift down there from uptown to drink their liquor," Mr. Stewart said. "They're hangers-on."

The president said that following his warning he was badgered all week during the Exhibition by the objectionable crowd around the horse barn, that eight or ten friends told him "they were out to get him", finally with an incident Saturday night.

Four or five of the directors said they had received telephone calls from women of the Park St neighborhood asking that something be done to end the nuisance the horsemen were causing. Reference to this continuing grievance was opened by Norman McConkey, vice-president, and led to a general discussion of what should be done in the interest of the complaining citizens.

The latest incident was Thursday night this week. One woman reported that she went to the fence about midnight and shouted loudly enough to get a hearing over the fence, and the reply according to her report to Mr. Gillespie, was to "go to hell".

The board has spent a large sum on restoring the track and barns, and the horsemen are permitted to live there at $10 a month. Directors are convinced that these occupants do not appreciate the convenience provided for them, and it was about time they were told to move out.

Mr. Gillespie remarked that he had heard enough complaints from the south end people, and he was going down in the mood of "telling somebody off".

Wilfred Lentz, 10 Hurt In Accident

Wilfred Lentz, 10, of 47 Sophia St. is in St. Joseph's hospital under observation as a result of injuries received on Friday afternoon when he was knocked from his bicycle by a car driven by Howard J. Baptie, RR 10, Peterborough.

The accident occurred at Hunter and Rogers Sts. Baptie was driving east on Hunter and made a left turn to go north on Rogers St. He collided with the bicycle ridden by Lentz who was going west at the time.

Baptie told police that he did not see the boy who was returning home from King George School. Apparently young Lentz was knocked over the hood of the car and tossed onto the road. He was picked up by Dr. Donald Aitken and taken to St. Joseph's Hospital where he was given medical attention by Dr. J. Howse.

An X-ray showed that no bones were broken and that he was suffering from shock, bruised ribs and other body abrasions.

The bicycle was badly damaged and Baptie's car received damage to the grillwork and the engine hood.

Police Constables Edmison and Farthing investigated.

Two New Streets Planned For Cobourg

COBOURG, Sept. 11 — Town council here will consider the laying out of two new streets for Cobourg at a special meeting called for Oct. 4. At the meeting, persons whose land holdings might be effected by the new streets have been invited to present their case.

The two streets are to be known as Campbell and Major Streets. They will run for a distance of 452 feet south from University Ave., and will be widened from their present width to 66 feet. The streets lie between D'Arcy St. on the west and Cottismore Ave. on the east. They form a portion of Township Lot 14 in Concession "A" of Hamilton Township, now within the twn limits.

Unusual Bitterness Marks Election Campaign In U.S.

BY CLYDE BLACKBURN

WASHINGTON, Sept. 11 (CP) President Truman has sounded the keynote for an election campaign that starts out with bitterness and demogoguery not usually associated with contests for the highest office in the land.

On his initial appearance on the hustings in his quick swing through Michigan, many of those who accompanied him or heard him on the radio have expressed the fear that he may be something less than impressive.

He accused the Republicans of "bribery" in connection with reports the party had circulated its supporters asking them to share with the party treasury some of their savings resulting from Republican tax decreases.

Yet in his acceptance speech at the convention in Philadelphia Truman bluntly told the farmers and the workers that the high returns they were getting for their efforts were due to a democratic administration and that both farmers and workers would be "ungrateful" if they did not support him at the polls.

Then Harold Stassen came along and added to the serious nature of these charges in high places by telling a Detroit audiences, the day after Truman addressed 500,000 at a labor rally there, that the President's audience was present by coercion.

Threats and Fines

Stassen, opening the campaign for the Republican Candidate Thomas E. Dewey, Governor of New York, said the Truman audience turned out under threats of $3 fines, made to union members by labor bosses, if they did not attend.

Truman has also been assailed on his arguments against the Taft-Hartley labor law which he promises to repeal and which he claims enslaves labor.

But of course the 15,000,000 rank-and-file membership of labor unions whose officials endorse Truman can vote any way they like.

No Complaints Yet

A congressional committee set up to check on operations of the act and ascertain if it is harmful has received no complaints as yet.

The Taft-Hartley labor law does set some obstacles in the way of labor leaders calling sudden, disastrous strikes and discourages the closed shop system. There have been fewer periods of idleness in important industries since it was passed but today's newspapers indicate that workers are still free to strike and are doing it.

NEW TREATMENT for OLD Walls and Ceilings

GYPTEX TEXTURE PAINT

To transform drab, old walls and ceilings into bright new walls with the charm of an inviting texture, decorate with one-coat GYPTEX. Just two simple steps: (1) Brush it on, like paint; (2) Pat it with a sponge or crumpled newspaper wrapped in a cotton cloth.

Gyptex does a complete job . . . no tinting required, as it comes in beautiful tints of Ivory, Buff, Blue, Green, Pink and White. 10-lb. Package $1.50. 25-lb. Bag $3.50.

GROWTH OF A SCHOOL, due to foresight and planning of the Peterborough Board of Education, is admirably shown in the above picture of the new addition of six rooms to Confederation School. They feel that modern architecture and conveniences will develop better students and citizens. Top Left photo shows some of the 47 pupils in Miss Olive Day's Grade Two room which receives maximum light from the complete south side windowed-wall. Lower Left shows story time in the kindergarten as Miss E. Carroll holds the attention of 24 tots which comprise the afternoon class; there are 25 others in the morning session. Top Centre illustrates the deep window in the stair well where Arnold Olmstead, vice-principal, talks with Mrs. J. R. Stewart, president of Home and School Association. Lower Centre, Miss M. Drope, school nurse, talks to Ivey Steel, seated, and Shirley Goodman. Top Right is recess time when teachers discuss their problems; Miss Shirley Packard, Left, goes over a problem with Principal J. G. Nichols, while Mrs. H. Kidd is in background.

—Examiner Staff Photos

New Addition to Confederation School Makes School Pleasant Place to Work

In the new, six-room addition to Confederation School, on Park St. South, children have bid goodbye to the dull brown and buff shades that characterized older schoolrooms. There, bright yellows, reds and greens meet the eye in modern rooms. Even the doors to the classrooms are coloured, and children learn to recognize their own room in this way. The final cost is expected to be $114,000.

When the school is formally opened at 8.00 p.m. on Wednesday, September 15, the public will have its first official chance to see what the modern school is like. Principal of Confederation School is J. G. Nichols, former assistant principal of Queen Alexandra School. He is enthusiastic about the addition as are the children and teachers. It makes school a pleasant place to work in," he said.

In each of the six new classrooms, a long window runs the length of one wall, and flourescent lighting does away with classroom squint. Yellow chalk is used on the soft green blackboards, and for those blackboards at right angles to outside light, four or five electric spotlights eliminate the possibility of glare.

Tables for Desks

Gone, too, are the old, familiar fixed desks. They have been replaced by moveable desks fitted to the height of th pupils, and which may be placed in groups for project work. Kindergarten teacher Miss Eleanor Carroll says that her room is a pretty marvellous place to work, and that her room is no exception.

Corridors, something new for Confederation, have been cut through the building, connecting sides of the school not formerly linked. Floored in blue linoleum tile, the corridors have white plaster walls, and blue ceilings.

Plenty of Cupboards

Teachers gasped when they saw the amount of cupboard space available. One said that in other years she never could find enough room, and now, she hasn't enough books and supplies to fill the cupboard space she has.

Colour has been carried even to the basement where two large day playrooms await the children on rainy days. New washrooms have been installed, and in the boys' end, are separated for junior and senior boys.

The principal's office might have been decorated with an eye to dispelling the fear from that dread sentence: "I'll send you down to the principal's office." It is a warm and comfortable looking room.

Much of the furniture was constructed by Board of Education workmen, under the direction of the accommodation committee, whose chairman is G. Wilson Craw, and whose members are Arthur Pitchford, Dr. H. G. Parkton, W. B. Gordon, and Frank Jobbitt. The late D. V. Canning was a member of this committee.

Well Lit Stairs

Removing a hazard found in some schools, the stairways are well lit, and in the addition, a huge window provides the lighting for the stairs. Steps are of linoleum, with a steel edge on the tread to prevent slipping.

Cloakrooms are a thing of the past and clothes are hung in long, multi-doored cupboards which are ventilated to assure dry outer clothing for the children.

Janitors who may have been irked by the lack of space to store cleaning things, have in the addition a cupboard complete with sink on each floor. Store rooms are located in the basement and will be used mainly for larger supplies, the smaller supplies being kept in the classroom cupboards and closets.

The medical examination room, located in the basement, is larger than in most schools, and has a waiting room outside the main room to accommodate any overflow.

Said a janitor: "It's almost too purty for a school."

The builder was Walter Mortlock and the architect John B. Parkin.

Neighbors Honor Rowland Family

LILY LAKE, Sept. 11—(ENS)—A large number of friends and neighbors gathered at the home of Mr. and Mrs. Ferdinand Rowland to bid farewell before leaving for their new home.

The evening was spent in progressive euchre. Prizes were won by the following: Ladies, first, Mrs. George Tully, ladies second, Mrs. William Steinkrauss; gents, first, Mr. George Tully, gents, second, Mr. Robert Tully; ladies, consolation, Mrs. David Wilson; gents, consolation, Mr. Everett Tully.

Around midnight Mr. and Mrs. Rowland and daughters were given seats of honor. Mrs. William Steinkrauss read the farewell address signed on behalf of the community by Mr. and Mrs. Clarence Hancock, Mr. and Mrs. George Middleton and Mr. and Mrs. William Steinkrauss. They were presented with a beautiful tri-light floor lamp, and smoking stand. Dianne received a silver bracelet and Janice a gold locket. Both Mr. and Mrs. Rowland thanked everyone present and invited all to visit them in their new home.

They have recently purchased the farm of Mr. and Mrs. James Young on the Lindsay highway.

Canadian Wings And ICAO

ICAO grew out of PICAO, and Canada was at the centre of both. It still is, for the headquarters of ICAO are in Montreal. These important groups of letters may mystify some of our readers. PICAO means "Provisional International Civil Aviation Organization", and ICAO is the same organization after it became a permanent one in March, 1947. Canada has taken a major part in the proceedings of PICAO, it has a great air transport commitment; it is keenly interested in well-ordered international flying; it is geographically situated mid-way between the old world and the new of this hemisphere and Asia. Therefore bilingual Montreal was a fitting place for the home of ICAO.

• • •

The need for a comprehensive international organization to regulate civil aviation and to provide a forum at which disagreements between states could be aired and agreements reached, was indicated in the period between the two wars. The small International Commission for Air Navigation set up in 1919 was ineffective to prevent anarchy in the air. Some countries refused to permit air lines to cross the air space above their territory. Others refused landing as well as transit rights. By 1945 civil and commercial air transport had multiplied a hundredfold. International co-operation on air lines, navigation, mapping, weather stations, immigration and customs, and a hundred technical matters, was essential. ICAO has been set up to provide for this and is achieving considerable success.

• • •

After the first war Canada was interested primarily in building up its domestic flying. During the late war Canadian wings spread abroad as well as at home. It became the fourth air power in the world and the "airdrome of democracy" (130,000 airmen were trained in Canada, most of them Canadians). It emerged from the war with 207 modern airports and airdromes, with thousands of its citizens experienced in overseas flying, and with the largest domestic air service in the world, next to the United States. In the summer of 1945, the Right Honourable C. D. Howe, addressing the first meeting of PICAO, said: "Need I tell you that Canada intends to play a leading part in world transport by air". It is now fulfilling that intention, with its trans-Atlantic and trans-Pacific services, its Canadian-American runs, its trans-Canada passenger and freight flights, its own "North Star" airliners.

• • •

Canada is therefore supremely concerned in civil aviation and its orderly development. Recognition of Canada's important role was given when the ICAO Assembly at Montreal in 1947 classified it, the U.K. and the U.S.A. as the three world air powers, and elected Canada to the executive council.

• • •

Canadian policy in international civil aviation is healthy. It has already accepted the Transit Agreement. Planes of any country may now land in and fly over Canadian territories. The Canadian Government is continuously striving for a multilateral agreement which would remove or reduce the necessity for bilaterals, but until protection is afforded nations not economically strong enough to operate major international air lines, it will still use the protection of bilateral bargaining. Canada has bilateral agreements with the U.K. (for West Indian service and lines to Britain), Australia, New Zealand, Portugal and Sweden. Other agreements are under negotiation.

• • •

In war, Canada's military wings covered the world; now our civilian wings are encompassing it.

New C.O. For Rangers

Lt.-Col. Vincent Eastwood has relinquished command of the local regiment, the 50th Heavy Anti-Aircraft Regiment (PWR), R.C.A., after long and meritorious service in the Canadian Army, both Active and Reserve. He is succeeded by Major, now Lieutenant-Colonel, Maxwell E. Clarke. The appointment is well earned and excellent. Colonel Clarke is a young officer for a senior command in the Reserve Army in peace time but in these days when the Reserve Army is being re-created, when international events make a Reserve unit vital to the defence of Canada, a man in his vigorous thirties with the qualifications and experience of Colonel Max Clarke is eminently suited to command. Colonel Clarke served in Britain, Italy and North-West Europe for five years as an infantry and staff officer. He has proved himself to be an able regimental officer, a good administrator and a keen student of military affairs. He has in particular two qualifications which Canadian military authorities are now seeking in both Active and the Reserve officers: sound military training and a flexible mind. He is favourably known in Peterborough, his native city. We congratulate the Prince of Wales Rangers and their new Colonel on the appointment.

A new training season has begun and a recruiting campaign has been launched across the Dominion. Colonel Clarke will give local impetus to both.

Is The Hydro Stealing Our Money?

Several thousand homes in Peterborough are equipped with the Hydro Commission's automatic water-heaters. For these the occupants pay a monthly basic charge and expect normally to have constant hot water. On Thursday morning last the current to the heaters was cut off without warning in Peterborough and other municipalities. Later a decree was issued from Toronto that until at least September 14th, when the Provincial dim-out comes into melancholy effect, the service to the heaters would be discontinued for as much as twelve hours a day, in various localities. That is lamentable. What is worse, the Commission expects people to continue paying on a 24-hour basis. An official has said that there would be no refunds where the service to the water-heater is cut off.

We should not be surprised at this pickpocketing by the Hydro Commission. It has been not only high-handed but light-fingered before. For a year and more it has been taking money to which it has not been morally entitled. Here in Peterborough as elsewhere through the Province the Commission has been pulling the switch on the water-heater lines for one, two, three and four hours of the day. It would be interesting to find out precisely how many hours since last October Peterborough users of the heaters have been paying for power they did not get. This has been going on, and the Commission has not refunded one cent to the people paying the basic monthly rates. Short change? Hydro robbery!

Of course the Commission is careful to be legal about the thing. Householders using the heaters have signed contracts with the Hydro. Clause 9 of the "Conditions" states that:

> The Commission reserves the right from time to time as it deems advisable to interrupt and discontinue the supply of electrical energy for Flat Rate Service during the Peak Hours; **such interruptions shall in no event exceed 10 per cent. of the total number of hours in any month.**

In case the Commission should feel nervous about the "10 per cent. of the total number of hours in any month", it further covers itself and hamstrings the people who pay by Clause 4:

> The Commission will use reasonable diligence in providing a regular and uninterrupted Flat Rate Service but does not guarantee a constant Service and **will not be liable for damages for failure to supply such Service, and the User agrees to make no claim in respect thereto.**

The Hydro forced people to sign this iniquitous contract before it would install its semi-heating water-heaters. We should like to know why the consuming public did not have its interest protected against that sort of contract when the contract form was drawn up and put into common use. We wonder how much longer the Hydro Commission expects to get away with its dictatorial methods, the kind of service it gives and the filching of people's money? How long is it going to play us for suckers?

NOTE AND COMMENT

The latest news from Moscow is that Russia evolved the apple. Probably they are thinking of the Apple of Discord.

A medical columnist says that the brain, and not the stomach, controls the appetite. Nevertheless, we would not like to try to live on food for thought.

A cane which had been an instrument of punishment in an English Public School was given to the principal of the Leaside High School. At the re-opening of the school last Tuesday, the principal made the official presentation of it to himself. A different matter from giving himself the cane.

Diary Of A Park-Bench Diner

By SAMUEL MARCHBANKS

SUNDAY: For some time I have been living in an hotel, and have had ample opportunity to reflect upon the higher mathematics of breakfasts. Most people object to paying good money for breakfast; it seems unjust that the first meal of the day should cost anything. Hotels know this, and they arrange a variety of breakfasts, all attractively priced and all, at first glance, appetizing. It is only when one has to make a choice that one discovers that these breakfasts are, as they stand, inedible by anyone with a normal appetite. One breakfast offers fruit or a cereal—but one wants both; if one has both, however, one must also consume a hot dish which one does not want, or else get less than one's money's worth. One must outrage one's sense of economy, or one's stomach; there is no middle way. This means a bad beginning to the days, and the grumpiness of hotel guests in the mornings may be attributed largely to it.

❖ ❖ ❖

MONDAY: Years ago I possessed a dictionary in the back of which was some information about the language of flowers; it appeared that the most complex messages could be expressed by a properly composed bouquet. Mind you, those speaking floral tributes might not always be pleasing to the eye: to say "I shall love you till death; meet me at the hollow oak tomorrow evening; my laundry has come back and I shall wear a clean shirt", one might have to combine a pansy, a gladiolus and a truss of Baby's Breath—a difficult bunch to make presentable. Later I learned that there is also a language of stamps; if the stamp is stuck on the envelope cock-eyed it means "I despise you" or "I adore you", according to the way the King's head is pointing. There are other variations, some of which I invented myself. To omit the stamp from the letter altogether means "You are richer than I am and can well afford to pay double postage". To glue a cancelled stamp on a letter means "I am in revolt against our Country's fiscal system". To draw spectacles on the King's head means "I harbour subversive opinions".

❖ ❖ ❖

TUESDAY: Some work I was doing kept me in a room today which adjoined one in which a service club was meeting. I was thus made privy to their mysteries, and very odd they were, too. For instance, one member was congratulated on a wedding anniversary, and immediately afterward they all sang: "The Old Gray Mare, She Ain't What She Used To Be", which I thought was somewhat pointed, under the circumstances. Perhaps nothing was intended except a general reflection upon the flight of time, however. I also suffered the puzzlement which always comes upon a man who is alone in a room when "God Save The King" is being sung next door: should I stand up and feel foolish, or sit down and feel unpatriotic? The same problem arises when I hear somebody praying on the radio: should I stop flogging my dog, or forging cheques, or whatever I am about, or should I pretend not to notice?

❖ ❖ ❖

WEDNESDAY: When I am away from home the problem of where to eat sorely afflects me. I soon tire of hotel fare, but where else am I to go? There are genteel restaurants which specialize in "dainty dins and wispy teas", but they are always outfitted with chairs which have one short leg, so that one rocks as one eats, and seasickness is soon at hand. Sometimes I buy a few things and eat them out of bag in a park, but this gives the impression that I am indigent, and people look at me with pity and loathing. Why is it that the sight of a man eating from a bag instead of from a plate inflames the curiosity? Old ladies retrace their steps to glower at me; children swing on the end of my bench and stare; dogs hang around, drooling, hoping that I shall give them something; sparrows swoop upon every fallen crumb. To retain one's dignity under such circumstances, and with one's mouth full, is a feat to tax the strongest.

❖ ❖ ❖

THURSDAY: The day of the ornamental clock seems to be done. This morning I poked about in an antique shop and saw two: the first had a large brass woman on it, holding a harp which had four uncommonly thick strings; the other had a man in the dress of the early 19th century sitting on its top, holding a pen in one hand and a scroll in the other, and surrounded by globes, papers and mathematical instruments. I cannot guess who he was; some great figure in the horological world, no doubt. Such clocks are rarities now. Even marble clocks with brass lion's heads poking out of the ends of them are rarely seen. Modern interest centres upon watches, and watches which tell time, date, year, phase of moon, and forecast the weather are not uncommon. But I like strange clocks, and particularly those which have moving figures on them. Most of these are of ancient workmanship, but I think it might well be brought up to date. A clock upon which, every hour, a figure identifiable as a taxpayer was pursued by a figure with a pitchfork and a sheaf of Income Tax forms, would command a good price at Marckbanks Towers.

❖ ❖ ❖

FRIDAY: I rarely leave a movie before it is finished, but I walked out of "Arch of Triumph" today. The story, which had been in progress for 90 minutes without getting anywhere, might have gone on forever. I was depressed, also, by some very bad acting by that fine actor Charles Laughton, and by the way in which Holywood has vulgarized Ingrid Bergman, who arrived from her native Sweden full of endearing young charms. Only Charles Boyer was unchanged—a little thinner, a trifle balder, but still cooing away like a mourning dove. This is not the Boyer who helped to make "Mayerling" a great film, but he has withstood the corrosive influence of Hollywood better than most.

❖ ❖ ❖

SATURDAY: The coming-on of Autumn appears to depress some of my friends, but not me; it is my favourite season, and one in which Canada appears at her finest.... Was with a man today when he dropped and broke a new pipe. This was always happening to me when I was a pipe-smoker. How, I wonder, do smokers of clay pipes keep those fragile objects from shattering? I have seen some very black clays: could they, dishonestly, be made of iron?.... Meerschaums, too, break easily, and tragically, for they are very expensive. But worse things can happen to them. I once knew a man who paid $50 (which he could ill afford) for a meerschaum, with a nude woman beautifully carved on the bowl. He meant to give his life to colouring this work of art. But he was an impatient smoker, and his lady came up, not in a rich honey colour, but in black spots, which made her look like a smallpox case. At last a large blister formed on her posterior, and burst, giving her a look so scrofulous that he gave up pipe-smoking and married, which was probably what he needed in the first place.

(Copyright: The Peterborough Examiner Ltd.)

Simple Soul

We need a new society which might well be called the N.S.P.V.A., the National Society for the Protection of Visiting Americans. After Colonel McCormick's experiences something must be done. This eminent American newspaperman has got back to Chicago stuffed to the brim with stories so fantastic that he must have been the victim of naughtiness on the part of English, Scots, and Welsh he met on his recent tour. True, Colonel McCormick has no sense of humour, but that was no excuse for imposing on his credulity. He has gone back convinced that, having lost most of her empire, England is now threatened nearer home; "the Scots and the Welsh are giving her trouble" (no, he does not mean Mr. Aneurin Bevan); the worst danger is from the Scots. They are "very much interested" in his notion that they should secede and join the United States as the forty-ninth state. They are "restive but not to the point of violence.... However, there is no prospect of a civil war, like that by the Irish." What, one wonders, did they tell the gallant Colonel when he was up in Scotland? As a distinguished strategist ("Colonel McCosmic" of the last war), was his advice sought on the best way of invading England? Perhaps it was remembered that only a few years ago he was terribly worried at the thought that the English might swoop down from Canada on the defenceless and supine United States. Did someone encourage him to nurse a fresh strategic idea, a Scottish swoop on England? It is often said that great military minds have an element of simplicity. But, for the sake of the reputation of the American press, should not his fellow-publishers combine to keep him at home out of reach of leg-pulling foreigners?—Manchester Guardian.

I PASSED BY YOUR WINDOW

Several Kinds of "We's"

There is public acceptance of the Royal "WE", the editorial "we", the legal "we" consisting of a lawyer and his client and the racetrack "we" comprising horse and jockey. But more and more prominent among the "we's" of modern usage is that of the boxer, wrestler or other athlete and his trainer or manager. Although this is now in common use and has been for some years, not even sport fans have yet been able to swallow completely statements such as "we won the title" or "we wuz robbed".

While not in any way discounting the value of the services of a ring-wise manager to a boxer or wrestler whose ability lies in brawn rather than in brain development, it must be admitted that it is going pretty far to use the term "we" when one man only takes a beating within the ropes and the other stands safely outside them. Of course there are occasions where it would be perfectly true and proper for the referee in company with a successful boxer or wrestler to say "we won the fight". For a manager to do so is going a little too far.—Ottawa Journal.

How Time Flies

SEPTEMBER 11

1918 Dr. E. V. Frederick, of the Royal Army Medical Corps, is sent to Siberia on duty.

Lt. C. G. Thompson, formerly of Peterborough, is awarded the Croix de Guerre at the front.

Pte. D. W. Gerow, who enlisted with the 93rd Battalion, is reported wounded.

1928 Robert Dutton, five-year-old son of T. J. Dutton, is drowned at Healey Falls.

An unsuccessful attempt is made to rob the Royal Bank branch at Roseneath.

Granite for the Peterborough war memorial arrives after a long delay.

1938 Dr. J. C. Smith is apparently curing a man of sleeping sickness here through the use of Vitamin B-1.

Archbishop M. J. O'Brien, formerly of Peterborough, will celebrate his episcopal silver jubilee in Kingston shortly.

T. C. Yonge of Lakefield, a grocer for 30 years, says good roads and cars killed the small-town grocery business.

A Bible Message

(From the Authorized Version)

And it came to pass also on another sabbath, that he entered into the synagogue and taught: and there was a man whose right hand was withered. And the scribes and Pharisees watched him, whether he would heal on the sabbath day; that they might find an accusation against him. But he knew their thoughts, and said to the man which had the withered hand, Rise up, and stand forth in the midst. And he arose and stood forth.

Then said Jesus unto them, I will ask you one thing; Is it lawful on the sabbath days to do good, or to do evil? to save life, or to destroy it? And looking round about upon them all, he said unto the man, Stretch forth thy hand. And he did so: and his hand was restored whole as the other. (Luke 6: 6-10.)

❖ ❖ ❖

The eyes of the Lord are upon the righteous, and his ears are open unto their cry...

Many are the afflictions of the righteous: but the Lord delivereth him out of them all. He keepeth all his bones: not one of them is broken. (Ps. 34: 15, 19, 20.)

Students Tour Ontario

An announcement of great interest has come from Lake Success, headquarters of the United Nations, that students from thirteen countries working there this summer have begun a tour of central Canada this week that will last for fourteen days. The trip will include stops at Montreal, Quebec, Ottawa, Kingston, Toronto, and Niagara Falls.

The purpose of the tour is to give these students from far-off lands some knowledge of the Dominion and an appreciation of its vast inheritance. The tour was arranged by a student at Columbia University, where she was pursuing studies for a master's degree in international law. The idea is a good one. There is no doubt whatever that, if the people of the different countries knew each other better, it would result in greater understanding and good will.

Whether for good or ill, the Dominion of Canada has become inextricably associated with international affairs, and through commercial and diplomatic channels will become more closely linked with the peoples of other countries. Canada won an enviable reputation in two world wars, and, consequently, has attracted extraordinary attention. Moreover, this country needs new settlers, and the more favorably it becomes known among the nations the greater number of desirable immigrants will be obtained. One of the supreme problems of government in Canada today is to secure a larger population of a character that will contribute to the development of our vast natural resources. It cannot be expected that this country can long be the abode of only 13,000,000 people.—Brantford Expositor.

She Knew How To Vote

The queue outside the fish shop was long; the weather was unkind and the old housewife with the big basket was getting near the point when her patience would be exhausted. She turned to the next in line. "I don't know why we've got this Socialist Government," she said, "I didn't vote for them. I voted Labour."—Time and Tide (London).

Outdoors

With PETE McGILLEN

LAST WEEK, I was on holidays, and that's the reason the column was missing. It was very nice to have all those enquiries about it. That's an interesting point. Far too many people forget that newspapermen appreciate a flower or two while they are still alive and able to smell them. Even if you don't agree with what's written, is no reason why you shouldn't drop a line to the writer and say you don't agree, and why. If a writer doesn't get both bumps and bouquets, then he is not hitting the ball. By the way I had meals at Camp Cleveland, Pigeon lake; Clearstone Lodge, Rice lake; Terrace Inn, Haliburton; and at Irwin's Inn, Stony lake. Such meals, oh boy, I almost ate myself out of shape. If you have any ideas of taking the wife for a Sunday spin, I'll recommend all of them. There was one sour note. After a 40 mile drive I reached a village restaurant. It was 6.25 in the evening. I asked for a meal—no meals, dinner was off at six. What could I have? A cold sandwich, cheese or salmon. I said no, I'd take coffee. She brought us two cups of lukewarm brown dish water. One gulp was enough. I dropped two dimes on the table and left.

+ + + + + +

NOW LET'S GIVE this situation the once-over. Good meals are voluntary salesmen that build a business, so why shouldn't these people try for a reputation with the travelling public? At this particular spot, the menu said, ham and eggs 75 cents. Why, I could whip up ham and eggs in that kitchen in ten minutes. So could the waitress, but she didn't. No, she made an enemy and lost two customers. If the owner of this joint, and others like it, don't smarten up, and change their greasy spoon, hash house quarters, with courtesy dumped in the garbage can, and service down the drainpipe, then we had better quit advertising the Kawarthas as a tourists' paradise. All Americans and most Canadians know good food, will pay through the nose for it, and will drive out of the way to get it. Even a topnotch cup of coffee is an attraction. Oh, well, enough beefing. But if I ever enter that restaurant again, it will be on a stretcher.

+ + + + + +

ON EVERY ROAD leading from the city, and within the city boundaries builders are striving to complete homes before the snow flies. When I see young fellows, and more power to them, working alone, I wonder at it. What's happened to the old pioneer spirit? Didn't these fellows ever hear of the old-fashioned bee? They were popular, they were events in the district. Why it's the most natural thing in the world to want to help a neighbor. I think these fellows should organize a bee on a Saturday afternoon, spend a bit of money for some refreshment, get the wife and the neighbors to make some eats, and turn about 20 men loose to put up that studding, sheet those walls, string the rafters and sheet the roof. Once that is done, the man can work inside. It sounds simple to me, and if two first class carpenters were on hand for the day, they could supervise the work. Why not try it, instead of beating yourself to finish a job too big for you in the time left?

+ + + + + +

ACCORDING TO VERN BOWER in the Ottawa Citizen, Sunday, Sept. 12 is one of the days fish should fight to get at that bait. This is listed on the fishing calendar based on the U.S. gov't forecast of tides and barometric pressure. The past week has been good too. On Thursday morning, Don Innes, Toronto, tangled with a 5½ pound small mouth black bass in Rice lake near Harwood and landed it. He was still-fishing using a live crawfish as bait. It was the nicest small-mouth I have seen so far this year. Earlier in the week, Lollie Young, Youngstown, Ohio, battled a 31½ pound muskie to a standstill at Rice lake, to land the record fish of the year in this district. Eddie Eisman and Frank Brooks, fellow townsmen were with him. All three were staying at Berl Chadwick's Deerhead Lodge. Down near Keene, Tom Clyburn, Akron, Ohio, landed an 18½ pound maskinonge while trolling. He was a guest at Wilson's Highland View Lodge. It seems that Rice lake dominated the fishing picture this past week. Either that or the others failed to report.

+ + + + + +

FIRST FIELD TRIALS for dogs ever held in this district are slated for next Saturday and Sunday, Sept. 18 and 19. These will be field trials for beagles on rabbits. Registered dogs only will be accepted and there are four classes. Males and females 13 inches or under in height, males and females 15 inches and under in height. The trials will be held back of Berry's Service station on highway 28, in the Cavan swamp. All farmers in the section have been canvassed and permission obtained to use the land. The event is sponsored by the Kawartha Kennel Club with the sanction and recognition of the Canadian Kennel Club. There will be four winners, and points earned count toward a Canadian title. If only I could make a deal with the pugwuzzies to have a lean, lanky jackrabbit hiding at the edge of the swamp. Then when the beagles were loosed, the jack would head across fields instead of taking to the swamp. That would be a picture, with sound of course. George Hill, R.R. 3, Peterborough, is accepting entries.

+ + + + + +

RANDOM CASTS: Speckled trout and brown trout seasons end on next Wednesday, Sept. 15....The open season for maskinonge is over on October 1, and the bass and pickerel season winds up on Oct. 15....You can't fish for lake trout between Oct. 5 and Nov. 6—but in all counties except Peterborough, Victoria, Northumberland and Durham, the season for lake trout opens again on November 6. ....It is closed for a month to give the trout protection while they spawn....Many duck hunters are mixed up on the opening dates for shooting. There is no duck shooting in this area until Sept. 25. On that day the season opens north of No. 7 highway and ends Nov. 8. The season opens south of No. 7 highway on Oct. 2 and ends November 15....Briefly it means this, duck shooting at Pigeon lake, Sept. 25, at Rice lake, Oct. 2....The deer season starts Monday, November 8....Dept. of Lands and Forests have not given notice of an open season on partridge yet, but it is likely there will be one....No open season on squirrels either, but probably there will be a two-day shoot. P.S.—Clip this paragraph out.

RICE LAKE MINK RANCH, owned and operated by Harold Beebe of Bailieboro, is a very specialized type of business that requires constant care by the whole family. He started it three years ago with three breeding mink and now has 500. Top left shows Mr. Bebee with a silver-blue (platinum) mink in a catching cage; they do not take kindly to handling. Lower left shows three dark mink in the house end of cage being enticed into the open for a photograph; they are almost as quick as a camera lens. Top right is a longshot view of the ranch pen yard that overlooks a beautiful sweep of Rice Lake in the background. Maintenace makes work for the whole family; son Eric Beebe and sisters Shirley and Phyllis lend a willing hand to make new cages. —Examiner Staff Photos

500 Mink On Ranch Near Bailieboro Would Provide Fur Coats For 7 Women

By DAVE WHITE

"It would take about 70 male pelts to make one lady's fur coat," explained Harold Beebe whose mink ranch, three miles east of Bailieboro is one of the largest in the country.

Then he added with a twinkle, "but of course it depends upon the size of the lady."

Mr. Beebe, a dispatch rider in The First World War, decided three years ago "to make an extra dollar or so" and invested $700 as the initial outlay on his mink ranch. He purchased three mink—one male and two female.

Their number has now increased to 500—which would be enough to provide seven privileged ladies with the coat of a lifetime.

The beady-eyed little animals measure about 24 inches from the tip of the nose to tip of the tail. They have slim, agile bodies and bear a superficial resemblance to a weasel, but are larger.

Standard mink are black but others are white, silver blue or platinum, pastel and glacier blue. At the end of each season the rancher must decide which ones are to be kept for breeding and which are to be pelted. Size of the animal, thickness and texture of the fur, and shade are all taken into consideration before a decision is made.

The better animals are invariably retained for breeding so that the strain may be improved. Those chosen for pelting are killed painlessly in a cyanide gas chamber.

Kept 190 For Breeding

In 1947 about 50 males were kept and 140 females. This year the figure will be about the same with the balance of 300 being killed and pelted. The pelts are then tied into bundles (about 70 to a bundle for males, and 80 for females).

"The trick for the mink farmer," said Mr. Beebe, "is to match his bundles so there will not be too much variation in shade, and a minimum number of pelts left over."

If the farmer is unable to make up a full bundle he sells the pelts in part lots. He loses money by this method, however, as the fur buyer must go to some effort to match them with another part lot.

Pure White Most Valuable

The most valuable fur is that of a pure white mink, It is worth about $100 and is at a premium because most white pelts have a stain of some sort on them. An ordinary white, in 1947 brought $20 and the standard, anywhere from $12 to $30. Glacier blue is said to bring a high price, but the fur is not very fashionable at the moment.

The average life of a mink on the B-B Fur Farm is between nine and 10 months. Breeding usually takes place about the middle of March and the animal is pelted by the end of the following December. Of the surviving mink who are kept for breeding purposes, few are kept more than five years—male or female. The average female has three (kits) or young.

"It's a continuous culling out process in an attempt to improve the strain," said Mr. Beebe. Records of the mink's date of birth and its ancestry are kept on the back of each cage.

Knows His Business

Henry Moritz, a 24-year-old Swiss who has been out in Canada for only a year, is an expert on mink and he looks after the animals for Mr. Beebe. Mr. Moritz's father is a fur merchant in Switzerland so the youthful immigrant has a good knowledge of both ends of the business.

When the Examiner arrived at the ranch, Mr. Moritz, Mr. Beebe and his son Eric were enpaged in making cages for the valuable little animals. They explained that mink must be separated as soon as possible because they are naturally quarrelsome, biting each other and ruining each other's fur.

Mr. Moritz who will only handle a mink with gloves (they have very sharp teeth) pointed out that they never become domesticated or reconciled to captivity.

Exercise At Night

To get the normal amount of exercise required they race up and down their cages all night long. Mr. Beebe said on rancher put an exercise wheel into a cage and found that one of the animals ran 15 miles during the dark hours.

The natural habitat of mink is in river banks and creek beds but strangely enough dampness is their worst enemy. Apparently they are very susceptible to pneumonia. At the B-B ranch they are enclosed in inch-mesh wire cages, about a foot high, 18 inches wide and five feet long. For shelter they have a wooden box which in winter contains straw so they can snuggle in it for warmth.

The cages rest on wooden trestles about three feet from the ground, and the animals run on wire which serves as flooring.

Last winter the snow was so deep that it rose higher than the trestles and even covered the cages. But the mink suffered no ill effects and seemed to enjoy themselves burrowing through the snow.

Trouble was encountered, however, when the snow began to turn soft and melted in the straw. The animals, had brought the snow in on their own bodies, and then had no dry place to sleep and several caught pneumonia and died.

Extreme heat is also a deadly foe. During the recent heat wave the cages were not at first covered and within half a day eight died. In covering the cages, however, care must be taken that air is allowed to circulate.

Food for the hungry mink is kept in a huge refrigerator on the ranch. The average animal eats from five to seven ounces daily of a special preparation of lean horsemeat, tripe and fish. These ingredients are mixed with a commercial cereal whose formula is a trade secret. In the winter, and particularly before breeding season, their diet includes cod liver oil. They also like tomatoes and liver.

In their natural state mink thrive on fish and frogs mostly, but they also devour mice with gusto.

At the moment Mr. Beebe is not thinking of any large expansion. He is more concerned with developing fur-bearing animals of extra value. As in other lines of endeavor successful mink farming demands quality before quantity.

So long as women count it one of their crowning desires to have a mink coat, then fresh crops of the little furry animals will be raised and their pelts utilized in this young but fast-growing industry.

PAIGE ONE NEWS - - By Alan Maver

Petes Open Semi-Final With 19-9 Win Over Orillia

Scoring five goals late in the fourth quarter, the Petes ran up the count on Orillia to win 19-9 here last night to open their best-of-five OLA senior "B" semi-finals. They play Monday in Orillia. Cold weather kept down the crowd but a fair-sized bunch saw a speedy, interesting tilt, fairly close most of the way. It was 4-1 for the locals in the first quarter and 8-2 for them at the half. While they had a 12-4 margin to end the third, Orillia fought back to make it 12-7 in the fourth. Play was fairly clean throughout, Johnson and Bob Breakspear having one mild fight.

Pearsall, J. J. Hill and Antonio looked best for Orillia, while all the Petes from goalie Bun Hill out turned in a good effort. J. Breakspear, Chute, Magee and Horton checked good on defence. The scoring was well spread around with Foote leading with eight points, Dugan having five, Gordon four, and J. Breakspear, R. Breakspear, Smith and D. Vitarelli in on three each.

The teams:

Orillia—Goal, Fagan; defence, Pearsall and Varty; centre, Street; wings, Hammond and J. J. Hill; rover, Antonio; alternates, Price, Crowe, Johnson, Scarlett and Beaton.

Petes — Goal, Hill; defence, Chute and Magee; centre, Creighton; wings, R. Breakspear and Dugan; rover, Foote; alternates, Horton, J. Breakspear, L. Vitarelli, D. Vitarelli, Smith, Gordon and Dundas.

Referees—W. Arthurs and W. Mullis of Brampton.

Summary:

First Quarter

Orillia—J. J. Hill 1.45
Petes—Foote (Dugan) ..... .20
Petes—L. Vitarelli (Gordon) 8.00
Petes—Gordon (D. Vitarelli) 9.30
Petes—R. Breakspear (Foote) 9.40
Peanlties—Magee, Horton.

Second Quarter

Orillia—Pearsall 3.40
Petes—Foote (Magee) 4.35
Petes—J. Breakspear 4.50
Petes—Smith (L. Vitarelli) 6.05
Orillia—Varty 9.40
Petes—Gordon 13.15
No penalties.

Third Quarter

Petes—Chute (Foote) 5.10
Petes—J. Breakspear (D. Vitarelli) 6.15
Orillia—J. J. Hill 7.00
Petes—Smith (Gordon) 9.35
Petes—E. Creighton (R. Breakspear, Dugan) 11.25
Penalties—Street, Johnson, R. Breakspear.

Fourth Quarter

Orillia—Antonio ..... .35
Orillia—Pearsall 4 3.40

Westclox Lose To St. Kitts In PWSU Series

TORONTO, Sept. 11 — (CP).— St. Catharines Merry Macs defeated Peterborough Westclox 9-1 here Friday night to win the Southern Ontario PWSU intermediate championship in a best-of-three series that went four games because of a tie in a doubleheader played last Saturday.

The Macs now will meet Kirkland Lake, the Northern Ontario champions, for the all-Ontario intermediate ladies' title.

The first Macs' runs were scored in the second frame. Rita Cosgrove singled, sister Helen doubled, and then Louise Thrasher hit another two-bagger to drive in two runs. Macs added single runs in the third, fourth, fifth, and ninth.

Westclox got their one run in the sixth when Jean Vass singled and Toots Dorsett slammed a double.

On the mound for Westclox was Norma Kennedy, who went the full route, in allowing 22 hits. Vera McGrath, Merry Macs pitcher gave up 13 hits.

Oshawa Wins Zone Honors

OSHAWA, Sept. 11. —Oshawa Pedlars captured the Eastern Ontario zone honors in the OASA intermediate "A" playoffs here Friday night, when they defeated Peterborough Combines, 10-6, to take the series in two straight games.

A flock of errors in the first two frames put the visitors behind, 7-0, and they never recovered.

Jack McConkey was the big hitter in his own cause with three singles and a walk in four trips to the plate. Magee had two hits. Bob Crowe with a double and a single and Les Burton with two singles were the best for the Lift Lock City squad.

Lakeshore League In Rugby Union

COBOURG, Sept. 11—(ENS)—A Lakeshore Intermediate ORFU league was formed at Trenton last night with Fred Dufton of Cobourg as president and Jack Dean of Trenton, secretary. The league is comprised by Cobourg, Trenton, Picton and Trenton RCAF and there is a possibility that Belleville may be able to field a team. The first game will be on October 2 with Trenton at Cobourg and RCAF at Picton. The rest of the schedule will be announced later. Cobourg Galloping Ghosts will play in this league. The Ghosts dropped out of the Central group because the league clubs there were opposed to the Ghosts using imports.

Yesterday's Stars

(By The Associated Press)

Batting, Joe DiMaggio, Yankees—Belted his 34th homer of the season with two out and three on in the 10th inning to lead New York to an 11-6 victory over Boston.

Pitching, Gene Bearden, Indians—Allowed only six hits in hurling Cleveland to 10-1 triumph over Detroit for his 14th victory.

SPORTS SHOW WINDOW

CEC. PERDUE, Sports Editor

At the CNE this year, the Bulova Phototimer is being used to time races in Canada for the first time. It was tested previously in several track meets in the States and conclusively proved what had long been suspected—that the camera is sharper than the human eye and electrical timing more accurate than hand-watch timing. It was found that the electric timer is a bit slower than hand-watch readings. Reason is that the time unit is started by the sound of the starter's gun before his reaction starts to function. Finishes are caught accurately and results announced almost immediately.

* * * * * *

Quite a "rhubarb" has developed in OBA playoffs down Niagara Falls way. Seems the Welland manager pulled his team off the field and refused to start a game with Houcks in Niagara Falls the other night before a big crowd because the three umps were Falls' residents. Reports say there's no league ruling stating where umps handling games may reside. So Houcks took the field and the umpire-in-chief announced the game as forfeited to them. We have no sympathy for clubs refusing to play with paid spectators in the stands. They can always go ahead and play the game under protest.

* * * * * *

Hall Of Fame, Huh?

While work is proceeding okay on the Civic Arena, nothing apparently is being done at all on Memorial Centre plans. Well, it's up to the city council to check on that. Hockey followers will settle for the natural ice rink in the meantime. It has occurred to us that when—and if—the Memorial Centre is completed, along with the list of names of our war dead enshrined there, would it not be an idea to place a separate list of noted local athletes and others—from many years ago up to date—who have contributed greatly to Peterborough sports? As a sort of local Hall of Fame. It's just a thought and we'd like other views on the subject.

* * * * * *

Coach Dit Clapper of the Boston Bruins will be pulling out a week from Monday for Hershey to supervise the Bruins' big puck camp. Players of Tulsa, the Olympics, Hershey and St. Catharines will be there, followed by the NHL Bruins. George (Red) Sullivan will be going from here again ,and Keith Montgomery has been invited to a tryout. Players of promise, not yet ready for pro company, will play for St. Kitts in OHA junior "A" company. The tryouts will last a week or so before the big leaguers move in, the latter drilling away then until the National League schedule opens.

* * * * * *

Trouble In Oshawa

Oshawa scribe says: "News that the lacrosse playoffs are on will no doubt come as a surprise to many sport fans. They've been stalled down to a walk for the last three weeks—now, when it's too late, they're roaring into the playoff grind. Peterborough and Orillia held out for a three-of-five series and that's what it will be. A tough break on the Oshawa lacrosse fans, who have supported their team all summer and supported them well, because it means that the finals, likely between Peterborough and Oshawa, will all be played in Peterborough. Unless the local cliub can make arrangements to play their home games in the Whitby arena where the facilities are not quite adequate, but could be improved. It seems the Oshawa arena will start ice-making Tuesday or Wednesday next week, and lacrosse locally is over for the season."

* * * * * *

Damp, chill weather held down the crowd somewhat at Miller Bowl last eve but those there saw a neat number. As the Petes won 19-9 from Orillia to open the five-game OLA semi-final series. It was closer than that as the locals finished strongly to rap in five quickies in the dying minutes. Fast and fairly clean and it could be the Creighton crew will take it in three straight. Some buses for fans running Monday at 6.30, we hear, for the next tussle. Jack Foote sparked the Petes' attack with eight points, while Arn Dugan and Terry Gordon were next highest. D. Vitarelli, R. Breakspear, J. Breakspear and Smith were in on three each. Jack was strong on defence, too. And L. Vitarelli and Creighton usually got the draw on faceoffs, we noticed.

* * * * * *

Two More Bite Dust

Autumn sheds the summer sports, and two more of our better softball squads dropped out of competition last evening. Up in Toronto, St. Catharines' colleens beat Westclox 9-1 and now meet Kirkland Lake in PWSU intermediate finals. Norma Kennedy was tired after pitching three tough games in this series and she was hit hard. And at Oshawa, the Pedlars pulled out a 10-6 victory over the B-A bunch to win their OASA intermediate "A" series. Akers and Strickland pitched for the Russelle team, Crowe and Burton had two hits each, but B-A errors gave Oshawa a 7-0 margin the first two innings. Tough luck for both Westclox and B-A, but they've had a good season.

* * * * * *

GRAB-BAG: Today's track meet at the Ex. had to be cancelled as the track is wet—it may be held next Sat'day ....Soccer and cricket matches listed for this aft....Midland Golf League winds up its season today at the Peterborough links....Mart Donaldson is prexy of the CGE men's shop bowling league....Huntsville took Oshawa 10-6 to open their semi-finals....Mick Magee and Arn Dugan recently became proud poppas....We're told that New Toronto plays the midget Aces an OBA game at three this afternoon in Riverside Park....While our peewee Trojans take off today for Mimico....Ashby's meet Cobourg in girls' softball this aft in the lakeshore town....Oshawa juves proved too much for Kawartha Sports and swept their OASA series....Strickland blanked Pedlars the last three heats last eve but the damage was done then....Some PCVS grid dope on tap shortly....And that's the week wrapped up.

KAWARTHA GOLF CLUB

By JERRY SEABROOK

The various competitions are fast drawing to a close. The final round has been reached in the Kawartha, presidents' and club championship matches and the below-listed lads are going to battle it out for the silverware. John Lucas and Bill Edger for the Kawartha Cup; Ned Vitarelli and Mel Akers for the Presidents' Cup, and Fraser Dunfield and Ned Vitarelli for the club championship. Seems as though this Vitarelli guy sure has his name down in a lot of finals. He always was quite handy with the hockey and lacrosse sticks and I guess the same holds true with the golf sticks. The boys play their club championship rounds (36 holes) this Sunday, Sept. 12. Best wishes to all finalists; keep 'em down the middle.

All the club championship matches are to be completed by Sept. 18. This is a "must" as a little engraving has to be done to the cup shields before Closing Day. Everyone has co-operated in fine style this year keeping the matches up to date. Don't fail us in the final stretch. More about Closing Day at a later date, meanwhile keep Sept. 25 open.

Kingston Locos Edge Marines In 6-4 Battle

KINGSTON, Sept. 11.— Kingston Locos defeated Peterborough Marines, 6-4, here Thursday night and escaped elimination from the Central Ontario League finals. Petes lead the series, 2-1. The fourth game wil be played here on Saturday afternoon in this best-of-five set.

Howie Garrison, hurling for the Locos, allowed only six hits and would have racked up a shutout if he had been properly supported. None of the visitors' runs were earned, while Locos got only one that wasn't tainted.

THAT'S WILLIE "PUDDIN'-HEAD" JONES, who was chosen the All-Star third baseman in the International League. Jones and his team, the Toronto Maple Leafs, are currently battling it out with the Syracuse Chiefs and the Rochester Red Wings for a play-off berth.

Will YUMSON SEZ:

Our customers say they appreciate the intelligent way we serve them.

WILLIAMSON BROS.
MERCURY & LINCOLN
SALES & SERVICE

AN ENERGY-CHARGED MOMENT in a recent game between the New York Yankees and Philadelphia Athletics was this whirling adagio of arms and legs as A's right fielder, Elmer Valo, slid safely into second base and Snuffy Stirnweiss contorted himself into an off-the-ground knot in an attempt to stop a low peg from Catcher Gus Niarhos. The throw from Niarhos was an attempt to make up for a short passed ball, and like most things done in a hurry, was inaccurate. The ball went through Stirnweiss into centre field, whereupon Valo picked himself out of the dirt and went to third.

Rochester Bows To Royals Twin Bill

By The Associated Press

The International League winds up its regular season tomorrow and it looks as if the final day of activity will decide the winner of the three-way battle among Rochester, Syracuse and Toronto for the two remaining playoff berths.

Rochester is in third place today, a half game ahead of Syracuse and Toronto. The Wings have two games to go, Syracuse four and Toronto two.

The Red Wings suffered a severe jolt Friday night when they dropped both ends of a doubleheader to the pennant-winning Montreal Royals, 4-0 and 3-2.

Jimmy Bloodworth, the league's most valuable player, ruined the Wings in the first game. Bloodworth belted Al Papai for three homers to account for three of Montreal's runs. The three boundary jolts boosted Bloodworth's total to 23. Don Newcombe blanked the Wings on two hits in winning his 17th game.

Jack Banta limited the Wings to six hits in chalking up his 19th triumph in the finale. Banta fanned 12 and walked only three in outpitching curveball artist George Copeland and two relief pitchers.

The Leafs whacked Buffalo Bisons 9-4, pounding two Bison pitchers for 13 hits including a three-run homer of Vince Plumbo. Oscar Judd of Ingersoll, Ont., and Nick Strincevich tamed the Bisons on eight hits. The victory was Judd's 14th of the season.

Syracuse's scheduled twin bill with the second-place Newark Bears was postponed because of rain. A scheduled doubleheader between Jersey City and Baltimore also was rained out.

Remember When . . .

By The Canadian Press

Harry Wills, giant New York heavyweight boxer, gained a unanimous 12-round decision over Louis Firpo, Argentine scrapper at Jersey City 24 years ago today. Wills never got a chance at Jack Dempsey's crown.

Huntsville Hunters Defeat Oshawa 10-6

OSHAWA, Sept. 11—Huntsville Hunters, with their new coach, Bucko McDonald at the helm, pulled the biggest upset of the current OLA senior B lacrosse season here when they came from behind to defeat Oshawa, 10-6.

It was the first game of their OLA senior B semi-finals, a 3-out-of-5 series, and gave the surprising Huntsville team an edge, with the second game of the series scheduled for their home floor on Saturday ngiht.

The visitors uncorked a dazzling fast-passing attack that featured daring thrusts pulled off by virtue of brilliant stick-handling on close-in play and though Cliff Chambers, goalie, proved one of the Oshawa's few stars of the game, he couldn't stem the Huntsville tide.

Krapek, with three goals, was his team's top scorer but the entire team starred, especially Jennings, E. Watt, Scriver and the veteran Gordon.

Willie Vipond scored two of Oshawa's six goals.

Postpone Race

WESTBURY, N.Y., Sept. 11. —(CP).—The $40,000 Nassau two-mile race, in which two Canadian horses were scheduled to race Friday night at Roosevelt raceway, has been postponed until Saturday night because of rain, the track announced. Dr. Stanton, a veteran owned and driven by W. L. (Lindy) Fraser of Forest, Ont., and Tip Abbe, owned by Eddy Blouin of Sherbrooke, Que., were the Canadian horses in the field of 11.

Gets Chance At Crown

TORONTO, Sept. 11.—(CP).—Harvey Mathe, of Sudbury, has finally been recognized as a claimant to the Canadian light-weight boxing crown. Mathe will get a chance to take the Dominion 135-pound title from Arthur King Sept. 18 at Maple Leaf Gardens here. Matchmaker Frank Tunney said today Mathe's manager, Joe Pardie, had come to terms with Davie Yack, King's manager, for a 12-round fight, both principals to make a flat 135 pounds by ring time.

Attach No Blame To Bus Driver In Man's Death

Coroner's jury at Peterborough Police Court on Friday evening pronounced Reginald Hamilton, Colonial Coach Lines bus driver, free of blame as a result of a highway accident on Highway 28, just south of Springville on Saturday morning, Sept. 4, when Hamilton's bus crashed into a car driven by Thornton Smout, of Bensfort Bridge. Mr. Smout died in hospital from injuries received when his car was hit by the motor coach as he attempted to turn into the private drive of the home of Harold Keller, without giving a hand signal of his intention in the path of the oncoming bus. The jury consisted of Cecil Watson, foreman, Joseph McGuire, Ansil Taylor, Wilfred Connors and Arnold Atwood. The inquest was called by Dr. N. H. Young and V. J. McElderry, crown attorney, presided.

The first witness called was Dr. L. Zacks who attended Mr. Smout in St. Joseph's Hospital a few minutes after he was admitted and described the victim as bleeding profusely from lacerations on the left side of the scalp; he died approximately 15 minutes after admission.

Mrs. Joanne Bothwell of Millbrook, a passenger on the bus, was asked to give second evidence. From her seat she said she saw Mr. Smout's car just beside and a little ahead of the bus. She said the car turned east about ten feet ahead of the bus going slowly, making no hand signal. She did not look at the scene of the accident after the impact and said that the bus driver did not blow his horn.

Harold Keller, who should have been second witness, was late in arriving in court due to his car breaking down on the way to the inquest. He appeared in time to act as third witness. He explained on the morning of the accident that he was working on his own car engine but by turning his head at the sound of racing traffic, he said he saw a green car on the west edge of the highway, Mr. Smout's car and the bus trying to pass both and stated that the bus was travelling about 50 miles per hour on the gravel shoulder of the highway on the east side in an effort to pass both cars. He verified that the victim's car was equipped with a rear-vision mirror and recently-tested brakes and judged that the green car on the west side of the highway might have obstructed his rear view of the oncoming bus.

Mr. Keller's daughter, G. Keller, age 15, was called to the witness box and from her testimony it was surmised that she alone saw the accident take place as she watched the cars, and she also stated there were two cars and the bus, from the front door of her father's house. She saw Mr. Smout's car driving slowly down the centre of the highway, make a turn to come in her father's driveway and the sudden impact that threw Mr. Smoot through the roof of the car into the east ditch in front of the house.

The Misses Mary Blair and Verna Fry, both bus passengers were also called to give evidence but from where they were sitting were unable to give a great deal of information. They both stated that the bus driver did not sound his horn as a signal to Mr. Smout that he was about to pass him and both stated they did not see the green car already mentioned by Mr. Keller and his daughter.

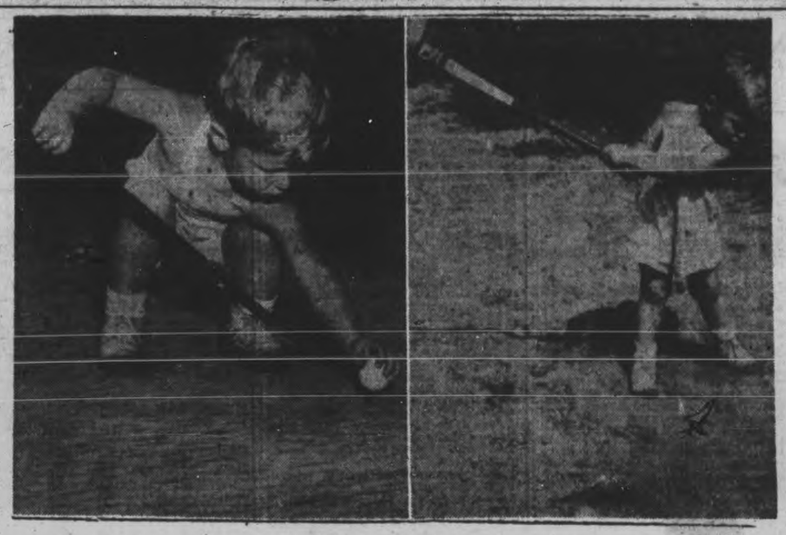
Reginald Hamilton, age 41, and bus driver for 8 years said that he saw Mr. Smout's car ahead of him but no second car and that he sounded his horn as signal to Mr. Smout that he was about to pass and that the front right-hand side of the bus struck the car which was going into a turn at approximately 15 miles per hour. He did not see any more of the impact due to flying glass.

C. G. Nickels, Examiner photographer, was called to verify that he had taken a picture of the scene of the accident which was labelled exhibit one in the case.

Provincial Constable George Stevens who investigated the case was the last witness. He said he received a call at 10.20 a.m. on Saturday that there had been an accident at Springville and that he arrived on the scene ten minutes later to find the wrecked car and debris scattered along the ditch on the east side of the highway in front of the Keller home and a man lying in the wreckage with head injuries. He called for an ambulance and waited for their arrival and assisted them to load the injured man before taking several measurements. He found that the impact occurred 1056 feet from the spot where both bus and Mr. Smout's car were jockeying for a pass to the front of the Keller home. The impact drove Mr. Smout's car a distance of 45 feet into the east ditch and the victim was tossed an additional 45 feet across the ditch. Wheel marks on the pavement, believed to have been made by Mr. Smout's car in turning, were 115 feet from the spot where Hamilton's bus came to a stop.

QUADRUPLETS RARE

Birth statistics show that quadruplets occur once in 658,403 births.



PROBABLY THE WORLD'S YOUNGEST GOLFER is 2-year-old Robert Mallick Jr., whom you see here during his daily round at the Coraopolis Heights (Pittsburgh, Pa., suburbs) golf course. The son of Mr. and Mrs. Robert Mallick, Bobby has been golfing since he was given a toy set of clubs for his first Christmas. He had blisters on his baby hands by the time he was 18 months. He was forever swinging at cans and stones. Now he plays the game with a solid-shaft iron mashie. At LEFT he is teeing up. At RIGHT, you get a good idea of Bobby's form as he blasts the ball out of a sandtrap. Note that, although the ball (foreground) is on the way out of the trap, the young golfer still has his head down and his eye on where the ball was. He is a southpaw—if you are puzzled by the follow-through.

Canada Gets 222 Million From ECA Orders

WASHINGTON, Sept. 11. —(CP).—Canada is sharing close to 20 per cent. of all procurement expenditures made by the Economic Co-operation Administration and about one-third of all procurement outside the United States, official figures revealed today.

Latest official summaries show that from the beginning of operations early in April to Aug. 31, procurement authorizations for Canada amounted to $222,600,000 out of a total of $1,292,000,000 for all countries, including the United States.

Procurement within the United States in that period amounted to $620 million. Canada was second. Purchases in participating countries accounted for $149 million. The remainder was scattered among Latin-American and other countries.

Food and agricultural products accounted for $169,900,000 of the Canadian total. Industrial machinery and raw materials accounted for about $52 million.

Under the food items, bread and grains accounted for $103 million and meats $43,300,000. Among raw materials, non-ferrous metals procurement amounted to $30,700,000 and lumber and sawmill products $15 million.

Since Aug. 31, the Canadian total has increased to about $225 million, while the total over-all procurement has jumped to slightly more than $1,445 million. But details and figures are not yet available.

Earlier in the year it was made plain to the ECA and to the world that Canada, because of her dollar position, would not be able to take on any commitments additional to her already substantial aid program to the United Kingdom and some European countries.

Willie Pep Offered Chance To Defend His Title

NEW YORK, Sept. 11.—(AP).—Willie Pep today will be offered a December date at Madison Square Garden to defend his world featherweight title against Sandy Saddler, his top challenge.

Sol Strauss, acting promoter of the 20th Century Sporting Club, said he would give Pep his choice of open Garden dates for a bout with Saddler.

Pep's excursion into the lightweight division Friday night was a success as he gave Roughhouse Paddy De Marco a convincing boxing lesson. De Marco, rugged slam-bang fighter who twice beat Terry Young, was in over his head.

"I thought you were supposed to fight to win," said De Marco after it was all over.

Referee Arthur Donovan and the two judges found Pep an easy winner. So did the Associated Press score card, which had it 8-2 for the champ.

A master boxer, quick to seize on an opening and alert to every sliding defensive move, Pep refused to stand up and trade punches with De Marco, who had a 5¼ pound weight bulge.

The only time he slugged with Paddy was in the ninth. Obviously annoyed because Demarco opened an old cut over his left eye, Pep tried to knock out the 20-year-old kid from Brooklyn.

Pep's amazing record thus remains intact. He has lost only once—to Sammy Angott in 1943—in 134 fights. He hasn't been beaten in his last 70 and has 42 straight wins since he was held to a draw by Jimmy McAllister in 1945. Demarco's string of 21 straight is no longer.

COLONIAL COPY

The early American eating places were patterned after the inns, taverns and coffee houses in England and on the continent.

BOHUS BENES, nephew of the late Eduard Benes, who resigned as Czech consul in San Francisco in protest against a "regime of Red fascism." There since 1942, Benes said bluntly that he is not and could not be a Communist. In quitting his job, Benes has requested asylum in the US for himself, his wife and their three children.

DiMaggio's Timely Homer Brings Yankees 11-6 Win

By RALPH RODEN
Associated Press Sports Writer

Sparked by the greatest present Yankee of them all—Jolting Joe DiMaggio—New York Yankees have declared themselves back in the American League pennant race.

DiMaggio rekindled the pennant hopes of the defending world champions in Boson Friday with a tremendous grand-slam homer that brought the Yanks an 11-6 victory in 10 innings over the league-leading Red Sox.

The Yankee Clipper socked his game-wrecking blow off Earl Caldwell, fourth Boston pitcher. The blast ended a nine-game Boston winning streak.

The defeat cut the Sox lead to 2½ games over the Yanks.

Until DiMag unloaded, the flag aspirations of the Yanks were mighty dim. The Bombers entered Boston Wednesday night a game and a half off the pace and took two straight beatings.

A third straight licking and the Yanks could just about forget the pennant and start concentrating on holding second place against the onslaught of the third-place Cleveland Indians.

The Indians remained a game behind the Yanks by blitzing Detroit Tigers 10-1. Lefty Gene Bearden limited the visiting Tigers to six hits in posting his 14th victory. Bearden also singled, doubled and drove in two runs as the Tribe whacked three Tiger pitchers for 14 hits. Joe Gordon chipped in with his 25th homer to help the rookie along.

Take Doubleheader

Connie Mack's fourth-place Philadelphia Athletics took a twi-light-night doubleheader from the Senators in Washington 9-6 and 3-0. The A's hammered Sid Hudson for 17 hits in the opener and won out with a four-run ninth inning rally. Phil Marchildon of Penetanguishene, stopped the Nats on three hits in the second game that was called at the end of eight innings to permit Philadelphia to catch a train for Boston. Dick Fowler pitched the A's to their win in the first game. St. Louis Browns walked to a 10-7 victory over the White Sox in a night game at Chicago. White Sox pitchers walked 15 Brownies with rookie Marvin Rotblatt passing 10.

In only National-league game the fourth place St. Louis Cardinals turned back Cincinnati Reds 6-5. Stan Musial broke up the game by singling home Red Schoendienst in the ninth inning.

Here and There in Sport

By The Canadian Press

Professor Nelson C. Hart, secretary of the Canadian Olympics Association, said Friday in London, Ont., that Canadian sportsmen are "quite justified" in questioning the right of the Amateur Athletic Union of Canada to "assume that it should have jurisdiction over the Canadian Olympic Association."

Prof. Hart, recently returned from the London Olympic games, in a prepared statement defended Olympic Association President A. Sydney Dawes, whose resignation was urged recently by President George C. Machum of the AAU. Machum charged that Dawes, an AAU vice-president, was undermining the AAU by proposing the establishment of the COA as a separate organization. Prof. Hart said the disagreement between Dawes and Machum "has all the appearances of a personal feud."

Johnny Greco, Canadian welterweight champion, and Larry Cisneros of Los Angeles were suspended Friday by the Montreal Athletic Commission for their poor showing at Montreal in a bout last Thursday. The two appeared before a special meeting of the commission and announcement of the suspicions was made by Chairman Dave Rochon. The bout was stopped in the fourth round by Referee Maurice O'Connell and declared "no contest."

Bucko McDonald's Huntsville Hunters Friday night upset Oshawa 10-6 in an Ontario Lacrosse Association Senior "B" semi-final game here. The game was the first of a best-of-five series. Second game of the series is scheduled for Saturday night at Huntsville. Krapek with three goals, was Huntsville's top scorer. Willie Vipond got two of Oshawa's goals.

Jackie Hamilton, youthful wartime centreman of the National Hockey League Maple Leafs, was the unnamed player traded in a high priced deal which gave Toronto rights to 17-year-old Dan Lewicki of Fort William; Leafs president Conn Smythe said Friday. Hamilton, who has played the last two seasons with Pittsburgh, will report to the American Hockey League Providence Reds.

A protest by Saskatchewan Roughriders over Calgary Stampeders 14-8 Western Football Conference win at Regina Monday was disallowed Friday by Conference President Clair Warner. Riders' protest centred around a forward pass thrown by their quarterback, Johnny Cook, to Gabe Patterson. It was fumbled but Stampeders recovered it and scored a touchdown.

Marcel Cerdan lost his French middleweight title at midnight Friday night because of a technicality. Cerdan now is in the United States for a bout for the world's middleweight title against Tony Zale at Jersey City, N.J., Sept. 21. Under rules of the French Boxing Federation, Cerdan's crown was lifted because he had not signed a contract to fight challenger Lucien Krawsyck, a naturalized Frenchman.

President Will Harridge of the American League said in Chicago Friday that five-day suspensions and fines were handed out to Catcher Hal Wagner and Outfielder Dick Wakefield of Detroit Tigers for "altercations" with umpires in the last two days.

Theo A. Abe, owned by Ted Hilt of Sandusky, O., and driven by Gabe Cartnal, Friday won the $1,062 Hoosier Futurity for two-year-old pacers. The race was the feature of the final day of the Grand Circuit program at the Indiana State Fair. The bay colt finished second in the first heat but took the second and the two-horse race-off.

Barnabas, a Good Man

ILLUSTRATED SUNDAY SCHOOL LESSON

Scripture—Acts 4:32-37; 9:26-31; 11:22-30; 12:25-13:7, 43-52; 14:1-20; 15:1-39; I Corinthians 9:6; Galatians 2:1-13; Colossians 4:10.

Barnabas, one of the apostles, sold his land, brought the money and laid it at the apostles' feet, for they had all things in common, and distribution was given to each man as he had need.

When Paul first came to the brethren in Jerusalem, they were afraid of him because he had previously persecuted the Christians, but Barnabas brought him to the apostles and vouched for him.

A report concerning the church at Antioch came to Jerusalem, and the apostles sent Barnabas there, "for he was a good man, and full of the Holy Spirit and of faith," and many were converted.

Barnabas brought Saul to Antioch, and word came from the Holy Ghost to send Barnabas and Saul on a missionary journey, so the two went on their way.

MEMORY VERSE—I John 3:18.

Peril of Nationalism

By REV. E. R. JAMES

When They In The Synagogue Heard These Things They Were Filled With Wrath And Rose Up And Thrust Him Out Of The City That They Might Cast Him Down Headlong.

St. Luke, 33.

The train was passing through country when my friend exclaimed: "I was born and raised in this country. It is rough but it raises men". There was a note of affection in his voice.

"Jesus came to Nazareth where He was brought up". The Carpenter had made a name for Himself. Being truly Man He came back to His Home village. It is very probable this story comes from the Virgin Mother. Can you see the touch of personal knowledge:—"The eyes of all that were in the synagogue were fastened upon Him. All bare Him witness and wondered at the gracious words which proceeded from His mouth".

The young Prophet is asked to read the Scripture. "The Spirit of the Lord is upon Me because He has anointed Me to preach the Gospel to the poor; He hath sent Me to heal the broken hearted; to preach deliverance to the captives and recovering of sight to the blind; to set at liberty them that are bruised; to preach the acceptable year of the Lord". The meek and lowly One speaks of Himself. "This day is this Scripture fulfilled in your ears". Having gained their attention, as a brave Man He goes on tvdo eolpe

Man He goes on to develop the "I tell you of a truth many widows unpleasant side of the Scripture. were in Israel in the days of Elias when the heaven was shut up three years and six months, when great famine was in all the land. But unto none of them was Elias sent save to Sarepta, a city of Sidon, unto a woman that was a widow. And many lepers were in Israel in the time of Eliseus the prophet, but none of them was cleansed save Naaman, the Syrian."

The people had been trained to believe that Jehovah was the one living God of the Jews, that Jehovah loved the Jews and hated the Gentiles. The hearts of patriotic Jews thrilled when this Scripture was read in their ears:—

"Thus saith the Lord God; Behold, I will lift up mine Hand to the Gentiles. They shall be carried upon their shoulders; and kings shall be thy nursing fathers and queens thy nursing mothers. They shall bow down to thee with their faces toward the earth and lick up the dust of thy feet". "And thou shalt know that I am the lord". Isaiah 49; 22.

The Lord Jesus strove to teach the people of His day and us the important truth that Jehovah loved not only the Jews but also the Gentiles.

Have you read the book of Jonah with an understanding mind? You will see the startling truth that Jehovah loved the people of Ninevah. "Thus saith the Lord to Jonah. Should I not spare Ninevah, that great city, wherein are more than six score thousand persons, who cannot discern their right hand from their left hand and also much cattle?" Jonah 4; 11. The book ends abruptly. Do you not think that those early hearers, having the horrors of Ninevah troops in their own land in their minds, rushed upon the prophet, who attempted to teach them a fresh side of the character of God, and slew him. The teaching that Jehovah loved the Gentile could not be accepted by men who believed in Jehovah.

Centuries pass by. Saul of Tarsus was trained to believe that Jewish blood was superior to Gentile blood. He would have gladly died for this teaching. But after his conversion, St. Paul stands on Mar's Hill and teaches this all important truth. "God hath made of one blood all the nations of men to dwell on all the face of the earth". What do you think of Germans and Russians? Will the true answer hurt your ideas of superiority of race and blood?

Then The Lord Jesus Opened Their Understanding That They Might Understand The Scriptures.

Broad Immunization Plans In Peterborough Schools Cuts Contagious Diseases

National Immunization Week sponsored by the Health League of Canada in co-operation with the Departments of Health and Education begins on Monday. The object of the campaign is to draw the attention of parents to the importance of taking advantage of immunization against diphtheria, whooping cough and smallpox. Immunization is also given against scarlet fever, but is not accepted by the entire medical profession.

Bookmarks and pamphlets will be given to local schoolchildren, who will be asked to hand the pamphlets to their parents. Two special broadcasts have been arranged by the Peterborough branch of the Health League. On Monday at 2.30 p.m. there is to be a broadcast by George Barnes, local president, and Dr. R. A. Kelly, medical officer of health, and on Wednesday at the same time there will be a discussion on immunization between a mother, a practising physician and a representative of the Department of Health.

There were no cases of diphtheria in Peterborough last year and there have been only three cases so far this year, but there were 139 deaths from diphtheria throughout Canada in 1947. Cases of whooping cough in Peterborough totalled 42 in 1947 and there have been five cases this year; deaths throughout Canada last year totaled 221. Both diseases caused more deaths than polio, a far more dreaded disease from which only 90 people died in 1947. By means of vaccination, smallpox has been almost entirely wiped out in Canada, but it can once again become a menace if vaccination is neglected.

In an interview, Dr. Kelly pointed out that although immunization was carried out among a large section of Peterborough school children, diphtheria is extremely dangerous to children under five years of age and whooping cough is serious in children under two years. Last year, approximately one third of the children born in Peterborough were immunized at local infant hygiene centres and possibly another third by family doctors.

The use of toxoid, he said, is the only prevention against diphtheria "carriers" — persons who are not ill themselves but carry the germs. The whooping cough vaccine is 80 per cent effective as a complete preventive and reduces the severity of the disease in the other 20 per cent.

2 UE Delegates Entered U.S. Without Trouble

Two alternate delegates from the Local 524 UE-CIO sent to 13th International UE-CIO annual convention in New York, had no difficulty crossing the border.

The two alternates were William Whibbs, and Keith Chiles, and they along with Arthur Hunter, one of the original three who was not halted at the border comprised the local delegation. The other two original delegates, Mervin Chambers and Tom Davies were refused entry to the United States.

Today a telegram received from Wm. Whibbs, vice-president of local 524 to Phillip Doherty, recording secretary, in which he said the trio was returning from New York at once. Highlight of the convention on Friday, the telegram said, was a debate on foreign affairs policy. More than 1,000 delegates attended the convention.

When the delegates were voted on by the union members, there were about eight candidates, the three getting the highest vote took the trip. Two were turned back, then the two who had received the next highest number of votes, Whibbs and Chiles, started for New York. They had no trouble at all gaining admission to the United States.

Fair Board Sees A Small Profit

Even with gross revenue of $28,200 from their show last week, directors of Peterborough Exhibition Friday night concluded that they would be lucky to cover their expenditures to the extent of a surplus.

Prize money amounts to $11,000, including the races, G. A. Gillespie, secretary-manager informed the directors in a preliminary financial report. Receipts from the midway were $2,800.

Hugh Stewart expressed the board's thanks to everybody who helped. Letters of appreciation are being sent to Dr. Harold Worton who acted as ringmaster for the horse show and Eddie O'Toole as secretary.

Murray McRae reported junior prizes totalling $600.55. Directors agreed that the junior department was splendidly handled, and thanks are being tendered to the agricultural representatives of the district for their co-operation.

The Gillespie report was only an indication of the financial prospect. He suggested to the Examiner that the board would have two or three thousand dollars surplus from their first revival of the "Ex".

Cats Abused Society Reports

It seems to be a bad month for cats. Two recent occurrences indicate that at least some people express their dislike for the feline in unkind ways.

A cat and her three kittens were dug out of a parcel mailbox recently by one of the postal employees emptying the box. All were slightly "roughened in handling" but scooted away.

Humane Society Inspector Gerald Dunford was called to Sherbrooke St. several days ago to answer a call from workmen there. They had found a cat and her four kittens unhappily bundled up in a big shopping bag under a tree. The cat's neck had become tangled in one of the handles in trying to get out, but she was finally freed in one piece. The Society has since found someone to adopt the whole family.

TWO PUBLIC SCHOOL PUPILS, Margaret Ingram, Queen Alexandra School, and Harry Carleton, Prince of Wales, won cash prizes in an essay contest sponsored by the 57th Chapter IODE. Miss Ingram took first and gets a $10 award, and Harry Carleton wins $5. The subject was "A British Explorer."

Hum Hoy Happy in Hospital Daughter Here From China

By JEAN STENTON

After a trip half way across the world, the House of Hum was reunited Friday after 10 years, when Mrs. Bing-Quan Yee, who has just arrived from Canton, China, greeted her father Hum Hoy, a patient in St. Joseph's Hospital.

Two weeks before he was to sail for China in April, Mr. Hum was stricken ill and has been in hospital ever since. The last time he saw his No. 3 daughter, Ding Tzu, she was a child just entering her teens. Now she is a bride of nine months, who has come to Boston, Mass., to make her home.

A poignant scene was enacted in the hospital room shortly after the noon train arrived. Tears rolled down Hum Hoy's cheeks as he caught the first glimpse of one of his beloved children. Tears were also not far from the eyes of Mrs. Yee as she greeted the father the Hums feared they might not see again.

This has been the big day in Hum Hoy's life for several months. As soon as they learned of his illness, Mr. and Mrs. Yee, who were at the Hum home in Hsu Shaan began arranging for passage. But it was not until the end of July they sailed from Hong Kong to San Francisco. Every letter from "home" was read and re-read by the sick father, waiting news that they were on their way.

Leaves Hospital Soon

Not only has he been reunited with his daughter, but Mr. Hum was proudly able to show her how well he has come along. He is so much improved that it is hoped within a few more weeks he may be able to leave the hospital and sail for China before winter sets in.

Mr. and Mrs. Hum are the parents of five children, four girls and one boy. Mrs. Yee is his third youngest daughter and at present the only one not residing in China. For some years his son Tommy, the youngest child, lived in Peterborough with his father, and attended the Grove School in Lakefield. About a year ago, he was sent home to continue his education in Canton.

It has been a somewhat difficult trip for Mrs. Yee, tempered however by the delight in seeing her father. She is about to take up residence in a strange country with new customs. She cannot speak English and she will have only her husband's relatives as her family in Boston. However, these things have not daunted the attractive, slender, Chinese girl. She was married in China before Christmas, 1947, to an American-born Chinese, who served in the United States Army during the Second World War.

Mr. and Mrs. Yee plan to spend a few days visiting with Hum Hoy. Then they will return to Boston and set up their new home.

RUFUS LEADS THE PACK

Rufus Payne is sitting tight on his laurels with the 7 pound 2 ounce brown trout he caught earlier this year. It is the largest taken so far this season, but fly fishermen claim there is a larger one in the Millbrook stream. This fish caught by Payne was topped by three taken in previous years. One over 8 pounds by the late LAC. A. T. Armstrong, an 8-pounder by Fred Roy from Eagle Lake, and a 9-pound 2 ounce brown from Shanty Lake, caught by Alderman Adam Sands.

Coroner's Jury Blames Flagman In Death Of Boy In Caboose

A coroner's jury on Friday evening found that 10-year-old Kenneth Bull, of Lindsay, who killed on Monday in a railway accident near Birdsall Station on the CNR, met his death "in a rear end collision of two freight trains which was caused by negligence on the part of the flagman of the first train in that he did not proceed the required distance to effect proper protection to his stalled train."

Earl Stevens, engineer of the first train, testified that at 9.50 p.m. on Sunday evening he had to stop his train as the back strap of the left go-ahead eccentric had broken, and it was decided to telephone Lindsay for another engine. He said that the entire train was braked at the time of collision, which he gave as approximately 12.10 a.m., and that the force of the impact moved the engine one to two feet.

Questioned by Crown Attorney V. J. McElderry, the flagman, Oscar Russell, of Lindsay, stated that after the train stopped he was instructed to go back and protect the train, and he consequently set down two torpedoes about 1,900 feet from the rear end and signalled the approaching freight with a red flare fuze.

"Where you had put the torpedoes was what distance?"

"1,900 feet."

"Could an ordinary loaded train have stopped within that distance?"

"I thought so."

"If you had gone back another two-thirds of a mile, there would have been no accident?"

"No, there wouldn't."

"The result was you did not go back far enough. Is that true?"

"Yes."

William T. Bull, conductor of the first train and father of the dead boy, testified that he was in authority on the train and instructed flagman Russell to protect the rear end. He stated that the flagman should have gone out 42 pole lengths from the rear of the train, or 5,400 feet, and that had he gone that distance there would have been no accident.

Had No Authority

In reply to a question of County Coroner Dr. Herbert Young, Mr. Bull said that he had no authority to be carrying his son on the train, it was "just a father's love."

In his evidence, Mr. Russell estimated the speed of the second train as about 50 m.p.h. and stated that he did not notice any slackening of speed before the collision. This was denied by John Hogan, conductor of the second train, and other members of the crew, who stated that the speed did not exceed the limit of 40 m.p.h.

Charles Sleep, engineer of the second train, testified that he applied the emergency brakes on seeing the red flare and that it would have taken two thirds of a mile to have halted the train.

R. B. Hardy, assistant superintendent of the Belleville division, said that he could not estimate the speed of the train from the damage caused, but that he did not think it was out of line with a speed of 15 to 20 m.p.h. Mr. Hardy stated he found the marks of the two torpedoes on the track and that they were approximately 1,800 feet from the rear of the caboose of the first train before the accident. He said that the rule for the flagman under the conditions at the time was 42 pole lengths or 5,400 feet.

"Could the train have stopped if the signal had been given at a distance of 42 pole lengths?".

"Absolutely."

In his summing-up, Dr. Young said that it was evident that the accident should not have happened as the first train had been stopped for two hours 20 minutes. He pointed out that at a speed of 40 m.p.h. the engineer of the second train had approximately 33 seconds in which to stop the train.

Foreman of the jury was Coleman Blewett. Other members were Edgar Spurway, Edward Le Barr, John Baird and Roy Parnell.

City Must Cut Electric Power To 260,000 KWH

Peterborough's consumers of electric power must not exceed 20,000 kilowatt-hours a day beginning Tues., Sept. 14, according to the restrictions imposed by the Hydro-Electric Commission.

This compulsion as the season of the lengthening nights advances requires local consumers to cut their use of electricity by 15 p.c., in the notice that is being directed to them by the Peterborough Utilities Commission.

"This will not be all the reductions needed, as we expect the domestic and small commercial user to do his share of conservation," R. L. Dobbin, Utilities manager, announces in asking for public co-operation with Hydro's power alloting in the present recurrence of the shortage that became acute a year ago.

That co-operation last fall and winter enabled the local Commission "to conform to the orders of the Ontario Commission without the friction and dislocation experienced in other localities."

The new regulations carry severe penalties for their violation.

Rainfall Scarce

A Hydro statement affirms that due to lack of rainfall this season the Gatineau Power Company has insufficient water in its storage reservoirs to maintain the present rate of withdrawal for power production and will consequently be obliged to reduce its delivery of power to the Commission by 1,000,000 kilowatt-hours a week beginning Sept. 6.

'Resources are already inadequate to meet the demand for power, which has increased greatly during the last few weeks, and it has been necessary to cut our large industrial power consumers by a total of more than 200,000 kilowatts at time of peak, and more than 2,000,000 kilowatt-hours a day.

Any further extensive cuts in the delivery of power to these consumers would seriously affect employment. No additional resources will be available until the Stewartville development is placed in service in October. Meantime the demand for power may be expected to increase.

Two Weeks Early

While it had previously been anticipated that it would not be necessary to impose restrictions before Oct. 1, 1948, these reductions in resources make it imperative that action be taken two weeks earlier. The Commission, therefore, proposes, commencing Sept. 14 to allot each municipality a specified quota of kilowatt-hours a day, Monday to Friday, inclusive. This quota must not be exceeded. It is based on an equitable distribution of available power supplies, and takes into account growth load which has occurred during the last year.

New resources totalling approximately 100,000 kilowatts will be added to the system in the next three months, and it is hoped that it will be possible to make a corresponding increase in the allotment of available power supplies. However, if water conditions do not improve, it is quite possible that this increase may be offset by a further shrinkage in existing resources.

For that reason each municipality should immediately take steps which will enable it to hold its week-day consumption of kilowatt-hours to the quota now being allotted to it."

PLAN CORN ROAST

All paid-up members of the Peterborough Fish and Game Association are invited to the annual corn roast to be held at Buckley's Lake next Wednesday evening, September 15. Cars will leave the CNR freight sheds at 7 o'clock. The event is free, and plans for the coming season will be outlined.

Married Women Find Work Hard To Get

There is talk in Peterborough of women walking the streets looking for work and finding work hard to get. National Employment officials say there is nothing alarming in this situation as it is a condition that has existed for a long time, but they admit it is gradually increasing.

In the first place it is only married women who are seeking employment; single girls are enjoying steady work in the city's factories but employers do not care to hire married women. The increasing high cost of living is the chief reason why married women are trying to find work to supplement their husbands' income. Ever since the war ended when factories suspended services of married women, they have been trying to find work in stores, but they will not accept domestic work.

The congested housing situation is another reason why married women are seeking employment; they find it takes very little work to look after one or two rooms and are anxious to make use of their idle hours.

As far as the male employment picture goes, men seem to be fairly well placed. Harvesters are still being sent West and skilled building trades, such as finished carpenters, bricklayers and blocklayers, are at a premium.

MAIN ST. TOPICS

CAR KILLS CUB

A year-old bear cub was killed near Carnarvon, Haliburton County, recently. It was struck by a car driven by American tourists on Highway 35. The tourists took their trophy of the road home.

GET 10-CENT RAISE

Employees of the town of Cobourg will get a 10-cent-an-hour wage increase retroactive to August 1. This was decided at a meeting of the town council this week. Present average weekly pay for the civic workmen is $36.50.

NO POWER CUT OFF

Flat rate water heaters were not cut off in Peterborough on Friday. Utilities officials stated as plenty of sunlight caused a decrease in the amount of electricity used in home, plant and office for lighting purposes.

OPTIMISTS TO MEET

First Fall meeting of the Peterborough Optimist Club will be held on Monday evening at 6.30. Past, present and future business will be the subject of the evening following dinner and it is expected a full report will be made on the work already completed at their Boys' Town project.

TRUCK IS DITCHED

An eastbound truck belonging to Beatty Bros., Transport, Peterborough, toppled into the south ditch on a curve west of Bowmanville on Friday evening due to a shifting load. There was some damage to the truck body but none to the driver nor to the underpart of the truck proper.

NEED HIGHWAY SIGN

Residents along Lansdowne Street report that several tourists have inquired the way to the shopping section. Others, they say, want to stop, have a meal and do some shopping, but are at the city's outskirts before they know, so keep going. The Southenders suggest that a sign at the Exhibition Grounds gate indicating the shopping section is north would be effective in bringing more business to the merchants. Jim Fraser of the Chamber of Commerce is working on the suggestion.

Desire for Fast Shiny Cars And Much Travel Takes Emphasis Off Gardens

"The lawns and gardens of Peterborough are starved for fertilizer," John Jessen, 445 Park St. North, remarked to the Examiner in a commentary that sounded like Frank C. Paterson's occasional estimate of many of the farms of this district. Mr. Jessen is a professional gardener and landscapist who is frankly interested in the business of promoting of a more beautiful Peterborough, and although much has been accomplished in that direction, he says with tribute to the citizens, there is still a broader margin for improvement than most people realize.

Residential beauty through the medium of lawns and gardens, flowers and shrubbery, adds cash value to a house and should place it on a higher plane as a home, the centre and sanctuary of family life. That is one of Mr. Jessen's convictions. Desire and ambition to own a modern house remains strong. Payment of taxes still holds a primary place in the list of personal liabilities, but the automobile presses around that position, especially with those people who put ownership of a car first.

Some men would rather wash the car than water the flowers. Most people love flowers, trim lawns and productive gardens, but their care takes work, and the pleasures of travel, in spite of traffic hazards, are more active and varied than the quiet and passive recompense of a garden's blooms.

In the forefront of social changes today is the loosening of the ties and influences of home life. And that effect is hastened by the propensity to flit about and spend money on fast and shiny cars rather than on the exteriors of dwelling places.

City Wins Praise

Peterborough regards itself a trim and tidy city, with consciousness of horticultural beauty, and has received much praise for its parks and boulevards and all the other components of public and individual enhancements.

Of course it is, Mr. Jessen says, but we had only 500 members of the Horticultural Society in 1947, probably fewer than that number this year. Only one in every 70 persons in Peterborough a member of the society! What of the other 69? Many of them are probably doing just as much about their own premises in contributing to the beauty of Peterborough as are the Horticultural members. Some of the best lawns and gardens are never entered in the Society's lawn and garden competition.

Mr. Jessen was not deprecating the work of the Society, or its record membership last year. He emphasized that increased membership would be a means of extending a livelier interest in flowers and lawns and gardens and would earn greater government grants for the work the society would like to do.

Incidentally, Mr. Jessen deplored the prospect of removing the Lansdowne St. trees.

"It may not be very long until the wires over those trees are put in cables under ground," he said. "It is so easy to chop down a tree and uproot it,—after years of growth. In Denmark where I grew up all the cities have their telephone wires underground. Denmark has been using commercial fertilized for 75 years. Many of the farms and parks have never seen stable manure. Manure is excellent humus which the ground needs, and it has other advantages in tilth, but the commercial fertilizers hold certain minerals that are released in their action in the soil."

A Good Investment

Mr. Jessen asserts with confidence that Peterborough home gardens would return greater kitchen harvests if their owners would inform themselves about the kind of fertilizer that should be used, and then apply it generously. "There would be some cost, but you get it all back and more in the returns."

That advice is also directed to lawns, and with the chemicals available that kill weeds there should be nothing but clean lawns. Their verdure and strength of turf could be vastly improved if home owners gave these new aids practical attention.

Even the roadsides are cultivated in Denmark, "because it is a small country, and we cannot waste any ground. Fertilizer is applied more heavily there, too, because the good soil here is richer. There is another reason: Denmark must get as much as it can out of its land.

The use of shrubs in home adornment has not been developed here. Their choice and treatment invites a long chapter.

And Mr. Jessen remarked, with no desire of criticising the municipal methods, that the city's parks could be greatly improved in their grass if fertilizer were used on a fairly liberal scale.

Perennial borders, — another broad subject in horticulture. "It should be remembered that floral arrangements can be laid out to demand minimum of attention during the summer if families are to be away motoring or at summer homes."

Mr. Jessen may be remembered as the exhibitor of the pastel violas at the local flower show several years ago, one of the fine features of that exhibition.

"Twice that winter when the sun became stronger and melted the snow, we had violas in bloom."

One of his comments was that if you see moss on a lawn it is evidence that lime is needed in the soil. This is a limestone section of the country, and the general impression and practice is that liming of the land, extensively included in soil maintenance in some of the states, is not required here.

Hon. L. Pearson Was Pupil Of R. F. Downey

Hon. L. B. Pearson, Canada's new Minister for External Affairs who was sworn in on Friday, is one of Central Public School's most distinguished graduates. Mr. Pearson's father was minister at George St. Methodist Church for four years, starting about 1910.

R. F. Downey, Boswell Ave., was principal at Central School at that time and had the former ambassador to Washington in his entrance class, along with Leo Copp, now principal of the Normal School. Mr. Downey told The Examiner today that "Lester was a hard lad to keep busy. He'd have his work almost done before the other boys had their books out of the desks. I had to keep him busy on the ball team."

BRIEF AGREEMENT

A short-lived agreement between the Town Hall and Post Office clocks has ended once again. The Town Hall clock is now several minutes slower than the Post Office timepiece..

PRACTICAL PLANS FOR THE HOME YOU WANT AND HOW TO PLAN IT

Period Rooms Divided Into Three Main Classes

Colonial: The Colonists, remembering the things they idolized from their homeland, and using such materials and resources as were at hand, fashioned furniture for their new homes according to the needs and taste and the available equipment of their day. Adaptations of the English styles from Queen Anne to late Georgian rubbed shoulders happily, French designs, reminiscent of the light-hearted styles of Louis XV, stripped of their ornate finery and reduced to simple beauty of line, were all in evidence. The late English styles of the Eighteenth century, and the Napoleonic Empire period all mingled in disordered harmony. There are many styles and phases of the Colonial. It is best to treat each on as an adaptation of the style which inspired it. Chintzes, stripes and small floral nosegays are considered the most suitable wallpapers for the simple "Early English" Colonial. Mahogany and maple are the most frequent furniture materials, while painted furniture also has its adherents. Using wallpaper as a background for painted furniture is one of the most charming ways of ensuring a delightful room. Rose, light blues, yellow, ivory and pale green are the colors best suited to these rooms. Maple furniture calls for tawny tones; henna; rust; burnt orange and russety red, used with soft greens or chalky blues; straw yellow and cream, "nigger" brown and pale yellow also consort happily with maple in its various finishes.

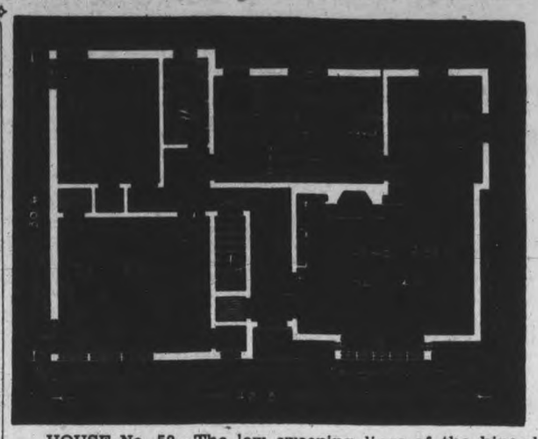
The directoire: Turning back to Europe, the end of the Eighteenth century saw the cultured lands in a turmoil. France was in the throes of the Revolution; England was enduring the Gordon riots and other local uprisings of various kinds, and decoration lost its impetus. Napoleon's rise to brilliant heights stemmed the complete swamping of decorative art, and for some years there were various temporary styles and phases.

It is symbolic of the part that decoration plays in our lives, of the way it reflects the age in which it appears, that during this swiftly moving and turbulent period there were no less than five distinct styles in the course of three decades. The French Empire Period was pompous and overbearing, the result of the uncultivated taste of a parvenu Emperor and apparently never had the time to refine its first exuberance. Occasional examples are interesting, but in the main, little value in today's everday living. The Directoire Period, which was an earlier phase and saw Napoleon's rise to glory, featured essentially martial decorative emblems—as might be expected from a soldier whose imaginative horizon was bounded by the glories of the ancient empire of the Romans. Directoire motifs such as the torch of flambeau, the wreath, arrows, the battleaxe and stars, splendid in these settings: medallion papers make excellent Directoire backgrounds; stripes with floral swag borders; strong, bright colors, sharp contrasts; these are all typical of this dramatic, militant period.

Contemporary Style: Because of the great possibilities of The Contemporary, it has not, until recently, been interpreted to the extent it deserves. Contemporary wallpapers are simple but carry strictly sophisticated designs as their chief appeal, together with softness yet definite purity of color. There are others, where the interest lies in the texture— one might almost say in the "weave"—like those suggestive of homespuns, herringbone weaves, basketweaves, natural linen; and those beautiful metallic papers and wood-effects which give character and personality to the room whose walls they grace; all these are typical of the Contemporary period.

CANNIBALISTIC RITUAL

Primitive men used to join in the eating of dead relatives in order to partake of their virtues.



HOUSE No. 59—The low sweeping lines of the hipped roof are particularly pleasing on this little cottage, which has an unmistakable air of modernity about it. Broad white clapboards, sufficiently thick to cast bold shadow lines, give emphasis to the modern motif. Clear edge-grain red cedar is used for panelling the fireplace wall of the living room, and this wood is carried around the corner to form book shelves, as indicated on the floor plan shown. Dining-room walls are panelled in vertical knotty red cedar. For further information write Home Building Canada, 372 Bay St., Toronto.

Lord Greenwood Dies Following Lengthy Illness

LONDON, Sept. 11 — (CP). — Viscount Greenwood, a Canadian who made his name in English politics and business, died last night at his London home, aged 78. He had been ill for several months.

Born at Whitby, Ont., Lord Greenwood earned fame as Sir Hamar Greenwood during the 1920's as a legal expert, a business man and as Chief Secretary for Ireland during the stormy days of the Black and Tans.

Educated at the University of Toronto, he spent eight years as a lieutenant in the Canadian Militia. Later he served in the Ontario Department of Agriculture and made his political debut in England in 1906 when he became Liberal member of Parliament for York.

His first official post was Under-Secretary of State for Home Affairs in 1919. Later that year he was appointed Secretary for Overseas Trade, where he remained until he became Chief Secretary for Ireland, a post he was the last to hold.

Lord Greenwood was appointed a King's Counsel in 1919 and had the rare distinction of being a barrister-at-law at Gray's Inn, New Brunswick, New South Wales, and South Australia.

Long afer his retirement from active politics, a police guard which was given him when he was Chief Secretary for Ireland, was maintained outside his chambers in Gray's Inn. His life often was threatened during the Irish troubles.

He was an honoray colonel of the Winnipeg Genadies.

VISCOUNT GREENWOOD, born in Whitby, Ont., noted in British legal and business circles and former chief secretary for Ireland, who died in London Friday, aged 78.

TELLING WIND DIRECTION

The direction of wind over water can be determined by studying the shapes of the waves and the shadows they cast.

Officers Resign

MADRAS, Sept. 11 (Reuters)—Capt. P. J. Devlin, a British captain who was among an estimated 100 persons flown here Friday under the emergency Hyderabad evacuation scheme, declared that all British officers in the multi-millionaire Nizam's forces had resigned. (About 10 British officers were believed to be in the Nizam's forces. The British High Commissioner's office in New Delhi had said all had been advised to resign "in the event of military operations.")

Ex-King Dies

COBURG, GERMANY, Sept. 11 (AP).— Ferdinand, first king of modern independent Bulgaria, died peacefully Friday at the age of 87 after a lifetime as the object of assassination plots and revolutions. Czar Ferdinand, as he was known during his reign, long had had a superstition he would die on Friday the 13th. He died on Friday, but not the 13th.

Cancels Audiences

VATICAN CITY, Sept. 11 — (Reuters) — Pope Pius has cancelled all public audiences, but insists he is well and does not wish to see a doctor. In spite of the concern of those around him. Vatican circles said Friday. He has a cold and is suffering from hoarseness following his address last Sunday at a Roman Catholic Action Women's meeting, held in the pouring rain.

EXCEEDING ALL HOPES, the First Assembly of the World Council of Churches in Amsterdam, Holland, proved a "tremendous" success, Rt. Rev. Dr. T. W. Jones, moderator of the United Church of Canada, declared in Montreal. Dr. Jones, minister of Calvary Church, Westmount, in Montreal, returned from Europe by air.

Record Crowd At WMS Meeting

OMEMEE Sept. 11 —(ENS)— The first Autumn meeting of the Trinity United Church W. M. S. was marked by a record attendance.

It was held at the home of Mrs. H. Lang and was in charge of Mrs. M. J. Sandy's group. Mrs. Sandy was assisted in the worship service by Mrs. H. McKee, Miss. O. Wilton and Mrs. H. Lang.

Before discussing the business, the president, Mrs. V. Lang extended a hearty back to work welcome to the members and reviewed the accomplishments of the society since the last meeting in June; namely: the packing and sending of a bale valued at $118.25 and the quilting of three quilts; also she reported that nine members had attended one day's sessions of the Whitby School for Leaders. The annual Baby Band meeting was discussed and the date set for Sept. 30. Owing to recent illness of Mrs. Deyell, Baby Band Superintendent volunteers were called to assist her. Mrs. Moyer took the responsibility of looking after the refreshments and Mrs. T. McConnell the program.

An interesting feature of the meeting was the reports from the School for Leader given by Mrs. V. Lang and Mrs. Sandy. Mrs. Lang dealt with Mrs. Smyth's discourse on "The Coming of the Kingdom as foretold in the Old Testiment." Mrs. Sandy reviewed Mrs. Taylor's address on India, emphasizing the immediate need to relief of poverty and the importance of giving leadership to the youth of India.

The new study book "West of the Georges" by Kenneth Beaton was introduced by Mrs. Sandy and the first chapter was presented by Mrs. Burt Pogue and Mrs Roland Clifford.

Mrs. S. H. Moyer read an interesting story of a gifted Chinese Canadian family the Wongs of London. Five of Wong's family had graduated from university and made there mark in professional life and their children are the second generation of Canadians.

A beautiful duet "Rock of Ages" was sung by Mrs. E. Corneil and Mrs. H. McKee, and Mrs. R. Poast led in prayer. Lunch was served by the group in charge.

Major Goforth Guest Preacher St. Paul's Church

Major J. Frederick Goforth, M.C., area chaplain attached to headquarters staff Eastern Ontario Area, Kingston, and Chaplain of the Royal Military College will be the special preacher at the Sunday evening service of St. Paul's Presbyterian Church. It will be re-opening and re-dedication Sunday at St. Paul's with the minister, Rev. C. G. Boyd, conducting the service in the morning. The church has been completely renovated and redecorated and at the evening service the members of George Street United and Murray Street Baptist congregations will be in attendance, with joint choir from three church; Charles Allen conducting and Stanley Northrop at the organ.

The soloist who will assist the choir will be Rowland Goodyear, outstanding Canadian tenor and soloist in Eaton Memorial Church, Toronto. He will sing in the morning Handel's "O Lord Correct Me" and John Pointer's "How Shall I Sing That Majesty," and in the evening Samuel Liddle's "How Lovely Are Thy Dwellings" and Franck's "O Lord Most Holy."

Major Goforth, who is the son of the late Rev. Jonathan and

MAJOR J. F. GOFORTH

Mrs. Goforth, veteran missionaries to Manchuria is a brilliant scholar and dynamic preacher. Prior to his going on active service at the commencement of the Second World War he was minister of Wallaceburg and assistant minister of Knox Presbyterian Church, Toronto.

Chaplain Overseas

During the war he served as chaplain of the Hastings and Prince Edward Regiment and many former members of this Eastern Ontario unit are expected to be present at the service. He saw service in North Africa, Italy and Europe.

The following story about an exploit of Major Goforth is placed in the war records:

"When the rescue party to some isolated wounded Canadians was cut off twice by fire from German six-barrel rocket mortars, machine guns and rifles, Padre Captain J. F. Goforth performed the task alone. In broad daylight and in full view of the enemy, he covered over a quarter mile of open ground, reached the wounded and attended to first aid and their comfort for five hours before any others reached the spot under cover of darkness . . . The padre was not even scratched and had carried on in the face of the terrible hail of lead all unconcerned other than with the help he was rendering the wounded. His individual effort followed the failure of the attempt twice made to take a stretcher party to the wounded men . . . Help being needed and his party not being able to cover the ground without a murderous fire from the Hun, the padre decided to try it alone. He was no sooner in the open than concentrated fire came down on and all around him. Paying no attention to the bursting shells and the whining bullets, he covered the quarter mile and reached the wounded lads. Needless to say, we watched his progress with our hearts in our mouths, for we expected to see him on the ground when the smoke of the explosions cleared away. He went through unscratched and there is only one word for it — miracle. He stayed with the wounded lads for five hours, still under shell fire, rendering first aid and comfort until further assistance reached the spot under cover of darkness."

The following Sunday, Rev. Dr. James Smart will be the special preacher. Dr. Smart, now in Philadelphia, is a former minister of the congregation.

Flowers That Bloom In Snow

BY DEAN HALLIDAY

Snowdrops are the earliest flowers to bloom. In January or February and again in March, they live up to their name by blooming when the snow melts enough for them to be seen.

The little bell-like flowers of the Snowdrops are shown in the accompanying Garden - Graph. Each flower has three outer petals and an inner cup of three more.

Snowdrops naturalize easily when planted under three inches of soil. They require no atttention and can remain undisturbed for many years. They can be grown under treees or shrubs but to get a lovely effect they must be planted thickly. They can be grown in sun or shade.

Leucojums, better known as Snowflakes, also belong to the Snowdrop family. They are very hardly and of somewhat stronger growth than Snowdrops.

There are several varieties of Snowflakes. Vernum is the earliest blooming in late March. It is called the spring Snowflake and grows from 6 to 8 inches tall. Next in blooming order is the variety Aestivus, which flowers in late April. It is called the Summer Snowflake and is illustrated in the Garden-Graph. It grows from 14 to 18 inches high and can be used for cutting purposes.

Blooming still late in the spring is the variety known as Gravetye Giant. It does best when grown in a shady location and should be left alone as much as possible since the flowers become larger when the bulbs are not disturbed.

As the Snowflake is a larger deeper, or at least four inches bulb than that of the Snowdrop, it should be planted an inch under the soil surface.

Selznick Hides German Actress In U.S.

By RALPH DIGHTON

HOLLYWOOD, Sept. 11 (AP). — The most gorgeous hunk of cheesecake to come from Germany since Marlene Dietrich is about to be uncrated in Hollywood.

She's been in town since last March but has been kept closely guarded by Producer David O. Selznick.

Her name is Hildegarde Neff.

She was discovered by American newspaper men who streamed into Berlin after the war. They found her singing in German cafes, or acting in German stock companies.

Then all of a sudden, Hildegard Knef (her real name) dropped out of sight. She was no longer to be seen in music halls and theatres and those who sought her were forced to concede that maybe she was, after all, just a 10-day sensation.

Now the truth can be told. She came to the United States last January, was met in New York city by Selznick and placed under contract.

Gets Selznick Treatment

The trouble was, Miss Neff couldn't understand English. That's been remedied now. In the intervening months Selznick has given her the same treatment with which he conditioned Greta Garbo, Ingrid Bergman and Elida Valli for professional careers in this country.

In an interview, Miss Neff told a story of personal tragedy which, in a movie, would be considered corny. She escaped being Nazified, or imprisoned, during the Hitler era only because she was a victim of infantile paralysis.

"It was obvious even to the Gestapo," she said, "that I would be of little value in a work camp or youth centre."

Physically, despite her earlier illness, Miss Neff has at least as much of everything that Dietrich had 20 years ago. Proof of this is the way she met her husband, an ex-United States army officer named Kurt Hirsch, in Berlin.

"He whistled at me," she confided.

PLANE DESIGNER E. A. JAGGERS shows his Juggernaut, model jet airplane, to a young Londoner at the Model Engineering Exhibition in London. The toy is credited with a speed of 144.8 mph.

YOUR HYDRO CHAIRMAN REPORTS
on the Power Shortage

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO
620 UNIVERSITY AVENUE
TORONTO 2

ROBERT H. SAUNDERS, C.B.E., K.C.
CHAIRMAN

September 11, 1948.

Dear Fellow Citizens:

The demand for electricity from all classes of the community - homes, farms and industries - all over Ontario, is still mounting. Homes are being built, the demand for increased production from farms is steadily increasing and industry is pressing forward with plans for expansion, plans that mean greater production and more jobs to keep Ontario prosperous.

It is anticipated that the increase in demand over the available supply will amount to in excess of four million kilowatt hours per day, and conservation measures are being put into effect on Tuesday, September 14th. These will include reductions in the supply for show windows, office lighting and certain industries, banning outdoor electrical signs and in other ways. Even with all these reductions we will still be short 1,200,000 kilowatt hours per day but to insist on more would have a hampering effect on industry and seriously reduce employment.

Where then can we get the vitally needed power? From you and every individual Hydro user in Ontario. How much should you save? Take a 60-watt electric lamp as an example. For every 24 hours it burns, it requires almost one and a half kilowatt hours of current. If every one of the 900,000 Hydro users in Ontario will save the equivalent of that much electricity every day there will be no need for cut offs.

Everyone must do his or her part. It should be a 24 hour effort. Turn off every light, switch off every motor or appliance the moment it is not needed. Particularly, watch the switches on your electric range.

The situation is critical. Full employment must be maintained and the support of every householder, every commercial user and every industrial consumer is essential in avoiding the waste of electricity.

Robert H. Saunders

Chairman,

The Hydro-Electric Power Commission of Ontario.

W. Wilkinson and Margaret of Oakwood; Mr. and Mrs. Ralph Selby and Colin, Mr. and Mrs. Lloyd Hardy and Douglas, Mr. and Mrs. Everett Payne, all of Peterborough; and Mr. and Mrs. Sam McCready of Toronto.

FRIENDLY DINING

For meals you can really enjoy you should try the King George Hotel.

KING GEORGE HOTEL

Simcoe St. Phone 9365

GRACE AND DIGNITY

have been considered qualities of the peacock in all cultures where the bird is known — the imperial Romans dined on peacock, hoping thus to acquire the bird's majesty — the Mogul of India sat on a peacock throne — and early Christians expressed the glory of Christ's kingdom by a representation of the peacock. In time, this symbol became conventionalized, so that twin peacocks, sometimes placed on either side of a sphere representing Christ's world, express the hope of resurrection.

EDITH KERMIT ROOSEVELT, grand-daughter of former U.S. President Theodore Roosevelt, is shown with her fiance, Alexander Barmine, former Russian general who is now a U.S. citizen and an author. Barmine enlisted in the U.S. army as a private in 1942. He later served with the famed cloak-and-dagger organization that bore the official designation of office of strategic services. He is considered an authority on the new Russia.

Sisson-Taylor Marriage Vows Pledged

The marriage took place today in Park St. Baptist Church of Dorothy Eleanor, daughter of Mr. and Mrs. Henry A. Taylor, to G William Sisson, son of Mr. and Mrs. George A. Sisson. The Rev. E. J. Whan officiated. The church was decorated with gladioli asters and ferns, and the music played by Mr. Adam Hawley.

Before the ceremony Mrs. George Batley sang "The Lord's Prayer" and during the signing of the register "I'll Walk Beside You."

The bride was given in marriage by her father and wore a gown of white satin with wide lace edging on the long pointed peplums on the sides of the skirt and under the fold around the low neckline, and long sleeves with points at the wrists and a long train. Her long veil was caught with a wreath of orange blossoms. She carried a cascade of white gladioli.

The wedding atendants were Mrs. C. W. Boorman, sister of the bride, as matron of honor, Mrs. W. Ellis as bridesmaid, bride's niece, Donna Boorman, as flower girl. The matron of honor was frocked in blue moire taffeta with round neck, peplum in front and bustle back; bridesmaid, pink moire taffeta with sweetheart neckline and full skirt; flower girl, pink taffeta with round neckline with frill and frill at waist. They wore corresponding shoulder-length veils caught with a band of flowers and carried nosegays of sweet peas and roses.

The best man was Douglas Hill, cousin of the groom, and ushers were the bride's brother, Douglas Taylor, and Wesley Ellis.

After the ceremony a reception was held in the church parlors where the bride's mother received wearing a gown of grey and mauve figured silk jersey with grey accessories. She wore a corsage of white 'mums and mauve sweet peas. The groom's mother, who also received, wore a gown of coach grey crepe with black accessories and a corsage of pink roses.

Later the bride and groom left for a trip to Toronto and Rochester. For travelling the bride wore a turquoise gabardine suit with grey accessories and grey shortie coat.

They will live at 378 Downie St.

Helen Andrews Wed at Norwood

NORWOOD, Sept. 11—(ENS)—A quiet wedding was solemnized in the United Church parsonage on Friday, Sept. 3, when the Rev. F. R. Vanderburgh united in marriage Helen Eileen, only daughter of Mr. and Mrs. Andrews, and George Orval, youngest son of Mr. George Oitment and the late Ms. Oitment.

The bride was dressed in pale blue silk crepe with black accessories and carried a bouquet of red roses. The attendants were Mr. and Mrs. and Mrs. Jack Adams, sister and brother-in-law of the groom.

They spent their honeymoon in Toronto.

For travelling the bride wore a white silk jersey dress, black coat and black accessories.

They will live in Norwood.

Auxiliary Hears Missionary Story

Stories of the missionaries to British Guiana were told Friday night at the September meeting of St. Paul's Auxiliary WMS held in the guild room. Mrs. A. Erskine discussed the early efforts of Rev. John Gibson and Rev. D. Cropper. Through the medium of education and evangelism he built the firm foundations of the present church in British Guiana.

The East Indians who had come there as laborers clung to their old religion, but Mr. Cropper's mission succeeded, though it had to be abandoned until 1942. Work of churchmen in this county has aided in establishing good will and mutual interest between Canada and British Guiana, Mrs. Erskine said.

In the absence of the president, Mrs. D. T. Diplock, Mrs. A. W. Cochrane presided, and the devotional period was conducted by Miss E. O. Simpson. The speaker was thanked by Mrs. Cochrane.

Honor Two Girls At COE Meeting

First fall meeting of the Mary K. Birdsall COE was held at the home of Miss Frances Carpenter. A discussion of work to be done included plans for a rummage sale and for a novelty tea some time in November. Miss Wanda Deyell gave a report on child welfare.

After the close of the meeting, the evening was devoted to a party in honor of two members, Miss Wilma Deyell, who is a nurse-in-training at Civic Hospital, and Miss Eleanor Carleton, who leaves Tuesday to enter Ontario Ladies' College at Whitby. Both girls were presented with gifts by their fellow members.

Dutch Family Receive Gifts

NORWOOD, Sept. 11—(ENS)—On Friday evening the neighbors of Mr. and Mrs. Rufus Redden gathered at their home on the Hastings Road, the first Dutch family to come to this district. During the evening an impromptu program was enjoyed with Mrs. Roy Nevins at the piano.

Mrs. Wesley Chamberlain read an address of welcome to Mr. and Mrs. Klaas Procee and their 15-month-old daughter Hilda. Joel and Morris Redden and Ralph and Gary Aiken carried in a large basket of groceries.

Mr. and Mrs. Procee heartily thanked the friends for their much apprecaited gifts. Lunch was served by the ladies.

Marmora News

Mr. and Mrs. Cecil Neal and family attended Coe Hill fair on Wednesday.

Robert Sanderson and Jack Jones visited Toronto, Niagara Falls, N.Y. and Buffalo last week.

Mr. and Mrs. E. Smith of Niagara Falls, N.Y., spent a few days recently at their cottage at Crowe Lake.

Mr. and Mrs. Fred Bonter are spending a few days at Niagara Falls, N.Y.

Mr. D. B. Sanderson was appointed assessor at the recent meeting of the village council.

Mrs. James Gordenier who has been receiving medical treatment is now a patient in Toronto General Hospital.

Mrs. Susan Meehan returned to Niagara Falls, N.Y., on Friday after visiting relatives here for the past few weeks.

Mr. Charles McInroy has been visiting relatives in Detroit.

THIS IS A GRAND CHAMPION among cats, with laurels newly won, at the Canadian National Exhibition in Toronto. He's pure white Persian, of course, and used to be called The White King. Now he's known as Boots. He is accompanied by Pamela Lord, of Toronto.

Wedding at Warsaw Home Performed Under Floral Arch

Under a pretty arch trimmed with bows and gladioli, on the lawn of the bride's home, Jean Isabelle, daughter of Mr. and Mrs. Roland L. Payne, Warsaw, became the bride of James McKee Scott, son of Mr. and Mrs. Robert Scott of Apsley, on Saturday, September 4, with Rev. J. W. Wilkinson performing the ceremony.

Mrs. Ralph Selby, cousin of the bride, played traditional wedding music. Mr. Selby sang "O Perfect Love," before the service and "I Love You Truly" during the signing of the register.

The bride was given in marriage by her father and chose a gown of white nylon net over taffeta with seed pearl trimming, full skirt, long sleeves and sweetheart neckline. Her fingertip veil was held in place with a coronet of seed pearls and she carried a shower bouquet of red roses.

Mrs. Austin Elliott, sister of the bride, was matron of honor, wearing a gown of turquoise jersey, with full length skirt and gathering at the waist with beaded felt and cap sleeves, long white gloves and charming head-dress. She carried peach gladiolis. Brenda Elliott, niece of the bride, made a charming little flower girl frocked in a toe length gown of pale blue taffeta. She carried a nosegay of pink asters. Mr. Fred Tanner of Apsley was his friend's groomsman.

For the reception, which was held on the lawn, the bride's mother received in a frock of printed jersey with white accessories and corsage of red roses. The groom's mother assisted wearing a frock of blue printed silk with black accessories and wore a corsage of red roses.

The bride's going-away dress was black crepe trimmed with gold and black accessories. Mr. and Mrs. Scott will live in Apsley.

Hanbidge-Ross Nuptials Solemnized at St. Paul's

St. Paul's Presbyterian Church was the scene of a lovely wedding today when Dorothy Elizabeth Mary, daughter of Mr. and Mrs. Robert Ross, became the bride of Kenneth McCamus Hanbidge, son of Mr. J. W. Hanbidge, and the late Mrs. Hanbidge. The church was decorated with white chrysanthemums for the ceremony performed by Rev. C. G. Boyd. Wedding music was played by Donald Ross, brother of the bride, and during the signing of the register, Mrs. A. Radford sang "O Promise Me."

The bride was given in marriage by her father and wore a charming gown of white slipper satin, fashioned on Parisian lines, featuring a picture neckline with yoke of nylon net trimmed with beautiful Honiton lace. Long sleeves ended with points falling over the hands, and the gown was buttoned down the back with tiny self covered buttons. A full gathered peplum trimmed with lace began at the front, falling into a full flowing train at the back. Her full-length veil was of tulle, attached to a tiara or brilliants, and she carried a bouquet of roses and gardenias.

Wedding attendants were Miss Marjorie Fisk, maid of honor, Miss June Breckon of Hamilton and Mrs. J. Turner, bridesmaids. The maid of honor wore a wine gown of chiffon velvet fashioned on princess lines with picture neckline and full flowing skirt with outstanding draped bustle back. The bridesmaid's gowns were fashioned similarly in royal blue chiffon velvet.

The best man was Robert Hanbidge, brother of the groom, and ushers were Errol Hanbidge, Warren Marshall, Gratton Dundas, and Jack Fuller of Montreal.

After the ceremony a reception was held in the Kawartha Room of the Empress Hotel where the bride's mother received, wearing a gown of royal blue velvet with black accessories and a corsage of roses.

Later, the bride and groom left for a trip to Ottawa and points east. For travelling the bride wore a wine gabardine suit with matching topcoat, grey hat and accessories. She wore a corsage of gardenias. The couple will live at 352 Stewart St.

Norma Leone McWilliams Married at St. Luke's

The marriage took place in St. Luke's Anglican Church today of Norma Leone, daughter of Mr. and Mrs. Claude H. McWilliams, to Bob Alvin Graham, son of Mr. and Mrs. W. A. Graham, Rev. A. F. Dowdall officiating. The church was decorated with gladiolus and fern and music was played by Mrs R. C. Searles. During the signing of the register, Mrs. W. Davies sang "O Perfect Love."

The bride was given in marriage by her father and wore a gown of white marquisette with train and nylon yoke. Her full length veil was of silk net caught with a tiara of lillies and orange blossoms. She carried a bouquet of gladiolus.

Matron of honor was Mrs. Bruce Rollins, the bride's sister, who was frocked in yellow taffeta with full skirt, short sleeves and matching mittens. She carried a bouquet of orchid glariolus.

Best man was Mr. Leslie Guest of Toronto and the ushers were Mr. Jack Graham and Mr. Bruce Rollins.

Following the ceremony a reception was held in the green room of the YWCA, where the bride's mother received, wearing a gown of apple green crepe with a hat of brown felt and a bouquet of yellow roses. The groom's mother, who also received, wore a gown of wine bengaline with a grey felt hat and a bouquet of yellow roses.

Later the bride and groom left for a trip to Toronto, for which the bride chose a loganberry gabardine suit with black accessories. They will live in Peterborough.

MARRIED IN TORONTO in Century Baptist Church were Margaret Helen Eames, daughter of Mrs. John Eames and the late Mr. Eames of Toronto, and Cecil J. Revoy, eldest son of Mr. and Mrs. Harry Revoy of Havelock. They were married by the bride's brother, Rev. Robert Eames of Toronto. The couple will live in Peterborough.

CAN'T STOP ACTION

TORONTO, Sept. 11 (CP) — The town of Barrie, some 60 miles north of Toronto, lost out Friday in an effort to stop an action brought against it by a group of district farmers. The farmers started action by a writ to seek an injunction restraining the town from using the open square there for any other purpose than a farmer's market. Mr. Justice J. C. Genest dismissed the town's application for an order setting aside the writ of action.

DOROTHY DIX

Debts Of Parenthood Placed On All Parents

Parents are always talking about how much their children owe to them. From their infancy practically all youngsters have to listen to the theme song of how grateful they should be to their dear Father and Mother for having brought them into the world and fed and clothed them.

Dorothy Dix

Which is all very well, for many fathers and mothers do work hard at the parents job and to turn out men and women who have reason to be grateful to the parents who bore them. But, even so, the obligations of the parents, who thrust life upon a child, are a million times greater than any debt the child can owe them.

If parents stopped to consider what they owed their children, it would throw them into spiritual bankruptcy, for who would have the courage to have another baby if they sat down and counted up what their indebtness would be to the little mite of humanity?

Think how the account would run. Just to begin with, all parents owe it to their children to start them off with a sound body. That is their birthright. They have been cheated and defrauded if they do not get this.

Parents owe their children a peaceful and happy home in which to grow up, and they are the ones who are entitled to sue for damages if their characters have been warped and their faith in all that is good and kind destroyed by fighting fathers and mothers.

Children have the right of priority in the home and their well-being comes before anything else. Parents have no right to take their pleasure at the expense of their children. The obligation of fathers and mothers to their children is a debt of honor that must be paid first.

Parents owe their children a proper rearing for that determines what they are going to be in life. There isn't a girl who goes astray, nor a boy who grows up to be a drunkard and a wastrel, or a thief, or a murderer who cannot say: "I am what I am because my parents defaulted on their debt to me."

Parents owe their children personal service. You can't rear children by remote control and make a success of it. It isn't having too much money that ruins the children of the rich. It is having too little fathers and mothers. All children are entitled to a square deal in life, but if their parents turn them over to hirelings to rear, and make schools a substitute for a home, and have tutors from their ideals, they have been robbed of the most precious thing in the world.

All children have a right to a father and mothers, else God would not have made rearing a family a partnership business. But it is perfectly appealing how many poor, unfortunate kids have only one parent, if any. Sometimes one parent is a father who is so engrossed in making money, or getting elected to some office, of playing golf that his children, are perfect strangers to him. Sometimes the parent is a possessive mother who is so jealous of her children that she deliberately separates them from their father. Sometimes the father and mother are just so busy having a good time that they are not parents at all.

And one wonders how these parents who have reneged on what they owe their children, will settle their account on the Judgment Day.

Corbett. They were accompanied by their father, Mr. Harvey Andrews, Port Bruce, who spent the long week-end here.

Guests for the long week-end with Mr. and Mrs. Frank Bedore were Mr. and Mrs. Ross Bedore, Miss Bernice Thompson and Jim McGowan, all of Agincourt.

THE STARS SAY . . . .

By GENEVIEVE KEMBLE

For Sunday, September 12

Sunday's horoscope holds rather neutral omens for not accomplishing desired hopes and wishes or more prosaic objectives. Little collaboration is to be expected from those in influential positions, a situation aggravated by an individual display of duplicity in speech and conduct. All of which might contribute less of funds, asseets, prestige and popularity. A policy of economy, honesty and conservatism in social and business life could amend this danger.

For The Birthday

Those whose birthday it is, stand at the brink of an era of a difficult state of affairs, in which a personal proclivity to falsify, to extravagance, over indulgence or enthusiasm might lead into dangerous shoals, with financial or property loss as well as loss of prestige and poularity in business and domestic life. There might be legal entanglements, securities may decline and other assets or possessions put in jeopardy through the glamorous judgment or lack of thrift and high principle.

A child born on this day may be inclined to squander its substance, perhaps in indulgent or tricky living, extravagance or over optimistic business ventures. Thrift and integrity in words and deeds might aveert trouble and loss.

For Monday, September 13

Monday's astrological forecast is for a dangerous and unprofitable condition, with a critical urge to plunge, to excess and extravangce, inciting possibly to over-zealous or over-ambitious projects, involving business, credit, resources and personal as well as all practical objectives. Bad judgment, errors in planning too lofty aspirations and ambitions, could seriously affect success and complicate social and professional relations.

For The Birthday

Those whose birthday it is are in need of sound advice and support from substantial sources, since its affairs may be put in jeopardy by ill luck as well as map judgment, or a natural tendency to overact, excessive indulgence and extravagance, to take rash chances or to exaggerate. With careful regulation of feelings, proclivities and inner urges built upon integrity and sound principles, loss and sorrow might be averted. Be prudent in speculation, securities, possessions.

A child born on this day might be the victim of its own good nature, generosity, over-enthusiasm easy mark for swindlers and exploiters.

Housewife Has Finger In Middle Of Prices Inquiry

By KAY REX

OTTAWA, Sept. 11 (CP). — A Canadian housewife has her finger right in the middle of the cost-of-living pie. And the deft questions she asks at the Prices Commission hearings have brought up more than one plum.

When Mrs. T. W. Sutherland of Parksville, B.C., was appointed to the Commission she thought it would be a "two or three-day" job.

But it already has stretched beyond three months. And she now figures it may be November before she can return to the 29-room resort hotel on Vancouver Island in which she has a partnership.

Probing Questions

Mrs. Sutherland's friendly smile and gentle voice at first may be misleading to the shirt and shoe manufacturers, store-owners, and others, who have been wending their way to the stand.

But she has a habit of peering over her glasses with brilliant grey-blue eyes. Then she pops a straight - to - the - point question about such items as administrations costs, value of raw products, and "mark up" prices.

This isn't the first time Mrs. Sutherland has filled a government appointment. In 1943 and 1944 she was a member of the Royal Commission to inquire into the welfare of Japanese in wartime camps in British Columbia. She now is in her second three-year term as member of the CBC Board of Governors.

The wife of a Parksville physician, Mrs. Sutherland has raised three children, and many questions she poses at the prices investigation deal with household problems.

It was her probing during the hearing on shoes which caused one witness to estimate that nowadays it costs $103 a year to keep a family of five in shoes.

RECOVERING FROM INJURIES received when she jumped from a window of the Soviet consulate building in New York City, Mrs. Oksana Kosenkina is pictured in the Roosevelt Hospital, New York, with Ward Greene, editor and general manager of King Features Syndicate. Mrs. Kosenkina will write her story for newspaper publication.

Honor Bride-Elect

Prior to her recent marriage, Mrs. G. W. Sisson, the former Dorothy Taylor, was honored at several showers and teas given by her friends and fellow workers. A tea held by Mrs. Eugene Sheedy included members of the Royal Bank staff, and a miscellaneous shower was held at the home of Miss Shirley Mackenzie with Miss Mackenzie and Miss June Blewett as joint hostesses. The bride was presented with an end table and magazine rack by the staff of the Royal Bank, and the groom was presented with a coffee table and end table by the office staff of the Peterborough Lumber Company. A kitchen shower was also held for the bride at the home of the bride's sister, Mrs. C. W. Boorman.

New Broadway Play Seems Muddled Effort

By PAT USSHER.

NEW YORK, Sept. 11 (CP)—"Sundown Beach," the season's first play, probes in honest but somewhat muddled fashion the plight of Air Force men suffering from battle fatigue.

Bessie Breuer, the author, has sought to show the difficulties these men face in readjusting themselves to civilian life.

Skilled direction of Elia Kazan and the competent acting of a large cast are insufficient to pull it together. Kazan handles the actors, most of them raffish characters, superbly. Miss Breuer has a good deal to say about the problems of the combat fliers, most of whom seek solace in alcohol. She manages to work out at least temporarily happy solutions for two of them. But for the remainder she has no solution.

Actors Studio Production

The production is by the Actors Studio, founded in 1947 as a dramatic workshop. The setting for "Sundown Beach" is a Florida cafe outside an Air Force convalescent hospital. The play opened this week at the Blasco Theatre.

Phyllis Thaxter, who once acted in repertory in Montreal, and Warren Stevens have two of the major roles. He is a wacky pilot and she is convinced she can cure him by loving him. Don Hanmer gives a lively performance as the Lothario of the group, and John Sylvester makes an interesting study of a major who muses on men's folly in taking to the air. Julie Harris is excellent as a doggedly courageous Tennessee wife whose husband is embittered because he believes she has been unfaithful to him.

Just Keeps Rolling

"Show Boat," which first churned out of New York in 1927, docked here again Tuesday night and nostalgia was not the only reason for the happy greeting it received.

Pamela Caveness as Magnolia does most proudly of the cast by Jerome Kern's music and the lyrics of Oscar Hammerstein II, which make the sentimental vehicle a theatrical classic.

Footlight Footnotes

Lillie Palmer, British actress and wife of Rex Harrison, is to play in Herman J. Mankiewicz's production of "The Man With a Load of Mischief," which is due in New York later this season. Previously Margaret Sullavan has been mentioned for the part.... Backtracking a bit, the Theatre Guild now says it is not definite that "The Silver Whistle" will be its first production this season. Instead it may be Dorothy Heyward's "Set My People Free".... Gertrude Lawrence is reported to have decided to appear in London in the new Daphne Du Maurier play, "The Mother." Robert Flemyng will be her leading man.

CZECHOSLOVAKIAN CONSUL GENERAL Ladislav G. Krno, who renounced his post in Chicago, Ill., saying that he has decided not to return to his homeland, is shown with his wife, Catherine, 34, and their two children, Jane, 2, and Catherine, 6. Krno, who has always agreed with democratic governments, a disciple of the late President Benes and Jan Masaryk, said he has already notified the state department in Washington as well as the ministry of foreign affairs in Prague of his resignation. He has asked the state department for political sanctuary for his family and himself in the United States.

Reports $109 Raised In First Six Months

MILLBROOK, Sept. 11—(ENS) Mrs. McQuade, president, led in the opening worship service of the WMS of St. Andrew's United church, on Wednesday afternoon. Mrs. Edmund Ball was hostess, and Mrs. F. P. Stinson was at the piano. Miss Maud Finnimore assisted with the devotional period.

The treasurer, Mrs. H. R. Edmunds, reported for the half year a total of $109.48. Of this, $105 had been sent the Presbyterial treasurer. Mrs. Edmunds reported that the Easter thankoffering, $49.10, was considerably below that of previous years.

The president announced that "West of the Gorges", by Rev. Kenneth Beaton, will be the new study book.

Miss E. L. Hetherington had charge of the program, and reported that $300 was received from sale of literature at the School for Leaders last week at Whitby. Local delegates, among the 168 who registered, were Mrs. D. L. Dunn, Miss Jean Burnham, and Miss Hetherington.

Miss Mary Widdis' group will have charge of the October meeting. Mrs. Stinson offered two quilt tops to the supply committee for completion. One quilt was reported on hand for the bale. Good used clothing may be left at the parsonage for European relief.

A report was made that clothing may now be sent to China. A committee was appointed to secure a new leader to act with Mrs. B. E. Ingham as head of the Mission Band, since Mrs. H W. Gray is teaching this term and cannot carry on with the work. Letters of appreciation for their service will be sent to both Mrs. Gray and Mrs. Ingham. Mrs. Lunn offered prayer.

The hostess, assisted by Mrs. Lunn and Miss Jean Burnham, served lunch.

Jury Urges Action On Prescott Curve

PRESCOT, Sept. 11—(CP)—A coroner's jury Friday told Ontario's Department of Highways it should do something immediately about "dead man's curve."

It recommended removal of the "dangerous condition" which exists on No. 2 highway a half mile east of here.

It was inquiring into the deaths of William Marshall and Philip Daly, two Detroit men, who were killed there Sept. 1 when their car collided with a trailer-transport.

The jury also found that "excessive speed" by the car contributed to the deaths.

It's Spring, Folks

JOHANNESBURG (CP)—It's spring in South Africa. A large department store here has hung up canary cages to introduce the new season's fashions. Shoppers stop to listen and go on their way smiling.

ANCIENT ABRASIVE

The first abrasive in sheet form was shark skin, originally used in the 12th century.

STATE VICE SQUAD OFFICERS of Los Angeles, Calif., who since the arrest of Actor Bob Mitchum and three other Hollywoodites by the FBI, have begun a concerted drive against narcotic offenders, have arrested three women and six men and booked them on suspicion of violating the state's Narcotic Act. Officers said they broke down a front door after watching one of the women light "reefers" for two men. Shown in custody following the raid are Mildred Sullican, 24, (LEFT) and Naomi Hunter, 24.

Raise Salary Of Treasurer

MILLBROOK, Sept. 11—(ENS)—Reeve Harold Cathcart was in the chair for the regular meeting of Cavan Municipal Council on Wednesday. A by-law was amended changing time of election so that nominations will be held the last Monday in November, and election the first Monday in December.

The Clerk was instructed to advertise the closing of the Springville cemetery.

By-law 850 was amended to read: "All buildings to be used for human habitation shall be placed on a concrete or stone foundation, satisfactory to the Inspector. All chimneys shall be of brick or tile construction, and shall be built from the foundation with a clean-out at bottom of same with suitable door and frame No chimney shall be built on a wood floor or bracket"

The treasurer's salary was increased by $100 a year The pay of the office assistant for roads was increased $50 a year.

The following accounts were read and ordered paid: Docon Telephone Ltd. rental and tolls, $5.81; Peterborough Examiner, advertisement, $12.60; General Accident Assurance Company, premium liability insurance $113.12; Prov. treasurer, insulin .65; Robert Wells, relief, $8; P. I. Bentley, salary clerk and treasurer and expenses, $114.60; Council fees, $20; committee work, $33; tital $53; treasurer roads, pay roll and vouchers No. 8, $4,692.58.

"HE WAS JUST BEGINNING TO WALK"

WHOOPING COUGH!
DIPHTHERIA!
SMALLPOX!

THESE diseases attack all ages—but often people acquire immunity to them by the time they are adults. Babies and little children lack immunity—are easy victims of infection. Whooping cough is especially dangerous to very young children and causes more deaths among babies under one year of age than any other contagious disease. Diphtheria causes the highest death rate among children under five years of age.

MEDICAL science has the means to prevent these diseases. Every child should be given this protection by the age of one year . . . or earlier. Toxoid to prevent diphtheria; Whooping cough vaccine to protect against whooping cough; Smallpox which is a constant danger can be prevented by the use of smallpox vaccine. Parents do not delay!

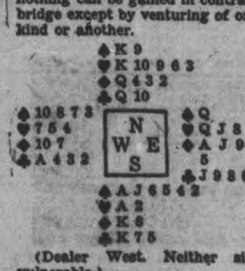
BARCLAY ON BRIDGE

RISKS AT MOST STAGES

THROUGHOUT the bidding and play of any close hand, we are taking risks of one kind or another in order to gain something. It is a good deal like the American system of competitive business, which really should be called the "profit and loss" system rather than the "profit system," since he who risks his all to launch a new project takes a chance of dropping it as well as of winning. Just as no businesses could ever be developed, to make jobs for employes, except through such courageous chance-taking, so nothing can be gained in contract bridge except by venturing of one kind or another.



(Dealer West. Neither side vulnerable.)

West	North	East	South
Pass	Pass	Pass	1 ♠
Pass	2 ♥	Pass	2 ♠
Pass	2 NT	Pass	3 ♠
Pass	4 ♠		

M. G. Murray, of the home town, and Charles Sherman, a Winter visitor from New York, won a top on this duplicate deal in one of the tournaments at St. Petersburg, Fla. Sneaking through an early diamond trick enabled Mr. Murray to do it.

West opened the club A and shifted to the spade 3, which the K won to drop the Q. When the diamond 3 was led promptly from dummy, East was certain to be taking a trick no matter what he led. If he came in with the A, he would set up the Q, perhaps for an important discard of one of South's losers. He knew he was taking still another risk when he played low, as he did.

The K took that trick, and the diamond A was eventually shut out altogether. Mr. Murray followed with the heart A and K, the heart 6 ruffed by the spade 4 to set up the heart remainders, then the spade A and J, leaving the good 10 out. Next he led to the club Q and brought forth the heart 10 from dummy. As he discarded the diamond 6 on it to render East helpless, West could get only one trick with his spade 10. The last three tricks went to the spade 6 and 5 and club K, producing an extra trick.

Your Week-End Question

If your first action in the auction has made your hand seem either appreciably stronger or weaker than it really is, what should be your primary effort on your next turn?

ANNOUNCEMENTS

1—Births

HOGAN—Mr. and Mrs. Edward Hogan (nee Luella Elliott), of Wilberforce, are happy to announce the birth of a daughter, at St. Joseph's Hospital, Thursday, September 9.

2—Engagements

Mr and Mrs. Charles Stewart, announce the engagement of their youngest daughter, Velma Ruth, to Reginald Blake, son of Mr. and Mrs. Blake Stewart of Brockville. The wedding to take place at 1.30 October 9 in Knox United Church.

Mr. and Mrs. R. Wilbert Harrison, announce the engagement of their daughter, Nina Gladys, to Joseph Baird, son of Mr and Mrs. Stephen Csumrik. Wedding to take place October 2, at 12 o'clock noon in St. Andrew's United Church, Peterborough.

Mrs. Mary Hayton announces the engagement of her only daughter, Shirley Aldeen, to John Russel, son of Mr. and Mrs. Fred Mortimer. The wedding to take place September 25, at 2.30 p.m. in St. Andrew's Church.

3—Marriages

POGUE—THOMPSON — On Friday, September 10, 1948, at St. Paul's Manse, Peterborough, by the Reverend C. G. Boyd, Myrtle, daughter of Mr. and Mrs. Wm. Thompson, to Charles Raymond, son of Mrs. Nelson Pogue and the late Mr. Pogue.

6—In Memoriams

FORSYTHE—In loving memory of Seymour H., who passed September 12, 1936.
Nothing can ever take away
The love a heart holds dear
Fond memories linger every day
Remembrance keeps him near.
—Always remembered by his wife and family.

GREEN—In loving memory of dad, Oliver Green, who passed away September 12, 1945.
Nothing can ever take away,
The love a heart holds dear
Fond memories linger every day,
Remembrance keeps him near.
—Ever remembered by daughter and son-in-law, Marion and Lloyd Sutton and children.

GREEN—In loving memory of my dear father, Oliver Green, who passed away three years today, September 12, 1945.
Gone, dear father, gone to rest,
Away from sorrow, care and pain,
May you rest in peace, dear father,
Until we meet again.
—Ever remembered by his son, Stan Green,

HATCHER—In loving memory of our darling little son Jackie, who went home with Jesus three years ago today.
Three years have passed dear Jackie,
Since you were called away,
How well do we remember
That sad and weary day,
He bid no one a last farewell
He said goodbye to none,
The Heavenly gates were open
And a loving voice said come.
He counts the tears we shed
And whispers he only sleeps
Your loved one is not dead.
If all the world were ours to give
We would give it, yes and more
To see the face of our dear son
Come smiling through the door.
—Lovingly remembered by mom, dad, brother and 3 little sisters.

MILLIKEN—In loving memory of my dear sister, Mrs. Albert Milliken, who died three years ago September 11, 1945.
Gone from us but leaving memories
Death can never take away
Memories that will also linger
While upon the earth we stay.
—Mrs. Emma Wills, 39 Gloucester St., Toronto.

MILLAR—In loving memory of Arthur Henderson Millar, who was accidentally killed September 11, 1935.
From our happy home and circle
God has taken one we loved,
Borne away from sin and sorrow,
To a nobler rest above.
No one knows how much we miss him,
None but aching hearts can tell;
Lost on earth, but found in Heaven—
Jesus doeth all things well.
—Ever remembered by wife and family.

RITCHIE—In loving memory of our dear brother, Thomas Egbert, who passed away September 11, 1944.
The evening stars shine o'er the grave,
Of the one we loved but could not save,
The call was sudden, the shock severe,
To part with one we loved so dear.
—Sadly missed by Eileen and Lorne.

RITCHIE—In loving memory of my dear son Tommy, who passed away September 11, 1944.
Many a lonely heartache,
Many a silent tear,
Always a faithful memory
For him no longer here.
God gave me strength to bear it,
Courage to fight the blow,
But what it means to lose him,
None will ever know
—Ever remembered by mother and sisters, Gertie and Marcella.

Six Anglican Bishops To Attend Funeral

LONDON, Ont., Sept. 11 (CP) Six Anglican Bishops will attend the funeral here on Monday of Most Rev. Charles Allen Seager, Bishop of Huron and Metropolitan of Ontario, who died at his home here Thursday night.

Bishop L. W. S. Brougall of Niagara Falls, will conduct the funeral services in St. Paul's Cathedral on Monday afternoon. Other bishops who have indicated they will attend the services are: Bishop R. J. Renison of Moosonee, Bishop A. R. Beverley of Toronto, Bishop Robert Jefferson of Ottawa, Bishop John Lyons of Ontario, Bishop W. L. Wright of Algoma, and Bishop A. H. Sovereign of Athabaska.

Huge Water Spout Near Georgian Bay

MEAFORD, Sept. 11—(CP)—A huge blue water spout was seen Friday by tourists and fishermen in this Georgian Bay community 15 miles east of Owen Sound.

Lester and John Angush of Brantford, said the spout appeared about 10 miles out in the bay. At times the bottom appeared to leave the water and return again.

Local residents, few of whom ever saw a spout before, recalled that 15 years ago a spout struck a launch here and caused considerable damage.

World News In Brief

Taken from Wires of Canadian Press.

MONTREAL — Henri Monty, K.C., chief crown prosecutor, announced substantistive charges against Fred Rose, serving a six-year term for his connection with espionage activities, will be withdrawn. Mr. Monty said his move was made at the suggestion of the Federal government.

PEIPING — Wang Yin-Tai, who headed Japan's puppet government in North China, was executed for collaboration with the enemy. A single shot through the back of his head ended the life of the Chinese traitor.

MONTREAL — Flames swept through nine flimsy flats on downtown Wolfe street, forcing 30 persons to flee in scanty night attire. The fire broke out in the Central Bottling Exchange on Amherst street shortly after 4 a.m., completely demolishing the two storey building, before spreading to the adjoining flats where nine families were sleeping.

THE HAGUE — Gen. H. D. G. Crerar, former commander-in-chief of the first Canadian Army who represented Canada at the investiture of Queen Juliana, lunched with the Netherlands royal family at Soestdijk Palace. Afterwards the general left for Amsterdam to place a wreath on the national monument in the Dam square on behalf of the Canadian army and the Canadian people.

FRANKFURT, Germany — A Moscow-trained great-grandson of Chancellor Otto Von Bismarck was sentenced by an American court at a secret hearing to six months in jail on a charge of possessing false papers. The action came as the United States army was reported pressing an investigation of Communist espionage in western Germany.

Return to Mines

NEW WATERFORD, N.S. — Twenty-five hundred miners at Dominion Coal Company's No. 12 and No. 16 pits agreed to return to the job Monday after a back-to-work order from Freeman Jenkins, president of the United Mine Workers (C.C.L.) District 26. A district executive investigation into the circumstances leading to the two-day walkout was promised.

KENTVILLE, N.S. — Canada's famous Sable Island ponies, offered for sale to the highest bidder a month ago by War Assets Corporation, have been purchased by Fred S. Huntley. Huntley said he had no definite plans as to what he will do with the animals but he hopes to find buyers in need of light cart horses or even children's pets.

OTTAWA — Arthur Blaignier, 54-year-old Ottawa plumber, was sentenced to six years in penitentiary on a charge of indecent assault involving a 12-year-old boy.

WELLAND — Four Fort Erie men on their second trial were convicted of robbery with violence in a cafe hold-up and will be sentenced next week. Accused were Vernon Tuggins, 28, Robert Fisher, 25, Donald Fournia, 21, and George Reinbold, 26.

OTTAWA — Dr. William Kaye Lamb of Vancouver, librarian of the University of British Columbia, has been appointed Dominion archivist, Prime Minister Mackenzie King announced. Dr. Lamb, a former British Columbia provincial librarian and archivist, succeeds Dr. Gustave Lanctot, 65, who retired Sept. 1 after 11 years as Dominion archivist.

ST. CATHARINES — The United Electrical Workers (C.I.O.) announced it refuses to recognize the secession of its English electric plant local, which voted to break away and affiliate with the United Steel Workers (C.I.O.).

New Building

ST. CATHRAINES — Linwell Hall, the first of a series of new buildings across Canada planned by the Canadian National Institute for the Blind, will be officially opened Sept. 14. It will house 30 residents, many of whom have been living in solitary rooms with no one to take a personal interest in them. And it will serve as a recreation and rehabilitation centre for blind persons in the entire Niagara Peninsula.

PARIS—Two miners were killed and five severely injured by an explosion in a coal mine at Lievin, Northern France.

JERUSALEM — Ten armed Arab irregulars were killed and a quantity of arms captured in a clash between Stern group fighters and an Arab unit. The Arabs had infiltrated into Beth Iksa, a village about six miles northeast of Jerusalem, a Stern group source said.

BUFFALO, N.Y. — Buffalo banks increased discount rates on Canadian money to the highest level since May because of a falling off in tourist trade, banking interests said. The discount rate at which banks will buy Dominion currency was raised from eight to nine per cent and the selling discount rate from six to seven per cent.

STRATFORD — The Young Progressive-Conservative Association of Huron county called on Premier George Drew of Ontario to contest the leadership of the Progressive Conservative party at the forthcoming Ottawa convention.

TORONTO — More than $3,000 damage resulted but 25 mourners were unhurt when a tractor-trailer loaded with a 20-ton bulldozer plowed into the rear of a 30-car funeral procession on Queen Elizabeth Highway.

OTTAWA — A Progressive Conservative Association committee, headed by Gordon Graydon, member for Peel, has sent a circular letter to party association's outlining a plan to present John Bracken and Mrs. Bracken with an automobile on the occasion of Mr. Bracken's retirement as national leader.

Dutch Conference

AMSTERDAM—Dr. H. J. Van Mook, acting governor-general of the Netherland East Indies, arrived for a series of conferences with high officials. There have been unconfirmed reports that Van Mook will resign and be succeeded by former Premier L. J. M. Beel.

NANCY, France—Ingrid Bergman who has played St. Joan of Arc on the stage and in the movies, visited the French heroine's birthplace in Domremy. Miss Bergman was made an honorary citizen of the town.

TEHRAN, Iran.— The Iranian government has issued a decree forbidding government employees to work as editors, publishers or writers for newspapers. The edict is aimed principally at the Opposition press, many of whose editors and writers are on the government payroll or are instructors in the government-supported Tehran university.

SHELBOURNE—In an attempt to track down the source of poliomyelitis, Dufferin county health unit is co-operating with the Hospital for Sick Children, Toronto, in setting fly traps and taking samples of sewage.

Birds Drop Dead

NEW YORK — Hundreds of birds fell dead to the streets in the vicinity of the Empire State building. Agents of the Society for the Prevention of Cruelty to Animals hurried to the scene but could offer no explanation.

CANBERRA—More than 100,000 jobs need filling in Australia, including 37,000 vacancies for women and girls.

LONDON, Eng.— Premier Tito in an article—Yugoslav Navy Day—described Russia's Prime Minister Stalin as "the greatest fighter of mankind," Belgrade radio reported. "Our navy has benefitted from the valuable experiences and glorious naval tradition of the Red fleet," Tito stated.

BANGALORE, India — More than 1,000 policemen in the Bangalore cantonment struck work demanding more pay. Troops took over their duties at various police stations.

NEW DELHI—About 1,000 villagers have been totally obliterated and 4,000 flooded in the Benares, Ghazipur and Ballia districts of the Eastern United Provinces in recent floods.

BUENOS AIRES—Eight women were sentenced to 30-day jail terms on charges resulting from their oppostiion to a proposed overhaul of Argentina's constitution. They were accused of disorderly conduct and holding a political meeting without a police permit.

COUNTY FARM NOTES

By HARRY THEOBALD

Peterborough And Durham Winter Wheat Clubs Calling For Members—Kevin Hurley Wins First Prize In 'Farm Entrance' Competition—Local Farmers Reminded Of Bus Trip To Maple Sept. 16

Both the Durham and Peterborough 50 bushel winter wheat clubs were notably successful in their yields this year, and should have at least as many, if not more, members for the 1948-49 project season that is now beginning.

At Peterborough and Bowmanville this week only two or three members had signed up. There is ample time until Oct. 1, but early responses are encouraging to the county agricultural representatives. The two clubs had each around 15 to 18 members for 1947-48.

"I would like to see at least 20 in the new club," Mr. Summers told the Examiner yesterday. "Most of our members sowed the new Cornell wheat last fall and were greatly satisfied with the results. Their average would be 40 bushels an acre, and two or three went over 50 bushels. I believe we have a surplus of seed from our club work. Garnet Rickard of Bowmanville would know definitely what supply is on hand."

Robert Armstrong of Cavan who is associated with the Peterborough club said he was offered orders for more than twice his yield of Cornell. He kept enough seed for himself and sold the rest. The general price was $3 a bushel.

One source reported several hundred bushels available during the week at $4 but was regarded as being on the high side, partly because Cornell is not registered, and district experience with Dawson's Golden Chaff this season, even in comparison with the highly recommending returns from Cornell and the evidences of its superiority, were favorable.

✦ ✦ ✦

FARM ENTRANCE CONTEST

Kevin Hurley of Otonabee, whose home is three miles east of the city, has been awarded first prize in the junior farmer's farm entrance competition. The prize money was provided by the Federation of Agriculture.

The percentage of improvement as determined by the judge, Mr. R. F. Downey and Murray M[illegible], assistant agricultural representative is given with the first four awards:

Kevin Hurley, 42%; Miss. Elaine Savigny, Otonabee, 40; Miss. Mary Milburn, Smith, 33; Jack Godfrey, Keene, 32; John Edmison, Smith; Cameron Clark, Smith, Morris Telford, Smith.

The farm entrance entries were visited by the judges prior to improvements being begun by the junior contestants. They were re-examined by the judges when the work was completed, and awards were made on the basis of percentage of improvement. This competition was a junior farm club project for the purpose of interesting members in the usually neglected detail of making farm frontages more attractive, and thereby adding value to rural properties.

✦ ✦ ✦

MAPLE TRIP SEPT. 16

With more than 100 members in the Maple Cattle Breeders Association, Peterborough district will probably be represented at the opening of the new barn and administration building beginning at 2 p.m. Thurs. Sept. 16. The guest speaker will be Hon. T. L. Kennedy, Minister of Agriculture.

The new barn is 128 ft. by 38 ft., with 16 box stalls and other accommodation. The administration building is 30 ft. by 40 ft.

The announcement from Maple says: "This development in cattle breeding is regarded one of the main industries of Maple, four miles west of Richmond Hill.

The membership has increased from 87 in June 1945 to approximately 1260, comprising owners of Holstein, Jersey and Ayrshire herds, about half of which are grades.

W. P. Watson, Ontario Livestock Commissioner, will be one of the speakers, G. W. Keefer, manager-secretary, reports that Mr. Watson has an important proposal to present to the members. President Norman Porter of Thornhill has sent invitations to a large number of livestock officials and friends of the dairy cow. So this promises to be a red letter day when the cars and buses from seven counties converge on the seven acre farm at the northern limits of Maple village.

It is interesting to note that visitors have come from as far as Alberta, Jamaica and Palestine. Lunch will be available on the grounds."

Arrangements have been made for a bus trip from Peterborough. Tickets may be obtained at the office of F. C. Paterson, agricultural representative, and Gordon LaPlante, district technician. Local cattle breeders who wish to go to Maple are requested to apply early for tickets.

✦ ✦ ✦

MURRAY MCRAE LEAVING

Murray McRae, temporary assitant agricultural representative in Peterborough and Durham counties during the O.A.C. holidays, is terminating his stay in this district a week or ten days earlier than he planned. He is leaving today or Monday, concluding his alternate weeks in the adjoining counties.

His stay here has been cut short by an accident to his uncle which threatens loss of one eye. It was one of the many and unusual kinds of casualty that can occur in farm work. His uncle was cutting thorn bushes along a fence line. One of the thorns struck him on the eye, and examination showed that it was a more serious penetration than was at first thought.

An immediate result in the work at that farm required a shift that is taking Mr. McRae home. His summer here has been especially appreciated by the junior farmers of the district and the members of calf clubs.

✦ ✦ ✦

DISTRICT FAIRS

Dates of district fairs next week are; Tweed, Wed. 15; Marmora, Thurs. 16; Oshawa is 16-18; and Stirling is Sat. 18. Campbellford is in the following week on the 23rd.

✦ ✦ ✦

WINNER AT CNE

William Mood of Birdsall who won top honors in the sheep section of the junior farmers' livestock judging competition at the C.N.E. is a son-in-law of Col. F. E. Birdsall. He had an entry in the open Hereford class of the Exhibition. Mr. Mood is soon beginning his fourth year in the animal husbandry option course at O.A.C.

The junior juding attracted 170 entries of which 70 were in dairy cattle 44 in beef, 16 in heavy horses, 16 in sheep, 8 in swine and three in poultry. Most of the contestants were from the western Ontario counties.

Brant sent two buses of juniors and Waterloo one.

✦ ✦ ✦

TO GREET JUNIORS

Junior farmers are planning to entertain a party of 75 young men and women from the Waterloo district who are expected here Oct. 8 on their return from a trip to Montreal and Ottawa.

✦ ✦ ✦

KEEPING FARM ACCOUNTS

Edward Humpage, chartered accountant, estimates that about 5 per cent. of the farmers who have consulted him in preparing their income tax forms, keep adequate business records.

"They know approximately where they stand financially in their revenues and expenses. They know what exemptions may be claimed, and also allowances that should be made for depreciation," Mr. Humpage said. "They appear to be keen business men who at almost any time can present an accounting of their affairs."

On the other hand, Mr. Humpage recalled, "one farmer took up about five hours of my time trying to arrive at his position, and at the end we were no further ahead than when we began."

Enquiry into Mr. Humpage's experience was inspired by the remark of a Peterborough farmer some time ago that he regarded as a good investment his engagement of the help of a chartered accountant last year in making out his income tax form.

"I decided that the quickest and most thorough way to go into this income tax business was to call on an accountant and get his help," this farmer said. "I learned that I was entitled to make certain claims that I was overlooking, and that in my case it was money well spent, seeing that we have to make out the forms and send them in."

✦ ✦ ✦

WINNER AT CNE

Frank Baldwin of the Peterborough-Port Hope Highway was a first prize winner in the three-year-old hackney division at the CNE. He won with "Velvet Duchess of Norfolk." In the two-year-old stallion class he placed second with his "Chestnut Smiles."

✦ ✦ ✦

WHERE FAIRS FAIL

"The problem of fair boards is to attract and please patrons and at the same time encourage the production of food products of higher quality and greater nutritional value," says W. H. Porter in the Farmer's Advocate. "That is a double-barrelled program difficult to carry out. Fair-goers are not interested in carcasses. Hidden merit in product of any kind remains unseen. Eye-appeal still rules the fair."

Marketing of many farm products does not dismiss the element of eye-appeal, but intrinsic values are paramount.

Fair directors who may feel that their enterprise is accomplishing something of real value in modern agriculture may find an arresting criticism in this paragraph:

"On-the-hoof judging and appraisal by the eye alone are no longer adequate. Consumer standards, grading of products, world trade requirements, the needs of the processors, and the increasing demands of nutritionists put so much emphasis on what is under the skin or beneath the hide that our judging methods of Canadian fairs and exhibitions are almost primitive."

✦ ✦ ✦

THE MARKET PROBLEM

A local farmer who specializes in poultry and tries to anticipate market trends says he is concentrating on early broilers and capons to catch the approaching market while it is still favorable.

Trends are a vexation to alert farmers these days in the unsettled economy of agriculture, and planning involves an incalculable element of chance and possible change. Markets that were certain and assured during the later war years have gone with controls and contracts. Producers have to try to anticipate what the future holds for them, and not in one or two lines, but in many branches of their varied business.

✦ ✦ ✦

GREAT HOLSTEIN RECORD

Only a very select group of Canadian cows have ever made yearly butterfat records exceeding 1,200 lbs. of butterfat. The latest addition to this group is Seiling Royal Wing, a purebred Holstein owned by Albert Seiling, Elmira, Ontario, whose production of 1,219 lbs. fat from 28,505 lbs. milk was made in 365 days on three times-a-day milking under the supervision of the Federal Department of Agriculture.

This is the third highest three times-a-day milking record ever made by a Canadian Holstein, being exceeded only by the World Record of 1,263 lbs. fat made by Montvic Rag Apple Colantha Abbekerk at Mount Victoria Farms, Hudson Heights, Quebec, in 1941 and the 1,257 lbs. butterfat made last year by Amulree Baroness Pietje owned by Rockwood Holsteins, St. Norbert, Manitoba. Only one U.S. Holstein has exceeded "Wing's" record, this being Pebble Beach Veda Secunda with a record of 1,227 lbs. fat.

On her best day on test "Wing" produced 110 lbs. milk (the equivalent of 44 quarts) and in one month gave 3,147 lbs. milk.

✦ ✦ ✦

LESSON IN FERTILIZERS

R. M. Pierson tells a little story of results of the use of commercial fertilizer in gardening that indicates the importance of exact knowledge of use and purpose in its application.

"A Havelock woman asked a year ago for some information about fertilizer for her home garden," Mr. Pierson said. "It was just a small order, and was mostly of potash. It worked wonders. The customer said afterward that she never had such a big crop from her work. So, back she came this year and got some more fertilizer. This time it mainly provided nitrogen. Gradually, her garden broke out into splendid foliage.

What happened to her squash is an example. They were planted at one side of the garden. One of the vines took off to the other side, and then turned back on its tracks. The Havelock woman was away for several weeks this summer, and when she got back one of the squash vines had completed the return trip across a lane into the garden of her neighbor. The nitrogen provided tremendous growth. The vines were vigorous and wanted to amble in all directions, but they neglected to bear fruit. That customer dosn't think much of nitrogen. Next spring she will probably stick to potash."

The obvious lesson is that commercial fertilizers have their special advantages and should be used in that exact knowledge and experience. Farmers are learning the particular advantages of fertilizer, including nitrogen. It is part of the planning for maintenance of soil fertility. Commercial fertilizers are applied generally as mixtures. For instance, the formula "2-12-6" signifies two parts of nitrogen, 12 of phosphorous and 6 of potash.

JACOB LOMAKIN, disaccredited Soviet consul general in New York, who earned an infamous reputation for his participation in the Kosenkina case, is shown as he arrived in Stockholm with his wife and two children. His son Alexis, 6, is shown above with the Lomakins. The Lomakins are en route to their home base, Moscow.

Cut Feed Costs
with a
Co-op Electric Hammer Mill

Save many dollars every year by grinding your own feed! The Co-op modern electric Hammer Mill will grind grain for as little as one-half cent per hundredweight.

Grain and feed are elevated 20 feet at a rate of 50 bushels per hour, using a two or three H.P. motor.

Grind wheat, oats, barley, rye, shelled and ear corn, corn cobs and soy beans on the CO-OP ELECTRIC HAMMER MILL.

TORONTO DOCTOR KIDNAPPED, 3 HELD

Indian Troops March 40 Mi. Into Hyderabad Trying To Restore Order

Fighting Brought To Attention Of UN Council As Armies Close In On 4 Sides; First Communique Says Opposition Negligible

NEW DELHI, Sept. 13—(CP).—Indian troops invaded the princely state of Hyderabad from all four sides today. The declared purpose was to restore order. The Dominion soldiers, spearheaded with tanks and armored cars and covered with air support, advanced swiftly, mostly against negligible opposition, a government statement indicated.

A Madras dispatch said Indian forces striking from the east advanced 40 miles to within possibly 60 miles of Hyderabad City, the state capital.

The first Indian communique said her troops made "steady progress in all sectors". The bulletin said several columns of undisclosed strength penetrated the state.

The communique said Indian casualties were "slight" and that opposing forces suffered "serious casualties" in the Aurengabad sector in northwest Hyderabad, where nine prisoners were taken.

Lt.-Gen. Maharaja Shri Rajendrasinhji, the Indian commander, sent congratulations to all his troops on their opening successes.

India asserted disorder is rife in Hyderabad and the fabulously-rich Nizam had refused to disband private armies such as the Tazakars. The state and dominion have been at odds for months because the Nizam, General H. E. H. Sir Mir Osman Ali Khan, a Moslem, has refused to accede to India.

Mostly Hindus

About four out of five of the 16,338,534 people of the rich state are Hindus. India has demanded a plebiscite to determine the future of Hyderabad. The state is one-third the size of Manitoba and in south central India and surrounded by Indian territory.

Indian troops moving in from Sholapur on the west met the stoutest opposition, but penetrated 30 miles and took the rail junction of Naldrug, the Indians said. The town is 150 miles west and slightly north of Hyderabad City.

An Indian garrison at Munajalla, an enclave 10 miles inside Hyderabad, started moving toward the heart of the state.

The fighting in Hyderabad was brought to the attention of the United Nations Security Council today by request of the Hyderabad government, a Paris announcement said.

Troops invading from the north took the rail town of Ballarshahn near the central provinces fron-

Anglers Urge Lake Pollution Be Prohibited

OWEN SOUND, Sept. 13.—(CP).—Executive of the Ontario Federation of Anglers and Hunters at a quarterly meeting here Sunday passed a resolution strongly urging prohibition of pollution of lakes and streams by industries and municipalities.

The resolution said the pollution is considered a serious menace not only to fish and game, but also to the health of the residents.

President H. V. Sutton of Windsor, mentioned a recent judgment against the Kalamazoo Vegetable Parchment Company concerning pollution of the Spanish river, a judgment now under appeal by the company, and said "the Federation feels it would be most deplorable if such existing conditions were allowed to continue."

Mr. Sutton declared: "The Federation insists that the established law with regard to such pollution by rigidly enforced."

Pollution is being studied by an international joint committee sitting at Windsor in the near future with regard to conditions in international water of the province.

Athens Charges New Air Piracy

ATHENS, Sept. 13.—(AP). — Aviation Minister Alexander Bakalbassis said today it is up to the Yugoslav government to show it did not assist six young Greek Communists who commandeered a plane Sunday and flew to Yugoslavia. Eight Communists originally were reported aboard.

The crew of an Athens-Salonika plane was forced by the youths, who were armed, to fly them to Skopije, where they alighted. The plane then flew to Salonika.

"This is a classical example of air piracy," Makalbassis said. "It is up to the Yugoslav government to show no assistance was given by arresting and returning the youths. It should be especially noted that, although the aircraft flew 50 kilometres (30 miles) inside Yugoslavia and stayed more than 30 minutes, it was not molested on entering, leaving or during the stay."

The airline owner said two of the youths who spoke Yugoslav said they had to go to Yugoslavia to escape execution as Communist guerrillas. The crew was permitted to radio Athens for technical advice, but flew on without necessary maps.

Hit-and-Run Car Kills Training School Boy

HAMILTON, Sept. 13—(CP)—Provincial police at nearby Dundas said today an inquest will likely be held into the death of a 15-year-old boy believed to be Roy Niven, of Kingston, who escaped from the Bowmanville Training School and was struck down by an automobile Sunday. The driver did not return to the scene of the accident.

Police said the boy was hitchhiking on the Ancaster Highway near Westmount Cemetery at the time of the accident. He was pronounced dead shortly after being struck.

Will Stand Trial

TORONTO, Sept. 13 (CP). —Constable Floyd V. Neuen today was committed for trial on a manslaughter charge in connection with the death of theft suspect Charles McMahon, 42. McMahon died Aug. 28 in hospital, nine days after being shot in a police chase by the rookie constable. Police said Neuen spotted McMahon loitering around a parked United States automobile. After several warnings to stop, he was shot by the officer.

Russians Plan To Seize Berlin In November

BERLIN, Sept. 13 —(AP)—A Liberal Democratic newspaper here says today "X-Day" for achieving Communist seizure of Berlin has been fixed for some time after the November presidential elections in the United States. The newspaper Montags Echo asserts the Russians have given German Communists orders to ste up riotous demonstrations to seize control of the city because Moscow wants no four-power settlement of the 80-day-old blockade crisis.

A highly-informed source in Moscow said Sunday night resumption of four-power talks there on the Berlin crisis is "quite likely" this week. The informant made this prediction after the return to the Russian capital of Francois Seydoux, political and diplomatic adviser to Lt.-Gen. Joseph Pierre Koenig, French military governor in Germany. Seydoux left Moscow Aug. 31 for Berlin, taking important documents to the three western military governors.

A Communist parley was called after last Thursday's giant anti-Communist demonstration, during which more than 200,000 Berliners cheered denunciations of Communist pressure which had forced the legally-elected city assembly to move from the Russian sector into the British sector for protection.

Don't Want Agreement

The newspaper says "high Soviet occupation officials at Karlshorst headquarters have openly told leading SED (Socialist Unity Party) functionaries Russians do not want any agreement over Berlin or Germany and that is why they have employed delaying and blocking tactics in talks at Moscow and in Berlin."

In London, Foreign Secretary Ernest Bevin conferred Sunday with the United States and French Ambassadors on the next steps to be taken by the Western Powers in the Berlin crisis.

Meanwhile, German Social Democrats in the Russian occupation zone addressed a "cry of help" to the Western allies. They pledged a "continued struggle for freedom" and asked the Western powers to "help us — but help us quickly." The message was read at a meeting of 1,100 German and foreign delegates from 11 countries attending the annual German Socialist Party convention in Duesseldorf.

Doesn't Expect Twins

LONDON, Sept. 13.—(AP).—Sir William Gilliatt, Princess Elizabeth's doctor, denied today a published report he had predicted the princess might "very well expect twins."

"The report is a complete fabrication," said Sir William. "I have said nothing about the princess expecting twins."

Suspected Bank Thief Leaves $1,100 Estate

HAMILTON, Sept. 13—(CP)—An estate valued at $1,100 has been left by Frank Wasny, suspected bank robber who was shot to death in Hamilton on Aug. 19. This was revealed in the probate of his estate by surrogate court.

The total amount of the estate is taken up by personal effects—a 1947 automobile. A brother, Steve Wasny, of Toronto, was listed as the closest next-of-kin and designated to administer the estate.

Raid Apartment, Find $27,500 In Loot Takes 'Lone Wolf' Two Years To Collect

MONTREAL, Sept. 13—(CP) —A mountain of loot ranging from mink coats to vacuum cleaners was piled up at police headquarters today as the burglar squad expressed belief they had solved a two-year series of thefts from Montreal homes.

The loot valued at $27,500 was seized Sunday night after police arrested an alleged burglar identified only as "the lone wolf" following a routine check-up.

The arrest came in suburban Outremont when police investigated an open door in a residence. When a mild-mannered man they found nearby was unable to give an account of himself they took him to the police headquarters where they discovered he had 20 skeleton keys, a screw driver and a list of all week-end weddings in Outremont.

Further questioning led police to his lavishly-decorated home in the north end where they found goods believed to have been stolen from Montreal district homes. Detective Paul Sequin said it had taken the man two years to assemble the goods which included furniture, jewelry and silver.

Left Tied Up In Cabin Makes Escape

Revolver Goes Off On Wild Ride To Spot Near Windsor

WINDSOR, Sept. 13.—(CP).—Three suspects were arrested in downtown Windsor today, two of them armed, in connection with the alleged kidnapping in Toronto Sunday night of Dr. David Perlman, 55.

Arrested as suspects:

Al Decker, 19, of Ajax; Bill Glover, 18, of Toronto; and Rex Scott.

Dr. Perlman told police he was driven from Toronto to Cottam, 23 miles south-east of here, where he was robbed of $40 and left trussed up in a cabin. He escaped shortly after 7 a.m.

Police arrested two armed men near an automobile bearing a D-license plate at Ouellette and Sandwich Sts. The third man was picked up near Pitt and Ferry Sts.

Dr. Perlman told police he was just getting out of his car at his home in Toronto Sunday night, after attending a wedding in Windsor, when approached by two men who said "this is a stickup" and who forced him into his vehicle. A few blocks away, a third person was picked up by the armed pair and the group headed for Cottam.

He said he left Windsor about 7 p.m. Sunday with his sister, Miss Syd Perlman, after attending the wedding of a niece, Doreen Cohen. He arrived in Toronto at 2 o'clock this morning. He said he let his sister out at the home of her mother, and drove off to his own house.

Revolver Goes Off

En route to Cottam a revolver in the rear seat of the auto went off accidentally and narrowly missed the driver, Dr. Perlman told police. The party arrived at Cottam tourist camp shortly before 7 o'clock.

Dr. Perlman freed himself by sliding one hand under the cord which bound his hands. Hailing a motorist, he got a ride into Essex where he reported the crime to provincial police.

Harry Wells, proprietor of the Old Oaken Bucket tourist camp at Cottam, said he was awakened about 7 a.m. by the night bell. A young man, between 20 and 25, blonde and heavy set, and two other youths said they wished to rent a cabin for their father.

The party told Mr. Wells they had driven all night from Cornwall.

"We're going to Detroit but my Dad wants a place to sleep today," Mr. Wells quoted the blonde youth. "We'll be back about three o'clock. We want the cabin furthest from the highway." Mr. Wells pointed to the unlocked cabin.

Hears Man Walking

Between 15 and 30 minutes later, Mr. Wells heard a man walking on the gravel paths and on the highway.

"He was yelling and waving his arms. He nearly caused a collision between a car and a truck. The car took him into nearby Essex."

At Essex the man who said he was Dr. Perlman went to Provincial Police.

Dr. Perlman said the men tied his hands, knees and feet and bound him to a bed in the cabin.

LEFT TIED UP

5 Men Missing On U.S. Plane

OTTAWA, Sept. 13 (CP) — A United States twin-engined naval plane is missing between Churchill, Man., and the Pas with five men aboard, the U.S. Embassy said today.

The plane took off Sunday morning from Churchill for Ottawa and has not been heard of since. Of those aboard, all are military personnel, four American and one British.

Names are being withheld until the next-of-kin have been notified they are missing.

Two of them were classified as V.I.P.S.—"Very Important Persons."

VENERABLE WESTWOOD RESIDENT, Mrs. Louise Hope, will celebrate her 94th birthday on Friday. She lives alone and leads a busy life in her neat home that contains many fine furnishings. She is especially fond of a large chrome portrait of her mother displayed in her parlor and posed beside it for a picture.

—Examiner Staff Photo

Pakistan Head Jinnah Dies Suddenly

KARACHI, Sept. 13—(CP)—Mahommed Ali Jinnah, founder and first governor-general of Pakistan, was buried Sunday night of heart disease. His fight of many years for a Moslem Pakistan free from Hindu India was crowned with success in the division of the sub-continent Aug. 15, 1947. Jinnah had been governor-general of the Moslem Dominion since that time.

Government sources here said they expected an announcement from London at any moment naming a new governor-general, the direct representative of the King in this portion of former British India. Sir Ghulam Hussein Hidayatullah, premier of Sind province, was mentioned as a possible successor to Jinah. Official sources said Prime Minister Liaquat Ali Khan prefers to retain his present post.

Quarters close to the Pakistan government said today that Khawaja Nazimuddin, prime minister of east Bengal, was recommended to the King to succeed Jinnah as governor-general.

Jinnah, who held the official title of "Quaid-e-Azam" (great leader) was held in veneration by the 70,000,000 inhabitants of Pakistan similar to the devotion of Hindus to the late Mohandas K. Gandhi.

500,000 Line Streets

An estimated 500,000 Moslems lined the streets for the funeral procession as four cabinet ministers, including the prime minister, helped lift the bier to a gun carriage.

Volunteers carrying black flags moved through the streets urging

Five In One Family Killed In Car Smash

MONT JOLI, Que., Sept. 13 —(CP).—Six persons, five of them members of one family, were killed near Sayabec, 30 miles from Mont Joli, Sunday night when their automobile was struck by the Canadian National Railways Ocean Limited at a level crossing.

Word from Sayabec said "all were fatally injured," possibly indicating at least some of the dead were not killed immediately.

The tragedy occurred at 8.50 p.m. EDT Sunday night.

The level crossing where train and car collided is just west of Sayabec.

The dead: J. Lucien Lebel, 33, of Mont Joli; his wife, Mrs. Monique Lebel, 26; Louis Lebel, three months; Girard Lebel, 24, of St. Octave, Que.; Anita Lebel, 33, of St. Octave; Dolores Fournier, 23, of Price, Que.

Westwood's Oldest Citizen Has 94th Birthday Friday

Each morning in the village of Westwood, people passing on the street, men at the mill and neighbors next door to a neat white house glance to see if the drawn blind in the kitchen has been let up; it is a signal to them that their oldest and most respected citizen, Mrs. Louise Hope, is up and around again for another busy day. She will celebrate her 94th birthday on Friday and although she does not expect to hold open house for the occasion, there will be hundreds of greetings and a few short visits from old friends.

Mrs. Hope has seen nearly a century of changes in southern Otonabee and Asphodel townships and is a link with the pioneer days of that section. She was born in Villiers, Louise Elmhirst, daughter of an English father and a Scottish mother, who were settlers' children from the Old Country. There were four brothers and six sisters in the family who never knew their grandfather; he was killed by a falling tree while clearing his land when Mrs. Hope's father was young. She remembers seeing as they tolled with their masters slow-moving oxen for many years in the back-breaking job of hewing backwoods farms from the heavy forests. She admits that she never drove them but could and did ride horses a good deal.

At the age of 26 she married John Hope at the manse of the Keene Presbyterian Church, and Dr. Francis Andrews, an outstanding churchman in the district for 50 years, performed the ceremony. They lived south of the Billy Elmhirst farm until 1913 and then moved to the village of Westwood. Mr. Hope died six years ago and Mrs. Hope has stayed on alone and until last winter, when she lived with a niece in Fenelon Falls, she has been a continual resident of the village for 35 years. She and her husband had no children.

Great Church Workers

They were great church workers at the former Westwood Presbyterian Church which latterly became the Westwood United of which her husband was elder for 35 years and herself president of the Women's Missionary Society for 40 years.

The Hopes knew more of the world than their own rural district for they spent one winter in Los Angeles, Calif., where Mrs. Hope had a brother who was a practising minister there. In 1908 Mrs. Hope visited with a sister in Saskatchewan and in 1922 she went along with her husband to Winnipeg where he attended the General Assembly of the Presbyterian Church.

Mrs. Hope has lived alone in her neat house ever since her husband's death and has dropped away from attending church which is at the extreme western end of the village at the top of a steep hill. Of course any of her numerous friends would take her there by car but her hearing has failed slightly and she enjoys

(Continued on Page 2, Column 2)

Police Hold Suspect In Bank Robbery

FORT ERIE, Sept. 13—(CP)—Provincial police today arrested George Pelley, 41, in connection with the daylight robbery of $5,000 from the Ridgeway branch of the Imperial Bank of Canada Thursday, Sept. 2.

Pelley was apprehended at a riding club near here where he was living in a suite of rooms with his wife and two children. He was taken to the Welland county jail. Police are still searching for two other suspects.

Bernadotte Orders Israel Readmit Arab Refugees To 3 Villages And Rebuild Homes

RHODES, Sept. 13—(AP)—Count Folke Bernadotte ordered Israel today to readmit Arab refugees to three villages and to rebuild their shattered homes. He said 8,000 Arabs were driven out and their homes smashed by the Israeli army in violation of the truce.

The villages are Ein Ghazal, Ijzim and Jaba, south of Haifa, along the Haifa-Tel. Aviv highway.

Bernadotte, the United Nations Palestine mediator, reported to the Security Council Jewish forces attacked the three villages July 18 at beginning of the second truce. The Arabs were forced to evacuate after a seven-day land and air attack. Later, he said, the Jewish forces destroyed the villages of Ein Ghazal and Jaba.

Bernadotte said his investigations found 8,000 former villagers in the Jenin area. They placed the number of killed and missing at about 130. Bernadotte said "Arab allegiations concerning the number killed and captured are enormously exaggerated."

In Jerusalem, the heaviest daylight gunfiring in eight weeks of truce Sunday shattered the Sabbath quiet of the Holy City.

70 MPH Gale Sweeping Bermuda Isle

Warn All Ships To Flee Path Of Hurricane Winds

HAMILTON, Bermuda, Sept. 13 —(CP)—A howling Atlantic hurricane swept over this island holiday resort today cutting electric power and blocking main highways with debris.

Drenching rains flooded long stretches of roadway and telephone lines failed. Power was cut at the big King Edward Memorial Hospital where oil lamps were pressed into service. An emergency generator supplied the operating room.

Winds of 70 miles struck the colony shortly after 10 o'clock and increased in intensity. It was expected the storm would pass to the west after sweeping across Bermuda.

Damage already was heavier than the £100,000 ($400,000) loss caused by a hurricane which swept the island a year ago.

Moving North

The weather bureau's storm warning service at Miami said the centre of the severe hurricane was only 65 miles southwest of Bermuda at 10:15 a.m. The storm was moving north-northwestward.

"Winds at Bermuda have reached hurricane force and will continue to increase until the storm passes," forecasters reported.

"The centre is expected to pass 40 to 60 miles west of Bermuda during the next few hours."

Although pointed in the general direction of the Virginia Capes, the storm is expected to recurve to the north and northeast before any effects are felt on the United States coast, the storm warning service stated.

The hurricane for the next 12 hours will sweep the busy coastal shipping lanes with dangerous winds and wild seas. Ships were warned to avoid or flee its path. The recurving movement was expected to begin tonight.

Broken Wheel Derails Train

BELLEVILLE, Sept. 13.—Seventeen freight cars jumped the tracks as a CPR freight train was entering the eastern limits of the city on the main line late Sunday afternoon. None of the train crew was injured.

The cars, mostly containing newsprint, were piled up over 500 yards of the line, blocking all east and west bound traffic.

Train crewmen reported that the train was slowing down as the cars began to leave the track. The cause had not been determined but it was believed that a wheel had broken on one of the cars.

Wrecking crews from Trenton, 10 miles to the west, reached the scene at 8.15 o'clock to begin clearing the line.

During Sunday night and early this morning trains were re-routed on the C.P.R. line through Peterborough and were running several hours late.

China In Midst Of Revolution

SHANGHAI, Sept. 13 (AP)— Maj.-Gen. Chiang Ching-Kuo, Russian-educated son of China's president, told a cheering throng today that China is "in the midst of social revolution."

"Our new economic policy is a socialistic revolutionary movement," said Chiang Kai-Shek's son in a blunt attack on "unpatriotic business men," in particular and wealthy Chinese in general.

During the last three weeks, young Chiang has been Shanghai's economic czar—carrying out his father's stringent stop-inflation decrees. He has had more than 100 bankers and business men arrested.

However, prices have continued to rise — in some cases more than 100 per cent.

His speech was the most outspoken admission of a switch to the left in the Chinese government's policy since his father's assumption of "rule by decree" Aug. 19.

Rail Union Tossed Out By Congress

Hall Says Brotherhood To Fight Suspension Over Communist Row

OTTAWA, Sept. 13.—(CP). — Montreal's Frank Hall and his 12,000-man Brotherhood of Railway and Steamship Clerks are preparing to battle an executive decision, suspending them indefinitly from the powerful Trades and Labor Congress of Canada.

The suspension order came Saturday when the T.L.C. executive announced the Brotherhood had failed to repudiate the recent action of its Canadian vice-president in directing a union merger aimed against the Canadian Seamen's Union.

The C.S.U., a Congress affiliate, is reputed to be Communist-dominated.

The executive said Hall had been in "direct and flagrant violation" of the T.L.C. constitution in bringing about the absorption of the Canadian Lake Seamen's Union by the Seafarers' International Union (A.F.L.) more than a week ago.

Fight Suspension

In Montreal, Hall said his Brotherhood "will fight" the suspension which bars it from seating delegates at the national convention of the Congress in Victoria Oct. 11.

In Halifax, Harry Davis, president of the C.S.U. said the suspension will be welcomed by all 'honest unionists."

The executive's action came on the second day of an emergency meeting called to deal with a Hall-inspired rebellion of officers of 3 Congress unions to clear out Communists from the ranks of the T.L.C.

It appeared that the suspension not only was a rebuke to Hall but a move designed to block off an uprising over Communism at the T.L.C. convention.

No action was taken against officers of 22 other Congress unions who recently joined wtih Hall in Ottawa condemning the T.L.C.'s policy of allowing Communists within its ranks.

The Weather

Peterborough Temperatures:

Today
Night low..53 Noon ...78

Yesterday:
Highest....83 Lowest..66

One Year Ago:
Highest....81 Lowest..66

Sun—Rises at 6:54; Sets at 7:32

While a hurricane lashes the Island of Bermuda this morning, ideal harvest conditions prevail on the prairies, and warm sunny weather continues over the eastern half of the continent. Maximum temperatures were reported in the middle and high 80s in southern Ontario on Sunday while Toronto was the hottest city in the province with a high of 88. Slightly cooler dry air from western Canada pushing southward through central Ontario this morning will reach the shores of the lower lakes this afternoon. Temperatures in Ontario will be 5 to 10 degrees lower on Tuesday.

Forecasts:

Lake Erie, Southern Lake Huron, Lake Ontario, Niagara and southern Haliburton regions — Clear. Cooler this afternoon and Tuesday.

Summary for Tuesday: Clear. A little cooler.

Westwood

Continued from Page 1

visits from her minister at the house instead.

Her life is a busy one. Her house is immaculate and since she has a good appetite, getting three meals a day keeps her well occupied. The village grocer calls for her order and delivers it once a week and a young woman comes in on Saturdays to do the heavier work and set the house to rights for Sunday. There is no electricity but Mrs. Hope is very careful with oil lamps, and to avoid carrying them up and down stairs, she has enough of them in rooms that she uses and gets about with a flashlight. She prepares for bed at dusk and gets up about seven o'clock the year round.

Loves Gardening

For many years she took great pride in her garden and house plants and had a great knack for growing things of all kinds. These days she has daily visits from next-door neighbor, Mrs. J. E. Thompson, who has a key to the Hope house and reads to her from church pamphlets nearly every day. She has no radio but used to play the piano very well, and when much younger, enjoyed dancing.

Unlike a great many people who treasure a house full of fine old furniture, she has given away most of her prized possessions to numerous nieces and nephews but there are a few things that are too personal to part with, such as a large handsome chrome picture of her mother, and other small unusual things such as hair wreaths under Victorian bell jars, worked by her own hands and steeped in sentimental value.

It was interesting to note that when asked to pose for a photograph that there was a great deal of the Eternal Woman in Mrs. Hope. She insisted on dressing in a fine black costume and wearing her president's pin of the Women's Missionary Society and bid the reporter farewell with the hope that he had made a nice picture of her and that he would tell no one about it until it was published in the paper, as a surprise to her friends. A woman like that will certainly round out the century mark which is the fond hope of the people of Westwood.

the people to bear the burden of Jinnah's death "with patience and be ready to face the emergency boldly."

A 40-day period of official mourning was proclaimed for all Pakistan. Messages of condolence poured in from all over the world. The King sent this message to Jinnah's sister, Fatima:

"The Queen and I are distressed to hear the news of your distinguished brother's death. His loss will, we know well, be irreparable to yourself and all in Pakistan. We send you our sincere sympathy."

In Ottawa Prime Minister Mackenzie King of Canada yesterday extended "sincere sympathy" to the people of Pakistan on the death of Jinnah.

LOTS OF COIN WRAPPERS

The United States paper industry makes more than $500,000 worth of coin wrappers a year.

PRECEDED ASTRONOMY

Astrology, the forerunner of astronomy, was the art of divination by observing the positions of heavenly bodies.

Raid 5 Manitoulin Hotels Seize 200 Cases of Beer

SUDBURY, Sept. 13 — (CP). — Ontario Provincial Police Saturday night raided five hotels on Manitoulin Island and seized quantities of beer. Fourteen officers under direction of Inspector T. Wilkinson of Sudbury, assisted by a sergeant from Toronto headquarters, carried out the raids at three hotels at Little Current and two at Manitowaning. An average of four to six persons were in each of the places visited. More than 200 cases of beer were loaded on trucks and taken away by the police.

The police declined to say whether charges would follow the raids. Manitoulin Island is under the Canadian Temperance Act, which prohibits sale of beer and liquor.

Clean-Up Ordered

Presence of a Toronto officer in the raid led to the belief that orders for the clean-up came from the Attorney-General's Department in Toronto.

Police declined to say what steps would follow the raids, but it is believed the hotel proprietors will be summonsed and those found in will be called as witnesses for the Crown.

This was the first beer raid in several months. It is believed a district hotel, closed down by police in a similar raid some time ago, complained that other hotels on the island were doing a wide-open business in sale of beer.

And Livestock Cheese, Produce

TORONTO HOG PRICES

TORONTO, Sept. 13 — (CP). — At Brantford today hog prices were unchanged. Grade A $32.85. At Stratford hog prices were unestablished.

CHICAGO GRAIN

CHICAGO, Sept. 13 —(AP)— September corn jumped more than two cents at the opening on the the board of trade today. That provided the leadership for most other grain contracts, which generally were fractionally higher. An exception was September oats which slumped slightly.

Wheat started unchanged to ⅞ cent higher, Stepember $2.23½, corn was ½-2¼higher, September $1.75-1.74¼, and oats were ⅛ up to ⅜ cent lower, September 71⅛-¾.

TORONTO LIVESTOCK

TORONTO, Sept. 13 —(CP)— Possibly responding to increased consumer demand for meat, the livestock market here up to mid-session did an active business and prices werefully 50 cents to $1 higher from last week. Receipts were normal and were reported by the Dominion Marketing Service at: Cattle 5,500; calves 1,100; hogs 700; sheep and lambs 2,000. Held from last week's trading were 400 head. Included in the day's run are 1,300 stockers.

Weighty steers brought $19-$35.50 with one small lot at $30. Butcher steers were from $20-$24, and heifers sold from $17-$21.50 with a few up to $22. Good butcher cows sold from $16-$17.50 with a few up to $18 and common to medium downward to $13. Canners and cutters sold downward to $8. Good bulls were from $19-$21 and commoner kinds sold downward to $14. Fed yearlings sold steady from $22-$28. One good load of stockers sold at $18.

Good to choice calves sold from $26-$28 with common to medium vealers downward to $15. Heavy calves sold slow.

Hogs were unsettled. Previous close on hogs: grade A $33-$33.50; grade B1 $32.60-$32.85. Sows were $24 dressed.

Lambs sold 50 cents lower from last week's close. Good ewes and wethers brought $21.50 with $1 discount on bucks. Cull lambs were $13-$14. Sheep were $5-$9.

MORE ABOUT—

Indian Troops

Continued from Page 1

tier, which is 150 to 175 miles from Hyderabad City.

Indian troops moving down from the northwest corner of the State were reported within sight of Jalna, an important junction on the Nizam's state railway 240 miles from the capital.

Closing On All Sides

Another column passed the famous Buddhist caves at Ellora, near Doulatabad, 270 miles northwest of Hyderabad city. Both forces had but light opposition and were reported advancing steadily 12 hours after they invaded the State.

The troops from Sholapur struck across the frontier at three undisclosed points. The first resistance encountered crumbled swiftly. The first casualty report said 17 Hyderabad soldiers were killed and 17 captured at the cost of one Indian life.

The Indians called the advances "police action" to reoccupy former Indian army quarters at Secunderabad, and to ensure law and order in the State.

The Nizam interned K. M. Munshi, India's Agent General in Hyderabad, in the Greenland hotel. Indian postal and telegraph workers in Hyderabad also were interned.

Guards Surrender

Hyderabad army guards stationed at the Nizam's palace in New Delhi surrendered their arms tonight after Indian military and civil police invaded the grounds.

The 37 guards had refused to hand over their guns as urged by the Hyderabad agent-general, S. M. A. Razvi, on the grounds they could accept the order only from the state commander. They surrendered an hour after the police arrived and were interned in army barracks. Razvi was allowed to stay in the palace, which is the office and residence of the Nizam's representatives in New Delhi.

Foreigners in Hyderabad, including about 30 Americans, were reported concentrated in a Bren gun factory.

Announcement that Indian troops would march across the borders of the huge, rich state had been expected for days, but came with startling suddenness this morning six hours after the march began at 4 a.m.

Lt.-Gen. Maharaja Shri Rajendrashinhji, Indian commander-in-chief in the south, informed the population of Hyderabad in a proclamation the Indian army was coming to prevent their state from becoming "the home and focus of anarchy."

As soon as "a government which will maintain a rule of law and conform with the will of the people is established" the Indian troops will depart, he declared.

Announced Plan

Earlier Sunday, India announced anew her determination to take whatever action she deemed necessary in the Hyderabad crisis, but denied a report that Indian troops already had marched into the princely state, in the south central portion of the sub-continent.

Hyderabad's Nizam has resisted efforts by the Indian government to bring his state into the Indian Union, which entirely surrounds Hyderabad.

Saturday, V. P. Menon states ministry secretary, wrote to Premier Mi Laik Ali of Hyderabad, declaring that "in the prevailing circumstances the government of India holds themselves free now to take whatever action they consider necessary."

Law of Jungle

His letter said the "only law prevailing in Hyderabad is the law of the jungle."

Arrangements were made last week for the evacuation of about 40 American and 300 Britons and Canadians from Hyderabad.

Today's government press note said:

"The government of Hyderabad having declined to accede to the government of India's request to disband the Razakars and to facilitate the return of Indian troops to Secunderabad for the restoration of law and order in the State, Indian troops crossed the State borders at 4 a.m. today."

The Razakars (volunteers) are a private Moslem army led by Qazim Razvi, an extreme Moslem Nationalist. Secunderabad is a suburb of Hyderabad city, the capital of Hyderabad, where Indian and British troops formerly were garrisoned.

The official statement said a column crossing the northern border from the central provinces occupied the important railroad town of Ballarshah.

Penetrate 30 Miles

A column advancing from Sholapur, in the west, penetrated 30 miles, occupying the important railroad junction of Maldrug, after having met considerable opposition, the announcement went on.

In the south, it continued, three important bridges across the Tungabhadra river, which forms the State's southern boundary, were taken and a column from Bezwada, in Madras, took Bommakalu. The Indian garrison at Munajalla, an Indian enclave about 10 miles inside Hyderabad, is moving toward Secunderabad.

An order of the day said the present trouble was caused by "fanatical followers of a non-Hyderabadi, one Qazim Razvi, who cannot have the interests of Hyderabad or its ruler at heart."

1 Dead, 5 Hurt In Car Crash

LONDON, Ont., Sept. 13—(CP). —One man was injured fatally and five injured in an automobile crash here Sunday. All of the injured were occupants of one car, in which police said nine persons were riding.

Pte. Francois Raymond Perrin, of 27 Canadian Ordnance Depot here, died in Westminster Hospital early today. He suffered a fractured skull and other injuries.

In hospital is: Mrs. William Moore, London, with a compound fracture of the left wrist, severe head cuts, shock and multiple abrasions to her arms and shoulders. Her condition is serious.

Treated at hospital were: William Moore, lacerations to head and shoulder; Frank Kelly, Guelph, head lacerations; Mrs. Francis Delaney, London, bruises and abrasions.

Cpl. Frederick Baker also received treatment for an injury to his left elbow.

Police said that Mr. and Mrs. Moore, Pte. Perrin, Mrs. Delaney, Kelly and Baker were all occupants of a car which collided with another auto driven by Andrew Lutz of London.

Report Prices Steady In Light Trading

TORONTO, Sept. 13 — (CP) — Prices were steady in light trading on the Toronto Stock Exchange today. Industrials showed a slightly firmer tone and golds and base metals were irregularly firm. A few selected western oils edged ahead.

Papers and refining oils led the firming tendencies in the industrials groupings. Gains and losses remained in fractional range. A few steels also edged ahead and Bell Telephone, Brazlian Traction and CPR strengthened in the utilities.

Golds were generally quiet with only a few issue showing any change. Dome Mines rose ⅛ in seniors and San Antonio, Malartic, Nicholson, and Bevcourt were firmer juniors. Sullivan, La Luz, Louvicourt, Central Patricia and Campbell dipped 1 to 10 cents.

International Nickel gained ¼ in a dull base metals list. New Calumet, MacDonald and International Uranium firmed while Consolidated Smelters dipped ¾ and East Sullivan, Steep Rock and Gulf Lead weakened.

Calgary and Edmonton was ahead 15 cents and Home Oil 10 in a brightening western oils group.

Philanthropist Dies

LONDON, Sept. 13.—(AP). — Baron Noel-Buxton, 79, philanthropist and political figure, died Friday night at his home. He began his political career as a Liberal member of parliament and later was elected as a Labor member. He served as Minister of Agriculture in the Labor governments of 1924 and 1929.

ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

Keep Fire Risk To a Minimum

Flying sparks from a nearby fire are a big threat to your home. Even the smallest spark landing on your flammable roof is dangerous—and may prove expensive! In fact, statistics prove that this is the third biggest cause of all residential fires.

Fireproof roofing stops this menace! That's why Johns-Manville Durabestos Shingles are in such demand today. In over 35 years not one of these asbestos-cement shingles has ever burned—not one has ever worn out. But that's not all. Durabestos Shingles are strikingly attractive—have all the charm and rained texture of fine weathered wood.

Ask your nearest Johns-Manville dealer for free folder describing the styles and four blended colours of J-M Durabestos Shingles. Phone him today, Peterborough Lumber Co. Ltd. Phone 4655.

MORE ABOUT—

Left Tied Up

Continued from Page 1

They were about to gag him with a cloth when he protested that he would suffocate. They then taped his mouth.

Before leaving him, the men took the doctor's instruments out of the car and put them in the cabin.

The young man who rented the cabin signed the name of "Dr. A Adams, Cornwall."

TORONTO, Sept. 13 (CP)—Dr. Samuel Perlman, Toronto dentist, and brother of Dr. David Perlman, 55, a Toronto physician who escaped early today from kidnappers, said he learned of his brother's abduction at 9 a.m. today.

"I was with my brother in Windsor," he said. "The family went there to attend the wedding of my sister's daughter, Noreen Cohen, Sunday at noon."

"I had driven Dr. Perlman's wife and his daughter, Gilda, up with me. My brother and I left Windsor at 1.30 p.m. Sunday and we got home close to 1 a.m. today. I drove him to a downtown garage where he got his car. I waited there until he drove out.

"When he was ready to drive away he said 'Okay' and I said 'Goodnight.' I didn't know anything about the kidnapping until this morning at 9 o'clock."

The dentist said he believed his brother had been kidnapped for money.

Police here said today they believed one of the men may have looted a house and kidnapped Dr. Perlman to make good his escape. They were checking residents to find out if any were broken into Sunday night.

American Fined Had Undersize Fish

One conviction under the Game and Fish Act was included in cases put through court today.

Arthur Louis of Ashtabula, Ohio, was fined $10 and $2.50 costs on his guilty plea to being in possession of pickerel under the minimum length.

Manley Godfrey, 220 Edinburgh St., and John H. McIlwain, RR 4, Peterborough, were each fined $10 and $2.50 costs for being drunk in public.

Fined $10 nd $2.50 costs for consuming liquor in a public place were: Marjorie Lindsay, RR 10, Peterborough and Andrew Johnston, Chemong Park. Arthur Lindsay, also of RR 10, Peterborough, was fined $10 and $2.50 costs for illegal possession of liquor.

W. Barney Lamore, Trenton, was fined $10 and $2.50 costs for illegal possession of liquor.

Cecil McMahon, Belleview Ave. was fined $10 and $2.50 costs for causing a disturbance on Belleview Ave.

Say No Foreign Power Involved In Radio Theft

OTTAWA, Sept. 13 — (CP). — R.C.M.P. are investigating theft of special radio equipment in Winnipeg but Transport Minister Chevrier does not believe "a foreign power is involved."

From aboard the Empress of France en route to England, he told The Canadian Press Sunday night: "It is my belief that amateur radio operators, who might break parts up for their own use, are the culprits." Mr. Chevrier is on his way to the Paris meeting of the United Nations.

Confirmation that the spare parts for a government radio transmitter had been stolen came from C. P. Edwards, Deputy Transport Minister Saturday. The transmitter is part of a new instrument landing system at Winnipeg's Stevenson Airport.

Theft 2 Months Ago

The theft was made from a small, unguarded building several miles from the airport about three months ago. The thief, Mr. Edwards believed, was someone "who knows something about radio."

Commissioner S. T. Wood of the R.C.M.P. was "skeptical about the suggestion that it's anything more than an ordinary theft."

The Winnipeg Free Press, which first reported the theft Saturday, suggested the possibility that a foreign power might be involved.

Mr. Edwards, confirming the report of the theft, disclosed that the transmitter had not been fully assembled when the building — locked but unguarded — was entered. However, the thief did not damage the transmitter.

CHAINED BOOKS

The custom of chaining books to stands or reading desks was common in parts of Europe in the 15th and 16th centuries.

Rev. L. Delaney Posted To Lakefield

GORE'S LANDING, Sept. 13—(Special)—Beautifully redecorated St. George's church has had many visitors this summer, the centennial year. On Sunday July 4 the special preacher was the Rev. J. M. Crisall of Port Hope. Mr. Crisall was a former rector and it was during his tenure that the present lovely rectory was built. He spoke of the need for solid foundations, whether in a church building or in one's personal life.

On July 11 the Rt. Rev. G. A. Wells, MA, DD, CMG, former principal chaplain (Protestant) of the Canadian Armed Forces took the confirmation service. Seventeen candidates were presented. At the close of the service the new cross was dedicated "To the Glory of God, and in loving memory of Pte. Roy Ivanson Thackeray".

On July 25 the Venerable Archdeacon F. J. Sawers was the special preacher. He mentioned Archbishop Owen and his regard for Gore's Landing. He spoke of the need for faithfulness in these days when the Church faces such challenges throughout the world.

On August 1, the Rev. Derwyn R. G. Owen. Ph.D. of son of the late Primate, was special preacher. His text was "For the bread of God is He which cometh down from Heaven, and giveth life unto the world".

On Wed. Aug. 4 the ladies held a bazaar and tea to which many summer visitors and Cobourg ladies came. Of the many old friends who came back to Rice Lake this summer perhaps the most interesting was Mrs. Caroline Westmacott of Millbrook. Mrs. Westmacott, aged 93, is the daughter of George Ley, Esq., one of the early settlers on Rice Lake and one of the founders of the Rice Lake Parish.

The rector Rev. L. J. Delaney, BA, BD, is moving to Lakefield beginning his duties at the church and school, Sept 20.

82 Workers Strike But Paper Printed

NEW YORK, Sept. 13.—(AP).—The Journal of Commerce said 70 composing room and 12 mailing room employees quit work Sunday in a dispute with management; and editorial workers took over mechanical jobs and got out an edition Sunday night.

Printers employed at the financial, business and shipping news daily call the situation a "lockout."

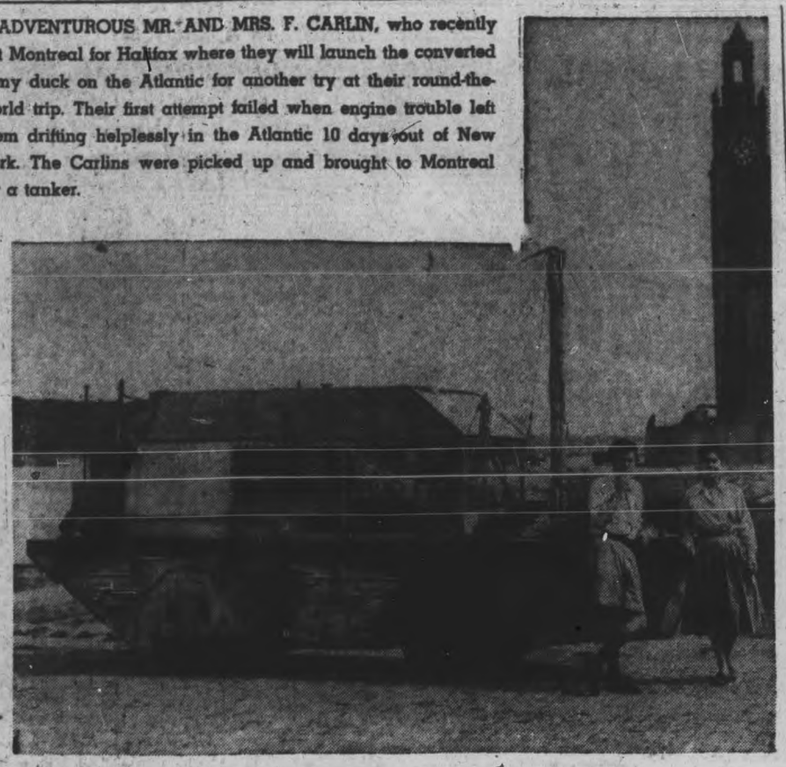
The newspaper and members of Local 6 of the International Typographical Union (AFL) have been in disagreement for some time over a management attempt to change the working hours of some employees.

The Journal of Commerce said in a statement today that the newspaper wants "a contract designed to cope with its own requirements rather than the needs of other metropolitan papers with largely local distribution."

FAMOUS JEWISH ACTRESS

The famous 19th century French actress, Rachel, was born Elizabeth Felix, the daughter of poor Jewish peddlers in Switzerland.

ADVENTUROUS MR. AND MRS. F. CARLIN, who recently left Montreal for Halifax where they will launch the converted army duck on the Atlantic for another try at their round-the-world trip. Their first attempt failed when engine trouble left them drifting helplessly in the Atlantic 10 days out of New York. The Carlins were picked up and brought to Montreal by a tanker.



Trans-Canada Trip Described To Rotary

COBOURG, Sept. 13—(ENS).—Cost of travel and the distance involved were factors which created a lack of contact and consequent absence of mutual understanding between the eastern and western parts of Canada, declared A. R. Willmott K.C., of Cobourg, in addressing the weekly luncheon meeting of Cobourg Rotary Club. Mr. Willmott was speaking on his trip this summer tto the Pacific coast.

Much of the trip was by TCA, he said, the rest by rail. He found that Calgary had built 2,500 new houses, most of them frame dwellings, but with attractive flower beds. Housing costs were somewhat more than in the east but it only cost about half as much to heat houses in the west. On the west coast he encountered a considerable quantity of fine British foods, marketed in their need for foreign exchange.

The west had much which could well be emulated in the east, the speaker said, mentioning the fact that the University of British Columbia, with many veterans enrolled, had taken unusual steps to provide accommodation for the students. Through the efforts of the university head, extra accommodation was made available by cabins and trailers on the school campus.

Trenton Bridge Gate Opens, Crushes Child

TRENTON, Sept. 13.—(CP).—Four-year-old Joanne Shephard is in critical condition in hospital after being crushed by a heavy weight on a guard-gate of the swing bridge over the Trent canal. The child was standing at the entrance to the bridge with her mother, Mrs. Edward Shephard of Trenton, when the electrically controlled gate swung open. The weight hit her head, crushing her against the cement foundation of the bridge.

COLORED IMPURITIES

The coloring of marble is caused by the impurities in it.

LIFE OF A WOULD-BE BURGLAR is not all it is cracked up to be, and if you want proof, take a gander at 22-year-old James McLaughlin who tried to rob two women in an apartment in New York, lost his nerve when they yelled for help, and then promptly fainted when the women identified him as their would-be assailant. Here two detectives, who picked up McLaughlin, haul the insensible prisoner away for booking on a burglary charge.

Radar Spots Iceberg Fields

CHURCHILL, Man., Sept. 13—(CP)—Radar worked perfectly in spotting icebergs in Hudson Bay during the voyage of the Canadian destroyers Nootka and Haida from Halifax to Churchill, Cmdr. A. H. G. Storrs of Victoria said at a press conference after their arrival.

The two Tribal class destroyers slipped into harbor here Saturday—first time in history that Canadian warships have touched this northern Manitoba port.

Cmdr. Storrs, captain of the Nootka, said the voyage from Halifax took nine days. The vessels encountered snow squalls, fog and icebergs while crossing Hudson Bay, but Cmdr. Storrs and Lt.-Cmdr. A. F. Picard of Halifax, Haida's captain, said the cruise had been a great success so far.

Festival In Windsor

LONDON, Ont., Sept. 13—(CP). — The 1949 western Ontario regional drama festival will be held in Windsor executive officers of the Western Ontario Drama League decided at a meeting here Sunday. Tentative dates are Feb. 10, 11 and 12.

Held On Liquor Count

TORONTO, Sept. 13—(CP). — Mrs. Donald (Kitty Cat) McDonald, wife of escaped convict Mickey McDonald, early Sunday was charged with keeping liquor for sale. Arrest followed a police raid in which four men and three other women were charged as found in.

An Eminent Appointment

His Majesty's new Canadian Secretary for External Affairs is the Honourable Lester Bowles Pearson, O.B.E., M.A., LL.D. "Mike" Pearson was popular and able even when a boy attending Central School and the Peterborough Collegiate Institute. As his horizons widened and his spheres of influence expanded, so his popularity and ability increased. Successively Rhodes Scholar, business official, university professor, a First Secretary in the Department of External Affairs, Canadian adviser at various international conferences, Royal Commissioner, Ambassador to Washington, delegate to U.N. and Under-Secretary of External Affairs, he has served Canada brilliantly and won acclaim abroad. Now at 51 he has accepted a senior Cabinet portfolio, left the relative quiet and security of the Civil Service and will enter the political life of this country.

* * *

The aptness of the appointment is so obvious that it needs no comment. Canada's foreign policy will be under the guidance of the man who of all Canadians with the exception of the Prime Minister is best acquainted with modern international affairs and personalities. It is a politically wise appointment, for the Canadian public will approve having such an experienced man in this crucial office and Mr. Pearson is personally a winner of friends. He will have no difficulty in securing a seat, if indeed the Opposition contests it at all at the by-election.

* * *

There are many people who hold that politics is a dog's game, a dirty game. They say that they would rather be dead than enter political life. A career in politics, with its uncertainties, its limited financial rewards, its glare of publicity and torrent of criticism, is not altogether enviable. Nevertheless if Canada is to have good government its best citizens must be willing to serve politically. The final proof of Lester B. Pearson's devotion to the public interest is his entry into politics.

U.S. Presidential Campaign Under Way

With the speech of U.S. President Truman at Detroit on Labour Day, the active campaigning for the Presidency opened. Mr. Truman's speech in that stronghold of organized labour was, as predicted, largely a denunciation of the Taft-Hartley labour law, and it indicated the course of political strategy which will probably be followed by Mr. Truman throughout the campaign. He will attempt to gain the support of special groups of voters, among which organized labour is one; he may well succeed with this particular group, for labour is seriously aroused by Taft-Hartley Act developments. He may also gain a large percentage of the farmers' vote, because of their satisfaction with current high produce prices, and he will seek to mobilize other groups with special interests.

Another expected feature of Mr. Truman's campaign is that it will be one of the most intensive ever conducted by a Presidential candidate. He began early with last Monday's speech at Detroit, and by the middle of the month will be launched on a tour alternating major speeches with brief appearances at as many small communities as he can crowd into his program. These are his plans, according to Washington observers, but a factor exists which may alter them—the state of the Democratic National Committee's treasury. Money is short, and borrowing is supposedly illegal; Mr. Truman may be unable, therefore, to carry out his plans.

Governor Dewey, on the other hand, with plenty of campaign funds, is said to be planning a comparatively short campaign, beginning late and including no more than ten or twelve major speeches. It is also predicted that Governor Dewey's campaign will take what U.S. observers describe as a "high line", leaving to his supporters the task of answering any charges Mr. Truman may make against the Republicans. This plan, however, would probably be quickly altered if Mr. Truman appeared to be gaining in popularity through the tactics it is predicted he will use.

To people outside the United States, the most significant feature of Governor Dewey's campaign is to be found in the group of men who will help him. It is composed, without exception, of men who are opposed to the Old Guard Republicans and to isolationism, and Dewey's choice of these particular men is a welcome indication he intends to follow the bi-partisan foreign policy approved and supported by Republican Senator Arthur Vandenburg. If Governor Dewey is elected President, and his party carries both Houses of Congress, it will at least mean an international President and Senate to balance the heedless efforts of some leading Republican Congressmen to hinder United States participation in international affairs.

Side-Stepping

There is going to be a butter shortage this winter unless last-ditch efforts are made to prevent it. That has been known for some time. Therefore the demand that the ban on margarine be removed has increased, a demand already sharp because of the high cost of butter.

What do either of the older political parties do about it? The Conservatives sat as tight and dumb as the Liberals when a few valiant members of both parties urged in Parliament that the ban on margarine be removed. Both parties shunned margarine as politically tainted. Finally the Government took action — action so inactive that it is pitiful. It referred the ban to the Supreme Court so that its legal validity might be tested. Did they think that that would provide time for the storm to blow over? It provides time, all right. Court processes are slow. But the storm has not subsided. So news reports are circulated that the impending shortage has been exaggerated. A price ceiling is put on butter—a high one. Efforts are being made to squeeze butter out of Australia, New Zealand and Denmark.

It is apparent that the Government is going to extraordinary lengths to preserve the butter monopoly. The way to win votes is not to listen abjectly to a powerful dairy lobby. The ordinary, popular and right course is to remove the ban and allow the importation of margarine from Britain until Canadian production is begun. British margarine is good, almost indistinguishable from butter, and the more goods of all kinds we can import from Britain now the easier will be our position between the dollar and the pound. Has the Government no backbone, that it bows flabbily to a powerful lobby and ignores the just and logical demands of the people?

Our Liquor Bill

The Ontario monopoly of liquor grossed slightly more than $155,500,000 in 1946-47. We think it unjust to call this "Ontario's drink bill", because only an approximate third of the total sum was really paid for liquor; the other two-thirds went for Dominion and provincial taxes of one kind and another. The direct tax on the sale of liquor in the L.C.B.O. shops brought $26,000,000 to the provincial treasury. The receipts at the provincial liquor stores were approximately $75,000, and the profit on operations was $35,000. About $5,000,000 was spent in company-owned wine stores, and $76,683,622 was spent in the brewers' retail stores. It appears that the people of Ontario drink vastly more beer than anything else.

A recent Gallup poll provides some figures which are interesting in this connection. In 1943 it appears that 59 per cent. of Canadians drank alcohol in some form or other; by 1945 the number had increased to 64 per cent., and there it has remained; total abstainers now number 36 per cent. of the adult population. It is also curious to learn that drinking increases in Canada as one goes farther west. Why this should be we have no idea.

The liquor business is obviously one of the principal milch kine of the Ontario Government, and money derived from it supports a variety of provincial improvements. We have commented many times in these columns upon the arbitrary ways of the L.C.B.O., the capricious manner in which prices are altered, the watering of the liquor, and other abuses which are certain to appear in any government monopoly in which the consumer has no representation. We have commented also on the curious hypocritical attitude of a government which looks down its nose at a trade from which it derives millions in revenue. But when all these things are considered we think that Ontario is, upon the whole, a soberer province than it used to be, and the abusers of liquor are fewer, and are treated with greater intelligence both by the law and the public.

"Of Cabbages And Kings"

By PETER ELIOT

HOW Sir William Orpen once scandalized the Royal Institute of British Architects by painting a portrait of one of its past presidents in his dressing gown, is told by Sir Reginald Blomfield in "Memoirs Of An Architect". Sir Reginald was called upon by the shocked Council of the Institute to write to Orpen and explain that although his picture of Leonard Stokes—one of Blomfield's colleagues was admired by that body as a work of art, "we found it rather difficult to place it among the more or less ceremonial portraits of our Past Presidents, 'gentlemen of position and dignity.'" The letter was marked "Private."

Marked "Not in the least Private" Orpen's reply to Blomfield's letter was as follows: "Dear Sir: I am very glad my portrait of Mr. Stokes does not match the others in the room. It was not my intention that it should, as I think the portraits here want waking up a bit. Mr. Stokes is also not at all the character to dress up in a frock coat with medals, etc. If his personality is strong, why not be proud of it, and let it stand out as different to the others? I am myself pleased with the picture and have not the slightest idea of altering it. Of course I shall be only too pleased to take it back if it is not liked. It is worth more money in the open market than I am going to get for it from your Council. You speak of conditions. I was given none. I was asked by the late Sir Alma Tadema to do something for the money, and instead of doing the ordinary stock portrait which your Council would have liked I took a lot of trouble to do something really good for you, and this is the thanks I receive.

"Let me know and I will remove the portrait; but please no more lessons in portrait painting."

* * *

ATTLEE'S dislike of "gun sports" once cropped up at American embassy where he and other labour leaders had been invited to dinner, writes Cyril Clemens in "The Man From Limehouse: Clement Richard Attlee."

The American ambassador at that time was a great grouse shooter and in order to make conversation asked Attlee if he had done any "shooting."

"Oh, yes," said Attlee. "I used to do a lot of it."

"What did you shoot?" asked the ambassador.

"German," responded Attlee laconically.

* * *

WITH the idea of becoming a great man of letters as speedily as possible (writes J. A. Roy in his appreciation "James Matthew Barrie"), Barrie let his hair grow long, until the students behind him, who not only wished to hear, but to see the Professor as well, sent him a polite note containing sixpence. "The students sitting behind you present their compliments and beg that you will get your hair cut with the enclosed, as it interferes with their view of the Professor."

It was one of Barrie's fancies, according to Roy, that he had met Stevenson. He liked to toy with this fantasy and once during an after dinner speech at the Printers' Pension Corporation in 1924, he gave his "reminiscences of his supposed meeting" with him:

* * *

"THE only time I ever met Stevenson was in Edinburgh, and I had no idea who he was. It was in the winter of '79. I well remember the wind was 'blawin' snell' when I set off that afternoon with my note books to the Humanities Class of the University of Edinburgh. As I was crossing Prince's Street —a blasty corner — I ran against another wayfarer. Looking up I saw that he was a young man of an exceeding tenuity of body, his eyes, his hair, already beginning to go black, and that he was wearing a velvet jacket. He passed on, but he had bumped against me, and I stood in the middle of the street, regardless of the traffic, and glared contemptuously after him.

"He must have grown conscious of this, because he turned round and looked at me. I continued to glare. He went on a little bit, and turned round again. I was still glaring, and he came back and said to me, quite nicely, 'After all, God made me.' I said, 'He is getting careless.' He lifted his cane, and then instead, he said, 'Do I know you?' He said it with such extraordinary charm that I replied, wistfully, 'No, but I wish you did.' He said, 'Let us pretend I do,' and we went off to a tavern at the foot of Leith Street, where we drank what he said was the favourite wine of the Three Musketeers. Each of us wanted to pay, but it did not much matter, as neither of us had any money.

"We had to leave that tavern without the velvet coat and without my class book. When we got out it was snowing hard, and we quarrelled—something about Mary Queen of Scots. I remember how he chased me for hours that snowy night through the streets of Edinburgh, calling for my blood. That is my only reminiscence of R.L.S."

* * *

"ONE morning in Downing Street (writes Ralph D. Blumenfield in R.D.B.'s Procession) I was regaling a couple of secretaries with the recital of a blizzard which I had experienced some years before in America; of how the night staff of the Herald had been unable to leave the office owing to the great fall of snow which had blocked New York street traffic, and how the day staff which was to produce the Telegram, the evening edition, had failed to arrive; how we printed a paper, unsaleable, for record only; how we had filled it with spring poetry about lilacs and daisies and tulips, while outside people were dying in the snow.

"I looked up and saw Mr. Gladstone standing at the door. He beckoned me to come into his room.

"'Sit down,' said the aged Prime Minister. 'I want to tell you something. It will do you good. You will forgive me if I tell you that I have been listening to your yarn. You ought to be better occupied than to waste time in telling exaggerated stories. I can't believe it possible that people were dying in the snow outside. All they had to do was to open the first door and walk in for shelter. ... The Queen told me the other day how much she deplored public as well as private exaggeration.'"

"I replied that I had not stretched my facts; that they were true, and then being young and fearless, I added,

"'And are certainly better substantiated than, for instance, all the terrible stories of Bulgarian atrocities which Disraeli called coffee house babble.'"

"That was a deadly hit (continues Blumenfield). The old man glared. You will remember that his Bulgarian atrocity campaign, which gained for Gladstone the love of all oppressed peoples, had been conducted with considerable vigour in the form of invective and colour.

"Shortly after this Mr. Gladstone went finally out of office. I only saw him once after that, and for a brief minute. He whispered to me: 'The stories of Bulgarian atrocities were never exaggerated.'"

"THREE" IS A CROWD

United Ireland

(The Impartial Reporter and Farmers' Journal for Fermanagh, Cavan, Leitrim, North Monaghan and South Tyrone)

WHEN Sir Basil Brooke returns from his holiday in Norway, no doubt he will reply to the statements of Mr. Costello, Eire's Prime Minister, and Mr. S. M'Bride, Minister for External Affairs, upon the subject of the abolition of the Border.

The Eire Ministers have been very cautious in their replies in the Dail to questions upon this thorny subject; they have none of the bumptious arrogance of Messrs. de Valera and Frank Aiken; their words are honeyed, and on the surface they appear reasonable and generous. Should there be an United Ireland, the North is to be exempt from compulsory Irish, is to have firm guarantees put in the Constitution regarding religious tolerance of minorities, trade is to be protected—in short, the South is willing to give every assurance to the North that her rights will be safeguarded. But,—and this is a very big 'but'—an United Ireland will not be in the British Commonwealth, the North will no longer bear allegiance to the Crown, and her citizens are to be aliens in every country in the world except Ireland. A nice prospect.

Mr. Costello's declaration that Eire could not enter an alliance of the Western Countries of Europe unless as an united country is nothing less than political blackmail. Had the country been united during the last war, would Mr. de Valera have come in on the side of the Allies? No. He preferred to flirt with the German and Japanese Ministers in Dublin. Now Mr. Costello is demanding the unity of Ireland as the price of Eire's taking part in hostilities. He wants an united Ireland 'in the interests of the maintenance of Christian principles.' Britain and her Allies fought for Christian principles in the last war, but Eire sat on the fence and looked on.

Guarantees from Dublin are not worth the paper they are written upon. When the Irish Free State was set up, Mr. Cosgrave kept his word, but de Valera tore up the treaty made, declared his 'dictionary' sovereign and independent republic, and drafted a new Constitution which was adopted by a small majority of the citizens of the 26 Counties. How can the North trust the Dublin politicians after what has taken place.

The present agitation by the representatives of the Roman Church to have the Eire Constitution amended so that it shall recognize alone the 'only true Church,' must not be lost sight of.

A general election in the North would be the most effective answer to Costello and MacBride.

Letter To The Editor

THE STRAIGHT ROAD

Sir: May I be permitted to relate a recent experience?

An improved road is being constructed between Lakefield and Buckhorn. When it was learned by residents of the 14th Line of Smith that this road in some places would follow a course entirely different from the original road, they were concerned.

The proposed course for the road to follow was a straight line across the wooded shore of Lake Chemong making the old road form a discarded two sides of a triangular piece of land.

The residents of the 14th Line were concerned because privileges of a highway such as mail and bus service would only then be available by going an extra half-mile and parts of the rejected road would certainly not be kept open during the winter for the township snow-plow is not capable of doing so.

It was therefore arranged that the residents of the 14th Line meet the Reeve of Smith and the Road Committee of the County Council, on the afternoon of Sept. 4. No conclusion was reached at this meeting so it was definitely arranged that at 7 o'clock on the evening of Sept. 8 a meeting would take place with the chief engineer present and whatever decision was made would be acceptable as final.

At the appointed time and place the people of the 14th Line came and waited—and waited but neither Road Committee, Reeve nor Engineer put in an appearance. We were then told that the night before the Reeve had phoned one man, known to be in favour of the straight road and told him to muster a gang who was in favour of the straight road and meet at "Redwing Cottage" at 3 o'clock on the afternoon of Sept. 8. Not one resident of the 14th Line was notified of the change of time or place but men were present from Lakehurst and Buckhorn so it was quite apparent that they had been informed about the meeting. Some of these men came almost 15 miles over crooked roads and hills aplenty in order to vote on this particular 2-3 of a mile of straight road with a bend at each end.

Without a protesting word it was decided to put the new road on a straight course.

We found it difficult to believe what was told us but with no representative of the Road Committee present to set our thinking straight we are forced to believe it.

It seems to me that if the Road Committee were as concerned about straightening their sense of honour as they are about a straight road it would be better for all concerned.

WELLIE PEARSON.

Lakefield.

How Time Flies

SEPTEMBER 13

1918 J. E. L. Goodwill of Peterborough is elected Provincial Grand Prior as the Sovereign Grand Priory meets in Belleville.

Dr. E. H. Wood is appointed to look after the medical interests of returned soldiers here.

Mayor G. H. Duncan is chosen second vice-president of the Ontario section of the Union of Canadian Municipalities.

1928 The Douro council fixes the municipal tax rate for the year at 27.6 mills.

More than 200 girls have learned to swim in the Y.W.C.A. pool this summer.

Approximately 60 boys enter the stock-judging competition at the local exhibition.

1938 The first deaconess ordination in the history of All Saints Church is solemnized with Grace Tucker elevated to the office.

The 10th annual re-union of the C.G.E. Test Alumni Association is held at the Kawartha Club.

Spring chickens sell on the Peterborough market at 23 to 25 cents a pound.

A Bible Message

(From the Authorized Version)

Trust ye in the Lord for ever: for in the Lord JEHOVAH is everlasting strength.... Lord, thou wilt ordain peace for us: for thou also hast wrought all our works in us. (Isa. 26: 4, 12.)

* * *

And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him. (Dan. 7: 27.)

* * *

How great are his sighs! and how mighty are his wonders! his kingdom is an everlasting kingdom, and his dominion is from generation to generation. (Dan. 4: 3.)

A BRITISH OPINION

"But we don't wish to play Peace Conference today, thank you."

Cricketers Fall To Parkdale By 85-37 Score

On Saturday at Nicholls Oval the local club received a visit from Parkdale of Toronto, and were beaten 85 to 37. A previous match between the two clubs was played in Toronto on July 3, and resulted in a draw — PW 156, Parkdale 90 for 7 wickets.

The local team was without W. Wright, B. Roberts and J. Wild, but were expected to make a better show at the bat Their attack was good and put out the visitors for a modest total of 85, but on going to bat they, with one exception, put a very poor show.

The winners batted first to the bowling of H. Pyle and F. Booth, and thanks to good batting by B. Hewitt 27 and G. Stannard 14, the total was 72 for 5 wickets. Pyle then got busy and in three overs took 5 wickets for 6 runs, and his full figures were 6 to 29. Booth had 3 for 28, and Frank Dyer 1 for 14.

This did not seem a very formidable team who have recently been showing good form, but on Saturday the batsmen, with one exception, failed badly.

F. Booth, who went in first and was last out, scored 28 out of the side's total of 37. He put up a strong defence, but hit out strongly when the chance came, and his 28 included four 4's and the rest got 11 between them. However, it's all in the game.

Booth has shown great batting form since he joined the team and has scored 175 runs in six innings.

Following is the scores:

Parkdale: J. Dellnutt 5, J. Gough 7, B. Hewitt 27, F. Stannard 14, P. Robinson 1, F. Devine 6, T. Tisani 6, L. Cunningham 5, D. King 9, T. Warren 0, J. Solman 1; extras 14—total 85.

Bowling: H. Pyle 6 for 29, F. Booth 3 for 28, F. Dyer 1 for 14.

PW's: H. Pyle 0, F. Booth 26, S. Jennings 0, W. Rashleigh 0, G. Alston 4, F. Dyer 0, W. Dyer 2, F. Honour 0, D. Dyer 4, J. McKissack 1, H. Dibben 0 not out—total 37.

Three Canadians Win Prizes In Marathon

NEW YORK, Sept. 12 — (CP). — Three Canadians won prizes in the National Amateur Athletic Union marathon championship won Sunday by 41-year-old John Kelley of West Acton, Mass.

Kelley who covered the boiling course of 26 miles 385 yards in two hours, 46 minutes and 33 seconds, was followed closely up to the 22nd mile by Gerard Cote of Montreal—three-time winner of the event.

Cote, of Ste. Rosalie, Que., then dropped back to finish fourth, leading a group of eight Canadian starters in the field of 106. The time for the 35-year-old cigar smoking cop was 3:03:58.

In sixth place was Lloyd Evans of Montreal who ran 16th — one ahead of Cote—in the Olympic marathon at London this summer.

Kelley coasted home almost 11 minutes in front of Charles Robbins of Manchester, Conn. Harry Murphy of New York was third and fifth place went to Andrew

DURING THEIR STAY in Delhi, the Maharajah and Maharani of Kashmir visited Kashmiri victims of raids and atrocities at their camps. They distributed money, food and clothing. This poignant scene took place after the Maharani had listened to the pathetic story of an old woman who had lost everything. The old woman was given a gift of money and is here shown kissing the feet of the donor.

World News In Brief

Taken from Wires of Canadian Press.

4 DIE IN CRASH

JOHANNESBURG, South Africa,—Three men and one woman were killed when a chartered airplane crashed 60 miles from Durban. One of the victims was E. Lahti of Canada, who was visiting South Africa.

LONDON Eng. — The eighth Earl of Grandard, 74, whose marriage to a New York woman in 1909 linked two British and American fortunes, died. With the socially-prominent peer at the time of his death in a London nursing home was his wife, Countess Beatrice Grandard, daughter of the late Ogden Mill of Dutchess County New York.

NEW ORLEANS— Six men were killed in the burning crash of a twin-engined United States Army training plane near the New Orleans Airport.

MANILA—The United States 13th Air Force announced three American fighter pilots were killed when their P-47 Thunderbolts crashed Sept. 8 near Huko, Formosa.

MONTREAL — Conrad Joseph Osman, 50, former member of the New Brunswick Legislative Assembly, died aboard his yacht, the Neidig of New York.

Other Canadian finishers were: Ab Norton, Galt, 16th; Lucien Jolin, Montreal, 28th; Art Wilson, 41st; Peter Gough, Toronto, 39th; and Percy Such, Windsor, 45th.

VATICAN CITY,—Pope Pius appealed to men of science to turn their weapons of "brute force" into instruments for good. The pontiff, talking to about 500,000 persons massed in St. Peter's Square, called for a Christian victory over atheism, materialism and social misery.

GUELPH—James Arthur Wells, 56, President and General Manager of Matthew Wells Company, Ltd., died after a short illness. Native of Barrie, he was a former director of the Guelph Board of Trade and active in golf and curling clubs here.

NEW WESTMINSTER, B.C., — Maxwell Paul MacDonald, 40, coach of the Dominion Lacrosse champions, New Westminster Adanacs, died by asphyxiation from a smouldering fire in his bed mattress.

LONDON, Eng.—Rupert D'Oyly Carte, proprietor of the D'Oyle Carte Opera Company and chairman of a chain of London luxury hotel, died aged 71. The Opera Company which produces Gilbert and Sullivan was formed in 1887 by his father, Richard D'Oyly Carte. The company has visited Canada and the United States on several occasions.

VIENNA — A well-informed Austrian source said Major Landa Darlew, acting Russian town commandant of Vienna, had mysteriously disappeared after leaving his flat Sept. 1 to go to his office.

ATHERTON, Calif.— Edin G. Pinkham, 72, writer and former newspaper man, died at his home here after a lengthy illness. For many years he was an editorial writer and roving correspondent for the Kansas City Star.

SOMERVILLE, Mass.—Injured in an automobile accident, Policeman William E. Bavin was carried into hospital at the same time his wife was giving birth to their fourth child.

BURLINGTON, VT.—Johan W. Beyen, executive director of the International Bank for Reconstruction, says it faces a "steadily growing task in rebuilding Europe. Beyen, executive director of the Bank for Netherlands and the Union of South Africa, told the Vermont Institute of Banking that "growth of the International Bank will be relatively slow."

LOS ANGELES—Peace reigned on one of the two fronts of Band Leader Artie Shaw's matrimonial war. On the western front Artie and his fourth wife, Elizabeth Kern, reached a truce settling her claims for alimony and for support of their son, Steven. In New York, Artie is appealing a court award of $150 monthly and $3,500 counsel fees to his sixth wife, Novelist Kathleen Winsor.

DAYTONA BEACH, FLA. — Stephany Saja, 23-year-old coal miner's daughter, and Frank Hitchcock, internationally-known polo player, delayed fixing their wedding date today pending the entrance of a final decree in his suit for divorce from his second wife.

KARACHI—Hyderabad's delegation to the United Nations left Sunday night by plane for London. The delegation, headed by Hyderabad Foreign Minister Nawab Moin Nawaz Jung, is due in London tomorrow.

600 MP's Break Vacation For Parliament

LONDON, Sept. 13—(Reuters)—Six hundred members of parliament and hundreds of peers are breaking their summer vacations to attend the special two-week session of Parliament opening Tuesday to allow the government to push forward the new Parliament Bill.

International affairs, on which Foreign Secretary Bevin reported to the cabinet Saturday, will be the subject of a full statement Wednesday by Bevin and a debate on the world outlook is a possibility.

The purpose of the Parliament Bill is to curtail the House of Lords powers of delaying legislation from the present two years to one year.

But the underlying reason is the government's determination to safeguard the nationalization of the iron and steel industry — now breaking all production records in Britain's recovery drive—within the lifetime of the present Parliament which has less than two years to run.

Government followers fear that without the Parliament Bill the Peers, through their delaying powers, might block steel nationalization to which the government is pledged.

The peers, resisting the device of the Parliament Bill to curb their powers, already have thrown the bill out once. They regard it as a threat to constitutional practice.

The new Parliament Bill will operate retroactively. This means that if it is on the statute book by autumn of next year the iron and steel nationalization bill will be safeguarded.

Here And There In Sports . . .

BY CANADIAN PRESS

Eight Ontario professional golfers Saturday retained the Ward trophy by defeating a team from New York State 14-0 in singles competition and 8-4 in a best-ball foursome.

Jack Littler of Oakdale topped the field with 69 over the Hamilton Ancaster course one under par. Dick Borthwick of Ancaster and Alex Greer of Buffalo split second prize money with 72 each. Lou Cumming of Toronto won the fourth place with 73.

Other Canadians were Bob Burns of Erie Downs, Bill Chinery of Burlington and Elmer Blower of Weston, all 75; and Bob Gray of Scarboro and Gordon Brydson of Toronto Mississauga, each 77.

Owen Sound Crescents defeated Mimico Mounties 12-8 Saturday at Owen Sound in the third game of their best-of-seven Ontario Lacrosse Association senior playoff round. Mounties lead the series 2-1. The fourth game will be played at Mimico.

Martin Reisman of New York Saturday night defeated Dick Miles of New York, top-ranking United States table tennis player, for the Canadian championship at the Canadian National Exhibition, at Toronto.

With a rapid-fire style that kept Miles off balance, Reisman edged the quparter-finalist in the world tournament at London, 17-12 21-16, 21-19, 24-26, 21-15 to win the Canadian open singles title.

H. A. Hatch of Hamilton Saturday won the 225 class in the Canadian and international motorboat championships at the Canadian National Exhibition. His best time in three heats was 5.42 minutes. In second place was d Pine of Belleville, and third went to Charles Faaille of Hamilton.

Charlie Conacher, coach of Chicago Black Hawks, said Saturday 14 players have signed their 1948-49 contracts with the National Hockey League team. They include Gaye Stewart, high-scoring winger, and Bill Mosienko, who set the pace most of last season through a broken ankle. Conacher is en route to Moose Jaw, Sask., where the Hawks' amateur school opens Monday.

Speedy Irish, two-year-old by Swift and Sure out of Ballyoola, won the 23rd renewal of the Clardon Plate at the opening Saturday of the Thorncliffe Racing Association's fall meeting at Toronto. Making himself a favorite for the later twoyear-old features, the Coronation Stakes and Cup and Saucer, Speedy Irish covered the six furlongs in 1.13⅕.

Goose Bay won the $40,000 Nassau two-mile race at Roosevelt Raceway at Westbury, NY, Saturday night in the world record time of 4:17.3.

The time was 2.7 seconds under the accepted record for the distance over a half-mile track set in 1947 by April Star. Poplar Byrd was second and Forbes Chief third. Dr. Stanton, the odds-on favorite, was a tired fourth, three good lengths back of the winner.

AS RUSSIAN BULLETS FLY at a crowd of 200,000 anti-Soviet demonstrators below, this German climbs the shaky flagpole atop Berlin's Brandenberg Gate to snatch the hammer and sickle banner. At right he hurls it down to the crowd. Soviet police then turned their fire on the flag-snatcher, but he jumped and escaped, uninjured, into the milling throng. The crowd then tore and burned the flag.

Millions Forest Acres Now Tinder-Dry Fire Menace Again Threatens Resources

WINNIPEG, Sept. 13.—(CP).—Across the Dominion green leaves are turning to a colorful rust and brown as Indian summer approaches. But it's making millions of acres of majestic forest tinder-dry.

And forest fires—gigantic demons with unlimited appetites—again will eat into Canada's green resources. The bill will come to more than $5,000,000.

Manitoba alone — a province with one of the lesser forest fire problems — will have lost between $100,000 and $150,000 to the outdoor infernos before snowfall.

In an average years rangers combat 38 fires in Manitoba. Across the country, the figure is 5,515. And the area burned out in Canada in a year is 2,500,000 acres.

To date this year, Manitoba considers itself lucky. The chief forest fires, which so far number more than 200, have occurred in mainly "inaccessible" areas. Losses in timber destroyed are below normal although acreage burned is above average.

Roseneath Horse Wins At Orono

ORONO, Sept. 13 — Dazzle Henley, owned and driven by Allan Pacey of Roseneath, breezed to straight heat victories to capture the featured free-for-all event at the Orono harness races Saturday. Second in both heats was Guy Wire, owned and Driven by H. McKinley.

R. Dowson of Port Perry piloted his Guy B. Patch to victory in both heats of the 2:27 pace. Lady Signal, owned and driven by Art McKinley of Port Credit, captured the classified pace event.

IN INDIAN FAMILY

Leading anthropologists regard Eskimos as merely one kind of North American Indian, both in blood and language

Rochon Still Survives Tennis Championships

FOREST HILLS, NY, Sept. 13 —(AP). — Only 48 hours old, the national tennis championships settled down to-day into a battle between the young and the aged, competitively speaking.

Leading the wide open scrap for the men's singles title vacated by Jack Kramer is a trio of tennis "oldsters"—Davis Cup veterans Frank Parker, Billy Talbert, and Gardnar Mulloy.

But blocking their path in this most unpredictable of all net scrambles are at least a dozen young men, most of them in their early 20's, who will be among the United States' internationalists in the near future.

Henri Rochon, Canadian Davis Cup star from Montreal, is the only survivor of a Canadian contingent of four Montreal players.

The southpaw insurance salesman advanced on Saturday to the second round by overcoming Charles Mattman of New York 6-3, 8-6, 6-3.

Brendan Macken, another Canadian Davis Cup player, his sister Pat and Elaine Fildes, were eliminated in the first round.

Dr. George Ross Of Polar Fame Dies In Calgary

CALGARY, Sept. 13 —(CP)—Funeral services will be held here Wednesday for Dr. George Ross, 78, one of the last survivors of the 1914 ill-fated Shackleton polar expedition, who died in hospital here Sunday following a three-months illness.

Born at Lac St. John, Que., Dr. Ross had practiced medicine in Alberta since 1920. As graduate of New York University he later did post-graduate work at Chicago University. Dr. Ross received a Ph.D. degree at the University of Illinois and then returned to Canada.

Dr. Ross joined the Hudson's Bay Company as a surgeon. He established a post for the company at Seven Islands on the Labrador coast, spending several years in that area.

When Sir Ernest Shackleton formed another Antarctic expedition early in 1914, Dr. Ross applied for the position of ship's surgeon on the Erebus, then fitting out in Scotland for the trip. He was accepted.

The Erebus was caught in the ice-floes during the voyage and eventually floundered. Sir Ernest and a few survivors managed to get to New Zealand, while Dr. Ross returned to Montreal, where he volunteered for service with the Royal Canadian Army Medical Corps and went overseas.

Survivors include four brothers, Art Ross, vice-president and general manager of Boston Bruins of the National Hockey League; Dr. Colin Ross of Montreal; Dr. T. R. Ross of Drumheller, Alta.; Alexander of Sudbury; one son, Douglas of Seven Islands, Labrador, and one daughter, Mrs. Charles Harding of Montreal.

Another brother, Dr. Simon Ross, practiced in Philadelphia until his death a short time ago.

HUNTED WITH FIRE

Indians hunting buffalo used to set fire to grass, panicking the animals, and then moving in for an easy kill.

Happy that man, who, after a big evening "with the boys" finds that friend wife has ready for him a nightcap of that excellent *aperient* —mildly laxative KRUSCHEN. Kruschen helps nature relieve discomfort that may be caused by "too much party" or common constipation. Kruschen is a blend of saline minerals similar to those in famous medicinal springs. Kruschen offers you these four advantages:
EASY TO TAKE—Dissolves quickly in water, or your morning coffee, tea or fruit juice. Most folks find the small morning dose is best.
WORKS FAST—Usually within the hour. Does not spoil your day.
GENTLE ACTION—Its formula is balanced to act gently, without discomfort.
TIME-TESTED — Over 500,000,000 packages sold throughout the world. Kruschen is a standby when dopey mornings or "don't care" days make you feel low. Start the day with Kruschen and see how good it is to have that grand "Kruschen Feeling". 25c and 75c at all drug stores.

GOOD CITIZENSHIP
is a lot of little things

YOUTH DEPENDS ON YOU FOR GUIDANCE
Today's youngsters are tomorrow's leaders. Canada's future depends on them. Anything you can do . . . by personal example or by directing youthful enthusiasm along useful channels . . . is a service to our country. Perhaps you can give some of your time to coaching a neighborhood hockey or baseball club—or to organizing a hobby group. You'll get a real kick out of this good work and genuine appreciation from the young people themselves. In addition, you'll be teaching them "Good Citizenship".
You can help this public service effort. Make a note of some of the little things which, in your opinion, contribute to Good Citizenship.

Oshawa Wins By 9 to 2 From Legion

OSHAWA, Sept. 13—(Special)—Peterborough Legion presented a line-up riddled by absentees when they played their second game of the OASA Senior "B" playoffs here on Saturday afternoon and Oshawa GM-Colts had an easy time of it, chalking up a 9-2 victory to eliminate the Liftlock City nine in two straight games.

Due to the playoff activity of their COBL team the Peterborough team was without the services of playing coach Howie Dalton, Pagett, Bob Greenlaw and Harrison, their classy shortstop, were also among the missing.

Reid, left-hander with a snap delivery, bewildered the Colts for the first time around the batting order and after that they slapped his offerings to every corner of the park for a total of 18 hits. Most of the blows were singles, with a few doubles tossed in, but they were solid smashes and, combined with the odd free ticket and the odd Peterborough error, it made Oshawa's task of scoring runs a matter of form.

Peterborough scored their first run in the opening stanza when White singled with one out and Withers drove him home, after a passed ball, with a clean single to centre. Before the game was over, Withers had collected a total of three singles, almost half of his team's total and White had smashed a homer to deep centre in the fifth inning, for Peterborough's only other run of the game.

Dean McLaughlin had the Legion team eating out of his hand the rest of the time. He struck out 16 batters with his "stuff" having the Liftlock batters swinging wildly most of the time. In addition he forced three pop-ups to the box and also fielded a bunt, to account for a total of 20 putouts of the possible 27.

McLaughlin also drove in several of Oshawa's runs with his two doubles and a timely single. "Wart" Baker had three hits for the homesters, Barnes and Bidgood each had two safeties and Jack Stark headed them all, with a walk, two doubles, a single and a safe bunt, for a perfect day at the plate.

Score by innings:

Legion	...	100	010	000	—	2	7	4
Oshawa	..	101	321	10x	—	9	18	1

Legion—Collins, 3b; White, lf; Lewis, rf; Withers, cf; Murphy, ss; Scriver, 2b; Parnell, c; Walton, 1b; Reid p; Parsons batted in 9th.

GM Colts—Stark, lf and ss; Price, 3b; Bidgood, 1b; Jubenville, 2b; D. McLaughlin, p; Taylor, s; Barnes, rf; Barker, c; V. McLaughlin, cf; Little, lf.

Umpires—Bob Batley of Peterborough and Reg Fair of Oshawa.

OUTSTANDING ROOKIE

The Sporting News Saturday named Richie Ashburn, 21-year-old outfielder of Philadelphia Phillies, as the major league rookie of the year.

Ashburn was cited for his 32 stolen bases, his .333 hitting, some "thrilling" catches, fast thinking and strong throwing."

Yesterday's Stars

By the Associated Press.

Batting—Carvel Rowell, Phils, and Al Dark, Braves: Rowell collected two singles, a double and a triple against his old mates to lead the Phillies in a 6-4 victory over Boston in the openr; Dark singled in the 13th, raced all the way to third on a sacrifice, and scored on a long fly to give Boston a 2-1 triumph in the nightcap.

Pitching — Nelson Potter, Braves: Relieved starter Vern Bickford with a man on third and none out in the last half of the 10th, retired the side and went on to pitch three more scoreless frames to receive credit for Boston's 2-1 triumph over the Phillies.

Electrics Get Soccer Go Over Toronto

Toronto Irish were visitors of the local C.G.E. soccer club on Saturday afternoon in a return visit in King Edward Park before a good attendance of spectators, the locals winning 2-1 in an indifferent exhibition of the code. Best on the field were Cotton, Strong and Welland for the CGE, with Wolard, at centre, and McCready at centre-half for the visitors.

After the game the visitors were entertained at luncheon and later at a re-union at the Legion in the evening.

Indifferent tactics prevailed in the early stages. Eventually Strong and Welland, CGE, replied with a close-passing style that baffled the visiting half backs. Twice Greenhorn, Electrics goalie, made spectacular saves from the pivot while running in on goal. Towards the interval, Strong along with G. Downer forced the visiting goalie to make brilliant saves. In the last minute, Cotton outplaying the visiting forwards, punted the ball up to Strong who slipped past two men and then sent a terrific drive for the corner to witness the custodian turn the ball aside.

A re-arranged CGE attack made things more interesting when G. Downer on an individual effort beat the Toronto Irish goalie with an oblique shot. Ten minute slater, Strong travelled down the wing, dribbled past three men then crossed to Attard who made no mistake with his first timer. Encouraged by their success, CGE forced the issue to find Todd, McCready and Osborne intercepting, blocking and punting to make openings for the forwards. Towards the finish, Toronto came into the picture with their battling attitude in an endeavor to make it more interesting. After a steady attack on goal Hill banged a rocket drive in below the cross bar, to make the count read: Peterborough 2, Toronto 1.

CGE—J. Greenhorn, goal; S. McGann and S. Murduff, full backs; H. Steele, E. Cotton and J. Turner, half backs; G. Downer, A. Welland, E. Duffus, F. Attard and S. Seabrook, forwards; subs, T. McPhate.

Toronto Irish—C Lane, goal; J. Sarson and E. Miller, full backs; J. Todd, E. McCready and H. Osborne, half backs; W. Wilson, J. Kane, C. Wolard, C. Hill, G. Norseworthy, forwards; sub., J. Conroy.

Referee—T. Garland. Linesmen, D. Duncan and J. Carm.

Elgin Victors

HASTINGS, Sept. 13 (ENS). — In the first play-off game between the local teams for the cup played in Hastings ball park last week, Elgin trimmed Bakers by a score of 17 to 2. The teams:

Elgin — Kelly, J. Richardson, E. Preston, B. Payne, B. Scott, I. Preston, L. Fleming, A. Thistlewaite, H. Stinson.

Bakers — Phillip, Scriver, Bonds, Thompson, Wilson, Crawley, Crate, McKeever, Weatherson.

SPORTS SHOW WINDOW

CEC. PERDUE, Sports Editor

Finale of the Midland Golf League's season proved interesting at the Peterborough Club links on Saturday. Oshawa won the wind-up tournament and also the trophy for the year's play. Six clubs of Central Ontario stage six tourneys each summer, one to every course. Average attendance is a bit over 100, but Saturday saw the biggest of the season with 126 golfers going uphill and down. With a fine dinner and presentation program afterward under direction of Joe Watson, convener of the day. Stan Payne's 72 low gross was a highlight of the competition. Other prize-winners are listed elsewhere. R. M. Glover, first prexy of this popular circuit, was in attendance and Max Swanston, trophy donor, was on hand, too.

* * * * * * *

In Cobourg on Saturday, Ashby's swept their PWSU junior series in two straight with a 16-3 win. They took the first one here by a larger count and now await word on the next provincial playdown round. Doris McFadden was in top form to throw two-hit ball in nine innings, fanning 11 and walking four. Her support was okay, with D. Manley, J. Dunk and E. McFadden outstanding. Several had three hits. This is a well-coached club with most of the players staying with the team for the last three seasons and this fact shows in their class as junior softballers. If they keep hustling, they should go quite a piece from now on.

* * * * * * *

Might Get The "Bends"

Local clubs continue to fall by the wayside and first thing we know we'll be emerging too suddenly from the heavy grind. Might get the "bends" like a deep-sea diver coming up too suddenly! Our peewee Trojans lost their second straight to Mimico 12-2 on Saturday, though Trojans have protested the first one and stand a fair chance of having a replay. Umps let a guy score on a dead ball. And here Saturday North Toronto did a 24-1 job on the midget Aces, which doesn't sound promising for the return go tomorrow. The winning peewee pitcher had 21 strikeouts and the victorious midget moundsman whiffed 14.

* * * * * * *

Congrats to the Petes, COBL champions for 1948. They knocked out Kingston Locos 13-6 in the Limestone City on Saturday and now meet Toronto Staffords in OBA senior "A" semi-finals. Gunner Whitehill went well till the late frames when he gave way to Bill Edger, the latter finishing up okay. The Petes' power at the plate again was felt with Dalton, Foley, Stewart, Menzies, Whitehill and Crowe among the hard thumpers. Bob and Pagett belted early homers. Team fielded fine, with Mackness having a feature catch and two infield double-plays helping in the pinches. Stone and Mulholland saw slab service for the losers. Whatever became of that "four straight for Locos" battle cry Ole Olsen had?

* * * * * * *

It'll Be Staffords Next

Manager Eddie Murphy and Jack Turner of the OBA are busy today trying to line up the next round. It'll be against Staffords of Toronto but no date has been set yet. The Petes may be playing a floodlight game in Toronto on Wednesday and an afternoon one back here Saturday. An argument has been raised because Staffords still owe the Petes about $100 mileage from their playoff series last year, and an OBA official in Toronto says Staffords will have to cough up before this series can start. Meantime senior "A" playdoffs continue to roll along in other parts of the province, and Kingston Locos will step into senior "B" playdowns against Ottawa, we hear.

* * * * * * *

Another local team bit the dust Saturday, a short-handed Legion squad falling 9-2 before GM-Colts in Oshawa. Second straight of their OASA senior "B" series. Minus Dalton, Greenlaw, Harrison and Pagett, the Legionnaires were definitely weak and Dean McLaughlin took 'em handily with a seven-hit chore as he whiffed 16. Reid went okay at first on the mound but was blasted off later and the Colts collected 18 safeties throughout. Ken Withers had three hits and White a homer. Legion were shaky defensively. Each summer playdown season sees softball and baseball clashing in important series where good players participate in both games—and one game has to suffer.

* * * * * * *

Punting The Old Pigskin

Local grid Panthers are trying to arrange an exhibition match—probably away—for this Saturday, and PCVS footballers are hard at work drilling these days. In the Big Four on Saturday, Argos took Wildcats 25-13, with Les Ascott back again with the champs, while Montreal edged Ottawa 11-8. Beaches beat Sarnia, Crowe being with Beaches once more and Ed Prete playing for the Imperials. Tigers romped to a 60-1 verdict o'er the luckless Windsor entry in the ORFU. Golly.

* * * * * * *

GRAG-BAG: Parkdale beat our cricketers 85-37 here Sat'day....Important open alley bowling meeting of the City League at eight tonight in Duffus'....CGE won a 2-1 soccer exhibition from Toronto Irish; school play starts within 10 days....Oshawa's win against Kawarthas was by 29 to 7 in OASA juvenile competition....Lindsay and Ashby's have an intermediate round-robin playoff at seven tonight in the Bowl....Ashby's next tangle with DuVals in Toronto on Wednesday in PWSU junior playdowns, back here Saturday; bus leaves at one p.m. and there's room for some fans if they'll phone Mrs. Ashby at 7993....Petes' lacrossers are off to Orillia tonight and then back here on Friday....Minor lacrosse playdowns should be going shortly....Oshawa beat Huntsville 11-6 Saturday to even their best-of-five OLA semi-final series at one game each....Weather's as changeable as a cash register lately, eh?

Oshawa Captures Golf Cup As Stan Payne Grosses 72

Oshawa Golf Club won the final Midland Golf League tourney of the year Saturday on the Peterborough links and captured the trophy, put up by the Peterborough Printing Co., on the season's play. Kawartha club was the runner-up. With 126 golfers competing from the six Central Ontario clubs, it was the best tournament of the season, the average being a little over 100 for the six field days held.

Presentation of prizes for the day and for the season were made at an enjoyable dinner in the evening in the Peterborough Golf Club dining room. The prize list was read off by Joe Watson, capable convener of the day, the list being prepared by Secretary Lloyd Austin, Port Hope, with league president James Kemlo of Port Hope in the chair. R. M. Glover, first league president, spoke briefly, and Ald. Max Swanston presented the league trophy.

A 318 Total

The Oshawa team members and scores were: P. Marachuk 80, W. Hall 78, E. McMaster 78, and H. Michaels 82, for a total of 318. The first flight, four nets of six, trophy winner of the year was C. Graham of Lindsay, with D. Hall of Oshawa second. The second flight went to B. Johnson of Lindsay with J. Watson of Lindsay next. And the third flight was taken by D. Bullock of Port Hope with K. Jeffries of the same centre next.

On the day's play, Stan Payne of the Peterborough Club had, a smart 72 for the first low gross in the first flight, heading C. Graham of Lindsay with 74, and Fraser Dunfield of Kawartha with a 77. In net, F. Hollowell and W. Nugent of Lindsay had 68 each, while L. Lawrence and D. Smith, both of Peterborough, carded a 69. Second flight low gross was taken by J. Nameth of Port Hope and W. Vanstone of Peterborough with 83 each. Wm. Brady of Peterborough getting 86. Net went to J. Richardson of Peterborough with 64, as H. David and N. Ruddy of Peterborough had a 68 each.

The third flight gross saw first low going to J. O'Dette of the Peterborough Club with 93, W. Winfield of Port Hope having a 95, with H. Gorrell of Kawartha Club one stroke more. The next had T. Hick of Lindsay, H. Willis of Port Hope and G. Burns of Kawartha all in there with a 69.

North Toronto Wallops Midget Aces

By FRED MAYBEE

North Toronto Bruins defeated Peterborough Aces Saturday at Riverside 24-1 in the first of a best of three series in the OBA midget playdowns. Bill Andrescik scattered three hits and struck out 14. His mates took kindly to the offerings of three local twirlers to get 24 runs on 12 hits and 19 walks. The teams meet again in Toronto Tuesday.

Take Twin Bill From Cobourg

WELLAND, Sept. 13. — Plymouth Cordagettes of Welland advanced to the finals of the PWSU intermediate "B" series here Saturday afternoon when they swept a double-header from Cobourg, 9-8 and 26-0, after dropping the first game of the best-of-three series in Cobourg last Wednesday.

The Cordagettes were leading Cobourg, 7-4, going into the top of the ninth in the first game Saturday afternoon, but catcher Betty Macklin hit a homer with the bases loaded to give the visitors an 8-7 edge. In the last of the ninth, singles by Vi Kucar and Willa Beamer and a double by Welland catcher Myra Marcov accounted for two runs to sew up the game. The three consecutive hits in the ninth came off relief pitcher Eleanor Brown.

In the twilight contest, Welland took a 6-0 lead in the first three innings, and it was a walkaway from there in. Elaine Pillsworth and Myra Marcov each hit a homer with a mate aboard in the final game.

Cobourg	021	000	014—8 8 5
Welland	301	210	002—9 16 4

ST. KITTS STAY IN PLAY OFFS

St. Catharines Athletics stayed in the senior Ontario lacrosse play-offs by defeating Hamilton Tigers 15-7 Saturday night at St. Catharines. Tigers lead the best-of-seven quarter final by 2-1.

JIMMY BLOODWORTH of the Montreal Royals, happily shows the three-ply home-run bat with which he recently belted three out of bounds at the stadium in Montreal. Don Newcombe, who pitched a two-hitter for his 17th victory, produces the ball. Royals won a double-header from the Rochester Red Wings 4-0 and 3-2.

Petes Trounce Kingston To Take The COBL Title

KINGSTON, Sept. 13 (CP). — Peterborough Saturday swamped Kingston Locos 13-6 to capture the finals of the Central Ontario Baseball League, three wins to one. Marines advance into the OBA Senior A playdowns, while Locos go into Senior B playdowns meeting an Ottawa team in the first round.

Jack Stone didn't have enough to stop the visitors on Saturday, and was finally shelled from the mound in the third frame. Sam Mulholland, who finished, yielded only one earned run.

Peterborough jumped into a six-run lead in the first inning, hitting Stone's offerings freely, and being aided by some indifferent fielding by Locos. Crowe's long drive to centre bounced over Ferguson's head for a two-run homer. Pagett also homered in this frame with two aboard.

Mackness was the fielding star, his catch of Udall's liner in the third inning pulling Gunner Whitehill out of a bad hole. Edger took over the Peterborough hurling in the final two frames. Lorne Ferguson starred for the losers.

NAMES ALL-STAR

After St. Catharines tied 8-8 with an Ontario all-star junior lacrosse team at St. Catharines Saturday night, the Ontario Lacrosse Association announced the names of four players to be added to the St. Catharines team for the Dominion play-offs.

LAWN BOWLING

By HERB MARTIN

Will the skips who intend to play in the Selkirk Trophy tournament this evening please have their rinks on the greens by 7.15 o'clock? Chairman S. Shields will make the draw at 7.20 p.m. The tournament will continue on Tuesday and Wednesday evenings. One 18-end game to be played each night.

We have two open tournaments coming up this week—the last of the season.

On Thursday, Sept. 16, at 10 o'clock, the ladies are holding an open trebles tournament. One game in the morning and two in the afternoon.

And then on Saturday, Sept. 18, the men are holding an open tournament, also trebles at 2 p.m. for the Empress Hotel shield. Both of these tournaments should be well patronized.

We noticed that our good friend, Dr. C. Brereton and his partner, of Toronto, won the Globe doubles tournament in Toronto last Friday. The genial doctor needs no introduction on our part. He is well-known to all local bowlers and curlers. He and his partner played here early in the summer in the Lift Lock doubles and then just recently he and Mrs. Brereton played in the P. Black memorial mixed doubles tournament. We might add he was quite successful in both these competitions. We join with all his friends in offering congratulations.

A number of local bowlers motored down to Port Hope on Friday evening for a friendly game. The rinks were all mixed one with another. Two 10-end games were played. At the conclusion of play light refreshments were served by the Port Hope ladies. It was a most enjoyable evening and all were home around midnight.

The Family Hour mixed rink tournament went over big, as usual, on Saturday night. It is too bad the season is coming to a close. These little tournaments are going to be missed. The winning skips were R. Burns, I. Hendry and W. Jolley.

Ashby's Defeat Cobourg In PWSU Series

Ashby's beat Cobourg 16-3 in Cobourg on Saturday to take their junior playdown series in two straight. Playing fine ball afield behind two-hit hurling by Doris McFadden, Ashby's earned the duke handily. They hit S. Smith for 15 safeties and the Cobourg flinger didn't have the best of backing. D. McFadden struck out 11 and issued but four walks in a starry slab showing. B. McEntee and I. Reedy getting the lone hits off her. S. Smith fanned three and issued seven free tickets. The losers played better ball than in their first playdown game.

All of Ashby's sparkled defensively, with D. Manley, E. McFadden and J. Dunk probably the pick of them. D. McFadden, J. Dunk and D. Manley each had three safe hits for the winners, the latter two, along with G. Dracup belting out a double apiece, while M. Freeman hit a homer. The victors were right on their toes at bat, on the paths and in the field to win easily and step into the next round of provincial playdowns.

The teams:

Ashby's—E. McFadden, 2b; J. Reynolds, c; E. Simmons 3b; M. Freeman, cf; D. Manley, ss; G. Dracup, lf; D. Callan, rf; J. Dunk 1b; D. McFadden, p.

Cobourg—D. Taylor, ss; B. McEntee, 1b; I. Reedy, 3b; H. Clement, 2b; E. Medhurst, c; J. Massie, lf; S. Slater rf; S. Smith, p; D. Brooks, cf.

Alouettes Topple Rough Riders In Biggest Weekend Rugby Upset

By The Canadian Press

Football got down to large-scale business during the week-end as the opening of the venerable Ontario Rugby Football Union meant there was action among 10 of the 11 teams who are in the hunt for the Gray Cup this season.

The biggest upset in the five Saturday games came when Montreal Alouettes toppled Ottawa Rough Riders from the unbeaten ranks—leaving only Toronto Argonauts, Calgary Stampeders, Toronto Beaches Indians and Hamilton Tigers with undefeated status.

The Stampeders were idle Saturday when Winnipeg Blue Bombers edged Saskatchewan Roughriders 16-13 in the only Western Canada league game. But the Stamps lay their four-game victory streak on the line tonight at home against second-place Blue Bombers.

Even more unexpected than Montreal's 11-8 victory over Ottawa in the Big Four League was the auspicious beginning of Hamilton in their first season in the O.R.F.U. in 40 years. The Tigers, who quit the Big Four in the off-season, swamped Windsor Rockets, 60-1, largely on the pass-pitching of Frankie Filchock.

The Argos showed they will be the team to beat for their fourth straight Dominion title when they came from behind to defeat Frank Gnup's Wildcats, 5-13, at Toronto. It was the champions' third victory without a loss and set the stage for a great battle when they clash for the first time with Ottawa at Toronto next Saturday.

Down Imperials

Ted Reeve's Beaches Indians got off on the right foot at Sarnia when they defeated the Imperials 8-2 to move into a first-place tie in the O.R.F.U. with the Tigers.

An onside kick, a play almost pushed out of football by the forward pass, gave the Combines their victory. Veteran Bobby Porter lifted the kick over the goal-line where Johnny Lake took it for a third-quarter touchdown that Don Crowe converted.

The Imperials, who made an unexpectedly good stand with their razzle-dazzle plays patterned after the University of Western Ontario, had held a 2-1 lead up until then on singles kicked by Andy Sokol against one punted by Porter. The burly Porter booted another single to end the scoring at 8-2 in the third quarter.

Argos spotted Wildcats a 13-1 lead in the second quarter and scored 24 straight points for their victory before a Varsity Stadium crowd of about 12,000. The champions trailed 13-7 at halftime and took the lead with a 13-point spree in the third quarter, adding five more in the final 15 minutes.

Big Joe Krol was the scoring star with 13 points on a touchdown, a 34-yard placement, three converts and two singles—on one of which the ball soared and rolled 92 yards to the Hamilton deadline. The other two touchdowns were scored by Pete Titanic and Royal Copeland while Ted Courtney and George Meen combined to bring Jim Oldenburg down for a safety touch.

10 Touchdowns

The Wildcats ran up 10 touchdowns against Windsor before a slim crowd of 3,000 at Hamilton. Filchock threw five forwards for touchdowns—three of them to Jack Stewart who topped individual scorers with his 15 points. Gerry Walsh and Jack Harper each scored two majors.

Alouettes took advantage of Ottawa miscues to turn in their first victory in three starts in the Big Four. Playing before about 11,000 fans at Ottawa, the Montrealers turned Rider fumbles into a touchdown by Keith English in the first quarter and another by Bill Tooky in the second. When Ches McCance converted this one, it ended their scoring.

Alouettes took their 11-0 lead into the second half and it was a case from then on of trying to stave off Ottawa's finishing offensive. The Riders opened with a safety touch and added a major by Ace Powell that Eric Chpiper converted. But the Montrealers held them to a scoreless standoff in the final quarter.

Miller Wins Title

FRENCY RIVER BUNGALOW CAMP, Sept. 13.—(CP).—Ivan Miller of the Hamilton Spectator Sunday won the Ontario sports writers golf championship for the seventh time. He shot a 77 over the par 68 course at this resort centre on the French river, 45 miles south of Sudbury, to win low gross honors. Laurie Brain of the Galt Reporter won low net honors for the third year in succession with a 68. He won by a whisker from Johnny Fitzgerald of the Toronto Telegram

Bucs Zooming Toward Top Trounce Chicago Cubs 7-3

By JOE REICHLER
Associated Press Staff Writer

The Gods are against them, but if Billy Meyer and his Pittsburgh Pirates win the National League pennant, he'll be the first manager in major league history to reach the top with a club that finished last—or tied for it—the preceding year.

Generally picked for fifth place at the best, the second place Bucs today are three games behind the front-running Boston Braves. However, they were all even with the Hubmen in the important losing column. Each team has lost 58 games. The Braves have played and won six more games than the Pirates.

Pittsburgh picked up a half game on the Braves Sunday, defeating Chicago Cubs 7-3 while Philadelphia Phils were holding Boston to a split in their doubleheader. The Phils won the opener 6-4 but the Braves came back to win the 13-inning nightcap 2-1.

It was a bad day for Boston as the American-league-leading Red Sox saw their first-place margin shrink a full game when they were beaten by the fourth place Philadelphia Athletics, while the runner-up Yankees and the third place Cleveland Indians won.

Whip Red Sox

Staging a six-run ninth inning rally, the A's whipped the Red Sox 10-4 to cut Boston's lead to two games over the Yankees and 2½ over the Indians. The Yankees trounced the Senators in Washington 10-5. The Indians defeated St. Louis Browns 6-4 in the first game of their doubleheader in Cleveland. The second game ended in a 3-3 tie with darkness ending the contest after 12 innings. The two teams will replay the game today, which originally was an off day for both clubs.

In the other American League game, home runs by Tony Lupien, Don Kolloway and Aaron Robinson helped Chicago White Sox defeat Detroit Tigers 5-2.

Old Rip Sewell, 40-year-old righthander, rung up the Pirates' seventh straight win Sunday, limiting the Cubs to five hits. The Pirates collected only eight hits but took advantage of 14 bases on balls issued by four Cub hurlers. Four walks arrived with the bases loaded.

Al Dark's daring base-running gave the Braves a standoff in their twin bill. The rookie Boston shortstop singled off Walter Dubiel in the top half of the 13th inning, raced all the way to third on Earl Torgeson's sacrifice, and scored the winning run when Bill Salkeld followed with a long fly.

In Third Place

St. Louis Cardinals moved into third place by a half game over Brooklyn and New York, nosing out Cincinnati Reds 7-6. Marty Marion singled home the tie-breaking run in the last half of the eighth to give relief pitcher Howie Pollett his 12th victory.

The Giants threw another monkey wrench into Brooklyn's pennant plans, defeating the Dodgers 5-3 for their seventh win in their last nine starts against Brooklyn.

A crowd of 29,100 saw the A's overcome a 3-1 deficit to gain their seventh win in 11 games at Fenway Park. Carl Scheib went the route for his 13th triumph.

Whitby Team Downs Gananoque By 3-2

NAPANEE, Sept. 13.—(CP).—Don Yuill's triple to right field scoring Ken McDonald in the eighth was the margin of victory when Whitby defeated Gananoque 3-2 in the deciding game of their O.B.A. junior "B" playoff series here Saturday. Each team had previously lost 1-0 at home.

Gananoque	100 001 000—2
Whitby	000 200 01x—3

Brown and Derry; K. McDonald and McCloskey.

Maurice Fox of Montreal, won the Canadian chess championship for the eighth time in 12 years at Toronto 10 years ago today. The defending champion, Boris Blumin, Montreal, was deadlocked in fourth place with two other players.

Chiefs, Wings Clinch Playoff Berths

By the Associated Press

Montreal's well-rested Royals reign as favorites to win the International League's Shaughnessy playoffs and a big chunk of the $30,000 player's pool.

The league ended its regular season Sunday and the playoffs are scheduled to start tomorrow night. The Royals, who clinched the flag Sept. 2, are slated to entertain the fourth-place Rochester Red Wings while the runner-up Newark Bears play host to the third-place Syracuse Chiefs in the other semi-final round.

Both series are best-of-seven affairs with the winners clashing in the final round in another best-of-seven set to determine the league's representative in the Junior World Series against the Amercian Association's playoff winner.

The Royals, who already have earned $10,000 of the playoff money by winning the pennant, will pick up another ten grand if they cop the playoffs. The team that loses out in the final round will receive $5,000 while the two teams eliminated in the first round will receive $2,500 apiece.

Clinch Berths

Both the Chiefs and Wings clinched their berths Sunday. The Chiefs divided a twin bill with the Bears, winning the opener 4-3 and losing the finale 2-1. The Wings, although beaten by Buffalo Bisons 6-3, finished a half game ahead of Toronto Maple Leafs who divided a doubleheader with Montreal. The Leafs took the first game 9-4 but the Royals grabbed the finale 7-5 to eliminate the Leafs.

Home runs decided both games between Newark and Syracuse. In the opener, Austin Knickerbocker homered with one on in the ninth to give the Chiefs victory. Lou Novikoff's 15th round-tripper with a mate aboard in the fourth decided the nightcap in favor of the Bears.

Three-run homers by Hank Biasatti and Van Harrington and some fine relief pitching by Al Porto highlighted Toronto's first game triumph over Montreal. The Royals scored five runs in the first inning to sew up the nightcap but were forced to call on their ace, Jack Banta, when the Leafs staged a threat in the ninth. With two on and none out, Banta relieved Walt Nothe and retired the next three batters.

The Jersey City Giants took a doubleheader from the Baltimore Orioles, 7-4 and 5-0 in the remaining games.

Win Playoff Round

NAPANEE, Sept. 13.—(CP).—Napanee Athletics were awarded the intermediate O.B.A. playoff round from Phil Sein's Leaside entry Saturday when the Toronto team defaulted the second game. Napanee won the first game in Toronto 8-1. Officials of the Leaside club saaid by telephone they were unable to muster a team. N. H.L. players Red Hamill, Bud Poile and Harry Wason were in the Leaside lineup for the first game.

Mimico Takes Second Tilt From Trojans

Mimico defeated the local Trojans 12-2 on the former's diamond on Saturday to make it two straight in their best-of-three OBA peewee playdown series. They had won the first one here by an 18-17 count, but the Trojans have protested this on the grounds the umpire permitted a man to score from third for Mimico when he was hit by a pitched ball, claiming it was a dead ball. If the protest is upheld, this first game will have to be replayed in Peterborough.

Day threw five-hit ball for the winners on Saturday and had no less than 21 strikeouts in a fine showing. Two Trojan twirlers worked against them but couldn't hold the homesters in check. The losers were loose afield, too, and Mimico cashed in on a lot of walks and four miscues. Hunt got two of the visitors' hits, one a two-bagger. Day led his side at bat with a double and two singles in five.

The teams:

Trojans—Pagett, ss; Kearns, 2b; Corbett, 1b; Ball, c; Hunt, cf; Whatman, rf; Turner, lf; Bloom 3b; Haggart, p; Frizzelle, p.

Mimico — Crawford, Marzuk, Spence, Day, Foreman, G. Spence, Thoms, Harrod, Henderson.

Trojans	000 100 100—	2	5 4
Mimico	110 601 21x—	12	10 1

Big Ferry Dock On NB Coast Costs Millions

CAPE TORMENTINE, N. B., Sept. 13—(CP)—The world's biggest ferry dock, under construction in this village at the easternmost tip of New Brunswick, already has cost $3,000,000 and will need at least another $1,000,000 expenditure before its completion.

The dock is designed to withstand the severe ice conditions of Northumberland Strait and the propeller wash of the Abegweit—world's biggest ice-breaking ferry which plies the nine miles between Cape Tormentine and Borden, P.E.I., and represents Prince Edward Island's main link with the rest of Canada.

The dock is being built with huge concrete cribs, fabricated and launched 20 miles away at Pugwash, N.S., and towed to Cape Tormentine by tugboats. The hollow oblongs weigh up to 1,600 tons and some are 72 feet long, 39 feet wide and 34 feet deep. Upon arrival they are manoeuvred into position, sunk and then filled with concrete.

Twenty-one are being arranged to form a causeway 750 feet long, a pier 625 feet long and a 700-foot breakwater.

Causeway and pier, with their over-all length of more than a quarter mile, are buttressed against the elements by 500,000 tons of rock from quarries at Wallace, N.S. A whole trainload of this has been shunted in daily. The vast project has been under way since November, 1946.

Use Heavy Springs

A system of springs has been devised to cushion the Abegweit's impact against the wharf when she has to crush in through heavy ice. Engineers searched the country until they found a firm which could fashion 404 coil springs from tempered steel bars three inches in diameter. When installed the springs will have cost more than $300 each.

The causeway and pier, from 85 to 125 feet wide, will be criss-crossed with railway tracks — a switching yard for the railway cars moving to and from Prince Edward Island 19 a time on the Abegweit. There will also be a roadway for automobiles using the ferry. The switching yard and road will be sheltered by a concrete wall 12½ feet wide, built to rebuff ice which sometimes smashes into shore in thick blue sheets four or five miles square.

The only comparable dock, at the Abegweit's P.E.I. terminal at Borden, is being extended, but will be slightly smaller than the one here. The ferry is capable of bucking any ice in open water, but could be handicapped in winter by the present inadequate landing facilities.

The new $4,000,000 wharf at Cape Tormentine, plus $2,000,000 to $3,000,000 worth of improvements at Borden, will enable the $7,500,000 Abegweit to maintain a regular schedule no matter what conditions prevail.

A JEEP WITH SOVIET SOLDIERS is surrounded by a crowd after it had ventured into the British sector of Berlin recently. The incident occurred near the historic Brandenburg Gate, dividing the British and Soviet sectors, after a mass demonstration in the British area of the city against seizure by Communists of City Hall. A second jeep-load of Red soldiers followed later at which time the Soviet police started firing on the crowd.

US Bomb Dump Blown Up To Aid Science

AITAPE, New Guiana, Sept. 12 (CP)—This South Pacific village will be blown off the face of the earth early next year in one of the greatest man-made explosions in history.

More than 3,000 tons of bombs, a dump built for use against the Japanese in the Second World War, will be detonated at Tradji, a cocoanut plantation on Aitape's outskirts, in the interests of science.

Australian and British scientists, working in conjunction with the Royal Australian Air Force and the Australian army, will create the explosion to learn more about earthquakes and to study the geological structure of the terrain for oil that is known to be present in this area.

Geophysicists believe the crust of the earth is thinner at New Guinea and adjacent islands than it is in other parts of the world.

When waves from the explosion go into the earth, geological layers will return them to the surface. Recordings on seismographs will enable the scientists to form a reasonably accurate estimate of the thickness of the earth's crust at the spot.

The recordings will also help geologists in their search for oil.

Apart from atom-bomb explosions, the greatest man-made explosion in recorded history was the Royal Navy's detonation of 8,500 tons of bombs on the German island of Helgoland April 18, 1947.

Marmora News

Roy Burridge, who is in the Royal Navy and stationed at Esquimalt, BC, is spending a month with his parents, Mr. and Mrs. Albert Burridge.

The Coy family of Cleveland, who have again spent the summer months at their summer home on Beaver Creek, left for home this week.

Mr. and Mrs. W. B. Kerr of Penetanguishene spent last week with the former's sister, Mrs. Harry Campion, and Mr. Campion.

Recent guests include: Mr. and Mrs. W. C. Burridge and two children of Nobel; Mr. and Mrs. Robert Boyce and son of Wellington; Mr. and Mrs. Cecil Nayler, Mr. and Mrs. Ralph Rombough, Miss Beatrice Nayler and Ray McLaren of Peterborough; Mr. and Mrs. Cecil Pack of Queensboro with Mr. and Mrs. Clare Nayler.

Born at Blairton on Sept. 7, to Mr. and Mrs. Robert Webber, a son, Cecil Robert.

The first dinner meeting of Marmora District Chamber of Commerce following the summer holidays will be at Marble Point Lodge Monday evening. It is to be an open session for discussion and general business. Plans will be made for fall and winter activities.

Mr. and Mrs. Charles Le Master and family of Niagara Falls, NY, spent the holiday week-end at their cottage in the Vansickle Settlement.

N. Haley of Montreal has returned to the city after a two weeks' visit with Mrs. James Dostanko and family.

Recent guests include: Mr. and Mrs. Douglas Moore and daughter, Beverley Ann; Mr. and Mrs. Carleton Read and Deanne of Oshawa, with Mr. and Mrs. S. Vanvolkenberg; Mr. and Mrs. Edward Hart and son of Toronto, with Mr. and Mrs. Harvey Hart.

Rev. K. Kennedy of California and Mrs. M. J. Kennedy of Peterborough visited relatives here on Thursday.

Millbrook News

Dr. and Mrs. H. A. Turner spent the early part of this week in Toronto, and attended the CNE during their stay in the city. They were also present at St. James' cathedral on Wednesday for the funeral of Dr. Turner's cousin, the late Colonel Oliver Mowat Biggar CMG, whose death took place the previous Saturday at Ottawa.

Mr. and Mrs. Robert Main, of Vancouver, B.C. are arriving Saturday, and will be the guests of Mr. and Mrs. T. A. Campbell for the next two weeks.

Mrs. D. L. Lunn has her little granddaughter, Jill Little, of Lindsay, visiting with her following the return of her parents, Mr. and Mrs. Kenneth Little, to their home after the holiday week-end.

Mr. and Mrs. [illegible] returned from their honeymoon on Monday, and are at present staying at their cottage, Chemong Park. Her sister and her husband, Mr. and Mrs. Lavergne Gibson, and Gordon, are spending the latter part of this week with Mr. and Mrs. Ferguson.

Mr. and Mrs. Aubrey Fallis left on Friday for McTaggaret, Saskatchewan, where they will visit Mr. and Mrs. Stanley Fallis. They will also visit in Winnipeg, and at a number of other points during their extended stay in the west.

A colorful feature of the parade at the Lions Club Labor Day carnival were the pink and blue baloons supplied each boy and girl participating. Homer Ouellette had the distribution in charge, and the day's activities were under direction of Gordon Powell, Lions Club president, and the Lady Lions share under Mrs. Gordon Powell, their president. Mrs. Stanford Sloan won the hamper of groceries donated by a local firm for having won the highest number of games during the evening.

Miss E. L. Hetherington attended the funeral of her cousin, the late Percy Hetherington, at Peterborough on Thursday.

Miss Margaret Smith leaves next Tuesday to enter the United Church Training School at Toronto, for her course as a deaconess. On Monday evening, at the Golden Links Mission Circle meeting, Miss Margaret will give a talk on her summer's work as an assistant leader at a camp near Parry Sound, and Inglestane, Stony Lake. The meeting will be at Miss Jean Burnham's home.

WITH NEW YORK their destination, the above party of paddlers from B'Nai B'Rith camp in the Laurentians, dipped blades in the waters off Victoria Pier, in Montreal, on a jaunt they expect will take 12 days to complete. Crew will make scheduled stops en route to extend greetings of Montreal members to B'Nai B'Rith lodges of major cities. Heading the party is veteran "SCOTTY" BROTMAN, bow, who is making his third trip via the war canoe. With man and baggage the craft weights 2,500 pounds. All except the skipper are Montreal McGill students.

ADULT INSURANCE AT BABY RATES

LIFE, WITH ITS FUTURE, IS BEFORE YOUR CHILDREN. DOMINION LIFE, WITH THIS NEW PLAN, WILL STAND BEHIND THEM WITH FINANCIAL PROTECTION . . . AT AMAZINGLY LOW COST.

Insure your son NOW, with this new Plan. When he reaches the age of 21 years the amount of insurance payable becomes 5 times the original amount—yet the baby rate you pay at the start remains the same.

And note this, the increased protection is automatic—no Medical Examination is required for this five-time increase in amount, so that at no time under this plan will your son become uninsurable by reason of unforeseen illness or accident.

Think what this new Plan of insurance means! With this policy you give them a lifetime thrift plan—you establish a substantial emergency fund—you protect your children's future insurability—and you establish for them an economical retirement fund at 55, 60 or 65.

• REMEMBER •
A Policy for $1,000 on this Plan pays $1,000 in cash, in the event of death from 10 years of age up to age 21. (Smaller amounts by Law up to 10 years). At 21 years of age the face of the Policy automatically becomes $5,000, payable in the event of death. Yet, although the face amount of the policy increases, the rate remains the same.

THE SAME YEARLY BABY RATE CARRIES ON TO RETIREMENT AGE—NO INCREASE

This Policy has various options at retirement. At the selected age of 55, 60 or 65 the plan will provide:—
(1) a monthly income for ten years, and as long thereafter as your child lives—OR—
(2) a fully paid-up policy (no more premiums to pay) and a substantial cash payment—OR—
(3) a cash settlement on the surrender of the policy.

VOL. XCVII, No. 59 — MONDAY, SEPTEMBER 13, 1948

Hurt In Crash Motorcyclist Drives 18 Miles

Following accident near Bewdley on Saturday afternoon, a Toronto man drove about 18 miles into Peterborough, checked in at a hotel, changed his clothes — and then reported his injuries to Civic Hospital, where it was found he had a broken arm. Two other persons were hurt in the collision, which involved a motorcycle and two cars.

Donald McHugh of 19 Wilson Ave., Toronto, was the injured motorcyclist. While attempting to pass a car driven by W. G. Batley of 140 Latimer Ave., Toronto, McHugh's machine slipped on the wet pavement of No. 28 highway a mile and a half north of Bewdley. The machine skidded and slipped more than 200 feet with its rider. Swinging sharply to one side to avoid hitting McHugh, Batley's vehicle veered and struck a car following, driven by James Cumming 528 Chamberlain St., Peterborough.

The two cars were damaged in the collision. Mrs. Susan Menzies, 535 Chamberlain St., a passenger with Cumming, had a wrenched back. Blanche Sloan, 518 Chamberlain St., another passenger, suffered a cut on the head requiring stitches.

Knowing he had been hurt, McHugh left on his motorcycle as soon as possible and was not on the scene when the police arrived. He drove on the machine the 18 miles to the city, got a room in an hotel, washed and changed and then drove to the Civic Hospital. Besides a broken right arm, he had also received severe cuts on his hips.

Provincial constable Keith O'Shaughnessy investigated.

Deloro Plant Signs Contract

Agreement with the Deloro Smelting and Refining Company for a 44-hour week and wage increase of 15 cents an hour is reported by John Hart, president, and Patrick Bertrand, recording secretary, of the Deloro Smelters and Refinery Workers Local No. 889. The wage increase is effective for one year from September 1, 1948. Prior to this settlement, the company paid a five per cent bonus every three months, which is to continue until the termination of the contract.

The company has also agreed to pay a three cents an hour shift bonus to workers engaged on work during the 4 p.m. to midnight to 8 a.m. shifts.

Time and a half is to be paid to employees working more than 44 hours in any week. Day shift workers will receive time and a half rates for Saturday afternoon and Sunday, provided they have completed a 44-hour work week. Any person working on any one of the four statutary holidays will receive double time rates of pay.

A voluntary check-off has also been granted to the union.

Damages $500 In 2-Car Crash

Extensive damage to two cars was caused in a collision about noon on Sunday on the township road connecting Lakefield Rd. and Chemong Rd. The accident happened at the Chemong road's intersection with the second line of Smith.

Drivers of the two cars were C. R. Mann of Baltimore, Ont., and Bruce Buott, 294 Townsend St. The Mann car rolled over with the impact about 60 feet, with its body work crushed and a total loss. The collision threw the Buott car in a full turn but it did not overturn.

Only injury was a slight head cut to Mann. Damage to his car will be at least $500. About $150 is the loss estimated for the Buott car.

Provincial Constable Gordon Langton investigated.

Two Cars Collide

About $60 damage to two cars was caused by a collision at the intersection of Highways 28 and 7, south-west of the city about 6 p.m. Saturday. Drivers were Max McIlmoyle, 503 Murray St. and Stanley Campbell, 277 Reid St.

Provincial constable George Henderson investigated.

Scottish Couple And Son Baffled By House Shortage

If there is a vacant house or apartment in Peterborough city and county, Mr. and Mrs. Quintin Dick of Glasgow, Scotland, have failed to find it. Their experience provides a still gloomy answer to the recurrent question: how's the housing situation?

Mr. and Mrs. Dick are literally anxious to obtain accommodation even of one suitable room for a while until they have had an ampler opportunity of extending their quest even into the field of purchase. They are prepared to buy a house, have funds in Scotland, but nothing turns up. Their dwelling place in Peterborough is a hotel room on day to day lease.

A mother's hope for the future of her son was the driving purpose of the Dicks in their coming to Canada. Allan Dick is four years old, an only child, and apparently has been an impediment to the parents in their seeking of temporary living quarters.

Make Appeal

Their problem this Monday morning was expressed in an appeal to Peterborough to afford them some temporary arrangement in which would enable them to remain here until they get settled.

"We have even been to Lakefield, Norwood and Keene," Mrs. Dick told the Examiner this morning. "My husband has been with me in our search, but he had to go into work at the C.G.E. this morning. There was a time limit on his reporting for work, and this was the day. All we have is a room at the King George Hotel.

It was the same in Toronto. I think we might have got a place somewhere, but when people saw our boy with us, I think that was against us."

The Dicks decided some months ago to come to Canada. Presumably Mrs. Dick was animated by the common desire of the women of Europe to find some assurance of security for their homes, and especially for little boys like Allan Dick who is only four years old, a potential citizen of Canada if his mother can secure a place for him to grow up in.

Like The City

The family wasn't making any headway in Toronto, but one day during the early part of the C.N.E. they stopped at the Ontario Government booth, its Department of Welfare, and told their story to Fred McNeeley, formerly of Peterborough. Employment was the first consideration then, although housing was close behind it. Mr. Dick was an engineer in Glasgow. The Canadian General Electric Company was suggested to him by Mr. Neeley, and the family has been house or apartment or even room-hunting since their arrival here.

"And we like Peterborough," Mrs. Dick said. "There must be some room or two that would take us in until we can look around for ourselves. We have funds in Glasgow, and intend to buy a house as soon as we are settled here."

Canada appealed to the Dicks as a young country of opportunity for small boys like Allan Dick when they grow up, but each day to them here is an increasing anxiety to remain, to obtain essential accommodation for just three persons.

Any person with a helpful suggestion for the Dicks can get in touch with them by telephone at the King George Hotel. It means everything to them in their present concern about staying in Peterborough.

Rev. F. K. Malane Posted To Cathedral

COBOURG, Sept. 13 — (ENS) — Rev. Father F. K. Malane, who has been stationed at St. Michael's Catholic Church here for the past three and one-half years, has been appointed by Bishop Gerald Berry to the staff of St. Peter's Cathedral in Peterborough. Tribute to the service of Father Malane was paid by Rev. J. Collins at Sunday's Mass. Before coming to Cobourg, Father Malane was stationed for seven years at Lakefield and three years at Peterborough. He has been active in dramatic circles, C.Y.O. and K of C. work and in the men's

Charge Hoodlums Attack, Rob Small Boys Playing In Jackson Park; Ask Scouts To Aid

If there is one little boy in the city is afraid to go back to Jackson Park, its trustees would probably wish to be informed of the fact.

Several instances are known in one quarter and may possibly be increased by similar reports from other young groups in the city, indicating a need of supervision. There is no intention of exaggerating whatever the state of affairs has been this summer, but there are at least several cases of boys being molested by roving gangs. The fewer and smaller lads have been pummelled and made to hand over pocket knives and other precious possessions.

The park will continue to be used by the youngsters into the fall and winter and it should be a happy playground for every one of them. For several months of the summer it might be arranged with Boy Scouts to take turns in keeping an eye on the place. Jackson Park is big enough for all the boys who wish to go out there, and beyond it into the township, and its trustees should take some steps to increase the vigilance of whatever supervision is maintained. This is the opinion of several parents who have mentioned the circumstances to the Examiner.

Rev. J. F. Goforth Speaker; Church Reopens

Peace cannot be achieved in "clinging to the tariff walls, petty prejudices and little nationalisms," said Major the Rev. J. Frederick Goforth, M.C., of the Royal Military College, Kingston, preaching on Sunday at the evening reopening service of St. Paul's Presbyterian Church.

Major Goforth took his text from the Sermon on the Mount. "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you."

"Life," he said, "isn't as easy as that. We very rarely get what we want by asking." He explained that the text implied more than a mere passive attitude to life and he paraphrased it as "ask, and if you don't get it, search, and if at the end you come to a closed door, knock on the door until it opens to you as it will."

He emphasized that "if you want something and hope to get it, you must want it badly and be willing to pay for it." Today, all want peace, but its non-achievement should not prevent belief in a just and loving God. "God," he said, "is not putting obstacles in our way," but peace will not be achieved by wanting other things incompatible with peace. Sacrifices as great as those made during the war are necessary to have peace.

"It will save us," he said, "a great deal of disillusionment and sacrifice, if we realise this great truth, that you have to want something badly enough to achieve it."

The service was conducted by the Rev. Charles G. Boyd, assisted by the Rev. Dr. James Semple and the Rev. Ivan Morgan. The combined choirs of St. Paul's, George St. United Church Murrey St. Baptist Church took part, and the guest soloist was Rowland Goodyear, of the Eaton Memorial Church, Toronto. He sang "How Lovely Are Thy Dwellings" by Samuel Liddle and "O Lord Most Holy" of Cesar Franck. Martin Chenhall was organist and choirmaster.

Car Destroyed In Garage Fire

One car was completely destroyed, another badly damaged and serious damage caused to a garage shortly after midnight today when fire broke out in the double garage at the rear of the home of W. Harold Baptie, Bolivar St.

Fire Chief George Smith said the blaze started as a result of either a lighted cigarette butt or a short circuit in the car of Orville Wilson, also of Bolivar St. He estimated that cost of fire would be $450 to the garage, and $1,000 between the two cars.

Apparently the fire was not discovered until most of the damage had been done. It was not until the flames had broken through part of roof that the alarm was turned in.

The interior of the garage was seriously burned and the roof will have to be replaced. The doubledoors at the entrance to the garage were also destroyed.

Chief Smith said that the fire had been reported and finally extinguished before more than a handful of neighbors were aware of what was going on.

Relief Payments Still Being Made

A reminder that the city has to provide some relief at the peak of industrial employment is noted in the report of the welfare committee last week with Ald. Dick Raine presiding.

Food orders in August amounted to $140.61, fuel $94, clothing $101, household sundries $100, shelter $450; special home care $40; doctors $81; transportation $18.

Four applications for relief were received. Assistance was discontinued in ten cases. Thirteen inspections and investigations were made. During August there were 23 admissions to hospital: three in other municipalities, two to sanitoria; two to Ontario hospitals and 16 to Peterborough hospitals. Orders were issued for three funerals and one ambulance service.

MAIN ST. TOPICS

HISTORIC ANNIVERSARY

Monday, Sept. 13 is the anniversary of the battle of the Plains of Abraham, one of the most salient days in Canadian history. Wolfe's victory over Montcalm in 1759 was the beginning of the end of the colony of France in the Americas.

C.G.E. CLUB MEETING

Quarter Century Club members of the Peterborough and Toronto works of the Canadian General Electric Company are meeting together here Saturday, Sept. 25. It is expected that the Toronto group may travel to Peterborough by special train.

PEOPLE CHASE HATS

Many people were welcoming the higher temperature today after a relatively cool spell that followed the recent heat wave. Accompanying it however was a gusty wind. At one time two elderly men were chasing hats as they bowled through the intersection at Charlotte and George Sts.

ALL SCHOOLS STAFFED

All schools in the inspectorate of Peterborough East are fully staffed, said K. O. Birkin, Inspector of Public Schools, today. There have been 30 changes in staff, some of which are transfers from one school to another and others replacements for teachers who have left. Among the new teachers this year is Miss Nealie Barnes, from Newfoundland, who is teaching in Chandos township, replacing Don Landry, now in charge of the new school in Douro township.

CATCHES 25-LB. LUNGE

Mrs. Oscar B. Phillps of Warkworth, now knows the thrill that goes with hooking a giant lunge. On Sunday afternoon, accompanied by her husband and A. R. Dawson, she got a strike while trolling in the Otonabee near Campbelltown. She was using a "double jointed natural pikie" as bait and knew by the battle that she had a big one at the end of the line. After fighting it for 15 minutes she played it close to the boat and a member of the party was able to gaff it. How big—25 lbs. 9 ozs.

BOARD WALK FIRED

Firemen were called to the CPR station on George St. shortly before 3 a.m. today to put out a fire which started among some rubbish underneath the board walk. It is believed that some person dropped a cigarette butt down between a crack in the boards and it ignited some rubbish underneath. When firemen pried up a few boards to get at the smouldering material it burst into flame as the gust of fresh air met it but the blaze was quickly extinguished. Damage was limited to a few boards.

Union To Seek Certification

Last shot in the battle to determine whether the UE-CIO will replace the independent union as the official bargaining agent for Outboard Marine employees has not yet been fired. Formal application to the Ontario Labor Relations Board to have the UE recognized as the certified bargaining agent at the plant is to be made. C. R. Sullivan, UE district representative said today.

On Friday night in a vote held at the plant union members ratified the company offer of 9 cents for piece workers and 11 cents for day workers which had been brought back by their negotiating committee. The vote was 362 to 188. While ostensibly it was a straight acceptance or rejection of the company's offer it was also widely understood that a rejection would have been interpreted as a vote of non-confidence in the independent union.

A. WARD SMITH
Optometrist
New Location:
341 GEORGE STREET
(Over Selkirk's Men's Wear)
For Appointments:
TELEPHONE 3397

The public are cordially invited to "THE ONTARIO SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS BANQUET to be held at the Empress Hotel, FRIDAY, the 17th, at 7 p.m.

Mr. Robert F. Sellar, President of The American Humane Association, will be guest speaker. Mr. Sellar is one of the outstanding humanitarians on this continent, and he will, we feel sure, have a worth-while message for those who attend.

Tickets for the Banquet are $2.00 and may be obtained at The Examiner, the Chamber of Commerce or from any member of the Society.

20th Annual Test Reunion Of CGE Graduates Gay Event at Kawartha Club

Nearly 300 men of the CGE Test Alumni Association gathered at the Kawartha Club on Saturday afternoon to renew old acquaintanceships and enjoy a sporting program. It was the 20th annual reunion of the alumni, all of whom are graduates of the 50-year-old course. Of the 828 names which were on the association's list at the beginning of the year 335 are employed at the CGE; 392 are working for other companies or the government; 47 are dead and only 54 are unaccounted for. Usually candidates for the course are young university graduates in electrical or mechanical engineering, but some apprentices are also admitted.

This year, graduates from 10 Canadian universities were on hand — from the University of British Columbia in the west to the Nova Scotia Technical College in the east. Altogether in 1948, 42 electrical engineers, 12 mechanical engineers and 14 apprentices were started on the course.

From 11 Plants

The exact number present was 292. They included representatives from all 11 plants across the country and the eight district offices, business rivals, young and old. Among them were Fred Bolton, Vancouver; Claud Justice, Noranda; W. L. Bird, Fort William and Eric Holmgren, Milwaukee. Oldest member present was Charles Sisson, who graduated in 1902.

Letters regretting they could not make the trip were received from Frank Atney in Buenos Aires and Thomas Carpenter in Wales. A minute's silence was observed as the namets of four members who had died since last year, were read. One of the quartet, Fred Hales, 1926, actually died during the war in a Shanghai concentration camp while a prisoner of the Japanese, and the news of his death was received only recently. The other three were A. Savage, 1918, Harold Peace, 1926, and D. V. Canning, late chairman of the Peterborough Board of Education, who died in August.

George Wilson, Toronto, 1892, senior member of the alumni, was unable to attend.

The members were welcomed by president, W. Maurice Cruthers of Peterborough at a mid-day meal which was served at the rear of the pavilion in a huge tent.

J. C. Macfarlane, Toronto, brought greetings from the president of the company, H. H. Turner.

By means of an amusing skit members of the new executive were introduced to the members. They were honorary president, L. D. W. Magie, Peterborough president, Vincent Young, Toronto; four vice-presidents Peterborough, Hugh Todd; district office, Y. Romo Tasse, Quebec City; head office, H. K. Thompson, Toronto, and outside, E. S. Noble, Kapuskasing; secretay treasurer, W. M. (Bill) McKie, Toronto.

For those who were sports-minded it was a full afternoon with golf, softball, horseshoes, volleyball and tennis all being played.

Sports Events

Harold Wilson, sports committee chairman, announced the results

Softball

X-Test downed Test 20-14 in a seven-inning game. Don McRae, Winnipeg, a professional hockey prospect with the Toronto Maple Leafs, fielded well at short, and helped Test on the batting end of hings by knocking in three runs.

Golf (Low Gross)

M. C. Lowe, Norm Finney, H. L. Hall and R. M. Jennings. Hidden hole prize went to J. Kennedy and H. H. L. Creighton.

Volleyball

Eleven teams competed Toronto District Local Offices edged

(Continued on Page 17)

Flower Show For Juniors On Wednesday

Final flower show of the season on Wednesday and Thursday of this week, sponsored by the Horticultural Society will display the flowers and vegetables grown by children together with the craft work of school boys and girls.

Entries will be received between 4 and 9 p.m., Tuesday, Sept. 14 from juniors who were not 16 years old until June 30 this year.

Twelve classes of late blooming flowers comprise one section. They extend from asters to zinnias. The vegetable section includes corn, beans, carrots, muskmelons, tomatoes and so on, and also collection of vegetables. Collections of 10 or more different weeds and six different kinds of tree leaves are expected to add interest to the children's show.

Two silver cups, a medal and plaque are to be awarded with the other prizes. Several other classes are for manual training for boys, needlework for girls, and a novelty of miniature gardens in glass containers.

The public is invited to this show, especially to co-operate with the Horticultural Society in encouraging the school children to become interested in the growing of flowers and vegetables of show quality. A silver collection will be received to defray expenses.

MUSKIES BITING

Mrs. Clarence McIlmoyle, fishing alone at Stony Lake on Sunday caught two muskies weighing 8 and 12 lbs. She was using a Lucky Strike strawberry plug. On Friday she landed a large mouth bass weighing 6 pounds, 15 ounces. Roy Hutchinson got a nine pound lunge at Chemong Lake, Sunday and Gordon Vallery lost one weighing at least 13 pounds when it zoomed under his boat and smashed a new fishing line. Fred Marsden, Peterborough got his limit of small-mouth black bass at Stony Lake Sunday, and lost two muskies. He was using frogs as bait.

WEEDS

NOTICE is hereby given to all occupants and owners of property within the City of Peterborough that the provisions of the Weed Control Act will be rigidly enforced.

Section 4 of the Weed Control Act states: "Every occupant of land or if the land is unoccupied the owner shall destroy all weeds designated noxious by the Regulations as often in every year as is sufficient to prevent the ripening of their seed."

Occupants and owners of land are advised to exercise great care in destroying all noxious weeds before they mature seed. If these precautions are not taken, the Weed Inspector may exercise his authority and may enter on property for the purpose of destroying noxious weeds.

The co-operation of everyone is solicited in a general cleanup of noxious weeds.

A. E. CHALMERS,
Weed Inspector.

Sept. 9, 1948

Suggest Running Exhibition For Three Weeks

TORONTO, Sept. 13 (CP) — The world's largest annual fair scored its greatest box office success with 2,612,000 paid admissions for 14 days, Canadian National Exhibition officials said today.

The big show, which concluded Saturday, recorded its ninth record attendance day since opening Aug. 27, with 257,500 passing through the gates, against 232,000 on the same day last year. The 1948 total attendance compared with 2,360,000 in 1947, previous record.

Besides the afternoon and nightly shows before the new $3,400,000 grandstand, the crowds were pulled by the National Horse Show in the Coliseum, the jammed midway shows, the top products of science, industry and business in colorful displays in buildings with 2,280,000 feet of floor space.

Farmers Prominent

For farmers the $125,000 in prizes given for agricultural products in the judging ring proved the main pull. The farmers took over the show on Sept. 8, Agriculturists' Day, when an immense parade of some of Ontario's finest livestock closed out the agricultural portion of the show.

Mayor Hiram McCallum of Toronto suggested to the C.N.E. directors at their Saturday luncheon that the Fair remain open three weeks instead of two. He also suggested building a huge auditorium which would help attract the biggest conventions to Toronto and aid in making greater use of the buildings during the rest of the year.

Judging of judges was one of the features of the farm side of the Fair. Junior farmers tested their ability to judge farm products for cash prizes In another such event Saturday night, Joan Pickard of Winnipeg won $200 for being the best Canadian junior light horse judge.

DIMITRI KONSTANTINOFF, former Bulgar lawyer who is now a taxi driver in Montreal. Choosing the driver's seat of his taxi as a rostrum, the greying, soft-spoken Bulgarian lawyer warns Canadians today that Communism cannot be fought with words, but only with action—action in helping those in oppressed countries. A doctor of law, he was secretary of the Bulgarian embassy in 1936 and chose self-imposed exile in Canada with his wife and seven-year-old daughter rather than live under Communist rule in his homeland. They arrived in Canada four months ago. "Canadians must always remember," Konstantinoff warned, "that specially-trained Communist workers are waiting for the propitious moment to act."

French Count Aids Escape POW Declares

MONTREAL, Sept. 13 (CP) — Antoine A. Masson, former army major who was captured in the Dieppe raid and later escaped from a prisoner-of-war camp, said Sunday night that "Count de Bernonville saved my life and that of Lord Mountbatten's right-hand man, Lt.-Cmdr. Michael Redvers Prior."

Count Jacques Dudge de Bernonville, under sentence of death in France for alleged wartime collaborationist activities, has been ordered deported by the Canadian Government for entering Canada with a false passport.

He managed to stall deportation proceedings by obtaining a writ of habeas corpus which would make the government "show cause" for the deportation order. The writ will be heard in a Montreal court Tuesday.

Masson, 36, said he has been asked to testify on the Count's behalf at Tuesday's hearing.

Masson said he participated in the Dieppe raid in August, 1942, when he was wounded and taken prisoner. After escaping from the Germans, he was taken by Vichy authorities in unoccupied France and later placed in a camp at Schambaran, Isere.

Allowed To Escape

It was here, according to Mr. Masson, that he and Lt.-Cmdr. Prior were permitted to escape in a simulated break under the orders of Count de Bernonville.

"The day the Germans entered unoccupied France," he said, "we just walked out of the camp. We were protected by Vichy and kept from the hands of the Germans."

From the camp commander, Masson said, he learned that it had been on the express orders of Count de Bernonville, through a General Mere, officer in charge of the district, that they had been permitted to escape. Lt.-Cmdr. Prior, who was in charge of landing operations during the Dieppe raid, had been placed in charge of the camp, while Masson was second in command.

THREE PROMINENT MONTREAL CHURCHMEN played large roles when the Alliance of Reformed Churches through the world holding the Presbyterian System (the Pan-Presbyterian Alliance) met at Geneva, Switzerland, August 10 to 17. When the time came for a formal group photograph, the delegates stood on the steps of John Calvin's Church. In the FRONT ROW ABOVE are: Pastor Dominice of the Geneva Cathedral; Rev. Dr. Ernst Krenek, of Czchechoslovakia; Rev. Dr. William B. Pugh, of Philadelphia, secretary of the Western Alliance; Rev. Dr. W. W. Hamilton, of Edinburgh, general secretary of the World Alliance; Rev. Dr. George H. Donald, former minister of the Church of St. Andrew and St. Paul here, who ended his 11-year term as president of the World Alliance; Rt. Rev. C. Ritchie Bell, minister of MacVicar Memorial Presbyterian Church, Outremont, and moderator of the Presbyterian Church in Canada; Rt. Rev. Dr. Jesse H. Baird, of Los Angeles, Calif.; moderator of the Presbyterian Church in the U.S.A.; and Rt. Rev. Dr. T. W. Jones, minister of Calvary United Church, Westmount, and moderator of the United Church of Canada. Most of the delegates also attended the meeting of the World Council of Churches in Amsterdam, Holland.

Introduce New Cancer Research In U.S.A.

WASHINGTON, Sept. 13—(AP) — The United States Cancer Institute said Sunday it is working out a new research program designed to double the number of cancer cures.

The program is to be conducted in co-operation with a group of medical schools and hospitals. It will provide mass tryouts of various methods of diagnosing cancer in its early stages, the institute said.

Dr. J. R. Heller, director of the Institute, explained in a statement:

"If every new cancer were diagnosed early, modern therapy could save about two-thirds of all cancer patients or twice the number now being saved.

"Independent investigators have announced diagnostic tests and published limited findings, but no organized, concerted effort has been made to evaluate the conflicting claims and put selected tests to mass trial."

Rout Holdup Man

TORONTO, Sept. 13—(CP). — Jim Robertson and his wife slammed the door on a would-be holdup man early Sunday. The gun-toting masked robber entered their apartment about midnight and ordered the couple to open the safe in their hairdressing store. All three went downstairs, the gunman trailing, but the couple fooled the robber when they slammed the door quickly as they stepped into the store.

KELLOGG'S ASTHMA RELIEF FOR ASTHMA & HAY FEVER

Drunken Driver Given Seven Days In Jail

Jerome Campbell, 35, of Rose Island, was convicted of drunken driving and sentenced to seven days in jail, in magistrate's court on Saturday morning. In addition his car was impounded and his driver's licence taken away for three months. He pleaded guilty to the charge.

Crown Attorney V. J. McElderry said that Campbell sideswiped a truck on Highway 28 near Lakefield on Friday night and despite the fact that the side of his own car was badly damaged he drove on for approximately another mile.

He was arrested by the provincial police and brought to the Peterborough jail for the night.

Edgar Stark, Bethune St., pleaded guilty to a charge of drunkenness. As this was his third offence he was sentenced to three months in the county jail but at his request the sentence was changed to four months at Guelph Reformatory.

Edward Hummell, 62 Robinson St., pleaded guilty to a charge of assault occasioning bodily harm to his mother, Rosina Hummell. He was remanded for sentence.

W. Palmer and J. A. Robinson were both fined $10 and costs—Palmer for illegal possession of liquor and Robinson for consuming liquor in a public place. Both pleaded guilty.

Kenneth Sheridan, no fixed address, pleaded guilty to a charge of vagrancy. He was remanded for sentence to Sept. 17.

60,000 More Refugees

GENEVA, Sept. 12 (CP)—The International Refugee organization plans to move 60,000 refugees to Canada by the end of next June, it was revealed in budget estimates published Friday. The I.R.O. plans to settle 75,000 displaced persons in the United States within the same period. The movement to the United States is expected to begin in October.

Has Siamese Twins

LANSING, Mich., Sept. 13 — (AP). — Dr. Thomas M. Spaulding said Saturday that siamese twin girls born to a Holt, Mich., couple would be joined together as long as they lived. "There is no possibility of their being surgically separated," the attending physician announced.

Bank Holdup Men Get Only $1,000 Loot

ELMVALE, Sept. 13 — (CP). — Value of negotiable bonds stolen from safety deposit boxes at the Bank of Toronto here Saturday by three armed "white tie" bandits was less than $1,000, bank officials said Sunday. Other bonds of large denominations that were stolen were registered, and bank officials in this community about 75 miles northwest of Toronto said they would be no use to the bandits.

3 Youths Charged

TORONTO, Sept. 13 — (CP). — Three Toronto youths Sunday were arrested at the nearby summer resort on Musselman's Lake and charged with automobile theft and vagrancy. Police said they were members of a recently-organized gang called the Pape avenue boys. They were arrested when the car in which they were riding overturned near the resort.

Hundreds Of Birds Killed In New York Crash Empire State Building In Dark

NEW YORK, Sept. 13 ((CP) — The mystery of the birds had New Yorkers puzzled today, and experts theorized that bad weather conditions in the upper air forced migrating songsters from safe altitudes down to their deaths.

Literally hundreds of birds apparently crashed into the Empire State Building early Saturday and plunged dead into the surrounding streets. After dawn workers were still collecting bodies from around the 102-storey structure, world's tallest.

Brightly plumaged, the bodies included thrushes and warblers. Many landed on automobile tops and smashed against windshields.

The incident was duplicated in Philadelphia, 90 miles to the south, where many small birds fell dead to the streets during the night after striking tall buildings.

Ornithologists afreed they met death while making their seasonal migration. Usually they fly at altitudes which clear any man-made structure, but Friday night, apparently, they were too low.

Lee Crandall, general curator of the Bronx Zoo here, said the autumn migration of warblers, thrushes and other songbirds had begun and that a large flock apparently flew against the Empire State Building without seeing it in the darkness.

Carrying Weapons

HAMILTON, Sept. 13 — (CP). — Tony Codispodi and Timothy Freel, both 17, were arrested on charges of carrying offensive weapons Saturday night near the scene of a projected "gang" battle between teen-agers which failed to come off. Police said the accused were carrying lengths of rubber hose and wire cable.

Named Mrs. America

ASBURY PARK, N.J., Sept. 13 — (AP). — Mrs. Maria Strohmeier — Mrs. Philadelphia — was named Mrs. America Sunday on the basis of beauty and homemaking abilities. The 21-year-old green-eyed blonde was chosen over 26 other rivals.

Third Set Of Twins

SYRACUSE, N.Y., Sept. 13 — (AP). — Mrs. Norman Williams, 36, of nearby Baldwinsville, gave birth Saturday to her third consecutive set of twins. The babies, both boys, weighed 5 pounds, 12 ounces and 4 pounds, 6 ounces.

Under the instructions of the Hydro Electric Power Commission of Ontario as advertised last Saturday it will be necessary to curtail the use of electricity in this city.

In general, no electric signs are to be used. Store lighting and display window lighting will be curtailed, as well as Service Station lighting and theatre canopies.

All space heating is prohibited as well as decorative lighting of any kind.
All industries are required to cut their use of power by 15%.
These restrictions are effective TUESDAY, SEPTEMBER 14TH, 1948.

PETERBOROUGH UTILITIES COMMISSION

HON. LIONEL CHEVRIER, minister of transport, shown on his arrival in Montreal with Mrs. Chevrier, before sailing on the Empress of France as a Canadian delegate to the United Nations General Assembly meeting in Paris later in the month.

World Peacemaker... Today and Tomorrow

● As one of the world's greatest food producers, the Canadian farmer faces a huge and vital task.

In the years ahead he must supply not only the growing demands of our own nation, but he must also serve the cause of peace by producing more and more food for the hungry millions overseas.

To help the farmer in his task, part of every life insurance dollar is invested in government and industrial bonds which in turn help to provide new roads, electrical power, machinery and other aids to modern farming.

So, as a policyholder, when you invest in security for your family . . . you help promote Canada's progress . . . and, indirectly, you help lay the foundations for world peace!

THIS CLOSE-UP of Herr Litke, leader of the Communist-supported Socialist United (S.-E.D.) party in Berlin was taken at press conference after the Communists for the third time in two weeks had stormed the Berlin city hall making sessions there untenable.

Wants To Be World Citizen

PARIS, Sept. 13 — (AP). — Garry Davis parked himself at a United Nations building here Sunday in a bid to become the first U.N. "citizens of the world.

The former United States bomber pilot, 26, denounced his American citizenship May 25. The French government ordered him to quit its territory by midnight Saturday. He sat and talked to reporters Sunday on the wooden steps leading to the temporary administration building being completed for the U.N. meeting here Sept. 21.

"The United Nations," he said, "is in the half-world between a collection of sovereign nations and a real international authority. I want it to take a stand, so that others can have a chance to acquire international citizenship and open the way for a federated world."

Davis is the son of an American orchestra leader, Meyer Davis.

France has ceded the Plais de Cahillot as international territory for the U.N. meeting. Technically, it is not a part of France.

3 Die In Gas Blast

NEW YORK, Sept. 13 — (AP) — Three persons were killed and 10 injured early Sunday in a terrific gas explosion that wrecked the fourth and fifth floors of a 17-storey upper Manhattan apartment house. Police said the disaster apparently was caused by the determination of one of the victims — Eugene Hurley, 35 — to commit suicide by gas. Hurley, unemployed, had threatened suicide, police said, and four gas jets were found turned on in his wrecked apartment.

Lt.-Cmdr. Knight Dies

TORONTO, Sept. 13 — (CP). — Lt.-Cmdr. Christopher Morse Knight, 62, Royal Navy veteran of First and Second Great Wars, died in hospital here today. At the time of his death he was commander of Toronto Sea Cadets. A son is Cyril Knight of Guelph.

DR. FRIEDENSBURG, chief acting burgomaster of Berlin, tells the press of how Communists, for the third time in two weeks, smashed into the Berlin city hall. Following these demonstrations, Soviet sector German police and armed Russian soldiers formed a guard around the city hall. Some 19 western zone police who had been in the hall under "siege" were arrested as they left city hall.

Mrs. William Kitchen, Havelock, spent the past week with Mr. and Mrs. J. G. Reynolds, Lasswade.

Mr. and Mrs. Harley Woodbeck, of Lasswade, are visiting friends in Toronto and Buffalo, N.Y.

Mrs. Laura Cooke, Romaine St., was in Rochester, N.Y., recently as the guest of Mrs. Charlotte Rhodes.

Mrs. J. G. Reynolds, of Lasswade, was a recent guest of her daughter and son-in-law, Mr. and Mrs. Alfred Lefley, 96 Douro St.

Friends of Mrs. A. B. (Chum) Gillespie will be sorry to learn that she underwent an appendectomy operation at Civic Hospital.

Mr. and Mrs. J. H. Lowes, of Toronto, have been spending a pleasant week in the city visiting friends.

Mr. Gordon Burke, of Reaboro, was guest soloist on Sunday at Murray St. Baptist Church. He sang "O Lord Have Mercy Upon Us" by Mendelssohn-Bartholdy.

Mr. Erroll Wilson, director of the Ontario District Associated Cerdit Bureaus of Canada is attending the semi-annual convention in Kingston this week.

Saturday was a wedding anniversary for Mr. and Mrs. Fred M. Somerville, 16 Inverlea St. They were married 36 years ago.

Mrs. E. Warman, of 520 Chamberlain St., returned Friday by plane from England after an extended visit to relatives and friends. Mrs. Warman had not visited England for 38 years.

Rev. E. W. Rowland, Peterborough, and his son, Rev. M. E. Rowland, Cambray, are attending the session of the Victoria College alumni at Toronto this week.

Joseph Gilmour Ronco, 13 months old son of Mr. and Mrs. Joseph Ronco, 717 Park St. houth, has successfully undergone an operation for double hernia and is progressing favorably at St. Joseph's Hospital.

Miss Mary Gall will speak tonight at the Leaders' Camp at the YWCA. Her topic is "Building Program With Groups." The course is sponsored by the Girls' Council and is open to all YWCA members.

Out of town guests at the Scott-Gynane wedding on Saturday were Mr. and Mrs. F. Scott and Mr. L. Scott, of London; Miss J. Rimmer, Miss J. Wallace, Mr. and Mrs. D. Williams, Mrs. W. Jackson, and Mr. Jack Collins, of Toronto; and Mr. and Mrs. W. Gynane, of Ottawa.

Mr. and Mrs. John R. Broadhurst, of 642 Bolivar St., have left for St. Louis, Mo., where Mr. Broadhurst will represent the Central Ontario branch of the Prudential Assurance Company of England at the National Association of Life Underwriters' Convention. They expect to be back in Peterborough September 20.

Former 20-Plus Club members attending the club's week-end camp at Camp Inglestane, Stony Lake, were Lewis Coldwell and Howard Dunphy, both of Toronto. The Rev. C. A. G. Spence of Apsley conducted the open-air service on Sunday morning. Patrons at the camp were Mrs. John Wright and Mr. and Mrs. Gordon Lupton.

Judge Moon and Mrs. Moon and son Alec of Parry Sound, were visitors in the city on Saturday.

Honor September Bride

Recent showers held for Mrs. G. F. Scott, formerly Florence Gynane, included a miscellaneous shower held at the home of Miss Patricia Moyles, at which many lovely gifts were received. The girls in the Westclox office, where the bride was employed, presented her with five sterling silver teaspoons in "Stradivari" pattern, and the Westclox office staff and engineering department, presented her with a white linen tablecloth, seven coffee spoons, and three teaspoons in matching silverwear.

IODE Committee Plans to Meet In City on Oct. 6

The executive committee of the Provincial Chapter of Ontario, Imperial Order Daughters of the Empire, met in Hamilton last Thursday, with the president, Mrs. Cecil L. Brown, in the chair.

The IODE committee for the Short Story contest, with Mr. Joseph Lister Rutledge, Editor of the Canadian Bookman, announced the award of $100.00 for the best short story on a Canadian theme, had been granted to Miss Irene Steeper, 217 Emery St., London, Ontario, for her story, "The Fruit of the Vines."

Miss Steeper has been interested in writing for some time, but it is only during the past year that she has devoted her full time to 'free-lance' writing. Her stories have been published in the Canadian Home Journal and the Montreal Standard.

Mrs. L. L. Skuce, educational secretary, announced that the Provincial IODE Scholarship, valued at $1,200.00 had been awarded to Thomas Brian Cotterill, 109 Faraday St., Ottawa. Mr. Cotterill will enter McGill University this fall in the Second Year Science Course. He is eighteen years old, a graduate of Glebe Collegiate Institute, Ottawa, where he was an outstanding student, with high academic standing, a member of the Senior Football team and a member of the Lyrics Club.

Plans were completed for the Area Conference to be held in Walkerton, on the 23rd of September, when members of the chapters within a radius of fifty miles will meet to discuss the work of the Order.

Final arrangements were made for the semi-annual meeting of the Provincial Chapter of Ontario, IODE, to be held at the Empress Hotel in Peterborough on October 6 and 7, 1948.

Mrs. J. B. Smart, Provincial Post War Service convener, reported that 14,273 articles of clothing, valued at $11,695.58, were received at headquarters for shipment overseas; that 429 food parcels valued at $1,971.61 were forwarded to the British Food Ministry, with the sum of $909.44 received for the Provincial Food for Britain Fund.

The following members were present: Mrs. Cecil L. Brown, Hamilton; Mrs. J. B. Smart, Waterdown; Mrs. Scott Murray, Ottawa; Mrs. W. A. McFaul, Hamilton; Mrs. Allan Hollinrake, Hamilton; Mrs. M. S. Somers, Tillsonburg; Mrs. L. L. Skuce, Milton; Mrs D. W. McGibbon, Toronto; Mrs. R. E. Clarke, Peterborough; Mrs G. R. Millard, Brantford; Mrs. Alan McIntosh, Hamilton; Mrs. A. W. Turner, Peterborough; Mrs. E. H Lancaster, St. Catharines; Mrs. Lionel H. Millen, Port Nelson; Mrs. C. F. Washington, Walkerton; Miss Jeanne Knapman Hamilton; Mrs. W. C. Vaughn, St. Catharines; Mrs. W. Sidney Kidd, Ottawa; Miss Daisy Taylor, Ottawa; Mrs J. H. Watt, Toronto; Mrs. Cecil Bale, Niagara Falls; Mrs. R. C. Bennett, Hamilton; Miss Xenia Knechtel, Hanover; Mrs. Fred MacKay, Owen Sound; Mrs. W. J. McCoy, Toronto; Mrs. G. U. McIntosh, Toronto; Mrs. H. E. Munro, Toronto; Mrs. A. P. Sharpe Toronto; Mrs W. E. Turville, St. Thomas.

The General Allenby Chapter of Hamilton, entertained at a delightful luncheon to compliment Mrs. Cecil L. Brown, a former Regent of the Chapter.

DEPICTING VICTORIAN TREND are the ABOVE models. LEFT, white satin with finely pleated skirt and train, pleated net stands up around off-shoulder fold of bodice which is yoked high with marquisette. CENTRE, white faille with separate long-sleeved bolero and detachable train designed to be worn later as evening gown. Bodice is strapped over shoulders and train attached under peplum-like banding of skirt. AT RIGHT, a lavish look is achieved in white brocaded satin with double folds of fabric trimming top of bodice yoked with marquisette. Skirt is finished with bustle-like back and wide train.

Campbellford Couple Marks 50th Wedding Anniversary

On September 8 Mr. and Mrs. Alfred Barnum, Campbellford, celebrated their fiftieth wedding anniversary by being at home to their friends and neighbors. The couple were married by Rev. M. Metherill at the Methodist parsonage, Campbellford, in 1898. The home was beautifully decorated with gold streamers, white bells, gladioli and other flowers for the occasion.

During the afternoon friends called to extend congratulations and were served refreshments, Mrs. Stewart Nelson and Mrs. Ernest Sloggett pouring tea assisted by Miss Laura Petherick, Mrs. Gerald Barnum and Margaret Nelson.

In the evening about 125 friends gathered to extend good wishes, after which all were invited to the lawn and Mr. and Mrs. Barnum given special seats by Rev. P. J. Lambert, chairman for the occasion, and the following address was read by Mr. Lindsay Anderson, after which they were presented with a beautiful lounge chair and mirror by Ernest Irwin, Albert Petherick and Tom Fry, on behalf of the friends and neighbors and Zion United Church.

Dear Friends:

So often when we meet in this manner there is cause for sorrow as someone is usually leaving our community, but this evening there can be nothing but rejoicing as two very dear friends have reached the seldom attained goal of 50 years happily wedded life, all in their home community and better still they continue to reside among us. Nor have we even paid tribute to a couple who more justly deserved all the fine things that could be said about them. For down through these many years, you have given the very best that either of you could give whether the church or community in generous, loving Christian service.

And tonight as your many friends and neighbors have gathered here to do you honor, and wish you all manner of joy on this, your golden wedding anniversary. We ask you to accept these gifts, with the prayer in our hearts that God many grant you many more happy years of service among us.

Signed on behalf of your neighbors and the members of Zion congregation, Albert Petherick, Thomas Fry, Ernest Irwin, Lindsay Anderson.

Mr. Barnum, on behalf of his wife and himself, graciously thanked them for the beautiful gifts, a pressure cooker from Mrs. Barnum's sisters and brothers, a silver cream, sugar and tray set from Mr. Barnum's sisters and brother, a gold necklace and a gold lodge ring from the family.

There are five children, Mrs. Ernest Sloggett (Nettie), Mrs. Stewart Nelson (Verna), Campbellford and three sons, Harry, Clarence and Gerald, farmers in the district; also seven grandchildren.

Mr. and Mrs. Barnum just recently returned from a two months' trip to Saskatchewan and the United States.

LOBA Chapter Holds Banquet

The fourth annual birthday banquet of Crystal Chapter No. 19 L.O.B.A. was held in the Orange Hall, Brock St., on Friday. Forty-three members were present including Mrs. M. Croakatt, of Hamilton, Grand Senior Preceptress B.A. and Most Worshipful Grand Mistress L.O.B.A. British America Mrs. Margaret Scott, of Toronto. Senior Preceptress Rose Sexsmith presided at the banquet and extended a hearty welcome to the honored guests and members.

Seated at the head table were Mrs. M. Crockatt, Grand Senior Preceptress B.A., Mrs. Margaret Scott, Most Worshipful Grand Mistress B.A., Preceptress Myrtle Sproats, Grand Auditor, Senior Preceptress Rose Sexsmith, Mrs. Freda Pilling, Deputy Grand Mistress Ontario East, Preceptress Lunn, Grand Lecturer, Junior Preceptress Smith.

Toasts were the King proposed by Senior Preceptress Rose Sexsmith, Grand Chapter proposed by Preceptress Thompson responded to by Grand Senior Preceptress Mrs. M. Crockatt, Most Worshipful Grand Lodge, proposed by Deputy Grand Mistress Preceptress Pilling responded to by Most Worshipful Grand Mistress B.A. Mrs. Margaret Scott.

The tables were beautifully decorated with cut flowers and favors and centered with the birthday cake, which was cut by Grand Senior Preceptress Mrs. M. Crockatt and Senior Preceptress Rose Sexsmith. After a sumptuous banquet, the preceptress retired to the Chapter Room where the Ceremonial was conferred on a candidate and an Honorary Membership was conferred on Preceptress Elliott.

Married Couples Enjoy Corn Roast

Twenty-one members of Knox Married Couples Group accepted the invitation on Friday of Mr. and Mrs. John Donaldson to meet for a corn roast at their cottage at Chemong Lake. A social hour was spent by the camp fire with singing led by Mr. Jack Clarke, before the refreshment committee, Mr. and Mrs. Norman Hughes and Mr. and Mrs. Jack Clarke announced the meal was ready.

The president, Mr. William Gaskin, closed the meeting with a short worship period with the Rev. H. G. Douglas leading in prayer and Mrs. Evan McIlwraith reading the theme for the evening followed by all singing "Blest Be The Tie That Binds."

Menus For Special Purposes

By MARY MOORE

Low-Calorie Dinner
Broiled Sliced Tenderloin
(4 oz. lean 200 cal.)
Broiled Tomato Halves (25 cal.)
Broiled Apple Rings (½ apple 40 cal.)
Beet, Celery and Potato Salad
—6 oz. with minimum of dressing 60 cal.)
Bunch of Chilled Concord Grapes
(medium bunch 75 cal.)
Clear Coffee (o cal.)

High-Calorie Low-Cost Dinner
Boiled Corned Brisket Beef
Creamed Cauliflower or Broccoli
Mashed Potatoes
Green Apple Pie Coffee

One-Burner Dinner
Pan-fried Sausages with Milk Gravy (see notes)
Whole Tomatoes stuffed with Celery and Cucumber Salad
Potato Chips
Ice Cream Canape (on cake) with Fresh Peach Topping Coffee

Directions:

The assorted grill in our Low-Calorie dinner is very interesting to look at and if the toamtoes and tenderloin are spread very thinly with butter they will bubble a bit when broiled.

The milk gravy on the suasages is a Missouri touch. When sausages are done remove them to hot platter. Add about 2 or 3 tablespoons flour to pan, plus some salt and pepper, and stir until blended, then stir in about 1½ cups milk—the richer the better. Bring to boiling point and pas at table. Missourians insist that this should not be strained—the flecks or "chitterlings' from frying the sausage add to the flavour.

Florence Gynane's Gown Grecian Style Marquisette

St. John's Anglican church, prettily decorated with ferns and palms, was the scene of the marriage of Florence Gynane to Gilbert Frank Scott, on Saturday afternoon. The bride is the daughter of Mrs. A. Gynane and the late Mr. J. E. Gynane, and the groom is the eldest son of Mr and Mrs. Frank Scott of London, Ontario. Archdeacon W. P. Robertson officiated at the ceremony, and the music was played by Mr. Fred Mann. During the signing of the register, Mrs. D. Landry sang "O Perfect Love."

The bride was given in marriage by her brother, Wilfred Gynane, of Ottawa, and she wore a gown of white embossed marquisette with nylon yoke. The skirt was in Grecian style, caught with satin bows, showing a four-tiered under skirt of lace. Her floor length veil was of embroidered tulle, with Mary Queen of Scots headpiece, edged in seed pearls. She carried a cascade of white roses, bouvardia and white gladioli florets.

Mrs. G. Hickey, sister of the bride, was matron of honor, and bridesmaid was Miss Patricia Moyles. They were frocked in gowns of pink and blue sheer, in princess style, with peplum on skirts. They wore matching hats and mittens, and carried cascades of yellow gladioli.

The best man was Mr. L. Scott, brother of the groom, and the ushers were R. Gynane and G. Hickey.

The reception was held following the ceremony in St. John's Parish Hall, where the bride's mother received, wearing a dress of aqua blue chantilly lace, with hat of black felt. She had a corsage of Briarcliffe roses. The groom's mother, who assisted in receiving, wore a dress of grey silk crepe, with hat of grey felt, and a corsage of Briarcliffe roses.

Later the bride and groom left for a trip to Northern Ontario. For travelling the bride wore a green gabardine suit, with matching hat and brown accessories. She wore a corsage of pink carnations. Following the trip they will live at 209 Raymond Avenue, London, Ontario, where the groom will resume his studies at Western University.

Marmora News

Members of LOL 319 attended the decoration service of No. 1 District Centre, Hastings, at Wellman's Corners on Sunday afternoon.

Week-end guests included Mr. and Mrs. Greer Yearwood and family of Madoc, with Mr. and Mrs. Thomas Smith; Mr. and Mrs. J. W. Nayler of Madoc, with Mr. and Mrs. F. Hulsman; Mr. Harry Black of Toronto, with his parents, Mr. and Mrs. James Black; Mr. and Mrs. John Warren of Peterborough, with the former's mother, Mrs. Teresa Warren; Miss Jean Shannon of Peterborough, with her parents, Mr. and Mrs. Michael Shannon.

Mrs. T. J. Byrnes and son have returned from a visit to relatives at North Bay and Oshawa.

Mr. Leo Forestell left recently to attend the Seminary of the Jesuit Fathers at Guelph.

Mrs. James Black and Miss Cecile Black are spending holidays in Toronto.

Mr. and Mrs. Roy Snell of St. Thomas are spending holidays at Marble Point Lodge.

Household furniture of Mr. Wilford Beatty were disposed by auction at his home on Saturday afternoon.

Bethany News

Miss Emily Griffiths, Boston, Mass., spent several days in Bethany and vicinity last week.

Rev. W. Crandall and Mrs. Crandall attended the Bay of Quinte Conference meeting held in Whitby during the week.

Miss Muriel McKinnon, Toronto, spent the weekend with her parents, Mr. and Mrs. James McKinnon.

Mr. and Mrs. Robert Fair, Toronto, visited with Mrs. Richard Fallis over the weekend.

A benefit baseball game, Outboard Marines vs Bethany will be played in Bethany Athletic Park on Wednesday, Sept. 15 in aid of Bert Ginn, popular member of the Bethany team, who was injured in last week's game.

Miss Elsie Richardson is spending this week in Woodville.

SEVEN-LEAGUE BOOTS

In the era of Henry VIII the leather of soles of shoes were made so wide at the toe, that the imprint looked like the mark of a shovel.

Shirley Elizabeth Holman Bride at Cobourg Saturday

COBOURG, Sept. 13 (ENS) — Gladioli, palms and ferns were the setting for a pretty wedding in Trinity United Church on Saturday afternoon, when Shirley Elizabeth, daughter of Mr. and Mrs. George H. Holman of Cobourg was united in marriage to Mr. Jay Sydney Hinman, son of Mr. and Mrs. F. V. M. Hinman of Cobourg. Rev. W. P. Woodger officiated. Mr. Arthur Jones was soloist and the wedding music was played by Mr. Alfred Mortimer.

The bride was given in marriage by her father and her gown of petal white satin was fashioned with torso-length bodice, long sleeves and bertha of Swiss lace with a deep peplum of the lace from which the skirt formed a circular train. Her full-length veil was caught with matching cornet head-piece and she carried red roses and stephanotis.

She was attended by her three sisters, Misses Ruth, Norma and Barbara Holman, and Miss Grace Hinman, sister of the groom. They wore similar floor length gowns in heavenly blue, gorgeous rose, American Beauty and sprite green velvet with white lace Dutch caps and matching elbow-length mittens and carried old fashioned nosegays. Little Gayle Mugford, cousin of the bride, was flower girl, frocked in white taffeta with matching Dutch bonnet and carrying a nosegay of pink roses.

The groomsman was Mr. Donald Earle of Cobourg and the ushers were Mr. John Parkinson of Toronto, Mr. Gerald Stevenson of Kingston and Mr. Bill Sprung of Cobourg. The reception was held at the Lakeview House where the bride's mother received the guests in a gown of navy crepe with powder blue accessories and corsage of pink roses and was assisted by the groom's mother in Victorian wine crepe with matching accessories and corsage of chrysanthemums in autumn tone.

For travelling the bride chose a mulberry gabardine suit with black accessories and a corsage of pink roses' and feather petals.

HERE'S REAL COFFEE!

IT'S FINER... IT'S RICHER
IT'S CHASE & SANBORN
TASTE IT!

● When you taste this finer, richer Chase and Sanborn, you'll agree it's *different*... so delicious... so distinctly 'right'... words can't do it justice. You'll call it, "real coffee... the finest money can buy!" Your grocer has it vacuum packed and in the economical paper bag. Get a pound of Chase & Sanborn today!

Really Soft

YOU WOMEN WHO SUFFER HOT FLASHES then FEEL CHILLY-

Here's Good News!

Are you between the ages of 38 and 52 and going through that trying functional 'middle-age' period peculiar to women? Does this make you suffer from hot flashes, feel clammy, *so nervous*, irritable, weak? Then DO try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! It's famous for this!

Many wise 'middle-age' women take Pinkham's Compound regularly to help build up resistance against this distress.

Pinkham's Compound contains no opiates—no habit-forming drugs.

It *helps nature* (you know what we mean!). This great medicine also has what Doctors call a stomachic tonic effect.

NOTE: Or you may prefer LYDIA E. PINKHAM'S TABLETS with added iron

Of Interest to Women

DOROTHY DIX

Baby-Sitting As Career Suggested For Widows

DEAR MISS DIX: I was left a widow and I was wondering how I would keep from being lonely and growing old when a friend suggested taking up baby-sitting as a career. So many young mothers simply are frantic because they cannot go out at night with their husbands to any place of amusement because they have no reliable person with whom to leave the baby. Others who have had to give up their afternoon bridge parties can't even go down town shopping. They are tied down like slaves to Junior's cradle.

Dorothy Dix

So I put an advertisement in the paper, giving my credentials saying that I would be glad to serve as a baby-sitter at forty cents an hour, day or night, and I have been simply overwhelmed with customers. I find the work pleasant because it brings back memories when my own children were babies. It keeps me from spending lonely evenings and gives me money that I need, and I feel that I am a real missionary to young mothers who sorely need some help.

MRS. M. C.

✧ ✧ ✧

ANSWER: I call the attention of all lonely middle-aged and elderly women, who don't know what to do with their time (that they have too much of), and who need a little pocket money, to this new avenue of employment that has opened up for them. It is a godsend to all concerned.

Changes Status

It is an occupation that should appeal to women who have had to go to live with their children, who are hard pressed for money themselves and cannot afford to give Mother any more than her bare living. They may not be strong enough to do heavy work but they are able to watch over and care for sleeping children.

These women, having been mothers themselves, know far better than any school girl could how to care for youngsters, and what to do in any emergency. And the extra money that they would earn would change their whole status in their children's homes, and turn them from dependents into paying guests.

And the baby-sitting would seem like an angel sent from Heaven for the delivery of many a poor bored young mother from imprisonment in a concentration camp, to freedom. A baby can be the greatest tyrant on earth, and many a girl mother whose feet ache to dance is tied so tight to Junior's crib that she can't go out for a game of cards, or a dinner. Nor can she get any change of scene, as she has to let her husband go out at night with gay friends while she stays at home and watches the baby sleep. She becomes a veritable martyr.

Perhaps there never will be again a plenitude of good old family servents to help rear the children, as there used to be. But there always will be lots of elderly women who need to earn a little pocket money; so the institution of the baby-sitter fills a long felt want.

✧ ✧ ✧

DEAR MISS DIX: Are people of middle age supposed to feel all the thrills of love that are common to youth? Or what should they feel? Are common interest and respect more to be considered in middle age than heart throbs and wild emotions?

A. B. C.

✧ ✧ ✧

ANSWER: Emotions are a matter of temperament, and age has very little to do with it. That is, of course, if you eliminate childishness. Probably no grownup person can have as violent an attack of being in love as teenagers do. They are about the only ones who lose their appetities over some girl or boy on whom they have a temporary crush.

Middle-aged people, as a rule, take their love affairs soberly and quietly. They don't cry their feelings aloud to the world, but they are capable of a deep and lasting devotion.

FLORAL ART SCHOOL—Feature of the recent session at the 51st annual convention of the Allied Florists and Growers of Canada in Montreal, was the Floral Art School, with "Buster" Bertrand, Montreal floral designer, in the "professor's" chair. Photo shows Miss Alma Graham, Hamilton, examining a floral preparation with Bertrand, Left, and Joseph A. Whitmore, secretary-treasurer of the association, Right, looking on.

THE STARS SAY . . . . .

By GENEVIEVE KEMBLE

For Tuesday, September 14

A general condition of turmoil, strife, and complications, with disruption and defeat entering into all relations, both personal and business is forecast. Under such baneful and menacing circumstances, domestic, affectional, social and financial interests call for reserve of feelings and emotions, tongue and temper, since any show of impulsive or ill-governed tactics could wreck most cherished ambitions and important objectives. The one hope for the salvage of plans and projects would be in calm, astute and conservative techniques, with strategical development of well-laid plans.

For the Birthday

Those whose birthday it is may find themselves channeled in a year of disruptive and aggravating situations, menaced by rash and intemperate tactics, with wild acts and ungoverned speech alienating friendly interests, both in business and private relations. Complications in home and social contacts, with a tendency to hasty, exaggerated acts and words, could completely break down high hopes and aspirations, with unhappy reactions on health and general well-being. With a strict reign on rash emotions, and with tact, composure and strategic manipulation of difficult and dangerous cliches, there might be ultimate success with definite benefits. Settle basic issues.

A child born on this day, while emotional, impulsive and wayward, to its detriment, could with prudent consideration and strategem, avert disruptions and personal dangers.

IODE Votes $25 To Inhalator Fund

LAKEFIELD, Sept. 13—(ENS).—The regent, Mrs. L. Quackenning, when the Catharine Parr bush, presided on Thursday eve-Traill Chapter, IODE, held the first meeting of the fall season at the Curry home.

In the business period which followed the opening ceremony, it was decided to boost the donation to the Lakefield Agricultural Society to $15. This money is used for prizes in the children's exhibits at the local fair. A donation of $25 was also made to the fund now in existence to buy an inhalator for the village.

The scholarship money, given to leading students in the honor matriculation and entrance examinations, which is donated by the September meeting of the Home and School Association instead of at the annual commencement as in previous years.

Mrs. Ken Morris was appointed convener of the "Snack Bar" which will be held under the auspices of the Chapter at the Lakefield Fair again this year. Hamburgers, pie, home-made candy and drinks will be for sale.

Mrs. W. J. Charlton favored those present with a humorous reading, which was greatly enjoyed.

At the conclusion of the meeting refreshments were served.

Douro Personals

Mr. John Devlin has returned to Gore Bay to resume his duties in the high school there; Jack Sheehan has returned to Honey Harbor to resume teaching. Miss Teresa Moher left for Linwood where she has accepted a position in a two-roomed school. Miss Cecelia Towns will teach at Deloro next year.

Local schools re-opened Tuesday. Miss Isobel Heffernan is again at SS No. 1; Miss Rita Heffernan at SS 3; Kevin Leahy at SS No. 4; Miss Teresa Cavanagh at SS No. 5; Mr. Frank Maloney of Ennismore succeeds Miss Cecelia Towns at SS No. 7; Miss M. Walsh of Hastings succeeds Miss Teresa Moher at SS No. 8; Miss Haney of Toronto is again at SS No. 9.

Tea Given In Lakefield In Honor of Mrs. Simpson

LAKEFIELD, Sept. 13—(ENS).—Mrs. Reg. Doubt opened her spacious home, "Raydon Manor," on Friday afternoon for a tea in honor of Mrs. J. M. Simpson, who leaves in the near future to make her home in Penetaquishene. Present were Mrs. Simpson's neighbors and members of the executive of the Lakefield Red Cross Society, of which Mrs. Simpson was a most valued member.

The tea table was covered with an Italian cut work cloth and centred with single asters and other fall flowers beautifully arranged in a silver bowl.

Mrs. W. W. Leonard and Mrs. M. M. Young poured tea. Assisting in serving were Mrs. J. O. Huddart, Mrs. F. L. Erskine, Mrs. S. A. Grylls and Misses Denise and Nancy Doubt.

During the afternoon Mrs. T. W. Chaplin gave a short address, and Mrs. Clarence Coons, on behalf of the neighbors, presented Mrs. Simpson with a black leather handbag. Mrs. Leonard also spoke a few words to Mrs. Simpson on behalf of the Red Cross and Mrs. W. E. Gillman made the presentation of a white gold glamor pin.

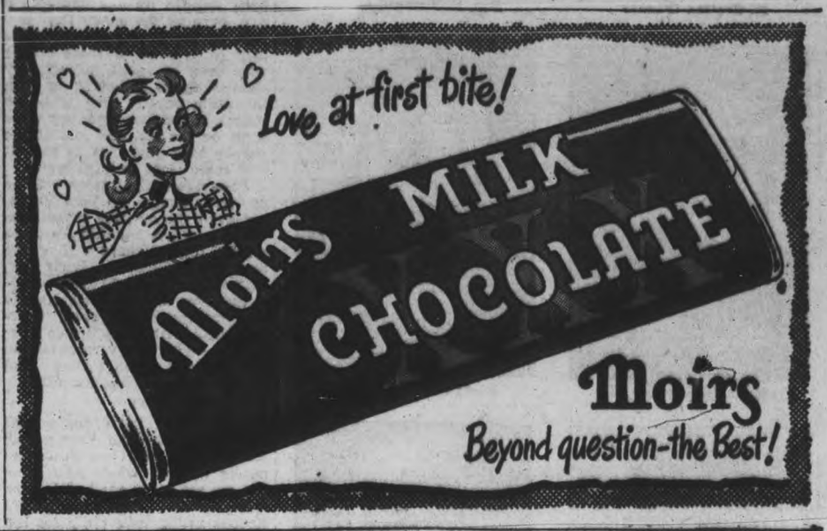
Mrs. Simpson thanked her friends and neighbors sincerely for their gifts and the accompanying good wishes.

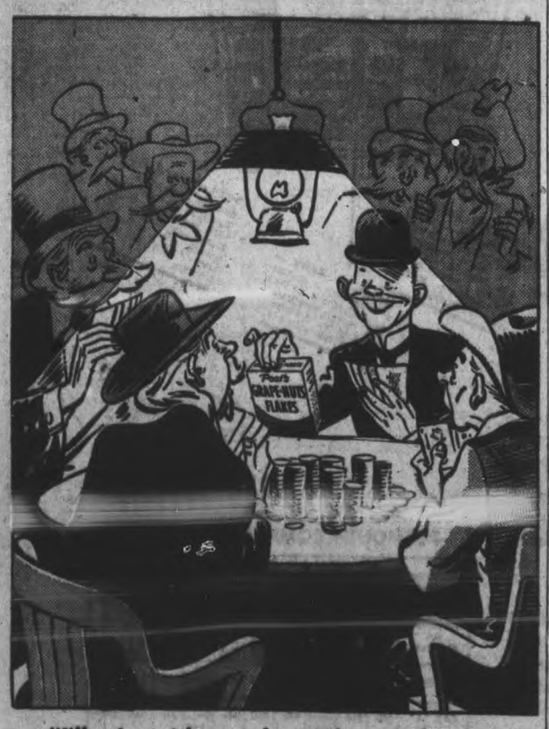
TINKLING SHOES

The long pointed shoes of the Middle Ages reached such fanciful proportions that at one time the points were fastened up to the knees with tassels and bells.

ETERNAL CITY

Some think the name Rome is derived from the word "rumon" meaning river, so that Rome would signify "city beside the river."





"I'll raise with a package of super-delicious Post's Grape-Nuts Flakes"

"OK, pal. That's a blue chip if I ever saw one—speaking deliciously, of course."

"And these malty-rich, honey-golden Post's Grape-Nuts Flakes are a whole stack of good nourishment."

"A spadeful of carbohydrates for energy."

"And minerals for muscle and growth and rich blood."

"Using two grains instead of one in making Post's Grape-Nuts Flakes is a pair that really pays off—in double breakfast enjoyment and rosy-cheek nourishment."

"Fellahs—I think I'll pop over to the grocer's right now and buy up enough Post's Grape-Nuts Flakes for a full house."

The Men Behind P.C. Convention

M. Grattan O'Leary

Don. H. Morrow, M.L.A.

Frederick G. Gardiner, K.C.

George C. Nowlan, K.C.

G. Russell Boucher, M.P.

Clarence V. Charters

A group of the key men who are busy organizing the Progressive Conservative National Convention which will be held for three days starting September 30 in Ottawa's Coliseum to choose a new leader for the Party in succession to Hon. John Bracken, M.P., and to restate the Party's platform.

Top left is M. Grattan O'Leary, associate editor of the Ottawa Journal, chairman of the Ottawa Local Arrangements Committee and temporary convention chairman who will deliver the keynote speech at the opening session on Thursday morning. Top right is Donald H. Morrow, M.L.A. for Carleton County, Secretary of the Ottawa Local Arrangements Committee.

Center left is Frederick G. Gardiner, K.C., Toronto, chairman of the important Resolutions and Policies Committee whose 193 members will meet in Ottawa two days prior to the convention to consider the hundreds of resolutions submitted.

Center right is George C. Nowlan, K.C. of Wolfville, N.S., chairman of the Organization and Public Relations Committee, which will review publicity and general organizational matters.

Lower left is G. Russell Boucher, M.P. for Carleton, chairman of the Transportation Committee which is making arrangements to transport to and from the convention 1,313 delegates, 765 alternates and a large number of other guests.

Lower right is Clarence V. Charters, Public Relations Director for the Progressive Conservative Party, who is handling much of the organizational details and publicity for the convention, and serving as liaison between the local committees and National Headquarters.

Hope Changes Patter Gets New Cast

By RALPH DIGHTON.

HOLLYWOOD, Sept. 13 (AP). —Bob Hope hits the air waves to-morrow night with a new show, new cast, new product and a new time.

"It's a whole new deal," says Hope. "Practically a new deck—everything's new but the joker.

"I may even find I'm talking to a new audience. For the first time in 10 years, the program has been stepped up one hour—to 6 p.m. here on the coast. That is 9 p.m. in the East and means we may catch a lot of those people who used to snore through my show without bothering to turn the radio on. It used to be 10 o'clock in the East when my show went on the air, and lots of the people back there go to bed at 9:30 come Hope or high water."

To-morrow night there will be no Jerry Colonno, no Vera Vague, not even the opening monologue which long has been Hope's trade mark. Instead there will be the new movie discovery, Doris Day, who was a top-flight radio songstress even before Hope had to stop making cracks about Crosby's girth. And Les Brown's orchestra—with heavy emphasis on a new sweet string section. And a new baritone, Bill Farrell.

Sentimental Loss

"There will be a sentimental loss with Jerry and Vera gone," Hope said. "But we think the public wants a whole new show and we are doing our best to give it to them." Last year Hope's Hooper rating took a dip for the first time in seven years.

"This year the show is so new it may even stink," he says. "But if worse comes to worst, we still have Hope."

So thorough-going is the change-over that Hope has let eight writers go—men who had been with him a long time.

"I've got six new boys now, with a lot of fresh ideas. The whole framework is different. We are depending more on situation comedy, than just straight gags. It used to be that one writer could do one spot, and another would do a different spot. Now we are criss-crossing the scripts, so that every writer gets a chance to say his piece about every spot."

$350,000 Fire

CALGARY, Sept. 12—(CP)—A spectacular fire, fed by large stores of highly combustible materials, Friday night destroyed a two-storey brick building in a $350,000 fire that city firemen fought for more than four hours. Premises of the Canadian Fairbanks-Morse Company and the Electrical Contracting and Machine Company were demolished.

Visit Not Significant

OTTAWA, Sept. 13 — (CP). — A government spokesman said Sunday there is "no particular significance" to the arrival in Ottawa of Hume Wrong, Canadian Ambassador in Washington. The high-ranking diplomat came to the capital by plane Sunday just two days after the announcement that L. B. (Mike) Pearson, former undersecretary of state for external affairs, will be taken into the cabinet as external affairs minister.

AT TOP IS THE New York Central's 20th Century Limited which began operating June 15, 1902. It consisted of five wood and steel cars accommodating 42 passengers. At BOTTOM is the newest version of the extra-fare New York-Chicago Limited which goes into service next week. Built at a cost of slightly more than $2,000,000, it consists of 16 cars with accommodations for 253 persons in 137 units. Train usually carries about 160 passengers.

Cabinet Changes To Be Few Until End Of Year

OTTAWA, Sept. 13.— (CP).— Appointment of L. B. (Mike) Pearson, Undersecretary of State for External Affairs, to the Cabinet possibly will be the only change made in government ranks until late this year.

The appointment of Mr. Pearson to the post of Minister for External Affairs ended speculation that there would be several cabinet changes prior to the departure of Prime Minister Mackenzie King Monday for conferences overseas.

Actually there are no cabinet vacancies. In giving up the external affairs portfolio, Rt. Hon. St. Laurent retained the Justice portfolio. Mr. St. Laurent entered the cabinet as justice minister in 1941. He relinquished the justice portfolio about two years ago to Rt. Hon. J. L. Ilsley who resigned in June to return to private law practice.

When Mr. Ilsley resigned, Mr. St. Laurent was re-appointed justice minister, although the actual work of the department mainly was handled by Solicitor General Jean.

Keeps Portfolio

On giving up the external affairs portfolio, Mr. St. Laurent retained that of justice. He is expected to keep the justice portfolio until he takes over the prime ministership from Prime Minister Mackenzie King.

Mr. King told a Friday press conference that he will hand over the prime ministership when he returns early in November from a United Nations meeting in Paris and a conference of empire prime ministers in London.

When Mr. King leaves the cabinet, it is believed that Premier Stuart Garson of Manitoba will be asked to accept the justice department portfolio.

The offer to Mr. Garson may be associated with several other cabinet changes. There are unofficial reports that Resources Minister MacKinnon will go to the Senate and that Postmaster-General Bertrand will go to the Bench.

8 Civilians Killed

JERUSALEM, Sept. 13 — (AP). — Eight Jewish civilians and a soldier were killed by gunfire and a number of others were injured during the last 24 hours, a Jewish source said Sunday night. The victims included a father and his two children, this source said.

Record 20 Accidental Deaths Throughout Eastern Canada

By The Canadian Press

Traffic mishaps and drownings accounted for 17 of the 20 accidental deaths recorded by The Canadian Press during the week-end throughout Eastern Canada.

There were 12 deaths from various street accidents and five drowning victims. Another was asphyxiated, one child died under a toppled stove and a fisherman suffered a fatal heart attack after hooking a big tuna off the Nova Scotia coast.

Among the long list of traffic deaths was that of a 15-year-old boy, said to be an escapee from the boys' training school at Bowmanville, found dead on the highway near Hamilton Sunday. Police say the boy evidently had been struck by an automobile that failed to stop.

Western Ontario had an unusually heavy list of accidents. Douglas Rachar, 20, died at Woodstock from injuries suffered in a motorcycle accident. A. C. Shoebottom, 36, was fatally injured when a gravel truck was in an accident at London. George Guffin, 59, died at Thamesford Sunday after a collision between his motorcycle and a car, and Mrs. Helen Iutzi of Petersburgh was killed in a collision near Elginfield Sunday. John Scoons, 71, died Sunday at Guelph from injuries received in a car accident Saturday.

Hit By Street Car

At Toronto Mrs. Amy Whalen died Sunday night from injuries received when struck by a streetcar. Ross Kent, 21, died at Toronto Sunday after a motorcycle accident Thursday.

Four other traffic deaths were in Quebec.

Among the drownings was that of one-year-old Peter Pow, who was found dead in the watering trough on his parents' farm near Simcoe Sunday.

John A. Phillips, 24, was drowned while swimming in Lake Huron near Sarnia Sunday. The body of Otto Kuntz, 60, was found Sunday in Paradise Lake near Kitchener, and the body of Joseph Syti, 27-year-old immigrant from Europe, was found in a pond of the old Welland Canal near Thorold. At La Blanc, Que., the body of Claude Bond, 14, was recovered.

Mrs. Howard Keller was found dead in her home at Kitchener Saturday, victim of fumes from a gas stove, and her husband was taken to hospital. At Hamilton Saturday one-year-old Howard Leighton was found dead in the backyard by his father. The youngster had pulled a light stove on top of himself.

43 Terrorists Die

LONDON, Sept. 13.—(Reuters). —Forty-three members of the Ustashi Croat terrorist organization, sentenced to death at Zagreb Aug. 27, were executed there Sunday, Belgrade radio reported Thursday night. Twenty were hanged and 23 shot in accordance with the sentences passed. All had been convicted of spying against Yugoslavia.

Is GETTING UP Getting you Down?

If morning finds you only half rested, still weary—if your sleep is broken by fitful tossing and turning—your kidneys may be to blame. When your kidneys get out of order, your sleep usually suffers. To help your kidneys regain a normal condition, use Dodd's Kidney Pills. Dodd's help the kidneys get rid of poisons and excess acids in your system. Then your uneasiness disappears—you can enjoy restful unbroken sleep—and awake refreshed and ready for work or play. Get Dodd's Kidney Pills today. 147

Baby Sitter Killed

ST. PAUL, Minn., Sept. 13. — (AP).—The body of a missing 13-year-old girl baby sitter was found late Saturday in a shallow grave near St. Paul. Police said the child had been strangled to death. The victim, Juanita Mendel, daughter of Mr. and Mrs. Maurice Mendel of St. Paul, had been missing since Aug. 9 when she left home to answer a call for a baby sitter.

Dog Finds Convicts

HAMPTON, N.B., Sept. 13 — (CP). — Trailed by a police dog after escaping from the Kings county jail here Saturday, two prisoners were recaptured and returned to their cells seven hours later. Frank Joseph Robichaud, 26, Richibucto, N.B., and Eugene Ouellette, 17, Quebec, dug under the jailyard fence and were found hiding in a marsh a half mile away.

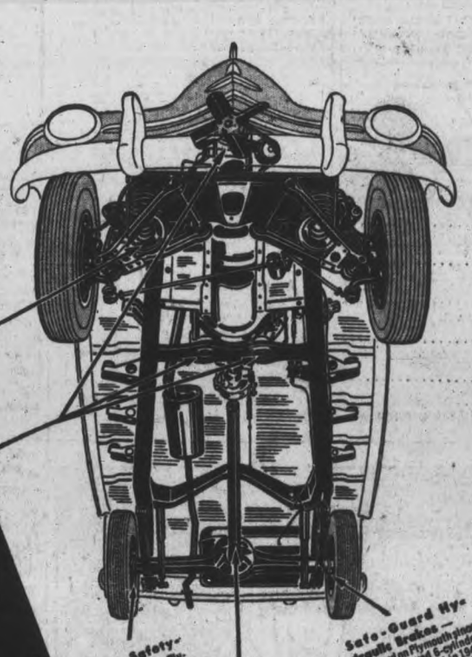
AUTHORIZED GOODYEAR DEALER

Let's look at VALUE!



Amola Steel, Coil Front Springs — A Plymouth feature since 1939. This advanced springing permits each front wheel to "step over" road irregularities independent of its opposite wheel.

Floating Power Engine Mountings (Neutral-Axis)—Prevent engine vibrations being transmitted to body of car. Contribute to comfort, smoothness and long car life. Introduced by Plymouth in 1931.

Plymouth Safety-Rim Wheels — A Plymouth safety feature since 1941. These famous rims and Super-Cushion tires provide Plymouth owners with double protection in case of blowouts.

Hotchkiss Drive — Provides smooth, cushioned starting and stopping. Rear springs absorb starting impulses. A Plymouth comfort feature since 1928.

Safe-Guard Hydraulic Brakes — Standard on Plymouth since 1928. Improved in 1946. Safer, smoother brakes. Higher, smoother steps with 25% less pedal pressure.

CHRYSLER ENGINEERED

Plymouth HAS ALWAYS BEEN YEARS AHEAD IN VALUE!

There's only one way to judge real car value, and that is—check and compare!

PLYMOUTH, in the low-priced field, offers the greater comfort and safety of *Super-Cushion tires* on new, wider *Safety-Rim Wheels* . . . the added protection of 6-cylinder Safe-Guard *Hydraulic Brakes* . . . the smooth, silky performance of *Floating Power*.

But this is only *part* of the great PLYMOUTH VALUE story. Study the chart at the right. You'll see that Plymouth owners have enjoyed these features for years as STANDARD equipment—but only *now* are *some* of them being made available either on car "A" or car "B". Is it any wonder that people say—"You get the good things FIRST from Chrysler!"

AND HERE'S THE PROOF

PLYMOUTH COMPARISON CHART

All these features are STANDARD equipment on Plymouth	Acrylonite Hydraulic Brakes	Neutral-Axis Engine Mountings	Hotchkiss Drive	Gilco Filter in Gas Tank	Floating Oil Intake	Oil Filter (Removable)	Coil Front Springs	Safety-Rim Wheels	Low-Pressure Tires (Tubeless)	Wheelbase
PLYMOUTH	Yes	Since 1931	Since 1928	Yes	Yes	Yes	Since 1939	Yes	Yes	117"
CAR "A"	No	No	Since 1948	No	No	No	Since 1948	No	No	114"
CAR "B"	No	No	No	No	No	No	Since 1934	No	No	116"

FIX THAT IMPRESSION

YOU HAVE a repair job to do if you have given the impression, by some bid, pass or double, that your hand is stronger than it is, or that it is weaker than it is. If you don't fix up that situation in your partner's mind, he may take some action which will cost your side a good many points. Ordinarily the best time to straighten him out in such a vital matter is the first chance you get. When the bidding comes around to you the next time, you should try to find some way to set him aright.

Pass	2 ♠	Pass	3 ♦
Pass	4 ♣	Pass	4 ♥
Pass	6 ♥		

South was suspicious of East's opening bid as soon as he heard it. He had such a powerhouse that there appeared a good likelihood that East was making a psychic bid to impede his opponents, exactly what he was doing. But South also knew how a good hand can shrink in value if nothing worthwhile is opposite it. That would be the case if East happened to have a sound opening bid. So to play it safe, he merely made an overcall instead of trying to show his strength by doubling.

When it came around to him again, however, he had the knowledge that his partner was able to make a free bid over West's spade call. Now he was convinced East had been fenagling. So to tell North about his own power, he cue-bid the spade suit. North then was able to confirm what he had shown, and also indicate diamond control with his bid of 3-Diamonds. When that got to South, he temporized by showing his club control. North confirmed the heart fit then, and South now [illegible]

West led the club K, and the slam was easy, a club being discarded from dummy on South's diamonds and nothing being lost except one trick in spades.

6—In Memoriams

CHURCH—In loving memory of a dear wife and mother, Minnie E. Church, who passed away September 17, 1942.
Your last parting wish
We would like to have heard,
And breathed in your ear
Our last parting word,
Only those who have lost
Are able to tell,
The pain in the heart
At not saying farewell.
—Ever remembered by husband and family.

FLEETWOOD—In loving memory of a dear sister, Helen, who passed away September 11, 1919.
Deep in the heart lies a picture,
Of a loved one laid to rest.
In memory's frame we shall keep it,
Because she was one of the best.
—Ever remembered by her sister Belle.

GREEN—In loving memory of my dear father, Oliver Green, who passed away three years, September 12, 1945.
Gone, dear father, gone to rest,
Away from sorrow, care and pain.
May you rest in peace, dear father,
Until we meet again.
—Ever remembered by his son, Stan Green.

MORE ABOUT—
20th Annual

(Continued from Page 9)

A/C-D/C General Engineering 21-16.

Tennis

Doubles—M. Stoddard and E. R. Elgar defeated runners-up R. G. Mason and G. S. Beale, 14-11.

Horseshoes

Ed Tracy and Doug Norman defeated Paul McConnell and Bill Keir.

It is estimated that the Test Course costs the CGE $250,000 annually; the number absorbed each year depends upon the estimated demand for these men at the time of graduation. For a university graduate this takes two years and for an apprentice without university standing, not less than four years.

A Broad Training

During this period the trainee tests the finished equipment to see that there are no defects and that exact specifications are met. He thus becomes acquainted with a wider variety of electrical equipment than would be possible at a university and he receives practical experience to complement his theoretical training.

In the first year he is observed for aptitude and by the end of the year he is assigned to a particular department. He has in that time received oral lectures and completed four tests: 13 weeks on rotating machines, seven weeks on induction motors, 16 weeks on industrial control equipment and switch gear and 16 weeks on both power and distribution transformers.

In the second year he receives highly specialized training augmented by mimeograhed lectures.

In practice, however, this overall training not only aids the young man in his grasp of the practical and technical problems of CGE, but also a boost up the ladder to an executive position. Many plant managers, district office supervisors and department heads are men who have taken the test course.

It is felt that modern industry is so complex that industrial salesmanship demands the technical knowledge of an engineer. Sales engineers who have taken the test course have a first hand knowledge of the electrical appliances and equipment they are offering to a prospective buyer.

Men who have taken the course, even if they drift to other firms, have a knowledge of CGE equipment and often become customers.

The alumni constitute an exclusive club which for a generation has drawn members from scattered centre across the continent, and greetings from all over the world, when it holds its annual meeting.

Rev. Dr. Semple Not A Candidate

The Rev. Dr. James Semple of George Street United Church has replied to rumors suggesting he would be a candidate for the position of Moderator of the United Church of Canada.

"I am not a candidate for the Moderatorship of the Church," Dr. Semple told the congregation of his church Sunday morning.

"It is high time," he added, "that the west or the east had a man for the high office of Moderator. We have had too many Moderators from Central Canada Toronto, Ottawa and Montreal."

Changes Plea In Court Sentence Suspended

Changing his plea from not guilty to guilty, Talbert Battle of 616 Park St. was convicted today by Magistrate W. R. Philp, KC, on a charge of receiving stolen goods. He was placed on one year's suspended sentence. The accused, operator of a lunch-counter on Park St., North, had been charged following theft of 96 pounds of butter from Silverwood's Dairy on Aylmer St. last July 14.

Evidence given by PC Vern O'Donaghue said that police had found 50 pounds of the butter in Battle's business establishment shortly after the theft. He had paid $20 for the butter, it was said.

Obituaries

KAYE ELLIOTT

Funeral service for the late Kaye Elliott, of 7 McLennan Ave., was held today at the Comstock Funeral Home. The Rev. A. M. Partridge of Mark Street United Church officiated and burial was at Little Lake Cemetery.

She died at her family residence on Friday following a short illness, and was born in Peterborough, daughter of Harvey Elliott and the late Mrs. Elliott. Besides her father, she leaves three sisters, Mrs. C. Gillbank (Thelma), and the Misses Helen and Marjorie. There are two brothers, James E. who lives in Peterborough with the above members of the family and Harvey of Hamilton.

MAX GODFREY KIMBALL

Funeral service for the late Max Godfrey Kimball, 5, of RR 3, Peterborough, was held today at the Nisbett Funeral Home. The Rev. W. E. Kibblewhite of All Saints' Anglican Church officiated and burial was at Little Lake Cemetery.

He died on Saturday in hospital following a lengthy illness and was born in Sussex, England, son of Ross Fredrick Kimball and Louise Godfrey, and came to North Monaghan with his parents two years ago. Besides his parents, he leaves one brother, John Philip, age 2½ years. His family were members of the Anglican Church.

70-Year-Old Woman Drowns In Black Lake

SUDBURY, Sept. 13—

FIREMEN DIG THROUGH the remains of the Central Bottle Exchange in Montreal following a fire that not only demolished the plant but forced 30 residents of adjoining flats out of their homes ahead of the flames.

St. Laurent's Job To Prepare Legislation For Next Session

OTTAWA, Sept. 12 — (CP).— On the shoulders of Rt. Hon Louis St. Laurent will fall the main responsibility of preparing legislation for the next session of Parliament.

Mr. St. Laurent, elected last month to the leadership of the party, will take over the Prime Ministership from William Lyon Mackenzie King permanently, probably some time in November.

It is not known when the next session of Parliament will be called, but Mr. King indicated at a Friday press conference that it will not be this fall. He said he saw no possibility of a session this month or next. Last year the session opened December 5 and ended June 30.

At the press conference, Mr. King announced that L. B. Pearson, Under-Secretary of State for External Affairs, was succeeding Mr. St. Laurent as Minister for External Affairs.

Mr. St. Laurent said he wished to be relieved of his External Affairs duties so he could devote his time to the preparation of legislation for the next session. He did not indicate what measures the government might introduce.

Possibly one of the first things will be ratification of terms under which Newfoundland will join Canada as tenth province.

Shirt Probe

Representatives of the wholesale and retail ends of the men's shirt business will testify this week before the Prices Commission.

The first two days of the shirt probe were taken up with testimony by officials of the five biggest shirt-manufacturing companies. S panies. Next week the Commission will examine the other side of the picture.

Highlights last week were the manufacturers' expression of deep interest in their retailers' profit margins and the statement of one manufacturer that he thinks the prices of top-quality shirts are away out of line.

He and other witnesses blamed the extreme cost of United Kingdom shirting material for some of the big rises in retail prices.

MADE BOLIVIA FREE

More than a century ago, Antonio Jose de Sucre led the patriot forces which freed Bolivia from the Spanish.

PHOTO SHOWS DIANNA BIXBY, who plans on making a round the world solo flight from San Francisco, Calif., late this month. She will fly a British Mosquito bomber on the 21,074 mile course. Mrs. Bixby is a California ranch girl from Santa Paula, Calif. Although many men have flown the globe in speed dashes, the 26-year-old aviatrix will be the first woman to try her luck on the gruelling 21,074 mile flight. She expects to complete the flight in 70 hours.

Papers Praise Viscount's Work

LONDON, Sept. 13 (CP)—The Daily Telegraph today pays a tribute to Viscount Greenwood as one of a group of Canadians who achieved eminence in 20th-century Britain.

Lord Greenwood, 78-year-old native of Whitby, Ont., died Friday at his home here. He had been in ill health for some months.

The columnist, Peterborough, writes in the London day-by-day column:

"He brought from across the Atlantic an attractive intonation, an eruptive force, a humorous twist in his speeches and a glowing devotion to the British Commonwealth of Nations in his mind.

"His political friends loved Hamar Greenwood and his enemies respected him. Whether the job of the moment was pleasant or distasteful he did it with all his might and with an unshakeable good humor and courage.

FAST FOWL

The ostrich can run a mile in two minutes.

Power Station Opened Soon

TORONTO, Sept. 12 — (CP) — Opening shortly of a $10,500,000 generating station at Stewartville on the Madawaska river eight miles south of Arnprior, will add 80,000 horsepower to the Southern Ontario system of the Ontario Hydro-Electric Power Commission.

A statement from the Ontario Commission Friday said Stewartville is the first step in a post-war program designed to add 1,000,000 horsepower to the Commission's generating facilities by September, 1952. Two other big projects now under way are at Des Joachims and Chenaux on the Ottawa river.

When the plant begins operation the flooded area above the dam will cover some 1,100 acres, extending upstream for nearly 13 miles. Two bridges are being reconstructed and raised to meet the new water level at Burnstown and Sprinostown.

The power output from Stewartville will be fed into the Eastern division at Oshawa, over 161 miles of transmission line via the Barrett Chute.

Investment in transmission lines and other works brings the total Stewartville cost to about $13,900,000, said the Commission.

Auction Sale Held

BONARLAW, Sept. 12—(ENS)—The pot luck supper and rummage sale by auction at St. Mark's Church on Wednesday was a decided success. About 40 guests enjoyed the lovely supper which was more like a banquet than a pot luck supper.

After the supper the auction sale took place with Charlie Wellmen as auctioneer. Good prices were realized for all the articles ranging from a tea wagon to a basket of potatoes. The proceeds from the sale were $37.

Want Tax Deductions On Hall Donations

LILY LAKE, Sept. 12 (ENS)— "Seed time and harvest was the theme of the talks given by Mrs. Hunter, at the monthly meeeting of the Lily Lake Women's Association on Thursday afternoon.

Mrs. White was the hostess for the occasion with Mrs. A. Ackinson co-hostess. The president Mrs. George Middleton was in the chair, when Mrs. Arthur Hancock read the Scripture reading and Mrs. Clarence Hancock led in prayer.

Mrs. J. A. Middleton gave the Treasurer's report which showed a balance of $696.70. The secretary Mrs. Ackison presented her report.

Mrs. Wm. Steinkrauss introduced Mrs. Hunter who taught school at Lily Lake some years ago. A vote of thanks on behalf of the society was moved by Mrs. J. A. Middleton.

Mrs. Clarence Hancock was put in charge to look after the woollens for blankets and Mrs. Middleton was asked to order more pot scratchers.

Plans were further discussed about the community hall. Contractors are to be contacted to obtain estimates. The secretary was asked to write the government to receive permission to get donations taken off income tax.

The next meeting is to be at the home of Mrs. George Middleton and is to take the form of a Thanksgiving meeting.

At the close the hostesses served a delicious supper.

St. George's WA Meets

HASTINGS, Sept. 12—(ENS)—St. George's Anglican W.A. met at the home of Miss D. Plant on Wednesday afternoon. Mrs. C. Baker read a letter inviting members of the branch to attend the annual Deanery meeting at St. Luke's Church, Peterborough. Mrs. E. Radford Jr. was appointed Little Helpers Secretary. The president suggested that the congregation be asked to bring gifts for overseas parcels on Thanksgiving Sunday.

Two new members, Mrs. J. Nameth and Mrs. H. Haswill were welcomed.

Canon Spencer offered the closing benediction.

Manslaughter Charge

PORT ARTHUR, Sept. 12 (CP) —Ingvall Pearson, 28, Friday was convicted on a reduced charge of manslaughter in connection with the death of his wife, Kathleen, 40, shot with a .22 calibre rifle during a violent quarrel in the kitchen of their home May 26. Pearson, a factory worker, was charged with murder.

COUNT JAQUES HUGE DE BERNONVILLE, who is presently being held in Montreal subject to deportation to France where he is under sentence of death as a "collaborator" ... real, where de Bernonville's deportation was halted by a writ of habeas corpus.

BRITAIN EXTENDS ARMY SERVICE TERMS

U.S. Promises To Explain Unionist Ban

Fear All Union Men Being Kept Out; Fred Dowling Barred

TORONTO, Sept. 14 — (AP) — An official of the United States immigration service office here said today that a statement would be made shortly in Washington concerning the restrictions against the movement of Canadian trade unionists to the U.S.

Monday the office refused permission to enter the United States to Fred Dowling, Canadian director of the United Packinghouse Workers of America (CIO) and an avowed anti-Communist. Mr. Dowling had applied for permission to travel to the Chicago UPWA headquarters. He was told he was "temporarily barred." No other explanation was offered.

U.S. immigration authorities in Toronto said that they "had reason to believe the reason for the ban would be clarified before the end of this week."

Union officials in Toronto say the ban is aimed at barring Communists from entering the United States. However, they point out that several of those barred are avowed anti-Communists.

Murray Cotterill, president of the Toronto Labor Council, and political action director of the United Steelworkers (CIO) said the action of the U.S. immigration officials "had no logic."

Action of the immigration authorities appeared to be based on "not too accurate information," Mr. Cotterill said.

Seven trade unionists were refused permission to enter United States at Chicago Saturday, it was learned Monday.

3 Others Turned Back

Three others were denied entry when they applied to the U.S. immigration office here Monday.

The group of seven, all from Sudbury and members of the International Union of Mine, Mill and Smelter Workers (CIO), were on their way to a union meeting in San Francisco.

Nelson Thibault, president of the Sudbury local of the Smelters' Union, said Chicago officials gave no reason for the order to "take the next plane back." Others in the group were Michael Swiddle, Charles Tonsaker, Arthur Michel, J. L. Charlebois, Mrs. Elizabeth Gunter and Mrs. Frances Cuddy.

The other three are from Kitchener and are members of the United Rubber, Cork, Linoleum and Plastic Workers of America (CIO). Several other members of the same union were granted permits to enter the U.S. for a union

U.S. PROMISES

(Continued on Page 2, Column 1)

RIOTING GERMAN DEMONSTRATORS in Berlin cheer their unidentified comrade who climbed to the top of the Brandenbourg Gate and hurled the Russian flag to the ground, where it was torn to shreds. The Gate is the dividing point in Berlin between the British and Soviet sectors. It was at this anti-Communist demonstration that Red soldiers fired at the crowd after being stoned.

Appoint Ilsley Bank Director

MONTREAL, Sept. 14 (CP) — Appointment of Rt. Hon. J. L. Ilsley, former finance minister, justice minister and revenue minister in the Federal government, as a director of the Royal Bank of Canada was announced today.

Mr. Ilsley, a native of Nova Scotia, retired from active politics last July and joined a Montreal law firm in the position formerly held by his friend and close political colleague, the late J. L. Ralston.

Bermuda Cleans Up After 123 MPH Gale

MIAMI, Sept. 14 — (AP). — Bermuda cleared away debris today in the wake of a severe hurricane that lashed the area with winds of 123 miles an hour.

No loss of life was reported and property damage was not extensive, according to reports.

The hurricane had winds of 140 miles an hour in a small area near the centre and heavy squalls and gales extended outward 200 miles from the centre.

It whirled northward at 16 miles an hour and the weather bureau said it probably would make a slow curve to the north-northeast, accelerating in a forward movement.

Believes Russia Has Lost Political Battle

BERLIN, Sept. 14.— (AP). — Gen. Lucius D. Clay said today: "I don't think war is just around the corner."

The United States military governor made the statement to American reporters who came to Berlin on a special flight from the United States to view the British-American air lift supplying Soviet-blockaded western Berlin.

Clay added he doubted the Russains "will make Berlin the final issue on the entire German problem." He predicted that before any forceful actions were attempted to break the 82-day-old Soviet blockade, the United States would exhaust "all other means at its disposal" to reach agreement.

Clay declined to discuss whether bringing the Berlin question before a Council of Foreign Ministers would mean "negotiation under duress."

He left the impression, however, the United States at least would not be prepared to discuss any other larger German issues with the Russians at such a conference before the blockade was lifted.

Louis Glaser, veteran United States military government official, declared Russia and Communism have already lost the political battle for Berlin. As a last resort, he said, they have taken to rioting and force.

"The Russians and Communism have proved themselves morally, ethically and ideologically bankrupt in Berlin.

"The proof of this lies in recent events. They now have descended to rioting and resorted to force against democratic procedures to seize control which they could never gain otherwise."

In Moscow, informed observers looked for a climax some time this week on the four-power talks over the Berlin crisis.

Parachute Squads Stand By In Search For Navy Plane

WINNIPEG, Sept. 14—(CP).—Parachute rescue squads stood by today while the Air Force intensified its search in northern Manitoba for a United States Navy aircraft missing since Sunday with five men aboard. RCAF headquarters in Winnipeg announced tersely in mid-morning that there was "nothing new to report" in the hunt for the missing plane. Headquarters said 13 search planes had taken up the task of criss-crossing the bleak district where the navy plane had disappeared.

RCAF officials described it as the "most intensive" search in northern Manitoba's history.

Two US Army paratroop teams —including a doctor—are standing by while a three-man Canadian Army team also is ready to swing into action.

Of the search planes, 10 are Canadian while the remaining three are American craft. In addition, four more American planes are due in Winnipeg to-day. After refuelling, they will push on immediately for the north country to take part in the search.

Aboard the plane when it took off Sunday on a 450-mile flight from Churchill to The Pas were five persons, including Capt. Sir Robert Stirling-Hamilton, RN, naval adviser to he British High Commissioner at Ottawa, and Capt. Benjamin Scott Custer, naval attache at the US Ottawa Embassy.

Others were the pilot, Lieut. Charles Wilcox, US Navy; Chief Petty Officer Jack M. Kastner, a naval air pilot; and a staff sergeant named Scalise, who was a passenger being flown south from the Manitoba port on the rim of Hudson Bay.

Thirteen aircraft, three American and 10 RCAF, Monday flew low over the lake-studded and forest-covered terrain seeking the missing naval plane.

Overnight two RCAF aircraft continued the search from The Pas to Churchill, the crews also checking each flicker of light stabbing the northern darkness in case it was a flare from the Beechcraft.

2 Men Bail Out In Russ Zone

FRANKFURT, Sept. 14.—(AP). —Two American air-lift pilots bailed out over the Soviet zone of Germany early this morning and have not been heard from since.

Air force headquarters said they were ferrying a C-47, laden with food, from Wiesbaden, when the pilot radioed at 4.20 a.m. that their engines had failed and the ship was losing altitude.

The message said the crew was abandoning ship in the vicinity of Langensalza, about 20 miles inside the Russian zone. It said one motor had cut out and the other had begun to quit.

One unconfirmed report said one of the pilots landed safely near Erfurt, 15 miles from Langensalza and 30 miles from the United States zone.

German police at Langensalza said they had heard nothing about the accident, but would investigate.

An American search team entered the Russian zone today to seek the two fliers.

Will Discuss Invasion

PARIS, Sept. 14 —(AP)—The United Nations announced today the Security Council will meet Thursday on the invasion of Hyderabad by India. The Security Council was called, at the request of Hyderabad, by Britain's Sir Alexander Cadogan, president of the council for September. It will be the first United Nations meeting in the Palais de Chaillot where the General Assembly convenes next week.

Hall Charges TLC Using Unfair Tactics

Has No Personal Axe To Grind For President's Office Union Leader Says

WINNIPEG, Sept. 14 (CP) — Officers of the Trades and Labor Congress of Canada are "playing with loaded dice and using unfair tactics" in expelling the Brotherhood of Railway and Steamship Clerks "for the purpose of keeping me off the floor of the convention," union leader Frank H. Hall said today.

Mr. Hall, vice-president of the BRSC, said he felt it had the support of the more important elements and unions identified with the TLC.

His visit to Winnipeg had nothing to do with issues raised by his recent action in directing a union merger aimed against the Canadian Seamen's Union, another TLC affiliate, he said at a press conference.

"A number of our delegates will go to the TLC's annual convention in Victoria in October," Mr. Hall said.

He emphasized he was not a candidate for the office of TLC president. He had no personal axe to grind because of the situation which had arisen because of the merger of the Seafarers' International Union (AFL) with the Canadian Lake Seamen's Union.

The Congress considered the SIU a dual union.

No Dual Union

"We take the position that no AFL organization can be a dual union in Canada. The SIU stems from the parent body of my own organization, the American Federation of Labor, as do 40 or 50 others operating in Canada. We can never regard the SIU as being dual.

It had been alleged the merger action was improper because the CSU was engaged in a strike against certain steamship companies, Mr. Hall said.

"There is no effective strike. The ships of these companies continue uninterruptedly to ply the lakes and waterways of Canada.

"The Canadian Seamen's Union lost any chance it may have had of winning the strike when it engaged in unlawful acts and violence and alienated public opinion."

The Canadian Lake Seamen's Union had been taken from the Canadian and Catholic Confederation of Labor—dual to the TLC—and put into the AFL. This represented a blow at dual unionism.

"The CSU, inhibited by its red label, can never be an effective instrument for the protection of the men who work on these ships."

Mr. Hall said the steamship companies thus are faced with the necessity ow doing business with a much stronger union than the CSU.

"We have not done the steamship companies any favor."

Won't Allow Conscripts To Go Home

Find World Situation Much Too Tense For Demobilization

HAMBURGG, Germany, Sept. 14.—(AP).— Britain today extended for three months the term of service of conscripts called up for the armed forces on or before Jan. 1, 1947. The step was taken because of the international situation, an announcement said.

A Government announcement was read to occupation forces in the British zone of Germany.

"It was our anticipation at the end of the war that by this time the post-war international difficulties would perhaps have been resolved. Unfortunately this expectation has not been realized. Our armed forces must be in the best possible form to fulfil the demands made upon them and these demands have materially increased during recent months.

Must Stay Longer

"The Government has decided that it is necessary for all national service men due for release in the next few months who have not left their units for release by today, to be retained for a period of three months beyond the date when in the normal course they would been released," it said.

The statement said the situation will be "revised from time to time in light of the current international situation." It expressed regret that it was necessary to change the plan by which it was hoped no post-war conscripts would have to serve more than two years and all men called up before Jan. 1, 1947, would be released by the end of this year.

Little Chance Italy Settled

PARIS, Sept. 14—(AP).—Hope is all but gone today for any Big-Four agreement on the knotty question of what to do about Italy's pre-war African empire.

With a scant 24 hours left to reach a decision, delegates of the Big Four are not even agreed on whether they have the power to decide the future of Libya, Eritrea and Somaliland. Russia says they haven't.

There was in prospect only one faint chance for any agreement. That was a report from the Deputy Foreign Ministers' Council containing an agreement in principle that Somaliland be placed under Italian trusteeship. The British delegates said they didn't think much of the chance.

The delegates, representing Britain, France, the United States and Russia, got together for the first time Monday and spent more than four hours arguing about whether they actually constituted a Foreign Ministers' Council as provided in the Potsdam agreement. The Western Powers said yes. Russia, in the person of Andrei Vishinsky, Deputy Foreign Minister, said no.

UE Asks Gov't To Smooth Way

TORONTO, Sept. 14 (CP) — The district executive board of the United Electrical, Radio and Machine Workers of America (CCL) today formally requested the Dominion Government to approach United States authorities with a view to opening the border both ways for unrestricted travel to trade union representatives.

The UE, which has 25,000 members in Canada, is one of the unions recently affected by the ban on border crossings on some union representatives enforced by U.S. immigration authorities.

In a telegram to Prime Minister Mackenzie King, the UE held that Canadian and American Corporation officials were free to cross the border "not only in carrying out their business affairs, but also in dealing with matters of collective bargaining."

Eskimos Go Modern

MONTREAL, Sept. 14 — (CP).—Dr. Marie Hammer, Danish biologist, who is just back from the area around Aklavik, says the Eskimos have become civilized and you'd never know the old place. She said, during a stop-over in Montreal, Eskimos get the evening meal from a can just as so many city folk do. They sleep on proper beds, enjoy electric toasters and sewing machines and light their homes with electricity instead of whale-oil lamps.

Western Envoys Meet Again With Molotov

MOSCOW, Sept. 14 (CP)—The three Western envoys went to the Kremlin today for a meeting with Soviet Foreign Minister Molotov.

This was the first four-power meeting in Moscow since Aug. 30, when Walter Bedell Smith, United States Ambassador, French Ambassador Yves Chataigneau and Frank Roberts, special British envoy, saw Molotov and his deputy, Andrei Vishinsky, on the Berlin question.

The three Westerners met among themselves just before they went to the Kremlin. The new meeting followed the return of Francois Seydoux, French political adviser in Germany, with reports on the talks held in Berlin by the four military governors.

The three envoys left for the Kremlin together, from the United States Embassy, where they had been meeting.

Prime Minister Stalin was not present at the Kremlin meeting, another in a long series of four-power talks which began the end of July.

Following the session, the three Westerners were to confer at the British Embassy.

Complex Situation

Western sources here said, however, a highly complex situation arose after the breakdown of the Berlin talks.

The western envoys, in their next Kremlin approach, must have a reply to Russian counterpoints raised in Berlin. Some of these undoubtedly came as a surprise to the western governments who had thought agreement had been reached in principle when the last Kremlin meeting decided to transfer the issue to Berlin.

The confident western expectation here then was that the governors would work out details in a few days and that the envoys would ratify it here at another Kremlin meeting.

It was believed that after each of three conferences Monday the envoys reported back to their capitals. At the midnight meeting they were understood to be much nearer agreement on presentation of the western case on all the main issues.

Find Missing Fliers

LONDON—(CP).—More than 20,000 RAF officers and men reported missing, presumed killed, have been located and identified by the RAF's crack detective force, the Missing Research Bureau. At one time 600 men of the Bureau made a two-way search of Europe for clues of the missing.

Indian Troops Half Way To Hyderabad Capital, Against Strong Resistance

India's Governor-General Issues Proclamation That Grave Emergency Exists; Gives Extraordinary Powers To Police

NEW DELHI, Sept. 14—(AP).—Indian troops in a lightning invasion of Hyderabad today captured the town of Rajasur, half-way from their jumping-off point of Scholapur to Hyderabad City, heart and capital of the princely state. Another tank-led column thundering down from the northwest captured the important rail-town of Jalna on the Nizam's state railroad after a penetration of 70 miles into Hyderabad. Jalna is 250 miles from the capital. Rajasur is 90 miles to the west and in the area where the Indian army had found its hardest resistance.

The Indians driving in from the east captured Suriapet, 90 miles east of Hyderabad City.

Troops in the northwest also captured Daulatabad, also a communications centre 60 miles west of Jayna against "strong resistance."

The successes were recounted in a Defence Ministry communique issued shortly after noon when the invasion was less than 36 hours old.

A headquarters spokesman said he did not expect the campaign to last long, despite the stiffening opposition.

(A Hyderabad communique received in Karachi, Pakistan, on Monday night said the Indian invasion had been stopped at all points.)

Indian forces marched into the princely state at 4 a.m. Monday from four directions under orders to garrison Hyderabad until its future status and relationship to the Hindu dominion of India is settled. The population of the state, ruled by the Moslem Nizam, is 80 per cent Hindu.

One Indian column, in the Baldrug area in the west, had the heaviest casualties reported—100 dead and 150 captured. Their opponents, the communique said, lost 50 killed.

The Hyderabad army and Razakar (Moslem volunteer) forces under combined control are opposing the Indian troops at Aurangabad.

No Notable Advances

In the north and south no notable advances were reported since the initial successes Monday. Bidar airfield, 40 miles northwest of Hyderabad city, was reported bombed by Indian planes during the night, as well as Warangal airfield, 50 miles to the northeast of the capital.

Headquarters spokesmen said "the Indian advance continues in all sectors of Hyderabad despite oppositon in some areas."

INDIAN ARMY

(Continued on Page 2. Column 7)

Chooses Jury Trial In $22,500 Theft

TORONTO, Sept. 14 (CP) — Daniel Keller, 42, committed last week for trial on six charges of theft involving about $22,500 and four charges of fraud involving about $10,500, Monday chose trial by jury. Keller who eluded police for two years in his 'round-the-world travels, was arrested Aug. 21 in a tourist cabin near Port Hope.

DR. DAVID PERLMAN, Toronto physician, was kidnapped early Monday in his own automobile, driven bound and gagged to a tourist cabin near Cottam in the Windsor area and left tied to a bedpost. Dr. Perlman is shown with two grandchildren, Phil and Jill Shapiro. Three Toronto men were arrested in Windsor on a charge of kidnapping. (CP PHOTO)

Toronto Gang Tries To Smash Street Dance

TORONTO, Sept. 14 (CP) — A gang of between 30 and 40 youths, whom police called the "Limits Boys," attempted to break up a street dance in North Toronto Monday night, assaulted three or four Leaside youths, and were finally driven off by police.

Today Acting Police Chief M. M. Mulholland said action would be taken by the police force to break up the gang of teen-agers, who live near the city's north-end city limits. About a dozen young girls followed the gang Monday night.

Police said some of the gang were ordered away from a dance last Friday organized by a Service Club to purchase wheel chairs for Sunnybrook Veterans' Hospital.

No arrests were made in Monday night's fracas.

Bad Forest Fire Ravages Valley

OJAI, Calif., Sept. 14—(AP).—With women and children evacuated from two communities, the picturesque Ojai Valley resort area lay blackened and desolate today from a still-burning, 12,000-acre forest fire.

The community of Ojai itself, with a population of 3,500, felt the fringe of the flames, but a wind shift enabled the hundreds of fire fighters to gain control Monday night.

Some 10 or 11 homes, including palatial summer dwellings, were destroyed, but the fire was halted two blocks short of the business district. Initial damage estimates ran over $1,000,000.

The community of Meiners Oaks, population 1,500, also was threatened by the blaze. Women and children were evacuated from both Ojai and Meiners Oaks to Ventura, where the Red Cross disaster relief set up eating and sleeping facilities in the civic auditorium.

The blaze claimed the life of one volunteer fighter, Louis Franklin Hall, 44, of Ojai. Hall was found dead in a field behind his home, apparently the victim of a heart attack.

5 In Disorders Jailed 25 Years

BERLIN, Sept. 14 — (AP). — The Soviet-licensed news agency Monday said five Germans who took part in disorders that followed an anti-Communist meeting here last Thursday have been sentenced to 25 years in prison by a Soviet military tribunal.

The giant anti-Communist rally was followed by violence at the Brandenburg Gate, a border marker between the Soviet and Western sectors of Berlin. A German youth was killed and several persons wounded in a clash involving Russian soldiers, Soviet sector German police, and members of the crowd.

The news agency said the five, who were "arrested on the spot," were sentenced to 25 years' hard labor for "crimes against public order, the lives of peaceful inhabitants, and the Soviet occupation troops."

New Dim Out Imposed In Ontario

New Power Reductions Effective Today; Ban Electric Signs

TORONTO, Sept. 14 (CP) — Power restrictions, imposing a "dim out" over Southern Ontario until next Spring, became effective today.

The Hydro - Electric Power Commission announced the restrictions recently as a power conservation measure. They are similar to bans imposed last winter because of a shortage of water at Hydro power sources.

From today on, all exterior electric signs, whether flood or outline lighting, for decorative, ornamental or advertising purposes, are banned. The ban also applies to outdoor Christmas trees.

Marquees or sidewalk canopies on hotels, theatres and restaurants will be restricted to two watts per square foot of floor space or sidewalk area covered.

Stiff penalties of from $100 to $500 are provided for failure or refusal to heed the restrictions. Enforcement is left to the individual municipal commissions.

Limit Lighting

Shops during business hours will be limited to lighting of two watts per square foot of gross floor area; in the case of show windows the limit is 20 watts per lineal foot of width between 4.30 p.m. and 9 p.m. and in respect to offices 2½ per square foot of gross floor area. After business hours there is a limit to 60 watts per shop or office for protective purposes.

Service Stations when open may use 100 watts per gasoline pump. Parking lots and used car lots may use up to 15 watts per 100 square feet of space, while open for business and five watts per 100 square feet when closed.

Air heaters, grates, radiators, boilers or any other device for space heating which require electrical power for operation are prohibited in hotels, tourist cabins shops, offices and commercial premises.

A number of exceptions include lighting of airports and transportation terminals; police, fire and property-protection services, traffic lights, traffic and warning signs, hospitals and the interiors of homes.

MORE ABOUT—

U.S. Promises

Continued from Page 1

conference at Omaha, Neb.

Thibault said: "We made routine arrangements as we have been doing every year since 1945 to cross the border. When we landed at Chicago after taking off from Malton, (Ont.) airport Saturday, we were met by at least four uniformed police.

"They did not ask us whether we were Communists or affiliated with Communists or anything of the sort. When they finished questioning us, we were ushered into a room and doors were locked until the time of our departure."

At Ottawa, an external affairs spokesman, while aware that the United States were barring suspected Communists from entry, did not believe this move was applicable to trade unionists generally.

The spokesman expressed surprise that a known anti-Communist should be refused admittance to the United States and added "there may be other facts involved."

Resume Shelling

JERUSALEM, Sept. 14 (AP)— An Israeli statement said Arabs resumed shelling in Jerusalem to-day, killing three Jews and wounding five. Two Jewish women wounded during week-end shelling died in a hospital. Shelling began before midnight in the Dir Abu Tor sctor nar th Jru-salem railway station, "where our forces replied to Arab shelling, severely damaging one of the enemy positions" a Jewish communiqu said.

Cheese, Produce, Livestock

TORONTO HOG PRICES

TORONTO, Sept. 14 — (CP), — There were no hog quotations at Stratford this morning.

TORONTO FRUIT

TORONTO, Sept. 14 — (CP). — Wholesale fruit and vegetable prices here today were unchanged with the following exceptions:

Peaches, No. 1 $1-$1.15; No. 2 65-70; celery, green, $2-$2.50; green onions 40-50; cucumbers 50 cents.

CHICAGO GRAIN

CHICAGO, Sept. 14 — (AP). — September corn continued its advance at the opening of today's Board of Trade session. The nearby contract was up as much as a cent with other corn deliveries advancing. Wheat was mixed and oats ranged lower.

At the start wheat as ⅜ cent higher to ½ lower than yesterday's close. September $2.23¾; corn was ⅜ to one cent higher, September $1.75¾-½, and oats were ⅛ higher to ⅛ lower, September 71⅞.

TORONTO PRODUCE

TORONTO, Sept. 14 — (CP). — Produce prices on the spot market here today were quoted as follows:

Churning cream unchanged. No. 1 74 cents fob; 78 delivered. Butter prints unchanged. First grade 70½; second grade 69½.

A good demand on egg market is taking care of all available supplies. Prices are unchanged. Country shippers quoted graded eggs, cases free: grade A large 55-56; grade A medium 53-54; grade A pullet 35; grade B 41; grade C 36. Wholesale to retail: grade A large 59-60; grade A medium 57-58; grade A pullet 39-40; grade B 45-46; grade C 40-41.

Butter solids are unchanged. First grade 68; second grade 67.

WINNIPEG GRAIN

WINNIPEG, Sept. 14 — (CP) — Light offerings in all grains were recorded today in early trade on the Winnipeg Grain Exchange.

Barley was the only grain to attract much trade. Processors were the chief buyers. Hedging pressure was slight.

Oats attracted light demand from American accounts and there was crusher buying in flax. Small commission house demand in rye caused minor advances. Trade was dull.

Prices:

Oats—Oct. ⅛ higher at 73¼b; Dec. ⅛ lower at 70¾; May ¼ higher at 71¼b.

Barley—Oct. ¾ higher at $1.01¾b; Dec. ¼ higher at 98⅝; May unchanged at 98⅞a.

Rye—Oct. unchanged at $1.43a; Dec. ⅜ higher at $1.42¼; May ¼ higher at $1.45¼.

Flax—Oct. ⅛ higher at $4.05⅛b; Dec. unchanged at $4.03b; May unchanged at $4.05a.

TORONTO LIVESTOCK

TORONTO, Sept. 14 — (CP). — The livestock market here today continued strong with prices steady to the week's advance. Hogs settled and lambs gained 50 cents. Receipts reported by the Dominion Marketing Service were: cattle 1,600; calves 400; hogs 300; sheep and lambs 700. Monday's holdover of 2,100 head included 800 stockers.

Weighty steers sold at $22-$27 and butcher steers were $20-$24.50. Heifers were $17-$22 and good butcher cows were $16-$17.50 with a few up to $18. Common to medium cows sold downward to $13 with canners and cutters downward to $7. Bulls were $15.50-$21. Fed yearlings brought $20-$28 and stockers sold from $16-$18.75.

Good to choice calves sold steady at $26-$28 with a few at $28.25 and common to medium vealers downward to $15.

Hogs steadied at $33 for grade A and $32.60 for B1. Sows were $24 dressed.

Lambs were $22 off cars and $21.50-$22 off truck for good ewes and wethers with $1 discount on bucks. Cull lambs were $13-$15. Sheep, $5-$9.

Peterborough Hogs, Grain And Produce

TUESDAY, SEPTEMBER 14.

Hog quotations $32.40 plus transportation.

Sow quotations $23.00 plus transportation.

Eggs: A large 48c, A medium 45c, A pullet 27c, B 32c, C 28c.

Quaker Oats Company of Canada quotes Ontario Winter Wheat No. 1 $2.10, No. 2 $2.10, No. 3 $2.05, feed oats 73c; buckwheat $1.25! Feed barley $1.01 All prices delivered at the mill.

Obituary

MRS. SAMUEL McGEE

NORWOOD, Sept. 14.—Mother of three sons in the profession of medicine, Mrs. Samuel McGee died Monday at her home on No. 7 Highway, west of here, following a comparatively short illness. She was 72.

Mrs. McGee was born in Dummer township, Mary Helen Stinson, daughter of Richard Stinson and his wife Martha Morrison. Her husband was one of the most prominent farmers in Asphodel township. The family used to live at Elgin on the Hastings road.

The bereaved members of the family are the sons: Mr. D'Arcy McGee at home; Dr. Andrew McGee, Toronto; Dr. George A. McGee, Detroit; Dr. Barclay McGee, Orangeville; Ted McGee of Asphodel, and daughters: (Laura), Mrs. Stephen Elmhirst, Indian River; Mrs. M. Knox at home; (Marguerite), Mrs. J. J. Stewart, Norwood; (Helen) Mrs. Harry Sherwin, Asphodel; (Josephine), Mrs. (Dr.) J. F. Sykes, Washington, D.C.; (Doris), Mrs. (Dr.) Edward Harrigan, Toronto; and sisters, Mrs. Arthur Roscoe, Tucson, Ariz., and Mrs. Jas. Blakely, Cottesloe.

Mrs. McGee was a member of Norwood United church and Norwood Women's Institute. She was widely known throughout east Peterborough in her own activities and those of the members of her family. The funeral will be Thursday at 2.30 p.m. from the family residence to Norwood cemetery. Rev. E. E. Pugsley will conduct the service.

Bengal Premier Appointed Pakistan Head

KARACHI, Pakistan, Sept. 14. (AP).—Kwaja Nazimuddin, former premier of Bengal, has been appointed acting governor-general of Pakistan, an official cabinet announcement said today.

He will fill the vacancy caused by the death Saturday of Mahomed Ali Jinnah, founder and first governor-general of the new Moslem dominion. He will be sworn in late this afternoon.

Nazimuddin, 54, was educated at Harrow and Cambridge and later became a member of the English bar. He had been a member of the government in his native province of Bengal at various times since 1927.

He was premier of Bengal from 1943 to 1945 and became premier of East Bengal after partition last year. He once was knighted by the Crown but renounced the title at a meeting of the Moslem League in Bombay in 1946.

As education minister in Bengal in 1929, Nazimuddin fought for compulsory primary education. For 10 years he was a member of the working committee of the all-Indian Moslem League, the organization which Jinnah led and which fought for and won the Moslem Dominion of Pakistan.

He was a member of an Indian food delegation to the United States in 1946 and represented India at the last League of Nations meeting at Geneva.

Kiwanis Auction Huge Success

Peterborough radio listeners heard something new in the way of radio entertainment on Saturday night — the much-discussed Kiwanis radio auction sale. More than 170 items from an electric refrigerator to a collie puppy were sold as people combined business with pleasure. All articles, which were donated, went at bargain prices as the listeners swamped the 10 telephone operators with their bids.

Proceeds went toward the Kiwanis fund for welfare work. Recently International Kiwanis has come out strongly against raising funds through lotteries and other games of chance no matter how worthy the cause.

This is the first time a radio auction has been tried in the city, but it won't be the last. The Kiwanians say they will be back next year with an even greater list of merchandise to be auctioned off to bargain hunters.

To run the auction three rooms were required in the Empress Hotel with about 40 Kiwanians assisting altogether. To answer the telephone calls that flooded in there 25 men answering 10 telephones. As soon as the bids were received from a prospective buyer a runner brought the slip with the person's name and offer to the announcer on duty.

The announcing staff of eight was kept busy from 7 p.m. when the first article went up to auction until midnight.

Chairs, radios, rugs, cosmetics, paints and a host of miscellaneous articles were snapped up by the eager public. The program was pronounced an unqualified success.

One young lad desirous of a collie pup put in his bid and finally got the dog, but his joy was short lived as mother vetoed the sale. A little while later it was up for sale again.

Another listener thought he was doing his neighbor a favor by bidding on some paint for the neighbor's new house. Little did he know that his effort went unappreciated as the neighbor had already bought the required paint. It also went up for auction again.

Some donors, observing how fast the merchandise was being auctioned off, made a second donation.

President Edward Pridham officially opened the auction at 7 p.m. and thanked the Peterborough people for their support of his project shortly before midnight.

Prime Minister King Arrives In New York

NEW YORK, Sept. 14—(CP)—Prime Minister Mackenzie King of Canada arrived here today from Ottawa, en route to the United Nations general assembly in Paris and next month's Commonwealth meeting in London.

Holder of a doctorate of philosophy and an honorary LL.D. from Harvard university, the Prime Minister planned to spend the day at New York's Harvard Club.

A member of his staff said King will catch up on "last-minute work" and meet a few friends before boarding the Queen Mary tonight.

"He won't even be doing any shopping," he said.

The Prime Minister arrived by train from Ottawa and went immediately to the Harvard Club.

Plan Annual Ball On October 11

Alpha Theta Chapter of Beta Sigma Phi held the first meeting of the fall season Monday evening in the YWCA. Mrs. John Vingoe, president, outlined briefly the activities planned for the coming year. Mrs. George L'Homme announced the International "Rushing" plan for October and a "rushing party" for pledges will be held Monday evening, September 27, at the YWCA.

The Sorority's annual formal dance, the "Bib 'n' Tucker Ball" will be on Thanksgiving night, October 11. Part of the proceeds will be donated to the Civic Aena Committee and part to the new Civic Hospital There will also be a tea in November at which various hair stylings will be modelled.

It was decided that the "Baby Sitting Bureau" formerly conducted by Sorority members, will be discontinued.

Mrs. B. Duder announced a Valentine contest and the Misses Barbara Deyell, Mary King and Mrs. G. L'Homme were chosen to have pictures taken for entry.

Mrs. Haig Kelly, program chairman, introduced Miss Myrtle McKeown who gave a three-minute topic, "Miracle Healer for Burns." Miss Mildred McIntyre discussed "The formation and growth of Greek letter societies" and outlined the sororities and fraternities in the various colleges of United States and Canada.

Mrs. Maurice Holt, director, spoke on "Sorority Woman" as it applies to Beta Sigma Phi, outlining the qualities to be looked for in future pledges.

Miss Rheta Nelson a bride-elect of this week, was given a miscellaneous shower. A sing-song afterward closed the meeting.

Say Churchill Asks Duke Drop Memoirs

PARIS, Sept. 14 (AP)—France Soir says today Winston Churchill has asked the Duke of Windsor to stop writing his memoirs.

In a front page story from its correspondent in Cannes, the French afternoon newspaper says Churchill made the request when he and his wife visited the Duke and Duchess last week-end.

A series of articles published by Life magazine about a year ago brought the story of the young Edward up to the close of the First World War.

There hasn't been an official announcement of whether or not the Duke plans to finish the story of his life, especially the controversial period when he abdicated his throne as Edward VIII.

6,000 Pheasants Released On Peninsula

By the time the pheasant season opens nearly 6,000 of the birds will have been released in Lincoln and Welland Counties by the Niagara District Pheasant Breeders Association.

The association of sportsmen runs a farm which has a top capacity of 10,000 fowl. Over a period of four years the pheasant breeders have released about 20,000—2,100 in 1945, 5,500 in 1946, 6,500 in 1947, and 5,800 this year.

On Friday the association turned loose 150 cock pheasants which were released on May 10; about another 800 mature birds will be released before the end of the season.

This Spring's breeding stock laid so many eggs that the farm could not undertake to hatch them all and had to ask for the assistance of members and interested farmers. Some of the expenses have been defrayed by selling chicks to similar associations in Hagersville, Harwich, Harraw, Val d'Or and New York State.

Arthur Thompson, farm manager, says that the birds never lose their wild instinct and beat themselves into exhaustion against the sides of the wire compound at the approach of humans.

"It's no easy task raising pheasants," he says. "It's much easier to run a chicken farm."

The Niagara sportsmen are proud of the success of their farm and this Fall plan to hold over about 800 birds as breeding stock.

Augmenting the efforts of the association the Department of Lands and Forests sent about 1,200 adult birds into both Lincoln and Welland Counties several weeks ago.

Trading Picks Up After Slow Start

TORONTO, Sept. 14 — (CP) — Prices firmed as trading picked up after a slow start on the Toronto Stock Exchange today.

Industrials traded under the pressure of a heavy ex-dividend list. Bell Telephone, selling ex-dividend $2, was down a point and Fanny Farmer, Donnaconna Paper and National Steel Car were other ex-dividend stocks that weakened. Papers, generally showed a stronger tone on good fractional advances and Massey-Harris and Steel of Canada Pfd., rose strongly.

Silver Miller, Golden Manitou were the only losers in a reawakened base metals list. Consolidated Smelters gained ½ and Quemont, Noranda and Hudson Bay firmed fractionally. Waite Amulet, Pend Oreille, Sherritt, East Sullivan, Base Metals and International Uranium were ahead 3 to 16 cents.

Wright-Hargreaves, La Luz, Hollinger strengthened in senior golds while juniors were mixed in narrow range.

Anglo-Canadian, Roxana, East Leduc, Globe and Okalta advanced 1 to 6 cents in the stronger western oils.

MORE ABOUT—

Indian Army

Continued from Page 1

Razakars captured thus far have proved to be mostly Moslems from the united provinces in the north of India. One of India's demands of the Nizam has been for the immediate disbanding of the Razakars, whom the Indians accuse of committing border depradations.

Have Blank Minds

Asked about the future of the wealthy Moslem Nizam and his dynasty, the spokesman replied: "We march in with a blank mind regarding the future of the Nizam and his dynasty. Our only objective is the restoration of order and confidence. It is for the people of Hyderabad to decide their own future and their ruler and his dynasty."

Chakravarthi Rajagopalachari, India's governor-general, issued a proclamation declaring that a grave eemergency exists, where the security of India is threatened by international disturbances. He gave extraordinary powers to police, the courts and the military to meet any trouble.

Call For War

In Karachi, capital of Moslem Pakistan, there were calls for war against India when the news of the Hyderabad invasion became known.

At Bombay, an Indian Moslem leader urged Pakistan and other Moslem state, including the Arab League, to keep hands off. Fifty other Moslem leaders in New Delhi pledged their support to the Indian government. Still, extra precautions were taken in the capital to prevent outbreaks.

VALLEY DWELLERS

More than 60 per cent of Ecuador's people live in highland valleys.

MYTHOLOGICAL NAME

The word volcano comes from the name of vulcan, Roman god of the fiery elements.

King Requests Parliament To Curb Lords

LONDON, Sept. 14 (CP) — The King drove in royal splendor to Westminster today to read the speech from the throne, which asked parliament, in 74 cautious words, to curtail the ancient power of the Lords.

The terse throne speech opened a special 10-day session of parliamen and a bitter political battle between the Labor government and the Conservative Opposition.

The throne speech asked the legislators to "Amend the Parliament Act of 1911." The 1911 Act, which first curtailed the Lords' power, would be amended to cut in two the two-year period in which the House of Lords can delay legislation.

This is tended to help the government put through one of its most controversial measures — nationalization of the iron and steel industry before the general elections of 1950.

The special session followed on the heels of the Labor government's third session of parliament, which closed Monday. It seemed destined to one of the most controversial legislative sessions of recent history.

It took a severe lacing from the anti-government press even before the opening ceremonies began.

One paper termed it a "phoney session. "Another spoke of a "cynical party manoeuvre."

The Weather

Peterborough Temperatures:

Today
Night low..50 Noon ...74

Yesterday:
Highest....80 Lowest..58

One Year Ago:
Highest....78 Lowest..56

Sun—Rises at 6:56; Sets at 7:31

Assisted by clear skies and light winds temperatures tumbled across Ontario Monday night as cooler weather gripped all of eastern Canada. A short-lived heat wave came to an abrupt end in southern regions while frost was prevalent in the north. Fine weather is expected to remain in all regions today and Wednesday with little temperature change anticipated. The severe Atlantic hurricane that battered Bermuda last night is now 500 miles south of Nova Scotia.

Forecasts:

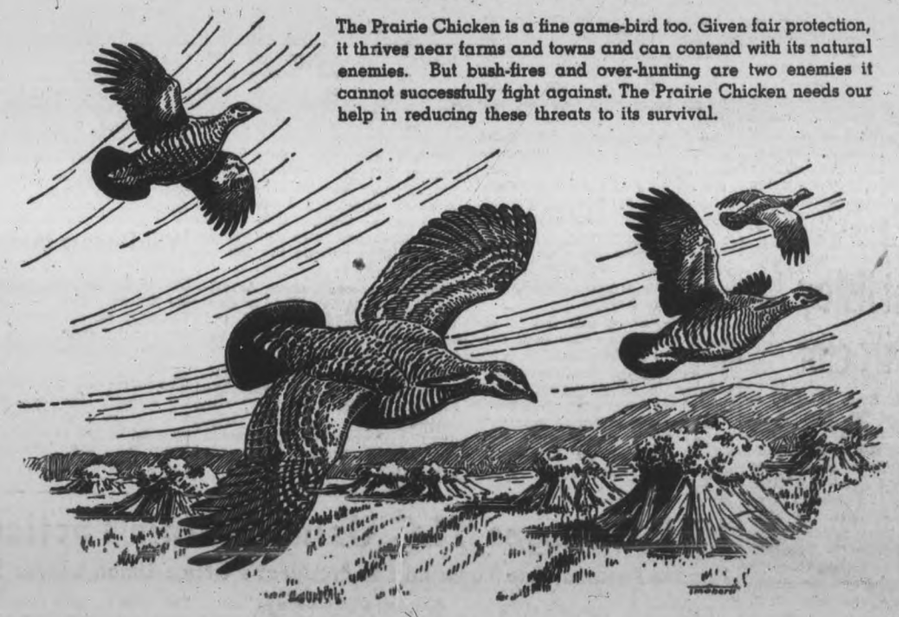
Lake Erie, Lake Huron, Lake Ontario, Niagara, Georgian Bay and Haliburton regions — Clear and cooler. Light winds.

Summary for Wednesday: Clear.

A friend in need . . .

An important weight in the balance of nature is the Prairie Chicken. By destroying weed seeds, grasshoppers and other insects, it makes the farmer's work easier and more profitable . . . it helps protect the food you eat.

The Prairie Chicken is a fine game-bird too. Given fair protection, it thrives near farms and towns and can contend with its natural enemies. But bush-fires and over-hunting are two enemies it cannot successfully fight against. The Prairie Chicken needs our help in reducing these threats to its survival.



The Heath Hen, a close relative of the Prairie Chicken, has been extinct since 1933. The forces that exterminated the Heath Hen can destroy the Prairie Chicken unless we act now to protect it.

Toronto Man Committed In Fatality

COBOURG, Sept. 14—(ENS).—Edward Drumm of New Toronto, whose home is at R.R. No. 2, Grafton, was committed for trial on a motor manslaughter charge yesterday by Magistrate R. B. Baxter. He was allowed on out on renewed baail of $5,000. The charge was laid in connection with an accident which took place on the Shelter Valley Road on August 28 in which, it is alleged, a car driven by the accused struck a bicycle, fatally injuring the rider, Edward Braczuk of Haldimand Township.

Dr. G. W. Zealand, of Grafton, who attended the injured youth, said that he died from a fractured skull. He also received a broken jaw, fractured left leg and fractured left arm.

James Boyle, aged 18, testified that he was riding home from swimming with Brazjuk, along the Shelter Valley Road. Witness said his bicycle did not have a light on it but the other bicycle did.

"I was riding along the edge of the road and Ted was about three or four feet to the west. We saw the reflection from the lights of an oncoming car. I heard him shout 'Jim' and we both swung for the ditch. The car seemed to be cutting the corner. I was knocked off my bicycle. I don't know whether I fell off or was knocked off, but I wasn't hurt. I ran down the road to where the car had stopped and saw Ted Drumm coming up towards me. He said, 'who was it? We put Ted Braczuk in a car and he was taken to the hospital. I noticed skid marks and left my bicycle just about where the impact occurred," testified Boyle.

Constable Harry Wilson of the Cobourg provincial police detachment, said that he made measurements at the scene, soon after the accident, which occurred around 8.30 p.m. Twenty-five feet south of the brow of the hill was where the skid marks started and they extended southerly for a distance of 104 feet. The left skid mark was 3 feet, four inches in from the east side of the road and after continuing 64 feet nine inches, veered toward the centre and was four feet from the east edge and for the last 20 feet the mark was 20 inches from the east edge. He said he found the wrecked bicycle about a foot away from where the car was stopped.

Harry Deyman acted for the Crown and John Callahan, KC, of Toronto, appeared for the defendant.

Phyllis Bartlett, of Toronto, pleaded guilty in court to four charges of issuing worthless cheques and receeived concurrent terms of six months definite and three indefinite. The cheques were all passed in the town of Bowmanville within the space of less than half an hour on July 14, the amount realized totalling $100.

"I will allow you on concurrent terms this time, but the time is coming soon when there will be no more concurrent sentences. People think they can commit a variety of offenses and if they are caught receive concurrent terms of sentence. It is going to stop," warned the magistrate.

Charged with breaking and entering Vanstone's feed mill at Bowmanville on July 22, Mike Kastenchuk of Toronto, was committed for trial. Detective-Sergeant J. Barber of Toronto, told of recovering a typewriter in the lodgings of the accused.

Adjournment was made in regard to the assault charge against William Gillespie of Grafton. The complainant is Fred Williams of Toronto. Crown Attorney Harry Deyman informed the court that the charge might be withdrawn later.

Reynard Sanderson of Port Hope, was allowed on suspended sentence upon payment of $24.50 costs when he pleaded guilty to giving false information to the police. Chief W. J. Carey testified that on the night of September 3, Sanderson came into the police office and said he had been held up and robbed in Cobourg near the park. An intense search was conducted for the man described by Sanderson, without result, and the next day Sanderson admitted there was no truth in his story.

The accused told the magistrate he had been drinking and that he had no reason for his wild story.

Never Had Steady Boy Friend Girl Will Wed For $7,000

DETROIT, Sept. 14.—(AP). — Blonde 19-year-old Georgie Martin, a girl who never had a steady boy friend, today offered herself in marriage for $7,000.

The young Detroit secretary intends to use the money to aid her impoverished family and to finish a college education, her father, George Martin, 53, said.

Georgie mailed three letters last week to newspapers in Wyoming, Utah and Montana outlining her proposal. She hopes to complete her law studies and settle in that part of the country.

"She's a swell girl," her father said, "and a fine person. She never had a steady boy friend. In fact she never went out with boys except to class parties when she was in school."

With two years to go before completing a law course at the University of Detroit, Georgie was forced to drop out and go to work as secretary at a Detroit trailer-manufacturing firm.

The father said he has been ill with a bad heart for 13 years. Last April he was forced to quit work. His debts piled up, he added.

The daughter plans to pay off the family debts, he said, and retain only enough of the $7,000 to complete college.

Although he sounded lukewarm in his endorsement of the marriage offer, the father said it was agreeable to him "if she finds some one decent who can offer her security and to whom she can be of help in the law or some other profession."

Land 2 Muskies

GORE'S LANDING, Sept. 14—(ENS). — Several nice muskies have been caught around here lately. Milton Ames caught one weighing 8 pounds. A 10½-pound 'lunge was landed by Mr. Kirschner, Dayton, O., who has been visiting in Harris' Tourist Camp. He went out alone and tied his boat to the buoy marking the sunken island between the pier and Black Island. He was using a plug and had no gaff or net. When the fish struck, he played it and managed to get it into the boat. But it jumped out again. He then played the fish until it was so tired, when he got it alongside the boat, he lifted it out with his hands.

HOT FLASHES?
Are you going thru the functional 'middle-age' period peculiar to women (38-52 yrs.)? Does this make you suffer from hot flashes, feel so *nervous*, high-strung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Pinkham's Compound also has what Doctors call a stomachic tonic effect!
LYDIA E. PINKHAM'S VEGETABLE COMPOUND

"Here it is, honey just as we left it!"

Check Single Shot Fired At Train Wndow

WINDSOR, Sept. 14—(CP).—Ontario Provincial Police are checking today on the source of a single shot fired through the window of a speeding Canadian National Railways mail train on Monday at nearby Stoney Point. Police said the shot nearly hit the fireman, Ernest Murphy, of London, Ont.

According to information given by the crew, the train was about two miles west of Stoney Point when there was a sudden explosion and the shot crashed through the window.

They were unable to say whether it was fired from a rifle or shot gun, but said the fireman escaped injury by a matter of an inch or two.

NO NIGHT GAMES

Sports officials agreed Monday that the new electric power restrictions, effective at midnight, would rule out night baseball and might mean softball and football may be played under lighting power reduced by probably 30 per cent.

12 Canadians Taken To Madras

LONDON, Sept. 14 — (CP). — A total of 12 Canadians have been evacuated by air from Hyderabad to Madras for safety from the India-Hyderabad fighting, the Ministry of Commonwealth Relations disclosed today in announcing the names of additional family of four whose next-of-kin are in Saskatchewan.

The additional family is that of Stewart C. Thomas, Mrs. Marjorie Islay Thomas, and daughters Avid and Marjorie Joy Thomas, all of the Indian mission at Bhongir, Hyderabad. Edward S. Thomas of Southey, Sask., is given as their next-of-kin.

The eight others are Miss Reinalerd Friebel and Miss Elizabeth Friebel, next-of-kin P. O. Friebel, Consort, Alta.; Miss Helen Whittman, next-of-kin H. Whittman, Three Hills, Alta.; Miss Vinetta Vaer, next-of-kin E. E. Vaer, New Hamburg, Ont.; Miss Emma Lepp and Miss Helen Harder, next-of-kin H. P. Harder, Winkler, Man.; D. C. Crosby and Mrs. Marguerite Crosby; next-of-kin Mr. Crosby, Toronto.

Find Aged Man Dead In Field Near Lindsay

LINDSAY, Sept. 14 — Richard Southern, 83, reported missing from the County Home for the Aged on Saturday has been found dead in a field on the farm of W. Pogue on the Little Britain highway outside Lindsay.

His body was found by Provincial Constable W. G. Milton. Coroner W. R. Crowe attributes the death to natural causes. Mr. Southern disappeared from the Home sometime during the night of September 8.

Benefit Game On At Bowl Thursday

A benefit game will be played this Thursday night in the East City Bowl, the time not being announced yet, between Johnny Russelle's city champion B-A softballers, and an all-star squad of intermediate "AA" players of the Industrial League.

At the finish of the Industrial Softball League players, three players had suffered painful injuries and one of them is still in the hospital. Due to low funds, the league is unable to re-imburse them for their financial loss, and it is hoped this benefit game will raise a good sum toward this purpose. Every effort will be made to provide a fine ball game on Thursday night.

IN TWO short years we have added over 257,000 telephones, put in hundreds of switchboards and trained thousands of people to extend and improve your telephone service.

We are adding more telephones to meet the continuing demand for service just as fast as equipment becomes available.

All this is being done in the face of rising costs. Yet, up to now, there has been no increase in the basic telephone rates established 21 years ago.

For you, this means greater value than ever before: for us, the satisfaction of providing "the best telephone service at the lowest possible cost".

THE BELL TELEPHONE COMPANY OF CANADA

I wonder how they make Black Cat so good?
